ALMA MATER

Far above the river winding
Midst the mountains grand,
Stands our College, dear to students
Far throughout the land.

Ever seaward Susquehanna
Never resting flows;
Ever upward, striving, climbing
Onward Bloomsburg goes.

Chorus

Far and wide though we may wander,
Still our hearts are true;
To our hilltop Alma Mater
We our pledge renew.

Bloomsburg, Bloomsburg, Bloomsburg
College
Up on College Hill;
Years to come shall find us ever
True to Bloomsburg still.

Words—Joseph H. Dennis Air—"Annie Lyle"

History of Bloomsburg State College

Academy, Literary Institute, State Normal School, State Teachers College, and State College — such has been the development of the Bloomsburg State College since its inception as an Academy in 1839. A charter providing for the Bloomsburg Literary Institute was drawn up in 1856. The school was recognized as a State Normal School on February 19, 1869, but remained a private institution until May 22, 1916 when it was purchased by the Commonwealth of Pennsylvania. The transition from Normal School to State Teachers College was completed in 1927 when permission was granted to offer a four year course of study leading to the Bachelor of Science degree in Education. By an Act of the General Assembly in January, 1960, the fourteen State Teachers Colleges of Pennsylvania became State Colleges. Authorization to offer courses leading to the Master of Education degree was given by the State Council of Education in the same year.

The Academic Costume

The academic costumes worn by members of the faculty have a special significance. The inside collar of the hood indicates the colors of the College or University which awarded the degree. The color of the outside rim of the hood symbolizes one of the following departments of learning:

Arts, Letters, Humanities - White
Business - Drab
Economics - Copper
Education - Light Blue
Fine Arts - Brown
Library Science - Lemon

Music - Pink
Philosophy - Blue
Physical Education - Sage Green
