## GIRLS' VARSITY DEFEATS CHAMBERSBURG BUT LOSES TO DICKINSON TOSSERS

### CHAMBERSBURG

The Co-ed tossers of C. V. S. N. S. defeated the Chambersburg High School team in the Chambersburg cage Friday evening, February twenty-third.

The C. V. girls sprang a surprise on the Chambersburg sextette when they rolled up a score of 9 to 2 in the first few minutes of the game. Chambersburg then called her warriors together and held a parley. Neither team scored for the next few minutes due to the close guarding. Then Chambersburg came back strong and pushed in two fielders and three one-pointers. The C. V. lassies during this time managed to capture two goals from the field.

In the second half Chambersburg tried to even the score but Shippensburg managed to keep six points in the lead during the remainder of the time. The ball was in Shippensburg territory the greater part of the second half and by snappy passes the Normal girls were able to cage some two-pointers. The game ended with Shippensburg in the lead by the score of 23 to 17.

### The line-up:

Shippensburg—23	Chambersburg—17
Houck f	Barbour
Heiges f	Hoover
Felton jc	Huber
Meyer sc	Snyder
Coble g	Henry
Heckman g	Palmer

Substitutions—Moretz for Coble, Uperman for Heckman, Meals for Huber.

Field Goals—Houck 5, Heiges 2, Barbour 2, Hoover 2, Huber 1, Meals 1. Foul Goals—Houck 3 out of 5, Heiges 2 out of 2, Barbour 1 out of 3, Hoover 4 out of 13.

### MAGICIAN TO APPEAR HERE WEDNESDAY, MARCH 7

Every one is looking forward with much interest to the evening of March seventh when Marco, the magician, is scheduled to appear in the auditorium.

Marco and his assistants will show their cleverness many times over and over, and prove again "that the hand is quicker than the eye." The magician is not only a clever illusionist, but a very entertaining speaker, making his program full of fun as well as mystery. The speed with which he performs his tricks and many original and exclusive illusions is bewildering.

Marco has made a great hit everywhere he has gone. Besides his clever work, he has a very pleasing personality that gains the instant favor of his audience.

Announcements about tickets will be made in the near future.

### NORMAL'S FOOTBALL CAPTAIN NAMED

Normal's 1923 Varsity football team will be captained by Sherrick Gilbert, of Biglerville. Gilbert was elected at a recent meeting of the letter men held yesterday afternoon. He is a veteran, having received his official "S" for the past season. Much is expected of him the next season, and we are sure he will come through. The school wishes him the best of success.

Miss Naomi Dreisbaugh '22 and Miss Reba Logan '22 were visitors during the past week-end at Normal.

The School has purchased an attractive floor lamp for the court of the Girls' Dormitory.

### DICKINSON

The Girls' Varsity journeyed to Dickinson College, Saturday afternoon, February the twenty-fourth and met defeat at the hands of the Dickinson girls. The C. V. Girls had trouble in locating the basket and were outscored from the field by 20 to 6 two-pointers. McDermitt of the Dickinson Sextette was the individual star of the contest scoring 31 out of 43 points.

The Shippensburg team was in the lead only at the start. The Dickinsonians soon began to rain in field goals and the first half ended 25 to 9 in favor of the Carlisle girls.

In the second half the C. V. tossers tried to make up the difference but the Dickinsonian lassies were too much for the visitors and continued the shower of double-deckers. Fight until the very finish was shown on the part of the losers. The game ended with the Dickinsonians leading 42 to 14.

### PATRIOTIC PANTOMIME SHOWS ORIGINALITY

#### Philo Officers Elected for Next Month

A patriotic number by Miss Mary Hoover '23 was the main feature of the Philo program last Friday evening. This number consisted of a series of patriotic events presented in pantomime. This survey of national events ranged from the discovery of America to the part the United States played in the world war. Those who assisted in this number were Misses Ferguson '23, Kapp '23, Russell '24, Seiders '24, Brenneman '24, Ramey '23 and Walker '23; Messrs. Warfel '23, Robinson '24, and Dreese '23.

