RED AND BLUE QUINTET WINS CLOSE GAME FROM KUTZTOWN

JUNIOR RECEPTION IS ABOUT TO MATERIALIZE

Prom Is Time Everybody Gets Dressed; Delicious Food Is Served.

DANCING WILL LAST UNTIL 11

Ever since the first day of school, new students have been encouraged to like C. V. S. N. S. and put aside their homesick feelings by the magic phrase—"Just wait until the Junior Reception." All the new students have waited and waited through the strange new days, some boring familiar ones, other thrilling happy ones—and now at last the prom is within a stone's throw from their doors. After all their waiting, are they going to be disappointed? They have been told that the prom is the time everybody gets a new dress; that it's the time the most delicious food is served and when dancing lasts until eleven o'clock.

Those new students are not going to be disappointed for this year's prom promises to be all that and more.

The new parlor will be opened for the occasion and the receiving line will form there promptly at seven o'clock.

The gymnasium will be elaborately decorated with purple and gold, the class colors and it is rumored that even the moon will grace the party with its presence.

The Juniors will be served first of all with supper beginning at eight o'clock and the other guests will not be served until all the Juniors have left the dining room.

Small tables for two couples will be placed in the dining room which will be lighted entirely by candles. Greens will be used extensively in the decorating of the room and the class banner and motto will also occupy positions of honor. The guests will receive favors which the committee has prepared. The menu which is being kept a secret will doubtless be an example of the height of Miss McWilliams' art.

The trustees established this delightful custom of giving a reception to the Junior class many years ago and within recent years the Juniors have been given the privilege of preparing their decorations.

The music for the dance will be furnished by the Club Royal Orchestra from Carlisle by Harold Newsbaum and under the management of Charles Bender.

HOW MANY OF US WOULD HAVE BEEN A GEORGE?

George Washington couldn't tell a lie. That's what we've been taught ever since our kindergarten days, and our fathers and mothers before us, and our grandparents and great-grandparents before them. Most of us aren't afflicted in the same way George was. We can tell a lie, nearly all of us, and a great many of us do at times. Ask yourselves what you would have done if you had been in George's place when his father asked him if he cut the cherry tree down. A certain school teacher doesn't think George did such a very wonderful thing. "It all depends upon the kind of father he had," she said. "Whether or not he was the kind who would frighten the boy into telling a lie to escape punishment. I've had cases in my room where boys told the truth under more trying conditions than that of George chopping down his father's cherry tree."

MANY HIGH SCHOOLS TO ENTER TRACK MEET

Waynesboro High School Enters Forty Candidates

Three high schools have thus far made application and have been accepted as entrants for the bi-county track meet to be held on the Eckels' Field, May 10 under the auspices of the local Normal School's track team. The high schools filling the entrance requirements are: Green Castle High School, Green Castle, Pa.; Carlisle High School, Carlisle, Pa.; and Waynesboro Township High School, Waynesboro, Pa. The latter school will enter forty candidates in the meet which is a remarkable showing and which tends to stimulate other high schools for a large entry enrollment.

Preparations for the event are under full swing according to latest reports handed out by Prof. Gilbert, director of the meet, when interviewed by the "Reflector" reporter yesterday.

Equipment for the meet has already been ordered and will be ready for use in the near future. An entire new set of pole vaulting equipment along with thirty six hurdlers make up part of the new equipment to be used in the meet.

Some of the features of the meet will be the javelin throw, the discus throw and the hurdles. The dashes and high jumping also promise to be big numbers in the affair.

The prospects for the track meet are most promising at the present and from all indications it promises to be the biggest event of its kind ever to be held by the local Normal School. All high schools who are considering entering the meet are urged to do so as soon as possible in order that arrangements can be made to take care of the contestants.

HERSHEY EBY DRAWS CHARCOAL SKETCHES AT NORMAL

Normal Society was delighted with a special number given by Hershey Eby '24, Friday evening in the Training School Chapel. Mr. Eby displayed exceptional ability in making charcoal sketches. Among the personages which took form under Mr. Eby's skillful hand were, Abraham Lincoln, Clarence Shuler and Mr. Eby Himself. Mr. Eby also recited part of Lincoln's Gettysburg Address.

