

BLOOMSBURG FOOTBALL '87

BLOOMSBURG UNIVERSITY

Bloomsburg University is a multi-purpose institution of higher education serving the citizens of Pennsylvania as one of the 14 Commonwealth-owned universities. With a commitment to provide a quality, affordable education for all qualified students, Bloomsburg combines the tradition of an institution founded in 1839 with modern learning, living, and recreational programs and facilities. Commonwealth funding provides 55 percent of Bloomsburg's annual operating budget.

Undergraduate students may enroll in degree programs in 64 areas of study in the arts and sciences, business, teacher education, nursing, and health sciences. A program in engineering is offered in conjunction with the Pennsylvania State University, and preparation for post-baccalaureate study at professional schools is offered. Unique educational opportunities are available through advanced placement, study abroad, professional practicum, internships, independent study, and the Department of Developmental Instruction programs.

At the graduate level, the master's degree is offered in 25 areas of study, and there are 10 supervisory certification programs in the field of teacher education.

Extended program offerings provide continuing, life-long learning opportunities for people of all ages and educational interest through non-degree courses, non-credit mini-courses offered at off-campus locations, and by public service television and credit for work experience.

Enrollment for the fall semester 1986 totalled 6,757 students. There were 5,332 full-time and 818 part-time undergraduates and 120 full-time and 487 part-time graduate students. Instruction is provided by a 367-member faculty.

The university's 173-acre campus overlooks the Town of Bloomsburg and the scenic Susquehanna Valley. Carver Hall, built in 1867, provides a contrast with the modern facilities that include seven residence halls, a library, a 2,000-seat auditorium, student union, dining hall, gymnasium, administration building, five classroom buildings, athletic fields, and recreational areas on the lower campus.

An athletic complex and recreational area occupy the school's 100-acre upper campus. In addition, the James H. McCormick Center for Human Services is the newest building on the lower campus and was used for the first time in the fall of 1985.

Located less than two miles from an Interstate 80 interchange and 22 miles from Interstate 81, Bloomsburg is within one hour's driving time from Wilkes-Barre/Scranton, Hazleton, and Williamsport, 1 1/2 hours from Harrisburg, 2 1/2 hours from Philadelphia, and three hours from New York City. The community is 45 miles from the Avoca International Airport and is serviced by major bus lines.

Bloomsburg has an enviable placement record. Of the 1,104 who graduated in the 1984-85 academic year, 81.4% have meaningful employment or were in graduate school one year later.

Active files of over 25,000 living alumni are kept by the university. Graduates of BU have distinguished themselves in areas including law, medicine (one is a Nobel Laureate), science, architecture, education, industry, and research.

Bloomsburg University is fully accredited by the Middle States Association of Colleges and Schools, the National Council for the Accreditation of Teacher Education, and the Pennsylvania Board of Education.

Conference: Pennsylvania (Eastern Division)
1986 Overall Record: 7-2-1
1986 PC Eastern Division Record: 3-2-1

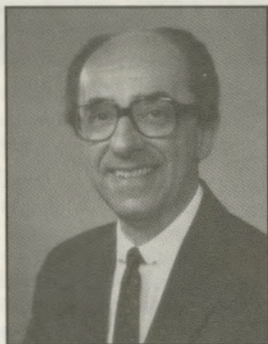

HARRY AUSPRICH President

Dr. Harry Ausprich began his tenure July 15, 1985, as the 16th president of Bloomsburg University. His appointment follows that of former President James H. McCormick, who is currently serving as the Chancellor for the State System of Higher Education, and Dr. Larry W. Jones, who served as President for two years on an acting and interim basis.

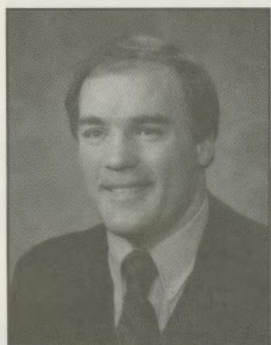

Prior to coming to Bloomsburg, Ausprich served at Kent State University as dean of the College of Fine and Professional Arts from 1978 to 1985. While there, he was instrumental in implementing a program in fashion design and merchandising that has gained a national reputation. In addition, he served as dean of the Blossom Festival School Program in cooperation with the Cleveland Orchestra. In previous years, he served as dean of the Faculty of Arts and later as dean of the Faculty of Arts and Humanities, both at SUNY Buffalo. While at Buffalo, he developed a proposal for a program in dance and for a series of interdisciplinary seminars in the arts. In the early 1970s he worked at the University of Northern Iowa as dean of the College of Humanities and Fine Arts. Classroom teaching experiences and departmental chairperson responsibilities comprised his major assignments at Indiana State University and Memphis State University.

In addition to these administrative responsibilities, Ausprich has had varied professional experiences while serving as a member of the Ohio Humanities Council, the National Fine Arts Commission, the City Planning Commission in Buffalo, the Board of Buffalo Philharmonic Orchestra, and the National Endowment of the Humanities Public Program Committee. He has also served as the speech editor for Holt, Rinehart and Winston, Inc., was a guest lecturer and consultant on faculty development and retraining for the Pennsylvania State Colleges, and has published and delivered papers to numerous professional speech and theater associations.

His academic background includes a bachelor of science degree from New York University, College at Buffalo, a master of science degree from the University of Wisconsin in theater and broadcasting, and a doctorate from Michigan State University in communications and theater.

ROGER SANDERS Athletic Director

Roger Sanders assumed his duties as Bloomsburg's director of athletics in June 1982. In addition, Sanders has served as head coach of the Huskies' highly successful Division I wrestling program for the past 15 years compiling an enviable 175-72-3 record. During his tenure, BU has captured five Pennsylvania Conference championships and an Eastern Wrestling League title. He has coached 37 PC champions and numerous all-americans including six national champions.

Under his direction, many new projects have developed in the Athletic Department including the construction of nine new athletic practice fields and an addition to the Redman Stadium pressbox, obtaining automobiles from local dealers for use by Athletic Department personnel in recruiting and scouting trips, an "ox roast" prior to the Homecoming contest, a facelift or redecoration for the Nelson Fieldhouse main arena floor, among others. He has also spent numerous hours working on a program to build a general athletic scholarship fund through the Husky Club-Alumni Association to aid Bloomsburg in its efforts to maintain a highly competitive program in the Pennsylvania Conference and NCAA Divisions I and II.

A native of Fairless Hills, Pa., Sanders graduated from West Chester where he won three Middle Atlantic University Division championships and a NCAA College Division crown.

During his four years of collegiate wrestling, he never lost a dual match.

Before coming to Bloomsburg, he served as head coach at New York University where he had a five-year record of 50-18-1.

PETE ADRIAN Head Coach

Pete Adrian is in his second year as the Huskies' head football coach, following a 10-year stint as assistant head coach and defensive coordinator at the University of Rhode Island. The Huskies' coach registered a 7-2-1 record in his initial season including a third place finish in the Pennsylvania Conference's Eastern Division.

The 37-year-old native of the Brilliant, Ohio, area replaced George Landis who left Bloomsburg after four years as the Huskies' mentor to take over the head coaching duties at nearby Bucknell University.

Adrian had served with head coach Bob Griffin at Rhode Island leading the Rams to consecutive 10-3 records in 1984 and 1985 and appearances in the NCAA Division I-AA national playoffs. Rhode Island also captured three Yankee Conference titles winning the crowns in 1981, 1984, and 1985. At the school, Adrian worked specifically with the Rams' linebacking corps while coordinating the defensive schemes. During his tenure at URI, the teams compiled a 58-51-1 record. Also in both 1984 and 1985, Rhode Island won the Lambert/Meadowlands Cup in Division I-AA. The award symbolizes football supremacy among eastern schools.

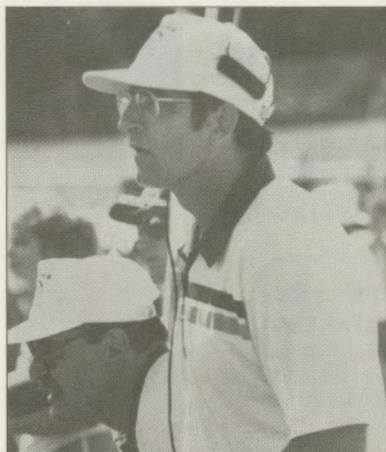

Prior to returning to Rhode Island, where he served as an assistant coach in the 1970 and 1971 seasons, Adrian was the defensive line coach under Griffin at Idaho State University in Pocatello, Idaho, from 1972-75. He also was the school's head golf coach.

