EDINBORO STATE TEACHERS COLLEGE, EDINBORO, PA.

APRIL 3, 1946

Plan Lectures for Coming Year

The Lecture Course Committee of Edinboro State Teachers College has been busy planning next year's lecture entertainment. The committee expects to engage five headline numbers for evening performances.

To date, two of these numbers have been secured. Lew Sarett, well known speaker will be presented, as well as Margaret Webster, noted Shakespearean actress and producer.

Season tickets will be available for these lectures.

CLUB HOLDS REORGANIZATION MEETING

The Varsity Lettermen's Organization has returned to the list of campus activities this spring, and sponsored the annual Alumni Basketball game on March 15, featuring former lettermen of "Days of Yore" fame. The proceeds of this game are being used to purchase sweaters for the new members who on this award during the '46 season. New members include: "Bass" Bailey, Pete Gall, and Jim Parker, players, and "Spider" Webb, manager of the team.

The first meeting of the E Club was held on Wednesday, March 7. Officers were elected as follows:

- President Howard Griffin
- Vice President ... Bud McCoy
- Secretary Marshall Webb
- Treasurer Bill Dove
- Faculty Advisor ... Dr. Marshall Hiskey

The members of the E Club wish to thank the student body for their support at the Alumni game, and promise to do their best toward making the coming season a great success.

Trustees Plan Commercial Arts School

The Trustees of Edinboro State Teachers College met on Friday, March 29, for the purpose of passing a resolution asking for permission to open a school of commercial art for returning veterans. The outcome of this meeting is of vital interest, for it would greatly influence the enrollment of the college.

Freshmen Win Interclass Swimming Meet

An interclass swimming meet was held in the Crawford Gym on Friday evening, March 22. Events of the evening, supervised and judged by Miss Ruttle, included: forty yard free style for men and women; women's underwater swimming and sidestroke, judged for form; men's forty yard breast stroke; hat relay; women's forty yard breast stroke; women's diving; women's forty yard back stroke; men's diving; women's sixty yard relay; individual medley; and women's medley relay.

Highspots of the evening came when M. Schlindwein finished the forty yard breast stroke in 23.9 sec., and G. Mouck did the individual medley in 40.9 sec.

The Freshmen took first place with 58 points, while the Juniors came in second with 40. Seniors followed with 22 points, the Sophomores with 11.

This exciting and successful meet is only a beginning, for there are several others planned for the near future. Keep these important events in mind:

- April 4 Lake Erie vs Edinboro
- April 12 Invitational Allegheny Mountain Association Meet in Meadville
- April 18 Invitational YWCA Meet in Erie
- April 25 Intercollegiate Telegraphic Meet
- April 26 Invitational High School County Meet
- April 27 Invitational Meet; ESTC

Clarence W. Sorensen Will Speak At Edinboro College April 12th

LATIN AMERICAN CORRESPONDENT
BILLED FOR ASSEMBLY

CLARENCE W. SORENSEN

CAMPUS CUSTOM REVIVED

Haven Hall sponsored the Bowery Brawl on Saturday evening, March 23. In past years, the Brawl was an annual affair, but since the girls have been alone on the campus, it was, of necessity, forgotten.

The Old Gym was made into the bowery for an evening, and, although those in attendance were comparatively small in number, everyone enjoyed himself, and the Brawl was termed a success. Let's make it an annual custom again!

Clarence W. Sorensen, noted geographer and Foreign Correspondent will appear in assembly April 12.

A "world of experience" belongs to this outstanding speaker. During the past ten years his work has taken him to more than thirty-five countries, all around the globe. As a geographer he has studied the problems of lands and peoples—boundries, communication, races, food supplies . . . As a writer and foreign correspondent he has reported to an audience of millions.

Mr. Sorensen first packed his bags for Europe in 1934. He stayed longer than he had expected. In Germany he saw Hitler, and some of the first preparations for World War II.

The great "Arab World" was next. He traveled widely in North Africa and in the Near East . . . Syria, Palestine, Transjordan, Arabia, Iraq. After long expeditions in the desert his exclusive photos were published all around the world. He was elected a Fellow of the Royal Geographical Society of London.

