

'73 Projected As Date For Fine Arts Center

Plans for the proposed Fine Arts Center have been completed and the building should be ready for the Art, Music, and Theater Departments by September, 1973, according to Dr. Marcus Konick, Director of the Humanities Division.

The building, to be constructed of brick and limestone, will consist of three stories and a basement, and will be located across from Bentley Hall on Fairview Street. The plans include office space, classrooms, and several art shops, music studios, and speech and theater rehearsal rooms. The building will be supplied with air conditioning as well as with the latest sound and lighting equipment.

Featured are the huge foyer, which has a two-story glass window, to be used for art exhibits; the large experimental theater, which seats 300, and includes a main stage and two side stages, all of which can be elevated; and two multipurpose rooms, one of which will be set up like a television studio, with a sound stage and videotaping equipment. In the future it may also be possible to build an outside theater.

The new Fine Arts Building is needed to accommodate the increasing flow of music, arts, and theater majors, and to provide a broader field of activities for the student body. It will include jewelry and metal craft studios, and arts and crafts shop, a kiln room, and sculpture and painting studios for those interested in art. To accommodate music majors, band and chorus rehearsal rooms will be provided, as well as instrument and uniform storage. Theater and speech enthusiasts will be able to use a press room, as

well as the experimental theaters. Most classrooms will have sound wired in, and their doors will have large glass inserts for observation.

The plans for the building were drawn up six years ago, but the building has been delayed several times due to lack of state finances. Members of Art, Music and Theater Departments accepted the plans in conjunction with Dr. Konick.

The building will be built by Van Storch and Barkavage Architects and Builders, at a total cost of approximately two million dollars. The funds include \$600,000 in government funding, and the equipment alone will cost between a half million and one million dollars.

Milliken Confirms New Dorm Plans

A new women's dorm, located above Glennon Infirmary on Glen Road, will be completed by the fall of 1973. Dr. Russell A. Milliken, Administrative Vice-President, says an area behind the infirmary will also be cleared for a student parking lot.

Miss Evelyn Nicholson, Dean of Women, has advocated some minor changes in the dormitory plans, but says work will begin this fall for the five-story dorm. A recreation area, two T.V. rooms, laundry facilities, and a small kitchen will be located on the main floor, while the upper four floors will have accommodations for 200 women students. Other features will be luggage rooms for each floor, phone booths, and an elevator. Twenty-one parking spaces will surround the dorm.

Start the Homecoming Weekend off right - attend the hot dog roast at McEntire Hall at 9 p.m. Thursday. Live entertainment will be provided.

LHS to Host State Trustees

On October 22 and 23, Homecoming weekend, trustees from the Pennsylvania state colleges will meet here to LHS to discuss legal problems that affect the colleges. Each of the fourteen colleges have nine trustees, a total of 126, but approximately 70 will probably attend. Every year these trustee members meet at a different college and this year it is Lock Haven State's turn to have the meeting.

At the business meeting on Saturday at 10:00 a.m., Edgar Casper, Commonwealth Assistant Attorney General, who is associated with the Dept. of Education, will discuss legal problems that affect the state colleges.

President Hamblin indicated that an additional purpose is to get acquainted with one another and discuss other points of interest. He also stated that after the business is taken care of, many will attend the football game and "see Lock Haven take Edinboro."

Ski Club Plans Year's Activities

The ski club of LHS this year is planning ski trips to either Vermont or New York. Trips tentatively scheduled are either to Stowe in Vermont or Wing Hollow in New York.

Plans were made for the upcoming year by the newly elected officers: President, Dex Meadows; Vice President, Bev Boice; Secretary, Gail Rowe; Treasurer, Rod Norris, and Publicity Chairman, Sue Koebel.

Other activities tentatively scheduled this year will be dances December 3rd, January 7th and 8th. A raffle sponsored by the club will be held to raise money for the trips. Swap shop will be held at which time students and townspeople alike can purchase used equipment for all ages. For the person with the sweet tooth, caramel apples and hot dogs will also be sold.

"The best part of the ski club is that you don't have to know how to ski to join, you have to know how to have fun," President Meadows said.

WINO Updated

Station WINO has been resurrected since October 4. Smith Hall residents have been broadcasting every week night 7:00-12:00 and can be heard on Channel 8. WINO is an updated version of previous Smith Hall stations, and is broadcast for the entertainment of Smith Hall residents.

On the microphones for WINO are Chuck Rannels, Steve Engel, Brian Winters, Mike Golrig, and Bernie Gillet. Jim Guild and Jim Hamilton are managing the technical equipment.

The new station plays musical requests, and announces the news, sports, and weather.

