ALMA MATER

Far above the river winding
Midst the mountains grand,
Stands our College, dear to students
Far throughout the land.

Far and wide though we may
wander,
Still our hearts are true;
To our hilltop Alma Mater
We our pledge renew.

Ever seaward Susquehanna
Never resting flows;
Ever upward, striving, climbing
Onward Bloomsburg goes.

Chorus
Bloomsburg, Bloomsburg,
Bloomsburg College
Up on College Hill;
Years to come shall find us ever
True to Bloomsburg still.

Words—Joseph H. Dennis

Air—"Annie Lyle"

HISTORY OF BLOOMSBURG STATE COLLEGE

Academy, Literary Institute, State Normal School, State Teachers College, and State College—such has been the development of Bloomsburg since its inception as an Academy in 1839. A charter providing for the Bloomsburg Literary Institute was drawn up in 1856. Recognized as a State Normal School on February 19, 1869, Bloomsburg remained a private institution until May, 1916 when it was purchased by the Commonwealth of Pennsylvania. The transition from Normal School to State Teachers College was begun in 1927 when authority to confer the Bachelor of Science degree in Education was granted. By an Act of the General Assembly in January, 1960, the fourteen State Teachers Colleges of Pennsylvania became State Colleges. Authorization to offer courses leading to the Master of Education degree was given by the State Council of Education in the same year. In the Spring of 1962, the college was granted approval by the State Council of Education to offer courses leading to the Bachelor of Arts degree in the Natural Sciences, the Social Sciences, and the Humanities, beginning September, 1962. The first students enrolled in this program began their studies in September, 1963.