Miss Helen Miller '24 entertained the society with an impromptu class in which Miss Romayne Miller '24 played a piano solo, Karl Blanch '23 and Miss Florence Davis '23 presented the pros and cons of the long and short of life, George Robinson '24 gave his version of bluffing and Miss Jean Ferguson '23 and Miss "Peggy" Lehman '25 gave recitations.

The musical part of the program was upheld by Miss Ruth Funk's vocal solo and Stanley Funk's saxophone number.

Miss Ruth Turnbaugh '23 recited "Old Ironsides." Miss Grace Trimmer '23 told a delightfully quaint story in an interesting manner.

Miss Jeanette Stitt presented a well balanced Philo Review.

The following officers were elected to serve during the coming term: Harvey Warfel '23, President; Miss Mildred Senseman '23, Vice President; Miss Grace Trimmer '23, Secretary; Charles Pyle '26, Critic; Harry Wolf '25, Miss Miriam Embick '24, and Miss Prudence Markey '23, Curators.

Miss Nora Keiffer, the visiting teacher, read several articles appropriate to Washington's Birthday. One of these was a poem in honor of the Father of Our Country, written by Prof. J. K. Stewart. Miss Keiffer presented the present need for leaders, and challenged the members to the service of leadership.

### RESERVES FACE BIGLERVILLE ON GYM FLOOR TOMORROW

Tomorrow afternoon the Reserves will meet the Biglerville High School quintet on the Gym floor. Some time ago the Reserves battled the Biglerville five on their floor and gave them an overwhelming defeat. Since that time, the Reserve team has lost several of their best players. Nevertheless, the second string men expect to repeat last week's victory.

### DON'T BECOME MOON-EYED TONIGHT

When you leave the basketball game this evening don't forget to look for the eclipse of the moon which will occur between 9:28 o'clock and 11:36 o'clock. The eclipse will be clearest about 11:30 o'clock and will cover about three-eighths of the moon's surface with a reddish, copper-colored shadow.

## Junior Prom Delights The Student Body

### Decorations Feature

Expectation is usually greater than realization, but all good rules have their exceptions. So it happened last Saturday night. We expected much, we went to the Junior Prom and we received more. In attempting to paint a picture of the affair, we would fail, but we would label that picture "success."

For undoubtedly the '24 Prom was a success. In spirit it has perhaps never been beaten by a like affair. A general feeling of good fellowship and fun existed. Yet back of that fun there was a certain dignity and pride that could not help but be noticed.

Could anyone feel otherwise after that series of events that went toward making the whole a success? In the receiving line, that cordial, welcoming handshaking on the part of the trustee representatives, Mr. and Mrs. George S. McLean and the faculty representatives, Prof. and Mrs. Heiges, the class officers, Wallis McKendree and Ruth Miller, formed an impressive line. This line, beginning with the master of ceremonies, Jack Seal, made one feel right at home.

Then when you arrived at the gym and found there all that you had been told you would and more in the line of decorations, and heard Updegrove's Orchestra playing your favorite piece, and you turned to your partner and you couldn't help but dance and have a good time.

The gym was very attractively decorated with the class colors, brown and gold, and the class flower, brown-eyed susan. The frieze of susans around the balcony gave an especially delightful effect, as did the huge one in the center of the ceiling, around which the overhead work was centered.

In the dining room, the idea of spring was well carried out, with the scheme of things worked around a bubbling fountain in the center of the room.

(Continued on Page Four)

### SPECIAL MUSIC AND MASS MEETING IN CHAPEL

Special exercises featured the chapel exercises yesterday morning. The first part of the regular exercises were gone through, with Robert Maclay in charge of the music, in the absence of Professor Slyter. A musical program in charge of Miss Demaree was the next portion of the program.

During this time the Girls' Choral Club sang a selection, an octette, in charge of Clifford Smith '24, sang two songs, and the orchestra played a pleasing number.

Prof. Heiges then turned the services over to cheer leader, Wallis McKendree '24 for a mass meeting. He called on John Broucher '23 to preside over the meeting. After a short talk Broucher called on Coach Sharadin, Miss Eleanor Heiges '23, Capt. Oran Hays '23, and Prof. Gilbert, for short talks. These talks all had to do with

(Continued on Page Four)

## Varsity Loses First Normal Game

### RALLY IN LAST HALF STAGED TOO LATE TO OVERCOME BLOOMSBURG LEAD

The basketball team lost a hard fought game last Friday evening at Bloomsburg when they were defeated by a 38 to 30 score. The game was one of the fastest seen on the Bloomsburg floor for a number of years. The Mead men, displaying the best form of basketball they have shown this season, gained a great advantage in the first period by their clever passing and good shooting. The game was very clean considering the importance of the contest and only two men were ruled out on account of personal fouls.

