

# BLOOMSBURG STATE FOOTBALL 1977

## OUTLOOK

Optimism is running high among second-year Coach Ron Puhl and his Bloomsburg State College Huskies for the 1977 football campaign. Having brought Bloomsburg's respectability back during 1976, Puhl's goal is for a much improved win loss record. Last year's 2-7 record doesn't reveal that a possible 5-4 season was missed by a total of only nine points. Bloomsburg was in almost every game right up to the final quarter.

Puhl has a wealth of returnees as only six were lost from last year's squad including defensive backs Mark Marchegiani and John McCauley, guard Jim Blockus, linebacker Mike Kowalick, wide receiver Barry O'Connell, and tightend Mike Steigerwalt; all saw considerable action. Bloomsburg had a 2-4 mark in the eastern division of the Pennsylvania Conference.

Key returnees such as all-conference players including linebackers captain Lou Sannutti, Doug Pfautz, and Howie Gulick, and tackle Walt Savitts will keep the defense spark ignited and fuel will be added by linebacker Bruce Smith, ends Mark Collins and Kurt Pettis, tackle Tom Koons, along with defensive backs Dave Reidenouer, Chris Betterly, and Rob Keyser. Among the better defensive newcomers will be tackles Jim Neary and Chuck Meyer.

Also back will be quarterback Mike Canzler and all-conference wide receiver Tom Brennan who combined to lead the Huskies as the best passing team in the division with 181.4 yards average per game. Canzler averaged 10.7 completions per game and threw for nearly 1,500 yards in 1976. The passing offense was eleventh in NCAA Division III and led both the east and west divisions of the Pennsylvania Conference. Brennan averaged 4.0 catches per game. Other quarterback prospects include Joe Perrotti and Dale Crooks.

All-conference halfback Mike Morucci will be called on again to do the major ball carrying and will be complemented by fullbacks Dan McCallum (also kicker) and Frank Yanik and tailbacks Joe Hepp, Tony Williams, and newcomer Rick Swider. Wide receivers Barry Staton, Ed Bugno, and Fred Pagani, and tightend Ken Zipko will enhance the Husky aerial attack. Other strong contributors will be tightend and punter Stan Kita, offensive guards Bob Klacik, Jim Linn, and Bob Grantier, centers Bill Lund and Steve Long, offensive tackles John Mondschein, Paul Ruddy, and newcomers Jim Knechtel and Craig Meyer.

There are numerous other fine candidates who will be vying for action on this year's team. Without a doubt, Puhl has more depth and talent than has been seen on a Bloomsburg team in a number of years. Puhl also has one of the most talented gridiron coaching staffs that has been on the BSC scene for some time, which will result in a closer look at all the prospects.

## KEY RETURNEES

**LOU SANNUTTI** never played high school football but has developed into one of the premiere linebackers in the conference. Named captain, Lou, 5'11", 185 lbs., is a fine leader both on and off the field. An All-Conference selectee last year, he was second in defensive points on the BSC team with 102. His goal is to be an Academic All-American football player.

**MIKE MORUCCI**, another local talent from Bloomsburg that went to Central H.S. Mike was a starter for the Huskies last year and was the leading ground gainer with 379 yards and four touchdowns. He is 6'2" and 205 lbs. and has good moves and spring-like quickness. Mike was another member of the BSC team that was elected to the 1976 All-PC team at runningback.

**TOM BRENNAN**, Lancaster, a 5'11", 185 lb. wide receiver who gained All-PC honors in his sophomore year. He averaged 4.0 catches per game to lead the Huskies in the receiving department. He was also a focal point in the Huskies' offense that averaged 181 yards per game in the air. Tom is majoring in Business Administration.

**WALT SAVITTS**, Clarks Summit, is a 6'4", 230 lb. defensive tackle who was on the 1976 All-PC team. Walt is a senior majoring in Business and who has been contacted by the Dallas Cowboys last year. Puhl feels that Savitts is one of the more quicker and stronger defensive linemen in the conference.

**DOUG PFAUTZ**, Elizabethtown, is a 5'11" junior majoring in Business. Doug was chosen to an All-PC team in 1976 at the outside linebacker position. The coaches are again looking to Doug to keep up his fine defensive potential for another good year. Doug is also on the track team and has excellent mobility.

**MIKE CANZLER**, Waverly, NY, is a 6'3" sophomore quarterback who showed the fans that the Huskies will be in contention for the Eastern title this year. Canzler threw for a total of 1,481 yards last year with a 10.6 passes completed per game average and a 47.8 completion percentage. Mike has two main thoughts—to improve his statistics and help produce a winning season.

