# 1993 Season Outlook

The Bloomsburg University field hockey team returns seven starters from last year's NCAA Division II runner-up squad and appear poised to make a run for the title again this year. However, much of the remaining team is young and head coach Jan Hutchinson does not expect the team to fully mature until playoff time.

Defense will be the strong point of this year's team as the Huskies return nearly all starters and reserves from last season's defensive unit. Bloomsburg allowed only 13 goals in 19 games last season, leading to 11 shutout victories. Seniors Gretchen Adams and Nicole Schiavello and sophomores Shirley Powell and Jen Hitzler will provide much of the defensive pressure. Junior goalie Lori Hippensteel, a second-team All-American in 1992, will be counted on again to protect the nets for Bloomsburg. Hippensteel shared goalkeeping duties last season with Anita Stum but started and played the majority of the time in the conference and national playoffs. She gave up only five goals in 19 games last year while turning away 70 shots. Hippensteel's goal against average was an impressive 0.37 in 1992 and only 0.17 in 12 contests in 1991.

Offensively, the Huskies lost their all-time leading scorer and two-time All-American in Denise Miller. However, Jan Hutchinson's squad is returning six of the top seven scorers from last year in Kim Mack (six goals), Chris Fink (five goals), Michelle McFalls (five goals), Shelley Miller (three goals), Chris Basalyga (three goals) and Chris Walton (two goals). Those six players also combined for 13 assists in 1992. Shelley Miller was a first-team All-American selection from her center link position last year and will be expected to increase her goal production for Bloomsburg. The Huskies' transition game should also be solid as junior Kerrie Schoenberg and sophomores Basalyga and Kim Snader return at the link positions after starting for Bloomsburg last year.

Hutchinson's incoming freshman class may very well be her strongest ever in terms of speed and quickness. The Huskies have played in the conference and national tournaments in each of the last 12 years. They have captured seven PSAC crowns while winning four national championships and placing in the top three on seven other occasions.

## Head Coach Jan Hutchinson

Jan Hutchinson is entering her 16th season in charge of a program that has won four national titles and seven conference championships in the past 12 seasons. While at Bloomsburg, her teams have posted winning records in each of her 15 previous seasons and have built an overall record of 254-41-17 for a winning percentage of .841.

Under Hutchinson, the Huskies have enjoyed several outstanding seasons and have won 16 or more games on 11 occasions. Her teams won national championships in 1981, 1983, 1984 and 1987 and have also registered five national runnerup finishes including last season. In addition, the Huskies captured Pennsylvania State Athletic Conference (PSAC) championships in 1983, 1984, 1987, 1988, 1990, 1991 and 1992 and have garnered three runnerup showings. In 1991, Hutchinson was chosen as the national "Coach of the Year."

Two athletes won All-American honors last season bringing the total under Hutchinson to 17 performers who have combined to win 30 All-American awards.

Hutchinson also serves as head coach for the Huskies' highly successful softball program which placed fourth at last year's NCAA Division II national championships. Her teams also placed second nationally in 1991 and third in 1990 and 1992. In 1981-82, she had the rare distinction of leading two teams to national titles in the same year as the field hockey team won the AIAW Division III crown and the softball team duplicated the feat in the spring. Her softball teams have appeared in the national tournament in each of the last 14 years and won eight-consecutive PSAC titles from 1983-1990. Individually, her players have enjoyed much recognition in softball as well with many winning conference and regional honors and 21 players earning 32 All-American awards.

## Assistant Coach Alicia Hazzard

Former Huskies' two-sport standout Alicia (Terrizzi) Hazzard will serve as an assistant coach for the fourth time this season. The 1989 Bloomsburg graduate performed for the field hockey team for four years earning all-conference honors in 1988 and was named to the All-American team in that same year. She scored 19 goals and assisted on 12 others for the club.

As a member of the lacrosse team, she was an integral part of the Huskies' defense which helped the club reach the PSAC playoffs in each of her years on the team. She was an all-conference lacrosse selection in 1989.

**Beth Bowman**, a 1991 All-American for the Huskies, enters her second season as an assistant coach for Bloomsburg. Bowman played on two NCAA runner-up squads while scoring three goals and adding four assists during her career from the link position.