Helen Kauffman '25 recited "The Master" by Edwin Arlington Robinson. "The Master" is a descriptive poem of Abraham Lincoln as he was at all times; cheerful, undaunted, unselfish—a man of the people.

"The Rosary" by Ethelbert Nevin was sung by Percy James '26. Ruth Blouse '25 gave a piano solo, "Pines" by Alexander Matthews. The orchestra played "When Love Speaks" by C. B. Bennett.

The question box by Ethel Gates '24 contained the following questions: The advantages of working in the library, Lydia Andrews; The advantage of being small, Effie Wynn; The opportunities of attending a co-ed school, Anna Mary Miller. Topics of the day discussed by Donald Ritter '25 were: "Rum Pirates Capture Ship" and "King Tut's Mummy Discovered in Gold Casket." The Gazette was edited by Amy Joseph '24.

Prof. Pennington gave the society a very interesting talk on its good work. He also suggested that it would be a good plan to form a debating fraternity in the society.

HOCKERSMITH ELECTED CAPTAIN FOOTBALL TEAM

Product of Shippensburg High School; Is a Hard Player

PLAYED TACKLE LAST SEASON

Bruce "Hocky" Hockersmith was elected Captain of the Red and Blue football team for the season of 1924 at a meeting of the letter men of 1923 held in the office of the gymnasium, Wednesday evening. The players who voted at the election were: Gilbert, Shuler, Ritter, J. Smith, Hayes, Cliff Smith, Angle, Meredith, Hockersmith, Eby, Clair Smith and Geedy.

Hockersmith has always been known as a player who works hard and a fighter to the finish. He is a Shippensburg boy, who first learned the game at Shippensburg High School where he played tackle for three years. Last season he played tackle and was used occasionally at half back on the Red and Blue.

Hocky is short but he carries his 165 good, hard pounds into the fray for all they are worth. He is unusually fast for a tackle and many times during a game, breaks through the opposing line and gets his man before the man is fairly started. He is a heady player, cool in action and can diagnose the opponents' attack very efficiently.

Hockersmith has always been popular with his teammates and also with the fans. He has the personality of a leader of men and will undoubtedly be a worthy captain for C. V. S. N. S. As most of the past season's letter men will be back at Normal next year, Captain Hockersmith will lead a team of experienced players on Eckels' Field who are bound to make a good record.

"CAMPUS REFLECTOR" STAFF ADOPTS A CONSTITUTION

The "Campus Reflector" has advanced another step in the newspaper world by officially adopting a constitution, which outlines the duties of every member on the staff. Those interested in the paper, feel that the "Campus Reflector," in order to improve the publication, needed a systematically organized constitution which would act as a basis for the organization of the work. The staff is of the opinion that a wise move has been made in the recent adoption of such a constitution.

Numerous changes have been made recently on the "Reflector" staff which should tend to assure an efficient working corps for the future.

Helen Miller '25, former news editor, now fills the position of associate editor, while Earl Ryan '26 serves the staff as news editor. Glen Bailey '25 has been elected advertising manager in place of George Brougher '26, who in the future will act as reporter. Raymond Cromer '25, the new Alumni editor, has been chosen to fill the vacancy made by Mabel Cornelius '24 who has graduated in February. Roy Whitsel '25, associate editor, was forced to leave school on account of trouble with his eyes. Mildred Breneman '24 and Helen Daugherty '24, will serve as associate editors hereafter.

Six new reporters have been added to the staff. They are Martha Light '25, Mabel Frank '26, Elizabeth Shaull '25, Samuel Angle '26, Paul Smith '26, and Corbin Pennington '24.

HOME TEAM BREAKS JINX IN LAST SATURDAY'S CONTEST

Game Won in Last Few Minutes of Play—Captains' Smith and Breslin High Scorers

Last Saturday, amid an atmosphere of enthusiasm and in a wild furious game the Red and Blue team broke the jinx that had long settled over them when they snatched a 28 to 27 victory from the hands of the fast Keystone Normal five on the local floor. It was anybody's game from the beginning until just a few minutes before the final blast when Capt. Smith's men got loose for a four point lead only to be marred by the visitors registering three tallies in a few minutes thus giving the Valley boys but a single point lead with the Kutztown outfit fighting and struggling to the very last in hope of subduing the Red and Blue.

