HUSKIES' HEAD MAN

ROBERT B. REDMAN

Coach Robert B. Redman, who tutored championship football teams at North High School, Binghamton, New York, and before that at Sayre, is the head coach of the Bloomsburg State Teachers College Huskies.

Redman, a World War II veteran, produced great teams at North High, his team in 1940 being voted by sports writers as the best scholastic eleven in the Empire State.

Before going to North High he was head football coach at Sayre, Pennsylvania, his native community, from 1931 to 1937.

During this period his team won four Susquehanna Valley Interscholastic Athletic Association championships and boasted a winning streak of twenty-five straight games. He was also head basketball coach for two years, his team winning its league title his second year—the first cage title annexed by Sayre in twelve years.

In the recent conflict he entered the United States Navy in November, 1942, as a lieutenant, junior grade. During his naval service he was successively an aviation training officer, administration officer of a naval air squadron, and an administration officer of a naval auxiliary air station. He held the rank of lieutenant commander when he was separated from the service in February, 1946.

A graduate of Sayre High School, he won varsity letters in football, basketball, baseball and track. Because of his excellent scholastic record he was awarded the Dudley Perkin Scholarship by Swarthmore College from which institution he graduated in 1930.

At Swarthmore he won varsity letters in football, baseball and basketball and captained the nine his senior year. He also holds the degree of Master of Arts from Duke University.

Coach Redman in 1948 coached the first undefeated and untied team in the history of the College. His three-year record now stands at 23 victories and three defeats—one of the best intercollegiate marks in the state.

HUSKY OUTLOOK — 1950

by JOHN D. CROUSE, *Sports Writer*

Bloomsburg Morning Press

Bloomsburg State Teachers College acquired a new mascot in the interim between football seasons. After Roongo III, a full-bred Husky, had surveyed the prospects of the 1950 grid season, he was heard to say just one word, "Ruff."

And "rough" is what Head Coach Bob Redman and his staff feel, too, as they look at the coming season in which there are as many question marks as there are questions on an Army intelligence test—and don't mention the Army and the draft when Redman is within earshot.

Redman and his staff have their fingers crossed, but good, after losing a promising halfback and tackle to the 28th Division and nearly losing one of the best small college ends in the state to the same unit when it was federalized.

Beginning his fourth year driving the Husky football dogsled, Redman is faced with the realization that material is going to be much thinner this season, both in numbers and in size. Two years ago, when the Huskies were undefeated, they boasted one of the finest defensive lines in the state and the 1949 Spring graduation riddled that group. The 1950 Spring Commencement just about finished the job.

All-State end Elmer Kreiser is gone, along with two powerful starting tackles, Rod Morgans and Dick Jarman; three veteran guards, Lou Gabriel, Bill Swales and Joe Albano; and all three first-line centers, John Maturani, Paul Slobozien and Bernie DePaul.

Heading the roster of backfield emigres is Steve Kriss, the all-stater; steady Jim Reedy, a blocking back; and the veteran Joe Apichella.

Those are the principal cracks in the Husky masonry that Redman and his staff must fill in before the start of 1950's eight-game card.

Assisting the head coach with the tutoring duties again this year will be John Hoch, now starting his fifth year at the "friendly college on the hill." Busy John also is Dean of Men, publicity director and full-time classroom teacher.

There has been an addition to the Husky coaching staff this year, necessitated by the sudden death of popular Dr. Ted Satterfield late this summer while he was being operated upon in Philadelphia. In one short year, Satterfield had acquired a host of personal friends and professional admirers. Satterfield's death marked the second time in four years that destiny had removed a coach from Husky ranks. Head coach Alden "Lefty" Danks died of a heart attack just prior to the start of the 1946 season.

Replacing Satterfield is Dr. Edward Paul Wagner, a graduate of the Pennsylvania State College and a former coach at Donora High School, the little Western State school that has produced such outstanding athletes as Stan Musial and more recently, Bimbo Ceconi, of Pittsburgh University, and Arnold Galiffa, the West Point All-American.

1950 Schedule Tough

As has been the practice for the past two years, the Huskies play a September game in neighboring Berwick, against Ted Casey's always rough Mountaineers of Mansfield Teachers. The Mounties replace Wilkes College as the opener for 1950 and the game will be played, Saturday night, September 23rd.

