## Lock Haven sponsors performing art series

The Lock Haven Artist Series will offer a variety of six different performing artists or groups in the 1975-76 season, beginning with the Duquesne University Tamburitans at 8:00 p.m. in Price Auditorium on October 19.

According to Dr. Russell C. Nelson of the LHS music department, single admission tickets will be available at the door this year for all performances. He advises, however, that season ticket subscribers will realize a substantial cost savings and be guaranteed a seat. Students may gain admission with a validated I.D.

The Tamburitans of Duquesne University will open the series on October 19 with the dances, rituals, songs, and folklore of the Eastern European countries, performed in a wide variety of native costumes. Founded in 1937, the Tamburitans have performed around the world, three times

under the sponsorship of the U.S. State Department.

On November 17, Ingrid Dingfelder on the flute and Martine Geliot on the harp will present a program entitled "Flute Settings with Harp" at 8:00 p.m. in the Sloan Theatre.

The Mostovoy Soloists of Philadelphia, a chamber orchestra, will present a concert on February 16, followed by mezzo-soprano Victoria Villamil on February 23.

On March 10, Vince Lombardo, a pantomimist, will put on a show using his varied talents as a musician, actor, and stage director.

The final program in the series will be offered on April 8 when troubadour George

"I CARE ACHIEVER"--Mike Holter, LHSC senior, was named yesterday as the "I Care About Clinton County Achiever" in the college division. A lifelong resident of Lock Haven, Holter was chosen by the "I Care" Committee because of his service to both the college and town. He will be awarded a plaque on October 8, "I Care About Clinton County" day.

## College hosts Lock Haven High choir

An evening choral concert will be presented by the combined choirs of Lock Haven High School and Lock

Haven State College this Thursday, October 2, at 8:00 p.m. in the John Sloan Theatre. The concert will also include selections by the L.H.S.C. Men's Quartet and tenor soloist Greg Guisewite.

On Thursday afternoon, the 141 voice choir of Lock Haven High and the 76 member College Choir will combine to conduct a rehearsal workshop. Directors for the workshop and concert are Gary Renzelman of the college and Neil Feerrar, Jr., former Lock Haven State Student and now a member of the Lock Haven High School teaching staff.

The objective of the rehearsal workshop, according to Renzelman, is "to give high school students the experience of singing more advanced music with older students."

A similar workshop was held two years ago when high school students from Bald

Eagle Nittany and Jersey Shore joined members of the LHS choir. At that time, plans were made for L.H.H.S. students to attend a college workshop in the following year. Because of delays in the construction of the John Sloan Fine Arts Center, the workshop was rescheduled for this year.

In addition to giving the high school students full benefit of the Sloan building, the rescheduling action will give the administration an excellent opportunity to advertise the modern facilities here at Lock Haven to students in the community.

tomorrow night's performance is open to the public at no charge but seating will be limited because of the large number of participants who will at times be seated in the audience.

## Enrollment drops at Ship

### KEYSTONE COOPERATIVE NETWORK NEWS

**SHIPPENSBURG** -- Enrollment at Shippensburg has dropped from 4,206 last year to 4,160 this year. Attributed to economically oriented problems, the drop took its highest toll from the junior and senior classes causing reductions from 807 to 713 and 890 to 832, respectively.

Shippensburg reports that previous students reapplying to school are required to pay a deposit fee. This is to prevent late-date drop outs who held places unaccepted prospective freshmen could have taken.

**CLARION** -- Clarion announced that it is one of 12 northwestern Pennsylvania Colleges taking part in a cooperative full-time "class exchange." Under the auspices of the Northwestern Planning Council for Higher Education, the "regional cross-registration" allows students to enroll in courses with cooperating schools which they may not be able to get at their own college.

The plan is hoped to benefit students close to graduation who need specialized courses offered elsewhere. To participate, students need only provide their own transportation.

## this week in pennsylvania

Oct. 1-3

**DAS AWKSCHT FESCHT** - Pennsylvania Dutch Rural Festival and antique Car Show. Memorial Park, Macungie.

Oct. 1&4

**ROLLING ROCK RACES** - Ligonier. One of America's biggest steeplechase events, fine horses competing in a setting of early autumn foliage, six races over brush, timber and on the flat; first race at 2:30 p.m. Wednesday. Second session, six races featuring the "Run for the Laurel" with the International Gold Cup at stake; first race at 2:30 p.m. Saturday. Races held on Rolling Rock track, Pa. 381, 2 mi. E. of Ligonier, Pa.

Oct. 1-31

**FAYETTE FALL FESTIVAL** - Throughout Fayette County. Activities during the month include numerous "cakes 'n' sausage" suppers, square dancing, old time fiddlin', an all horse parade and an interfaith service and dinner. Plans are also being made for a bus tour of points of historic interest and natural beauty throughout the county.

