## NORMAL SOCIETY WINS THE INTER-SOCIETY DEBATE CONTEST

### PHILO REUNION PLANS WILL BE KEPT SECRET

Uniqueness and Originality Slogan  
for Entire Program; Prof. M. L.  
Drum Will Preside

#### TO BE HELD MAY SECOND

The forty-eighth Reunion of Philomathean Literary Society will be held May 2, 1924. The committee is using the slogan "Uniqueness and Originality" for the entire program.

Although the committee will not say just what the idea of the program is, it does say that the whole Reunion will be woven about one central theme. Both the decorations of the chapel and the gymnasium will be carried out in accordance with this central idea.

The best talent of the society has been picked to take part in the various numbers. The people have been practicing for the last four weeks and it is expected that after Easter the finishing touches will be put to the numbers.

Professor M. L. Drum of Bucknell University will be the presiding officer. Prof. Drum, graduated from Shippensburg Normal in 1896. He is the son of Rev. M. L. Drum, a former pastor of the Methodist Church of Shippensburg. After graduating in '96, Prof. Drum returned and took the Scientific course and received his B. S. degree in '98. The following fall he became assistant in mathematics at Shippensburg. Two years later he entered the Senior class at Bucknell and after the completion of the course he became a teacher in Bucknell Academy. Not many years later he became assistant in mathematics in Bucknell University and now, for the past ten years he has been Professor of Surveying at the same institution. While at Normal he took an active part in debating and oratory.

The secretary will be announced at a later date.

The committees for the Reunion are: General Chairman, Genevieve Mitchell '25; Wallis McKendree '25, Business Manager; Theodore Poor '25, Mildred Shirk '24 and Swirls Himes '26.

Reception Committee—Elizabeth Bashore '24, Chairman; Helen Miller '25, Clair Smith '24 and Roy Bamberger '24.

Decoration Committee—Ernest Kennedy, Chairman; Harold Miller '25, John Harris '25, Herbert Zimmerman '25, David Eberly '26, Clair Murray '26, Kenneth McCurdy '25, Louise Swartz '24, Sophia Reiter '24, Ruth Miller '24, Betty Minehardt '24, and Lillian Eshleman '25.

It is hoped that the velour curtains that the Senior class is giving to the school will be ready in time for the Reunion. The Senior class has already ordered the curtain and have been promised that it will be here before May 2.

### STATE INSPECTORS VISIT SHIPPENSBURG NORMAL

The State Dept. has sent inspectors to Shippensburg as well as the other normal schools to take note of the financial conditions of the institutions.

The Inspectors, who are Mr. George S. Call, Deputy Secretary of the Commonwealth, Mr. L. A. Whyte, Accountant in Department of State and Finance, and Mr. Francis B. Haas, Director of Administration Bureau, Dept. of Public Instruction. They expressed their pleasure upon finding the system of improvements at Shippensburg.

### TRACK TEAM HANDICAPPED ON ACCOUNT OF WEATHER

Tryouts for Relay Team Held; Team  
Has Not Been Chosen

The weather has again been a handicap to the track candidates of Coach Jim Smith. The snowfall on Tuesday has forced the men to do indoor work in the gymnasium. Last week, however, the men had their first real opportunity for outdoor work and a great deal of progress was noted.

The tryouts for the relay team which will be sent to Penn. Relay Carnival at Philadelphia, were held. The members of this team will be picked from the following men who have made good time on the track: Jim Smith, Winters, Geedy, Jim Swope, Line, Jones, Hockersmith, Harris and Paul Smith. The team, picked from these men will undoubtedly make a good showing at Philadelphia. This team will leave for Philadelphia the day following Easter vacation where they will run in the greatest athletic contest of the country participated in by Normal Schools. Other Normal Schools, who will enter relay teams, will be West Chester, Millersville, Indiana, Stroudsburg, Bloomsburg and Slippery Rock.

