

'Can Go Through In Three Years' Says President

**Dr. Van Houten Arranges for
Full Summer Session**

President L. H. Van Houten reports that at a recent Board of President's meeting held in Harrisburg, a plan was worked out whereby a student could complete his college course in less than four years. This was done to enable students who are going to be drafted to finish school first, and also as a measure to meet the increasing demands for teachers.

The Board decided to have twelve weeks of summer school, divided into three periods. These would consist of a 3-week pre-session, a 6-week regular session, and a 3-week post-session. The semester hours of work that can be covered at the full summer course range from 12 to 15.

Students may go to one or all sessions. Freshmen may enter at any time, also. Freshmen would be able to graduate in three years by attending three regular sessions and two summer sessions of twelve weeks each; or by attending three regular sessions and three summer ones of nine weeks each.

(Continued on Page Four)

Representatives To Council Are Elected

According to the constitution of the Student-Faculty Co-operative government the men class-representatives on the council are elected every February. Consequently, the several classes held elections to fill this office last week. Retiring Council President Bill Bohn was succeeded as senior representative by Daniel Wolchik. Oliver Wester became the new junior representative, succeeding Richard Rockwell. Frank Holowach was re-elected to membership to the Council as the sophomore representative. The women members of the council who are commencing the second half of their term, are Kay Davis, Alice Sewall, Margaret Kingsley and Bess Swaney.

MARIE SMITH HONORED

Mrs. Marie Allen Smith was honored at a post nuptial shower given by her house-mother, Mrs. Rachel Manross, Tuesday evening, January 27, 1942.

Organizer Of Erie Branch Succumbs

Miss Celestia J. Hershey, one of the organizers and long-time principal of Erie City Normal School, died February 14 at her home in Erie.

Miss Hershey was in charge of student teaching and was the Dean of Women in the Erie branch of Edinboro State Teachers College until her retirement.

Termed by her friends and acquaintances as a very remarkable person, she has had under her supervision, at some time or other, the majority of the present elementary teachers and some high school teachers in Erie.

Ring Out The Old, Ring In The New

Clubs, Groups Elect Officers

Death and taxes are credited with being the two certain events in life. To these the election of officers, perhaps, could be added.

On Tuesday, February 10, the following new Alpha Delta officers were inducted.

President, Betsy Vincent; vice-president, Phyllis Myers; treasurer, Margaret Caffisch; secretary, Margaret Kingsley; corresponding secretaries, Hazel Dennison and Gene Kaminski; historian, Marjorie Martin; critic, Ellen Haiston.

House Council Officers

Nominated, elected and installed all in one evening—the evening of February 1—were the following House Council officers of Haven Hall:

President, Gurley Himes; vice-president, Hazel Taylor; secretary, Peggy Heim; treasurer, Charlotte Cotton; social chairman, Bettie Miller; fire captain, Jane Vaughn.

Y. W. C. A.

At the helm of the Y. W. C. A. cabinet is Ruth Wagenknecht as president, with Charlotte Rumsey as vice-president, Eleanor Rose as secretary, Camille Peck as treasurer, Margaret Caffisch as devotional chairman, Virginia Ingraham as program chairman, Bettie Miller as music chairman, Bess Swaney as advertising chairman, and Bertha Bensink as reporter.

Social Arts and Canterbury Clubs

Having reached its two-year existence mark as an extra-curricular (Continued on Page Four)

MEMORIAL SERVICE TRIBUTES FORMER E. S. T. C. PRESIDENT

Twenty-four Enroll For Home Nursing

E. S. T. C. is showing her spirit by active participation in National Defense efforts. A Red Cross Home Nursing course, taught by Miss Ober, is under way, while Mr. Gerald Clover and Miss Ruttie are conducting a Red Cross First Aid course.

The Home Nursing course offers opportunity to any girl who is eager to show her patriotic spirit. The present class is limited to twenty-four members, but new classes will begin when these are concluded. In this Home Nursing course the girls learn to care for the sick, manage a healthful home, care for babies and children, and prepare to meet any emergency which may arise. This course is both unique and helpful.

The Red Cross First Aid course is another opportunity for the real American student to do his or her share in the Victory Program. The girls enrolled in either of these courses are doing their bit.

Abram Chasins Is Featured March 11

Internationally known pianist Abram Chasins is to appear in the college auditorium March 11 as the fourth number of the lecture-entertainment course. The program starts at eight o'clock. Mr. Chasins is recognized as one of the most versatile artists of his generation and is active in numerous fields of musical endeavor, being known the world over as a pianist, composer and keen musical analyst.