Bloomsburg scored first with a field goal. This double-decker seemed to give the Maroon and Gold the inspiration they needed for their offense. Eight points were netted before Coach Sharadin's team found the basket. Craig's long shots, which are usually effective, would whirl a round the basket and bounce out again. Heiges scored Cumberland Valley's first points when he tallied with a foul and a field goal. Grba copped a field goal and Heiges contributed four more fouls which terminated the scoring of the first period. Shippensburg appeared to be in for a good drubbing when this period ended with them on the short end of a 25- to 9 score.

(Continued on Page Four)

### STATE DIRECTOR OF ART ADDRESSES FACULTY CLUB

The real purpose of the visit of Dr. C. Valentine Kirby, State Director of Art, to our school this week, was to address the Faculty Club. The meeting was held at 7:30 on Tuesday evening in the parlors.

The Club owes this opportunity to Miss Irene Huber thru whose invitation Mr. Kirby was induced to come.

Mr. Kirby's talk was largely on the principles of Art and their relation to the home, dress, and the life of the individual. He brought out the fact that Art was no longer limited to the easel picture, but that a beautiful rug was as truly a work of art as a masterpiece of oil. The same principles that make a painting a masterpiece are those that make a room a place of comfort and beauty. Some of the principles are the proper use of color, balance, harmony, simplicity, a center of interest, and unity. By these you can judge the fitness of a thing to its purpose. The first thing toward acquiring a home of beauty is largely the process of eliminating the many

(Continued on Page Four)

### C. V. S. N. S. TOSSERS FACE HARD CONTEST

#### West Chester Confident

After losing to the Bloomsburg cagers last week the Red and Blue five will be out to show cage patrons of this vicinity how well they can perform against a first class basketball aggregation on the home floor. The West Chester quintet will be the attraction here tonight. Although Shippensburg won easily from West Chester on their home floor, it is not expected that the local cagers will have such an easy time here at home. During the past week reports have come from West Chester that the Blue and Gold have had the most strenuous practice of the year and they are coming here for revenge.

Coach Sharadin put his squad through a light workout last evening in preparation for the Chester battle and the kinks which were noticed in

(Continued on Page Four)

## BASE BALL OUTLOOK GOOD, SAYS COACH

### SEVEN VETERANS AND MUCH MATERIAL ON HAND—TEAM TO MAKE SOUTHERN TRIP

Prospects for a winning Red and Blue nine this spring are unusually bright according to a statement made public by Coach Sharadin early this week. With seven of last year's batmen and the new material which has answered the call, the chances are strongly in favor of a crack diamond team this year. When the batteries were called out last week, the following men reported: Shull, H. Miller, Jones, Harbaugh, and Shuler as right hand pitchers, while Walters and Roddy are lined up as south paw twirlers. Cap't. Hays, Sell, Mann, and Mountz are trying for the catcher position. These men will continue to work in the gymnasium until next week. At that time the fielders will be called out and in all probability the regular system of out door training will start.

The following are the experienced men of last year's nine: Cap't. Hays, Jones, Grba, McDermitt, Shull, Eby, and Tarman. This aggregation has been reinforced by Mann of Clearfield High School, Strike of Shippensburg High School, and Rice of Landisburg High School, as experienced batmen.

The grandstand is to be transferred to a new and permanent location in

(Continued on Page Four)

### ORATION SCORES HIT AT NORMAL

#### Ralph Orner Takes Office as Society President

An oration entitled "George Washington" delivered by Wilson Dodd '24, made a big hit at the Normal Literary Society meeting last Friday evening. Mr. Dodd exhibited good judgment in the selection of a subject and displayed exceptional oratorical ability.

One of the Stuart-Walker plays, "Nevertheless," was presented by the Normal play committee. Miss Kathleen Gibbons '23 played the leading role supported by Harry Gardner '24 and Chalmers Sell '24. The use of the auditorium stage added to this feature of the program.