The tryouts for the track team which were to be held last Saturday had to be postponed until later notice because of the poor weather. Some tryouts will be held as soon as the track is in condition for use. The events to be held are: the 100, 220, and 440 yard dashes, 880 yard run, high jump, broad jump, pole vault, discus, javelin, shot put, 220 yard hurdles, mile run and one mile relay. Last Monday evening, Gordon Winters, Geedy, Jones, Harris and Jim Smith made fast time in the 220 yard dash, considering the condition of the track. Practice on the hurdles has been held up because of the soft track.

New equipment has arrived and is being put to good use. John Baker '26 has been chosen as track manager and has charge of the equipment. His assistants have not been chosen as yet but will be named before the Easter holidays.

### PHILO TEAM WILL DEBATE WEST CHESTER NORMAL

Informal Reception Will Be  
Given Teams

Saturday evening at 7:45 in the school auditorium the Philo debating team of C. V. S. N. S. will meet the team from West Chester Normal School. Arrangements for the debate have been completed by Miss Edna Arnold, dean of women, and Prof. John A. Kinneman of West Chester.

The judges will be Prof. J. J. Brehm, principal of Camp Curtin Junior High School in Harrisburg, Dr. Lester M. Conrow, pastor of the Greencastle Presbyterian Church and Dr. George M. McAlister, pastor of the Central Presbyterian Church in Chambersburg. They will judge the debate upon the following basis: 60% for argument, 25% for organization, and 15% for effectiveness in delivery.

A short informal reception will be given to the members of the two debating teams and the members of the faculty who helped the debaters in arranging for the programs. Refreshments will be served in the reception room.

CAPTAIN WALTER STRIKE

### WALTER STRIKE WILL CAPTAIN BASE BALL TEAM

Graduate of Shippensburg High  
School Class of '22; Well Quali-  
fied to Lead Team

#### HAS PART IN MANY ACTIVITIES

Walter A. Strike '25, son of Mr. and Mrs. C. L. Strike of 20 South Penn Street, Shippensburg, Pa., will captain the Red and Blue team on the diamond during the coming season.

His election took place at the close of last season after he had played a successful season with the Varsity nine of '23.

Strike was born in Shippensburg, attending the public schools of the town. He is a graduate of the Shippensburg High School of the class of '22, of which he was president. After the completion of his course there, he continued his education by entering the Junior Class of the local Normal School in the fall of 1922. He is at present a member of the three year Junior High School Group Class and will be graduated in June 1925.

Strike has been a willing worker and has shown a great deal of interest in all his school activities. He is a member of the Normal Literary Society and was a prize winner debater of the Normal team in the inter-society debate of last week.

Strike has had quite a bit of experience in baseball and is well qualified to lead his team. He played the entire four years on the varsity while at Shippensburg High School. During the summer month of '21 and '22 he was a member of the Shippensburg A. A. Team, while last summer he played a good brand of ball with the fast Standard Steel Company's team of Lewisstown, Pa. A good season is expected under the leadership and guidance of Capt. Strike.

### NAMES OF HONOR STUDENTS ANNOUNCED IN CHAPEL TUES.

Dr. Lehman announced the names of the three highest honor students of the Senior Class in Chapel Tuesday. They are Mildred Shirk, Mabel Zimmerman and Leah Decker.

#### EDITOR'S NOTE

Since school will close Wednesday noon, there will be no paper issued next week. The first paper after the Easter vacation will be published Friday, April 25th.

### VARSITY NINE WILL OPEN SEASON TOMORROW AFTERNOON

Will Play Gettysburg Academy Next  
Wednesday Afternoon

The Red and Blue nine will play the second baseball game of the season at Shippensburg with the Gettysburg Academy team on the Eckels field, Wednesday, April 9, at 3:00 o'clock.

The first regular scheduled game will be played to-morrow, Saturday, with the Junior Varsity of Dickinson College. Owing to the heavy snowfall during the early part of the week it was thought that the diamond would be unfit for play, but it was announced this morning that it would not be necessary to postpone the game.