Games with three strong and traditional rivals follow in quick succession away from home as Bloomsburg meets Lock Haven, September 30; Millersville, October 14; and Shippensburg, October 21st.

Then, the Maroon and Gold returns home to take on the Golden Avalanche from Kutztown, October 28, and follow by entertaining the Wilkes Colonels, November 4th. The young series with Wilkes is developing into one of the top attractions on the Husky schedule and that fact led to moving the game from September to later in the season.

Bloomsburg closes the season away from home with two new rivals. Glenn Killinger's strong West Chester outfit hosts the Huskies November 10, and the College travels across the State to meet Indiana Teachers, November 18th.

With that schedule it is going to take a lot of doing to maintain the Husky pace of the past several years. Redman's team has not lost to a Teachers College rival since the middle of the 1947 season. The Huskies of 1948 were unbeaten in nine games, and the Huskies of 1949 won eight while losing one. Going back four games into the 1947 season, Bloomsburg has won 21 of its last 22 games. The only loss came in the 1949 opener when Wilkes scored a 21-6 upset win in Plymouth.

Reserves Pose Problem

As for this year's squad, there are undeniably some bright spots and just as certainly some glaring weaknesses as the season is about to start.

Reserve strength, as important to 1950 football as tanks are to 1950 warfare, appears to be Bob Redman's chief worry. He has 20 lettermen back, but that number is deceiving in view of the fact that many of those lettermen own much too little varsity experience. Some of the freshmen on the squad of 45 show plenty of promise, but that promise probably won't reach realization until 1951 or 1952.

Return of Ed Tavalsky when the Johnstown speedboy missed induction with the Pennsylvania National Guard by the breadth of a thyroid gland, helps out considerably at end where lettermen, Russ Verhausky, Bob Thurston, John Dietz and Gene Morrison also hold forth.

Russ Looker, Al Eremich, Charles Baron and Dave Evans lead the tackle returnees, while Frank Perry, Don Cesare and Ardell Zeigenfuse will be back at guard. Tom Schukis and Tom McLaughlin come back to vie for the pivot position.

Veteran Dan Parrell, line-cracking full back, and rough George Lambrinos, blocking back, line backer and punter, lead the backfield returnees. Speedy Bob Lang, John Stonik, Ben Burness, Dave Linckhorst, and Tom Spack are the other ball-carrying vets.

Newcomers at end are Jack Schaar, of Hazleton, Larry Bernhardt, Tamaqua, and Charley Brennan, Towanda, who played last year with the Husky Pups.

Shamokin's John Nemetz leads a crew of six new tackles who will be pushing the veterans for starting jobs. Others are Bloomsburg's All-Susquehanna Conference selection, Bob Kressler, York's Alex Kubik, Montgomery's Frank Duncan, Ashley's Floyd Williams, and Frackville's Joe Costa.

Red-haired Mike Bernot, 190-pound Mt. Carmel firebrand, and Buddy Glosek, of Shamokin, comprise the list of new guards, while jayvee Francis Sheehan, and Vic Karycki, of Mt. Carmel, are the new centers.

There are two full new backfields listed among the frosh and jayvees who are with the varsity squad this year. They include Stecker, Mt. Carmel, John Babb and Gerry Pope, Bloomsburg, Barney Osevala and Alex Boychuck, Shamokin, Ron D'Angelo and Bud Bower, of Berwick, Walt Dysleski, of Wilkes-Barre, and Bernie Hamershock, of Weatherly.

Like any football coach, Bob Redman is expected to fit his traditional single wing system to his material which appears lighter and faster this year than in the two previous years. That is likely to mean much more open play since the 1950 team may not be able to defend well enough to insure victory with only one or two touchdowns.

Bruising power football, with occasional flashes of trickery, was the formula for the well-manned teams of the past two years. Trickery, with occasional flashes of power, could well be the 1950 formula.

The season is about to begin and Redman and his staff have been conditioning their team since August 30. It is a safe bet that when a problem comes up during the coming season, Redman and some member of his squad will come up with the answer. That knack is what builds football teams and football records.

Champions can never be content to rest on their laurels, and the Huskies of 1950 are aware of this as they face a rugged eight-game schedule with high hopes of at least coming close to the records of their predecessors.