Before his first stint at Rhode Island, he was the freshman coach at West Virginia University after his graduation from that school in 1968. While at WVU, Adrian was a linebacker for the Mountaineers and served as captain of the freshman team.

He was a five-sport letterwinner at Brilliant High School in the sports of football, basketball, baseball, track, and golf.

In addition to his football duties, Adrian has also been an instructor in the physical education departments at Idaho State and Rhode Island. He holds membership in the American Football Coaches Association (AFCA), New England Football Coaching Association, Fellowship of Christian Athletes, and the Masonic Lodge.

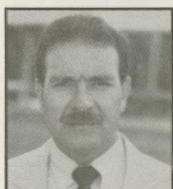

Adrian earned his Bachelor of Science degree in Physical Education at West Virginia in 1970 and his master's degree in Physical Education from Rhode Island in 1971.

NCAA Action!

THE HUSKIES' STAFF

Vin Sinagra - Defensive Line

Vin Sinagra is entering his second year as an assistant coach for Bloomsburg. He was the first assistant coach selected by Pete Adrian to join the Huskies' staff. His main responsibilities will be to work with the Bloomsburg defense, and he will be in charge of the Huskies' defensive line. Prior to coming to Bloomsburg, Sinagra was the head coach at Milford Academy, Connecticut, for four seasons. Before assuming his duties at Milford, he was the defensive line coach at Rhode Island University. He also played professional football for the Philadelphia Bell of the World Football League, following three years in a starting role at Rhode Island.

Joe Viadella - Offensive Coordinator

Joe Viadella also begins his second year on the BU coaching staff. His main responsibilities will be designing and calling the plays for the Huskies' offense. Viadella was the receiver coach at the University of Kentucky for three seasons before coming to Bloomsburg. Prior to taking the position with the Wildcats' staff, he served as the defensive end coach at the University of Rhode Island from 1980 to 1982. Viadella also spent time as an assistant coach at Montville (Conn.) High School, Griswold (Conn.) High School and St. Thomas Moore (Conn.) Prep. He played on the United States Marine Corps championship teams in 1975 and 1976 and was an All-Marine linebacker.

Frank Williams - Defensive Backs

Frank Williams has the longest tenure on the BU football staff. He returned to the school for the 1982 campaign after spending one season at Bucknell. Prior to assuming the defensive backfield duties at Bucknell, Williams was one of the Huskies' assistant coaches from 1976 to 1980. As an undergraduate, he was an All-Pennsylvania Conference selection at Kutztown and is a member of that school's Hall of Fame.

Lou Mingrone - Kickers

Lou Mingrone has been a member of the Huskies' staff since 1983 joining the football coaching ranks after a successful eight-year stint as Bloomsburg's head soccer coach from 1975-1982. While in charge of the Huskies' soccer program, his teams posted a 65-42-4 record, including a school-record 13 victories in 1979 enroute to an ECAC title.

Dave Fortunato - Offensive Line

Dave Fortunato's main responsibilities will be with the Huskies' offensive line. He is a graduate of West Liberty (W.Va.) State College where he played on the offensive line. He earned his master's degree from Ohio University while serving as the school's assistant line coach for two years. Fortunato is entering his second year on the BU coaching unit.

Dale Joyner - Receivers

Dale Joyner will work with the Bloomsburg receivers. He played the position of wide receiver at Boston University before working as a graduate assistant at the University of Houston. He was a member of the Cougars' staff in the 1984 Cotton Bowl. In 1985, he was an assistant at Milford Academy with Vin Sinagra. Joyner is entering his second year on the Huskies' coaching staff.

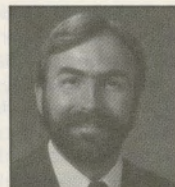

Ed Givens - Offensive Backfield

Ed Givens, a former running back at Rhode Island, will coach BU's offensive backfield. Prior to coming to Bloomsburg, Givens served as one of Rhode Island's junior varsity coaches. While at Bloomsburg, he is pursuing a master's degree in education. Givens is entering his second season as a BU assistant coach.

Art Hopkins, Head Trainer

Art Hopkins is in his fifth year as the head trainer at Bloomsburg. He is a licensed physical therapist (LPT) and received his certificate from Hahnemann Hospital in Philadelphia and his undergraduate degree at East Stroudsburg.

Ron Morgan - Equipment Manager

Ron Morgan has served as Bloomsburg's equipment manager for the past 14 years. Morgan is located in the Nelson Fieldhouse and handles most of the equipment needs for BU's 18 varsity programs.

Dr. Jim Perry - Team Physician

Dr. Jim Perry is entering his sixth year as a team physician for BU. Dr. Perry received his medical degree from the University of Florida and did his orthopedic training at Dartmouth College. He did his sports medicine fellowship at Harvard University. Dr. Perry received his undergraduate degree from the United States Air Force Academy in Colorado. He has been a member of the Geisinger Medical Center staff since 1981.

Dr. Kathy Kopach, Team Physician

Dr. Kathy Kopach is entering her third year as a team physician for BU. Dr. Kopach received her medical degree from Penn State University and did her residency in orthopedic surgery at Dartmouth College and the Geisinger Medical Center. She received her undergraduate degree from Carleton University in Northfield, Minn. She has a private practice in Berwick.

1987 PREVIEW OF THE HUSKIES

The adjustment period is over. In his first season at the helm, head coach Pete Adrian redesigned the Huskies both offensively and defensively and came away with a 7-2-1 record. A solid base of veterans return from the 1986 unit which should put the squad well on its way to the school's fifth consecutive non-losing campaign.

One of the best passing/rushing combinations in Division II will provide the Huskies with a potentially outstanding offensive attack as quarterback Jay DeDea (6-3, 220) and running-back Tom Martin (5-7, 169) enter their senior seasons. DeDea has already set several school records and many more are within sight of the strong-armed veteran. Last season he passed for 2255 yards and 14 touchdowns in his first full, healthy season with the club. His career totals stand at 332 completions in 697 attempts for 4705 yards and 36 touchdowns.

Martin earned a starting spot in the backfield in the middle of 1985 and has used his quick, elusive style to rush for almost 2000 yards since that time. He had 918 yards on 183 carries last year and scored eight times. His durability may be his biggest asset, and he will again be depended on to do the bulk of the ball carrying.

Paul Venesky (6-0, 186) is listed behind DeDea, and although the senior has seen only limited action over the past two seasons, he has the talent to step into the starting role if called upon. A year ago he threw just nine passes, completing five of those throws, two for touchdowns.

A pair of powerful runners should share time in the backfield with Martin. Juniors Mike Medina (5-10, 198) and Leonard Bluit (5-9, 184) have both shown the ability to pick up yardage when needed, as Medina gained 111 yards on 31 carries last season and Bluit, who sat out 1986, contributed 185 yards on 46 rushes during the Huskies' march to the Pennsylvania Conference Championship two years ago.

When the Huskies want to put the ball in the air, several quality receivers are available. Tight end John Rockmore (6-1, 231) was the team's second leading pass catcher a year ago with 31 receptions for 449 yards and a touchdown. The squad's most serious deep threat, Curtis Still (5-9, 160), and one of the club's most versatile athletes, Jeff Sparks (6-1, 169), have the inside track at wide receiver. Still caught 22 passes for 370 yards and two touchdowns in 1986, while Sparks converted from quarterback midway through the season and pulled in three receptions for 80 yards, the highest average per catch of any of the team's receivers at 26.7 yards. In addition, Martin (eight catches in 1986), Medina (four catches), and Bluit have all shown that they can catch the ball circling out of the backfield.

More size than ever before will be on the offensive line as four of the projected starters weigh in at more than 250 pounds. Veteran center John Fulmer (6-2, 253), who was named to the conference's all-star unit along with DeDea and Martin last year, will be in the middle once again with first-year guards Bob Preston (6-1, 241) and Dave Pysker (6-1, 250) on either side. The junior duo has been listed as reserve tackles for the past two seasons but made the move inside during spring drills.

Two of the biggest members of the squad, Vinny Ottomanelli (6-4, 260) and Joe Natale (6-4, 315), will man the tackle spots. Ottomanelli developed into an outstanding pass blocker last season after moving from defensive tackle, and Natale is in his first year with the club following two seasons at the junior college level.

Defensively, the Huskies will also boast some size up front as experienced tackles Chris Gross (6-5, 270) and Al Royster (6-4, 280) will hold down two of the three positions. Royster was the Huskies' fifth-leading tackler in his first season of collegiate football, and Gross ranked among the leaders in quarterback sacks as he saw plenty of action at both tackle spots. The nose guard spot is wide open with senior Jim O'Toole (5-11, 210) and sophomore Larry DeLuca (6-1, 235) the most likely candidates to get the starting nod.