Mr. Sorensen enjoyed his field work in India and Burma. He liked the hunting, too. Then he moved on to the Far East. He saw Malaya, Singapore, Java, the Philippines and China before returning home.

He began his work in Latin America as a foreign correspondent for the Columbia Broadcasting System.

When revolution threatened in Mexico during the elections of 1940, Mr. Sorensen reported to millions of network listeners on the CBS news program, "The World Today."

Since 1940, he has returned to Latin America at least once each year. In 1941, he visited nearly every country in South America. Always interested in more than port cities and tourist resorts, he traveled a thousand miles by river steamer to the pioneer country of Paraguay and southwestern Brazil. On January 1, 1945, he was tramping across a sugar plantation near Vera Cruz, Mexico.

(Continued on page two)

Dates to Remember

- April 3 — Edinboro Players.
- April 6 — Freshman Class Party; Loveland Hall Auditorium.
- April 9 — 7:45 PM: Movie, "Ministry of Fear."
- April 10 — YWCA: "Towering O'er the Wrecks of Time."
- April 12 — High School Forensics at Edinboro.
- April 13 — Easter Recess begins after last class . . . Hurrah!
- April 23 — Easter Recess Ends at noon.

Rec Room Repairs Underway

As most of you know the rec room is newly painted. Now when the art students get to work and paint some of those delovely murals on the walls, it'll look like "home" again. We've heard of a couple of fellows who decorated walls of some clubs overseas. Maybe their help could be enlisted in planning this phase of the work.

It is reported also that new furniture is being purchased: so ... do your part in taking care of it.

Tut! Tut!

Spring is here. The campus is in bloom and all heaven is out-of-doors. Seems as if we all like to sit on the steps with our roomies and buddies — and that brings us to the point. Have you noticed the cigarette butts on and around the steps of Haven Hall? They really aren't in keeping with our beautiful campus, and they do detract from it's appearance. Yes, we know, where else is there to put them? So — we'll see that some sort of a container is placed by the steps for this purpose. Let's all remember that it's there, and USE it.

IT'S JOHNNY ON THE SPOT!

By William C. Frazier

As you know, the boys, or rather men, at Reeder all enjoy a very quiet life. The single men as well as the married are very busy bringing up little Johnny, who should prove to be a brilliant chap or a quiz kid if all the professors at Reeder have any influence on little Johnny's mind. Having just learned to walk Johnny's awkward steps hold us spellbound as he proceeds from one of us to another, usually flopping on the way. With only an astonished look or a puckering lip he's up and at it again. Being GI's we love noise. It helps quiet our nerves and makes us more at home. One of the fellows having this idea in mind thought perhaps Johnny should be introduced to the piano and his music education was started. Like a duck takes to water Johnny took to that piano — and How! Black keys and white keys alike. Does he have fun with music? Well, I'll say he does! If only Mr. Steckel could see Johnny Alexander Siegel now! There's also a new fireman on first floor. Yes, Johnny discovered the little metal hammer hanging from the alarm. This is really fun and, believe me, he knows just what to hit with it. It's either the glass or papa, or maybe it's both all in one stroke. A false alarm, a burst of notes from the "Lost Chord", or Piano Concerto in E b or the pitter patter of little feet down the hall can only mean one thing. Johnny is on the loose again.

Yes, I believe all the fellows agree we're really enjoying our extra curricula — nursery problems. It all goes toward a more rounded education and it doesn't cost a cent.

CLARENCE W. SORENSEN

(Continued from page one)
 Currently, Mr. Sorensen is writing a series of geography textbooks. Soon many thousands of American students will be able to see the real world through the eyes of this distinguished traveler. Abroad, he is one of the keenest observers. On the platform, a most able speaker.

Of Mr. Sorensen it was said by the Association of Commerce, Chicago, Ill., "We continue to receive many fine compliments over his appearance. A very large audience; . . . a brand new viewpoint. We recommend an able speaker." and by Russell Porter, Columbia University, "Interesting and informative . . . pictures expertly taken and expertly edited. Candid, direct, sincere. Emphasizes human qualities and human values."