MEET THE HUSKIES RETURNING VETERANS

ROBERT THURSTON

Sunbury, Pa.

End; Junior; 20; 185; 6-0.

"Tookie" was a standout high school end for Franny Hatton at Sunbury where he also won varsity letters in basketball and baseball—he is a definite first string varsity prospect, having won two major letters—shines defensively and a top-flight blocker.

RUSSELL VERHAUSKY

Coaldale, Pa.

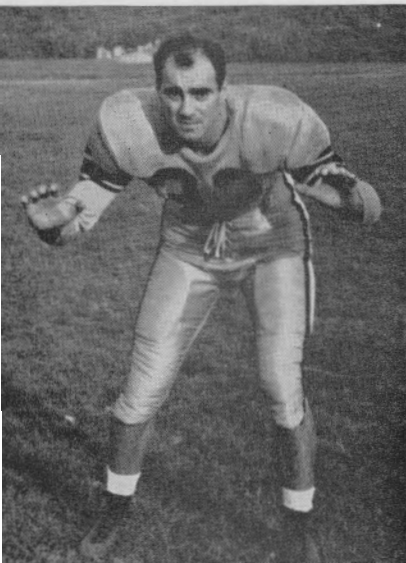

End; Sophomore; 22; 180; 6-0.

Russ won three varsity letters for Tom Raymer at Coaldale High School where they play a rough-and-tough brand of scholastic ball—a fine pass receiver and a capable defensive wingman—one of the four sophs available who are rated "top-notch wingmen"—lettered as a frosh last season.

+ + +

ED TAVALSKY

End

JOHN DIETZ

Plymouth, Pa.

End; Sophomore; 21; 190; 6-0.

This former Plymouth High star learned his football under Eddie Brominski—fans say he is really a "tough cookie"—almost had his first year spoiled by early-summer appendectomy—in good shape and ready to go—a defensive standout last season as a freshman.

EUGENE MORRISON

Bloomsburg, Pa.

End; Sophomore; 19; 150; 5-10.

A home-town product—honorary captain of 1948 Bloomsburg High Panthers—All-Susquehanna League terminal—despite his lack of weight, opponents claim he is good defensively—makes up in sheer guts what he lacks in poundage—a real hustler and a top-flight competitor—lettered here in 1949.

EDWARD TAVALSKY

Johnstown, Pa.

End; Senior; 23; 180; 5-11.

Ed played sensational ball for the Huskies last season and contributed 25 points to the Husky scoring total with his accurate extra-point kicking. Was almost activated with the 28th Division, but Army medics detected a thyroid condition and rejected him just two days before his outfit was federalized. Won four letters at Johnstown in the middle forties and served with the 77th Division in the Philippine Liberation.

ALBERT EREMICH

Mt. Carmel, Pa.

Tackle; Junior; 24; 215; 6-2.

If this powerful G. I. can regain his high school form that won him All-State honors in 1943, Coach Redman will have a fine college tackle—Eremich is an outstanding junior prospect for the Husky line—also starred for the husky track team last spring—played on the Huskies' defensive unit in 1950.

DAVID EVANS

West Reading, Pa.

Tackle; Junior; 20; 220; 6-0.

Coach Redman picked up a real tackle prospect when this rugged West Reading youth decided to remain at Bloomsburg rather than transfer to Penn State with the rest of the 1948 Penn State frosh—a former star with the Cowboys of the Reading suburb, Evans played top-notch ball with the Huskies' reserves last season and is expected to give the few remaining Husky veterans a real hustle for a starting tackle berth.

FRANK PERRY

Shamokin, Pa.

Guard; Senior; 23; 195; 5-10.

Frank was one of the surprises of the 1948 and 1949 seasons—hails from Shamokin, where he played two years with the Greyhounds—served as Seaman 1/c in the Pacific during World War II—is rated a real prospect for All-State honors this season—strongest point is his defensive ability.

DONALD CESARE

Old Forge, Pa.

Guard; Junior; 20; 205; 6-0.

