Salute to Hamblin

In the November issue of The School Law Newsletter (Faculty Tenure and Due Process, Part I), the management salutes Dr. Francis N. Hamblin, President of Lock Haven State College.

The salute reads as follows... For his administrative leadership and his concern for faculty rights, responsibilities, and welfare, The School Law Newsletter salutes Dr. Francis N. Hamblin, President Lock

Haven State College, Lock Haven Pennsylvania.

Dr. Hamblin was chosen for this honor because of his concern for equitable tenure and due process policies for faculty members and for his leadership in the areas of faculty rights, responsibilities, and welfare.

The School Law Newsletter is distributed to administrators, professors, and students in colleges and universities throughout the country.

SCC offers free legal advice

The SCC will offer FREE legal advice to students beginning this semester. Mr. Donald L. Faulkner will furnish the legal advice to LHS students.

Students with legal questions regarding landlords, traffic violations, or other general legal problems may receive Mr. Faulkner's help by asking Mr. Nagy, Director of the Student Union, to schedule an appointment for them. The student will then visit the

All sorority photographs for the Panhellenic Rush Booklet will be taken between 7:30-8:00 pm Mon.

January 21, 1974.

attorney's office at 333 N. Veaper Street, Lock Haven. If the demand for service is great enough, visits to campus for student conferences will be arranged.

This service will be restricted to advising the students of the law and their rights. It will not include representation in court unless the students wish to hire Mr. Faulkner individually.

Any questions regarding this service should be directed to Mr. Nagy whose office is located on the ground floor of the Parsons Union Building (PUB).

'Wise use of energy' wise

In the face of the energy shortage, the best opportunities for Pennsylvania consumers to save energy in the home are in more careful use of heating and major home appliances, according to the Pennsylvania Electric Assoc.

"More than 90 percent of home consumption of electricity is concentrated in a few major uses," said Stanley G. Schaffer, PEA President.

Winter heating accounts for more than half the energy used in the typical home, whether the heat comes from electricity, gas, oil, coal or firewood, Schaffer said. Heating plus use of ranges, refrigerators and freezers, water heaters, clothes washers and dryers, account for more than 90 percent of use in the home," Schaffer said.

Pennsylvania's electric utilities are focusing their "wise use of energy" efforts on ways to save on these high consumption items. These suggestions include setting thermostats at conservative levels, installing storm windows and doors, caulking to keep homes tight, opening drapes to admit sunlight during winter

days and closing drapes to keep heat in at night.

Schaffer said that, "Most of the increase in home use has been part of the basic improvement in Pennsylvania's living standards.

Pennsylvania's consumers can obtain information on how to use energy wisely in their homes directly from their local utilities or they can write to the Pennsylvania Electric Assoc. at 800 N. Third Street in Harrisburg for its new booklet, "How to Save Money on Your Electric Bill."

PEA is a non-profit organization of all 16 independent investor-owned electric utilities in Pennsylvania which serve more than four million customers.

Some 4.5 percent of Pennsylvania's electricity goes to operate anti-pollution equipment in industrial plants, the Pennsylvania Electric Association (PEA) reported today.

The figure represents nearly four billion kilowatt-hours and would actually be much higher if pollution control equipment used by small business were included,

said Stanley G. Schaffer, PEA President.

One kilowatt-hour is equal to the energy used by a 100-watt light bulb burning for ten hours.

"As industry and government stress still more the need for upgrading the environment, this use of electricity is bound to grow," Schaffer said.

Pennsylvania's electric utilities have invested more than \$700 million in environmental measures, Schaffer noted, and just to run the control equipment now costs them more than \$50 million a year.

As part of their program during 1973-1981, the companies plan to spend \$287.4 million to clean the air from coal-burning plants. This involves such devices and methods as precipitators and tall stacks, Schaffer said.

"Environmental programs also figure heavily in the grand total of \$14 billion that the companies plan to spend on new generating facilities during the period 1973 through 1986," Schaffer added. Some \$11 billion of

Due to a severe paper shortage, only a limited number of calendars could be printed for this semester.

this construction program will have to be raised in the private investment market.

"Our success in the investment market depends, of course, on the quality of our earnings," he said, "and let me emphasize that the quality of our earnings depends on whether we'll be allowed timely and adequate rate increases."

LAST YEAR'S RUNNERS UP?