A ukelele chorus in charge of Miss Gibbons '23 provided unique entertainment.

Literary numbers on the program were a recitation by Miss Mary Gordon '23 and the Gazette edited by Denver Evans '23.

The new officers were installed at this meeting. The farewell and inaugural addresses by Nesbit Straley '23 and Ralph Orner '23 were full of commendations and helpful suggestions.

Prof. T. J. Pennington, Faculty representative at this meeting commented on the program expressing particularly his interest in the Society's work in dramatics.

Five new members were received into the Society.

### CITIZENSHIP MEDAL TO BE AWARDED

A medal is to be given to the pupil who has done the most for the welfare of the school during the past year. This plan is still under consideration, and thus far all the rules have not yet been worked out. However, it has been decided that each student shall vote for the person whom he thinks deserves the medal. The ten persons then receiving the highest number of votes will be considered by the Faculty. The person thought to be the most deserving of this medal by the Faculty, will then be chosen out of these ten. Who shall present this reward is not yet known.

It's done now but not forgotten C. M. P. '23

WHY NOT EVEN UP?

Why is it that twenty-five people out of a student body of six hundred are doing most of the work in the activities of C. V. S. N. S.? Have they more native ability than the other five hundred and seventy-five? We have no scientific knowledge in this instance to support an answer one way or the other, but we are inclined to believe that the endowment is there. Why the ability is not used we do not know. We do know, however, that both groups are working under injustices to themselves. The scholastic standing of those taking part in too many activities is effected and when the time comes when we expect our alma mater to recommend us for positions, the word must go out that we have failed miserably in our class room work, but are dependable when organizations need someone to run them. On the other hand, we must submit to the decree that our scholastic standing is high but that ability to take civic responsibilities is lacking.

The problem will not solve itself, for those who get mixed up in everything that goes on around this institution will continue to do so because people with initiative work wherever there is something to be done. We can see but one way to even things up and remedy this unfortunate situation. Those who wait to be told must get off the waiting list and switch over to the pushing group.

SOME GOOD ADVICE

"Let common sense be your guide," was the keynote struck by Dr. Kirby in his talk on art to the students and teachers Tuesday. It seems to us that it is not necessary to limit the thought to art. We see many people embarrassing themselves and others too by floundering around when a new situation is to be met. People with inherent common sense, and we flatter ourselves by saying that we have that little germ, will generally do the right thing in the right place by acting natural.

WHERE IS YOUR HUMOR?

For some time the Staff of the REFLECTOR has had under consideration a humorous column characteristic of the school. At the present time no one on the staff has the time to devote to this work, so we are appealing directly to the student body for some one to contribute to this column every week.

As we look at the matter, it will require at least one girl and one boy to furnish the material in order that both men and women students may be represented. The column is to take the nature of humorous comment on various happenings around the school.

We know that there are people here who have the ability to do this work. Will you hand your name in at the office not later than Monday or speak to the Editor personally? Don't be bashful. Here is a good opportunity for someone.

SCOUTS HEAR TALK ON HOME ECONOMICS

Miss McWilliams, the School Dietitian, addressed the meeting of the Girl Scouts last Saturday morning. She spoke of Home Economics and proper methods of table setting. Miss McWilliams laid particular stress on the fact that a girl should know how to furnish a home, how to keep it clean, how to dress suitable for various occasions and how to cook, serve, and conserve food.

Miss Ferguson, captain of the Scouts, spoke at some length concerning fire prevention.

Tomorrow morning the "Tender-foot" test will be given. The girls were advised to prepare for it in order to prove that they are being benefitted by this course.

REGULAR MEETING OF COUNTRY LIFE CLUB HELD

The Country Life Club held an interesting meeting in Room 55 Tuesday afternoon. The outstanding feature of the meeting was the talk on the importance of art, given by Dr. Kirby, state supervisor of art. He stated that handwork provides training for the senses and gives an opportunity for self-expression. He illustrated the importance of observation in picture drawing. The introduction of the art spirit in all phases of school work was encouraged. Members of the club also asked Dr. Kirby various questions on art pertaining to the schoolroom. These discussions were very helpful and interesting.

