PROSPECTS FOR FOOTBALL LOOMS B'G AT NORMAL

Coach Ingalls Is Fast Whipping New Members into Shape

CAPTAIN GILBERT REAL LEADER

The Red and Blue grid-iron proteges are being put through intense training on the Eckels plot by Coach Ingalls. Although he has good material available Coach Ingalls will have a green team this season as only four letter men returned to school this year. An entire new backfield will have to be selected. Ingalls is whipping the candidates into shape and expects to have a team working in fair order by the time the season opens, with the clash with the Mercersburg eleven, October 3. This is the first time that Shippensburg has ever met the fast Blue and White grid-iron warriors. The Shippensburgians are not relying much upon the fact that the Academy lads, who were beaten only once last season, have changed greatly from last year, but are working hard to put into the field a real team even though there are a number of new berths to be filled.

Although the varsity team has not been selected by Coach Ingalls, it seems unlikely that any of the veterans will be replaced. Capt. Gilbert, brilliant left guard of last year will resume his old position, while Don Ritter, one of the fast eleven of last year from Shippensburg High School will pair with him. "Boots" Shuler a veteran will occupy the central position. "Cliff" Smith and C. Sell appear to have leases on their last season's berths. "Cliff" likely will hold down one of the flank posts. Sell will be at left tackle while Clair Smith will probably play the same position on the right. Hays, Eby and Harbaugh are making strong bids for the right end job. James Smith, stellar full back of Woodlawn High School, looms as a real star at half-back while Hockersmith, from Shippensburg eleven will play the other half. Paul Smith former full back of Coach Baish's eleven from the local High School will in all probability play at full-back.

Sam Angle, a new recruit from the Bucknell squad and also a former flash from the local High School eleven has been displaying good form. Both he and Geedy, who is making a real showing of varsity spurs, are after the quarterback berth. Geedy is out now due to minor injuries but it is expected that he will be back in time for the Mercersburg fray.

Other material is available which is shown by the fact that the collection

(Continued on Page Four)

TRAINING SCHOOL OPENS WITH NEW ORGANIZATION

The Training School opened Wednesday, September 19, with an enrollment of two hundred and fifty boys and girls.

An entirely new organization is in effect this year with a critic teacher in each room. Under this system the practice teaching is done with a grade supervisor or critic for each subject. This necessitated the addition of several new members to the faculty of the Training School.

Specialized instruction is given in all grades above the Primary Group. One new subject, Industrial Arts, was added to the course of study.

The teaching group of the Seniors has been chosen and its members reported for duty on Monday of this week to their respective supervisors and grades. Student teaching is carried on in the Training School, on the campus, in the public schools of Shippensburg, and in the rural schools of Franklin County.

NORMAL LITERARY SOCIETY HOLDS INITIAL MEETING

Seventy-one New Members Enrolled in Society

CLIFFORD SMITH NEW PRESIDENT

Normal Literary Society started the school year with a splendid program. The remarkable event of the opening meeting was the receiving of seventy-one new members, which will give Normal's name especially good talent. The opening address by Wilson Dodd '25, the presiding officer, had particularly good bearing on society spirit.

The musical part of the program was taken care of by Miss Blouse '24, Miss Griffith '24 and William Hudson '25. Miss Blouse's piano solo was given in a pleasing manner. "Whispering Hope" was played as a duet by Miss Griffith and Mr. Hudson.

"De Stove Pipe Hole," a humorous recitation by William Hudson '25, portrayed the obstacles that a lover has to overcome so as to please the father of the girl he loved. Clifford Smith's oration on "Ambition" was full of good advice to the sluggard. Miss Anna McFadden '24 made a hit by her originality in aesthetic dancing. Miss McFadden, dressed as a farmerette gave some new steps entirely of her own make-up. The Normal Gazette, which is looked forward to with great anticipation, was prepared by Miss Blanche Straley '24. It was characterized by school news, current events, wit and humor.

During the miscellaneous business Miss Parks' plan of giving plays once a month under faculty supervision, was discussed and tabled until the next meeting when a vote will be taken on the plan. The election of officers was held and the following will assume their new duties tonight: Pres., Clifford Smith; Vice-Pres., Edwin Harbaugh; Sec., Miss Thelma Heckman; Critic, Miss Leah Decker. Dr. J. S. Heiges, the visiting teacher, complimented the society on its program and the way in which the meeting was conducted. The society was treated to some of Dr. Heiges' wit and humor in his remarks.

