President to hold meeting in Ulmer

By JACK SOHNLEITNER
Staff Reporter

The President's Open Meeting will occur today at one o'clock in Ulmer Planetarium. Francis Hamblin, President of Lock Haven State College will once again field questions and try to help solve problems faced by students, faculty, and townspeople.

In the past these meetings were held once a month. This year there will only be one a semester because of steadily declining interest Dr. Hamblin said. "The reason for the decline in attendance is because there is a lot more help being given at the departmental level. There is also an open door policy in all the offices along with full student participation in all school committees," said Dr. Hamblin.

The meetings are held on an informal basis. "Here I am. What questions do you have?" is the way President Hamblin plans on opening the meeting. If enough problem areas are shown further meetings will be scheduled says Dr. Hamblin. "The open meeting has outrun its usefulness. If everything is

working in the college there is no need for the meetings."

In the past these meetings have drawn as many as 600 students. The attendance usually averaged out to 12-20 students but has declined even lower than that the past year.

"Students may use the meetings to complain, ask questions, or praise things concerning the college. If I'm not sure of an answer I'll direct them to someone who has the answer" President Hamblin said.

Dorm recognition program initiated

An awards program designed to give annual recognition to the residence hall providing the best overall "Learning-living" environment has been established at Lock Haven State College.

The recognition program is

DR. FRAN CORNELIUS -- is pictured speaking at the dedication ceremony of the Archway last Saturday. The Alumni Association raised \$10,000 for the construction of the monument to the past. [Photo by JACK FREY].

Absentee ballots available

Pennsylvania voters who are registered to vote in counties other than where they attend college may vote by absentee

to be called the John H. Bone Award, in honor of the former dean of students at the college who retired in 1973. During the 15 years Dr. Bone served the college, all but one of the present student residence halls were constructed and the

student life program underwent many progressive changes.

Commenting on the establishment of the award, George F. Rhodes, current dean of students at Lock Haven State, praised Dr. Bone's contributions to the student life program.

"We have at this campus one of the highest percentages of residency in the state college system. Our students have made the residence halls a vital part of their college experience, and we are happy to have the opportunity to give them recognition for their contributions," said Dean Rhodes.

Criteria for the award is being developed by the dean's staff and representative residence hall students. The award is being made possible by a grant from "The Friends of Lock Haven State College," the college's foundation.

Dr. Bone earned his bachelor's and master's degrees at Bucknell University and his doctorate at the

Abortion alternative presented

By MARLENE DAVY
Staff Reporter

There is an alternative to abortion according to Tina Gillott, Clinton County Pro-Life Chairperson. It is, **Birtright** an organization started by Mrs. Louise Sumerhill.

The credo and philosophy of **Birtright** is, "To uphold at all times, that any pregnant girl or woman has the right to whatever help she may need to carry her child to term, and to foster respect for human life in

all stages of development." **Birtright** has centers throughout the USA and Canada.

Anyone wishing to contact the local **Birtright** center can do so by calling 814-237-3163 before 11am or 814-238-1810 and 814-237-7546 at anytime.

For anyone who would be interested in attending a **Birtright** workshop, there will be one held at the Sheraton in Altoona on October 22-23. The number to call for reservations

ballot.

Within the 50 day period before the election the voter must send in a request for an official absentee ballot application. The request may be a postcard, letter, or standard form stating the address to which the application should be mailed. The request must be sent to the County Board of Elections at the courthouse in the county where the voter is registered.

The official application will be sent to the voter who must return it to the County Board of Elections. The Board will send a ballot to the voter. The ballot must arrive at the County Board of Elections by 5 pm of the Friday before election day.

Today's Editorial

Changes must be made

Once again the Faculty Curriculum Committee is letting the work pile up. This committee, comprised of all department heads, or their appointed designees, the Vice President of Academic Affairs, and three students has a monumental amount of work to tackle each semester.

Knowing full well that they have a tremendously long agenda to complete each week, the committee wastes more time than it utilizes at its meetings.

No one is ever prepared when they arrive at the meetings. Each member is charged with making themselves familiar with the syllabi on new course and departmental offerings. The vast majority never even glance at the material prior to the meetings. If they did, the committee would accomplish twice as much work as they do presently.

Before a course, department change, or addition can be brought to the curriculum committee it must go through these prescribed channels: reviewed and approved by all involved departments; reviewed and approved by all involved school's curriculum committee; and reviewed and approved by all involved deans.

Yet many times during a curriculum committee discussion of a course it will be brought out that the committee is wasting its time because the course never went through the correct channels to start with and the committee should not even be discussing it.

The syllabi that is presented to the body is often times vague, incomplete and not following the proper format. Consequently, a lot of valuable time is wasted on questions concerning the proposed syllabi change in regards to what the course entails and hopes to accomplish.

