## "A Commitment To Excellence"

Bloomsburg University is a multi-purpose institution of higher education serving the citizens of Pennsylvania as one of the 14 Commonwealth-owned Universities. With a commitment to provide a quality, affordable education for all qualified students, Bloomsburg combines the tradition of an institution founded in 1839 with modern learning, living, and recreational programs and facilities. Commonwealth funding provides 55 percent of Bloomsburg's annual operating budget.

Undergraduate students may enroll in degree programs in 64 areas of study in the arts and sciences, business, teacher education, nursing, and health sciences. A program in engineering is offered in conjunction with the Pennsylvania State University, and preparation for post-baccalaureate study at professional schools is offered. Unique educational opportunities are available through advanced placement, study abroad, professional practicum, internships, independent study and the Center for Academic Development programs.

At the graduate level, the master's degree is offered in 25 areas of study and there are ten supervisory certification programs in the field of teacher education.

Extended program offerings provide continuing, life-long learning opportunities for people of all ages and educational interests through non-degree courses, non-credit mini-courses, international studies and exchanges, cooperative education, courses offered at off-campus locations and by public service television, and credit for work experience.

Enrollment for the Fall semester, 1983, totalled 6,316 students. There were 4,959 full-time and 850 part-time undergraduates, and 99 full-time and 408 part-time graduate students. Instruction is provided by a 342-member faculty.

The University's 173-acre campus overlooks the Town of Bloomsburg and the scenic Susquehanna Valley. Carver Hall, built in 1867, provides a contrast with the modern facilities that include seven residence halls, a library, a 2,000-seat auditorium, student union, dining hall, gymnasium, administration building, five classroom buildings, athletic fields, and recreational areas on the lower campus.

An athletic complex and recreational area occupy the school's 100-acre upper campus. In addition, the James H. McCormick Center for Human Services is the newest building on the lower campus and is being used for the first time this fall.

Located less than two miles from an Interstate 80 interchange and 22 miles from Interstate 81, Bloomsburg is within one hour's driving time from Wilkes-Barre/Scranton, Hazleton, and Williamsport, 1½ hours from Harrisburg, 2½ hours from Philadelphia, and 3 hours from New York City. The community is 45 miles from the Avoca International Airport and is serviced by major bus lines.

Bloomsburg has an enviable placement record. Of the 1,183 who graduated in the 1982-83 academic year, 81% had meaningful employment or were in graduate school one year later.

Active files of over 25,000 living alumni are kept by the university. Graduates of BU have distinguished themselves in areas including law, medicine (one is a Nobel Laureate), science, architecture, education, industry, and research.

The Bloomsburg University is fully accredited by the Middle States Association of Colleges and Schools, the National Council for the Accreditation of Teacher Education, and the Pennsylvania State Board of Education.

## GEORGE J. LANDIS HEAD COACH

George J. Landis is in his third season as head football coach at Bloomsburg University.

A former assistant coach at Dartmouth College, Landis replaced R. Clark Boler in January of 1982 and has a two year mark of 6-12-1. In his initial campaign at the helm, the Huskies posted a 1-7-1 record but showed vast improvement in almost every category over the previous year when BU was winless in ten starts. A year ago, Landis' charges, which consisted of almost 80% freshmen and sophomores, notched the school's first non-losing season since 1978 by registering a record of 5-5. In addition, the youthful team came within one victory of winning the Pennsylvania Conference's Eastern Division and making a first-ever trip to the PC's title contest "The State Game." A 13-7 loss to perennial power East Stroudsburg in the ninth game of the season was all that stood between the Huskies and a championship meeting with Western Division winner and eventual PC Champion Clarion. Bloomsburg finished at 4-2 in the division and a second place showing.

Landis, 34, a native of Linwood, NJ, helped guide Dartmouth to an Ivy League co-championship with Yale in 1981 and worked with the Big Green defense that led the entire ECAC, in team defense, allowing just 13.7 points per game that season.

The new coach lettered for three years at Penn State and played in the 1969 and 1970 Orange Bowls in the Nittany Lions' defensive backfield. In 1970, he was named to the All East defensive team and was also honored as South Jersey's College "Athlete of the Year." He went to Penn State from Mainland Regional High School in Linwood, NJ, where he was a varsity starter for all four years and gained All-American honors. He also played varsity basketball for three years and baseball for four years.