INITIAL SCHOOL RECEPTION HELD LAST SAT. EVENING

The first reception of the school year was held Saturday evening, September twenty-second. Owing to the remodeling of Main Building, the receiving line, which is usually formed in the parlor of Main Building, was formed in the court of the Girls' Dormitory. The receiving line was one of the largest in the history of the school, forty-two members of the faculty being in line.

After passing through the receiving line, the students met at the gymnasium, where they spent the evening dancing. The Wenger Orchestra of Chambersburg furnished the music.

Those students who did not care to dance were entertained in the court of the Girls' Dormitory. Many new and novel games were on the evening's program of fun.

MEN'S ASSOCIATION HOLDS MEETING THURSDAY EVENING

The constitution of the Men's Association was read to the new boarding boys Thursday evening, September 20. Clifford Smith '25, president of the council in his opening address gave to the boys a slogan—No campuses, no socials.

The vice president of the association will be elected by the respective corridors as soon as possible.

Prof. Levi Gilbert, Dean of men, encouraged the boys and urged cooperation between the old boys and the new.

It was also decided that assistant managers of the foot-ball squad would be elected by the respective classes.

BEN INGALLS ELECTED NEW COACH AT NORMAL

School Hopeful Over Prospect of Winning Team

HAS SPLENDID ATHLETIC RECORD

Ben Ingalls, who has replaced A. J. Sharadin former athletic coach, is being heralded with a flood of enthusiasm and vim from both football men and students of the school. Coach Ingalls comes here with a very brilliant record as a student and an athletic coach. Mr. Ingalls' first advanced education was received at the State Normal School at Whitewater, Wisconsin. From this institution he went to the Normal School of Physical Education in Battle Creek, Michigan where he graduated in 1915. The year following he graduated from Berea College, Berea, Kentucky. He also attended the summer session of the Y. M. C. A. at Lake Geneva, Wisconsin, in 1920 and 1921.

From his scholastic standing in the past the new coach comes to this school as a competent physical instructor. His athletic ability was displayed by his flashiness as quarterback while in College. The new coach comes from Athens, West Virginia, where he was athletic coach for two years. Mr. Ingalls has a reputation for "getting things done" and this reputation is beginning to manifest itself on the football squad as rapid and lasting changes are made every day.

Coach Ingalls has succeeded in a very effective way in the coaching of his squad. His first step was to instruct the squad in the fundamentals of football and put it in a seasoned condition for real football scrimmage.

Coach Ingalls is very optimistic over the prospects of the future and expects to make a winning team despite the fact that only four of last year's grid iron squad have returned to school this year.

TWO OF COACH'S LINEMEN INJURED DURING PAST WEEK

Two of Coach Ingalls' fighting linemen, John Harris '25 and Corbin Pennington '26 were injured during this week's scrimmage.

Mr. Harris' shoulder is dislocated and we cannot expect him to be back in the line for at least four weeks.

Mr. Pennington suffered a broken arm which will cause an absence of at least six weeks. Both men are anxious to again get back into the fray. Jimmie Smith, Woodlawn High School star backfield man who was injured in the first week's practice is again in playing condition.

"Pop" Mehring who was out for a few days because of an injured foot, reported for last evening's scrimmage.

REV. WETZEL SPEAKS AT JOINT MEETING OF Y.M. AND Y.W.

The first joint meeting of the Y. W. and Y. M. C. A. was held in the chapel Sunday evening. Wilson Dodd '24, vice president of the Y. M. C. A. was in charge of the meeting. Rev. Wetzel of the Reformed Church, who was the speaker of the evening, used as his text, "Remove not the ancient landmarks which thy fathers have set." The discussion centered about the landmarks of home, church and school.

As President of the Ministerial Association of Shippensburg, Rev. Wetzel invited and urged that all students attend the Church services held in the respective churches every Sunday.

Our work is real, our work is earnest, More subscriptions is our goal. "Perhaps I'll take it, I'm not sure yet" Will leave the "Reflector" in the hole.

MANY NEW STUDENTS VISIT PHILO'S FIRST MEETING

Animal Circus a Novel Event at Philo Society

ALUMNI MEMBERS GIVE TALKS

The first meeting which opened the year for Philo Literary Society was well attended by many old and new students.

The Comic stunts, produced by Genevieve Mitchell '25, was a little different from the usual type of special feature. Another number was the Philo Review edited by Helen Miller '25. This issue was in the form of a play showing a new student at C. V. S. N. S. who was homesick and who seemed quite dissatisfied with his new abode. After having been taught a lesson by the ghosts of former students of the school this contented boy promised loyalty to his Alma Mater and led the ghost and the society in a yell for the school and Philo.