Miss Central Pennsylvania Pageant to be held March 30

Miss America 1974 could come from Lock Haven State. Any interested co-ed between the ages of 18-28 may begin her trek to the top by entering the Miss Central Pennsylvania Scholarship pageant to be held March 30, 1974. The Altoona Jaycees are again sponsoring the event. Mr. Ron Houch, pageant chairman, announced.

The winner of the Miss Central Pennsylvania Scholarship pageant will enter the Miss Pennsylvania Pageant to be held in Hershey in June, 1974. If she wins there she will compete for the Miss America crown in Atlantic City, N.J. in September.

According to Ron Houch pageant chairman, "We believe we are serving the Central Pennsylvania area because of

the attention focused on the high calibre of young ladies who reside here and we believe in the service to youth."

"Most important, it will provide the opportunity for the girl who wins to continue to seek scholarship awards at the Miss Pennsylvania Pageant, which will aid her in obtaining an education at the school or college of her choice," the chairman said.

At this time a place has not been selected for the pageant as it is still in the planning stages.

Mr. Houch also announced that any girl wishing to participate may write to him at 1510-28th Ave. Altoona, Pa. 16601 or contact Mrs. Dolores Riley, at 2619 Dysart Ave. Altoona, Pa. 16602.

Democrats offer scholarships

The fifteenth annual scholarship awards of the Pennsylvania Federation of Democratic Women will be offered this year. The two scholarships to be awarded are a Florence Dornblaser Memorial Scholarship in the amount of \$250 and an Emma Guffey Miller Memorial Scholarship in the amount of \$250.

Any deserving woman student in the Junior class of an accredited college or university may apply. The awards are for use during her Senior year. She must be majoring in political science, government, economics or history or preparing to teach one of these subjects. She must have good scholastic standing, be reasonably active in student activities, and must be a resident of Pennsylvania. She must establish a need for financial aid. And must possess a Democratic family background or be an active participant in the affairs of the Democratic Party.

The purpose of the scholarships is to encourage qualified young women to pursue and to develop interests in politics and government.

The scholarships also honor the memories of two distinguished Democratic Women, the late Florence Dornblaser, who was the first Treasurer of the Pennsylvania Federation of Democratic Women, and the late Emma Guffey Miller, who was the first woman nominat-

ed for the office of ~~passport~~ of the United States. ~~Both~~ women left bequests to the Federation, the proceeds of which were placed in a scholarship fund. Additional funds have been added by the clubs and individual members of the Federation.

Applications must be ~~post~~ marked no later than May 1, 1974. The awards will be presented to the winners in person on Tuesday, June 11, at the Annual Convention of the Pennsylvania Federation of Democratic Women at Reading, Pennsylvania.

Applications may be obtained by writing to: Memorial Scholarship Fund Grace M. Sloan, Chairman P.O. Box 3804 Harrisburg, Pa. 17105

Imagine traveling in Spain

La Mancha, Sevilla, Granada, Torremolinos Beach, Moorish mosques, Moroccan night clubs! Ever imagine yourself traveling and studying in Spain, but never knew how to get more information?

Six weeks of each summer a program is offered to students in the U.S. and Canada to not only study at the Ciudad Universitaria of Madrid, but also to travel to such historical places as Valle de los Caídos, El Escorial, Segovia, Avila, Toledo, Museo del Prado, Alacázar Real, etc. Last summer students toured La Mancha for two days and visited famous cities in Southern Spain, finding they had more than enough time to do, see and learn whatever they chose. Classes met five days a week and courses ranged from Elementary Spanish to Literature and Culture.

Students' living quarters on the campus of the Ciudad Universitaria of Madrid consisted on one room per student. The dormitory had its own private pool, tennis and basketball courts.

Plans are already in progress for the 10th Summer Program in Spain 1974. Student space is limited, so anyone interested should write Dr. Arijay Drees, Augustana College, Rock Island, Illinois 61201.

'Team effort' defeats Scots

By Ed Howard

In what had to be their biggest win so far this season, the LHS Eagle "hoopsters" upset the highly rated Edinboro fighting Scots 63-57 Thursday night at Thomas Fieldhouse. The loss was the first for Edinboro in eleven outings. The Eagles led by a tenacious defense and a balanced scoring attack battled Edinboro to a 30-30 draw at halftime.

The scoring for LH in the first half were as follows: Mike Bergeron and Warren Goodling tallied 6 points, Gary Knepp, Hans Reimann and Mike Fitzgerald chipped in 4, and John Miller, Pat McClellan and Joe Sain added 2. Gary Knepp and Mike Bergeron led in rebounds with 4 each.