Success comes in cans, failure in can't's.

CONTEST AROUSING INTEREST IN Y. M. C. A.

The first week of the Corridor attendance contest, launched by the Y. M. C. A. ended last Sunday evening with Corridor No. 3 leading. The percentage of attendance at religious meetings seems to be better on the third floor than on the fourth, according to the statistics, secured in this contest. However the fourth floor fellows have already determined to put one over this week, and are preparing to turn out in big numbers.

The standing follows:

Corridor No. 1  
85% (Reported by Bowman)  
Corridor No. 2  
86% (Reported by Charlton)  
Corridor No. 3  
93% (Reported by Parthemer)  
Corridor No. 4  
45% (Reported by Thornton)  
Corridor No. 5  
51% (Reported by Filler)

This shows quite a variance in percentage of attendance which will doubtless be eliminated this week, as the fellows are becoming more interested, in both the contest and the meetings. The contest will continue for one week more, excluding this week.

"BETTER RECREATION" IS THEME AT Y. M. C. A.

Bozidor Grba '23 gave a talk straight from the shoulder to the young men of the Y. M. C. A. on the subject of "Better Recreation" at the meeting last Sunday evening. He showed how our manner of spending our leisure hours determined to a large extent our success in life. He adapted his subject to our school life and gave much practical advice.

Nesbit Straley '23 urged all the "Y" members to get up and express their opinion on the subject of the evening. He said that he thought much good would result if the members present entered heartily into a discussion on the subject.

The corridor contest for full attendance is proving a success. The number of young men present last Sunday was unusually large and chairs had to be brought in from another room.

NORMAL DELEGATES TO ATTEND Y. W. CONFERENCE

The regular meeting of the cabinet of the Y. W. C. A. was held in the "Y" room Sunday evening. A letter from Miss Frieda Klenk, Student Secretary of the National Y. W. C. A., was read in which Miss Klenk invited Shippensburg to participate in a Cabinet Training Conference for the Normal Schools in this section of the state. The conference will be held the weekend of April the twenty-seventh at West Chester.

The cabinet voted to send Miss Maud Rogers '23, Miss Eliza Russell '24, Miss Reba Shue '24 and Miss Ruth Warman '24, as delegates to the conference.

QUARTET SINGS AT Y. W. C. A. MEETING

Miss Kathleen Gibbons led the meeting of the Y. W. C. A. held last Sunday evening in the Court of the Girls' Dormitory. Following the reading of the scripture lesson by Miss Anna Gibson '24, a quartet composed of Miss Cathrine Heefner '23, Miss Janet Shearer '24, Miss Mary Good '23 and Miss Hazel Frye '23, sang several very pleasing selections.

Sentence prayers were offered by Miss Garnette Frye '23, Miss Edith Oler '23, and Miss Reba Shue '24. Miss Prudence Markey '23 recited a poem entitled "If You Had a Friend."

On Tuesday noon the boys of the school had their picture taken for the school catalogue.

**FROSH DROP GAME TO THIRD YEAR MEN**

The Junior Cagers walloped the yearlings to the tune of 22-16 in an exciting game played in the gym last Friday. From the first to last both teams put up a hard battle. The Juniors endeavored to hold second place in the class league while the Freshmen struggled to get out of the cellar. The Underclassmen started out strong and at the end of the first half were leading by one point. In the second half the third year men came back full of fight. Time and time again Funk would dribble the length of the floor only to have his shot blocked by the close guarding of the Freshmen. When the final whistle blew the Juniors were the victors by six points. E. Angle played a stellar brand of basketball for the Underclassmen, scoring six two-pointers.

The line-up:

Freshmen—16		Juniors—22
E. Angle	f	Funk
Mathna	f	Dodd
Fisher	c	Kennedy
Easterbrook	g	Hudson
L. Angle	g	Mehring

**FRESHIES LOSE AS IS THE CUSTOM**

Tuesday evening marked a victory for the Junior Girls. The Freshmen Girls played hard but were not fast enough for the speedy Juniors. The ball was in Junior territory most of the time. The final score was 12 to 5 in the Juniors' favor. Many substitutions were made by the Class of 1924.