Margarite Snow '24 contributed a vocal solo, "A June Morning" and Dorothy Emrick '24 gave a piano selection, "Berceuse from Jocelyn."

The discussion on Alaska by Wallis McKendree '25 was delivered in a most interesting manner. Grace Filler '24 gave a detailed review on "A Son at the Front," by Mrs. Edith Wharton. Lincoln's speech at Independence Hall was given by Harry Wolfe '25.

Several of the alumni members of Philo talked to the society and Miss Bausch, the visiting teacher commended very favorably on the program.

DONATES MONEY FOR INFIRMARY MAGAZINES

Miss Mary Good who was a member of last year's graduating class is the donor of a neat sum of money to Miss Grace Kyle, infirmiry nurse to be used for the purchase of magazines for the infirmiry during the present year. Miss Good's contribution to the magazine fund will be appreciated to the utmost by the students of the school because heretofore the infirmiry was without a regular subscription list of magazines.

Miss Good's gift is the first of its kind from any member of the alumni.

To say the least it is a most thoughtful and useful gift.

The donor is teaching in the public schools of York.

JUNIOR HIGH SCHOOL GROUP HOLDS SECOND MEETING

A second meeting of the Junior High School group was held today at noon in room 53. The president, Wallis McKendree, presided. He urged the members to seriously consider the plan of separating from the regular Junior class and formulating a separate organization. After the members of the group had discussed the pros and cons of the question a deciding vote was cast. The class agreed to form a separate class.

BOYS HOLD STAG PARTY IN MAIN DINING ROOM

While the girls of the school were attending the annual G. A. A. party held in the gymnasium, the boys were indulging in a party of their own in the main dining room. Miss McWilliams had an appetizing dinner prepared for the young men. The menu was as follows:

Potatoes au gratin	Dressing
Cabbage Slaw	Peach Pie
Coffee	Milk

A ravishing appetite was displayed on the part of the men and the amount of food consumed by them was remarkable. At first sight they seemed rather lonely since they occupied only one side of the dining room, but the gales of laughter rising from the food bedecked tables contradicted this first impressions.

THIRTEEN NEW TEACHERS ADDED TO THE FACULTY

Music Department and Training School Get Majority of Corps

COME HIGHLY RECOMMENDED

Thirteen new teachers have been added to the faculty of the Cumberland Valley State Normal School this fall. These teachers will have work in the music department, the training school and athletic department.

Miss Ruth A. Cunning Law of Mt. Union, Pa., has been appointed a supervisor in the training department of the Cumberland Valley State Normal School, in art and industrial arts in the intermediate group, and English and art in the eighth and ninth grades. Miss Law has attended West Chester Normal School, State College and Juniata College. She was principal of the elementary grades at Mount Union and has had experience as a teacher for a number of years since that time.

Prof. Rodger W. P. Green of Providence, R. I. is a graduate of the Department of Music of the University of New York, 1917. He has been an assistant to the faculty of the University of New York for five years, and has been a private teacher of piano for several years. He is teaching piano and assisting Prof. Sylter in class work at the Cumberland Valley State Normal School, this year.

Miss Alice Einzig of Harrisburg, has been appointed instructor in the Cumberland Valley State Normal School. She is a graduate student of Miss Margaretta Kennedy, a well known Cello-ist of Harrisburg. Miss Einzig comes highly recommended as both a performer and an instructor.

Miss Francis Costembader of Slatington, Pennsylvania, is another new teacher of music. Miss Costembader is a graduate of the Moravian Seminary and College for Women, Bethlehem, Pennsylvania; and the New England Conservatory. She has taken special work at Pennsylvania State College and New York University. For two years she was supervisor of music in the public schools of Lansford, one year at Catasauqua and four years at Slatington, Pennsylvania, during which time she gave private piano instruction and was organist of St. Johns Lutheran Church at the same place.

Miss Dorothy Clever is assisting in the Music Department. She is a graduate.

(Continued on Page Four)

THE G. A. A. HELD INITIATION FOR NEW GIRLS AT NORMAL

The new girls at C. V. S. N. S. almost believed that they were present at a modern "Conference of Worms" when they attended the G. A. A. party held in the gym Thursday afternoon, Sept. 27. But what a difference it was. Not a bit like the original stately, religious parley. And happy were the Seniors whose privilege it was to feed the worms to their victims, to lead them through all the rites of initiation until they reached at last the "Queen" who crowned them "Finished Products."