Uthmann Chor Presents Concert

The Edinboro Community Club sponsored the Choristers of the Uthmann Chor of Erie on Thursday evening, March 14, in the college auditorium. The annual concert was a benefit performance, the proceeds being applied to the Edinboro War Memorial Fund.

The Chor, directed by James H. Cross, gave a variety program, and was encored several times by the enthusiastic audience.

After the concert the Choristers were served in the college dining room.

FRESHMEN PLAN PARTY

The Social Committee of the Freshman Class, headed by Barbara Buckley, has planned a get-together for the freshmen and their guests, to be held in Loveland Hall Auditorium Saturday evening, April 6. Dancing, games, and refreshments have been planned.

EDINBORO STATE TEACHERS COLLEGE LANDS IN BIG TIME

The most sweeping recommendations ever made in the teaching of science caused a flurry in the professions this week with the publication of the Science Teachers Association, when an article by Dr. John C. Johnson, distinguished biologist of Edinboro, brought added prominence to Edinboro State Teachers College.

The year book contains the conclusions as of 1945 of ten of the leading scientists of America on the general subject of Science instruction of National Security. Each authority represents his particular field.

For instance, in soliciting the views of industry Dr. C. F. Kettering, famed inventor and research scientist of General Motors, was invited to do the article.

Each article is carefully weighed by other noted scientists and educators headed by Waldemare Kampffort, Science Editor of the New York Times.

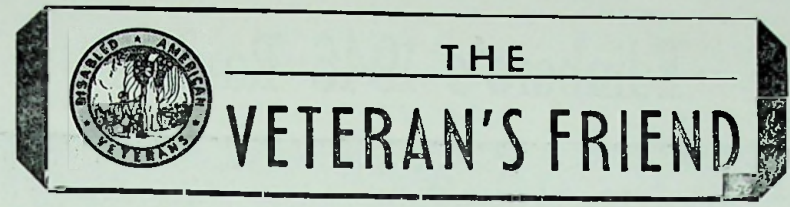

The Year Book is a highly critical study of extreme value to every educator and scientist in the world, but particularly in America where application is possible.

In his article, representing the point of view of the Teachers College, Dr. Johnson, suggests how mankind can be made to appreciate science. Start with the teachers, he says in effect. "... instruction in the basic essentials of science should begin with the first grade and continue on through high school, and even beyond into adult life ... After reading, writing and arithmetic, probably the next most important unit of instruction in the educational program of tomorrow should be science ..." writes Dr. Johnson.

Dr. Johnson evidently believes that a knowledge of science is essential to all constructive relations, in our neighborhoods, in our government and all governments, and in world operation. "The scientific method of thinking combined with a healthy vigorous life, needed to develop the spirit of unselfishness and a sense of responsibility, makes democracy truly attainable for the first time," continues Dr. Johnson. "If freed from much ignorance and superstition that are associated with them, are present, then, and only then, can mankind make great progress."

"Careful investigation of the status of science education now offered in our public and private schools below the college level reveals a deplorable and unjustifiable condition."

COOPER'S
The Handy Store

THE VETERAN'S FRIEND

Q. Where is it possible for a veteran to obtain a review of his discharge from World War II service?

A Every branch of the service has its own review board to handle the review of discharges. For complete information contact your local Disabled American Veterans national service officer.

Q. Is there a time limit on requests for review of military discharge?

A. If you feel that your military service justified a more favorable discharge or dismissal you have 15 years after discharge to ask for reconsideration.

Q. After a serviceman has been discharged from the Army can he be called back to duty?

A. Some men who are released from active Army service and sent back to civilian life are not actually discharged. They receive a Certificate of Service which transfers them to the Enlisted Reserve Corps. They can be ordered back to active duty.

Q. Can a merchant seaman who was disabled in World War II receive vocational rehabilitation?

A. No. However, he is entitled to some of the benefits provided for

World War II veterans.

Q. Can a former member of the women's services obtain medical aid from the Veterans Administration in pregnancy cases?

A. The Veterans Administration has ruled that pregnancy is not a disease or a disability and therefore is not a responsibility of the government.

