

Dr. Krevitsky to Lecture

by Marlene Davy

Bright pieces of cloth, buttons, seashells, are some very common things all sewn on canvas with equally bright and dark colored threads. These items are used to create the stitchery designs now on display in Raub Hall on second floor.

The artist behind these designs is Dr. Nik Krevitsky. He creates his designs in non-objective form. In other words, the designs are not supposed to be recognizable. However, the observer may insist that he sees trees, birds, the moon, seas, or any other number of things dealing with nature. Nature specifically, because Dr. Krevitsky says he takes nature to his world and interprets it.

All of the pieces on display are for sale. One might be interested in just looking because when the display is moved, one of the pieces will remain for LHS. The art department will be purchasing this piece through funds appropriated by the SCC.

The display, which has already been up for about a week, will remain on campus until approximately October twenty-sixth.

Dr. Krevitsky will present a slide lecture on Wed., Oct. 17, at 8:00 pm in Raub 106. The lecture which is open to students, faculty and townspeople will be followed by a reception.

Additional talks by Dr. Krevitsky will take place on Thurs., Oct. 18, from 8:00 am to 10:00 am and 1:00 pm to 3:00 pm in Raub 106. These talks are open to any people interested in art education and stitchery.

Football's Only Undefeated Squad to Review Homecoming

The 1957 Lock Haven State College football squad, the school's only undefeated and untied team in history, will be honored at LHS Homecoming Day game with Edinboro State College on Oct. 20 at 2 p.m.

In special ceremonies prior to the start of the contest the '57 squad will be recognized. Retired head coach Hubert Jack, who has returned to the LHS staff on a volunteer basis as an assistant, guided the Bald Eagle gridders to the only perfect record in 75 years.

The Bald Eagles opened with a tough 13-6 win against arch-rival Bloomsburg State and then followed with victories over Millersville, 26-0; East Stroudsburg 16-6; Ithaca College, 27-13; Indiana State, 26-0; Brockport, 27-7; handed Lycoming College its first loss of the year, 21-7, and topped Mansfield State, 13-0 in the season finale.

The starting line that year included Dick Hudy (Windbur) now a resident of Huntingdon where he coached for 10 years football and wrestling, and Bob Sealy (Bradford) Penns Valley High School coach, at ends; Dick Deibert (Bedford) now at Lancaster, and John Schonewolf (Harrisburg) now at Cocalico High School, at tackle positions.

Starting guards were Fred Caro (Springdale) long-time head wrestling coach at Edinboro State, and Carem Leto (Glenolden) resident of Newark, Del. The center was Dick Connor (McClure) veteran Williamsport High School coach.

In the backfield, quarterback Steve Magulick (Spangler) now head coach at Tyrone High School; halfbacks, George "Big Train" Dintiman (Highspire) and now Dr. Dintiman, chairman of Physical Education Department at Virginia Commonwealth University,

and John "Golden Toe" Englert (Lock Haven) coach at Lock Haven High School. The fullback was Bob "Little Train" DiFonzo (Bradford) and now a resident of Lewis Run.

Dintiman, who led the state in scoring with 72 points, received First Team All-State honors and Leto was picked for Third Team All-State.

Caro received Little All-American Honorable Mention recognition and Dintiman, Leto, Connor and Caro were picked for the Pennsylvania Conference All-Star First Team.

Englert, a brilliant kicker, booted in 15 extra points that season and one field goal.

Assisting Coach Jack was Steve Jacobs, a resident of Philipsburg, who retired as LHS Athletic Director a year ago. He also was a highly successful high school coach at Tyrone High School.

Attention students, faculty and staff who signed for flu injections - - The first injections will be given Wed. Oct 17 at the Glennon Infirmary from 12 noon until 1 p.m. There will be no charge for students. The price for faculty and staff will be \$1.00 for each injection.

If you and a teammate would like to enter reserve a canoe with Ms. Beck in the PUB during her hours. This race is open to all. Also, it will start at 1:00 PM at the Riverside Parking Lot.

2.) If you and a partner feel you have what it takes to win back the plaque which WACC now holds, PLEASE sign up with Ms. Beck for the Challenge Race. Please do so before Wed (10/17) afternoon. I will get in touch with you concerning a heat to decide which team will represent us. Canoes are available free of charge for practice. I also have been given verbal OK that the LHSC team will be given a meal after the race.

Dear Editor ...

I feel we are under seige ...

To the Editor:

This has been a dandy morning for a librarian. First we discovered that one of our scholars has torn out the pages indexing the Watergate Affair from a copy of the *Reader's Guide*. Next, I am shown a volume of the *Book Review Digest* with four pages ripped out. Then I have to explain to a polite person that the reason we have not bound *Ebony* magazine since at least 1970 is because we can not; too many issues are stolen to make it worthwhile to bind the remainder. And of course every TV set on the ground floor has had every dial and knob stolen off the set. Sometimes I feel we are under seige.

The fiscal plight of the state colleges, especially this one is hardly a secret. Everytime we replace

mutilated or stolen material this lessens the funds available for new materials. Everytime one person tears a page out or vandalizes a piece of equipment or steals a book, that person is not just stealing from a state agency, he is stealing from the educational resources available for the student body of the college. Once the serious student accepts this fact and begins forcing the thief to return the stolen books and reporting the vandal so he can be made to pay for replacements, then perhaps such materials the library does have will continue to be available for serious use. The librarians try, but right now the thieves and vandals seem to have the edge.