It is expected, from latest dope received on the visiting nine of Wednesday next, that they will put a classy set of players on the plot. This game will be the first game ever played in baseball with the Gettysburgians but it is to be remembered that they played the opening game of the cage season with the Red and Blue quintet and beat the local team by a neat lead. It is likewise supposed that they will be able to play a good brand of baseball.

Coach Ingalls was compelled to abandon his indoor practice on Wednesday and Thursday. The cessation of practice will be a handicap to the squad but it is expected that if the weather permits, Coach Ingalls will send his team through stiff workouts at the opening of next week.

Coach Ingalls has a valuable pitching staff for the season in "Pal" Smith, Dan Grove, Hamil, and Walters. "Pal" Smith will, in all probability, be the opening moundsman for the Wednesday fray, with Sammy Angle at the receiving end for the Red and Blue. "Cliff" Smith, veteran first baseman of '23, will hold down the initial sack while Capt. Strike will be on the second paddock, Bob Line at third and Hamil at short stop. This promises to be the best working infield set at present although there are many promising aspirants for the infield jobs. Jimmy Swope, Oscar Blynn, Bud Bailey, Harry Smith and Geedy will be the ones who will be sent to the field positions.

This game will mark the opening of the Easter vacation for the Shippensburgians, and the team will be given an eleven day rest period before they return to diamond activities.

### NORMAL DEBATING TEAM WILL GO TO MILLERSVILLE

Negative Team Has Strengthened  
Its Arguments

Normal Society Debating Team will go to Millersville Saturday to debate the negative of the question, "Resolved that the 3% Immigration Law should continue in effect."

The trip will be made by automobile, Mr. Shearer acting as chaperone. Since the inter-society debate last Friday, the negative has strengthened its weak points and revised its argumentative material. With these changes Normal is going to Millersville with high hopes of winning.

### NO CHANGES ANTICIPATED IN FOOTBALL RULES

The Football Rules Committee contemplates, in their annual meeting, that there will be no radical changes in the code governing the national college sport.

### PHILO DEBATING TEAM DEFEATED BY NORMAL

Helen Miller '25 and Walter Strike '25  
Win Prizes offered for Two  
Best Debates

#### HONORS ARE EQUALLY DIVIDED

The annual Inter-Society Debate was staged in the chapel last Friday evening at 7:30 o'clock. The judges for the debate voted 2-1 in favor of the negative Society. Normal Society debated negatively, the question, "Resolved, That the three per cent Immigration Law Should Continue in Effect" while Philo debated the question affirmatively.

Previous to last year's debate both societies had won an equal number of victories. Philo Society's triumph last year had made the score 5-4, but now that Normal has again risen to the front the honors are divided equally once more.

Margaret Lehman '26, first speaker for the affirmative, proved that the present law was selective, elastic and restrictive. Clair Smith '24 aided his colleagues by arguing the three per cent immigration law had served well in the past and that it was the logical course to pursue in the future. The last affirmative speaker was the captain of the team, Helen Miller '25. Miss Miller used as the basis of her argument the fact that it was an impossibility to have more or less immigration than that amount provided for by the three per cent law.

Harry Slothower, speaking for the members of his team, presented a new immigration policy to replace the present policy. The plan was based on two per cent of the 1890 quota plus an intelligence test, as well as a certificate and card file, the latter to be used in both the United States and foreign countries. Walter Strike '25, and Sara Young '25 helped prove that the proposed plan would be feasible for social, political, economical and radical reasons. Mr. Strike used the assimilation problem as one of his strongest points.

A four minute rebuttal was given by each speaker, Miss Young succeeded in killing some points made by the affirmative, whereas Miss Miller, who gave the last rebuttal, left the audience and debaters after she had delivered a spirited refutation, in which she termed the negative plan a mere condition of their own minds and as such unable to prove anything.

Each year two prizes in books are awarded by Mrs. Louise L. Lehman, to the student winning first and second prizes in the debate. The judges awarded the prizes to Helen Miller '25 and Walter Strike '25.