Q. Some time has elapsed since my discharge, yet I have not received the back pay due to me. Where shall I write about this?

A. Army inquiries should be addressed to the finance officer of the camp from which you were discharged. Navy, Marine Corps and Coast Guard inquiries should be addressed to the Claims Division, General Accounting Office, Washington 25, D. C. Be sure to print full name and serial or service number, giving rank and organization at time of discharge. Vol. 2, No. 12

Q. Is it possible for a discharged disabled veteran to obtain a record of his hospitalization?

A. Commanding officers of Army hospitals are authorized to furnish information about records of patients to practicing physicians when requested by them for use in treatment of any veteran.

Send questions with self-addressed, stamped envelope to The Veterans Friend, Public Relations Department, Disabled American Veterans, Suite 1030, 11 South La Salle St., Chicago 3, Ill.

the arts, as well as for general all-around culture.

"Ignorance and superstitious belief in the supernatural must no longer be tolerated among civilized nations where scientific facts are available, unless we are to revert to our former lower and more primitive standards of living and more primitive standards of living and thinking." And the good Doctor might have added—unless we are prepared to die in fighting with and against the atomic bomb!

In concluding, Dr. Johnson states that all regular class room teachers should take at least one-sixth of the total number of semester hours usually required for graduation from a four-year college course — or over twenty hours. "The scientific training is justified ... considering the fact that our children will be living in a world that is increasingly becoming more dependent for its livelihood upon scientifically constructed instruments, machines, and appliances, and where the maintenance of health itself and of safety depend upon a large amount of scientific knowledge. And, of course, science is indispensable to the understanding of the basic philosophies of life, of religion, of

PHOTOGRAPHY CLUB REORGANIZES

For a few years now, there has been no active Photo Club. This semester boys and girls became interested in reorganizing and met for the first time on Friday, February 8. Officers elected were: President, Paul Zarenko and Secretary, B. G. Hall. Miss Justina Baron consented to be the faculty adviser and lecturer.

It was voted that parts of the constitution would have to be voided as the whole thing proved to be too elaborate.

Darkroom rules were set up concerning the placement of the key, other supplies, and cleaning up.

Topics for discussion at meeting held every Friday morning 9:50 were chosen from suggestions from the group. Discussed so far are the use of camera and exposure time, development of film, contact print and analysis of pictures and enlarging. After this it was decided that anything else the group chose could be discussed as Kodacolor or Kodachrome. At the last meeting, the members learned the art of portrait taking. Miss Baron's camera was used and all the members had their picture taken and then in turn took someone else's. They really are masterpieces(?)

To date there are twelve members some of whom have had previous experience. The others have received a great deal of help from Miss Baron individually. Some of their best work will be printed in the next issue of the Spectator ... campus scenes will be featured.

DR. VAN HOUTEN ATTENDS MEETING

Dr. L. H. Van Houten, president of Edinboro State Teachers College, is spending April 2, 3, and 4 in Warren as a member of the High School Evaluation Committee. This committee is under the auspices of the Middle States Association of Colleges and Secondary Schools.

DEMOCRATIC CZECHOSLOVAK STUDENTS RESUME STUDIES

Historic Charles University of Prague, the oldest university in Central Europe, founded in 1348 by the Emperor Charles IV, was closed for more than five years, along with all other Czechoslovak universities. Masaryk University in Brno was completely destroyed.

More than 60,000 students have flocked back to these re-opened universities, with one-third of these between the ages of twenty-five and thirty-two. 1200 students languished in concentration camps

from 1939 to 1945, and 800 joined them later. At least fifty percent of these imprisoned students need extended medical attention. The majority of the free students were active in the resistance movement. At least twenty percent of all students have contracted tuberculosis due to undernourishment and exposure. Students are now sleeping thirty to an over-crowded room on mattresses on the floor, without blankets and pillows.