The Maroon and Gold started the game off with a two pointer and a tally from the foul line, but the Valley boys were their equal when Capt. Smith registered two and Eby one from the free throw line. The score kept moving first to one side then to the other with only a few points between on every occasion. The ending of the first period found the score 13 to 12 with the visitors settling on the fateful thirteen.

On the second half Coach Ingalls' squad returned with the determination to fight and win. They displayed good team-work in the last canto. The score, however kept zig-zagging from one to another the same as in the first session. Both teams were struggling for the lead but to no avail, because the Shippensburgians forged ahead four points near the end, but only for a few moments for the Keystone cagemen covered over the lead by three tallies which gave the Red and Blue squad a lead and which kept up the battle until the final blast.

Game Practically Won by Fouls
The game was one of many fouls on the part of both teams. Shippensburg was given twenty free throws while the visiting cagers were granted sixteen. The Red and Blue lads thrust twelve of the twenty through the ring while the Maroon and Gold five only registered five out of their sixteen. The Kutztown team had

most of the fouls called in the first session while the Shippensburg fouls were called mostly during the second half. The Valley lads caged eight goals while the visitors succeeded in registering eleven two pointers which gives the Kutztown team the greater number of goals, but being unable to compete with the Shippensburgians from the foul line gave them a defeat.

Captains High Scorers

Both captains of the teams were the high scoring men for their teams. Captain Smith of the Red and Blue scored three goals and three tallies from fouls while Captain Breslin of the Maroon and Gold caged four goals and three points on fouls. Green and Eby were second highest scorers for the local team. Green had three goals and one foul to his credit while Eby registered six out of eight throws from the foul line.

Coach Ingalls' team played good basketball during the entire contest. Dutchy Eby flashy guard, showed up well in Saturday's game by his fast floor work in dribbling and running the ball down the court. Bob Line and Captain Smith, running mates at forward, played up to standard while Mark Green who was sent to the pivot job held it down in great style. Miller and Funk both played a good consistent game at guard. The lineup:

Shippensburg	Kutztown
C. Smith (Capt.)	RF Breslin (Capt.)
Line	LF Smith
Green	C Kirck
Eby	RG Hartman
C. Miller	LG Shaffer
Funk	LG

Goals, C. V. S. N. S.—Smith 3, Line 2, Green 3.
Fouls—Smith, 3 out of 5; Line, 1 out of 3; Green, 1 out of 2; Eby, 6 out of 8; Funk, 1 out of 1.
Goals, Kutztown—Breslin 4, Smith 3, Sheaffer 4.
Fouls—Breslin, 3 out of 8; Smith, 0 out of 1; Kirck, 3 out of 4; Hartman, 0 out of 1; Shaffer, 0 out of 2.
Referee—Shockey (Gettysburg)
Scorer—Bailey, (C. V. S. N. S.)
Time Keeper—Krebs.

DAY STUDENT GIRLS' NEW ROOMS OPEN FOR USE

One of the many improvements recently made at C. V. S. N. S. is a new room for the Day Student Girls. The new lunch room and locker room was ushered into use last Friday. It is situated on the first floor of the Main Building in the rooms formerly occupied by the Book Room.

It became necessary to have a larger room because of the crowded conditions which existed in the former room and halls leading to it.

Other rooms used by the Day Student Girls are on the first floor and it was decided that the new room should be placed there also, in order to avoid the usual congestion of the second floor.

The new lunch room is considerably larger than the former one. It has been replastered and painted in shades of ivory. There are several shaded lights which hang from the ceiling by bronze colored chains. Shelves and hooks have been placed around the entire room to be used for depositing coats and wraps. Tables and chairs have also been placed in the room for the use of the girls.

ORIGINAL YEAR BOOK PLANNED BY SENIORS

"Originality and uniqueness" is the keynote of the "Cumberland," the year book of the class of '24. Many special features are to appear and probably some of the students will receive sudden jolts when they receive the book.

