

BLOOMSBURG STATE COLLEGE

Upper Campus
Athletic Complex

FALL VARSITY SPORTS 1976

Dr. Conrad A. Bautz

Dr. Conrad A. Bautz was appointed Chairman, Department of Health, Physical Education, and Athletics in June, 1972. A 1956 Brooklyn College graduate, he served at his Alma Mater in a number of capacities prior to coming to Bloomsburg.

Dr. Bautz is responsible for the administration and supervision of the total physical education and athletic program at the college, including varsity athletics. H. Cecil Turberville serves as assistant athletic director.

Bloomsburg State College does not discriminate on the basis of sex, race, color, creed, age, or handicap as required by Title IX of the Education Amendments of 1972 and by other legislation.

Clark Boler

Clark Boler, a member of the faculty since 1968, is in his initial year as cross country coach. In addition to his teaching assignments in the Health and Physical Education Department, Boler has been the head baseball coach for eight years and will continue in that capacity. He also was an assistant football coach for eight years and is a qualified PIAA basketball official.

A native of Northport, Alabama, he was a member of the 1961 National Championship Football team at the University of Alabama and a relief pitcher for the Crimson Tide. He also earned his Master's degree at that university.

Boler previously served as head baseball coach, assistant basketball coach, and assistant football coach at Gadsden High School in Alabama.

In appraising his new coaching assignment, Boler states, "The Huskies compete in the strong Pennsylvania Conference, and if our

runners show the same kind of dedication that they have in the past, the team will be right in the thick of the action."

Bucknell Invitational: 4th
PC Championships: 7th

Record: 8 wins, 3 losses

1976 Outlook

The cross country team will be aiming to record its third consecutive winning season when the season gets underway in September under new head coach Clark Boler.

Boler replaces Ron Puhl who has assumed the head football coaching

duties at the college.

Freshmen candidates and approximately 18 experienced returnees led by Mark Bond, Norristown, Jeff Brandt, Hershey, Steve Eachus, West Chester, and Aaron Johnson, Philadelphia, give the Husky thinclads a good chance to continue their winning ways. Last year the Huskies were 8-3.

One major goal, according to Boler, will be improvement in invitational and championship competition. "We'll be striving to improve on last year's fourth place in the Bucknell Invitational and seventh place in the Pennsylvania Conference Championships."

FIELD HOCKEY

Ms. Mary Pakenas Gardner

A member of the Health and Physical Education staff, Ms. Mary Pakenas Gardner has coached both field hockey and the swimming and diving teams since coming to Bloomsburg in 1974.

A native of Hatboro, Pa., Ms. Gardner received her Bachelor of Science degree at East Stroudsburg State College winning varsity letters in both field hockey and swimming. The congenial coach was a three-time National Collegiate Champion in the breaststroke and served for four years as co-captain of the varsity swimming team.

Sally Cobrain

Sally Cobrain is the first assistant field hockey coach to be named at the college.

A native of West Hartford, Connecticut, Cobrain has been appointed as Assistant Dean of Student Life (Resident Dean) and coach of women's sports. She received her Master of Arts degree in college student personnel from Bowling Green State University in Ohio in June of this year.

A 1973 graduate of Dickinson College in History and English, Cobrain was the co-captain of both the field hockey and basketball teams for two years.

Joan Williams

1976 Outlook

BSC had a great deal of individual talent on the team this past season, and, with the whole starting lineup returning except for Connie Slusser, Bloomsburg, and Tracey Dimmig, Lansdale, the team should be stronger with much more team play next season.

It was an honor and a first in the history of BSC to have players chosen to play in the Mideast Field Hockey Tournament. The players representing the Susquehanna All-Star team were: Dimmig, Joan Williams, Cornwells Heights, Kathy Hotchkiss, Norris-town, and Donna Santa Maria, Moylan.

FOOTBALL

Ron Puhl

The appointment of Ronald Puhl as head football coach of Bloomsburg State College was announced last December 19 by Dr. Conrad A. Bautz, Chairman, Department of Health, Physical Education, and Athletics.