Each class gave a stunt under the direction of Ruth Miller, Head of Baseball and also each officer of the G. A. A. cabinet spoke to the girls, urging their support of the association. Peggy Lehman, Head of Basket Ball, made it known that those who played a certain number of games on the Varsity Basket-Ball team would receive gold basket balls.

In spite of the entree of worms the girls answered promptly at the first call for refreshments and after dancing for about a half hour the party broke up with the singing of the Alma Mater.

THE CAMPUS REFLECTOR

Published weekly during the school year by the Cumberland Valley State Normal School in the interests of the students, faculty, alumni, and the school in general.

The Campus Reflector invites communications of interest to the school. All letters must bear the signatures of the writers.

Subscription Price, \$1.00 the school year for resident students; \$1.75 the school year for non-resident subscribers.

Office Room, 23 Main Building, C. V. S. N. S., Shippensburg, Penna.

Acceptance for mailing at special rate of postage provided for in section 1103, Act of October 3, 1917, authorized February 9, 1923.

FRIDAY, SEPTEMBER 28, 1923

AN APPEAL

What is your opinion of C. V. S. N. S., you students who have recently affiliated yourselves with us and you students who claim a longer acquaintanceship? It is altogether probable that your first impression was not a favorable one. A symphony of hammer taps, puffs of gasoline engines, and crashings of falling timber, do not lend themselves to your dream of ideal Normal School conditions. All this is evidence of what the future holds for you!

Never in all the history of Shippensburg Normal School has a scholastic year that could offer more advantages to the students been entered upon. Never has the academic side of the school life offered greater opportunities; never has there been such a number of ex-curricula activities to prepare you for complete living both while you are a student and after you have graduated.

Yes, on first impression your surroundings may not appear perfect. Student activities may be functioning contrary to the manner which you would prefer to have them function. Revolutions may be desired, but before they can become effective, they must be founded upon the traditions and customs of the school, lest you make a Russia of your Alma Mater.

Are you ready to give even as you receive all the opportunities offered academically or are you going to be one of those detested leeches—absorbing all and transmitting nothing. There are many in student organizations and many instances where positions go a begging for persons to fill them. There is that position on the foot-ball team, vacancy in the band or orchestra and opening on the staff of THE CAMPUS REFLECTOR. Aren't you going to heed the call of their beckoning hands?

It is said that opportunity knocks but once. It knocks at both the doors of the old and new students alike. Here is your chance to be constructively engaged whether it be in an undertaking that effects the class, club, or students. To you who are students of C. V. S. N. S., your first thought should be of your Alma Mater. Allow opportunity to do the knocking and not you. Heed its call; remember that nothing can quite take the place of dear old C. V. S. N. S.

TO STUDENTS OF C. V. S. N. S.

Would you like a lively give-and-take of thought, a sharpening of the wits, a chance to show your good sense and discrimination? Let me suggest a voting contest to elect the ten favorite books of C. V. S. N. S.—not the ten new books you haven't read, nor the ten you liked best during the summer, but the ten you would like best to read again and again.

Suppose you could own just ten books, and these must constitute your only reading. Suppose you were marooned on a desert island with only ten books to live with. (You might be, you never can tell!) What ten would you choose?

Think it over. If you would like such a contest, you will be given a chance to say so in your English classes or in other groups. If you show a desire to enter this tournament of books, the CAMPUS REFLECTOR can perhaps be persuaded to act as a tilting field.

Carrie Belle Parks.

A DONATION

The Alumni—they never forget their Alma Mater. Evidences of this fact are constantly being called to our attention. It was only this week that another example was brought to light. Have you read in the columns of this week's CAMPUS REFLECTOR about the donation made to the infirmary? Acts of this kind are very much appreciated by the student body. They are illustrations of the real C. V. S. N. S. spirit. May we hear of more of these deeds of thoughtfulness.

IMPROVEMENTS ON

ECKELS' ATHLETIC FIELD

Eckels' Athletic Field has been greatly improved during the summer and during the first few days of school. The seating capacity has been greatly increased by the addition of new bleachers that will seat probably one hundred and fifty people while the field itself has changed in appearance.

The surveyors have been busy and changed it into a grid-iron to replace the diamond. After the preliminary laying of the field the squad under guidance of Coach Ingalls and Manager Hudson lined the grid-iron for the first scrimmage.

