| Nov. 6 | at Kutztown | 1:30 p.m. |
| Nov. 13 | East Stroudsburg | 1:30 p.m. |

HEAD FOOTBALL COACH

WILLIAM SPROULE joined the Health and Physical Education Department at BSC in August, 1969, and for the past two seasons served as assistant football coach in charge of the offensive line and assistant wrestling coach.

Sproule, a native of Lansford, Pennsylvania, was named acting head coach for the 1971-72 academic year during the latter part of June. He played his college football with the 1959 and 1960 Syracuse University teams that played in the Orange Bowl and Cotton Bowl respectively. His Master of Science degree in physical education was received

teams that played in the Orange Bowl and Cotton Bowl respectively. His Master of Science degree in physical education was received at Brooklyn College, Brooklyn, N.Y. Prior to coming to Bloomsburg he was a member of the faculty at the school district of Waterville, N. Y., where he was head football coach, as well as track and baseball coach, and a teacher of physical education and driver education. Following his graduation from Syracuse, he served for a year with the U.S. Army and while stationed at Fort Dix, was game captain and Director of the Post Football Clinic.

ACTING CHAIRMAN OF THE DEPARTMENT OF HEALTH, PHYSICAL EDUCATION, AND ATHLETICS

DR. STEPHEN N. BRESETT, Associate Professor of Health and Physical Education, was appointed Acting Chairman of the Department of Health, Physical Education, and Athletics at BSC in early September.

As Acting Chairman, Dr. Bresett is responsible for the administration and supervision of the total Physical Education and Athletic program at the College, including varsity athletics, and will function until such time as the official campus Search and Screening Committee recommends to appropriate officials candidates for permanent appointment.

A member of the faculty since 1969, Bresett received his bachelor's degree and doctorate from Springfield College in Massachusetts, an institution well-known for its programs in athletics and physical education. He received his master's degree from Rutgers University in New Jersey.

Bresett's previous teaching and coaching experiences include positions as Supervisor of Health, Physical Education, and Recreation for the Ridgewood Public Schools in New Jersey; Physical Education Instructor, Assistant Freshman Football Coach, and Head Freshman Baseball Coach at Springfield College, and Director of Athletics, Head Baseball and Football Coach at South Brunswick High School, Monmouth, N. J. He has also served as President of the New Jersey Athletic Directors Association.

Season's Outlook

Bill Sproule, in his initial year at the helm of the Huskies, has had to find a number of key replacements on both the offensive and defensive units for players lost through graduation. Last year the Huskies posted a 5-3 record under coach Jerry Denstorff.

Following an analyzation of spring and pre-season sessions, Sproule stated, "The strong point of our team is the running game." Backing up this statement is 6'2", 230 lb. senior tailback Bob Warner, who received a number of honors in 1970 for totalling 801 yards in 159 rushes for an average of 5.3 yards per carry and 7 touchdowns. He also caught 11 passes for another 161 yards.

Major renovations have been necessary for Sproule on defense and at the quarterback slot. Last year's leading linebacker Ken Klock is back in that position with Dan Greenland replacing John Cox as the other linebacker; the latter has been moved to middle guard. Tom Baltuskonis returns at defensive end with either Dave Pruett or Dan Collins, both sophomores, at the other terminal. Filling out the defensive line at tackles should be lettermen Henry Johns and Glen DeWire.

Galen Troup is the only starter returning in the defensive backfield. Punter Dan Stellfox and Bill Tierney appear to be the twin safeties. Working opposite Troup at halfback will be Steve Shiffert.

6'0" 190 lb. Bob Beiter has the inside track at quarterback. The number one backup signal caller should be Joe Geiger with Jim Hipple and Jim Henning in reserve. Operating in the backfield with Beiter and Warner are George Gruber at fullback and fleetfooted Len House at flanker.

Tackle Rich Walton is the mainstay returning from last year's offensive line with Rick Pierson at the other tackle. Chris Sweet, who wasn't eligible last year, has good promise at tight end along with veteran Jeff White. Joe Courter will probably be at split end. The balance of the offensive line will be Larry Donovan and John Carroll at guards and Gerry Whitcoski at center.

Junior Neil Oberholtzer, who is perhaps the best place kicker in Husky history, will be available for point after TD and field goal kicking. Oberholtzer, coupled with Stellfox, should give Bloomsburg the best 1-2 kicking combination in the Pennsylvania Conference.