Four performers, all of whom lacked experience a year ago, saw a lot of valuable playing time at defensive end and should help the area to be one of the strongest on this year's squad. Senior Duane Hettich (6-1, 209), along with juniors Joshua Lee (6-2, 214), Todd Leitzel (6-0, 217), and Steph Pettit, (6-1, 206) combine to give the coaching staff a group of quality performers on the outside. Pettit was the leading tackler at the position with 50, which rated him among the team leaders. As a group, they totalled 115 tackles.

The major task facing the defense entering the 1987 season is finding replacements for both inside linebackers who both were listed among the top three defensive players on last year's team. Three performers who spent their time primarily on special teams will get the opportunity to play on a regular basis. Senior Wade Pickett (5-11, 210) and juniors Gene Straface (6-0, 224) and Brian Angney (6-0, 210) spent the spring becoming accustomed to the regular role. Straface saw the most time last season recording 19 tackles. Angney and Pickett combined for another 19 hits.

All-conference choice Derrick Hill (5-11, 177) leads the secondary which made vast improvement as the 1986 season progressed. The junior led the squad in the interception category with five in addition to his 42 tackles. The corners are listed the same way for the second straight season, although it did not work out that way by the time the first game was played in 1986. Bruce Linton (5-10, 179) established himself as one of the team's most consistent performers during the season and registered 50 tackles and was among the top five defensive point leaders for the Huskies.

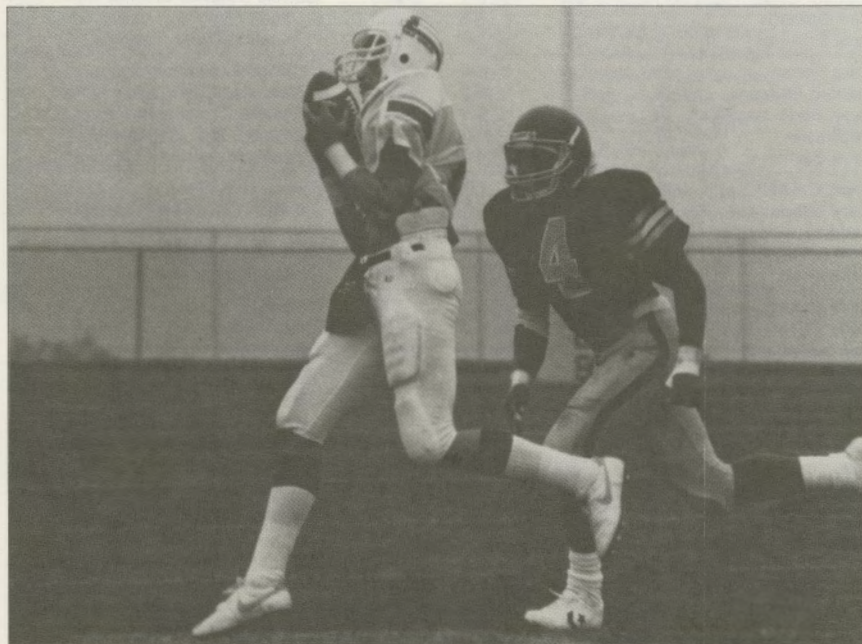

However, a leg injury sidelined projected starter Tom Heavey (5-9, 192) for the entire season, and he will start all over again in 1987. The converted tailback showed no effects of the injury in spring practice and appears ready to assume the duties, along with Hill and Linton, giving the Huskies great speed and quickness in the defensive backfield.

The final spot on the defense will be taken over by a proven performer as senior Dan Shutt (6-0, 182) moves from one of the corners to strong safety. He had 31 tackles last season.

Veteran kicker Chris Mingrone (5-7, 155) enjoyed a successful season a year ago connecting on 10 of 20 field goal attempts, including a long conversion of 41 yards and 24 of 29 extra point tries. He was the club's leading scorer with 54 points. In addition, he was a major factor in the Huskies' success on all five on-sides kickoffs they attempted during the campaign.

The pressing responsibilities facing the staff as the Huskies prepare for the school's 90th season of football will be to find a punter and produce quality depth from the more than 60 freshmen expected to report to camp.

One of the major changes for the upcoming season will be the addition of an 11th game to the regular-season slate.

Junior Cornerback Bruce Linton (4).

A LOOK AT THE HUSKIES' 1987 VETERANS

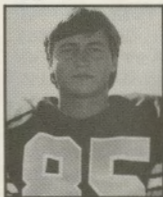

Brian Angney

John Avia

Leonard Bluit

Dave Brewster

Jay DeDea

Brian Angney, LB, 6-0, 210, junior

Saw more action last season than in the previous year and appears ready to step into a key role. He is projected into a starting linebacker slot and is one of the club's top returning hitters. Performed primarily as a special teams performer in 1986 and recorded 13 tackles and recovered a fumble. Runs very well and should give the Huskies good pursuit along the line of scrimmage.

John Avia, DT, 6-3, 245, junior

Should see considerably more action in 1987 at either defensive tackle or nose guard. Experience is limited but coachability and good work ethic have earned him a spot among the top four projected linemen. He registered two tackles and a pass breakup while seeing very little playing time behind a veteran group up front a year ago.

Leonard Bluit, RB, 5-9, 184, junior

Returns to the squad after a season's absence and is expected to make a big contribution immediately. Enjoyed an outstanding spring and showed excellent blocking ability. Provides a great complement to team's leading ground gainer, Tom Martin, in the backfield. Has two-year rushing totals of 95 carries for 400 yards and two touchdowns.

Dave Brewster, WR, 5-11, 166, junior

Played quite a few downs in 1986 as a reserve wide receiver. A controlled player who runs very disciplined routes and catches the ball extremely well. Has deceiving speed which gives him the capability to be a serious deep threat. Caught two passes last season for 51 yards.

Jay DeDea, QB, 6-3, 220, senior

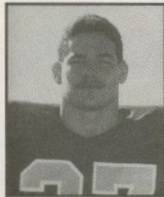

Great arm and uncanny ability to escape heavy rush and find the open receiver. With a much better understanding of the new offense after running it for a year, he could enjoy his best season yet. Already one of Division II's top passers, he should easily establish himself as the school record holder in almost every passing category. Has thrown for 4705 yards on 332 completions so far in his career, including 31 touchdowns. Last season he completed 130 passes for 2255 yards and 14 scores. He was named to the All-Pennsylvania Conference second team last season.

John Fulmer

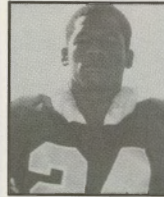

Chris Gross

Tom Heavey

Duane Hettich

Derrick Hill

Ed Frayne, TE, 6-3, 232, junior

Is battling for a starting role at tight end after sitting out last season, due to his transfer from Wagner. Gets off the ball and runs very well. Should get a chance to prove himself early as the coaching staff searches for a replacement for school's all-time reception leader Kevin Grande.

John Fulmer, C, 6-2, 253, junior

Has a vast amount of playing experience and must be one of the leaders on the unit this season. His familiarity with the other offensive personnel should make him a key to the Huskies' success this season. Must anchor the line with two first-year starters on either side of him at the guard spots. He has been named to the All-PC second team in each of the last two seasons.

Chris Gross, DT, 6-5, 270, senior

One of the returning starters on the defensive line and will hold down one of those spots again this fall. Has greatly improved size and strength over the past few years and is a solid pass rusher. Looked extremely comfortable in the spring drills and should give opposing offenses fits this season. Had 20 tackles, three sacks, a fumble recovery, and a pass breakup in 1986. His career tackle total stands at 40.

Tom Heavey, DB, 5-9, 192, sophomore

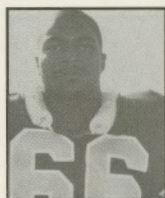

Missed all of last season with a leg injury after he had earned a starting berth at one of the corners. Showing no effects of the layoff, he has re-established himself as a starter and enjoyed a solid spring practice session. This will be his first season in the defensive backfield after moving from running back in 1985 where he carried the ball 42 times for 197 yards.

Duane Hettich, DE, 6-1, 209, senior

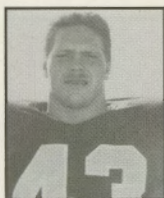

One of three players who saw a lot of playing time at defensive end during the 1986 campaign. He has good strength and athletic ability for the position. Gained vast experience a year ago which should help him be one of the defensive leaders. Recorded 23 tackles last season and now has 55 career tackles, a fumble recovery, and six pass breakups.

