Central District PSEA Convention Again Held Here

The fourteenth annual meeting of the Central Convention District P. S. E. A., and the Mountain Arts Association will be held at the Lock Haven State Teachers College on Thursday and Friday, Oct. 12 and 13. President Levi Gilbert and the members of the executive committee have arranged an attractive program which will be available in printed form to all teachers of the district well in advance of the date of the convention.

The theme of the convention will be "Improvement of Instruction."

There will be six general sessions and 20 section meetings of groups interested in the various phases of education. The program for the general sessions and the section meetings have been arranged to carry out as far as possible the theme of the convention. Demonstration lessons in all grades—kindergarten to high school, inclusive, will be taught by the members of the Teachers College faculty and the Lock Haven Public Schools. These demonstrations will be followed by conferences led by education experts of the district.

Speakers for the general session are:

Francis B. Haas, State Superintendent, Department of Public Instruction, Harrisburg.

Lee Driver, Harrisburg.

Carroll D. Cahmplin, State College.

Frederic Snyder, New York City.

Thomas Francis, President, Pennsylvania.

ASSEMBLY COMMITTEE MAKES PLANS FOR YEAR

In accordance with the plan of Dr. Flowers and faculty for improving the calibre of assembly programs, the assembly committee, composed of faculty and students, met Tuesday evening, Sept. 19, for organization and discussion of the problem of making assembly interesting for everyone.

Before beginning its discussion the group agreed that every student of a school preparing teachers, who will naturally affect the lives of many young people (a responsibility greater than most of us seem to realize) should have the spiritual and cultural training chapel and assembly afford.

After this resolution Miss Brong, the chairman of the committee, passed out outlines containing aims and objectives which

Recent Reports Received From '39 Graduates

Recent reports to the Placement Bureau show that 52 of the 61 students certified to teach as members of the class of 1939 have secured teaching positions. Among the 52 teachers, 35 are employed in elementary schools and 17 in the secondary grades.

This year the Placement Bureau enrolled not only the 69 students who received the degree of Bachelor of Science but also registered for placement 11 graduates who added elementary certification to their secondary certificate and 10 students who completed the three years of work required for

Freshman Customs Prove Amusing

Campus Takes on a Collegiate Atmosphere

This year's Freshman Customs are adding a distinctly collegiate atmosphere to the campus. Instituted by the Upper Class Tribunal under the presidency of Peter Mollura, the Freshman regulations include some very purposeful and picturesque effects.

Climaxing last week's program was the pajama parade held Friday evening at 7:30. The Freshmen, clad in their nocturnal apparel, coursed through the town and lent an artistic effect to the all school pep rally preceding the Indiana football game.

Amusing indeed are the costume of the Freshman girls and boys. The girls present a very "school-marmish" appearance with their long skirts (with the slip sticking out), their hair "a la pompadour" (with six visible curlers), their green hair ribbons and black cotton stockings—to say nothing of tortoise-shell spectacles.

The boys represent the typical (one might be led to construe this a typical) "Joe College" with their collective pants rolled up and their different colored shoes and stockings, huge green bow tie (symbolic of course) and green dink.

Both the boys and girls are required to wear huge placards stating their name, address and sex, in large letters. (One Freshman girl had her name and address in large letters, but her sex in hardly determinable pinpoint type. Perhaps she doesn't know. All Freshmen are required to recite a nursery rhyme upon request; and much is the amusement furnished thereby.

Homecoming Day Plans Announced By Alumni Head, W. Max Bossert

VARSIITY DANCE TO CLIMAX BIG EVENT

Student Council Fills Vacancy, Buys Machine

The Student Cooperative Council met in a special session on Friday afternoon in room 26. The resignation of Harold Shaw as editor of the Praeco, along with several urgent routine matters necessitated the meeting.

The first act of the Council was to hear a report from a committee which has been studying different types of record players for use in the gymnasium, and to make a de-

New Artists Course Opens Tonight

Women's Chamber Orchestra of New York Is First Attraction

The Women's Chamber Orchestra of New York will appear in the new auditorium tonight, October 2, at 8 o'clock. This group, composed of 28 outstanding women artists, has been carefully organized and trained to fill the need for small orchestras of symphonic caliber in the musical life of our country. Most orchestras now in existence are either so small that they are not symphonic in general tone color, or so large that they involve a terrific expense to their communities and are financially out of the question for the average tour. The Women's Chamber Orchestra of New York is at once capable of playing symphonic works and chamber music for unusual combinations of instruments, as well as the popular classics. It functions midway between the large symphony orchestra and the chamber ensemble and contains the essential elements of both—the well-balanced sonority of the larger orchestra and the clarity of the chamber music

Large Turnout of Old Grads Expected — Program Planned

Plans for Homecoming Day, annually one of the most important events on the campus, were announced last week by W. Max Bossert, Alumni president. October 14 is the date this year for the yearly return of the old grads and an interesting and entertaining program has been assembled by the committees.