Sincerely yours,
Robert S. Bravard

Gridders Drop to 1-4 Shipp rolls Eagles 51-14

by Bill Sterner

The Lock Haven State Bald Eagles dropped to a dismal 1-4 seasonal mark as they were defeated 51-14 by Shippensburg on Saturday. The beautiful autumn afternoon at Shippensburg's Seth Grove Stadium turned into a one hour nightmare for the Bald Eagles. The Red Raiders thrilled 8,000 partisans with a 24 point first quarter, which turned out to be enough to give them their second victory of the year to three defeats.

In the first quarter, Shippensburg scored on their second play from scrimmage. Dean Hoffman took a pitch from quarterback Randy Staments and swept right end for 56 yards and a touchdown. Dan Cruchehank split the uprights and the Ship led 7-0.

After an exchange of punts, Shippensburg's offense began a drive. With 6:50 still remaining in the first quarter, Rene Posey scored on a twelve yard run, and the Red Raiders had mounted a 14-0 lead. The Lock Haven offense could not get on track. Again a punt and Shippensburg quickly marched the ball to Lock Haven's 26 yard line. From there, Cruchehank scored his fifth point of the game with a 36 yard field goal. With the lead at 17-0, the Bald Eagles finally began to move. However, the drive flickered and died early as linebacker Brad

Shover picked off a Bower aerial and returned it 20 yards for a touchdown. The PAT gave Shippensburg a commanding 24-0 lead when the teams changed ends of the field.

The second quarter went scoreless for seven and one-half minutes, when the Red Raiders struck again. Diggs capped a long drive with a one yard dive into the middle of the line for a touchdown. The kick made the score 31-0 in favor of the Ship.

With time running out, the Raiders capitalized on an LHS turnover. On third down at the LHS 27, Randy Staments uncorked a 27 yard aerial for a touchdown to wide receiver Angelo Benedetti. The score came with just 22 seconds remaining on the clock. The kick failed and the Red Raiders carried a 37-0 lead into the locker room at halftime.

The second half proved no more encouraging for Lock Haven. With less than three minutes gone, Shippensburg drove to the LHS 5. From there, Randy Staments rolled out for the touchdown. The PAT gave the Ship a one sided 44-0 margin. However, the Bald Eagle offense, which had stalled and sputtered most of the day began to move.

On the third and 6 from the Shippensburg 43, a pass interference penalty gave LHS the ball, 1st and 10 at the Raider 33. Three plays netted not a yard. On 4th

and 10, Dave Bower rolled to his right, picking his way down the sidelines to the Shippensburg 1. From there, Kline burst in for the LHS touchdown.

Shippensburg retaliated, however, with still yet another touchdown. With 54 seconds left in the 3rd period, Rene Posey capped another long drive with a one yard run. Going into the fourth period the score stood at 51-6.

Lock Haven was the only team to score in the fourth quarter. Midway through the period, Dave Bower, using primarily the running of Chuck Vennie, moved the ball from the LHS 32 to the Shippensburg 47. Then on, second and 8, Bower connected with Wayne Hoffman to the Ship 33. A penalty on the Raiders gave Lock Haven the ball on the Ship 15. From there, Bower hit Kline for 9 yards to the six. On 2nd and 1, Chuck Vennie hit off the left side for the Eagles second score. Danny Wood burst over for the two point conversion making the final score 51-14.

OFFSIDES

Chuck Vennie accounted for 116 yards in the Eagles offense. He had 72 yards on the ground and had 6 pass receptions for 44 yards. Dave Bower hit on 10 of 19 pass attempts for 82 yards.

Next week the Eagles face a tough football rival in Edinboro State. The Scotties defeated Clarion last week 23-22. The series between Edinboro and LHS began in 1958. Since then, LHS has beaten the Scotties 8 times, lost 6 and tied 1. Last year, the Scotties trampled the Eagles 56-19 at Edinboro. The game is slated for a 2 pm kickoff at Painter Field.

There will be a very important Varsity Club meeting concerning Homecoming events and Bonfire on Tuesday night at 7:15 pm in Zimmerli 7. Please be on time.

LOST: Royal Blue Oxford Notebook. Contact Chris-748-5948.

Attention all prospective Ski Club Members. There will be a meeting Tues. Oct. 16 in Z007 at 8:30 PM. Items to be discussed include money making activities, ski trips and election of officers. All interested skiers are urged to attend.

Dear Harlem Globetrotters

I would like to be on your team. I am a boy but I'm not black. I am four feet tall and weigh 55 pounds. I am eight years old. I am not so good at hookshots but I am good

at rebounding, stuffing and especially good at dribbling. I am one fourth as good as Marques Haynes.

Eaglettes Drop First 2-1

by Louise M. Wilson

Last Thursday the Eaglettes hockey team traveled to West Chester State where they lost their first game of the season. It only took the "Haven" twelve minutes to score when freshman Pat Rudy pushed the ball passed the goalie. But from that moment on it was truly a defensive effort on Lock Haven's part. Both teams battled for the ball after the first score until the first half ended with the "Haven" leading 1-0.

West Chester continued to dominate the offensive play in the second half and after a boost of spirit from a cheering boy's team on the side line, they gained their first score late in the second half. That was all the momentum the Ramettes needed

to add their second score with seven minutes left in the game and take the win 2-1

LHS Captian, Cindy Karl who plays goalie was commended by both coaches and teams. She was confronted with 37 shots at the goal and faltered only twice according to the score. She played under continous pressure for 35 minutes before the first West Chester tally.

On Saturday the Lock Haven varsity hockey team lost to a powerful alumni team 2-0. Next Wednesday the team will travel to Elizabethtown, and during homecoming weekend will participate in a tournament at Waterloo University located in Canada.