Derrick Hill, DB, 5-11, 177, junior

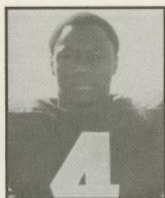

If he reaches expectations, there is no doubt he will be one of the top performers in the entire conference this season. A smart player who possesses good speed and hands and will be one of the players looked to for the big play. He doubles as the Huskies' top punt returner. Had 42 tackles in 1986 as well as a team-high five interceptions and four pass breakups and a fumble recovery. Was an All-PC second team selection last year and has 53 tackles in his two seasons. Last year he returned 12 punts for 74 yards after handling a school-record 24 for 276 yards the previous season.

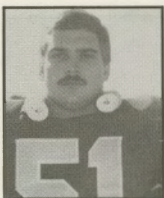

Joshua Lee

Todd Leitzel

Bruce Linton

Scott Long

Tom Martin

Joshua Lee, DE, 6-2, 214, junior

Pushing for a starting role at defensive end. An outstanding pass rusher who is one of the team's top athletes. Missed one season due to an injury, so game experience could be one of the few things lacking. Could be a pleasant surprise for the staff before the season is over. Had 12 tackles and broke up two passes last season.

Todd Leitzel, DE, 6-0, 217, junior

He is one of the returning starters at defensive end, which is one of the deepest areas on the squad. An extremely strong player who gained valuable experience as last season progressed. Rushes the opposing passer very well and has a way of showing up where the ball is. Recorded two sacks along with 30 tackles a year ago. He also broke up four passes.

Bruce Linton, DB, 5-10, 179, junior

Enjoyed solid season as a first-year starter in 1986 at one of the cornerback slots. Excellent athlete who also competes as a member of the Huskies' track and field team. Good speed and field presence should make him one of the team's top performers this season. Coaching staff expects him to surpass 50-tackle total of last season. Also contributed eight pass breakups, an interception, and a fumble recovery. Had seven tackles in limited action as a freshman.

Paul Lonergan, WR/TE, 6-4, 188, freshman

Entering his first season with the club after transferring from Moravian. Appears to be one of the Huskies' top pass catchers following spring drills and has been a good addition to the receiving corps. Catches the ball well in a crowd and has the size which allows the staff to use him at either tight end or wide receiver.

Scott Long, OG, 5-11, 237, junior

Coming off his best spring practice and should see more playing time than any previous season. He is making the move from center to offensive guard where he'll challenge for a starting position following the graduation of both starters from last season. An extremely hard worker who has performed well when called on in a relief role.

Tom Martin, RB, 5-7, 169, senior

Has turned into one of the best backs in Bloomsburg history, rushing for just under 2000 yards over the past two seasons. Has outstanding ability to make cuts and find the open hole, and his durability may be his biggest asset. Team's leading rusher in each of the last two years including a 183-carry, 918-yard performance in 1986. An all-PC pick last year, he has scored 18 touchdowns since joining the Huskies and carries an average of 4.8 yards per rush. Another great year could make him just the second back in school history to run for more than 3000 yards.

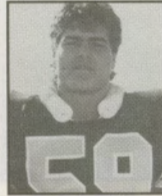

Mike Medina

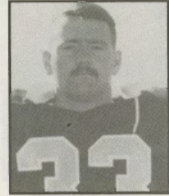

Chris Mingrone

Vinny Ottomanelli

Steph Pettit

Wade Pickett

Mike Medina, RB, 5-10, 198, junior

Has filled the role of a blocking back while seeing limited action over the past two seasons. Strongest member of the backfield who will be looked to, especially in short yardage situations, and should see increasing playing time. Was the team's second leading ground gainer in 1986 with 111 yards on 31 rushes, an average of 3.6 per carry. He is also a solid pass catching threat out of the backfield.

Chris Mingrone, K, 5-7, 155, senior

Established himself as the team's number one kicker in the spring and produced a solid season. Accurate, consistent kicker who is constantly improving his range. Connected on 10 of 20 field goal attempts including a successful long conversion of 41 yards. Also was 24 for 29 on extra point tries and led the Huskies in scoring with 54 points. He was the major factor as the Huskies were successful on all of their five on-sides kick attempts during the season.

Joe Natale, OT, 6-4, 315, junior

Will step into a starting role immediately after playing at the junior college level for two seasons. The biggest member of the squad, he possesses good feet and will help give the Huskies one of the best pass blocking pair of tackles in the conference. Adds important size and experience to an offensive line that is undergoing a change.

Vinny Ottomanelli, OT, 6-4, 260, senior

Turned in a solid 1986 season in his first year at the position. Was one of the Huskies' top pass blockers and has the potential to be the best of the offensive linemen. Gives the offense good mobility up front and will be looked to for leadership on the field. Has improved his strength and, along with Natale, gives the Huskies a solid performer on each side.

Steph Pettit, DE, 6-1, 206, junior

Was a spot starter a year ago, seeing a lot of action in his sophomore season. Is one of four performers who could see quite a bit of playing time this season after all four gained a year of experience in 1986. Was one of the Huskies' top tacklers with 50, including 29 unassisted. Also saw some playing time as a freshman and contributed eight tackles.

Wade Pickett, LB, 5-11, 203, senior

A player with a good field sense who will be competing for one of the starting inside berths. Has seen time on special teams, gaining experience which should be an asset to the defense. Has registered 11 tackles and a sack over the past two seasons.

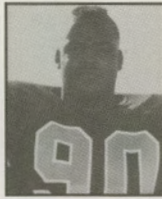

Bob Preston

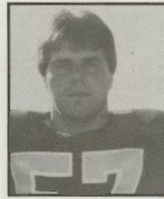

Dave Pysher

John Rockmore

Al Royster

Phil Sallusti

Bob Preston, OG, 6-1, 241, junior

His performance in the spring drills has him listed at the top of the depth chart at one of the guard positions. Made the move from offensive tackle after playing in a reserve role for two years. He is the squad's quickest lineman on the offensive side of the ball. His learning process and performance will be one of the major keys to the offense's success this season.

Dave Pysher, OG, 6-1, 250, junior

His story is almost identical to Preston's. Made the move to guard from tackle in the spring and has earned a starting spot. Developed good upper body strength and helps give the line another player weighing more than 250 pounds. How well he and Preston adapt to the new positions will determine the early-season success.

John Rockmore, TE, 6-1, 231, senior

Will be one of DeDea's prime targets and must have a great year for the offense to be successful. One of the top athletes on the team who has made tremendous strides over the past few seasons. Was the team's second leading receiver in 1986 with 31 receptions for 449 yards and a touchdown. Has caught 42 passes in two seasons for 640 yards and two touchdowns.

Al Royster, DT, 6-4, 280, sophomore

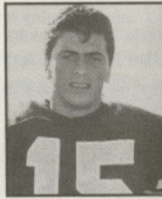

Made a big impact on the team as a freshman. His daily improvement leads to expectations of a great year in 1987. Has the size and quickness plus all the other assets to become one of the dominant defensive players in the Pennsylvania Conference. Created havoc in several opposing backfields, in addition to recording 55 tackles and recovering a fumble.

Phil Sallusti, OG, 6-0, 227, senior

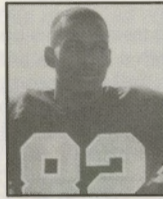

Should see the most playing time of his career as the Huskies' number three guard. His versatility gives the coaching staff the option of using him on either side. Moved to the offensive side of the football from linebacker where he played behind several veterans for his first three seasons.

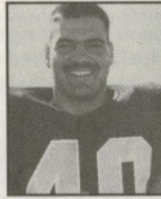

Dan Shutt

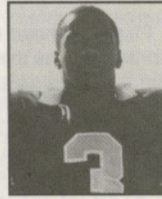

Jeff Sparks

Curtis Still

Gene Straface

Delmas Woods

Dan Shutt, DB, 6-0, 182, senior

May be one of the real important elements in the defense after moving from cornerback to strong safety this season. Looked good in the new position in spring drills and possesses the necessary speed and quickness to give the coaching staff what it wants in that spot. Had 31 tackles and three pass breakups a year ago.

Jeff Sparks, WR, 6-1, 169, sophomore

Extremely talented player who could be used in several positions other than wide receiver. Made the move from quarterback but that does not rule out his return to the position at various times. Caught just three passes in 1986 but made them count for 80 yards, a team-high average of 26.7 yards per reception. One of the catches was also for a touchdown.