Juniors—12		Freshmen—5
Minehart	f	Barbour
Throckmorton	f	Mosescu
Felton	jc	Eshelman
Mitchell	sc	Duncan
Huber	g	Whorley
Morrow	g	Hoch

Substitutions—Weaver for Minehart, Warfel for Throckmorton, Rickabaugh for Felton, Warren for Whorley.

**GIRLS' VARSITY FACES HAGERSTOWN TOMORROW**

The final game of the contest between the co-ed basketball teams of C. V. S. N. S. and Hagerstown will be played Saturday afternoon on the home floor when the Girls' Varsity will be pitted against the team representing Hagerstown High School. The team has held several stiff practices the past week in order to try to revenge its defeat by Hagerstown several weeks ago by the score of 30 to 21.

It was only through the brilliant playing of Spellman in the last few minutes of play that Hagerstown was able to defeat Miss Robb's lassies. If Shippensburg wins there is the probability of another game being staged to decide the supremacy of the two teams so both aggregations will be primed for the battle. The line-up for the game is as follows:

Shippensburg		Hagerstown
Houck	f	Spellman
Helges	f	Stanebraker
Felton	jc	Hull
Meyer	sc	Malotte
Coble	g	Eyerln
Miller	g	Tenny

Last Sunday the parlor was deserted as the atmosphere on the campus was much more inviting than that in the parlor. Many couplets were seen strolling around over the damp sward.

**MISS ALTER MILLINERY**

Tobacco Candy  
7 East King St. Shippensburg

**ALUMNUS PLEASUED WITH CAMPUS REFLECTOR**

Oliver F. Deardorff, class of 07, has written a very encouraging letter to the REFLECTOR, stating, we feel, the views of many of our older alumni regarding a school paper at Shippensburg.

While at Normal, Mr. Deardorff took a prominent part in school activities. He is at present connected with the Pennsylvania Railroad at York, Pa. His letter follows:

"I have received my copy of THE CAMPUS REFLECTOR, and after reading everything in it, including the advertisements, I feel that you are to be congratulated. It just reads like the same old bunch, doing the same old things, but not exactly in the same old way. I believe it will be of great interest to any 'has been' who desires to keep alive that little spark of enthusiasm for Normal and Normal ways, as well as memories of bygone days at C. V. S. N. S. May success attend it as these masters come and go. I hope it may reach the hands of every member of the alumni, because I believe it will be the medium of drawing them closer to their Alma Mater."

**LITTLE SICKNESS AT C. V. S. N. S.**

There is one case of Scarlet Fever in the infirmary at the present time. The authorities are taking the proper precautions and there is no fear of an epidemic.

The two patients suffering from the mumps have recovered and are again attending classes.

Grippe is also on the decline. Until about a week ago the infirmary was filled with occupants, but at the present time there are very few students there. However, Miss Grace Kyle, the school nurse, states that many students suffering from severe colds should be at the infirmary receiving treatment. She strongly urges students not to wait until they are down and out, but come for treatment as soon as they feel sickness coming on, and thus avoid a needless risk.

**PUPIL SAVINGS SYSTEM**

With the co-operation of The First National Bank and The Peoples National Bank of Shippensburg, the Training School is perfecting a system of pupil savings, which has for its aim the teaching of thrift. It is the belief of the Directors of the Training School that one of the main duties and services of a school system is to teach the pupils the true meaning of thrift. With this aim in view, the present banking system was established January 15, 1923.

Monday of each week is known from grades four to nine inclusive as "Banking Day." The teacher of each grade has emphasized the value and work of a few less ice cream cones and movies during the week in order to be able to proudly respond when the teacher says: "How many children have some money for the bank this morning?"

The teacher collects the money and fills out two deposit slips, one of which is given to the pupil who brought the money.

The money and the second deposit slip are then taken by the teacher to the Secretary of the Training School, who acts as the General Cashier.

The system of collecting the money in the first three grades differs slightly from that used in the upper grades. In the primary divisions, the pupils are permitted to bring their pennies any time of day and any day of the week. The teacher collects the money and, in stead of making out a second deposit slip for the child who would not understand its meaning, makes out one slip and records the date and amount of the deposit in the pupil's individual bank book which was made in the art classes. The money and deposit slip are then taken by the teacher to the General Cashier.