Eagle Eye

Vol. XV, No. 21 LOCK HAVEN STATE COLLEGE Monday, October 18

Results of North and High Hall Sweetheart contests: Maryland Quartet Here Tonight

North Hall - Miss Jane Little
High Hall - Miss Carol Schmidt

The Lock Haven Artist on the LHS campus in December Series will begin its annual and the Goldovsky Opera Company, composed of an orchestra, October 18th at 8:15 in Price Auditorium with a performance by the Maryland Quartet.

The quartet consists of piano, violin, viola and cello. It began as a trio with Evelyn Rossini. The Cultural Affairs Committee of the SCC in conjunction with the citizens of Lock Haven set up the Community Concert Association. Composed of the music department of LHS, the citizens of the local community and the college students government, this association is responsible for these appearances. Adult season tickets are available but are very limited. They may be obtained from Dr. Russell Nelson at Price Auditorium or from Mrs. Lucy S. Caprio at 748-3759.

Strict Measures Taken to Prevent Future Crises

The financial crisis, which stifled employment late in March 1971, is still in effect. Students at Lock Haven State find it harder than ever to find campus employment this fall.

Because campus employment and Work-Study vacancies are filled, job openings are scarce. An overabundance of workers and insufficient payroll funds has resulted in student employment cutbacks. To handle this crisis, a Student Employment Budget has been established by the College's Budget Committee.

The budget is designed to prevent overexpenditure of job funds in the various working divisions of LHS. Each division is allotted a specific amount of money for student employment. The chairman of each division is responsible for hiring student help and maintaining a balanced budget for the 1971-72 fiscal year. An overexpenditure of funds or miscalculation of needed employees by divisional heads results in student layoffs in that division.

These stringent measures will prevent future crises while safeguarding the present jobs of the students.

LHS Singers To Attend Choral Festival

Nine students from Lock Haven State will attend the annual Collegiate Choral Festival being held at West Chester State College on October 21 to 24, sponsored by the Pennsylvania Collegiate Choral Association.

They are Josephine Brinley, Jan Cooper, Joanne Costello, Sara Kane, Diane Korb, Joyce Miller, Sandra Thompson, Charles Leonard, and Daniel Young.

The Collegiate Choral Festival brings together students from all over the state for a four-day session of rehearsals, culminating in a public concert to be held this year at 3 p.m. on Sunday, October 24.

Guest conductor this year will be Gregg Smith, a young professional choral conductor and composer. Smith's choral group has made many highly acclaimed recordings.

On Thursday evening of the festival, Dr. John McGowan of LHS, past president of the association, will conduct the chorus in a rehearsal of the Buxtehude "Missa Brevis."

Other works on the program include compositions by Gabriele, Mendelssohn, Stravinsky, Britten, Bartok, and Gregg Smith.

Our advice to the girls is this: Meditate well before you make the final decision. Remember, alimony is next to worthless on a cold night.

United Fund Drive Begins

The United Fund will sponsor a two week campus-wide campaign which began October 15 and will continue through October 29. The slogan of this year's rally is "one-ness in '71".

Chairman of the campaign on campus is Dr. Russell Milliken, HLS Administrative Vice-President. Mrs. Theil is serving as secretary. Other members of the Planning Committee include Mrs. Dolores Lynch, Associate Professor of Social Services; Mr. Mock, Superintendent of Custodians; Gary Worthington, President of the SCC; and Jerry Waterson, Associate Director of Dining, ARA.

Local area United Fund agencies consist of the following: Boy Scouts of America, Children's Aid Society, Community Service Association, Counseling Service of Clinton County, Crafts, Inc., Hemlock Girl Scout Council, Lock Haven Hospital, Red Cross - Eastern Clinton County Chapter, Ross Library, SPCA, The Salvation Army, USO - United Service Organization and the local YMCA.

A child's ear is that delicate auditory instrument that can't hear a parent's bellow from the next room but picks up the faintest far-off tinkle of an ice-cream cart.

Phys Ed Majors Conduct Drive

One hundred and thirty Physical Education majors joined the Physical Education Club during its recent membership drive.

The State Convention for P.E. majors will be held in Pittsburgh on December 2, 3, and 4. If enough people are interested, plans will be made to attend the convention by bus.

On October 2, the club sponsored a dance with music by the Crosstown Bus. The band was enjoyed by all who attended.

The officers of the club, elected in May, are Peggy O'Hara, President; Joanne Costello, Vice-President; Sharon Pentz, Secretary; Skip Wolf, Treasurer; Deanie Colon, Publicity Chairman; Sheri Podamonsky, Membership Chairman; and Sue Williams and Kathy Umbach, Programming. The advisors are Miss Mays and Mr. Daley. Anyone interested in joining should see Peggy O'Hara, Joanne Costello, or Sheri Podamonsky. Dues are \$.60 a semester and \$1.00 per year.