The squad has its usual routine every evening and are doing justice to their ranks at the training table.

MUSICAL DEPARTMENT OF C. V. S. N. S. STEADILY ADVANCES

The directors of the musical department are planning to break all previous musical records made by the School in the past and put music on the map of C. V. S. N. S. in red ink. The musical department will be divided into vocal and instrumental squads which in turn will be divided and special teachers placed in charge of the sub-divisions.

Rodger W. P. Greene of Providence, R. I. will give lessons in piano. Mr. Greene was a student of Newton Swift, Boston, Mass., and has taught in New York University and in Providence. Stanley V. Brunner of Harrisburg will teach violin and viola, and Miss Alice Einzig of the same place will have charge of the work in violincello. Mrs. Blanche Wright Hale with whose work we are all familiar, will continue her work in voice. Miss Frances Costenbader of Slatington, Miss Dorothy Clever and Prof. D. O. Slyter will be in charge of the department of public school music. Mr. Slyter will also supervise the work of the Band and Orchestra. Any one wishing to major in music will find ample opportunities in the various musical organizations of the school, Concert, Band, Orchestra, Girls' Choral Club, Boys' Chorus and Mixed Chorus. Prof. Slyter has announced that all positions in the Band and Orchestra have been filled with the exception of two clarinet players. He is planning to organize a class in clarinet playing.

Try-outs for the Girls' Choral will be held next Monday. A large number is expected to turn out and it is anticipated that this year's work of the Choral Club will be even better than that of ten preceding years.

ONE HUNDRED AND TWO GIRLS REPORT FOR HOCKEY

The hockey season opens this week with a total enrollment of one hundred and two girls. The report is as follows: Seniors, 25; Juniors, 65; underclassmen, 12. The underclassmen have not been organized and it is expected that after the class organization a large number of girls will come forward in order that the class reputation will be maintained.

The girls will practice two weeks before "try-outs" begin. There will be a "sub" for each position and if necessary, two teams for each class will be chosen. This will enable every girl majoring in athletics to take part in some athletic work.

DRAMATIC CLUB FOR C. V. S. N. S. UNDER DIRECTION MISS ARNOLD

The first meeting of the Dramatic Club was held Tuesday for the purpose of organization. About sixty-five students were present at the meeting, but still the services of more men who wish to take up this line of work are needed. Miss Edna Arnold has been named as coach for this club and many will take advantage of her teaching.

The nature of this work consists of special tutoring in acting, teaching of stage setting, the art of facial make-up and designing of costumes. The work will be of particular advantage to the Societies in the conducting of their plays, as probably the play chairmen will be selected from this group. Next Monday evening try-outs will be held.

ENGLISH TEACHERS

HOLD CONFERENCE

The English teachers held a meeting Monday evening in room 52 to discuss the course of study for this year. It was decided that they should meet monthly in an effort to cooperate more closely with each other and with all the other departments. Various plans for improving the English work were suggested. The plan of encouraging and helping the students to read good literature was discussed.

The members of the English department are the Misses Parks, Culp, McCreary, and Mr. Pennington.

Prof. Slyter can't hope any more than the students do that the chapel seating is permanent. One more seige like Thursday, and we wouldn't need any seats.

REFLECTIONS

"Boots Shuler"

Mary Burgoon

Again old Cumberland Valley
Is filled from Gym to Viener
With pupils in their various ways,
Making their senses keener.

We welcome them with open arms
From this the girls' refrain,
For generally our fair weather here,
Is followed always by rain.

Now one thing more I now must tell,
As advice from the entire school.
Be prompt in all your classes,
And do not break a rule.

For a Campus and a Social,
Are things that you will dread.
And after serving several weeks,
You'll wish that you were dead.

So watch your steps with caution,
And from elders take advice.
I know of quite a number,
Who have had experience twice.

Or don't mind the plaster,
As it is scattered on the floor.
In staying away from the workmen,
You will help them more.

For the days are departing,
And winter coming fast.
Will the work be completed
And keep out winter's chilly blast?
"BOOTS"

A description of Saturday night's receiving line given in the Journalism class:—The receiving line was formed in the court of the girls' dormitory without decorations.

Juniors! ! !—A cure for the Blues.
It's best to keep a smilin'
For a smile's a kind o'net,
That catches by beguillin',
Just the thing it wants to get.

So keep your smile a spreadin'.
Crack a jolly joke or two,
And you'll find that things come
headin'
Straight for smilin' folks like you.

When cupid aims a dart he usually
Mrs. it.