He holds both the Bachelor of Science in education and Master of Education degrees from Penn State.

His coaching experience started at Penn State where he assisted on the Nittany Lions' staff while earning his graduate degree. He was the defensive backfield coach at Villanova and Cornell Universities before taking a head coaching position at Mainland Regional H.S. where he served for two years. In 1978, he joined the Dartmouth coaching staff as defensive backfield coach.

## THE B.U. COACHING STAFF

**L to R, kneeling** — Frank Williams, Joe DeMelfi, George Landis, Lou Mingrone, Joe Gubernot.  
**L to R, standing** — Bob Gutshall, Lou Maranzana, Kent Smeltz, Ron Grzybowski.

### **LOU MARANZANA — Defensive Coordinator/Linebackers**

Coached linebackers at Dartmouth in 1980 and 1981 and worked with the "Big Green" defense that led the entire ECAC in team defense (13.7 ppg.) in the latter season. A former head coach at Chaminade (FL) High School. Played defensive end and tight end as an undergraduate at Dartmouth.

### **JOE DEMELFI — Offensive Line**

A former assistant coach at BU who returned to the staff in 1982. He was selected as Delta State University's Most Valuable Player as an undergraduate as well as earning MVP honors in the PIAA "Big 33" Game during his high school career. Currently serves as Bloomsburg's Assistant Dean of Student Life.

### **RON GRZYBOWSKI — Defensive Line**

In his second season as a member of the Huskies' staff. A former head coach at Lourdes Regional High School in Shamokin, PA. A graduate of the University of North Carolina where he was an offensive guard. Drafted by the Dallas Cowboys following graduation at UNC.

### **JOE GUBERNOT — Receivers**

Another second-year person on the staff, he works with the Bloomsburg pass receiving corps. Served as head coach at Shamokin (PA) High School for five years compiling a 33-24-1 mark. Led the Indians to the 1975 Eastern Conference "AAA" Championship.

### **BOB GUTSHALL — Offensive Backfield**

Returned to the staff two seasons ago to take charge of the offensive backs. Previously served as a BU coach from 1970-74. Gained Little All-American honors at Lock Haven.

### **LOU MINGRONE — Kickers**

Joined the football staff after a successful seven-year stint as Bloomsburg's head soccer coach. While in charge of the Husky booters, he compiled a record of 65-42-3.

### **KENT SMELTZ — Outside Linebackers**

Served as the Huskies' graduate assistant for the past two seasons. A graduate of Mansfield where he was a four-year starter and 1982 winner of the school's "Maxson Award" as top scholar/athlete.

### **FRANK WILLIAMS — Defensive Backs**

Returned to the Bloomsburg staff in 1982 after spending a year at Bucknell. Prior to that, he was a Husky assistant coach for 1976-80. He was an All-Pennsylvania Conference selection at Kutztown and is a member of the Bear's Hall of Fame.

## THE SEASON AHEAD

It appears that the 1984 edition of Bloomsburg University football can be tabbed as a bona-fide challenger. Third year Head Coach George Landis' Huskies are coming off the school's first non-losing season since 1978 after posting a 5-5 record a year ago. In addition, the youthful unit built a 4-2 mark in the Pennsylvania Conference Eastern Division and had a shot at the division crown but dropped a tough 13-7 decision to perennial power East Stroudsburg in a November showdown and settled for a second-place tie with Kutztown.

Eighteen starters will return to battle for their positions with several other veterans as well as a host of newcomers.

As has been the case over Landis' first two years at the helm, the building process continues with only six seniors listed on the roster.

Putting more points on the scoreboard has to be an immediate goal for the Huskies as they scored three or more touchdowns only three times in 1983, averaging 14.2 points per game while giving up an average of 15.0 ppg.

Quarterback Mike Glovas (6-3, 195) returns but will be hard pressed for his job by sophomore Jay Dedeo (6-3, 200). Dedeo actually won the starting role last season but sustained a season-ending knee injury in the opening contest, and Glovas took over the reins. In the nine starts, he completed 80 of 178 passes for 890 yards and four touchdowns.

Dedeo, in BU's 18-7 loss at Slippery Rock to open the campaign, connected on 18 of 28 aerials for 199 yards and the lone score.