The judges were Robert L. Myers and Prof. Rohrbaugh, Carlisle, Pa. and Hon. T. Z. Minehart, attorney-at-law in Chambersburg, Pa. Dr. Ezra Lehman presided.

### REGULAR MEETING OF Y. M. AND Y. W. C. A. HELD IN CHAPEL

The monthly joint Y. M. and Y. W. C. A. meeting which was held in the chapel last Sunday evening was held by Claude Mellott. The speaker for the evening was Rev. Wetzel of the Reformed Church of Shippensburg. His text was based on a passage taken from the scripture, "Temptations of Jesus." He said, "It is only when you know the strength of the foe that you know how to deal with him. Temptation is an inner struggle. No man can run from an inner struggle. You carry it with you wherever you go."

The Campus Reflector invites communications of interest to the school. All letters must bear the signatures of the writers. Subscription Price, \$1.00 the school year for resident students; \$1.75 the school year for non-resident subscribers. Office Room, 23 Main Building, C. V. S. N. S., Shippensburg, Penna. Acceptance for mailing at special rate of postage provided for in section 1103, Act of October 3, 1917, authorized February 9, 1923.

FRIDAY, APRIL 4, 1924

THE SCHOOL SOCIAL

The monthly social that was to have been held last Saturday night was called off by the faculty committee in charge of the dance. The committee's reason for this action was that only about one fourth of the students signified a desire to attend the dance.

It has been a custom of the past several years to assess the students of C. V. S. N. S. the sum of twenty-five cents. The money so collected is used to pay the orchestra for the dances. Some of the students feel that they are unjustly taxed, since they have already paid a semester fee which entitles them to attend the social functions of the school, but let us remind these students that in a lecture such as the one given by Dr. Grenfell, about three hundred and fifty dollars of the semester money is expended. An equally large sum is necessary to operate an athletic season. The semester fees are certainly not hard to account for!

Since only about one-fourth of the students had paid their fee last Wednesday evening, March the twenty-sixth, the next day in chapel the committee announced that no dance would be held.

Because some students take the stand that the fee paid should include admission to dances, there are many quarters which are never collected. There are some students who enjoy the dances but refuse to meet the obligations that are imposed. As a result the faculty committee is forced to meet the deficit in the sum that is used to pay the orchestra.

There seems to be a lack of system in the management of the school socials. Surely there is a way of avoiding the unpleasantness that results from the monthly dances. There should be some method employed whereby it would be possible to check up on those students who do not pay their assessment. It is unfair to the students who have paid their assessment and unfair to the members of the committee that they should have to pay the greater part of the price that is necessary to reimburse the orchestra.

The students feel that the drive was brought to a close at too early a date. They have been accustomed to contributing at dates as late as Friday night or Saturday morning. Thus a misunderstanding of the situation may have been created by the early announcement of the close of the drive. Would it not be advisable to issue tickets for the socials even as tickets are sold for an entertainment?

If this plan would be commercializing the dances and the school fee that is paid for social privileges is not a large enough one, why not make the semester fee a larger one, so that all the arrangements for orchestras could be made through the office, as the arrangements for entertainments are made?

The placing of the blame for the failure to have the last dance seems to be divided on a fifty-fifty basis. In other words, the students feel that one half of the fault that is found because no dance was held finds a target in the faculty committee while the other half rests with them.

The consensus of opinion is that the canvassing for the money was not done in a systematic and conscientious manner. In some instances when the canvassers called they found the students out of their rooms and they were unable to find them. There is a possibility that some students were thus not visited.

On the other hand the students were decidedly slow in showing a desire to attend the dance. As we have said before, more time should have been allowed them in which to collect the money, but those students who were visited should have met their obligation when they were visited instead of waiting until the dance was called off and then wildly rushing to the collector bewailing the fates that were preventing the dance.

In the future there should be better cooperation between the students and the faculty committee. Students expecting to attend the dance should be required to pay their fee and not expect the faculty to pay for the orchestra. How can the students expect plans to be made for a dance, when they do not signify a desire to have a dance until the eleventh hour?