Psalm of Life.
Chill
Ill
Pill
Bill

Gleanings

You can always tell a Senior, he is so
sedately dressed;
You can always tell a Junior by the
way he swells his chest;
You can always tell a Freshman by
his timid ways and such;
You can always tell a Sophomore, but
you cannot tell him much.

A Builder Creed

More faith in ourselves we need;
More faith in the other man;
More faith in the friendly deed;
More faith in the helping hand;
More faith in our native glory;
More faith in the men who lead;
More faith in love's old story—
Let's take that for our creed!

Philo's Talent Will Be Displayed Tonight

Philo Literary Society will hold the second meeting of the year, Friday evening at seven o'clock, in the Training School Chapel. The curators of the society have claimed an excellent balanced program for the entertainment of the members and prospective members of Philo.

Peggy Lehman '25, chairman of the special feature has planned an excellent surprise for the society. "Secrecy" is her password on the subject.

Miss Eliza Russell '25 will give a monologue entitled "When I am Married." John Harris will have charge of the Philo Review. The talent of Miss Russell and Mr. Harris will be displayed in their respective selections. Reba Shue '24 will give an oration on "Social Discontent."

The Jubilee singers, Josephine Clark '24, Chairman, have arranged for a musical number. Miss Sarah Rider and Anna Sourber will play a piano duet.

BOARDING GIRLS MEET WITH MISS ARNOLD AND MISS MILLER

A meeting of all the boarding girls was held Thursday evening, September 20 at 5:15. The Dean of women, Miss Edna Arnold, met the Seniors in one of the class-rooms while Helen Miller '25, president of the Girls' Student Council, discussed and explained the rules and regulations of the school to the underclass girls.

The Seniors elected Effie Wynn '24 and Mary Troupe '24 as their representatives to the Student Council. Miss Adnold, during her talk, mentioned the Campus Plan. This plan which would abolish the necessity of a "third party" while on the Campus, requires that a Campus committee of students be appointed.

Arrangements are being made to have "get together" meetings frequently, during the year.

ARTS & CRAFTS CLUB CABINET FORMULATE PLANS FOR YEAR

The cabinet of the Arts and Crafts Club met Tuesday, Sept. 25 to form plans for the coming year. Meetings of the club will be held at 4:15 instead of 6:30 on account of the late dinner hour. Juniors who wish to join this organization will hand their names to Miss Catherine Cox of the art department; Seniors are to hand them to members of the cabinet.

For room mates:—Blessed are they who are pleasant to live with.

EXCHANGE

One of the innovations of great interest to the students of Clarion State Normal School this summer was the introduction of student government. During the school year 1922-23 the regular normal students were given an opportunity to try the system but they expressed the preference to continue for the time being under the old system.

While it is too early to reach final conclusions regarding the practicability of the new arrangement at Clarion it is the opinion of those in authority that the plan will be a success.

The enrollment in the schools and colleges this year shows that the attendance is increasing every year.

Gettysburg College, with Dr. Henry W. A. Hansen, the new college president in charge, opened last week. With the new regime also comes the largest attendance the institution has ever had, more than 200 new students having enrolled, making a total enrollment of more than 600. The enrollment of the college, seminary and academy will go considerably over 800.

Mt. Holyoke College opened on Friday with an enrollment of 935 students. Thirty-nine states, also Canada, the Canal Zone and the Philippines, England, France, Czeche-Slovakia, Ceylon, China, Japan, Korea, Siam, Smyrna, and South Africa, are represented in the list of students. In addition the college welcomes an American Indian from Oklahoma.

MUSICAL PROGRAM GIVEN AT TRAINING SCHOOL ASSEMBLY

The first Training School Assembly was held at 11:15, Friday, September 21. A short musical program was given. The singing of America by the assembly was followed by a piano solo by Prof. Green. Prof. Brunner played a violin solo. Prof. Green and Prof. Brunner are new members of the Normal School music department and their numbers were appreciated by the children as was evidenced by the attention and the applause given.

Plans for forming a Training School orchestra were explained by Prof. Slyter. Those wishing to play in it were asked to hand their names to Miss Clever.

Some of our students would prefer to "major" in study periods, and "minor" in subjects.

JUNIOR HIGH SCHOOL GROUP HOLDS SPECIAL CLASS MEETING

A special meeting called by the president and the class dean was held by the students of the Junior High School group in room 52 at 12:45 o'clock Thursday. The purpose of the meeting was to discuss the plan of class consolidation. Heretofore the Junior High School group or Group III was a two year course but it has been changed to a three year course which makes the students of group III practically in an individual class. The present members of group III were Juniors last year and this year the problem arises as to whether or not they will remain as a separate class or will consolidate with the junior class of '24.