Among the achievements of Mr. Chasins' are appearances as the soloist with the New York Philharmonic, Philadelphia, and Boston Orchestras, composition of the first American works to be played by Toscanini, association with Rachmaninoff, Hoffmann and Godowski, membership in the Curtis Institute faculty, and appearances as commentator on leading radio broadcasts. Mr. Chasins also has his own piano series over a national network.

Dr. Crawford Commemorated at Assembly; Wreath Placed on Plaque

Dr. Clarence C. Crawford

"A new challenge of a new civilization of a new world —is your inheritance."

Dr. C. C. Crawford, 64, president of Edinboro State Teachers College from 1923 to 1938, died Saturday, February 7. He had been ill the last two years.

The well known president emeritus of the college resigned in 1938 because of ill health, but for some time continued teaching his favorite subject, social studies.

Dr. Crawford was born on May 14, 1878, in Westmoreland county. He received his bachelor of arts and doctor of literature degrees from Grove City College and after he was appointed to the faculty of Edinboro he taught social studies.

Memorial Service

A memorial service whose simplicity and feeling showed the remarkable respect Dr. Crawford was held in by both faculty and students took place in the auditorium Thursday, February 12.

During the time which elapsed between the first words spoken by Dr. Mudge, who had charge of the ceremony, and the last tribute paid by President Van Houten, not a sound was heard in the auditorium as the students strained forward to catch every word. The speakers' stand was flanked by two vases of white flowers; and it was from here that Dr. Mudge read a tribute he had previously read at the funeral. Mr.

haven's ravin's

Ever see a scene? Well, picture H. Williams being yanked out of bed by P. Davis and G. Himes, and dragged to the scene of crime (which up to this point had been sleeping in P. Ellwanger's room until she [J. Baldwin] found it necessary, in pure self defense to douse the area in ammonia—an effective way of getting rid of pests)...enter S. Wilson, briskly upon the scene...we censor what next took place. but may we assure you. there wasn't a stone left unturned.... And while we're discussing the war situation around Haven...did anyone see the blitz that hit Thayer's last week-end? The week-end of registration left Haven definitely hollow...what with everyone home for a short vacation and all; so having nothing better to do, we mosey up to Masterson's room (she's the dark-haired one who's playing ball with the state of Jersey) ...and she writes poetry, no less...Someone yells "keep the home fires burning"...and we wonder what's the use....there's no one here to keep warm this week-end.

reeder's digest

Why the sudden rivalry between Harkins and Santos for Kay Henderson?

Why does the swiping of Bettie Miller's picture make Clint Thomas rage—is it puppy or is it real love Love for Erie nurses has made Ulrich and Wolchik neglect their required appearance at Haven.

Campus buildings have unregulated, automatic hot-air heating since Schaaf has returned.

A Haven Hall red head and a draft board are opposing each other for Stubbe's possession.

Phi Sig Sez:

(PHI SIGMA PI)

With pledging and Hell Week over, the Phi Sigs initiated five new members into the ranks. The neophytes are John Ward of Erie, Clinton Thomas and Richard Jenkins of Union City, George Hills of West Springfield, and Dewey Long of Pittsfield.

With many social meetings on the docket for the remaining months of school, the fraternity is contemplating such things as sleigh rides, skating parties, another of our famous (?) week-end parties, the spring dinner dance, and the soon coming Inter-Fraternity-Sorority Dance. The committee for this dance is composed of two members from each of the three Greek letter organizations participating. The committee members from the Phi Sigs are Jack Bonnett and Warren Anna. The committee is planning for an all-out dance.

Three of our members are now on Student Council. These are: senior, Daniel Wolchik; junior, Oliver West-er, and sophomore, Frank Holowach.

Nuf sed for this time.....

Kappa Komment

(Kappa Delta Phi)

With the slogan "Boston or Bust" on their lips, and sign-bedecked bags in hand, four Kappa Deltas left Edinboro last Thursday morning to attend the annual national convention of the fraternity in Boston, Mass. The quartette consisted of two groups with Bloch and Mensinger traveling together, and Blasdel and Synder bringing up the rear. The latter two were the first to arrive in Boston, after traveling all night. The other pair arrived the afternoon of the same day, Friday. In addition to covering as much of Boston as possible, the delegates d'd also attend the annual banquet, where they met fellow Kappa Delta Phi men.