Early in the second half Edinboro shot out to a 41-35 lead. Coach Taylor quickly called time and began to regroup his forces. With Lock Haven continuing its superb defense and with some good shooting from the outside by Warren Goodling, foul shooting by John Miller, and beautiful passes in underneath by these same two gentlemen to Mike Bergeron, Gary Knepp and Hans Reimann, the first twenty minutes of the second half proved to be a determining factor in the final outcome of the game.

The great ability of drawing 'charging fouls' by Knepp and Goodling were really the key to victory as Edinboro got into foul trouble early in the second half. They collected their seventh team foul midway through the second period and The Haven got a bundle of points from the charity stripe. Totals for the game found LHS scoring 17 points from the foul line to just 7 for the Scots.

Getting back to the second half, Bergeron, Goodling and John Miller were almost the entire offense for the Bald Eagles, as Bergeron poured in 25 points and Knepp chipped in 8 and 7 respectively. In the Knepp only scoring 1 point and

Reimann 1 in the second half, it was a complete team effort frustrating the very potent offense of Edinboro which was averaging nearly 93 points per contest.

Since the victory was a "team effort", the efforts of each team member should be congratulated and acknowledged. Mike Bergeron, 21 points and 7 rebounds, both tops for LH, leading scorer in the game and second in rebounds only to Jim Boyd of Edinboro who had 8, Warren Goodling 14 points and 4 rebounds, John Miller piped in 9 points and no rebounds, Gary Knepp 6 points and 6 rebounds, Hans Reimann 5 points and 5 rebounds, Mike Fitzgerald 4 points and 1 rebound, and Joe Sain 2 points and no rebounds.

Mike Chanocy and Frank Norris both saw limited action and were unable to get into the scoring column.

Top point-getters for Edinboro were Jim Boyd with 16 points and Dennis Hampton chipping in with eleven.

The fans knew the game was "in the bag" for the Eagles, when with about 4 minutes to go and LHS ahead 57-51, Sports Information Director Boss Nevel did his scorer's table dance. From

then on Edinboro didn't have a chance. According to Mr. Nevel, the crowd was the biggest at Thomas Fieldhouse for a basketball game in the 25 years he has covered the sport.

Eavesdropping, I heard Coach Taylor tell Mr. Nevel following the game, "We practiced taking away their outlet pass on the fast break. If they pass our guards, we're in position for the interception. We made them play our game which gives any team a slight advantage. They had to bring it up slow and run a patterned offense which they were unable to do." He later stated, "Mike Bergeron

played the best game of his life tonight." When asked for his comments on the game by this reporter, Taylor replied, "As I have said before, this was a 'complete team victory'."

To make the evening a complete success the JV's destroyed Baptist Bible College by the score of 80-55. Leading scorer for LHS was Mike Kreider with 18 points, George Forde with 15, Charley Zamitz, 11 points, and John Hoffman 10 points complimented Kreider's offensive show. The JV's are now 3-1 on the season while the varsity is 5-4.

Gary Brubaker's Wrestling CORNER

Winning just one of the first 7 bouts Saturday night, Coach Ken Cox and LHS Bald Eagle grapplers went down to defeat at the hands of powerful Slippery Rock, 24-14.

The score really wasn't an example of the closeness of the match as Slippery Rock had the match all but wrapped up (20-5) with just 3 bouts remaining.

The 118 pound match found Jack Spates, the Rockets College Division champion, going against freshman standout Dave Shreck. Spates' know-how and experience was recognizable as he pinned Shreck at 1:23 of the second period

At 126, Rob Johnson lost a close 4-2 decision to Mark Caffrey who was subbing for the regular Rocket 126 pounder. Johnson, wrestling for the first time since Morgan State match gave a gallant showing despite bandaged bruised ribs and a seven-week layoff working against him. Johnson still had a shot at beating Caffrey at the start of the 3rd period with the score tied 2-2. Caffrey escaped and the boys wrestled the remainder of the match on their feet. Caffrey added a point riding time making it 4-2 and giving Slippery Rock a 9-0 lead.

WALK BREAKS ICE FOR EAGLES

Lock Haven broke into the scoring column when 134 pounder Gary Walk, an ex-Rocket grappler himself, de-undefeated in dual meets up to that time was tied with Walk 2-2 after 2 periods. However, a reversal and a takedown following Condon's escape gave the Eagle grappler a well-earned victory. This brought "the Haven" within 7 points of the leap; 9-3.

