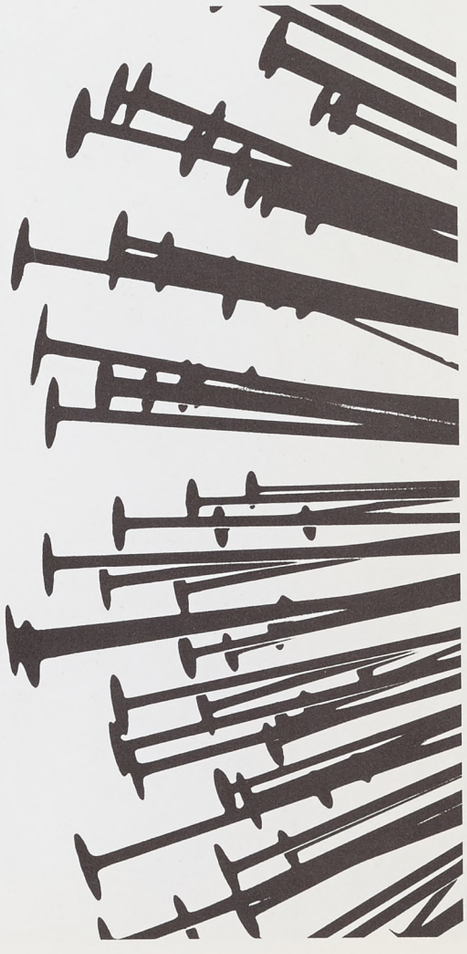
It's delightful,
it's delicious,
it's delectable,
It's dilemma,
it's delimit,
it's deluxe,
it's de-lovely.

Unknown



'Tis education
forms the common mind;
Just as the twig is bent
the tree's inclined

Pope

Game Room opening 'avors female pool sharks

By SANDY GARDNER

Harley Hall will soon have the stinction of being one of few omen's residence halls in the ition to house a game room cility, according to SA resident Mike March and ssistant Dean of Women Linda och.

Plans call for the basement cility, an extension of the CUB me room contract with King musement, to open sometime February.

The new game room will ature billiard tables, bumper ool, fooseball, air hockey, otball and pinball machines. lso planned are candy, soft rink and sandwich vending achines. Student personnel ill be on duty during game om hours to make change.

The facility will be open from to 10 pm daily.

Plans for the game room were roposed to the Housing Staff by liss Koch last December. The asement of Harley, formerly sed for storage by the college ookstore, was vacated when ne SA built a warehouse behind eisner Hall.

The SA has agreed to back the ame room financially. The SA aid it can withstand a loss etter than other organizations n campus, and it doesn't ex- ect to make a profit from the ame room.

March said, "We're not ooking for a profit. We just ant to pay the cost. This is one f the services we want to rovide for the students."

March explained that Harley was selected for the new game room because the students on the West End of campus needed a recreational facility. He said that East End students are close to the CUB. He explained, "We wanted the West End to get something for recreation. This is Miss Koch, who is also housemother of Harley and coordinator of the plan, discussed arrangements being made in Harley for the game room. She said that counter space still has to be constructed before the game room opens.

The ceiling in the basement is being soundproofed so that noise won't disturb first floor residents. She said the back door of Harley that was used for the old bookstore will be the entrance to the facility.

Miss Koch said there will be adequate security for the girls living in the residence hall. She mentioned the possibility of weekend party-goers causing disturbances, but added, "As long as people use that door only, and don't wander through the halls, we don't think we'll have a problem."

Miss Koch also said she hopes the new game room will attract women students, particularly as the facility is one of the few of its type in a women's residence hall.

Further improvements are called for, depending upon the success of the game room. If noise does not become a problem, a juke box may be added at a later date.

March said, "We want the students to know it is there. Then, if it's a success, we can continue to improve it."

The student employes needed for the game room will come from the financial aid office under the work-study plan. Anyone interested in working should apply at the financial aid office.

Spring break

Disagreement among various members of the faculty and student body concerning the present Spring Semester calendar caused the President's cabinet to revise the proposed schedule.

FM scheduled soon

By HANK ZIMMERMAN

WSYC goes back on the air Monday, February 3. It won't, however, be the grand debut of FM transmission, the debut everyone has been waiting for and waiting for. FM has been rescheduled to begin on February 17 at 5 pm.

So you privileged few in the dormitories can twiddle the dial on your AM radios to the familiar 640 and hear a new in programming. The new FM license designates the station as "educational." This means about one-third of each broadcast day will be devoted to public affairs programs.

"Public affairs" means special music programs; classical, jazz, folk and other types of music not usually heard on "Tops of the Pops" or the "Dedication Hotline." Many programs will come from the are topics of campus and community interest like the bank strike, women's roles and death. A series on the environment and cultural programs from Canada will be presented each evening. A call-in talk show is also in the works.

The remainder of WSYC FM's broadcast day will largely consist of progressive rock and progressive soul music. The station will leave the air at 2 am.

SHIPPENSBURG STATE COLLEGE
SHIPPENSBURG, PENNSYLVANIA 17257

THE PRESIDENT

CONGRATULATIONS to the Class of 1975!

You have attended the Shippensburg State College of the Seventies. This institution of public higher education has indeed become a comprehensive and multi-purpose one during your years at the College. New programs have been established and other programs have been expanded. You and the underclass students have responded to the new program opportunities; and we are now on the threshold of the time when one-third of our students are enrolled in programs in teacher education, one-third in programs in business, and one-third in programs in the arts and sciences.

You have also been greatly involved in the life and activities of the College. The Shippensburg of the Seventies, through your efforts and participation, is an improved and more exciting institution of higher learning because of our continued improvements in student government, in the performing and other cultural arts, in the activities of our athletic teams for men and women, and in all other phases of the college experience.

The increased number of minority graduates in the Class of 1975 documents our continuing effort to fulfill the twin goals of equal opportunity and equal access to education for all the citizens of our Commonwealth.

I extend to you very best wishes for the years ahead, and I urge you to return to the campus to visit your Alma Mater from time to time.

Swimming

The SSC women's swimming team had a truly sensational season. Their final record was 11-0—completely undefeated. In total, there are eleven members on the team. Of these, *Swimming World Magazine* determines that four of them, Maureen "Renie" Mullen, Diane Elicker, Debbie Tyler and Lisa Laslow are among the top collegiate swimmers in the country.

The remainder of the team consists of: Shirley Kent, Patty Taylor, Barb Warner, Debbie Hoover, Kim Nelson, Joyce Roberts (captain), and Kathy Duerr.