Oct. 3

**PARADE** - Fire Prevention Week. Philadelphia.

Oct. 3-4

**FOLK FESTIVAL** - Springs, on Pa. 669 between Salisbury, Pa. (U.S. 219) and Grantsville, Md. (U.S. 40). Early days in the historic Cussewago Valley are relived. Men can be seen hollowing out wooden troughs with an adze; shaving shingles; threshing grain with hand flails; operating a two-horse tread power cleaning grain with old "wind-mill"; demonstrating the boring of wooden spinning and weaving; making rugs; quilting; candlemaking, etc. Handicraft demonstrations in the large crafts tent include quilting, wool processing, and varied rugmaking.

Oct. 3-5

**PIONEER DAYS** - Pa. St. 51, Perryopolis. Features include: 6 p.m. Fri. evening band concert; opening ceremonies; crowning queen; exhibit; polka dance. Sat. - all day; crafts demonstrations; wagon tours; exhibits; chicken bar-b-que; smorgasbord; teenage dance. Cultural show; auction; pony pull; exhibits; antique show; parade. Sun. 10 a.m. Country store open all three days.

Oct. 4

**1776 FAIR** - Opposite the Memorial Building, Washington Crossing State Park. 11 a.m. to 9 p.m.

**CHESTER COUNTY DAY** - A tour of old homes and mansions dating back to pre-Revolutionary War days, plus historic landmarks throughout Chester County. On display will be family antiques and arts, along with fine country food. To learn where the tour starts, hours and rates, write to Chester County Day.

## Greeks Speak

By Bill McComas & Kaye Hopple

This week, "Greeks Speak" goes to Germany, or at least it seemed that way last weekend at the Lambda Chi Alpha house. Saturday was their annual beer festival, and not to be confused with any other "beer fest" held on our campus, this was the real thing. Patterned after the Oktoberfest held in Munich, the evening included Bavarian music, dark beer, and, of course, bratwurst and sauerkraut. Owing to the amount of singing going on, it can be assumed that everyone had a good time.

Homecoming weekend will be here soon, and by this time almost everyone is aware of the parade scheduled for Saturday morning. In the past, various organizations have given prizes for the best float. This year, the Panhellenic council decided to give an award also. The Panhellenic trophy will be given to the best float entered by a non-Greek group, with the judging based on creativity. The Inter-Fraternity council, during its Thursday night meeting at Phi Mu Delta, also voted to give an award this year. The IFC trophy, however, may be awarded to any organization, Greek or non-Greek, and may be given to a float or placement. The judges for this award will be the six members of the IFC executive board.

Also, the brothers of Sigma Pi have reported that improvements to their house have been going well. There have been several "work weekends" during the semester and included in these sessions have been general painting, repairs and just plain cleaning up.

With the threat of flood only a few days behind us, we must remember that the situation, had the river continued to rise, could have been quite disastrous. Almost without exception, every Greek organization sent crews to help store keepers and elderly people make the move to higher ground. "Greeks Speak" would like to salute those individuals and groups who got out of bed at 5 a.m. to help, when help was really needed.

**CRUCIBLE MEETING:** For all present and prospective staff members of this year's literary magazine.

**TODAY** 7:00 p.m. in the Student Publications Office; PUB Ground Floor.

## Letter to the editor

To the Editor:

**WE DANCED FOR THOSE WHO COULDN'T AND ARE NOW AMONGST THOSE WHO CAN'T!**

We don't even know where to start or have the words to express the gratitude for all those who supported us in the Phi Mu Delta Easter Seals Dance Marathon. Without the help of so many people, we would not have made it as far as we did. Everything from collecting a soothing neck massage, hanging a "psych" sign, a new face to dance with (and lean on) and the great words of encouragement, "I KNOW YOU CAN DO IT!", kept us going, and going, and going.

We could not possibly thank each individual person enough, but hope you will

Varsity and jvs collect wins

# Eaglettes burn the SRSC Rockets

By MARY FEUSNER  
Women's Sports Editor

In only their second game of the season, the Eaglette varsity field hockey squad played exceptionally well as they handed Slippery Rock their first loss of the season.

First half action was dominated by Haven players Pat Rudy, Wendy Keller, and Mary Fleig. Junior Pat Rudy scored the initial goal of the contest, four minutes and forty seconds after the opening bully. With 16:30 showing on the clock, Rudy took advantage of the Rock's goalie again by driving the ball into the cage after it had been hand-stopped by Ronnie Lawson.

The next ten minutes of play proved to be a demonstration of the hustling Lock Haven defense, led by Wendy Keller and Mary Fleig. Keller and Fleig destroyed the Slippery Rock offense by anticipating and intercepting several key passes.