A drive will be held in chapel next Thursday for subscriptions from all underclassmen. It is the custom to sell the books at a low rate so that all who would like to have a book will be able to get one.

At a recent business meeting Hershey Eby '24 was elected Athletic Editor. He also will do some of the art work. It is expected that the book will be ready the latter part of April.

THE FACULTY HOLDS A SPECIAL MEETING

A special meeting of the faculty was held on Tuesday evening at which time matters of general interest were discussed and plans for the summer session begun. A number of petitions for permission to enter classes late were presented by various students.

THE CAMPUS REFLECTOR

Published weekly during the school year by the Cumberland Valley State Normal School in the interests of the students, faculty, alumni, and the school in general.

The Campus Reflector invites communications of interest to the school. All letters must bear the signatures of the writers. Subscription Price, \$1.00 the school year for resident students; \$1.75 the school year for non-resident subscribers. Office Room, 23 Main Building, C. V. S. N. S., Shippensburg, Penna. Acceptance for mailing at special rate of postage provided for in section 1103, Act of October 3, 1917, authorized February 9, 1923.

FRIDAY, FEBRUARY 22, 1924

A SYNDICATE OF NORMAL SCHOOL PAPERS OF THE STATE

The normal schools of the state are gradually accounting for themselves in the sphere of influence presided over by the school newspapers of the state. It was not so many weeks ago that West Chester State Normal School overcame the financial obstacles that arise when the publication of a paper is proposed and issued their first publication under the title of "The Green Stone."

Not to be outdone by their sister normal schools, Millersville has matched "The Green Stone" with "The Tipster." To be sure these are not perfect examples of the rules laid down by the powers who rule over the newspaper world, but they foretell splendid products for the future. They are yet in their infancy and we prophesy that it will not be many more issues before they will have entered into their childhood.

Rumor has said that Bloomsburg is beginning to prepare to publish a paper. She is mustering her forces for combat with any financial difficulties that might arise. The battle may appear, at the first conception to be a stronger one than Bloomsburg's forces are capable of weathering, but what other Normal schools have done can be repeated by yet another normal school. A determination to win mixed with a will to succeed in spite of the financial and other difficulties imposed when the publication of a paper is proposed, is all that is necessary to issue a first class paper.

The "Campus Reflector" is glad to welcome the organs of news of the normal schools of the state into the newspaper world. The "Reflector" takes the role of hostess in welcoming these papers into existence along with the papers which have been published for a considerable length of time. The "Reflector" is not the oldest normal school paper in the state, but it is ranked along with the pioneers of the first weekly publication. Slippery Rock has been publishing a paper (it is a monthly one) for the past five years while this is the second year, as it is for us, for the Central Normal School. Clarion Normal also publishes a paper.

The Normal school papers have been progressing by leaps and bounds. Already several of them have been ranked with first class college papers. The "Reflector" can see great things for the future of these papers. It foretells an organization of the normal school papers of the state, even as there is an organization of the college papers of the country.

The "Campus Reflector" wishes to go on record as a sponsor for this movement. It feels that through such a close relationship, each paper would be considerably benefited. A yearly meeting of the organization could be held and an exchange of ideas made which would, no doubt, be greatly appreciated by the editors and the staffs of the papers. Then, too, it would be a decided advantage to carry on an exchange of important news articles. The printing of these articles would lend variety to the usual run of "home" school news printed in the papers and would be up to date material not gleaned a week after it had been published from the columns of the paper by an exchange editor.

The "Campus Reflector" is willing to entertain opinions on this subject from the other state normal schools, since it would like to see this suggestion take form not only for its own benefit, but also for the benefit of the normal school papers of the state.

OPERETTA TO BE GIVEN SOON BY MIXED CHORUS

Prof. Slyter is planning to have the Mixed Chorus put on the operetta, "All at Sea" by David Stevens with songs and choruses from Gilbert and Sullivan's H. M. S. Pinafore, "The Pirates of Penzance," "Patience," "The Mikado" and "Solange" arranged and adapted by Harry Worthington Loomis.

The general idea of the operetta is centered around the good ship Pinafore which has set out on an expedition to capture the Pirates of Penzance. There are several guests on board but through some misunderstanding the captain has sailed without Sir Joseph Porter, first Lord of the Admiral who later succeeded in overtaking the Pinafore in his official barge.