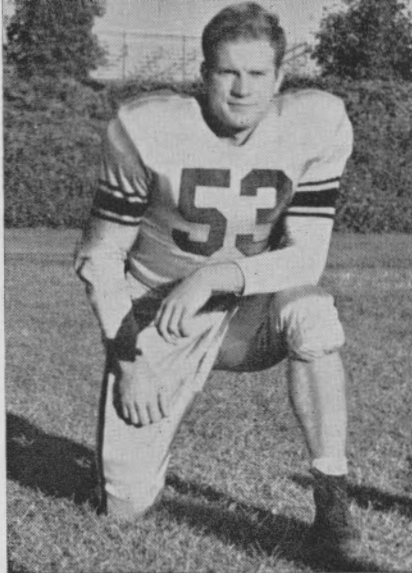

Cesare is one of the best-looking guard prospects on this year's Husky squad. A former all-around athlete at Old Forge High School, the big lineman is almost a sure bet to cop a starting guard post this season. He was out of action during the greater part of the 1949 campaign because of a leg injury, but Coach Redman feels that he is ready to go this year. At Old Forge, he won varsity letters in baseball, basketball, and football.

ARDELL ZIEGENFUSE

Ashland, Pa.

Guard; Sophomore; 22; 190; 6-0.

Co-captain of the 1945 Ashland High School team—learned his football under Willis Pratt, former Susquehanna University great—earned two varsity letters at guard—has great prospects if he can get more experience under fire—has played basketball, baseball, and track—regarded as having fastest and hardest defensive charge of any Husky lineman.

RUSSELL LOOKER
Tackle

+ + +

THOMAS SCHUKIS

Mahanoy City, Pa.

Center; Junior; 24; 190; 6-0.

Tom will be one of three Mahanoy City candidates for the starting center position for the Huskies—played for the North All-Star Team in the 1948 "Dream Game"—was a Seabee during World War II—regarded as a good line backer.

TOM McLAUGHLIN

Mahanoy Township

Center; Junior; 19; 190; 6-0.

Captain of the 1947 Mahanoy Township Purple Larks—has "filled out" since entering Bloomsburg in 1948—won first varsity letter as a reserve on the Huskies' 1949 squad—shows plenty of potential ability both on the offense and the defense—played with the Schuylkill County North All-Stars in 1947.

* Indicates Varsity Letter Won

GEORGE LAMBRINOS

Endicott, N. Y.

Quarterback; Junior; 23; 200; 6-1.

One of "Ty" Cobb's Union-Endicott Tigers — played center during his high school days — won varsity letters at Bloomsburg as a freshman in basketball and baseball — moved to blocking back last season when injuries to key men in that job caused Coach Redman to hurriedly fill the gaps — counted on to supply blocking punch from the signal-barking spot — known as the team "lover boy" — loves to sing.

DANIEL PARRELL

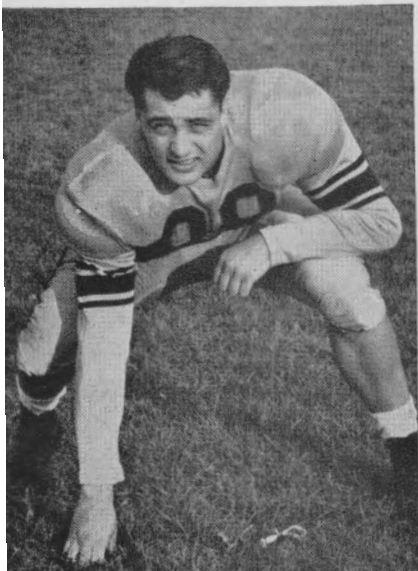

Hazleton, Pa.

Fullback; Senior; 25; 195; 5-8.

"Dapper Dan" was "keyman" in the Husky single-wing attack last season — can make the stoutest line buckle at the seams — a former Hazleton luminary, he is carrying on the Mountaineer tradition at Bloomsburg — looks to have this greatest year ahead, especially on the offense — served in the United States Navy.

+ + +

FRANK PERRY
Guard

RUSSELL LOOKER

Johnstown, Pa.

Tackle; Junior; 23; 200; 6-0.

This big burly paratrooper is an outstanding tackle — Russ starred for three years at Johnstown with the Trojans and was an All-State tackle in 1946 — in the service he played with the 11th Airborne Division team in Japan — a guard in 1948, "Red" was moved to tackle last year — should be a regular starter in 1950 — always in tip-top condition.

THOMAS SPACK

Johnstown, Pa.

Fullback; Freshman; 19; 190; 5-8.