After the banquet, Rev. Carl Kopf, pastor of the Mt. Vernon church, of Boston, addressed the assemblage. He in turn was followed by reports of each chapter, with Jack Mensinger reporting on Theta's activities. The program was brought to a dramatic close by the singing of the national fraternity song followed by the national anthem.

The next item on Theta chapter's social calendar is the program of pictures to be presented on March 2nd by Bob Ford, to which everyone is urged to come. The time is 8 p. m., and the place is the new auditorium. Admission is 25c for adults and 15c for children.

'Y' CONFERENCE ATTENDED

Jack Bonnett, Dr. Mudge, Katherine Hipple, Elinor Sebring and Donna Bertram attended a joint Y. W. C. A. and Y. M. C. A. Conference at the University of Pittsburgh Friday and Saturday, February 6 and 7.

They Talk:

The student teachers came back from their ordeal of student teaching. And the minute they arrived questions shot at them from every quarter: "how'd you like it?" "how didya do?" "what do you think of it?" and so on, on into the night.

People seemed to be concerned about the way the S. T.'s had handled their jobs. They asked many questions, not alone because they knew the participants and were interested in them, but also because all the under classmen had this task still before them. It was natural that they wanted to know what it was like, because they were going to have to go through the same thing themselves some day. Thinking to make things easier for everyone we took pencil in hand and went out to ask a few questions on our own.

Like all good interviewers, we had our stock questions with us. They went something like this: how does it feel to teach, what was your reaction to it, what did you gain from your experience, what advice do you have for those who are following you?

Hazel Dennison, after finally discovering what we were about, was glad to unburden herself. "When I got up before the class, I wondered why in heck I didn't study the three years before. I worked harder just trying to keep ahead of the kids than I ever did in my life. You have to work towards it all along, not just at the last moment." Hazel grew up, and she also found out that "you never know what you can do till you have to."

Marjorie Martin was next on the list. She was quite enthusiastic over her semester of teaching; in fact, she was brimming over with the fun she had had. "I liked it very much—that is, after the first couple of weeks of getting used to it, I liked it." Marjorie found out that "different kids require different handling," and that, in spite of all the preparation and courses she had taken, "you still don't know what you are going to do till a situation arises; but you find out by doing." Her advice is, "Don't worry about it. It isn't worth worrying about."

Will Schaaf wrinkled his brow, waved his hands a few times, and in his deep voice delivered himself of this: "Take it easy and relax, it's fun. Enjoy yourself. When you worry, that's when you have trouble." Will learned: "what sort of kids I like, what I would like to teach." According to him, the worst discipline problem is not a boy, but an ornery girl.

Betsy Vincent, upon the other hand, didn't agree with Schaaf's lighter philosophy of life. She said "It makes you more mature and realize the seriousness of taking the right courses when you come back. You see the value of learning. Her advice: "take it seriously and work hard. You will like the kids." Betsy was "kind of glad when it was all over."

Bill Snyder was eager to expound his views. "I learned more in that one semester than I could have learned in ten here. All of our art courses are built on theory, not method. It cannot be applied direct to the classroom; and that is why we should have more method, more application through concrete methods."

Jean Baldwin was rather reticent. "I learned the importance of a professional attitude. Felt the experience was invaluable for at least giving me an idea of what teaching is like. You learn how to cope with situations."

Bob Ulrich concentrated upon his answer. "A teacher learns more in the class room than he had anticipated. The real enjoyment of student teaching cannot be realized until it has been completed. Student teaching is something you should take in your stride. Be natural."

There is not space enough to put down all the rest we learned. That will be continued next time, when we will present the rest of the student teachers.

just off-campus

We are glad to welcome Powers, Wolchik, Madigan, Bon and Evelyn Glenn back into our midst after a semester of student teaching in Erie.

The off-campus Phis are boasting two basketball victories—one over the on-campus Deltas, the other over the off-campus Delts. But our Deltas are winners, too. They won the game with the on-campus Phis. Luella Lewis, Eleanor Rose and Eleanor Tubbs say they are going to learn to swim even though it takes them all semester.

Lucille Morley has a new trumpet partner—Jeanne Ketchum.

If you want to read a good book, let Audrey Hinkson select it for you.

We hear that Morrison Orr is a good cook but here's betting Audrey Bacon is the star potato chip maker. Ask Jim Parker.