The most important flaw in the committee is something that only each individual member can change- his or her own partiality toward their particular department.

When an issue is brought up instead of asking themselves how it will help or hinder the school as a whole, many members decide how it will effect their department. Granted, each person on the committee is representing their own department, and must look out for their departments welfare. But not to the point where the students suffer. The committee must start to work together for the good of the school.

For the committee to successfully complete the duties it is charged with, many changes must be brought about starting this week. Each member must decide to start to do their homework and come prepared to the meeting.

Every member should ensure that all syllabi follow the proper format and go through the prescribed channels prior to the committee.

Most importantly, each member must question their own purpose on the committee. Is it to railroad through their own demands or to use objective judgement and keep in mind the quality of the entire school?

VOTE in today's referendum for approval of revisions to the SCC constitution in Bentley Hall and the PUB.

All faculty & students interested in participating in next year's programs in England & Poland should fill in application blanks at once. These may be secured from the Office of Intl. Education in Sloan 107.

ANYONE INTERESTED in becoming an Eagle Eye photographer — there will be a meeting on Wed., Oct. 20 at 6:00 pm in the Publications office in the PUB or contact John Yurek ext. 456. We will train.

Mock assists in making faculty award selections

By DEB KERNER
Staff Reporter

Lorin Mock, President of the SCC recently had the honor of being the only student of the 14 state colleges chosen to assist a committee in the

LORIN MOCK

selection of distinguished faculty members. Mock was chosen through the CAS to represent the students of the Pennsylvania state colleges.

The committee met at the Penn Harris Motel in Camp Hill, Pennsylvania to deliberate on the nominations for the awards. The awards came about through the contract that the teacher's union (The Association Of State Colleges

and University Faculty) has with the state.

Serving on the committee were: Wade Wilson, President of Chaney State representing management; Dr. Bernstein, Dr. SeLove, and Dr. Jones representing administration; Lorin Mock, student representative; Dr. Hazley the Faculty Union President, and presiding over the committee was Mr. Pittenger, the secretary of Education.

The function of the committee was to determine the winners from the list of nominees. The professors on each campus selected a faculty member who had performed meritoriously in the field of academics. The nominees were divided into two categories: outstanding academic service and distinguished teaching. These nominations were then forwarded on to the state committee. Lock Haven selected Dr. Showan, Professor of History as their candidate for outstanding academic service.

The results of the state committee will be announced November 18 at the Penn Harris. The awards will be presented at that time by Governor Shapp.

Letter to the Editor

To The Editor:

To the asshole or assholes that stole the SCC Senator Poster from High Hall plus the asshole or assholes that drew on the SCC Senator Poster in Smith. Please grow up! Remember you are supposed to be adults now. For your information people put a lot of time in making those posters for you, not to steal or draw on but for you to know who your senators are from your dorm.

EDITOR'S NOTE: Letters to the editor are encouraged. All letters must be signed. Names will be withheld from publication upon request. All letters will be printed in the exact form as they are submitted unless the editor consults with the author on any changes in length. No libelous or slanderous letters will be printed.

Also your activity fee paid for them. For those who suffer from rectumitis that is being an asshole and must draw on Posters or steal them please go home until you grow up!!!

Bald Eagles fail in last minute bid

By DOUG GREITZ
Staff Reporter

The Lock Haven State College Bald Eagles dropped a heart throbber to the Shippensburg Red Raiders Saturday by a count of 7-0.

With 15 seconds left on the game clock and the Bald Eagles on their own 17 yard line, Brian Lightner entered the game replacing starting quarterback Steve DeLeslie.

He calmly rifled the ball sixty yards in the air to Ed Thomas, on a post pattern, for a 53 yard gain. Thomas, who make an absolutely brilliant reception, lost his balance and was tackled at the Ship 29 yard line. The tying score was not to be, however, as the Red Raider secondary covered the Bald Eagle receivers deep and Lightner could only complete what they gave him- a short 10 yard completion and 19 yards short of what would have been the Havens most spectacular comeback this season.

The Red Raiders, in first place in the Pennsylvania Conference Western Division with a 3-0 record and 5-0 overall, were guilty of bad football in the first half. They were stultified by a succession of fumbles as they had the football twice inside the Bald Eagle 10 yard line, once on the 1, only to fumble thwarting potential scoring attempts.

In this hard-hitting, defensive struggle in front of a capacity homecoming crowd, the Bald Eagle rushers didn't exactly dazzle anybody either. They were held to less than 75 yards rushing in addition to blowing an opportunity in the second quarter to gain a first down with the Blad Eagles deep in Shippensburg territory.