Former Johnstown schoolboy star — hopes to join a host of former Johnstown lads who made athletic history for the Huskies — rated by Coach Shaffer as the fastest and hardest-running fullbacks he ever coached — mentioned in the 1948 All-State selections — expected to push into a varsity berth in his sophomore season.

JOHN STONIK

Plymouth, Pa.

Halfback; Junior; 22; 180; 5-10.

Johnny is a former Plymouth High star who has a background of athletic experience in service ball — not particularly heavy but rated by Coach Redman as a real college prospect — collects records and just "loves to cook" called "Stumpy" by his friends — should fill Steve Kriss' shoes at right halfback without too much trouble.

ROBERT LANG

Milton, Pa.

Halfback; Junior; 20; 195; 5-10.

All-around athlete for four years at Milton High School — mainstay of the Black Panthers in football in 1945 and 1946 — All-Susquehanna League halfback during those years — can really "pick 'em up and lay 'em down" — in first inter-collegiate game against Wilkes he intercepted pass and sprinted 74 yards for season's longest run — sparkplug of Huskies' aerial game last season — looks for peak season in 1950.

DAVID LINCKHORST

Mahanoy Township

Halfback; Sophomore; 23; 180; 5-10.

A former varsity letter-winner returns to action with the Huskies, and Coach Bob Redman's backfield will be greatly strengthened by his decision to resume his college education. A talented passer and defensive halfback, "Link" played outstanding ball for the unbeaten Huskies in 1948. He is also a top-flight basketball player and an outstanding performer in baseball.

THE NEWCOMERS

+ + +

LAWRENCE BERNHARDT

Tamaqua, Pa.

End; Freshman; 17; 180; 6-3.

Larry is the tallest end in the new contingent of Frosh gridders—earned letters in football, basketball, and track at Tamaqua under genial Fred Graham—good-looking all-around boy who says he likes to hunt and fish in his spare time—which ends one of Coach Redman's chief problems. Bernhardt will likely win a spot on the Husky varsity in his first crack at intercollegiate ball—definitely a varsity prospect in basketball and track.

CHARLES BRENNAN

Towanda, Pa.

End; Sophomore; 18; 168; 6-1/4.

Brennan is taking his first crack at varsity ball after spending his freshman year with the Husky Pups. He learned his football fundamentals at Towanda High School under the watchful eyes of Coach Bialek. In his senior year he won a spot on the All-State squad despite his lack of poundage. He proved to be a good pass receiver, a vicious blocker, and a better-than-average defensive terminal with the Husky jayvees last year. He picked up a varsity letter in track during the spring semester.

JACK SCHAAR

Hazleton, Pa.

End; Freshman; 22; 150; 5-7.

Husky fans will think they are seeing little George Paternoster in action again when they watch Schaar cavort at end for the Huskies. The smallest lineman on the squad (150 pounds), Schaar is one of the toughest terminals in the Maroon and Gold camp. He won two varsity letters for Coach George Kavel at Hazleton—reason enough to rate him tough enough for college ball. He is also a former Navy veteran, having served 27 months in the European-Mediterranean theater. Was All-Regional selection in 1946.

ROBERT KRESSLER

Bloomsburg, Pa.

Tackle; Freshman; 18; 220; 6-0.

"Big Bob" Kressler, 220-lb. youngster from Bloomsburg, is another hometown boy who is expected to perform well for the Huskies in 1950—winner of three varsity letters for Coach Ben Pollock—Kressler topped his high school career last year with his selection as tackle on the All-Susquehanna Tackle Team.

AL EREMICH
Tackle

+ + +

ALEX KUBIK

York, Pa.

Tackle; Sophomore; 19; 190; 6-1.

A former York Roses' griddier hopes to gain a spot on the 1950 Husky squad. Kubik, 190-pound soph, is a candidate for a tackle spot, having won a junior varsity letter with the BSTC jayvees last season. He played high school ball for Coach "Deb" Gottwalt. He also won high school letters in track and wrestling.

JOHN NEMETZ

Shamokin, Pa.

Tackle; Freshman; 20; 215; 6-0.

Ray Jones, coach of the Shamokin Greyhounds, rates this tough tackle one of the best linemen he has ever coached. Nemetz is being counted upon to fill a starting role for the Huskies and may develop into one of the best linemen ever to wear the Maroon and Gold. In high school he won three football letters, as well as varsity monograms in track and wrestling. He won heavy-weight honors in District 4 in 1946-47-48-49.