Take heed students of C. V. S. N. S. that last Saturday's misfortune is not repeated. The next move on the checkerboard of the monthly school socials is yours. If you are desirous of attending the dance in the future, begin now to start the ball rolling. Do not wait until the last moment and then lay the blame on the committee's shoulders and expect a few of your number to be able to change the committee's minds. It isn't a good policy and it has been proved that it doesn't work.

"CAMPUS REFLECTOR" WILL STAGE SCHOOL SONG CONTEST

A School Song Contest is being arranged by the "Campus Reflector." The school song is to be used during the Spring athletic season and all the other athletic seasons that will follow. The "Reflector" aims to present the school, through the medium of the contest, with a new peppy song that will enliven the athletic contest, a song that will not replace the Alma Mater, but one that will grow to be as dear to the hearts of the students and alumni as the "Alma Mater" is. The contest opens this evening at six-fifteen and no song will be accepted after Friday, May 2 at six o'clock. Students are not necessarily to be the only ones who may contemplate entering the contest. Any subscriber for the paper is eligible.

There have been no definite arrangements made for the judges for the contest, but it is thought that probably the music department will consent to act in the capacity of judges.

The "Reflector" is anxious that a large number of the students as well as a goodly number of the alumni, submit songs and as an incentive they are offering a subscription for the paper for one year.

The following are the rules that must be followed in submitting a school song:

1. Music must be original.
2. Words must be original
3. All compositions must be written in ink.
4. All compositions must be written on music composition paper, the words being written in the space between the bass and treble cleff.
5. All communications must be addressed to the editor-in-chief of the "Campus Reflector."
6. Contest closes Friday, May 2, at six o'clock P. M.
7. All students and subscribers of the "Campus Reflector" are eligible.

The winner of the contest will be announced in the paper that is issued May 9 and the song will be presented to the student body at the following chapel exercises. If it is at all possible, Prof. Slyter will then instruct the school in the vocalization of its new school song.

GIRLS' BASEBALL ATTRACTING MANY C. V. S. N. S. STUDENTS

Sixty Juniors and half that number of underclass girls have been filing over to the Normal gym during the last week to organize class base-ball teams.

The object of baseball this year will be two-fold; first, to develop teams made up of players who have learned team work through conscientious effort and practice and second, to produce girls who know enough about base-ball to pass a test. This test will warrant their ability to coach base-ball and will be accompanied by a personal write-up stating this fact.

Miss Heffermann, the coach, and Ruth Miller, the student head of base-ball, announced that no games will be played this year in a hit or miss fashion. Teams will be organized and no games played without practice.

The girls will play according to regular boy rules but the girls' ball will be used. Student coaches will be developed for side-coaching and all other phases of boy's team work will be introduced. The double-play also will be stressed.

During the spring vacation a regular baseball diamond will be made for the girls. It will be approximately where the hockey field now is and will be cleared and equipped, it is hoped, by the coach, for the biggest and most successful of base-ball seasons.

DR. DANN PAYS ANNUAL SPRING VISIT TO SCHOOL

Dr. Hollis Dann the head of the state department of music, made his spring visit to the school last Friday.

An extra chapel service was held in which Dr. Dann led the student body in singing. He was especially pleased with the improvement in the chapel music.

Most of his time was spent in the Training School as he was most interested in the work of the Seniors and student teachers.

REFLECTIONS

Reba Shue

"Boots" Shuler '24

There is always a cause  
 There is always a reason,  
 When one says we have had  
 A bum basket ball season.

Of course you remember,  
 Friday night in the chapel  
 How the debaters fought  
 To almost a grapple.

Oh what a roar,  
 Oh what a shout,  
 As the judges' decision  
 Was given out!

The walls were rocked,  
 The lights swayed too,  
 As the shout of the throng,  
 In volume grew.

To hear that once,  
 On Eckels' field,  
 Who can tell what result,  
 That shout would yield?

You have your chance,  
 Base ball is here;  
 Fall into line,  
 And let's all cheer.