Sophomore Kevin Grande (6-5, 205), the leading receiver last season, will most likely move from split end to tight end. He caught 20 passes for 307 yards and two touchdowns. Wide receiver Ken Liebel (5-8, 150) is a long ball threat as he was tops on the club in yards per catch (16.7) while hauling in 11 bombs for 184 yards. Liebel also doubled as the team's punt return specialist, handling 20 opponent punts for 168 yards.

The top pass catcher from two years ago, Joe Dowd (6-0, 165), returns after sitting out last season with a knee injury. He caught 30 passes for 431 yards.

All-purpose runningback Jeff Flickner (5-11, 190) made the successful move from fullback to tailback in place of the injured Vernon Rochester and rushed for 800 yards on 204 carries and six touchdowns. In addition, the sophomore caught 11 passes for 87 yards and an additional touchdown and returned five kickoffs for 105 yards. The leading candidates to fill the fullback slot appear to be Calvin Robinson (6-0, 210), a transfer from Saginaw Valley, or veteran Bob Keil (5-6, 175), who gained 120 yards on 28 carries last year.

The offensive line should be one of the stronger areas for the Huskies as four of five starters from 1983 are back. Associated Press Little All-American Honorable Mention center Mike Jupina (5-10, 220) is in the middle and has guard Kevin Trusty (6-2, 215) with Doug DeLambo (6-5, 245), a PC East 2nd team selection, and Dave Tracy (6-3, 235) at the tackles on either side. The other guard, Mark Williams, also returns but has moved to outside linebacker.

When Bloomsburg was successful on offense, balance was the key as the Huskies ended the season with 1,144 rushing yards and 1,145 yards via the airways.

All-American first team linebacker Frank Sheptock (6-1, 210) heads the Huskies' defensive unit, which forced 31 turnovers in the ten games last season. Sheptock, an inside linebacker who accumulated 140 tackles, almost twice as many as the next defender, was responsible for several of the opponent miscues and did recover four fumbles and intercepted three passes. The other inside spot was occupied by newcomer Jake Williams (6-0, 195) where he ranked third on the team in tackles with 72 and also intercepted two passes. Williams will move to the defensive backfield this season.

Up front, nose guard Mark Landis (6-4, 265) was the top performer with 74 tackles to go along with four quarterback sacks and a fumble recovery.

Landis will probably move back to tackle, a position he played two years ago, to replace graduated Academic All-American Dave Pepper. The nose position will be an area the coaching staff will have to fill from a host of players including returnee Ken Killian (6-2, 220). The other tackle position was held by sophomore Jim Tyson (6-2, 235), and he had four sacks and two fumble recoveries to go with 45 tackles.

Probably the strongest area on the field for BU will be the defensive backfield where the four starters are back and all four were among the defensive point leaders in 1983. At the corners, are junior Tony Woods (6-0, 195) and sophomore Ron Sahn (6-0, 180). The duo combined for 94 tackles, three interceptions, two fumble recoveries, and 13 knocked-down passes. The team's leader in interceptions with five, Randy Bullock (6-0, 180), will be back at free safety. As the Huskies' last line of defense, the junior also had 48 tackles and a fumble recovery.

Cas Kosciolk (6-2, 195) rounds out the veteran foursome at the rover position where he contributed 60 tackles and three interceptions.

An area, which Landis and his staff have stressed over the past two years, the kicking game, will have a new look as Rick Farris has departed. Farris, who signed as a free agent with the Kansas City Chiefs in the off-season, was perfect on 14 extra point tries and connected on five of eight field goal attempts. Junior Bob Gabel (5-8, 170), who set a Bloomsburg record with 64 punts a year ago, returns in that role.

Last season, Bloomsburg proved to be a second-half team outscoring the opposition, 86-60, after the intermission. Those second-half fireworks helped the young squad put together a four-game winning skein after three losses to open the season before losses to Kutztown and East Stroudsburg prior to a triumph over Lycoming in the season finale.

The youth movement that began over two seasons ago appears to be taking shape, and the Huskies seem ready to challenge for conference honors.

## A LOOK AT THE VETERANS FOR 1984

JAY DEDEA

MIKE GLOVAS

JEFF FLICKNER

DAVE SHUGA

### OFFENSE —

**Quarterbacks** — Jay Dedeo won the starting role here a year ago but sustained a knee injury following the campaign's opening game and sat out the rest of the season. In that contest, he completed 18 of 28 passes for 199 yards and one touchdown. Backup Mike Glovas took over after Dedeo went down and performed admirably while leading the Huskies to their five victories. He connected on 80 of 178 attempted passes for 890 yards and four touchdowns.