The newly-organized Czechoslovak Union of Students, which was the host to an important international student conference in November in Prague, in a report to World Student Relief dated August 10, wrote: "We need books, every sort of scientific literature in the greatest possible number of copies. We need food and clothing for our students who paid with six years of imprisonment for their democratic ideals. We are sure to

meet with understanding and help in the Western World which may enable us to master this enormous task."

Students suffer deprivations along with the general population. Weekly rations for the individual in Czechoslovakia are 3½ pounds black bread, ½ pint milk, 1½ ounces butter, 1 ounce fat, 3 ounces margarine, 1 egg, 1 pound sugar, 1½ ounces noodles, 3 ounces coffee, and 3½ pounds potatoes. 700,000 children are suffering from deficiency diseases, half of them from tuberculosis, according to Jan Masaryk, Minister of Foreign Affairs.

Funds collected from American students and professors by the World Student Service Fund help these Czechoslovak students along with students in all of the war-ravaged lands in Europe and Asia.

B-Sharp

By Lou

Well fellows, spring is here, and now is the right time to think about a few snappy combinations in sport coats and slacks, and top it all off, a bright sport shirt. I say sport shirts because, as you all know, white shirts are out of the question, for a while anyway. Loafers are a good number now instead of combat boots, although some probably will still wear those comfortable shoes to dinner. Let's not forget our ties boys. Don't forget you are never too old to wear a loud tie,—the louder the better. Overseas and white sailor caps are also backing up to the smart styles for spring. Well boys, the girls are crying for this column, so I have to say "so long" until next time. Maybe next time we can have a real column. In the meantime, feel sharp, be sharp, and dress sharp.

Student Council presents Assembly

The Assembly Program on March 13 was conducted by the members of the Student Council, the purpose of acquainting the student body with the constitution of the Student Faculty Co-operative Government.

Edith Bates, president of the Council, introduced the speakers and their topics as follows: Jim Parker, "The Purpose of the Organization"; Helen Pushchak, "General Organization of the Council"; Luella Peebles, "Membership, Election and Officers of the Council"; Dolly Johnson, "The Duties of the Council"; Earl Stubbs, "Finances and the Powers of the President of the College"; and Harry Rose, "Ratification and Amendments to the Constitution."

Wilma Jean Steadman announced that the State Student Council conferences will be held here at Edinboro next fall. She urged that all students cooperate to make this a success. At this time, the student body voted for officers of this conference. Election results were as follows: Secretary-Historian, Marge Evans; and Treasurer-Carol Carr.

Edwin M. Steckel Delights Student Audience Here

Edwin M. Steckel presented an entertaining, humorous, and informative program entitled "Music is Fun" to the students and faculty of Edinboro State Teachers College on Wednesday, March 27th. Mr. Steckel, a very fine pianist, moved to the interested audience that "music is fun." He demonstrated the versatility of a tune with regard to rhythm by playing "Yankee Doodle" as a march, two-step, waltz, hymn, wedding and funeral march.

Mr. Steckel played his own composition, compounded from fifteen musical favorites. This artistry held a fascination for everyone in the audience, for in it each found at least one of their own favorites. During the program, the artist presented the following rhyme concerning the appreciation of music.

It cannot be taught,
It cannot be bought,
But if it is sought
It can be caught."

AMERICAN HEROES

by WOODY COWAN

DURING the amphibious invasion of Southern France, Lieut. Ray Hamilton Allen, U.S.N.R., led his unit close to an enemy held beach and delivered withering rocket fire against hostile defenses. By his cool courage and inspiring leadership under fire, he contributed materially to the effective neutralization of enemy defenses. For this heroic service he received the Bronze Star. Amphibious warfare requires scores of ships.

YWCA HAS MARY ALDEN AS MEETING SPEAKER

The YWCA held their regular meeting in Music Hall on Wednesday evening, March 20th. The speaker was Miss Mary Alden, a Danforth Graduate Fellow who is working with the religious groups at Penn State.

In her interesting talk, "Our YWCA", Miss Alden gave a short account of the history of the organization, its meaning and functions.

Following the meeting, the members and their guests enjoyed an informal party at the home of Dr. and Mrs. Johnson.