Curtis Still, WR, 5-9, 160, senior

Was one of four receivers to catch more than 20 passes in 1986 and had the highest average of the group at 16.8 yards per catch. Once again will be the Huskies' most serious deep threat. Gets off the ball very well and has great speed. Had 22 receptions last year for 370 yards and two touchdowns. Career totals equal 36 catches, 594 yards and four touchdowns.

Gene Straface, LB, 6-0, 224, junior

Has been one of the top hitters on the Huskies' special teams over the past two seasons. He will battle for a starting linebacker spot. Lacks only experience but runs very well and has good hands. Has played sparingly in each of his first two seasons with the team, recording 28 tackles, including 15 unassisted.

Delmas Woods, DB, 6-0, 206, junior

Is projected in a role as one of the reserve defensive backs. Plays very well against the run and could see considerable action. Will also be counted on to be one of the Huskies' top special teams performers. Gets involved in the action when he is on the field. Increased his playing time over freshman year and has 29 tackles, two interceptions, two sacks, a fumble recovery, and three pass breakups in two seasons.

1986 REVIEW OF THE HUSKIES

First-year head coach Pete Adrian introduced his one-back offense to the Pennsylvania Conference as the Huskies finished with a 7-2-1 record, the fourth straight non-losing season for the Huskies. Quarterback Jay DeDea passed for 2255 yards and 14 touchdowns, while tailback Tom Martin rushed for 918 yards and scored eight times to lead the Huskies' offensive attack. On the other side of the ball, linebackers Jake Williams and Butch Kahlau, along with nose guard Wes Cook and free safety Brian Scriven, combined for 340 tackles to head the defense. Eastern Division losses to West Chester and Millersville knocked the Huskies out of contention for their third straight PC East title.

Game One - September 13 - Bloomsburg 30, Shippensburg 26

Defensive tackle Al Royster stopped a Frank Van Buren surge on the one inch line with less than one minute remaining to secure a slim Bloomsburg lead and the season-opening win. Tom Martin scored from two yards out in the first quarter, and Chris Mingrone made good on a 36-yard field goal for BU as the game was tied 10-10 at halftime. Mingrone hit two more times, from 41 and 34 yards, while quarterback Jay DeDea hit Curtis Still for one touchdown and ran for another to give Bloomsburg the victory. Jake Williams led the defense with 11 tackles, including seven unassisted.

Game Two - September 20 - Bloomsburg 38, Lock Haven 32

A DeDea to Jeff Bolles 31-yard touchdown pass, along with a Mingrone extra point, put Bloomsburg in the lead for good 14-10 as the Huskies went on to their second win in as many games. Lock Haven struck first with a Pat Cahill to John Klacik 45-yard touchdown pass. Following a DeDea nine-yard TD run, the Bald Eagles Mickey Miller hit a 34-yard field goal for a 10-7 lead. The Huskies went on to open up the lead with two Martin touchdowns in the second quarter— One from five yards and the other from 37. John Rockmore also scored for BU on a 44-yard pass from DeDea. Wes Cook led the defensive unit with 15 tackles, seven unassisted.

Game Three - September 26 - West Chester 44, Bloomsburg 7

A 20-yard interception return for a touchdown by the Golden Rams' Bob Keough on the Huskies' second offensive play set the tone of the game early as DeDea threw six interceptions in the Huskies' first Pennsylvania Conference loss since the 1984 "State Game." The Huskies threw eight interceptions during the contest, which was played under the lights in the Rams' Farrell Stadium. A DeDea to Kevin Grande six-yard TD was Bloomsburg's only scoring on the evening. Bruce Linton led the defensive unit with seven unassisted tackles and one interception.

Game Four - October 4 - Bloomsburg 20, East Stroudsburg 3

A first-quarter field goal was all East Stroudsburg could manage as the Huskies bounced back from their first loss of the season to pick up win number three. Mingrone hit 20 and 41-yard field goals, while Still and Grande caught DeDea passes of 74 and six yards, respectively, for the Bloomsburg scoring. Williams and Derrick Hill each recorded interceptions to lead the defense. On the day, Williams registered nine tackles, including seven unassisted. DeDea completed 14 of 31 passes for 254 yards.

Game Five - October 11 - Bloomsburg 39, Cheyney 14

Four Huskies scored touchdowns on the day, including two by Ken Liebel to lead the Huskies to their fourth win against a lone loss. Martin rushed for 140 yards and scored one TD, while DeDea passed for 151 yards and three touchdowns for the win. The Husky defense forced four Cheyney interceptions. Hill registered two interceptions, while Pete Woodhouse and Williams each had one. Grande and Bolles also scored for BU, while Mingrone hit on a pair of field goals from 34 and 27 yards to round out the Huskies' scoring.

Game Six - October 18 - Bloomsburg 51, Mansfield 26

Martin ran for three touchdowns, while DeDea ran for two and passed for two more, as the Huskies easily defeated the visiting Mounties. Bolles scored on a 72-yard pass, Liebel caught a 19-yard TD pass, and Jeff Sparks and reserve quarterback Paul Venesky connected on a 25-yard scoring toss. Williams was the defensive leader with 16 tackles, eight unassisted and one interception. DeDea passed for 280 yards, while Martin rushed for another 118.

Game Seven - October 25 - Millersville 36, Bloomsburg 3

BU punter Tim Chamberlain stepped out of the endzone for a safety, and Millersville's Gary Chidester scored on a one-yard run to give the Marauders an early 9-0 lead, as Millersville went on to knock Bloomsburg out of contention for the PC East crown. A 39-yard Mingrone field goal was all the scoring the Huskies could muster on the afternoon. The Huskies got inside the Marauders 10-yard line several times during the contest, but could not cross the goal line. DeDea completed only 12 passes in 27 attempts. Martin gained 84 yards on 19 carries on the ground. Cook registered 12 tackles, 10 unassisted, in the Huskies' defensive effort.

Game Eight - November 1 - Bloomsburg 24, Slippery Rock 22

A Mingrone 30-yard field goal in the third quarter proved to be the winning margin, as Slippery Rock scored twice in the fourth period in a tough inter-division matchup. A pair of foiled two-point attempts by the Rockets gave the Huskies the win. DeDea threw one touchdown and ran for another, while Tom Martin scored on the ground for the Huskies' other points. Wes Cook registered 11 tackles and one sack to spark the Husky defense. Woodhouse and Delmas Woods each picked off Slippery Rock passes.

Game Nine - November 8 - Bloomsburg 7, Kutztown 7

A rain-soaked and foggy Redman Stadium was the setting for a defensive battle between Bloomsburg and the Golden Bears, which saw the Huskies fumble twice into the Kutztown endzone. Kutztown's Dave Cullen scored on a 33-yard pass from Greg Buchman in the third period to give them the first lead. Grande scored on a seven-yard pass from DeDea to tie the score early in the final period. Kahlau led the BU defense with 11 tackles, a pass breakup, and one interception. Williams also registered an interception for BU. DeDea managed to throw for 122 yards on nine passes under the tough conditions. Martin rushed for 177 yards on the day.

Game Ten - November 15 - Bloomsburg 21, Norfolk State 7

The homestanding Spartans struck first in the opening period on a 27-yard TD pass, but the Huskies scored 14 points in the second period and seven in the fourth to close out the season on a winning note. Grande scored on a 42-yard pass from DeDea, while DeDea scored on a six-yard run to end the first-half scoring. Mike Medina added to the lead on a three-yard run in the season's final quarter. Williams and Kahlau each had 14 tackles, and Woodhouse picked off three passes to pace the Huskies' defense. DeDea completed 16 of 31 passes for 245 yards, and Martin ran for 66 yards on 10 carries to lead all rushers.

FINAL RESULTS

Bloomsburg	Opponents
30	Shippensburg 26
38	Lock Haven 32
7	West Chester 44
20	East Stroudsburg 3
39	Cheyney 14
51	Mansfield 26
3	Millersville 36
24	Slippery Rock 22
7	Kutztown 7
21	Norfolk State 7

DEDEA-MARTIN COMBO MAKES HUSKIES' OFFENSE CLICK

Bloomsburg football has enjoyed two of its finest back-to-back seasons in the 89 years of the sport at the school, and the emergence of an outstanding offensive attack is one of the major reasons for that success. The past two years have seen the Huskies post a combined record of 19-3-1 and pile up over 7,800 yards in total offense due, in large part, to the efforts of seniors Jay DeDea and Tom Martin, who have been credited with almost 70 percent of that yardage.