You see him on the Campus,  
 Wherever there's a crowd.  
 Of course you cannot miss him,  
 His voice stands out so loud.

He is there among the ladies;  
 Oh how his mouth does move!  
 Used to the same old chatter,  
 Like a sliding door to a groove.

At last when all is said and done,  
 And you have had your fill,  
 He walks away to one's delight  
 Because your feeling ill.

He comes around when work is o'er.  
 And picks out all the wrongs,  
 More to hinder than to boost,  
 Or help a cause along.

To hear him shout beyond a doubt,  
 If you ever get the chance,  
 Just ask him for some money,  
 For a social or a dance.

April Fool's Day was officially announced from the chapel platform Tuesday. We hope the vacation announcement did not fall under the same division.

Some people do not seem to realize that the official decision of the debate was settled last Friday.

ANNUAL TEACHERS' CONVENTION TO BE HELD AT INDIANA

The annual teachers' conference will be held April 11 and 12 at the Indiana State Normal School. The principals and teachers of all the Normal Schools will be present to consider different problems of school administrations. The different departments of the schools will meet separately.

The trustees have been invited to attend the conference and those who have been chosen as delegates from Cumberland Valley State Normal School are: J. B. Benedict, Waynesboro; Geo. W. Himes and Geo. S. McLean of Shippensburg.

The trustees of the Indiana Normal Schools have invited the other normal schools to be their guests during the conference.

The session will begin at 9:00 Friday morning and continue until 3:30 Saturday afternoon. Dr. Bagley of Columbia Teachers' College and Dr. Judd of the University of Chicago, both of national reputation for their work in Normal Schools, will address the general sessions.

Dr. Lehman will preside at the general session to be held Friday forenoon. Other people who will take part in these sessions from the Cumberland Valley State Normal School are: Miss Edna Arnold, Miss Elizabeth MacWilliams, Miss Kathryn Cox, Miss Alice Huber, Miss Irene Huber, Mrs. H. Wylie Stewart, Miss Hannah Keiffer, Miss Grace Kyle, Dr. Heiges, Prof. Harley, Prof. Smith, Prof. Krebs, Prof. Burkholder and Prof. Grove.

Five days and three hours ago, the students of Normal once more brought forth upon this school a hibernating subject, received by inheritance, and based on the theory that three is an even number. Now they are engaged in a great experiment, testing whether that subject, or any subject so received and so based, can long endure. The students are showing great ability in that subject. They have come to dedicate a portion of this school as a memorial for those who are giving their time in order that this subject may prosper. It is altogether delightful for the students to thus use their time. But as a matter of fact they cannot use their time, they cannot enjoy this delight—they have lessons to prepare. Their enlightened teachers, young and old, have assigned lessons far above their power to add or subtract. The envelopes will little note, nor long retain, what they do in class, but they will never discard the results of this experiment. It is for the present students rather to advance this great unfinished work which they who were graduated have thus far so nobly carried on. It is rather for the students to be here dedicated to the great work remaining before them—that from the honored graduates they take increased devotion to that cause for which they gave their last full measure of devotion; that the students here highly resolved that the graduate shall not have worked in vain; that this course, with innovations, shall have a wider breadth of freedom; and that this subject of the students, by the students, for the students, shall not perish from the campus.

It isn't often that the strings by which a girl leads a man are as visible as the one that was noticed last week.

If initiative is a desirable quality, we recommend the class of '24. First they planned their Junior reception without the aid of the trustees, and now they are too previous with their Senior officers.

C. V. S. N. S. GIRLS TAKE FIRST SPRING HIKE

Many knicker clad maidens started gaily on the first hike of the spring season at four-fifteen, Wednesday. The event had been postponed from Saturday because of the rain. The expectations for real Spring weather, although not fulfilled mattered little to the hikers for "What could be more fun than a snow-hike?" This jaunt into snow-covered fields was the first time in the history of C. V. S. N. S. that it had ever been attempted.