The Homecoming parade will assemble at McGhee Elementary School on Saturday, October 23, at 10 a.m.

Hockey Team Attains Victory; Shuts Out Slippery Rock, 8-0

Suesser's Huehnerhof offers to LHS students a 5% discount on all natural and organic vitamins and minerals as well as an organic breakfast cereals, marmelade, herb teas, and various seeds. Call your order in between 7 and 8 pm: 748-5621.

by Kathy "Sax" Umbach

The Eaglettes were a much improved hockey team Thursday as morale was high and everyone wanted a victory. With physical ability and the proper mental attitude, the team went to work to accomplish their goal.

Kelly Cromer took the ball down the field and scored with less than two minutes of the game played. Then the game settled down but LHS was continually pressing and eventually the Slippery Rock defense broke as Jackie Crowell and Bonnie Groff scored for the Eaglettes. LHS' starting goalie, Cindy Karl, made several fine saves before Slippery Rock's left inner pushed the ball in for the score. However, that

was the only goal Slippery Rock scored and the Eaglettes again went on the warpath. This time Jackie Crowell and Kelly Cromer added the goals. Then with about five minutes remaining in the first half a penalty bully was called; Kelly Cromer and Slippery Rock's right fullback took the bully and Kelly knocked the ball into the cage for the final goal of the half. The halftime score was LHS 6 - SRS 1.

As if the Eaglettes didn't have enough goals, they came right back in the second half and scored four more. Kelly Cromer knocked in two and Rose Neff and Bonnie Groff each scored one.

The varsity squad looked like a team as each goal was set up by outstanding team ef-

fort. Kelly Cromer was high scorer for the squad with five goals. The defense played a fine game and kept the ball away from the goal. When a shot at the goal was taken, Cindy Karl, the rookie goalie, cleared the ball to start LHS on the offensive.

The JV squad followed the footsteps of the varsity as they defeated the Slippery Rock JV squad 8 to 0. Ann Paules started the Eaglettes' scoring with just under three minutes played. From then on, the squad took advantage of every opportunity given them. Joann Gardner scored three goals and Dean Grove scored one to make the halftime score LHS 5, SRS 0.

The second half was no different as the Eaglettes went right on scoring. Carol Ewasko, Linda Sammat, and JoAnn Gardner each scored one goal to round out the scoring. The final score was LHS 8, SRS 0.

JoAnn Gardner was high scorer with four goals. Cathy Snelvel played an outstanding game at goalie to give the JV squad the shut out victory.

Gridders Down SSC, 16-8

Coach Bob Weller's surprising Bald Eagles assured themselves of extending their first non-losing season in six years on Saturday by defeating Shippensburg State at their Homecoming 16-8, revenging a similar setback last year.

This was also only the secondtime in the past 10 years that LHS had beaten Shippensburg in football.

Scoring started in the first half when Dan Guer's booted a 24-yard field goal. LHS got on the board again in the first half when Mike Packer, who was to go 11-for-20 on 206 yards in the first half alone, threw a 69-yard TD bomb to the sensational pass receiver Tommy Allen, who caught seven passes for 161 yards in the first two quarters. The successful extra point kick made the initial score 7-0.

LHS' scoring was completed in the third period when Arnie Cobb sprinted 11 yards up the middle for a TD, climaxing gains by him totalling 71 yards in nine

carries. LHS scoring ended at 16 points when the kick was wide and did not count.

Once again the Eagles' fine defensive unit played a major part in the victory, holding Shippensburg to 38 yards rushing all afternoon. The Raiders' only score came in the fourth quarter with a successful TD drive. The ball was then passed into the endzone for an additional two points.

Leading the defense was linebacker Barre Yaeger with 18 tackles, and end Mel Abel who caught the Shippensburg quarterback five times behind the line of scrimmage. Also coming in for praise from the coaching staff were Jeff Knarr and Tom Zimmerman, with 10 tackles each.

Next week the Eagles play host to unbeaten Edinboro State for Homecoming. Edinboro is currently riding a streak of 16 regular season games, which started in 1969. LHS was the last team to beat them, overcoming a half-time disadvantage of 26-7 to win 41-33.

Soccer Defense Shines;

Holds ESSC To 1-1 Deadlock

Everyone who missed Saturday's soccer match on McCollim Field missed soccer at its best as two of the finest teams in the Pennsylvania Conference, Lock Haven State and East Stroudsburg State, battled to a 1-1 deadlock.