FLOYD WILLIAMS

Ashley, Pa.

Tackle; Freshman; 18; 190; 6-2.

Ashley High School sends this strapping big tackle to Bloomsburg. Pre-season workouts indicated that he is ready to step into a varsity role for the Huskies. Dick Murphy and Si Jablonski taught him tackle play, and his willingness to mix it up won him the respect of veteran Husky holdovers. Should also be a help to Husky basketball and baseball squads.

MICHAEL BERNOT

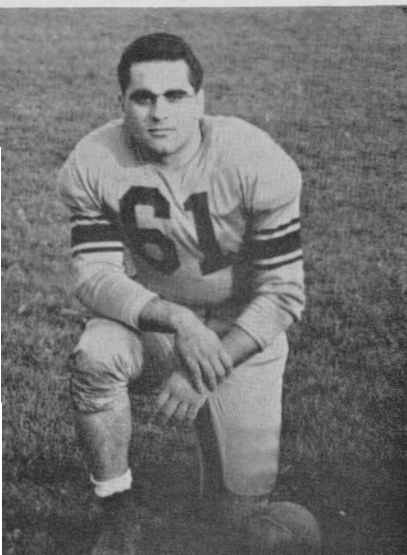

Mt. Carmel, Pa.

Guard; Freshman; 22; 190; 6-0.

One of the brightest linemen among the newcomers, Bernot is a good bet to pick up a starting guard spot if Don Cesare is not able to fill the bill. The one-time Mt. Carmel star (played under Joe Ambrose) won four varsity letters for the Red and White as well as letters in basketball and track. He is an exceptionally fine blocker and a savage defensive lineman. Sports a shock of red hair and has the fiery disposition to go with it.

+ + +

DAN PARRELL
Fullback

JOSEPH COSTA

Frackville, Pa.

Guard; Freshman; 18; 185; 6-0.

This 18-year-old Frackville youth won three varsity letters in high school under Coaches Stan Pakowsky and Steve Bobiak. A letter-winner in baseball and basketball, Costa won a spot on the 1949-50 All-State basketball team. Hopes to win a spot as guard on the 1950 Husky varsity.

FRANKLIN DUNCAN

Montgomery, Pa.

Guard; Freshman; 19; 190; 5-11.

Duncan won three varsity monograms at Montgomery-Clinton High School for Coach Mike Guido, who recommended him for intercollegiate ball. Although he played tackle in high school, he was shifted to guard during early-season workouts. Husky coaches rate him definitely as a "comer."

JOSEPH S. A. GLOSEK

Shamokin, Pa.

Guard; Freshman; 17; 180; 6-0.

Joe Glosek was one of Coach Walter Marshall's Coal Township Purple Demons—better known to his friends as "Buddy", the 180-pound Shamokin youth manned a left guard position for the Marshallmen during the past two seasons—won varsity letters in baseball at Coal Township.

MERLIN JONES

Wilkes-Barre, Pa.

Guard; Freshman; 18; 206; 5-10.

Jones is a promising Freshman gridder who won two varsity letters at Coughlin High School in Wilkes-Barre under Coach Lou Palermo. He played both guard and tackle for the Crusaders, but Bob Redman plans to use him as guard to help bolster one of the weakest spots in the Husky defensive armor.

VICTOR KARYCKI

Mt. Carmel, Pa.

Center; Freshman; 19; 180; 6-0.

Coach Mike Terry rates Karycki a "comer", although he won only one "M" for the Mt. Carmel Red Tornadoes. The 180-pound frosh earned a spot on several All-Opponent teams last season. He is busy learning the art of passing in the single-wing formation, having had little chance to learn direct passing with the Tornadoes' "T" offense. Hits hard from the backer-up spot.

JOHN BABB

Bloomsburg, Pa.

Back; Junior; 20; 165; 5-10.

Better known as "Mousey", was one of the best ends ever to wear the Red and White of Bloomsburg High School—eligible for competition at BSTC for the first time since his transfer from Western Maryland, the stocky, little end is expected to make a serious bid for varsity honors with Coach Redman's Huskies—"Mousey" is a top-flight student and has been on the dean's list here and at Western Maryland.