Sir Joseph depended upon a squad

of policemen to capture the pirates but the Lord Chancellor was convinced that legal proceedings would prove irresistible and the Captain trusted the Queen of Fairies.

Night fell and the pirates attacked the ship. They defeated the police and demanded matrimonial alliances with all eligible young ladies on board. When matters had reached this point all retired.

When morning dawned the prisoners called a conference to devise means to extricate themselves from the difficult situation.

The Mikado appeared at this time and tried to release them but his efforts are in vain. At last the Fairy Queen appeared and solved the difficulty.

With this theme and his famous chorus Prof. Slyter expects to put on a very effective light operetta.

DICKINSON BASKETEERS SWAMP SHIPPENSBURG TEAM

The Normal gymnasium last Saturday afternoon was the scene of a second defeat for the Shippensburg lassies which was handed to them by the Dickinson Sextette. The local girls put up a hard fight but were only able to score 18 points to their opponents' 41 points. The height of the Dickinsonians was more than a match for the Red and Blue girls.

The first quarter, which saw a terrific fight on the part of the Shippensburgians, was merely a warming up for the Dickinsonians.

The visitors began the game by scoring three points through fouls. A neat pass from Minehart to Lehman ended in a two pointer for the local team. Dickinson again tallied with a field goal, due to the quick action of their forward, Watts.

A foul added another point to Normal's score; it was counteracted by a two pointer for their opponents. Shippensburg came to life with Smith's two pointer added to the score. The score stood 9-7 at the end of the first quarter.

The second quarter was a sad one for the Red and Blue; they were unable to score, while the Dickinsonians roped in 19 points.

The rally of the local lassies in the last quarter of the second half tended to even up the score. Smith started the Shippensburg score upward by a foul and a field goal. Dickinson attempted to match this by a pretty shot from McDermitt, forward. Smith returned the challenge by scoring two fouls and a field goal. Dickinson retaliated by making two fouls and a field goal. A foul for Dickinson was a forerunner of the last goal for Shippensburg which was made by Lehman.

A splendid spirit was shown by the two teams during the entire game. The Dickinson team and coach stayed over after the game, and the Normal girls entertained the visitors at dinner. The line-up was as follows:

Dickinson	Shippensburg	
Watts	F	Smith
McDermott, M.	F	Lehman
McDermott, S.	JC	Felton
Kietrich	SC	Minehart
Wertz	G	Morrow
Pood	G	Rhine

Substitutes—Price for Wertz, Eby for Pood, Hawn for Tietrich, Murphy for McDermott, Young for Felton, Easterbrook for Morrow, Throckmorton of Rhine, Rhine for Throckmorton.

SENIORS ENJOY DINNER

DANCE AT THE NEW HOTEL
 The Senior class held its first social event of the year last Saturday evening when they gave a dinner-dance at the new National Hotel.

The Seniors gathered in Main Building and went down to the hotel in a body. The fun lasted until the wee, small hour of 11 o'clock. Approximately one hundred Seniors attended the dance with the class deans, Miss Quigley and Mr. Burkholder and the guests, Dr. and Mrs. Heiges.

Beside the dance, which was held in a garage converted into a dance hall for the occasion, the entertainment committee had provided games.

Of course the dinner was far from being the least part of the evening. The menu was as follows:

Chicken and Waffles			
Potatoes	Peas encreme		
Salad	Ice Cream	Cake	Coffee

MANY STUDENTS BUY THE WORLD BOOK SERIES

Many of the Normal School students took advantage of the offer made by the representatives of the World Book Series, who had their books on display last week.

The Series which contains projects and problems on every subject in an elementary school curriculum was offered to the students at very low prices. The terms were made so that students may take advantage of using the books now without paying for them until they are actually teaching. Thirty-three sets were sold to students.

The representatives visit all normal schools and colleges.

REFLECTIONS

Reba Shue

Crestfallen Junior—"Gee, I got zero in English."
 Senior—"That's nothing."
 Junior—"What's nothing?"
 Senior—"Zero."