Each pupil is permitted to choose in which of the two banks mentioned he prefers to have his money deposited. The choice is then designated on the deposit slip.

The General Cashier classifies the deposits according to the bank to which they are to be taken. Two Senior teachers, one for each bank, are chosen as student cashiers. It is the duty of each of these cashiers to secure from the General Cashier the money for his particular bank. As soon as a pupil has deposited the sum of one dollar, the student cashier secures for him a regular bank book. The sums of less than one dollar are deposited under the name of the Training School Savings Fund, until they have increased to the required initial amount.

Each cashier keeps an accurate record of the deposits of each child and the amount of money deposited in the general fund. This is checked with the individual deposit slips filed in the Training School Office.

During the month and a half that this project has been working, six individual bank books have been secured. The owners of these bank books look with pride at the steel safe in the Training School Office where this bit of their personal property is kept.

**TRAINING SCHOOL PURCHASES RADIO**

Through the efforts of the General Science Club of the Training School, which is under the direction of Professor Gilbert, a radio outfit has been purchased by the Training School.

In order that the members of the club might better understand the mechanism of the radio, the parts were bought separately and assembled by them.

The outfit was purchased in the fall, and since then the Science Club, together with other persons connected with the Training School, have heard quite a number of interesting numbers. Governor Pinchot's inaugural address was heard as well as addresses by President Harding, Secretary of State Hughes, Nicholas Butler, and Charles Schwabb. Several musical concerts were also listened to with much interest and delight.

The radio holds a great fascination

for the Training School boys and girls, and we would suggest that they be given more frequent opportunities of hearing the truly great worth while things that the radio alone can furnish for them.

**PROFESSOR STEWART ORGANIZES LATIN CLUB**

In order to create more interest in the study of Latin, Prof. J. K. Stewart has organized a Latin Club in his first year Latin class called The Plebians. The Club meets once a month to discuss various phases of Roman life and things of interest to Latin students in general.

At the organization meeting, held on Wednesday, the following officers were elected: Consuls, Arthur Mathna and Miss Cathrin Main; Aedile, Miss Esther Mosescu; Quaestor, Miss Nellie Warren; Praetors, Miss Gladys Rockwell, Miss Jean McNair, and Miss Phyllis Amos, and Advisor, Prof. John Keats Stewart.

All members of the REFLECTOR Editorial staff who expect to be absent from school over week ends must notify the Editor in writing not later than Wednesday evening in order that the assignments can be made accordingly. All notices should be placed in the Editor's box in the office.

The Editorial staff of the REFLECTOR will meet Tuesday morning at seven-forty-five o'clock in room 51.

**WEST CHESTER CONFIDENT**

(Continued from Page One) the Bloomsburg game on Friday night were ironed out.

With all this in mind, Coach Shardin's outfit will be in the contest to win. Heiges and Craig will take the offensive parts, Sterner will be at center and Jones and Grba at guard. Smith and Wert will be on hand as substitutes and both will no doubt see action before the game is over. Team work has been in evidence at the practice periods of the team this week and a fast game is anticipated.

Although the West Chester game is the big game of the week the Varsity has a hard game Saturday evening when it meets the Dickinson Reserves at Carlisle. This team walloped the home team by a score of 43 to 11. However, the Red and Blue cagers had had only three days practice at the time. The teamwork has been considerably improved and the members of the aggregation are confident that they will make a better showing this week than at the beginning of the season against the Dickinsonians.

 33 West King St. Shippensburg, Pa.

**VARSITY LOSES GAME**

(Continued from Page One) The start of the second period found Grba in place of Sterner and Smith at forward while Heiges went to guard. On the first trip off Heiges worked up the floor and scored a two pointer. On the next play Smith scored two more points on a pass from Grba. Bloomsburg began a closer guarding game which gave Shippensburg many more chances at the foul line. The wearers of the Red and Blue continued to pile up their score and consequently Bloomsburg was compelled to fight harder. Jones and Heiges were breaking up passes and starting an attack toward the Shippensburg basket. Smith continued the scoring by registering two goals from the field. Heiges added a few more points from the foul line, while Bloomsburg's lead was kept up by two sensational long shots. Brotherston's foul shooting always kept Bloomsburg out of danger. Grba scored Shippensburg's last point when he dribbled down the floor and tallied. (Shippensburg completely outplayed Bloomsburg in the last period but the rally fell short by eight points.