Each member of the class expressed himself as to his own idea on the advisability of having a separate or of consolidating with the juniors.

The meeting was discussed pro and con from all angles then the meeting was adjourned until Friday at 12:45 when the election will take place to decide which plan the Junior High School group will elect.

SUNDAY SCHOOL SERVICES HELD IN CHAPEL

The first Sunday School service was held in the chapel Sunday morning with a large number of students present. The meeting was in charge of Dr. Heiges who welcomed both the old and new students to the Sunday School and urged them to take an active part in the services.

Dr. Lehman spoke on the place of the Sunday School in this community and proved how a church and community had been bettered through the development of the Sunday School, which had been made possible by the co-operation of school teachers.

Until the organization of regular classes on the first Sunday of October general services will be held in the chapel.

The Girls' Student Council thinks the way to define their terms "campussed" and "socialled" is by concrete examples.

KAMPUS KWERIES

This column is devoted to the answering of those questions which arise in the minds of the new students. Therefore it is to be considered as a bureau of information and any questions handed in to the Campus Reflector office will receive the attention of the editor.

What is the G. A. A.?

G. A. A. stands for the Girls' Athletic Association and is the only organization of its kind in the state. All girls' athletics are under the control of this body, the head of each sport being a representative on the cabinet. The famous G. A. A. party and the special meeting at which new members are taken in are two of the outstanding events in the school year.

Girls having 125 points are entitled to membership. Hurry up and get the required number of points and join the ranks of the C. V. S. N. S. Amazons.

The officers are:

President Helen Andrews
Vice-President Helen Crozier
Secretary Elizabeth Minehart
Treasurer Ethel Warfel

What is the Dog Party?

The dog party is a function for men only, which the Y. M. C. A. holds in the gym for the benefit of the new students. It corresponds to the G. A. A. party only it is much more drastic and the yells which issue from the gym are more terrible and more frequent. The boys have something to look forward to, so let them begin to prepare themselves for the coming ordeal.

What is the Girls' Student Council?

The Student Council is the legislative and governing body of the school.

The Council is composed of four officers, six representatives and three faculty members, who meet once every two weeks to discuss the needs of the girls and to discipline any known offenders of the law. In other words the Student Council is the executive body of the Student Government Association. The Council asks for the co-operation of the student body in return for which it will give its untiring efforts toward the support of the student body in all matters under its jurisdiction.

Generosity is the investment from which we clip the coupons of happiness.

If it wasn't for the optimist, the pessimist wouldn't know how happy he isn't.

Any Junior girl is now able to discuss "The Diet of Worms" intelligently.

NORMAL GRID SEASON OPENS SATURDAY

After waiting patiently for several weeks the Normal team will open their grid season away from home by playing the strong Mercersburg team. The C. V. S. N. S. fellows are rounding into shape and will be in readiness for their first test on the grid-iron.

The schedule this year is practically the same as previous years and everyone knows the kind of contests the Normal team plays—a very strong one. The biggest games of the year will be with Mercersburg, Massanutten, Millersville and Waynesboro, in fact all the games will be tough. With the nine games on the schedule the school will have their hands full.

In arranging the games Dr. Heiges and Coach Ingalls have chosen teams of real calibre and although they might be something that looks hard they have to stick up against the real stuff when they hit the Normal squad. The spirit shown in practice is to be highly recommended. The fan that wants to follow up the team will cut out this schedule and keep it handy.

Date	Team	Place
Oct. 6	Mercersburg	Away
Oct. 13	Dickinson	At Home
Oct. 20	Sheperdstown	Away
Oct. 27	Massanutten	At Home
Nov. 3	West Chester	At Home
Nov. 10	Millersville	Away
Nov. 17	Open
Nov. 24	Kutztown	Away
(Thanks'g)	Waynesboro	At Home

MUSIC DEPARTMENT ADDS FIVE NEW INSTRUCTORS

(Continued from First Page)

uate of this Normal School and has taken special work at Cornell University under Dr. Dann who is now state supervisor of music in Pennsylvania.

Miss Frances Oyer of Shippensburg is primary grade critic in the Training School. She is a graduate of this Normal School, class of '19 and has taken special work at Columbia University. Miss Oyer has taught two years in the Public Schools of Enghaut, Pennsylvania and two years at Steelton, Pennsylvania.