The only Slippery Rock goal of the first half was scored

by Wenrich with seven and a half minutes left to play.

The third Lock Haven goal came off the stick of Gina Graham with only twenty seconds remaining on the

clock.

At half time, the score was "the Haven" 3, "the Rock" 1. Lock Haven penetration time totalled ten minutes

ANOTHER EAGLE GOAL--Wendy Keller indicates a successful goal as "the Haven" takes a commanding 4-2 lead over Slippery Rock. Keller's goal came midway in the second half of play. Ogle, Rudy, and Graham are shown following the rush. [Photo by GREG HUGHES.]

## Pat Ogle listed among athletes in OCAA edition

By DEB LITTLE  
Staff Reporter

Recently six LHSC athletes were chosen to appear in the 1975 edition of Outstanding College Athletes of America. Criteria for the athletes chosen to appear in the OCAA includes service, scholarship, leadership, and outstanding athletic achievement.

Among these six athletes chosen from Lock Haven in Pat Ogle from Waynesboro, Pa. During her time here at Lock Haven, Ogle has shown herself to be an all-around woman athlete, playing both basketball and field hockey.

While in high school, Ogle played three years each of varsity field hockey and varsity basketball. In her senior year she was chosen as Most Athletic, Most Valuable in Basketball, Most Valuable in Field Hockey and served as captain for her basketball team. She also received the honor of most valuable basketball player in her home county.

## Villanova U. Wildcats host Lock Haven booters today

By GARY BRUBAKER  
Staff Reporter

Sporting a 2-0-1 early season record, the Bald Eagle Booters of Coach Karl Herrmann are on the road today facing a tough University of Villanova squad at 3:00 p.m.

The Wildcats, fresh from a victory over a strong St. Joe's soccer team this past weekend, will be no patsy according to the Eagle head mentor. Villanova recently captured the Lynchburg tournament in Virginia, and in doing so defeated host Lynchburg College on its way to the title. Lynchburg lost a tough 2-1 decision to NCAA Division III runner-up Swarthmore College last year in the opening round of the Ncaa playoffs.

"Villanova is undoubtedly a tough team," Herrmann noted. "However, I'm not worried about how good they are, or about losing: My concern is how we're going to

play. The biggest problem that has hampered us is the fact we've been on McCollum field once in the last week. That hurt us by breaking up our training continuity in the middle of the season."

"Our sharpness just isn't there stemming from the layoff," added Lock Haven's number one soccer fan. "But we looked good toward the end of Monday night's practice and when we're right, I'd match this team up against anyone."

The Eagles have battled Villanova three times, with each game providing the "unexpected." Three years ago LHS traveled to Wildcat territory, only to see Villanova jump to a 3-0 halftime lead. But the Eagles rallied for three goals in period two, the last two tallies coming in the final minute and a half of play to give Lock Haven a 3-3 tie. Lock

twenty-five seconds compared to Slippery Rock's 2:35.

Slippery Rock's Copeman was the first to score when the teams returned following half time. Ten minutes after Copeman's goal, Keller added the first insurance goal for "the Haven"--making the score 4-2.

Lock Haven's fifth goal could be described as a text book goal off the stick of Cathy Ogle. Pat Rudy, who was credited with the assist, passed the ball across the striking circle, as Ogle rushed and slammed the ball into the cage.

Coach Sharon Taylor complimented the team on their performance, especially Rudy, Keller, and Fleig. She said that all played well despite the fact that they were forced to practice inside most of the week.

The Lock Haven junior varsity shut out the Slippery Rock team, 5-0. The junior Eaglettes' goals were scored

by Sharon Gussinger, Colleen Hacker and Cheryl Wagner. Gussinger's goals came in the first half of play. Hacker scored a goal in each half. Wagner assisted with Hacker's second goal and scored the final goal of the contest.

In other hockey action this week, the Eaglette squads will face Ithaca College on Thursday afternoon. The games will begin at 3 p.m. on Lawrence field. On Friday, the junior varsity will be travelling to Bloomsburg for an afternoon game.

## lhs art series

cont. from page 1

Britton presents a program of English and American folk songs and ballads, accompanied with guitar and lute.

The series is a cooperative effort between the college music department, the Cultural Affairs Committee of the Student Cooperative Council, and interested persons in the Lock Haven community.

## eaglettes burn the srsc

cont. from page 3

Haven went on to win the thriller, 4-3 in overtime.

Two years ago the Eagles swamped the Wildcats 5-0, completely dominating the score and the action. Last year's contest on McCollum field found Villanova arriving a day ahead of schedule due to a contract mixup, much to the surprize of the coaches, players and fans at "the Haven."

Rather than have the Wildcats wait until the following day to play, (the original