BRIAN SCRIVEN

BOB KEIL

KEVIN GRANDE

JOE DOWD

**Runningbacks** — After a fine freshman season, Jeff Flickner returns at tailback following a move from fullback. He started there during the first three games of the season but moved to the tailback slot in place of injured Vernon Rochester. He rushed for 800 yards on 204 carries and had six touchdowns. In addition, Flickner caught 11 passes for 87 yards and one score and returned five kickoffs for 105 yards. Dave Shuga, who saw very limited action in 1983, is the other veteran at the position. Brian Scriven, formerly an outside linebacker, made the successful move to tailback in the spring and could see a lot of action.

With the move of Flickner to tailback, Bob Keil saw some playing time at fullback where he carried the ball 28 times for 120 yards and a touchdown. Also vying for the starting berth will be transfer Calvin Robinson.

KEN LIEBEL

BRAIN BIDELSPACH

MIKE JUPINA

DOUG DeLAMBO

**Receivers** — The top two pass catchers during the last two seasons both return as do two other proven receivers. Kevin Grande snagged 20 aerials for 307 yards and two touchdowns in 1983 to lead all BU performers while Joe Dowd hauled in 30 passes for 431 yards in 1982. Dowd sat out last season with a knee injury but returns at wide receiver, and Grande will probably move to tight end.

Long ball threat Ken Liebel had 11 catches for 184 yards a year ago, and flanker Brian Bidelspach accounted for another 78 yards on four receptions and three rushes.

DAVE TRACY

KEVIN TRUSTY

BOB PHILLIPS

FRANK SHEPTOCK

**Offensive Line —** Four of five starters return led by AP Little All-American Honorable Mention and Pennsylvania Conference Eastern Division first team selection Mike Jupina at center. Jupina will also serve as one of the Huskies' co-captains in 1984. A pair of juniors will man the tackle spots with PC East second team choice, Doug DeLambo, on the right side and Dave Tracy on the left. A player, who started on the line his first year with the team, Kevin Trusty, returns at right guard, and sophomore Bob Phillips could assume the left guard position after seeing much playing time there last season. B.J. Swaldi, a transfer from West Chester, could be one newcomer that could see a lot of time on the field.

BUTCH KAHLAU

MATT ERDMAN

DAVE HECKMAN

DWAYNE HOFFMAN

## DEFENSE —

**Inside Linebackers —** The heart of the defense with AP Little All-American first team pick Frank Sheptock leading the way. An All-ECAC South and PC East first team selection a year ago, also, he recorded 140 tackles which was almost twice as many as the next Husky defender. In addition, he had four fumble recoveries and three interceptions.

Butch Kahlau and Matt Erdman will look to step in full-time in place of Jake Williams, who has made the move to cornerback. Kahlau saw quite a bit of action while Erdman was sidelined most of the season with an injury.

GARY CATTS

MARK WILLIAMS

JIM SPINDLER

MARK LANDIS

**Outside linebackers —** With the move of Scriven to tailback, Dave Heckman and Jim Spindler, two players who started during their freshman seasons, look to have the inside track. However, veterans like Dwayne Hoffman and Gary Catts, along with Mark Williams, who moved from guard, could solidify an area that concerned the coaching staff entering spring drills.

JIM TYSON

KEN KILLIAN

WES COOK

TONY WOODS

**Defensive line** — Two of three starters return on the front wall with CoSIDA Academic All-American Dave Pepper, the lone performer to graduate. Mark Landis will move back to his original position at tackle from the nose guard spot, and sophomore Jim Tyson will remain at the other tackle. Landis was second on the club last season in tackles with 74, and Tyson added 45 others. The duo also combined for eight sacks and three fumble recoveries. A pair of backups in 1983, Ken Killian and Wes Cook, who was an offensive guard, will try for the starting berth at nose guard.