If you want an afternoon of laughter, ask Mildred Donaldson about the love letters she used to write.

Mystery: Who set Wilbur Rose's clock ahead two hours, instead of one? Wilbur "a-rose" so early that he had to shave twice before he went to class.

We'd like to know who wins the wrestling matches at Warner's.

Dutch Mead is wearing a new ruby, and her favorite saying is "By Jimminie."

We all weep for Bertha Bensink. Her boy friend is "in the army now."

Ed Damits writes back that he likes the army and is planning to enter clerical work.

We are sorry to lose Ruth Fisher who has been transferred to Indiana State Teachers College.

You may now dispense with your alarm clocks. Dewey Long wakens the neighborhood with the blast of his trumpet at exactly 7:15. P. S. He hopes to improve, as the weeks roll by.

The Snyder girls wish Jean Manwaring had waited until after February 14, to do her quarreling.

June Hostetler and Marjorie Hall were tops at the swimming meet. Nice work, girls.

Here's voting Ernesteen Pardee our best cook.

Most often heard in the off-campus kitchens, "Guess I'll have something different—another can of soup!"

Thelma Pieper volunteers to sing "I Love You Truly" at Arlene McIntire's wedding.

We notice Frank Stilwell has a little difficulty studying in the library.

Charlotte Rumsey has a new clarinet. We'd like to hear it, Charlotte.

And we'd like to hear Chris' impersonation of a drunken sailor.

Who is the blonde responsible for starting a feud between Warner's and Klingensmith's?

Edinboro Tankers Win over Indiana By 51-14 Score

The Red Raiders dove into the water February 7 to pull their way through for an easy victory over Indiana's tankers. This marked the first win of the season for Edinboro, and they made it a resounding one; for by the time the churned-up water quieted the score read 51-14.

Edinboro captured first place in all eight events. Harold Schlindwein scored double by winning the fancy diving event and coming in first in the 100-yard breaststroke.

The following shows Edinboro's placing and time in the individual events:

180-yd. medley relay—*forfeited by Indiana*

220-yd. freestyle—1st. Rockwell; 3rd. Gunn; time 2:57

60-yd. freestyle—1st. Barohn; 2nd. Eisaman; time 3:51

Fancy diving—Schlindwein

100-yd. breaststroke—1st. Schlindwein; 3rd. Eisaman; time 1:03

100-yd. breaststroke—1st. Schlindwein; 2nd. Small; time 1:15.9

140-yd. relay—1st. Edinboro: Barohn, Snyder, Eisaman, Rockwell; time 2:26.3

CARNEGIE WINS BY A HAIR

Edinboro met the swimmers of Carnegie Tech upon February 13 at Pittsburgh. Pitted against a much stronger and more experienced team, the Red Raiders came off second-best; but they weren't far behind: the score was Carnegie 42, Edinboro 33.

Our swimmers placed first in the medley and backstroke, but had to be content with seconds and thirds in the rest of the events. The placing and times were as follows:

Medley—won by Linberg, Schlindwein and Dornbach; time 3:32.2

220-yd. freestyle—3rd. Rockwell; time 2:53

50-yd. freestyle—2nd. Barohn; 3rd. Eisaman; time :28.6

Dives—3rd. Schlindwein

100-yd. freestyle—2nd. Dornbach; 3rd. Eisaman; time 1:04

150-yd. breaststroke—2nd. Schlindwein; 4th. Small; time 3:00

440-yd. freestyle—2nd. Rockwell; time 6:20

400-yd. relay—Barohn, Linberg, Eisaman, Dornbach; time 4:53.3

NEW STUDENTS REGISTER

Four new students have been added to the Edinboro student body this semester: Helen Ager, Erie; Jeanne Ketchum, Royal Oak, Michigan; Patrick Crawford, Erie, and Clair Curtis, Albion.

Helen Ager and Clair Curtis are transfers; Helen from Slippery Rock, and Clair from Theil.

Basketball Squad Minus 2 Key Men; Hits Losing Streak

Since the last issue of this publication, the basketball team has really bumped up against some tough luck. Our victory over Fredonia here on January 10th was followed on the 17th by another win, this time over Polish Alliance. But that is where the slump began. Art Iaderosa, leading scorer on the squad, was forced to drop out because of the attendance ruling for State Teachers College teams. On the 24th, the Raiders dropped a close game to Fredonia on the New Yorkers' own floor, 38-36. The next game was played at Indiana, and again the Raiders tasted defeat, this time by the score of 44-37.