At a meeting of the WAA on March 21, Miss Ruttle announced the honorary varsity. H. Boythe, W. Fox, I. Gordon, L. Obert, H. Puschak, V. Ransom, C. Sablyak, and P. Small made up this group.

Nice going, girls! Outstanding players from each class were also announced at this time. They are as follows: Freshmen: W. Fox, V. Ransom; Sophomores: L. Obert, C. Carr; Juniors: I. Gordon, H. Puschak. H. Boythe was awarded the four year trophy, for playing WAA basketball each season.

Red Raiders Defeat Edinboro Alumni

The Red Raiders closed the basketball season victoriously on March 15 when they won the Alumni game with a 31-36 score. The season marked Edinboro's return to inter-collegiate basketball competition. The team, supported by a well organized cheering section under the leadership of Joe Spence, was composed entirely of veterans who returned to Edinboro second semester.

Although the season contributed but one victory, the Raiders played an aggressive game and made a good showing for ESTC. Scores were as follows:

Red Raiders	32-53	Clarion
Red Raiders	38-74	S. Rock
Red Raiders	33-42	Clarion
Red Raiders	33-52	Alliance
Red Raiders	39-45	Alliance
Red Raiders	36-31	Alumni

TOTALS
Red Raiders 211-297 Visitors

The men on the '46 Raider team were as follows: Bud Rohde, Jack Bonnett, Pete Gall, Jim Parker, Bud McCoy, "Cass" Bailey, Mike Capp, Earl Stubbe, Ben Skelton, Bob Badgley; Coach, "Sox" Harrison, and Manager, Marshall Webb.

The '47 season promises to be both exciting and highly successful since we will lose only one letterman through graduation, and expect to find many new players due to the increased enrollment expected next fall. See picture on page 3.

Alpha Delta Sorority Initiates New Members

Iota Chapter of the Alpha Delta Sorority held pledge service for nineteen prospective members on Thursday evening, March 14th. Following the service, the girls and their guests attended the concert by the Uthmann Chor, then returned to the sorority rooms for refreshments.

Formal initiation and dinner were held Saturday evening, March 30th, in the sorority rooms and the college dining room.

ENSEMBLE TO PRESENT PROGRAMS IN HIGH SCHOOLS

The college ensemble expects to sing in Warren, Franklin, Youngsville, and Sugar Creek high schools sometime in the near future. These programs will include light-opera numbers, semi-popular songs, and skit of the "gay 90's." The group will also present this program on High School Guest Day.

Members of the ensemble include P. Worster, J. Webster, L. Peebles, G. Young, L. Obert, J. Dunbar, C. Johnson, M. Campbell, K. Bartoo, D. Davies, D. Bisker, and E. Hunter. Clyde Snyder, Pete Gall, and Paul Zarenko will also participate in these programs.

EDINBORO PLAYERS ANNOUNCE PRODUCTION

At their meeting of March 27th, the members of the Edinboro Players saw a rehearsal of the first act of "Nothing But the Truth," the play which will be presented to the entire student body at a later date.

During the business meeting that followed, Joe Spence, Business Manager, appointed the advertising, ticket, program, and poster committees. All members of these committees were urged to cooperate in making the production a success.

Bill Frazier also asked that all persons who had volunteered to work backstage report on the nights designated for constructing the scenery. Following the meeting, the cast began rehearsal on the second act of the play.

SOPHOMORES WIN WAA BASKETBALL TOURNAMENT

The WAA Basketball Tournament was played during the week of March 11. The Freshman-Sophomore game resulted in a Sophomore victory as did the Junior-Sophomore contest. Thus winning two games, and since the Freshman-Junior contest was tied for final score, the Sophomore team took the tournament. Sophomore players include L. Obert, P. Small, D. Stockton as forwards; C. Carr, E. Freeauf, D. Johnson, and C. Sablyak as guards.