Of the 22 players designated for the two starting units, 4 are seniors, 12 are juniors, and 6 are sophomores. Since only half are lettermen, early games are vital to Sproule and his staff in evaluating future starting units and depth of positions.

CROSS COUNTRY

OUTLOOK 1971

With the top seven runners returning from last year's squad, the 1971 edition of the BSC cross country team should have as bright a future as the outstanding teams of the past two years which posted 11-1 and 10-1 records respectively. These have been the best CC records in the history of the college.

Coach Noble indicates his top two runners of the past two seasons, Tim Waechter and Terry Lee, should continue to pace the Huskies. Strong support is expected from Paul Pellitier and Larry Horwitz, as well as Mike Hipple and Charles Graham. Freshman Don Nauss and Bob Faux may work their way into top positions.

The only runner lost from last year's team is Dave Kelter, who graduated. In addition to Pellitier, other seniors on this year's squad are Rod Dewing and Larry Strohl, last year's captain.

Although it will be difficult to improve on the records of the past two years, Noble is hoping to at least equal the performances. The strongest competition is expected to be provided by Millersville, the only team to defeat BSC last year. Other top competition will come from Lock Haven, Bucknell, and Susquehanna.

HEAD COACH

DR. CLYDE NOBLE took over the helm of the BSC cross country team just prior to the start of the 1968 season and posted a 3-5 record. For the past two years, his teams have established the best cross country records in the history of the college (11-1 and 10-1).

A native of Rockford, Illinois, Noble received his Bachelor of Arts degree from Grinnell College, Grinnell, Iowa, and his Doctor of Philosophy degree from the University of Hawaii. He has taken additional graduate studies at Carnegie Institute of Technology in Pittsburgh.

In high school Noble earned four letters in track, three in basketball, and two in football. He was also a member of the track team at Grinnell College.

Noble's interest in all sports and his knowledge of running provides the Huskies with a definite asset to make it the third winning season in a row.

ASSISTANT COACHES

Defensive Line — CLARK BOLER, a member of the University of Alabama's 1961 National Championship Football Team, is in his fourth year as defensive line coach. A native of Alabama, he also received his Master of Arts degree from the University of Alabama.

In addition to playing football at his Alma Mater, he was a member of the varsity baseball squad for three years, and played freshman basketball. Following his college career, he was a successful player-coach of a semi-pro basketball team in Alabama. He previously taught at Gadsden High School in Alabama, where he also served as head basketball coach, assistant football coach, and assistant baseball coach. He is in his fourth year of football at BSC and has served as head baseball coach of the Huskies since the 1968 season.

Defensive Backfield — CECIL TURBERVILLE is in his fifth year as a member of the BSC coaching staff. Last year he served as freshman coach and previously directed the offensive line and had the responsibility of head trainer.

A member of the Physical Education Department since January 1966, he received both his Bachelor of Science and his Master of Arts degree from the University of Alabama in his native state. Prior to coming to Bloomsburg, he taught and was active in the athletic programs at the two Alabama high schools of Southside in Selma and Lowndes County in Fort Deposit.

Turberville's quiet disposition and all-around knowledge of football makes him a definite asset to the BSC coaching staff.

Offensive Line — TOM LYONS, a graduate of Susquehanna University this year, is a graduate assistant serving as an assistant coach.

A native of Arwin, Pennsylvania, where he was a standout athlete at Norwin High, he lettered for four years in football at Susquehanna. In 1969 as defensive tackle he received Honorable Mention on the Middle Atlantic Conference selections and last year when the Crusaders won the Northern Division of MAC, he was a middle guard and co-captain and received All-State Honorable Mention. His enthusiasm and recent game experience should be a valuable asset for the Huskies.

Freshman Coach — CARL HINKLE joins the Health and Physical Education Department this year as freshman football coach and assistant track coach.

A native of Berwick, Pennsylvania, he was a member of the BHS 1961 championship football team as a defensive end. He received his BS degree in PE from Montana State University, where he was a member of the 1964 NCAA (college division) Pacific Coast Championship Team and also participated in wrestling. He received his MS degree in PE from Ithaca College where as a graduate assistant he served as assistant football coach in 1968-69 and at Cornell University in 1969-70. Last year at State University at Cortland, New York, he was assistant football and assistant track and field coach. He also previously coached two years of football and track and field in New York State high schools.