Comencing at 10 a. m. with Chapel in the new Auditorium and climaxing with the Varsity Dance in the Gym at 8 p. m., the day is replete with varied happenings. The Chapel program will be in charge of Miss C. Cordelia Brong, as chairlady. At 2 p. m., the gridsters of Kutztown State Teachers will meet the Maroon forces on the new College field. During intermission entertainment will be furnished by the more or less amusing antics of the Frosh, under the iron-clad rule of Peter "Head Man" Mollura.

Following the game, the Young Women's Athletic Association will sponsor a tea, to be given in the college gym.

In the evening the Varsity Club will present their dance in the gym. A large turnout of students and alumni is expected, as this affair will be the first big dance of the year. Thus far, no public announcement has been made regarding admission; however, it will, in all probability be one dollar per couple. The proceeds of this dance are used to purchase awards for the lettermen of the school.

WHAT PRICE PRIDE?

Though still in its infancy, the compulsory chapel and assembly ruling has drawn more than its share of comments. Those comments are, in our opinion, entirely out of order. Our student body instead of boisterously condemning the measure, should be covering up a very red face because of their failure to justify the executive department's faith in them last year.

One of the more prevalent and seemingly justifiable observations is that the rule is "childish." we agree 100 per cent. But, do we as students stop to consider that it was our own inexcusable childishness that caused Dr. Flowers to put such a ruling into effect?

It is true that programs in recent years have been far below the standard which we have set up. Again, the student is at fault. How any sane person can expect fine chapel programs without showing the slightest degree of interest in proceedings, is beyond our comprehension. The newly formed assembly committee, composed largely of students, is a step, and a large one, in the right direction.

Our student body certainly shouldn't continue its discontented murmurings, simply because its infantile behaviour has backfired. Their best bet is to follow the precedent of the Student Council, which sanctioned the move, and to try to make amends for an obvious mistake last year.

LOCK HAVEN MERRY-GO-ROUND

By DICK HARTZELL

This week, dear readers, you witness the birth of a new (ahem) column in the Times. Not only is the column new, but the idea is new. Of course you may have heard of the Merry-Go-Round before, but I assure you the Lock Haven part is original.

As is accustomed, when a new organization or publication comes to life, I shall first set down the purposes of this column. After all there are such things as conventions even though belligerents don't declare war anymore.

This column will take upon itself the task of criticizing constructively the college community and its activities. I will not attempt to use high sounding phrases such as cooperation, understanding, etc.

You will also find the student council taking up a great deal of space here. The purpose in writing of the student council will not be to write minutes of the meetings (you may attend one any time), but to tell you what individuals on the council think about the whole business. I would like to have your impressions too (I won't tell a soul, I PROMISE YOU). If you still don't know what my purpose is, fine, perhaps you'll read farther to find out.

Before beginning these first comments, I want to say that I hope no one will GET hurt (least of all me).

The new council got off to a good start by appointing what should be a good Tribunal. It is the opinion of this column that a better man for chairman than Pete Molura could not have been found in this school. But there seems to be something radically wrong. A great many of the upper-classmen and even some of the freshmen are dissatisfied with the ease and laxity of customs this year. The chairman is addressed by frosh as Pete (very few upper-classmen are addressed as Mr. or Miss). Some of them are dating (with upper-classmen, too) and too many are insolent. Steps should be taken.

It grieves me to note that President Whittaker had trouble keeping order at this first meeting. It hurts even more to have to say that the worst offenders were those of us who SHOULD know better.

The idea of going formal to Artists' Course drew opinions on both sides of the question. No action was taken on this controversial matter. This column is open to opinions. It is my belief that the idea is a good one if taken in the proper spirit.

Rosie Corbin is a very emphatic speaker. (I understand that Mr. Hurst had to repair the table she pounded with a small, but firm fist, at the first meeting of Council).

Pi Kappa Sigma Sorority's winter season season was opened Thursday evening at Long Park by a steak fry given by Miss Faddis, the sorority's adviser. Mrs. Max Bossert, the active member, and the pledges were present.

Y. W. C. A.

Another year has started for the "Y" girls on our campus. But wait—I believe the Y work did not stop in May and start with the beginning of school but some of its members were busy all summer contacting "little sisters" with letters from the "Big Sisters."