Miss Maud Geedy of Shippensburg, a member of the class of '23 of this school is second grade critic in the Training School.

Miss Mildred Shambaugh, of Newville, another member of the class of '23 is fifth grade critic in the Training School.

The Music Department has added Mr. Stanley Brunner, of Harrisburg to the faculty. For several years Mr. Brunner has been a student of violin under instructors, including Prof. Hulsteyn of Peabody Institute in Baltimore. Mr. Brunner has recently been doing concert work.

Prof. I. D. Houck of Florence, South Carolina, is now a member of the faculty of Cumberland Valley State Normal School. Prof. Houck is a graduate of Millersville State Normal School. He has taken special work at Pennsylvania State College and also studied vocational education at Peabody College. Prof. Houck has taught for nine years. He is at present supervisor of the Science Department of the Training School at Cumberland Valley State Normal School.

Miss Nancy Martin of Shippensburg has accepted the position of critic teacher in the Primary Grades of the Training School. Miss Martin is a graduate of the Cumberland Valley State Normal School and has recently completed the summer course at the University of Pennsylvania. Miss Martin has had years of experience as a public school teacher. She has traveled extensively and in her trips has visited schools in Rome and also France.

Miss Mathilda G. Kulp of Haddonfield, New Jersey, is teaching the following subjects: Story Telling, Teaching of English, and Juvenile Literature.

NORMAL SOCIETY PROMISES EXCELLENT VARIED PROGRAM

The second meeting of Normal Society will be held in the School Auditorium this evening at 7 o'clock. The program, although largely a musical one, contains several solid literary numbers.

Two addresses have been planned; the ex-augural address by Wilson Dodd '24, and the in-augural address by the new president, Clifford Huber '25. Ruth Frar '25 is in charge of a special number. Gladys Huber '24 whose talent as an impersonator has been displayed often during the past year, will give a humorous reading. Gyda Stine '24 will discuss a topic of the day. Chalmers Sell '25 is this week's editor of the Gazette.

The Normal Quartette consisting of Clarence Shuler '24, Harry Markley '25, Wilson Dodd '24 and Clifford Smith '25, have planned to furnish the Society with at least one musical selection. The piano duet by Ruth Wahrman '24 and Effie Wynn '24, and vocal solo by Harry Markley '25 complete the evening program. Mr. Markley is director of Normal Glee Club and he has been prominent in the musical activities of the school.

SAYS WHICH?

Mrs. Blimp:—"I'm afraid that my daughter's schooling is proving detrimental to her spelling!"

Mrs. Dunnup:—"Do tell!"

"On a postal I received this morning she writes: 'Dear Mother: Heir out here wonderful. Worth millions.'"

"Words were given to men to conceal their thoughts." We can understand how teachers believe this more every time a students recites, A

HOPKINS PLANS FOR NIGHT FOOTBALL GAMES

Baltimore, Md., Sept. 27.—Johns Hopkins is planning night football under floodlights so brilliant as to make the field bright as at noonday and hopes to start the innovation at Homewood field on the evening of October 27, with Haverford as the opponent. This is the day on which Princeton and Navy clash at the Baltimore stadium. The Hopkins athletic officials believe night football both possible and practical. The concession which will install the lights claims the spectators will be able to see every play no matter how high the ball is kicked and that it will not even be necessary to whiten the ball.

REV. BOWERS SPEAKS AT MID-WEEK SERVICES

The chapel was well filled last Wednesday evening for the second prayer meeting service held at the school this year. Rev. R. S. Bowers, pastor of the Memorial Lutheran Church, delivered the evening's address. Harry Markley '25 supplemented Rev. Bowers' address with a baritone solo.

JUNIOR CLASS MEETING INDEFINITELY POSTPONED

The meeting of the Junior class called Thursday noon at twelve-forty in room fifty-three by the president, Ralph Swan, was later postponed on account of the various other meetings scheduled for the same time.

FORMER C. V. S. N. S. STUDENT MATRICULATES AT COL. COLLEGE

Blair Mann who was a student here last year and a member of the class of '24 has enrolled this year as a student in the Colorado College, Colorado Springs, Colorado. Blair, better known as "Fitty" was on the C. V. S. N. S. football team last year and played fullback. It is understood that "Fitty" is playing football again this fall and is making a showing on the college squad. "Fitty" has also been pledged into the Phi Delta Theta fraternity, which shows that he is active in college circles.