**Kris Eide** begins her first season as an assistant for the Huskies. She was an All-American for Millersville in 1989 when she registered 12 goals and six assists. Eide also holds the Millersville record for goals in a game with three.

## A Look at This Season's Key Performers

**Shelley Miller Jr.**  
Waynesboro (Waynesboro H.S.)

Returning 1992 first-team All-American. May move up to help the attack line this season. Very quick and aggressive. Good transition game. Excellent instinct for finding the goal cage. Also plays on the softball team and has competed in NCAA championships in both sports.

**Gretchen Adams Jr.**  
Mehoopany (Tunkhannock H.S.)

Will be a starter at back. Played sparingly last season following a knee injury two years ago. Solid defender with an increased level of play. Good marker and excellent in one-on-one situations. Possesses a lot of confidence.

**Chris Fink Jr.**  
Berwick (Central Columbia H.S.)

Has played varsity attack for the past two seasons at the left wing position. Great speed and athleticism. Her stick work and positioning have greatly improved over the past two years. Expected to be an impact player this year.

**Lori Hippensteel Jr.**  
Holtwood (Solanco H.S.)

Second-team All-American last season. Split time in the goal with Anita Stum in 1992. Has a sound knowledge and good fundamentals of the goal keeping position. Aggressive player. Has two years of playoff experience.

**Michelle McFalls Jr.**  
Brodbecks (South Western H.S.)

Varsity attack player for the past two seasons. Quick, smart player with good ball control skills. Has shown steady improvement throughout the past two seasons. Expected to be a leader on the attack. Good knowledge of the game and will help younger players.

**Nicole Schiavello Sr.**  
West Chester (West Chester East H.S.)

One of the few seniors on the team. Played varsity back for the past two seasons. Strong and aggressive player with exceptional speed. Performs well under pressure. Expected to have a great season.

**Kerrie Schoenberg Jr.**  
Shippensburg (Chambersburg H.S.)

Played junior varsity as a freshman on defense before breaking into the varsity lineup. Came on strong last season as a link and a back. A very steady player with tremendous reach. Very tough to beat one-on-one. Brings a lot of confidence to the game.

## Other Players to Watch

**Jen Hitzler So.**  
Schaefferstown (Eastern Lebanon County H.S.)

Junior varsity starter last year, but showed rapid improvement and saw varsity time by the end of the season. Playoff experience. Very strong player. Showed increased speed and quickness this fall along with better field awareness.

**Kim Snader So.**  
Ephrata (Ephrata H.S.)

Played mostly with junior varsity squad in 1992 at link. Saw varsity action in playoffs last year. Improved considerably during indoor practices last winter. Great stick work and good field sense. She will contribute greatly to the team this year.

**Chris Basalyga So.**  
Nicholson (Lackawanna Trail H.S.)

A young player that contributed a lot to last year's playoff run. Started all of last season as a freshman in the right link position. Extremely quick and moves to the ball well. Good stick work. Fundamentally sound.

**Michelle Martin, Fr.,** New Holland (Garden Spot H.S.)

**Nicole Mowrer, Fr.,** Manheim (Manheim Central H.S.)

**Heather Hitzler, Fr.,** Schaefferstown (Eastern Lebanon Co. H.S.)

**Megan Shaughnessy, Fr.,** New Tripoli (Northwestern Lehigh H.S.)

**Jen Daily, Fr.,** Stroudsburg (Stroudsburg H.S.)

**Tracy Barndt, Fr.,** Coopersburg (Southern Lehigh H.S.)

**Lisa Schmitt, Fr.,** Stroudsburg (Pocono Mountain H.S.)

Shaughnessy was a high school All-American and a member of the 1990 state championship team. Martin, Mowrer and Hitzler were three of the four most valuable players selected in the Lancaster-Lebanon All-Star game last fall while the other freshmen were selected to their respective league and area all-star teams. This group of incoming freshmen all had standout high school careers and possess good stick work and speed. All newcomers have the ability to make an immediate contribution to the team this fall.