The climax came with the song competition contest. Each class presented a hiking song and that of the Underclassmen, which was composed by Nellie Wiseman was voted the best.

Another hike, the "Hare and Hound Chase," will be held Saturday morning, April fifth, at five o'clock for the Seniors who will be the hares and six o'clock for the remainder of the hikers who will be the hounds. The two first hikes are only samples of the kind that are to follow, according to the leader of hiking, Miss Louise Swartz.

JUNIOR HIGH SCHOOL BAND MAKES FIRST APPEARANCE

The Junior High School Band under the direction of Edwin Harbaugh made its first appearance at the Training School Assembly Friday, March 29. Nine boys playing four alto horns, four cornets and one drum made up the band. They played a waltz, "Queen of My Heart."

Educational slides on Japan were shown for the greater part of the hour. Pictures representing types of buildings, modes of travel, plant life, idols, temples, bridges and style of clothes, were shown. The type of clothing worn by farmer and the Mikado, as well as portraits of Japanese rulers, were thrown on the screen.

**NORMAL PLANS TO HAVE  
VARSITY TENNIS TEAM**

The tennis season for the co-eds will open officially this week when a meeting of all recruits will be called by Genevieve Mitchell '25, head of tennis. The girls will be divided into sections according to their classes and a captain pro-tem appointed for each squad.

In order to obtain the hundred points given for tennis, it will be necessary for each girl to play three sets a week, two of which must be played before breakfast at the regular practice periods set aside on Wednesday and Friday mornings. It will be the duty of the captain of each squad to keep the roll of her squad and a record of all sets each girl has played.

Tennis promises to be a bigger thing this year than ever before for plans are under way to have a varsity tennis team. Negotiations are pending with Dickinson to schedule a game with the latter's team.

Class teams will be chosen from the girls who turn out for the sport and one afternoon a week will be reserved for class tournaments.

**TRAINING SCHOOL GIVES  
EXHIBITION IN GYMNASIUM**

The Training School held its annual gym exhibition Friday, March 28, in the C. V. S. N. S. gymnasium.

The seventh, eighth and ninth grade boys and girls opened the program with a grand march which contained many intricate figures. The rest of the program was divided into three sections, Primary, Intermediate and Junior High.

A demonstration lesson in free exercise under the direction of Gladys Huber, student teacher was given by the fourth, fifth and sixth grade boys and girls. This is a type of the kind of exercises the children get in the school rooms.

The Primary kiddies performed several dances and games. Some were dressed in red suits and others wore crowns. "The Shoemaker's Dance," "Looby Loo," "Washing Song," "A Kindergarten Polka," and "Black and White," were the titles of some of the dances.

Troupier Sipe gave a solo dance. She was dressed in a fairy costume and repeated the dance which she gave in the Training School Cantata, "A Dream of Fairyland."

An unusual stunt was given by the seventh grade boys under the direction of Roy Funk '24. Four different kinds of pyramids were built by the boys. They kept their balance thru-out the stunt and their form was pronounced almost perfect.

The Intermediate girls gave two dances, "Reap the Flax" and "Bleaking."

The program was closed by a game and Scout demonstration. The seventh, eighth and ninth grade girls played "Captain Ball" and the Junior high boys showed the audience how to tie knots, build fires and other Scout tricks.

**DR. HEIGES ADDRESSES  
SABBATH SCHOOL SERVICE**

Dr. Heiges gave a talk on the lessons covered during the last quarter, at Sunay School last Sunday morning. He gave a very clear and interesting review of the work which has been studied during the last three months.

The orchestra played several selections during the service. The attendance Sunday morning exceeded that of any previous service this semester. The closing prayer was made by Dr. Ezra Lehman.

**ARTS AND CRAFTS CLUB  
HOLDS REGULAR MEETING**

The Arts and Crafts Club met Tuesday at four-fifteen in the Art room. A large attendance was out to continue the work of decorating and painting Easter eggs. The eggs are being painted in bright colors and most attractively decorated. They represent heads of clowns, Indians, Negroes, Chinamen and flappers.