On the 31st of January, the squad came back home to battle with Slippery Rock. The Rockets led from the beginning, and despite a fourth quarter spurt by the Raiders, the visitors triumphed 51-35. This game marked the final appearance of Danny Casoli in an Edinboro uniform, for he was forced to leave school because of monetary conditions. Sox successfully juggled around his few remaining reserves, and when California came here on the 2nd of February, they ran into a hornets nest. When the final gun sounded, the score stood tied at 34-34. In the ensuing five minute overtime period, the Raiders played magnificently, but to no avail, for they lost 40-36.

On Tuesday, February 10th, our squad traveled to Clarion, only to meet defeat again, the final score being 41-28.

This Friday, the return game with California is scheduled to be played at California. The probable starting lineup will have Soscia and Fuller at forwards; Walsh at center; McCoy and Bonnett at guards.

Bob Kauffman landed bottoms-up when he attempted to solo recently

W. A. A.

Many spectators enjoyed the Phi-Delta basketball games with the Phis winning two games and the Deltas winning two games. Being very evenly matched it wasn't until the second quarter of each game that the winning team came forth with shots that scored. To be qualified to play, each girl must have an academic average of "C" and she is allowed only two unexcused absences from practice. To be eligible for credit points, each player must play at least one quarter of each game. Watch for the next game announcement and come and cheer.

Excellent Skiing

The girls are finding Edinboro weather excellent for skiing. About forty girls are in active participation, many of them now learning the ups and downs of "stems" and the "snow-plow" along with other fundamentals making for ski-utiful times. We are glad to see that many of the sophomore girls have their own equipment.

An invitation has been received from Allegheny College inviting Edinboro snow sportsters to their ice Carnival February 21 and 22.

Swimmers Perform

Our swimmers deserve much credit for their splendid performance in their first meet. With Mr. McNees and Miss Wilson as judges, of twenty-four competitors the Deltas won with a score of 70 against the Phi score of 51. Backed by enthusiastic spectators the girls did excellent work in relay races, comic races, and strokes for form. First places went to the Misses Lewis, Oblinski, McIntire, Sebring, McElroy, Smith, Hostetler and Hall.

Watch for our Water Pageant!!!

DeMILLE DATE CHANGED

Agnes De Mille and her dance revue may appear here upon Wednesday, March 18, instead of the date scheduled because their key man is due to be drafted shortly.

Memorial Service - -

(Continued from Page One)

Mallory spoke for two heart-warming minutes, and President Van Houten paid respect to the memory of Dr. Crawford.

After singing the Alma Mater, the whole assembly filed out to walk over to the new gymnasium where a floral wreath was placed below the plaque of Dr. Crawford at the entrance. Dr. Mudge offered a prayer while students stood in the snow with bowed heads.

This Tribute Was Read by Dr. Mudge at the Funeral

Edinboro has lost her most distinguished citizen. Doctor Crawford was our greatest citizen, not because of the high office that he held for many years, but because of the character and personality that made us all his admirers and friends. As we think of him and what his life has meant to us we remember and shall long hold in mind his friendly smile, his warm greetings, his deep and unaffected interest in all his great circle of friends. To a host of his colleagues and students and neighbors he was a daily inspiration, like a gleam of sunshine even on a dark day. Some people seem to have room in their hearts for a few friends to whom they are deeply devoted. Doctor Crawford was Greatheart. He had the rare ability to bring into the circle of his friends a great number of persons, for each of whom he had a deep and sympathetic regard. Rare indeed is the soul that is deeply devoted to his own nearest and dearest and still extends such a friendly influence over thousands of others. This man will live forever, not only in the other world but in this, in the hearts of his friends. . . .

More than a brilliant mind, however, our good friend had a generous heart. We of the college faculty appreciated his broad sympathy and his interest in his colleagues and students. He was not merely tolerant; he was appreciative and loyal, a man of ideals, devoted to God and home and native land and the education of youth. We shall not soon see his like again. Like the valiant pilgrim described by John Bunyan, "he passed over, and all the trumpets sounded for him on the other side."

