HEAD FOOTBALL COACH

JERRY DENSTORFF, head football coach, joined the Health and Physical Education Department of BSC last January and had his first look at the BSC gridders in spring practice.

A native of Danville, Ill., he matriculated at Louisiana State University and later transferred to Evansville University, Evansville, Ind., where he earned his Bachelor's degree in Physical Education. His Master's degree was awarded from Indiana University, Bloomington, Ind. From 1960-1963 he served as head football coach at Mitchell High School, Mitchell, Ind., and four years prior to coming to BSC was assistant football coach at Morehead State University, Kentucky. During his senior year at Evansville, he was team captain and was selected to the All-Indiana Football Team as a guard. In his third year of coaching at Mitchell High School, his team lost only one game and the following year was undefeated and unscored upon in conference competition. This resulted in his being voted Southern Indiana Coach of the Year by the Louisville *Courier Journal*.

ATHLETIC DIRECTOR

RUSS HOUK resigned his position as Head Football Coach during the past year in order to concentrate on his duties as Athletic Director and Head Wrestling Coach; the latter two positions he has held at BSC since 1957. A graduate of Lincoln High School in Elwood City, Pennsylvania, he won several varsity letters in football, wrestling, and track at Lock Haven State College where he earned his Bachelor of Science degree in 1952. He received his Master of Education degree from Bucknell University in 1957.

Prior to coming to Bloomsburg State College, he coached successful wrestling teams at South Williamsport and Muncy High Schools. When Houk became Athletic Director, Bloomsburg State College had the five varsity sports of football, basketball, wrestling, baseball, and track. Under his direction, the intercollegiate varsity sports program was expanded to include tennis and cross country, which were re-activated, and golf and swimming as new sports.

Throughout his tenure, these various teams have at one time or another excelled in Pennsylvania State College Athletic Conference competition and, in some instances, National Association of Intercollegiate Athletics and National Collegiate Athletic Association competition. It is anticipated that as the athletic facilities of the college expand, consideration will be given to the addition of other varsity sports.

Season's Outlook

Varsity

Following the several weeks of spring football practice, coach Jerry Denstorff more or less conceded the fact that 1968 could be a lean year for football at Bloomsburg State College. Quite a gap is apparent in the Husky offense with the loss through graduation of the "big three" offensive punch — ends Bob Tucker and Stanley Kucharski and quarterback Dick Lichtel — all three of whom were given consideration by the pros.

Selecting a starting quarterback will be one of the important steps to be taken by Denstorff prior to the opening with Lock Haven S.C. on September 20. The position has been narrowed down to two sophomores—Terry Lessman and Tom Schneider. Regardless of the starting selection, either player will need a certain amount of seasoning as both played on last year's winless freshman team.

Leading the returning lettermen will be linebacker Mike Barnhart who should be a candidate for the all-conference selections. Other returnees include Roy Smay at center, John Stutzman at guard, Bill Derr and Norbert Forcheskie at end, Bill Nagy and Bruce Krammes at tackle, Art Sell at halfback, Dave Shell at defensive back, and Jim Bonacci at safety.

The nucleus of the squad will be made up of the above players and the balance to provide most of the depth will be comprised of untried sophomores. Denstorff will be introducing a slightly different offense (basically a wing T) in comparison to that of former coach Russ Houk, and this will take time to install.

CROSS COUNTRY

OUTLOOK 1968

The 1968 edition of the Cross-Country Team appears to have a brighter future than B.S.C. teams of the last few years. Barring unforeseen injuries or academic casualties, the Husky Harriers should have a winning season.

Coach Herbert is confident that his team will vastly improve upon last year's season record of 4-4. His optimism is based on the addition of a number of last year's freshman standouts to the varsity squad. Included in this group are: Mike Engel, Mark Sepkowski, Mike Horbal, Jim Carlin, and Dave Kelter. This group of sophomores should comprise a nucleus which will give Bloomsburg State College a formidable group of distance runners for the next three years.

Team captain Charles Moyer will be relied on by Herbert to lead the way for the young runners. The participation of another veteran, Dave Smithers, is questionable unless he makes a rapid recovery from a recent operation. Returnees Jim Gauger, Tom Henry, Charles Moyer, and Bob Matukaitis will also be on hand to give the Huskies the best team depth in the last five years. New additions to this season's ten-meet schedule are Lycoming College, Kutztown State College, and Mansfield State College.

HEAD COACH

WHEN DR. MICHAEL HERBERT joined the faculty of Bloomsburg State College in 1963, he immediately became one of the staunch rooters for the Maroon and Gold. Over the past five years, he has been vitally interested in the overall program of the nine varsity sports.

Two years ago when Earl Voss became head basketball coach, "Mike" became his right hand man as far as taking motion pictures, supervising photographs, and scouting for the team. Through his keen observation and basketball sense, he soon became a radio guest commentator on B.S.C. games.

Last fall Dr. Herbert was appointed coach of the cross country squad and, working with a limited number of personnel, did a very commendable job. In the spring he took over the nucleus of a good tennis team and applying his coaching precision, produced a very good team.

In his teaching assignment at B.S.C., the University of Maryland and Lehigh University graduate is a Professor of Biology. He was formerly a member of the faculty of the University of Massachusetts and Johns Hopkins U.