The waning minutes of the

third quarter told the story as the Red Raider defense stopped the Eagles, who at this point had not had a first down in the half. Shippensburg forced Ray Freeland to punt from his endzone and received a break as Freeland got off a poor 35 yard punt.

The Red Raiders marched 36 yards in 10 plays for what turned out to be the winning touchdown.

The Blad Eagles, now 1-5, must face powerful Edinboro State Scots in an away contest next week.

Wrestling and b-ball practice now in session

Basketball and wrestling practice is now underway at Lock Haven State College.

The cagers of fifth year head coach Dr. Dick Taylor are preparing for a 24-game schedule that opens at Bloomsburg State on November 27. The home opener is November 30 with LHS hosting Wilkes College.

The Eagles are coming off a 11-12, 1975-76 record with the 11 wins being the most in 27 years at Lock Haven.

Heading a list of 10 returning lettermen are junior 6-foot-4 forward Dave Hendershot (Washington, N.J.) and 6-foot-3 senior forward Mike Fitzgerald (Binghamton, N.Y.).

Hendershot led the Eagles in scoring last year with 303 points and in rebounds with 157. His career totals are 469 points and 298 rebounds.

Fitzgerald, a tough physical player, scored 203 points and registered 116 rebounds.

The wrestling team of head coach Dr. Ken Cox, who has produced a fine 62-28 record in

Eaglettes bury Alumni; top Cortland

By MARY FEUSNER
Women's Sports Editor

With their 4-2 win over Cortland on Friday and a 2-0 upset of the Alumni on Saturday, the varsity Eaglettes have boosted their overall win-loss record to 6 and 1.

In the Cortland contest Wendy Keller opened the

Eaglette scoring after 11 minutes of play with a goal shot directly in front of the cage. Minutes later, Cathy Ogle swept the ball into the goal's mouth on a cross from right wing Sharon Murray.

Cortland's Young scored a goal at 27 minutes to end the half 2-1.

At 18:30 into the second period of play, Gina Graham rushed the shot on the penalty corner scoring the third Haven goal. At 26:00 Sharon Murray was successful on one of her many attempts to score on long drives from the right side of the striking circle.

Cortland could manage only one more goal in the second half. It was again scored by Young from a rush in front of the cage.

Penetration time showed a Lock Haven edge 8:44 to Cortland's 5:57.

Junior varsity goalie Karen Kirmeyer was given the

opportunity to prove herself in the Cortland contest as the opponents managed several shots on goal. She saved several potential goals, allowing no one to score.

Lock Haven's first half attack was lead by junior Joni Geist and sophomore Sue Woolston who scored at 6:30 and 20:00 respectively. Diane Minshall was credited with an assist on a right cross to Woolston.

Early in second period play, Lisa Hand scored on a shot directly off of a corner. The ball was hand stopped by teammate Denise Gobrecht.

Cortland scored one goal before the contest ended, 3-1 Lock Haven's favor.

For the first time in many years of play between the LHSC Alumni and LHSC varsity, the varsity shut out the "oldsters" 2-0.

First half action was evenly

six years at the helm, has 10 lettermen back from the record-breaking 16-3 '75-76 season.

It was the 33rd straight winning campaign for LHS and the longest streak in the Nation among small colleges.

The Eagle grapplers will first face the always tough LHS Alumni team at home on November 20. Then the regular season opener is slated for the Thomas Field House mats on December 1 at 8 pm against Youngstown State.

Lock Haven will host the big Mat-Town USA Tournament on December 3-4 with Ohio State University, University of Kentucky, Rhode Island University and the Eagles all competing.

The Bald Eagles first win in 1976-77 will be a great milestone in the long and brilliant Lock Haven State wrestling history--victory number 300.

Over the past 38 years LHS teams going against the top wrestling powers in the country have compiled an amazing 299-80-7 dual meet record.

Co-Captains George Way (Williamsport) and Tim Mc-

Camley (Philipsburg) both three-year letter winners will lead the Eagle matmen this season.

Way the defending 158-pound Pennsylvania Conference Champion has an outstanding career overall mark of 65-30-2.

matched between the squads. At the conclusion of the half, the stats revealed no score.

Sue Bowers scored the initial Haven goal from the right side at 3:30. Two minutes later, Wendy Keller hit a long drive on the left side that streaked past the Alumni goalie.

Alumni players who returned for the contest included Roseann Neff, Jo Lerew, Bev Garman, Jo Ernst, Mary Rotz, Suzanne O'Connor Smith, Barb Collins, Pat Ogle, Cindy Carl, Kelly Cromer, and Janet Harriger. Dr. Charlotte Smith, the successful hockey mentor of Lock Haven's early teams paid a special visit for the occasion.

The hockey squads will take to the road on Tuesday and Thursday