The duo makes up one of the top passing/rushing combinations in Division II and will be looking to etch their names in the Bloomsburg record books as they close their collegiate careers in 1987. Both came to join the Huskies in different ways but have joined together to lead an offense, which can pile up yards and score points in a hurry!

DeDea joined the squad for the 1983 campaign as a 23-year-old freshman leaving a job in his hometown of Altoona to pursue a degree and to have a chance to play football. That opportunity presented itself immediately as he won the starting nod for the opener under second-year head coach George Landis. He completed 18 of 28 pass attempts for 199 yards and the team's lone touchdown in an 18-7 loss at Slippery Rock in his first and only start that season.

He suffered a knee injury during the following week in a practice session and was forced to the sidelines for the remainder of the season. His knees have been the only obstacle keeping the strong-armed veteran from holding most of the school's passing records prior to the start of his final year this fall as he has played just one full season.

In 1984 his expected return to the lineup was delayed by a recurrence of the knee problems, and he didn't see action until the fourth game. After working himself back into shape with increasing playing time, he took over the starting role again in the eighth game of the year. From there he directed the Huskies to their first-ever Pennsylvania Conference Eastern Division title.

Enroute to the crown, he enjoyed one of the finest efforts of his career completing 24 of 48 passes for a school-record 373 yards in a 34-31 triumph over homestanding West Chester, a game that will be remembered for a long time at Bloomsburg. Trailing 31-28 with just five seconds left in the contest, DeDea connected with wide receiver Curtis Still on a 50-yard "Hail Mary" pass to give the Huskies the victory and the PC East championship.

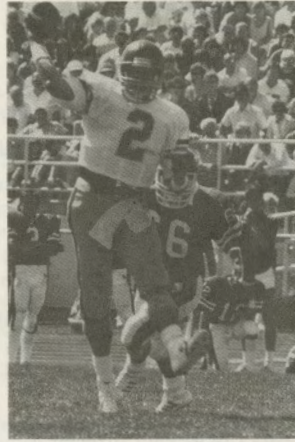

DeDea played in eight games that season, including the conference championship contest, a 21-14 loss to California (Pa.), completing 74 of 151 passes for 1,094 yards and 10 touchdowns.

The return of almost the entire squad from the previous season had the Huskies with very high expectations entering the 1985 campaign. They exceeded even the most optimistic goals winning the PC title and advancing to the NCAA Division II semifinals before ending the season with a sparkling 12-1 record.

DeDea started the season healthy but was forced to miss five games in the middle of the season with another knee injury before returning to lead the Huskies to their best season ever. He finished with 80 completions in 177 attempts for 1,157 yards and 11 touchdowns.

The most recently completed campaign proved to be the standout's most successful, due mainly to the fact that he participated in all 10 games. He completed 160 of 341 passes for 2,255 yards and 14 touchdowns helping the team to its fourth consecutive non-losing season with a 7-2-1 mark.

DeDea already holds the Bloomsburg records for most completions and attempts in a career as well as some total offensive yardage marks. Several other standards are within his grasp, and a look at his statistics to date gives good indication that he will become the

DEDEA

MARTIN

fifth game.

He gained 69 yards on 16 carries in that initial time in the starting role and has been in the position for the last 19 games. His durability made him the workhorse in the backfield in 1985, and he carried the ball 222 times, just nine times for 57 yards prior to the fifth game.

His most outstanding effort came in the season's eighth contest as the Huskies had to battle from behind all afternoon to defeat Kutztown, 29-23, to keep their unbeaten streak alive. Martin set school marks for carries with 42 and also established a school record for rushing yards in the game with 259. He scored twice in the game.

He became only the second runner in Bloomsburg history to rush for more than 1,000 yards in a season, gaining 1,017 and scoring 10 touchdowns. In addition, his versatility was one of the club's most valuable assets as he caught five passes for 36 yards and another score, and returned 15 kickoffs for 298 yards. His all-purpose yardage for the 1985 season totalled 1,351 yards.

A change in the offense under a new coaching staff a year ago highlighted Martin as he became the lone back in the pass-oriented offense. As the season progressed, the running attack began to mix well with the passing, and Martin enjoyed another solid season, gaining 918 yards on 183 carries. He raised his average from 4.6 yards per carry in 1985 to 5.0 per rush last season.

In the receiving department, he caught eight passes for 80 yards and returned 16 kickoffs for another 363 yards, a fine average of 22.7 yards per return. He also increased his all-purpose yardage over the previous year racking up 1,361 yards.

He has played in a total of 21 games since coming to Bloomsburg and has career totals of 1,935 yards on 405 carries, an average of 4.8 yards per carry. Martin has 13 receptions for 116 yards and another 661 yards in returns. He has scored 19 touchdowns in the two seasons.

Eleven regular-season games are slated for the first time on the Huskies' schedule and if this duo caps off their careers at Bloomsburg as expected, two things are very likely. Many records are going to fall, and the Huskies will continue to win a lot of football games.

most prolific passer in Bloomsburg history. His totals entering this season are 332 of 697 passes for 4,705 yards and 36 touchdowns.

When the Huskies don't want to go through the air, the decision has been a simple one since Martin assumed his position in the backfield two years ago. The diminutive, elusive back is seeking to become only the second runningback in school history to gain more than 3,000 yards in a career, and he is shooting for that plateau in just three seasons!

A transfer from Ithaca College, he has been the team's leading rusher in each of the last two seasons and established school records in several rushing categories. He saw limited action in the first four contests of the 1985 season before taking over the starting tailback slot in the

PENNSYLVANIA STATE ATHLETIC CONFERENCE

The Pennsylvania State Athletic Conference (Pennsylvania Conference) is comprised of 14 schools in the Pennsylvania State System of Higher Education. This new governing body took over from the Department of Education on July 1, 1983, and the change was also reflected in the granting of university status to all member institutions formerly known as "state colleges." Dr. James McCormick is the chancellor of the Pennsylvania SSHE.

The programs in the Pennsylvania Conference are under the leadership of a Board of Directors, which consists of the 14 university presidents. The organization of the conference, through its separate divisions of men's and women's athletics, is unique because it enables both programs to develop independently while sharing common goals. One of the largest conferences in the nation, the Pennsylvania Conference sponsors championship competition in 10 sports for men and 10 for women as follows: Fall Season - MEN - cross country, football, soccer; WOMEN - cross country, field hockey, tennis and volleyball. Winter Season - MEN - Basketball, swimming and diving, and wrestling; WOMEN - basketball, gymnastics, swimming and diving. Spring Season - MEN - baseball, golf, tennis, and track and field; WOMEN - lacrosse, softball, and track and field.

All 14 schools are members of Division II of the National Collegiate Athletic Association (NCAA). In individual sports, however, some schools have elected to compete in either NCAA Divisions I or III.

Athletes and teams have won numerous honors in national competition and have helped the PSAC become one of the most respected "small college" conferences in the nation.

1987 Norfolk State Outlook

The 1987 season will definitely be a regrouping year for Norfolk State after going through its first losing season since 1981. NSU got off to a solid start with three wins in a row but could manage just one more victory enroute to a 4-6 finish. However, with 39 of 58 letter-winners including 12 starters returning, 1987 should be a different story. Juniors Tony Graves and Ken Dickens return as the team's top rushers. Graves led the Spartans in rushing with 454 yards on 102 carries while Dickens was fourth with 129 yards despite playing in only the first three games due to an injury. Derrick Vance played solidly for much of the season and was second in rushing with 316 yards on 61 carries. Other returnees who saw time in the backfield in 1986 include Gary Miller, 100 yards; Donald Morris, 69 yards, two TD's; and George Gray with 57 yards on the ground and 80 yards in receiving. Coach Bailey's quarterback situation remains in question. Sophomores Maurice Lawrence and Ron Jones, who shared the job in 1986, return along with James Barnes who saw limited action. In addition to these three, Clarence Jackson and Gerry Morris will vie for the spot. Defense was the cause of some of the NSU problems in 1986. The rushing defense, yielded 1,809 yards while the pass defense gave up 1,440 yards. The second leading tackler from 1986, Ben Jackson, will return to his linebacker position. Other top defensive players, who will line up for 1987, include Ted Bates, Johnny Washington, John Jessup, and Bernard Bright. With the addition of some tough and talented newcomers expect the defense to be something the Spartans can rely on in 1987.