LOREN BOWER

Berwick, Pa.

Back; Freshman; 19; 162; 5-8½.

One of two former Berwick High School gridders on the 1950 squad, Bower is expected to bolster one of the weak spots in the Maroon and Gold backfield. He played varsity ball for Coach Tony Denby's Bulldogs and won three varsity letters. Last year he attended Wyoming Seminary but he did not play football. A year's absence from the striped turf is bound to be a handicap, but Bower is expected to round into shape rapidly after he gets back into harness.

ALEX BOYCHUCK

Shamokin, Pa.

Back; Freshman; 19; 170; 5-10.

Alex is the brother of Danny, high-scoring Husky cager—a speedy and flashy ball carrier who made headlines several seasons ago with Ray Jones' classy Shamokin Greyhounds—won two varsity letters covorting for the Maroon and Gray—plays basketball and baseball and is a dash man in track—selected on the Sunbury High School All-Star team in 1948.

BOB LANG
Halfback

+ + +

RONALD D'ANGELO

Berwick, Pa.

Back; Sophomore; 19; 180; 5-11¾.

One of Tony Denby's brightest running backs several years ago—as a halfback for the Bulldogs, the stocky, Berwick youth won two varsity letters—following his graduation, he played freshman ball at St. Louis University under Coach Joe Maniaci and won his freshman numerals—ineligible to compete at Bloomsburg last year, but Coach Redman expects much of him this season.

WALTER A. DYSLESKI

Wilkes-Barre, Pa.

Back; Freshman; 19; 200; 5-11.

One of the top Wyoming Valley guards comes to Bloomsburg with the recommendation of Coach Lou Palermo, tutor of the Coughlin High School gridders in Wilkes-Barre—Dysleski, a 200-lb. guard, starred for the Red and Blue for the past two seasons—he also won high school letters in track.

BERNARD HAMERSHOCK

Weatherly, Pa.

Back; Sophomore; 23; 195; 5-9.

When this former Navy veteran blocks, the thud can be heard two blocks off-campus. Never played football before last season when he earned a jayvee letter with the once-beaten Husky Pups. Counted on as a replacement for Lambrinos, the Huskies' No. 1 quarterback. Saw two and one-half years of service with Uncle Sam's Navy in the South Pacific.

JACK LONG

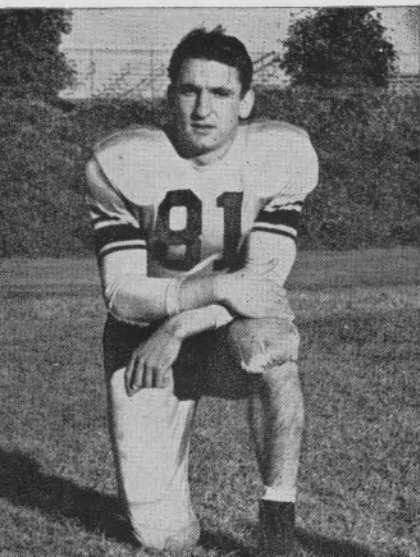

Shamokin, Pa.

Back; Freshman; 19; 180; 5-10.

One of six former Shamokin High School gridders on the 1950 Husky squad, Long is being counted upon to fill a fullback spot. His High School position was tackle, but Coach Bob Redman feels that he has the stuff to make a good blocking back. He won 13 track ribbons at Shamokin.

+ + +

GEORGE LAMBRINOS
Quarterback

BARNEY OSEVALA

Shamokin, Pa.

Back; Freshman; 19; 175; 5-11.

Another former all-around Shamokin High School athlete joins the Huskies and hopes to find a spot where he can use his blocking ability—won two varsity monograms at Shamokin under Ray Jones who praises his hard-hitting tactics and uncanny ability to call the "right play" at the right time—plays basketball and baseball—holds two letters in the cage sport and four letters in baseball—should

ROBERT ROTH

Shamokin, Pa.

Back; Freshman; 21; 195; 5-11.

If Uncle Sam does not take Roth into the armed services before the end of the 1950 grid season, Coach Bob Redman will have one of the best freshman tailbacks in Eastern Pennsylvania. This big Shamokin triple-threat artist looks like the best freshman prospect ever to hit the Hilltop campus.

EDWARD STECKER

Mt. Carmel, Pa.