**HOWIE GULICK**, Easton, is a 6'0", 200 lb. linebacker who was a starter for the Huskies last season and hopes to fill the same position again this year. Gulick was fourth on the team in defensive points last year with 18 unassisted tackles, but led in the assisted tackles department with 57. A sophomore majoring in Business, Gulick was on the all-conference team as a freshman.

**MARK COLLINS**, Easton, is a 6'2", 200 lb. defensive end who has been a starter for the past three years and is one of the defensive strongholds for the Huskies. Last year Collins totalled 78 defensive points and led the team in fumble recoveries with three. He is a senior majoring in Special Education.

**BRUCE SMITH**, Nanticoke, is a 6'1", 205 lb. linebacker that ranked third on team defense last year with 24 unassisted tackles, 48 assisted tackles, two fumble recoveries, and one interception. As a sophomore, Bruce was named an All-PC selection. Puhl is counting on this Elementary Education major to help plug any offensive holes of the opposition.

**DANIEL McCALLUM**, West Reading, is a 5'10", 200 lb. running back with exceptional quickness to hit the open hole for yardage. Danny is also a member of the track team and placed second in the shot put in the

1977 PSCAC finals. His strength is evident in his ability to lift over 400 pounds on a bench press. McCallum won the honor of Most Versatile on the 1976 squad. He was the leading point scorer on the team with 30 points with 18 attributed to field goals on extra points.

**DAVE REIDENOUE**, Pottstown, is a 6'1", 195 lb. defensive back. Dave started for the Huskies in the '76 season and had three interceptions for the year. Dave had 22 unassisted tackles, the most for any defensive back.

**KEN ZIPKO**, Dover, NJ, at 6'0", 195 lbs., is a tightend after previously active as a running back and quarterback. Ken's speed in getting off the ball quickly complements his offensive blocking and receiving ability. The senior, majoring in Business Administration-Information Processing, gained 137 yards on 62 rushes last year.

**BARRY STATON**, Woodbury, NJ, is a 5'11" flankerback with 9.7 yard speed. Staton poses a double threat to opposing defensives as he has the ability to catch the ball like a splitend and shows good, quick-cutting ability as a runningback. This running ability was highlighted last season when Staton ran back a 92 yard kickoff return against Wilkes College.

**ED BUGNO**, Scranton, is a 6'2", 185 lb. split-receiver with the height to go into crowds and come down with the ball. Ed only played in seven games last year but amassed a total of 227 yards with 16 catches and two touchdowns. Now in his sophomore year, Ed is majoring in Education and hopes to be a contender for all-state honors.

**SCOTT VERCOE**, Wayne, is a 200 lb. linebacker with quickness and hard hitting ability. He was an all-state baseball player and is currently majoring in Elementary Education.

**CRAIG MEYER**, Far Hills, NJ, is a 6'0", 220 lb. sophomore transfer from Midland College, just like his twin brother Craig. Chuck is a defensive tackle who will be seeing considerable action in the next three seasons.

**CHRIS EURICH**, Schwenksville, is a 6'1", 200 lb. defensive end. Chris saw a good amount of action last year and, like the rest of his teammates this year, is very optimistic about the season.

**JOHN MONDSCHIN**, a 6'0", 230 lb. senior from Coplay, is an offensive tackle that Puhl describes as "a steady player with a winning attitude". John is a previous letter winner and his strength and quickness will help provide openings for the Husky running backs.

**FRANK YANIK**, Scranton, is a transfer from Southwest State University in Minnesota in his junior year. Frank is 5'9" and 190 lbs. with excellent speed. He will see action in the fullback position this year along with others. Frank is another member of the Husky squad that can bench press over 400 pounds.

**STAN KITA**, Manville, NJ, is a 200 lb. tightend/punter. Stan handled the majority of the punting for the Huskies last year and intends to increase his average of 35.8 yards per punt this year. Stan will also be sharing the tightend duties with fellow New Jerseyian Ken Zipko.

**ROBERT GRANTIER**, Canton, is a 5'8" 220 lb. guard. Bob is considered to be small physically but has the toughness and desire of a big man. Puhl says that Grantier is one of the players with the most enthusiasm on the team.

**BILL LUND**, Devon, is a 19 year old sophomore vying for the center position on the team. Bill is 6'0", 220 lbs. and should be an asset to the offensive team.

The coaches are again looking to Doug to keep up his fine defensive potential for another good year. Doug is also on the track team and has excellent mobility.

**MIKE CANZLER**, Waverly, NY, is a 6'3" sophomore quarterback who showed the fans that the Huskies will be in contention for the Eastern title this year. Canzler threw for a total of 1,481 yards last year with a 10.6 passes completed per game average and a 47.8 completion percentage. Mike has two main thoughts—to improve his statistics and help produce a winning season.

**HOWIE GULICK**, Easton, is a 6'0", 200 lb. linebacker who was a starter for the Huskies last season and hopes to fill the same position again this year.
