GDIs capture Homecoming crowns

By Emilee Groce News Editor

This year, to everyone's it." surprise, the Homecoming court was captured by two GDI's, Dan Potts and Stephanie Egelston.

Despite the Greek opposition

the couple faced, they were elected King and Queen as independents.

"I think people who weren't Greek were happy that we won,"

says Egelston.
"With as much opposition as we were up against, we were surprised we won. We have been getting a lot of congratulations from the

harder than most, we thought we deserved it," continued Egelston.

Commenting on the most Greek organizations' basically hostile reaction to the GDI, Potts said "Just because we're independent doesn't mean we can't be

recognized."
"We're not an organized group and we don't see how wearing the GDI letters means we are a group.

The letters only say what we are."
"Just because we wear the letters doesn't mean we have to abide by any rules," said Potts.

"The reason we are independents is because we like to be able to run around with whoever we want. No one has any right to say who we can or can't hang out with," added Potts.

Students take California State to court

The student government at California State University-Chico found itself in court last week fending off, of all things, a hostile corporate takeover. The "corporate raider," morover, was Cal raider," morover, was Cal State-Chico President Robin S. Wilson, who wants to wrest control of several campus businesses away from the

At issue are Chico's bookstore, copy service and food service operations, worth an estimated \$13 million a year.

Wilson's spokespeople, echoing those raiders like T. Boone Pickens and Robert Bass, criticized the student government as

"The businesses have an income potential and the president wants access to that money for faculty development. The students have done pretty well. The president thinks he can do better."

inefficient managers, and asserted Wilson could run the businesses more profitibly.

"The businesses have an income potential and the president wants access to that money for faculty development," said Bob Pentzer, Chico's public affairs officer. "The students have done pretty well. The president thinks he can

And, much like the Wall Street merger craze, such thinking may

be contagious.
"If Wilson wins, predicted Doug Brooks of the National Association of College Stores (NACS), based in Oberlin, Ohio, it may encourage other college presidents to see what they can do to gain control over student programs, student newspapers and student."

The students, in reply, have otten a court order restraining Wilson from assuming control of

They've also gotten a bill through the California state legislature to protect them, and have gone to court to enjoin Wilson permanently from raiding

them, asking for \$500,000 in

punitive damages.
"This will be a blow no matter where the court comes down," said Dave Hubler, general manager of the Associated Students

Corporation.
"If the students 'win,' they'll be more separate from the University than anyone suspected. If the University 'wins,' the school will lose flexibility. The relationship between the student businesses and the school has been what is called a legal fiction. The relationship will change no matter what the court decides,

Although he knew of no other similar cases, the NACS's Brooks saw the Chico case as setting "an

ugly precedent."
Student associations, he said, run businesses at few schools. The student government at Chico, for example, is the only group on Cal State's 19 campuses to run commercial enterprises.
"This is a student run business

doing incredibly well, but president Wilson has said the students should promote campus life, not run a business. It's an

attempt to take their power away," explained Brooks.
"He (Wilson) wants to have

control of how the profits are

At Chico, the dispute arose during the summer, when students and administrators sat down to renegotiate the rents the student government paid the administration for its business

But negotiations bogged down under Wilson's demands for control over the services. CSU Chancellor W. Ann Reynolds ordered Wilson to insure the "stability and effective management" of the businesses, prompting Wilson to try to oust student managers in favor of his

The alarmed students scurried to court, where they got a court order , keeping Wilson from acting until the issue was settled.

The bill has passed, and is awaiting Governor George Deukmejian's signature.

Students and administrators, meanwhile, have maintained wary contact with each other. Like their counterparts in corporate America trying to fend off takeovers, the students have offered "greenmail" -- payments of some sort to the raiders to make themn go away -to Wilson.

Balloons away!! Football halftime raises \$500 for United

By Emilee Groce News Editor

Halftime of the Homecoming football game found the sky filled with a multitude of colors as balloons sold for the United Way were released.

The total of sum \$500 will be given to the United Way to be distributed as they see fit.

"We were very pleased with the number of people who bought the balloons," said Miller.

"We would like to make this

Guy Wade scores LHU's only TD ...

Edinboro wrecks Eagles' homecoming

By Herb Samuels Sports Reporter

The Bald Eagle gridders suffered their worst loss of the year, 45-7 to Edinboro, in front of a homecoming crowd of 4,000.

"Obviously we didn't play well at all," said Head Coach Tom Jones. "We were bad on offense and defense. We lost as a team."

Edinboro played tough on both sides of the ball. On offense they ran the ball with feature back Elbert Cole (96 yards on 24 carries and 2 touchdowns).

Edinboro's quarterback Hal Galupi passed deep with athority. Twice on third and long, Galupi dropped back and fired for touchdowns of 42 and 16 yards.