Back; Freshman; 19; 223; 5-11.

"Big Ed" Stecker, one-time Mt. Carmel High School luminary, joined the Huskies one week after the start of practice and should bolster the Maroon and Gold ball-toting squad. Coach Redman plans to use the 215-pound Tornado ace as a blocking back, although he played fullback for Coach Mike Terry at Mt. Carmel. Stecker gained some valuable experience last season at Longwood Prep.

JOHN CHAPLINSKY

Shenandoah, Pa.

Center; Freshman; 17; 165; 5-10.

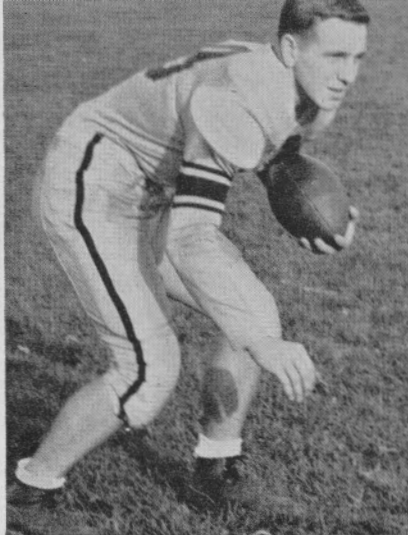

One of the smallest men on the 1950 squad is John Chaplinsky, rugged center from Shenandoah, who learned his football under Ed Katalinas. He won two varsity monograms with the Blue and White and capped his high school career with a stellar performance in the "Dream Game" at Pottsville. Also plays baseball and basketball.

LARRY HOUSE

Milton, Pa.

Center; Freshman; 18; 160; 5-10.

Milton High School has sent good gridgers to BSTC, and Larry House is no exception. The little blonde center won a spot on the All-Susquehanna Conference team after playing sensational ball for Coach Rich Fisher. The one-time Black Panther fullback hopes to earn a spot with the 1950 Huskies who need centers to replace such standouts as Bernie DePaul, Paul Slobozien, and Johnny Maturani.

JOHN STONIK
Halfback

LEONARD PODZIELINSKI

Utica, N. Y.

End; Freshman; 21; 210; 6-2½.

One of three New York State gridgers on the Husky squad this season is Len Podzielinski, a 210-lb. end. He learned his fundamentals at Utica Free Academy under the able direction of Coach Ken Edkins. He is a veteran of World War II, having served 24 months with the

+ + +

JOSEPH KAPRALICK

Upper Moreland Township

Halfback; Freshman; 19; 160; 5-10.

Mario Berlanda, who played a lot of guard for BSTC several years ago, recommends this all-around athlete as the best Upper Moreland has had in years—starred in football, baseball, basketball, and track for Coach Stan Raytinski—won spots on all-Bux-Mont League teams in football, baseball, and basketball—track captain—led loop in football scoring last year.

BERNARD MONT

Lehman Township

Halfback; Freshman; 17; 170; 5-10.

Bob Martin, a BSTC alumnus and coach of the Lehman Township Scotties, recommended Mont to Coach Bob Redman. The little scouter won three varsity letters under Martin's direction and played a good game at tailback. He should develop into a capable runner and passer.

CHARLES PUCKEY

Nanticoke, Pa.

Guard; Freshman; 19; 185; 5-9.

One of Nanticoke's all-around athletes hopes to win a varsity spot with the 1950 Huskies—played guard for Dutch Wermuth's Nans and was basketball captain until he was injured late in his senior year—also won varsity letters in track.

JOSEPH BEILY

Berwick, Pa.

End; Freshman; 21; 160; 5-11.

Beily is one of three Berwick boys on the Husky squad, and despite his lack of size shows promise of developing into a good college end. He played for the Bulldogs under Coach Len Pomictor and Nelson Hoffman and picked up two varsity monograms. He is also a good basketball player and a better-than-average golfer.

GUY GERMANA

Atlantic City, N. J.

Guard; Sophomore; 20; 200; 5-8.

Stocky Guy Germana lettered with the Husky jayvees last season—played three varsity years with the Atlantic City Vikings, coached by Johnny Boyd, who tutored war-time grid teams at BSTC—works during the summer with the Atlantic City Beach Patrol—rowed with the Patrol team during the past season.