New teacher in Training School—"John, take off your coat."
 Progressive pupil—"Please teacher, is that whip sterilized?"

Superintendent—"You say your habits are all correct?"
 Post-Graduate—"Yes, sir."
 Superintendent—"Do you smoke?"
 Post-Graduate—"Thanks, don't care if I do."

The mail, hitherto a welcome event, was heralded with mingled feelings of desire and apprehension on Monday and Tuesday. Only a flunker knows a flunker's cares.

C. V. S. N. S. TRACK TEAM HAS TRAINING SCHEDULE

After several false beginnings C. V. S. N. S.'s track team has started its first season. A call was issued for track candidates and twenty men responded at once with a few more coming out every evening.

Under the supervision of Coaches, Jimmy Smith, Prof. Levi Gilbert and Faculty manager Krebs, the boys are following a regular practice schedule. On dry, warm days they do roadwork in the direction of Middle Spring and if the weather is bad the boys use the padded path of the gym.

The cinder path on Eckels' Field will be repaired as soon as the weather permits. There the men will have a real oval on which to practice.

There are several men who have shown real form in their work and they will probably be turned out as seasoned trackmen before spring.

The boys have been placed under training rules and they have been made to realize that for their own good the rules must be obeyed.

Prof. Krebs and Prof. Gilbert have arranged for a big field day on May 10. All the high schools of Cumberland Valley will participate. On April 25 the C. V. track team will be represented on Franklin Field in the famous Penn Relays.

A cross country run for class honors will be held in a few weeks and any class wishing to enter men in this event will notify one of the three officials, Smith, Prof. Krebs or Prof. Gilbert.

Some of the men who have reported and who had some experience in track are: J. Swope, Gettysburg; Trich and Colicott, Harisburg Tech; J. Harris; McCurdy; Winters; Klöck; Gingrich; H. Miller; Snively; Swan and F. Baker.

WHY BE A CHURCH MEMBER DISCUSSED AT Y. MEETING

"Why should I be a Church Member?" was the subject discussed at the "Y" meeting Sunday evening, the leader of which was Harry Slothower '24. The lesson was found in Acts VII 34th verse.

Mr. Slothower gave four reasons why students belong to some church. "In the first place the Bible tells us to join the church. In the second place as teachers in the schools of this state we should belong to some church as an example to the students under us." His third reason was that it would be very beneficial to us and his last, that it would further the good we can do for the community.

HOURS SPENT DURING DAY RECORDED BY STUDENTS

An investigation was held at Dartmouth College to find how the students make use of the twenty-four hours in the day. The schedule arrived at by tabulation of records kept for a week by two hundred students was this: the average Dartmouth undergraduate works nine hours daily, sleeps eight and one-half hours and spends four hours in recreation each week day. Probably such an investigation at C. V. S. N. S. would reveal some enlightening facts as to how the students spend their time.

The permanence of the gym is assured, since it remained intact throughout Saturday's demonstrations. Now that there need be no fears in that direction, let's have some more games and indications of school spirit like last week's.

"They also serve who only stand and wait" but the Seniors last Saturday who had to stand and wait felt that they deserved more servings.

Those students who had sufficiently recovered from the shock of learning their marks thronged about the office door at the earliest possible moment to test their endurance by one more encounter—the envelope record.

Where have we heard these remarks? "That reminds me of—" "I feel like an Irishman," and one speaker not to be outdone, "I feel like two Irishmen."

Juniors, don't work too hard in your preparations for Saturday night or you won't be able to appreciate the dance given in your honor.

Don't leave any crayon marks without any special meaning, in full view on the blackboard else the next time you pass it, you'll be quite liable to find a picture of yourself which may prove to be an unflattering likeness.

The pageant last Sunday accounted for some of the unusual disturbances about the dormitory lately. It revealed the presence of some heathen women. It also explains why one member of the faculty has asked at various times, "Are you a heathen?" or "Are you a Christian girl?"

LINCOLN'S DAY PROGRAM GIVEN AT TRAINING SCHOOL

The Training School honored Lincoln in a patriotic program given during the assembly period last Friday. This was the first program presented under the direction of the new student teachers. The program showed the result of the efforts of the committee of which Miriam Embick '24 was chairman.