Haven's Ravens

Ah! Spring is in the air and love is in full bloom! Pete and Jeanadair look so nice together! . . . The campus has certainly been overrun with girls in ridiculous outfits lately. . . . initiation you know! The boys have been no end offended when their girls couldn't talk to them, but then, love always finds a way! . . . Heard that Pushie and Muriel were inhabiting the infirmary, also Mary and Katy. Here's hopin you're better and the measles are on the run! Oh, me! The sad faces last Tuesday as they glimpsed the cards! . . . Problem No. 1 in Room 35 - whether or not to remove the pictures from the wall for open house . . . Tch, Tch! Oh, to have been in Washington with Twitch and Janet! Hear they had a swell time! . . . Who's that girl in Room 39 who talks in her sleep? You can even ask her questions and she'll answer! . . . we're glad to see that the fire escapes aren't being used so frequently . . . Congratulations to the basketball champs . . . By the way, what is Wilma's attraction at the high school? It can't be that plowed field! . . . If you haven't heard Pug sing "Heaven Will Protect the Working Girl" you don't know what you're missing. . . .

Why was Allen looking so desperately for a can opener? . . . Mad artists and modern design seem to go together like ham and eggs . . . Hear the "Halfapeas" had a pajama parade and a party for Marge Evans . . . Measles seem to be the latest . . . Woe be! . . . What young man in design class caused Betty Phillips to change her seat? . . . Sorry to hear Janet MacIvor, Connie Killingsworth, and Doris Stockton are on the sick list. Hope you're all better soon . . . From all accounts Queenie and Bonnie are really on the ball with their strip poker . . . Hear Connie, Betty Gross, and Doris Stockton all had phone calls from their one and onlys the same evening . . . Hubba! Hubba! . . . What's all this about a jam session on third floor? Druth is in her glory! . . . Well, I've run down at last, but as a parting word may I remind all Freshmen of their party Saturday, April 6th. Come on, fellas and gals, let's support it.

PIANO PROGRAM

Miss Elsa Anneke, talented pianist, gave a very fine classical program in the college assembly, Wednesday, March 20th. A few of her outstanding selections were "Preludes" by Chopin, "Daisies" by Rachmaninoff, and "Ritual Fire Dance" by De Falla.

The several encores were an indication of the appreciation of the student body.

Off-Campus News

Here it is again — time for off-campus capers. To begin with, we think it must be spring. Why? Because Wilma Jean is riding her bicycle to class again. Why is Jocelyn always waiting at the bus station for the Erie bus? Could someone tell us the attraction?! And another thing — why is Edie Bates so happy lately?!!

Paul Zarenko and Johnny Ol-savsky are still commuting. They are active in the Photography Club, too. Other students commuting are Mrs. Finney and Millard Wetzel — plus Jim Bartoo from Erie. Mary Artello is going to commute from now on. We think the Dairy Bar is losing one of its steadiest customers.

Have you heard? Both June and Mickey are taking piano lessons, and Mickey insists that he's going to win . . . time will tell. Oh, yes, congratulations, Mickey, on the good work in the swimming meet, and that included the better half, too.

Marge Evans has an apartment over at Snyder's, and cooks her own meals . . . surely she'd be in a fix if she'd lose her can opener!

DEPARTMENT STORE

ERIE PENNSYLVANIA

With every item which you select in our store, goes the prized, yet unspoken word, of assurance of quality and full value.

We don't hear very much about "Howe House," except that there is to be an off-campus meeting there Thursday night. Plans for an Easter Picnic . . . Hmm!

It's good to see the Hills family together again . . . we're referring to Aggie and George. Now for those Perry House girls. Why do they want Zack to take them to Alliance? Who has been dipping their wings over Perry House? The residents know, but they won't tell! Also: Jeanne would be lost without her Titusville visits and HIS Edinboro and Corry visits, Hmm! And did you hear? Peggy Fornoff is sporting a sparkler! Who's the lucky man? . . . Bob Skelton! . . .

This is all . . . there ain't no more 'cause it's time to hustle off to class . . . you see, we have much farther to go!

MEXICAN DINNER

The students who celebrated their birthdays in December were honored at a special Mexican dinner in the college dining room on March 13. A typical Mexican repast was served, and the guests of honor were presented with a cake modeled after the Mexican type. In keeping with the mood, Mexican music was played throughout the meal.