Head Coach
Joe Bottiglieri

1987 Shippensburg Outlook

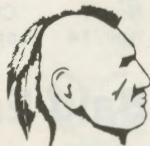

The Red Raiders will try to rebound from last year's 3-7 mark after making adjustments under new head coach Joe Bottiglieri, a 1971 graduate of Bloomsburg. A youthful unit is expected to take the field on opening day, and if the club matures quickly the Red Raiders could be a factor in the Pennsylvania Conference's Western Division race. The Red Raiders boast one of the top runningbacks in the entire conference in two-time all-PC tailback Frank Van Buren, who missed three games last season due to injury. He gained 501 yards on the ground and hauled in 31 passes for 385 additional yards. He scored six touchdowns and displayed his versatility by throwing for two more scores. Sophomore fullback Rob Plummer picked up 197 yards in three games as a starter in the backfield. Shippensburg also has an experienced quarterback in Rob Klock who passed for 1,032 yards and nine touchdowns in five games last fall. Four Chapman, the starting free safety a year ago, has switched to quarterback and will push for the starting role. Despite Chapman's defection from the defense, the Red Raiders have plenty of quality performers to pick up the slack. All-conference corner Kevin Mylett and linebackers Charles Parker and Pat Fahie were involved in a lot of action in 1986. Mylett had five interceptions and 40 tackles while doubling as the return man averaging 12.9 and 19.3 yards per punt and kickoff returns, respectively. Parker and Fahie combined to make 160 tackles. The biggest task facing the staff is almost completely rebuilding the offensive and defensive lines.

Head Coach
Tom Jones

1987 Lock Haven Outlook

The Bald Eagles' success in the upcoming season will depend on how quickly they become acquainted with new head coach Tom Jones' system. Jones who served as the offensive coordinator at Middle Tennessee State faces the task of rebuilding a unit that won just one time in 10 outings in 1986. The new staff will scrap the wishbone offense employed by the Bald Eagles over the past few seasons for a multiple I set. The return of quarterback Pat Cahill, who has been the club's starting signal caller for the last three seasons, should make the transition a little smoother. Cahill, one of 32 returning letterwinners, completed only 54 of his 154 passing attempts for 931 yards and three touchdowns but was the team's leading rusher with 823 yards on 213 carries. He scored 13 times on the ground. Runningback Bruce Pendleton and wide receiver John Klacik provide the Bald Eagles with two other potent weapons on offense. Pendleton was the squad's third leading rusher in 1986 with 353 yards on 70 rushes while Klacik caught 41 of the team's 57 pass completions during the season for 723 yards. Pendleton also doubles as a punt and kickoff returner. Defensively, seven starters are back including all-conference middle guard Steve Suriano. He was the team's second-leading tackler with 73 and led the Bald Eagles with eight sacks. Also returning to give the squad a solid base on the defensive side of the ball are outside linebacker Ray Howard and defensive backs Bryon Comly and Guy Wade. Howard made 62 tackles and had four sacks, and Comly and Wade combined for another 87 tackles and seven interceptions. With at least a dozen other veterans returning on defense, some position switches can be expected.

Head Coach
Danny Hale

1987 West Chester Outlook

The defending Pennsylvania Conference Eastern Division champions return 14 starters including several key performers on offense. Coach Danny Hale's club went through PC East play unbeaten before falling to Indiana, 20-6, in the conference title contest and the Rams are anxious to get another shot at the crown. Quarterback Al Niemela was named the PC Eastern Division "Player of the Year" for his efforts last season completing almost 50 percent of his passes and tossing 22 touchdowns. He connected on 199 of 339 attempts for 2,145 yards. Niemela's favorite two targets, wide receivers Jim Sheehan and Bill Hess, will be looking to enjoy the same kind of seasons they had a year ago. Sheehan caught 71 passes, just six short of the conference record for receptions in a season, for 708 yards and 10 touchdowns. Hess pulled in 51 catches for 587 yards and four scores. The Rams' leading rusher also returns in the backfield. Speedster Jason Sims gained 1,151 yards on 182 carries and scored eight touchdowns. Three starters up front, led by big tackle Ralph Tamm, should help provide the necessary blocking for the Rams to put a lot of points on the board again in 1987. The squad's leading tackler last season, linebacker Pat Tryson, heads the defense, which allowed less than two touchdowns per game a year ago. He made 72 tackles and seven sacks, both team bests. Tackle Mike Testa contributed 44 hits and will be the man depended on in the interior line, while cornerback Andre McFadden had 27 tackles and a team-high four interceptions. The Rams return enough people in key positions to be considered the team to beat in the Eastern Division race again this season.

*Head Coach
Denny Douds*

1987 East Stroudsburg Outlook

The Warriors are seeking a return to winning ways after two straight losing campaigns in 1985 and 1986. A year ago, the club struggled offensively and must make drastic improvements if the Warriors are to get back to a position they are more accustomed to, that is, at or near the top of the Pennsylvania Conference's Eastern Division. Veteran coach Denny Douds will have plenty of returning players to work with in the skill positions on offense, so the offensive production could increase immediately. The club's top two rushers, top three receivers, and quarterback Ray Gentilella are all expected to use valuable experience gained last season to their advantage. Gentilella threw 251 passes completing 95 for 1,047 yards and five touchdowns. He looked mainly for split end Jim Kerins, who hauled in 27 catches for 403 yards and three touchdowns. The other pass catchers back are tight end Chuck Cornish, 18 receptions for 150 yards and a score. In the backfield, junior Gary Garver led the Warriors in carries as well as yardage gaining 398 yards on 94 rushes. He scored three touchdowns. The offense scored just nine touchdowns in 1986, four on the ground and five via the pass. Providing some of the blocking will be all-conference center Mike Yanders. On the defensive side of the ball, linebacker Dan Murray, who was an all-conference choice a year ago is back in the middle. He registered more than 100 tackles and had three sacks to lead the Warriors in both categories. The other linebacker, Joe Keenan, who finished just behind Murray in tackles, also returns.

Head Coach
Mike Costa

1987 Cheyney Outlook

Head coach Mike Costa is hoping the return of 18 starters, including two of the national special teams' leaders, will help his Wolves turn around the back-to-back 2-8 seasons his club posted in 1985 and 1986. A host of talented runningbacks led by all-conference tailback Mike Rackley should make the ground game very potent. Rackley gained 516 yards on 104 carries and scored four times. Leading the way once again will be fullback Aggrey Quintyn, who gained 454 yards on 108 rushes and scored twice. Add speedster Ben Frazier, who led all NCAA Division II punt returners with a 17.6 average and rushed 23 times for 112 yards and two touchdowns, and the Wolves could have one of the conference's top rushing attacks. Quarterback Andrew Williams didn't have a real solid season in 1986, but the year of experience in which he threw 106 passes completing 41 for 576 yards and two touchdowns can only help him. When the Wolves don't have the ball, punter Julius Flynn usually puts them in good shape. He led the conference and ranked fifth in the country with 41.7 average last season. The loss of two all-conference performers up front will hurt the defense somewhat, but a talented secondary could make it tough to throw against the Wolves. Defensive end James Williams was impressive in his freshman season a year ago and should apply the pressure while Reggie Northrup leads the return of the entire starting defensive backfield. Last year, Cheyney led the conference in pass defense allowing 130.3 yards per game to its 10 opponents.

1987 Mansfield Outlook

The success of the Mounties in 1987 will depend on consistency. If this club can maintain some of the flashes of brilliance, including victories in its final two games a year ago, it showed last season Mansfield could present a lot of problems for the perennial frontrunners in the Pennsylvania Conference Eastern Division. Three quarterbacks each threw more than 80 passes last season giving fourth-year head coach Tom Elsasser plenty of experience in that position. Todd Smith started the season calling the plays and completed 34 of 82 passes for 387 yards and a score but gave way eventually to freshman Chris Fusco, who engineered a big upset of PC West foe Edinboro, 28-21. Fusco connected on 52 of 123 passes for 530 yards and two touchdowns before injuries forced Craig Jobes into action. The newcomer responded by completing 66 of 139 pass attempts for 895 yards and eight touchdowns in the final five games of the campaign. For his efforts, he was selected as the PC Eastern Division "Rookie of the Year." Plenty of talent returns in the receiving corps where John Wood is the top threat after catching more than 40 passes for over 400 yards and two touchdowns. Experience behind the line could be very thin, so the coaching staff must come up with a replacement for all-conference tailback Robert Funderburk. Big John Camoia will be counted on heavily to provide a lot of blocking up front. Defensive tackle Rob Wheelock, the Mounties top tackler in 1986, heads the defensive unit. He will be backed up once again by linebackers Mike Beamish and Randall Beasley, who were also among the team leaders in tackles.