RON SAHM

LEO HARRIS

JAKE WILLIAMS

RANDY BULLOCK

**Defensive Secondary** — Definitely the strongest area on the squad with at least one proven performer at each position. At the corners, 1983 starters Tony Woods and Ron Sahn return, along with backup Leo Harris and the team's third best tackler a year ago, Jake Williams, who moved from inside linebacker. Also back are free safety Randy Bullock and rover Cas Kosciulek, as well as reserves Pete Woodhouse and Hank Haidacher. Last season, the group got together for 280 tackles, 13 interceptions, and recovered three fumbles.

CAS KOSCIOLEK

PETE WOODHOUSE

HANK HAIDACHER

BOB GABEL

**Kicking** — Two year starter, Bob Gabel, is back as the Huskies' punter where he set a school record by booting the ball 64 times in 1983. The rest of the kicking game is wide open with the departure of Rick Farris. Following graduation, Farris signed a free agent contract with the Kansas City Chiefs.

## 1983 IN REVIEW

The 1983 football season was one everyone around the program entered optimistically, but also realistically. Second year head coach George Landis' team had shown much improvement despite going 1-7-1 the previous year; however, over 80% of the squad consisted of freshmen and sophomores and solid experience was definitely lacking at most positions. An 0-3 start and the loss of the starting quarterback had some raising questions, but the young Huskies rebounded winning their next four straight contests despite the loss of star runningback Vernon Rochester who suffered a severe spinal cord injury. Following consecutive losses to Kutztown and perennial power East Stroudsburg, Bloomsburg closed its first non-losing season since 1978 with a season-ending triumph at home over Lycoming to finish with a record of 5-5.

### **GAME ONE — SLIPPERY ROCK 18, BLOOMSBURG 7**

Two turnovers and a blocked punt helped the homesteading Rockets build a 15-0 lead in the first quarter and coast to victory in the season-opener for both squads. A five yard pass from Jay Dedeia to Kevin Grande was the Huskies' lone score. The TD capped a 72 yard drive that took 11 plays. Rick Farris added the extra point. Dedeia completed 18 of 28 passes for 199 yards with Grande and tight end Stan Kucwicz each with five catches.

### **GAME TWO — SHIPPENSBURG 10, BLOOMSBURG 9**

A two-point conversion attempt that failed with 37 seconds remaining in the game proved to be the difference in this contest. An 80 yard, 13 play drive in the final three minutes culminated by a 13 yard touchdown run by Vernon Rochester set up the conversion try after the Red Raiders broke a 3-3 tie with a fourth quarter score of their own. Farris again accounted for the other points by booting a 36 yard field goal in the third quarter. Mike Glovas made his first varsity start at quarterback and completed ten passes for 125 yards, three of them to Ken Liebel for 57 yards.

### **GAME THREE — LOCK HAVEN 28, BLOOMSBURG 10**

The Huskies' worst performance of the season despite an outstanding effort by Rochester. Bloomsburg held a 10-7 lead in the second quarter on a 63 yard touchdown run by Rochester and Farris' extra point. The senior kicker also had a 25 yard field goal, but then the roof caved in. The Bald Eagles took a 14-10 lead into the lockerroom and added two touchdowns to the final total. On the afternoon, Rochester accounted for 208 yards with 158 rushing, 28 receiving and a kickoff return for 22 yards.

### **GAME FOUR — BLOOMSBURG 10, MANSFIELD 6**

Defense was the story in the Huskies' first victory of the season as linebackers Frank Sheptock and Jake Williams led four stands against serious Mountie scoring threats. The duo combined for 24 tackles and Williams had two interceptions. BU scored on its first possession despite a 15 minute delay while medical personnel removed the Huskies' Vernon Rochester from the field when he suffered a severe injury. Bob Keil scored on a one yard dive and Farris' conversion gave the visitors all the points they needed. He later added a field goal of 43 yards.

### **GAME FIVE — BLOOMSBURG 25, WEST CHESTER 24**

A 21 yard Glovas-to-Grande touchdown pass with 1:52 left in the game capped a furious Husky comeback in the fourth quarter. Bloomsburg entered the final period trailing 24-5 but got the opportunity for the win on touchdown runs by Jeff Flickner and John Kelley before defensive back Ron Sahn blocked a West Chester punt to set up the winning score. Flickner rushed for 106 yards on the day and Grande had four receptions for 112 yards. Farris kicked a 41 yard field goal, the fourth consecutive game in which he had a three-pointer.

### **GAME SIX — BLOOMSBURG 22, MILLERSVILLE 14**

For the second week in a row, a fourth quarter rally pulled the Huskies to a victory. Flickner and Kelley again capped drives with scoring runs in the last stanza.