East Stroudsburg an extremely strong team, was rated number seven in the East this week. Still it was an even match; the shots were 17-17 at the end of the double overtime game. LHS played an invincible defensive game.

Both scores came in the first period of the game. Neither was a cheap goal, coming on beautiful set-ups with no way to stop them. At 14:52 in the quarter Kazakos picked up a cross to the right side of the net and sent a high kick into the left side of the cage.

The Eagles stopped ESS downfield drive at mid-field and brought the ball back with a series of good maneuvers. With 3:20 left in the period Galen Hess sent a perfect cross over to Rick Donmoyer who boot-

ed the ball into the lower left side of the cage.

Hess had an outstanding game, and put in an extra effort on defense. Freshmen Bill Romano and Bob Rowan looked like veterans in Saturday's pressure game.

Halfbacks Steve Steffen, Don Trautman, and Tom DeFrancesco played another excellent game. They made the difference as they controlled the running game at midfield.

Curt Wolf, Dick Armstrong, and Don Copeland were at their best in the fullback position. Coach Karl Herrmann felt Armstrong played the finest game he has ever played for LHS. "Also Craig Dawson played his best game in the cage. He had a very busy day out there today."

"It is hard to pick anyone out specially. They all played their best today - they had to or we would have been buried by that team. I'm very proud of all of them. I just can't say enough about them," Coach Herrmann added.

Harriers End Fifth In NAIA

Steve Podgajny closed out a brilliant District 18 NAIA career by placing second in Saturday's championship race in a time of 24:24. Podgajny placed third his sophomore year, and second last year. For the third year in a row Dave Antagnoli of Edinboro destroyed the field while placing first breaking his own course record by one minute, three seconds, with a 23:17. Slippery Rock annexed the team title by scoring 34 points.

Podgajny and Antagnoli immediately opened a huge lead over the rest of the field and ran as a pair for the first two miles. Antagnoli then began to build a lead on Podgajny that eventually stretched to about 400 yards. Podgajny was all alone in second, beating Jeff Carr of Slippery Rock by over 100 yards. After Podgajny, the runners finished in droves.

Slippery Rock clinched the title by placing runners third, fourth, fifth, tenth, and twelfth. The first three Rockets ran in a group the whole way, demoralizing

the rest of the runners.

Steve Harnish of LHS ran in the huge third group during the race, and sprinted past about five men to place eleventh overall. Bill Landis ran an outstanding race, finishing as the Bald Eagle's third man, in 31st place. Completing the placing for LHS were George Bower, 37th; Reed Humphrey, 55th; Larry Wise, 58th; and Carl Klingaman, 60th.

Lock Haven placed fifth in the eleven team race, behind Slippery Rock, Indiana, Edinboro, and California.

Commenting on the race, Coach Jim Dolan said, "Overall, our performance was poor. Podgajny, Harnish and Landis ran well. Slippery Rock was simply tremendous. We could have finished third, if we had had a good day."

Podgajny qualified for the NAIA national meet, and because he was so close to tenth place, Harnish will most likely also be invited. The Bald Eagles next meet is Wednesday at Mansfield.

the only demands students can make are on each other. The Office of the Dean of Women does not oppose or favor any one set of open house hours. We do favor all women residents giving careful thought to the pro's and con's of each alternative and expressing their preference by secret ballot election.

Whatever open house hours are preferred by the majority of women residents in any hall will be acceptable and implemented as soon as adequate security procedures are developed. Since the Office of the Dean of Women is responsible for the security of the women's residence halls, we must retain the right to establish and/or approve the necessary procedures to carry out open house hours.

We hope all women understand that they each have a right to their own opinion in determining open house policy.

Evelyn M. Nicholson
Dean of Women
Patricia A. Kearney
Assistant Dean of Women

To the Editor:

The administration has said that the women will have whatever the majority of women want. This is the best thing I've heard in a long time. Now, all the women on campus have to do is show the administration what they want they want. We don't have to scream or demonstrate, all we have to do is vote. What could be easier. So, if you want organized, open dorms from Friday 6 p.m. to Sunday 7 p.m. please vote YES on our unofficial ballot on Wednesday, October 20. If the majority want open dorms we'll have an official ballot and then we'll have open dorms on weekends. It's that easy. So please VOTE.

Sue Koebel

Pregnant? Need Help?

We will help any woman regardless of race, religion, age or financial status. We do not moralize, but merely help women obtain qualified Doctors for abortions, if this is what they desire. Please do not delay, an early abortion is more simple and less costly, and can be performed on an out patient basis.