At 142, George Way's inability to come off the bottom in the second period proved to be his downfall as he lost to Gene Costello 6-0. After a scoreless first period, Costello rode Way the entire second stanza picking up a 2 point nearfall in the process to lead 2-0 going into the third period. Way rode Costello 1:06 before the Rocket grappler escaped. Costello then gained his final three points on a takedown and riding time point, giving him the victory and his team a 12-3 lead.

Dave Crowell at 150 really had a tough cookie in senior Mike Waller who had beaten national champ Dan Muthler from navy in a previous encounter. After trailing 7-3 after 2 periods, Crowell rallied but wound up on the short end of an 11-7 score. This made the team score 15-3 in favor of Slippery Rock.

The 158 pound class found Don Eichenlaub and Rocket freshman Rick Pieffer battle to a 1-1 draw making it 17-5 in favor of Slippery Rock. Eichenlaub escaped Pieffer in the second period and Pieffer turned the same trick on Don in the third to gain the draw.

Don Adams, the Eagle's lone undefeated wrestler at 5-0-1, saw his undefeated status disappear as he lost to tough Angelo Natoli by an 8-0 score. Natoli, by far "the Rock's" most improved wrestler from last year, led 5-0 after 2 periods. The third period found Adams unable to escape and getting caught for a 2 point nearfall making it 7-0. Natoli. The riding time point rounded out the scoring and made the team score 20-5 in favor of the Rockets.

VICTORY POSSIBILITY VANISHES

The Eagles, who still had a slim chance to pull off a win, saw that chance vanish despite Ron McMurray's 10-7 victory over high school nemesis Jeff Lutz. Revenge was sweet for Ron as he had been pinned twice by Lutz in high school. Leading 5-4 after 2 periods on a takedown, 2 point nearfall, and an escape, McMurray outscored Lutz 5-3 in the final stanza. The score gave him sweet revenge and reflected a hard fought victory.

With the team score reading 20-8 in favor of Slippery Rock, the Eagles had a chance to tie the Rockets if they gained 2 falls in the last 2 weight classes.

This was not to be the case as Bill Shuffstall dominated Eagle Art Baker in the 190 pound class by a 12-2 score. Baker's only points came on a takedown in the second period with Shuffstall collecting 4 points in each of the 3 periods for his superior decision victory. This closed out any chances the Eagles might have had for a team score draw, making it 24-8 in favor of Slippery

Rock.

Big Jim Schuster went as far in a match as you can go without resting for a full 8 minutes as he pinned Frank Kuhl with just one second remaining in his bout.

The final score of the match was Slippery Rock-24, Lock Haven-14.

MAT NOTES

Despite the loss which dropped the Eagles to a 4-3 dual meet record (Slippery Rock is now 6-1) head coach Ken Cox felt the Eagles wrestled a good match.

He praised Gary Walk for the fine job he did at 134. Coach Cox added that Schuster's match had to prove the big heavyweight is in condition as he worked the whole match driving for he fall until he got it.

The LHS Junior Varsity squad racked up another win downing the Rocket Jayvees 32-17. Registering victories for the Eagles were John Cox, fall at 118; Mike Barzona, forfeit at 126; Larry Kuntz, 7-0 decision at 142; Jim Fink, fall at 150; Al Fricke, fall at 167; and Wayne Johnson, 10-3 decision at 190.

There will be a CEC meeting Tues. Jan. 22nd at 6:30 pm in Himes 111. Special Olympics and the February Valentine dance will be discussed. New members are welcome.

Due to the current paper shortage the Eagle Eye has reduced the number of published copies to 1,000 per issue. Your cooperation is requested in sharing your copy with a friend. Thank

Anyone interested in joining a 3-credit hour work-shop of "Physical Education and Recreation for the Mentally Retarded" during the second summer school session (commencing July 8) should contact Peter Matthews in Himes 102.

Tryouts for the production of Marat/Sade will be held in Price Auditorium tonight at 7 p.m. Those trying out are requested to wear old or dirty clothes.

Attention: All those interested in the English-Communications club trip to New York; Please, attend the meeting Tues., Jan. 22 at 1 p.m. in the Bentley Ball Lounge.

Two kinds of people don't amount to much: Those who can't do what they're told, and those who can't do anything else.