Flickner also scored in the third period and Farris kicked another field goal. The tailback had an outstanding afternoon rushing 33 times for 178 yards and the two touchdowns. The win helped the Huskies equal their best start ever in the PC Eastern Division. Punter Bob Gabel had a 41.5 average for the day.

### **GAME SEVEN — BLOOMSBURG 17, CHEYNEY 13**

The first homecoming game victory for Bloomsburg since 1979, but more importantly, it kept the Huskies tied for first place in the PC East. The defense keyed this fourth straight win with three pass interceptions and Sheptock earned "Player of the Game" honors with 17 tackles and an interception. Flickner had his third 100 plus

yard game as he rushed for 169 yards on 37 carries. Kelley and Flickner again scored the touchdowns and Farris made good on another field goal marking the sixth straight game he was successful.

**GAME EIGHT — KUTZTOWN 14, BLOOMSBURG 7**

The homestanding Bears snapped the winning streak at four games but not without a struggle. The Huskies drove to the Kutztown 10 yard line in the final seconds, but with no timeouts left, the clock continued to run and the Huskies couldn't prevent the loss. Butch Kahlau set up the final attempt when he recovered a fumble on the Kutztown 43. The lone Husky score came early in the fourth quarter on a Flickner one yard plunge.

**GAME NINE — EAST STROUDSBURG 13, BLOOMSBURG 7**

A showdown for the title in the PC Eastern Division, the first time Bloomsburg had ever been in contest for the division crown. Two late interceptions by the Warriors stifled potential winning drives and gave the visitors a trip to the "State Game." Bloomsburg scored early in the last period on a Glovas-to-Jim Weisenburger 14 yard pass that capped an 80 yard march. Defensive back Tony Woods had a fine afternoon for Bloomsburg with 14 tackles and a pass interception.

**GAME TEN — BLOOMSBURG 28, LYCOMING 10**

Highest offensive output of the season for the Huskies and the win assured BU of its first non-losing season in five years and only the fourth since 1970. Flickner scored two touchdowns on a run of 81 yards and a 33 yard reception and tight end Stan Kucewicz ended his career in fitting fashion with TD receptions of four and 41 yards. The latter pass was from flanker Kevin Grande. Randy Bullock and Cas Kosciolik led the tough defense with an interception each.

## PENNSYLVANIA STATE ATHLETIC CONFERENCE

The Pennsylvania State Athletic Conference is comprised of 14 schools in the Pennsylvania State System of Higher Education. This new governing body took over from the Department of Education on July 1, 1983, and the change was also reflected in the granting of university status to all member institutions formerly known as "state colleges."

The conference is under the leadership of a Board of Directors consisting of the 14 university presidents.

The conference sponsors championship competition in ten sports for men and ten for women as follows: Fall Season — MEN - cross country, football, soccer; WOMEN - cross country, field hockey, tennis and volleyball. Winter Season — MEN - Basketball, swimming and diving, and wrestling; WOMEN - basketball, gymnastics, swimming and diving. Spring Season — MEN - baseball, golf, tennis, and track and field; WOMEN - lacrosse, softball, and track and field.

All 14 schools are members of Division II of the National Collegiate Athletic Association (NCAA). In Individual sports, however, some schools have elected to compete in other NCAA divisions.

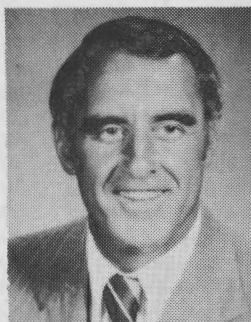

Athletes and teams have won numerous honors in national competition and have helped the PSAC become one of the most respected "small college" conferences in the nation.

### PSAC COMMISSIONER

Donald G. Kelley was appointed as the first Commissioner of the Pennsylvania State Athletic Conference (PSAC) on July 1, 1983.

As Commissioner, Mr. Kelley acts as the chief administrative officer of the PSAC and serves as a liaison between the Board of Directors of the PSAC and the Directors of Athletics for the fourteen state universities.

Kelley's headquarters are located in the Hershey Information Center adjacent to Hersheypark in Hershey, PA. Prior to his appointment, the Conference was under the direction of the university Presidents and was administered by the university Athletic Directors.