Heiges was high scorer for Normal with two field goals and sixteen fouls. Grba, Craig and Jones displayed some fine team work in the last period. Captain Schwall and Haupt played the best for Bloomsburg, each having five field goals.

Shippensburg—30	Bloomsburg—38
Heiges f	L. Lerda
Craig f	Haupt
Sterner c	Schwall
Jones g	Brotherston
Grba, g	S. Lerda

Substitutions—Smith for Heiges, Heiges for Grba, Grba for Sterner, Wert for Jones, Derk for Haupt, Haupt for S. Lerda.

Field Goals—Smith 3, Heiges 2, Grba 2, L. Lerda 3, Haupt 5, Schwall 5, S. Lerda 5.

Foul Goals—Heiges, 16 out of 25; Brotherston, 12 out of 22.  
 Referee—Foster.

**DR. KIRBY VISITS NORMAL**

(Continued from Page One) ugly and useless possessions with which we have kept our homes cluttered and burdened.

He spoke of what it meant to come in contact with the best in the field of painting, architecture, and sculpture. That an appreciation and knowledge of these would give us a background by which we could build up civic beauty, in the improvement and beautifying of our homes, on public parks and public buildings. Simplicity is often the secret of the beautiful home or the beautiful costume, and it has its part to play before beauty can be obtained in any field. All great artists know the secret of simplicity and it was to this knowledge that their success was largely due.

When Mr. Kirby had finished one could not help but feel that he had caught something of the true meaning of the term "art," that he had a right to this field of beauty and self-expression as truly as the painters of canvas, the carvers of stone or the creators of great buildings.

 May 30 Bloomsburg Normal, At Home  
 June 2 Kutztown Normal, Kutztown, Pa.

**JUNIOR PROM A SUCCESS**

(Continued from Page One) A banner bearing the class motto, "Non In Iugis Sed Progreredientes," hung at one end of the hall.

Seated around tastefully decorated tables in groups of four, everyone enjoyed the refreshments.

In all it was a huge success and too much gratitude can not be extended to the trustees for the affair, nor to the Deans, nor to the committee for their faithful work, in the moulding and the carrying out of the plan. The committee was composed of Clifford Smith, Ethel McCormick, Wm. Hudson, Dorothy Omwake, and Genevieve Mitchell.

**DIALOGUE WILL DOUBTLESS FEATURE AT NORMAL**

No doubt the hit of the evening at the meeting of Normal Society this week will be the dialogue which is to be given by "Ted" Charlton '23 and Nesbit Straley '23. These young men have never failed to present anything but the best to the Society, so something out of the ordinary is expected.

The question, "Resolved, That the State of Pennsylvania should pay its World War Veterans a Bonus" will be debated. Miss Janet Hayes '23 and Glenn Bailey '24 will present the affirmative side, and Mabel Cornelius '23 and Roy Coover '24 the negative side of the question.

Miss Virginia Ranck '23 will give an interpretive dance the plot of which has no yet been revealed. The Glee Club will sing; Miss Alise Shell-hase will entertain the Society with a vocal solo.  
 Miss Byrdee Myers '24 will give a recitation and Roger Jones '23 has a Gazette worked up which will likely please the Society. Mr. Jones has long been threatening what he would do if he had the Gazette, so this will be his chance.

Rub—"What do you think of these automobile petting parties?"  
 Dub—"Well, it seems to me that public sentiment is against public sentiment."

Meetings, meetings, meetings, just one meeting after another. Will we ever get done meeting?

**MASS MEETING HELD**

(Continued from Page One) the Girls' game with Hagerstown tomorrow afternoon, and the Boys' game with West Chester, this evening. Between talks McKendree introduced some new yells, which were practiced by the students.

The mass meeting seemed to have succeeded in rousing much latent spirit and the cheering over this week-end should be even better than ever. After Prof. Gilbert's wind-up talk the crowd sang the Alma Mater, and left in good spirits.

The program committee for Normal Society Anniversary had a meeting on Monday evening at which time preliminary plans were discussed. Another meeting will be held in a week or so.