The program was begun by the singing of America and the saluting of the flag by the entire school. All the children taking part in the program were from the Junior High School grades. Archie Gephart presided and read Psalm 93 for the Scripture Lesson. Lincoln's Gettysburg Address was read by William Ruth, and Charles Landis read with fine expression a sketch of the life of Abraham Lincoln. Evelyn Easterbrook recited "Oh Captain, My Captain," by Walt Whitman and an ode on the burial of Abraham Lincoln by William Cullen Bryant was recited by Wilda Eshleman. A paper entitled, "Lincoln's Birthday" which included famous sayings of Lincoln was read by Pauline Snoko.

The musical part of the program consisted of the singing of "America the Beautiful" by a chorus of eight girls, "The Lamp Light Hour" vocal solo by Miriam Steever '24, and singing by the school.

Rev. Wetzel who was a visitor was called upon to speak and told a story about Lincoln which interested the children very much.

OLYMPIC GAMES CAUSE MUCH INTEREST IN U. S.

The New York Sun says that the Fins should win a majority of first places in the coming Olympic Games. The events in which the United States will place likely winners will be interesting because of the strong opposition from England. France, which made a poor showing in 1920, will also present a well balanced team. If America is to win her usual victory she must be presented by a better team than that which traveled to Antwerp four years ago. Booster organizations to finally aid the United States team at the coming Olympic Games at Paris have formed in fifty cities to date. The Olympic committee is endeavoring to raise \$350,000.

**"THE MERRY CUCKOO"
IS PRESENTED AT PHILO**

A Welsh tragedy, "The Merry Cuckoo," was given at Philo last Friday evening in the Normal Chapel. This was the first play under the direction of the new dramatic committee. The Play was in charge of Swirls Himes '25 and Mr. Pennington.

The part of Annie, the wife who tries to make her dying husband happy, was skillfully and successfully portrayed by Peggy Lehman '26. Corbin Pennington '24 showed marked ability in acting the part of the dying husband; the character of Rev. Morris was taken by Clair Smith '24 who was equally well fitted for the role which he assumed. Reba Shue '24 and Lawrence Fosselman '24 interpreted to perfection two characters for which every town is noted—those persons who have nothing to do but attend to other people's business.

The plot showed that Annie was willing to sacrifice even her life to express her love for Davie. His last wish had been to hear the Cuckoo sing: to make this wish come true she imitated the call of the cuckoo. She was severely criticized by her friends and neighbors. As the tragedy ends and Davie dies, her friends understand her motive and forgive her for her deception in the imitation of the Cuckoo.

The spirit of Valentine's Day was observed in a reading, "The Origin of St. Valentine's Day" by Mildred Lutz '24. The Valentine plan was also carried out in the Philo Review presented by Elizabeth Shaull '25.

The visiting teacher, Miss Huber, gave a short talk on "The Sinking of the Battleship, Maine."

**INTER-CLASS BASKETBALL
COMPETITION SOARS HIGH**

Inter-class basketball competition soared high this week, the conflict being close and each team being boosted by a spirited crowd of rooters.

Displaying their usual skill and accuracy in shooting baskets and putting up a well fortified defense, the varsity neatly defeated the Junior First team, Monday evening on the Gym floor, by a score of 33-7.

The battle was a hard fought one on both sides and although both teams guarded very closely the Senior guards were unable to check Mabel Smith's skill in shooting baskets and Peggy Lehman's cleverness and dexterity in handling the ball.

The line-up was as follows:

Varsity	Seniors
Felton	JC Andrews
Minehart	SC Reiter
Smith	F Warfel
Taughinbaugh	F Crozier
Rhine	G Huber
Heckman	G Seiders

Subs—Eisenhower for Felton, Lehman for Taughinbaugh.

The game was a good one in spite of its one-sidedness for many expert passes were seen and very good defensive measures were used by both sides.

The underclass girls put another victory on their score board this week when they conquered the Junior Second team, last Saturday morning, the score being 29-10. "Pud" Easterbrook, jumping center, along with the other defensive workers is doing some very commendable guarding, and together the under class girls are showing some praiseworthy fighting.