Galupi ended the day by completing 15 of 21 passes for 158 yards and 3 touchdowns.

The lone highlight for the Bald Eagles came on the kickoff to start the second half.

Kick returner Guy Wade received the kick at the 14 yardline and took off 86 yards for a touchdown.

The Bald Eagle offense spuddered into a tailspin early. Running back Les Smeal, who had been running like crazy, couldn't find any openings and wound up with just 30 yards.

Sophomore quarterback Radford Mason also had a bad day (6 of 18 for 41 yards, 3 interceptions).

He was replaced at the end of the third quarter by back up Kevin Harney.

However, "Mason will be starting the next game," said offensive coordinator Dave Bower.

The loss was a hard one for Jones to explain.

We had a great week of practice. I thought we were ready," he said.

"But football is a game of breaks and none of them came our way. For example their quarterback fumbled two or three snaps but recovered them," added Jones.

Jones was also disappointed with the to run up the score. timing of the loss.

'We had a nice crowd for homecoming." he said. "We worked hard to get that enthusiasm and we let them down.'

teams' motivation problem should be over p.m. and the intensity should return.

Clarion University gave the Bald Eagles one of its worse defeats in history last season (69-14).

According to inside linebacker Jim Bibbs, the players feel that Clarion was out

When the score was 48-14, they ran a fake punt. That was insulting and we'd love to return the favor," Bibbs said.

They will have that chance Saturday As far as the next game is concerned, the when they travel to Clarion. Kickoff is at 1

Field hockey goes 2-1 over the weekend

By Merritt La Porta Sports Editor

The Lady Eagles field hockey team took two out of three this past weekend, losing to Providence but shutting out Maine and Lowell University.

Friday the team lost 1-0 to 12th ranked Providence when the Rhode Island team connected on a penalty stroke late in the econd half.

"We could easily have gone 3-0 (this past weekend)," said Head Coach Sharon Taylor. "We were certainly in this game."

"We had lots of chances, but couldn't score," she said.

Saturday morning however was a different story.

Junior Missy Carman had the hat trick against host Maine as the Lady Eagles crushed the Lady Bears, 5-0.

Freshman Teresa Cisney scored two goals and had two assists to add to the blowout.

"The kids played very well," said Taylor. We showed as much offense in that one game as we have had all season.'

"We scored three quick goals then added two more and the score could have been much higher, but their goalie made some outstanding saves," she added.

Carman is now the leading goal scorer on the team with eight total on the season.

Later that day the Lady Eagles took on Lowell University and walked away with a 2-0 victory.

Freshman Gia Sgrignoli and junior Tara Egolf led the way with unassisted goals early in the first half.

Stacey Giorgio turned away all eleven Lowell shots to record her seventh victory.

"We continued to pressure somewhat, but not like the all out effort we had before that," said Taylor.

"We were clearly dominant in two out of the three games," she added. "It was a pretty good weekend."

Sophomore wide receiver James Freeman (3) is pursued by two Edinboro defenders as he looks for blocking from Richard Nurse.

Soccer team stops Christopher Newport; ties school record

By Kevin Dickie Sports Reporter

A large Homecoming crowd was entertained by the LHU Booters as they continued their impressive home winning streak by defeating Cristopher Newport 3-0.

Although all the goals had been scored within the first 17 minutes, LHU never let the Captains' put them under any real pressure, and this 10th shutout, (tying the school record) was achieved with the Booters not playing to the best of their

Once again, Gary Ross figured strongly up front for LHU and after only 2:25 he had scored the first of his two goals.

Shawn Hawkey floated in a corner which was touched on by Tibby Kobolak to Ross who was well positioned to place the ball past Allan Livingstone, the Newport goalkeeper.

The LHU pressure continued at a furious

pace and after 15 minutes Shawn Hawkey missed a shot which struck the post. Before the crowd had time to discuss the Hawkey chance, Andrew Monteith had made the score 2-0.

A Christopher Newport player looks to move up field as Gary Ross (9) defends.

Mark Colangelo, the LHU co-captain, made a powerful run down the left wing cutting inside the area before squaring the ball to Monteith who had the task of slipping the ball into the net.

The burst of action was not over as Gary Ross moved forward to score his second goal of the match and make the score 3-0.

Ross caught the Newport defense still dazed from the second goal as he found himself with space in front of Livingstone.

Showing composure and control, he drew the keeper out before rounding him and almost walking the ball into the net

In the second half, LHU was presented with the perfect opportunity to make the score 4-0, when they were awarded a penalty kick for a shove on Tibi Kobolak.

LHU keeper Warren Westcoat was offered a rare chance to score, but his attempt went high and the game finished 3-0.

LHU is now 9-4-1 and will be looking to set a new school shutout record at IUP