Puhl, a member of the Health and Physical Education staff at the college and active in numerous coaching assignments since 1966, was named following the recommendation of a Search and Screening Committee headed by Dr. Louis Mingrone of the BSC Biology Department and current head soccer coach. This action resulted from the November 24 resignation of William Sproule, who served as head football coach from 1971 through 1975. Sproule will remain on the Health and Physical Education Department staff.

Puhl has been head track coach at the college for the past nine years and also served as cross country coach during the 1975 fall season. He previously served as assistant football coach under Russ Houk from 1966 through 1967 and under Jerry Denstorff from 1968 through 1970. His track teams since 1970 have established an overall record of 76 wins and 8 losses while his 1975 cross country team posted an 8-3 mark. He will continue to serve as head track coach for the coming season.

A native of Pottstown, Pennsyl-

vania, Puhl was a three letter winner in football, swimming, and track and field while at Lock Haven State College from 1957 to 1961. He began his coaching career at the Phoenixville Area Senior High School where he served as varsity track and field head coach for several years. He was named to the NAIA "Little All-American Team" in 1960 for football and was a Pennsylvania State College Champion in the 200 yard low hurdles in 1961.

Joe DeMelfi

Joe DeMelfi, defensive coordinator, begins his third year as a member of the staff. He was recently appointed to the student life faculty as a resident advisor.

An outstanding performer on his high school team of Berwick where he

received numerous all-state honors, he matriculated at the University of Tennessee and later transferred to Delta State, participating in football at both schools. At the latter, he captained the Statesmen for two years and was the team's most valuable defensive player. He taught and coached at Berwick High prior to completing his Master's degree at Delta State.

Dick Haupt

Dick Haupt, who served for two years at the college in the late 60's, will be directing the defensive and offensive linemen. Haupt was an end coach in 1968 and freshman coach in 1969. His frosh team posted a 4-1 record, one of the best in recent years

at the college.

Haupt received both his Bachelor's and Master's degrees at Shippensburg State where he was a varsity performer for three years as a center and middle linebacker. He previously taught and coached in the West Perry School District in Elliottsburg, Pennsylvania, and assisted with the football activities at Shippensburg State while working on his Master's.

Carl Hinkle

Carl Hinkle, who will be in charge of defensive backs and receivers, has been an assistant coach since joining the faculty in 1971. A native of Berwick, Pennsylvania, he received his Bachelor's degree from Montana State University where he was a

standout for the Bobcats in football and wrestling.

He began his coaching career in the public schools of New York and later served on the coaching staffs of Ithaca College, Cornell University, and State University of New York at Cortland. His Master's degree was earned at Ithaca College. He was named head track coach at BSC in May of this year, replacing Puhl who relinquished that position to concentrate on football.

*Pennsylvania Conference Teams
Eastern Division

1976 Outlook

New head coach Ron Puhl hopes to start turning the fortunes of the Huskies around as there hasn't been a winning season at BSC since 1970. He will have his work cut out as in 1975 the Huskies were 1-8 and in 1974,

1-7-1.

The bright spot is that Puhl has a solid aggregation returning. He only loses three of last year's forty-eight lettermen through graduation. Key returnee is defensive back Lou Sannutti, who was named to the All-Pennsylvania Conference first team and honorable mention on the All-ECAC squad. Wide receiver Tom Brennan, who led the team in the four categories of receiving, kickoff returns, punt returns, and scoring, can look forward to another good year along with another wide receiver Barry Staton who was right behind Brennan in the four above categories. Halfback John McCauley and linebacker Dave Hower will also play key roles.

Since Puhl has been involved in completing his last year as head track coach, a position he has held for the past ten years, he has had limited time for recruiting and it may take more than a year to turn things around appreciably. He previously served as assistant football coach at BSC from 1966-1970 and was particularly effective with the defensive backfield unit. He plans a complete regrouping of all football aspects at the college including a renewal of the alumni interest. He aims to instill a winning spirit into the team members that was

evident in his successful track teams.

Six of the eight conference opponents are with Bloomsburg in the eastern division of the Pennsylvania Conference with the other two competing in the western division. Wilkes College will be the only non-conference opposition.

