ALMA MATER

Where the crystal Susquehanna
Shimmers in the sun,
Where the mountains cast their shadows
When the day is done;
Where the hemlock, pine, and maple
Murmur in the night
Beneath the star-lit sky till dawning
Brings the morning light

Chorus

There's Lock Haven Alma Mater
Cherished as in days gone past!
May we be worthy sons and daughters
Long as life shall last!

Where the ivied tower measures
Time for work and play,
Time for sports and songs and laughter
Through each pleasant day;
Where enduring friendships flourish
Sturdy through the years,
Where learning leads to early wisdom,
Substance of careers.

Words by Edward T. Hills
Music by W. Valgene Rouch