Mr. Mallory's Speech in Assembly

For four semesters as an undergraduate at this institution, I had the privilege of being in Dr. Crawford's classes. He was the best teacher that I ever knew. His methods of presenting material and of stimulating individualized and group discussion were unique. His classes were so well motivated that students worked without effort and remembered what they learned. Under Dr. Crawford's direction dry facts of history turned into parades of living men and women; governmental in-

Council Purchases New Record Player

Rec Room Undergoes Cleaning

"Renovation" is the by-word in connection with the "Rec" room in Haven these days, as the Student Council completes its plans for restoring the appeal that the room once had.

A new record player purchased through the Student Activity Fund is the newest and latest attraction. Since it requires no nickels to operate, it will indeed be a boon to the students. Installation of the record player was made last week.

In addition, the floor is to be repainted and new furniture moved in to replace the badly battered tables and chairs.

'CAN GO THROUGH . . .

(Continued from Page One)

Persons who have completed their sophomore year can also finish in three years by attending a twelve-weeks session this summer and another next summer. Juniors who take this summer session could graduate next January.

The pre-session begins June 8th; the next, July 29th, and the last, August 10th. Those deciding to take the summer courses are requested to notify the front office concerning their decision.

RING OUT THE OLD. . .

(Continued From Page One)

activity, the Social Arts Club recently elected the following officers:

President, Camille Peck; vice-president, Kay Maxon; secretary, Peggy Harshman; treasurer, Bess Swaney; program chairman, Margaret Caffisch.

The new officers of the Canterbury Club are: president, Dominick Fanani; secretary-treasurer, Edith Bates; chaplain, Donald Clute.

stitutions became live social controls working for the welfare of the nation's citizens. Not that he passed over lightly the weaknesses and deficiencies in our social institutions. The defects he pointed out, but always there were suggestions for improvement. His criticisms were practical and constructive.

But Dr. Crawford was more than a teacher of subject matter; he was a teacher of men and women, teaching them life lessons of citizenship and character. In the corridors of college buildings, on the football or hockey field, in the gymnasium or dormitory, in the upland hills in pursuit of grouse, on blackened mountain deer watch, or beside lake and stream, Dr. Crawford, through casual conversation, suggestion and example, taught to his companions the lessons of life. He was in every sense of the word a master teacher.

Twenty-seven Make Semester Dean's List

Twenty-seven brain trusters snared a position upon the Dean's List for last semester. To be eligible for this honor a student must have a B or better in each of the courses he is taking, and also the personal recommendation of the respective deans. Margaret Caffisch and Dan Wolchik, however, went this one better by charting up all A's.

The following is the Dean's list for the first semester 1941-1942: Stuart Ackelson, Donna Bertram, William Bohn, Harold Bon, Margaret Caffisch, Donald Clute, Carol Davis, Hazel Dennison, Vernon Dornbach, Frank Holowach, Natalie Jacobson, Marion Mack, Lucille Marti.

Earle Madigan, Marjorie Martin, Harold Powers, Eleanor Price, Suzanne Sack, Ruth Samkowski, Will Schaaf, Helen Schilling, Marie Allen Smith, Reed Stoops, Theodore Vesber, Otis White, Daniel Wolchik, and Betsy Vincent.

Grad Publishes Article

Elizabeth Samkowski, Edinboro graduate of 1938, has written an article on "A Restricted Program of Physical Education," which appears in the January, 1942, issue of "Health and Physical Education."

Miss Samkowski attended Edinboro three years, obtaining her degree in 1938. She was prominent in her scholastic as well as her extra-curricular activities. At present she is the instructor of physical education in the senior high school of Rock Island, Illinois.

Miss Shaffer Absent After 12 Years Here

After twelve years of handing out grades to students, helping them register, and straightening out their difficulties, Miss Shaffer has left the office of the Dean of Instruction. Her going has left an empty spot in the office staff that will be difficult to fill, for her warm smile and friendly voice are known not only to the present students but also to the long parade of boys and girls who have been filing in and out of the Dean's office these twelve years past. The way she unstintedly gave of her time and energy to give a helping hand to people, the friendliness and cheerfulness of her manner, and the spirit she gave to the office she worked in, will all serve as a remembrance to those she left behind. She will be missed.

Miss Gertrude Shaffer started in at the Erie branch in January, 1930, and came to Edinboro in 1931. Since that time she has worked under Miss Hudson, Mr. E. C. Stillings, Dr. W. A. Wheatley, and Mr. Offner. Her long term of service terminated at the beginning of February due to the transportation problems involved in getting to work from Erie. She is now working in the clerical department of P. A. Myers.