Tuesday, April 8th from 4:15 until 7 o'clock, the eggs will be on sale in the Art room. The members of the club recommend them as excellent Easter gifts to take home to small sisters and brothers.

**EASTER VACATION BEGINS  
NEXT WEDNESDAY EVE.**

School at C. V. S. N. S. will be closed Wednesday, April 9, for the Easter vacation. Work was previously planned to stop at noon April 10, but at a meeting of the trustees it was decided to close a day earlier in order to allow the teachers to have time to make the trip to Indiana State Normal School, so that they could attend the Pennsylvania State Normal School Teachers' Conference to be held on April 11. Most of the local teachers will make the trip by auto. School will be resumed at 8:15 Tuesday April 2.

**STUDENTS OF LAFAYETTE  
CRITICIZE HONOR PLAN**

Lafayette College has a new honor plan which is suffering adverse criticism from the students. The criticism is centered around a so called honor button which is to be worn during the examination periods. The student who wears the button is placed on his honor during the examinations. Objection to the plan seems to be based upon the assumption that discrimination against the man without a button would be an inevitable result. The majority of the opinions expressed opposed the honor system.

# ALUMNI

C. R. Coyle '16 is coaching athletics at Marysville High School. Mr. Coyle has turned out winning teams in both football and basketball during the season just passed and he expects to have a winning team in baseball. The Marysville High School has assumed her high standing in athletics only since Mr. Coyle has taken charge of the physical education work.

A. Sterling King is Principal of the Royersford Junior High School and is teaching physical culture and geography at that place. Mr. King was a member of the class of 1922.

Miss Sue M. Shive of the class of 1919, of Harrisburg, is expecting to attend the summer session at Columbia University.

M. Ruth Groninger (Beaver) of Port Royal, Pa., who is the president of the class of 1914, is making extensive plans for the class reunion on Class Day.

L. L. Bomberger is an attorney-at-law at Hammond, Ind. Mr. Bomberger was graduated from the C. V. S. N. S. in the class of 1894, and is expecting to attend his class reunion at his Alma Mater on Class Day.

Gertrude Wolff of the class of 1913 is teaching in Roland Park Private Day School, Baltimore, Md. Miss Wolff visited Normal over the week-end.

Frank L. Sweigert of the clas of 1899, is located with the N. W. Ayers & Son Advertising Company of Philadelphia, Pa.

Miss Grace Eshenower is teaching in the Harrisburg Schools. Miss Eshenower was graduated from the C. V. S. N. S. in the class of 1905.

Paul Wert '23, visited C. V. S. N. S. this last week-end. Mr. Wert is teaching in the Biglerville High School. Mr. Wert is president of last year's class.

Miss Eva McCurdy is teaching at Delmont, Pa. Miss McCurdy was graduated from the C. V. S. N. S. in February 1924.

Ralph Heiges '23 was one of a squad of athletes who were awarded letters for basket ball by Ursinus College.

Chalmers Sell is teaching the fifth and sixth grades at Wormleysburg. Mr. Sell was graduated from C. V. S. N. S. in February, 1924.

# "GOOD SPEECH WEEK" DISCUSSED AT TEACHERS' CLUB

"Good Speech Week" was the subject of Hilda Hartman's discussion in Teachers' Club Friday, March 29. Interest in the movement can be stimulated through the use of tags, posters, assembly meetings, class competition, speakers from the community, plays or pageants.

Mabel Kline, discussing "Music Week in the Schools" emphasized the fact that American composers and Conductors of music are increasing in numbers and quality.

A vocal solo, "Sing Me to Sleep" by Miriam Steever with violin accompaniment by Miss Cox and a piano solo by Jean Swope made up the musical part of the program.

Short speeches were made by the visitors of the club, Dr. Hollis Dann, Prof. T. S. Davis, Prof. Wineland, Prof. Fleck and Prof. Eisenhower.

We learn wisdom from failure much more than from success. We often discover what we will do by finding out what we will not do and we probably never made a discovery.