1987 Millersville Outlook

After falling one play short of an undefeated regular season and a Pennsylvania Conference Eastern Division title, the Marauders hope their trademark, defense, will carry them into the 1987 campaign. Entering the final game of last year, Millersville had a perfect 9-0 mark only to be stopped by eventual champion West Chester on a 66-yard scoring run in the second half of a 7-3 Rams' triumph. With 26 returning letterwinners, most of them on defense, veteran coach Gene Carpenter will look to be in contention for a post-season berth again. Leading a defense that ranked sixth in the nation, allowing just 9.4 points per game, is all-conference tackle T. J. Rudy and ECAC "Rookie of the Year" John Petrus. Petrus led the team in tackles with 157 while Rudy made his fair share of hits, contributing 77. Junior defensive ends Mike Griffin and Kyle Landis should supply more than an ample dose of pressure on opposing quarterbacks. Seniors Dion Reed and Michael Brower give the Marauders plenty of experience in the secondary. On the other side of the ball, the major question mark is at quarterback where five candidates are vying for the vacant position providing more depth than ever before but there is no clear cut favorite. Two quality tailbacks give Millersville an outstanding running game no matter who hands them the ball. All-conference choice Steve Napier, along with Gary Chidester, combined for over 1,700 yards and 16 touchdowns. A replacement must be found at fullback, but a host of talented candidates exist. The line and the receiving corps need some help if the Marauders expect the same kind of success they enjoyed a year ago. Kicker Luke Hadfield, the team scoring leader in 1986 with 65 points, is the top special team's performer.

1987 Slippy Rock Outlook

How quickly the Rockets adjust to a new head coach will determine their success in the upcoming season. Don Ault resigned in the middle of the summer following five years in charge of the program, and the new man must do a lot in a hurry. The main goal must be to develop some consistency after the Rockets lost their first four games a year ago, then won three in a row, before dropping the final three games. Steve Statnick, who passed for 565 yards and five touchdowns in a reserve role, appears ready to step in as the starting quarterback. He will have some talent behind him in all-conference tailback Greg Pattera along with seniors Jim Carr and Ryan Hanson. Pattera gained 693 yards, averaging 5.7 yards per rush, and scored five touchdowns. Carr and Hanson combined for another 504 yards and two scores. Pattera and Carr offer a double threat to the opposition as they were the club's top two receivers as well with 11 and 12 catches, respectively. All-American tackle and center Todd Massack, the lone linemen to start all 10 games last season, will need some help to open holes for the talented backfield. Linebackers Jerome Curtis and Rich Moskal will be the center of attention on the defense. Curtis registered 95 tackles and five sacks while Moskal, a converted end, had 74 tackles in 1986. Up front, all-conference selection Tom Kerr will anchor the line from his nose guard slot. He had 62 tackles and five sacks last season. If two starters who missed last season due to injuries, Gary Barnes and Todd Durand, return in good health, the Rockets secondary could be very good. They would join all-conference cornerback Donovan Wright, 33 tackles, three interceptions.

*Head Coach
George Baldwin*

1987 Kutztown Outlook

Sixteen starters among the 30 returning lettermen give the Golden Bears reason to believe they can make a run at the top teams in the Pennsylvania Conference's Eastern Division in 1987. Although veteran coach George Baldwin must replace three offensive performers, who accounted for almost 2,500 yards a year ago, he does have a solid base with four linemen back as well as quarterback Greg Buchman. The senior completed 136 of 251 passes for 1,778 yards and 15 touchdowns. His top receivers will be flanker Tony Santella who caught 14 passes for 256 yards and four touchdowns as well as tight end Dave Cullen, 12 receptions for 210 yards and two scores, and split end Brian Auge, 10 catches for 176 yards and two touchdowns. All-conference guard Stan Wateski leads the veteran group doing the blocking. With several newcomers in the backfield, the Bears may be throwing the ball more this season than ever before. Kicker Mike Attardi, who earned all-conference mention last year while scoring 46 points, may be a key to the Kutztown attack. Only three starters are gone from the defensive unit, and end Craig Tomlinson is one of the top returnees with 73 tackles to his credit last season. Linebackers Mark Smakulski and Doug Covert, the club's leading tackler with 78, will be involved in a lot of the action. Defensive back Gary Awkard recorded 36 tackles and four interceptions and will be expected to produce a big year in the secondary. Steve Kuhn joins him at strong safety giving the Bears plenty of speed in the defensive backfield.

1987 New Haven Outlook

A year ago under first-year head coach Chris Palmer, the Chargers had one of the most successful seasons in the school's history posting eight wins in 10 outings and appearing in the national rankings for the first time ever. With only two starters gone from that club, New Haven is expecting very big things, hopefully including an invitation to the national playoffs. The explosive run and shoot offense has been installed by Palmer, and the leader is junior Mike Horton. Last season he was among the national leaders completing 200 of 361 passes for 2,607 yards and a school-record 17 touchdowns. The passing attack a year ago ranked second in the country in yards per game averaging 301.1. A solid wall in front of Horton will be the key to the offense's movement and several veterans led by seniors Brian Cerruto, Matt Bozzo, and Allen Love will be back to provide the blocking. Quality receivers are available as targets for Horton. Seniors Anton Updale, who caught 41 passes for 589 yards and two touchdowns, and Bob Wietecha, 29 receptions for 360 yards and two scores, as well as junior Kevin Haley, 23 receptions for 484 yards and three touchdowns, all return. When the Chargers stay on the ground, Ron Conyers is the top performer accounting for eight of the squad's 12 rushing touchdowns in 1986. John Coury leads the defense up front after registering a team-high 11 sacks last season. Linebacker Erik Lesinski, an honorable mention All-American, was the team's leading tackler with 124 a year ago. Mike Murphy will play beside Lesinski again where he was second with 99 tackles last year. Back Pete Gianakis was the interception leader with five.

ROBERT B. REDMAN STADIUM "HOME OF THE HUSKIES"

Robert B. Redman Stadium is situated on the upper campus of Bloomsburg University as part of the university's 103-acre athletic complex. Completed in February 1974, the new facility took the place of Athletic Park in downtown Bloomsburg as "Home of the Huskies." The stadium, which overlooks the scenic Susquehanna Valley, has seating for 5,000 spectators, although attendance at several events has exceeded that total. The largest crowd to witness a football game in the facility totalled 7,483 at the 1985 Homecoming contest against Millersville.

The area is designed for expansion should such a project be needed and contains large storage capabilities as well as a concession stand and restrooms. The university's upper campus also contains the E.H. Nelson Fieldhouse, Danny Litwhiler Field (baseball), and a huge field area which serves as home for the Huskies' soccer and lacrosse teams along with multiple practice fields. Located inside the stadium confines is an all-weather track used by BU's men's and women's track and field teams. A pressbox with seating for more than 40 persons is situated on top of the west stands.

Originally, when planning began for the new stadium in 1963, the proposed site was the area now occupied by 18 tennis courts on the lower campus; however, a consultant's report recommended the upper campus development. The project finally got underway in 1972 at a total cost of \$725,000.

On Saturday, Sept. 21, 1974, the first game was played in the stadium and dedication ceremonies were held naming the facility in honor of Redman.

A native of Sayre, Pa., and a graduate of its public schools, Coach Redman graduated with honors in economics at Swarthmore College where he also participated in four years of varsity football activities, served as captain during his senior year, and was also a varsity performer with the baseball team. He earned his Master of Arts degree in economics at Pennsylvania State University during his tenure at Bloomsburg State College.

Redman had coached at Sayre High School and at North High School in Binghamton, N.Y., prior to serving as an officer in the United States Navy during World War II. He left the service with the rank of lieutenant commander. He returned to his coaching duties at North High School and remained there until his appointment at Bloomsburg in 1947.

In addition to serving as head coach of two varsity teams, Redman also served as dean of men and taught a full schedule of courses in economics.

During his five years at Bloomsburg, his teams won 38 games while losing only four. His record included three Pennsylvania Conference championships and two undefeated teams. He left Bloomsburg in September 1952 to become head football coach at East Orange Senior High School, N.J. During the late 50s, he was appointed principal of the senior high school, and his untimely death occurred in 1960 shortly after he had been elected superintendent of schools in East Orange, N.J.

BU AREA MEDIA OUTLETS

The purpose of this guide is to provide members of the media with necessary information concerning Bloomsburg football. Members of the media are always welcome on the Bloomsburg University campus. It would be appreciated if those who plan to cover any of the Huskies' home or away contests would contact the sports information office so that we can make every effort to accommodate your needs and requests.