SOCCER

1976 Outlook

This will be the second year of varsity soccer at Bloomsburg State College. Coming off of a respectable 4-5-1 season, BSC is continuing its building programs. With 18 returning lettermen and the expected competition from incoming freshman recruits, the 1976 soccer squad will be a well-built team that is young but deep in talent and experience.

The 27 veterans returning for the 1976 season are comprised of 20 sophomores, 3 juniors, and 4 seniors. This squad and the more than 30 freshman candidates will be competing for the 30 positions on the 1976 edition of the BSC soccer team.

The competition for positions will be fierce and those individuals gaining a position will face the 1976 season with enthusiasm and the determination to represent BSC well in a very competitive conference and non-conference schedule.

The 1976 season schedule has been increased from 10 to 12 contests with many regional soccer powers noted for their long tradition of winning

soccer. BSC will be out to improve on the 1975 season and the Huskies should give a good account of themselves.

Dr. Louis Mingrone

Dr. Louis Mingrone is the head coach at the newest varsity team at Bloomsburg State College. The soccer team will enter into its second year of varsity competition in 1976. Mingrone, a Dormont, Pennsylvania native, received his degrees from Slippery Rock State College (where he lettered in soccer), Ohio University, and Washington State University. He is a professor of Biology. This is Mingrone's first role as a coach of a varsity sport.

All Sports

Paul G. Slocum, a native of Massachusetts, was appointed Physical Therapist at BSC in the fall of 1972. He received a Bachelor of Arts degree from Dakota Wesleyan University, S. Dakota, and was awarded his Certificate of Physical Therapy from the School of Allied Medical Professions, University of Pennsylvania.

He is a licensed physical therapist and a certified athletic trainer, and responsible for the sports medicine program for all intercollegiate teams. A member of numerous professional organizations, he has been appointed to several national athletic training committees.

GEORGE J. EGET joined the Public Relations staff at Bloomsburg State College in 1975. He holds the civil service classification of Information Writer I and has the chief responsibility of publicizing the college sports program.

WOMEN'S TENNIS

Ms. Eleanor Wray

Ms. Eleanor Wray, tennis coach, joined the HPE staff at BSC in 1957 and assumed the duties of women's intramural director, B club and water ballet advisor. About 1962 she helped initiate and organize women's field hockey and basketball varsity sports and assumed the duties of coaching field hockey. With the inception in 1972 of swimming and tennis varsity sports, Ms. Wray assumed the duties of coordinator of women's intercollegiate athletics along with coaching tennis.

Formerly from Pittsburgh, Pa., she earned her B.A. degree from Lake Erie College majoring in sociology and health and physical education. While at L.E.C., she played field hockey and basketball and had tennis instruction under Mary K. Browne, a former Wimbledon Doubles and National Singles Champion. Ms. Wray has

participated in tournaments in western Pennsylvania and eastern Ohio. Her M.S. degree was earned at Penn State and additional credits at the University of Pittsburgh.

1976 Outlook

Nineteen freshmen candidates, along with five returning veterans, give Coach Eleanor Wray prospects for one of her best teams since women's tennis became a varsity sport in 1972.

The only player lost from last year's team that compiled a 6-7 record is Anne McMunn, Williamsport, the number one player. The five top returnees are Debbie Sabatelli, Williamstown, N.J., Debbie Young, Glen Mills, Sue Purnell, Lewisburg, Laura Stoneback, Quakertown, and Amy Westcott, Newark, Delaware.

Cathy Homish, Eynon, Kelly Knarr, Muncy, Laurie Keating, Montvale, N.J., and Cheryl Janiec, West Chester, are four of the freshmen candidates who have been called to the attention of Coach Wray by knowledgeable followers of the game.

The large contingent of first-year candidates and the calibre of competition the Huskiettes have been facing indicate women's tennis has come a long way in four years. This past spring, five BSC players participated in the Pennsylvania State College Women's Tennis Competition with one of the doubles team reaching the quarter-finals. Overall since 1972, the netwomen have won 17 matches, lost 21, and tied one due to inclement weather.