The Senior First met the Junior First, last Saturday morning the latter losing 23-7. The Juniors also bowed to the Varsity Tuesday in a well contended battle. All played hard but the Varsity strong line could not be impaired.

**DR. LEHMAN AWARDS PRIZES
TO WINNERS OF ADV. CONTEST**

Thru the interest of Dr. Lehman, proprietor of Lehman's Drug Store of Shippensburg, an unusual project was presented to Prof. Pennington's class in Journalism. Prizes were offered by Dr. Lehman for the three best advertisements submitted by the class, applicable for advertising Happiness Chocolates.

The prize winners were: first prize, Myrtle Eshelman '25; second prize, Wallis McKendree '25 and third prize, Mae Parfet '24. Each received a pound box of Happiness Chocolates.

A little library growing larger every day is an honorable part of any child's history.

Without courage there cannot be truth, and without truth there can be no other virtue.

**PAGEANT GIVEN AT
Y. W. C. A. MEETING**

The Y. W. C. A. presented a foreign missionary pageant at the last Sunday evening's meeting, the theme of which was the enlightening of foreign women by Christian womanhood.

The tableau was skillfully worked out under the direction of Miss Arnold and Miss Robb with the following cast:

Mildred Shirk—Miss Pershing
Edith Williams—Mexico
Margaret Peters—Japan
Anna Berkins—Japan
Florence White—Korea
Mary Troup—India
Ruth Frank—South Carolina
Christian Women—Mildred Kline, Helen Maxheimer, Sarah Rider, Reba Shue, Ellen Welsh and Mabel Zimmerman.

Ethel McCormick '24 sang the solo parts during the performance.

The pageant will be repeated Sunday evening at the joint meeting in the chapel. Invitations have been extended to the churches of Shippensburg so that the members interested in missionary work will be able to see it.

**PRACTICAL WORK HELPS
CLASS IN JOURNALISM**

The students of the Journalism department of the Kansas State Agricultural College are getting some practical work in their course. The class edited the Kansas Day issue of the Topeka Daily paper in a creditable manner.

Who cannot mercy unto others show,
How can he mercy ever hope to have?

MUSIC DEPARTMENT GIVES FINE PROGRAM IN CHAPEL

The Band, under Prof. Slyter's direction played two marches in chapel last Tuesday. The manner in which these numbers were received, proves that the C. V. S. N. S. student band has made splendid progress since its first appearance in chapel. Dr. Lehman presided at the chapel services. On Thursday, owing to Dr. Lehman's absence, Dr. Heiges took charge of the chapel program. For the first time this year, the girls' choral appeared on the program under Miss Costenbader's direction.

The girls sang a group of three songs. A sacred medley march was presented by the orchestra, followed by singing by the entire student body. Something new in the line of chorus singing was given in the rendering of "There's Music in the Air." The student body sang the melody, while the girls choral sang the coda.

MEN WILL PARTICIPATE IN COMING GYM EXHIBITION

February 28th is the date set for the annual gym exhibition which promises to be bigger and better this year than ever before. For the first time since the custom of giving a yearly exhibition of physical training was started the men of the school are going to join forces with the girls. Coach Ingalls' classes have suffered many changes within the last few weeks so that the number of Senior men has been decreased but despite this handicap, the boys will furnish two numbers on the program. The exhibition will be held at 3:15 and classes will be so arranged that everyone can be present.

The Program is as follows:

Grand March ----- Junior girls
Kick Pin ----- Seniors vs Juniors
Military Marching ----- Men
Irish Lilt ----- Underclass girls
Apparatus Work ----- Men
Wand Drill ----- Senior girls
Group of Dances ----- Senior Girls

1. Spanish
2. Indian
3. Horn Pipe

Free Hand Drill ----- Junior Girls
Relay ----- Underclass girls vs. Junior Girls

JUNIOR HIGH SCHOOL GROUP DEFEAT FRESHMEN

The Junior High School Group, class of '25, easily defeated the Freshmen in a game played Thursday night in the gym. The spectators lined up on the track lent their enthusiasm and excitement ran high even though the game was rather one-sided. The size of the score, 18-6 indicates the brand of ball displayed by the Junior High School organization.