On freshman registration day everybody noticed the most attractive table with flowers and stacks of hangers. These hangers were presented to the new girls.

Last Wednesday night ended the Y.W.C.A. membership drive. A very impressive Candlelight Service was held and I am sure all the Y.W.C.A. members are on a good start for their "Year of Adventure."

It may be well to remind you that the Y. W. holds its meeting every first and third Wednesday of each month at 3:30 P. M. Every girl cordially invited to become a member of the group.

A. C. E.

In the first Get-together of the year, the Association of Childhood Education met in the kindergarten last Wednesday afternoon. A film, showing the activities of last years kindergarten children, was shown after which adjournment was made to another room where a short business meeting was held. Later, the group joined in playing elementary games and sucking lollipops.

The A. C. E. is making extensive plans for a banner year under the capable leadership of Miss Elizabeth Faddis, adviser, and Lois Bowlby, president.

Kappa Delta Pi

The first meeting of the Kappa Delta Pi this year was held at Dr. Rude's home, Sept. 19. At the suggestion of the president, William Bressler, a brief program was outlined for the year. Committee chairmen were named. The club intends to organize chapel and assembly programs appropriate for Education Week.

A social period followed the business. Many alumni members were present and were heartily welcomed.

New Artists' Course

(Continued from page 1)

Miss Jeannette Scheerer, the conductor, is a distinguished clarinetist, and a musician of the first rank. A student of Josef Schreurs, she attended the Chicago Conservatory of Music, and later the Hochschule fur Musik in Berlin.

It has been suggested by some of the students, that if several organizations and the Council got together that a cabin could be built to be used by any of the said organizations for social functions. The idea has succeeded elsewhere.

An incident occurred last week that is too painfully typical of some of our student body. A notice was posted on the bulletin board by the Dean of Instruction, asking for the signature of anyone interested in a certain course. Before the said notice had been up 24 hours it was filled, excepting two bona fide signatures, with fictitious names, that were allegedly funny. Not satisfied with mere childish pranks, however, the cosmopolitan funsters had to add an adult touch by writing in some names that were obscene. I don't believe that freshmen are guilty. They haven't been here long enough to catch the groun-up spirit of our men-about-town. If I am wrong in my opinions I should be glad to print its defense of any of the instigators if they wish to make one.

Among the personnel is Elfrieda Bos Mestechkin, Concert-master, graduate of the Petrograd Conservatory where she won the gold medal under Auer, first violinist with the Petrograd Opera Orchestra; concertized in the Orient, and for five years was with the Parnassus Trio over NBC. She is the concert master in the New York Women's Symphony. Nina Bergh has been assistant Concert-master of the National Orchestra of New York for five years and is heard regularly with Silver Strings over WEAF. Maria Sebrinsky is Concert-master of the Juilliard Symphony Orchestra. Virginia Coy is with the Durieux Chamber Music Ensemble. Genevieve Lewis, winner of the \$1,000 Loeb Prize and the silver medal for highest honors at Juilliard Institute of Music, has been with the Parnassus Trio over NBC for five years and with the Florenda Trio for three years. GOOD SEASON LOOKED FOR BY SOCCER SQUAD

Lock Haven is launching its 2nd year in collegiate soccer, and to all appearances a great season lies in the offing for the Maroon booters.

To start the 1939 season thirty candidates reported for practice. Of these candidates 14 are seeking backfield berths and 12 are looking for starting assignments on the line. Two goal tenders make up the remainder of the squad.

With eight of last year's varsity back and with such new ones as Donovan, Danis, Culbertson, Fox, and Winklebleck, Rev. Hammond is highly optimistic.

The coach called for a practice game which was held at 2:30 Friday afternoon on the lower football field. The boys showed evidence of their thorough training in this gruelling two-hour session. The complete schedule is as follows:

- Bloomsburg—Oct. 14, Here.
- Ithaca—Oct. 20, Away.
- E. Stroudsburg, Nov. 4—Here
- Penn State JV—Nov. 11, Away.
- Bucknell—Nov. 18, Away.

SPORT LITE

By DON RATHGEBER

Since the sports department of the College Times has a new sports editor, and since this is my first column, I wish to state that I am honored to follow in the steps of Joseph Sarafinski who has written this column for the past three years.

In that the editor of sports must cover all of the sport news on this campus, I am open to suggestions or hints that will further the interest in this column and in school sports in general.

Football season is under way for 1939 and I doubt that even Eddie Dooly could make any predictions as to the outcome here this year, so I will not attempt any.

The football squad is hoping for your continued support—win, lose or draw and I think the boys really deserve it. If you don't think so, go out and practice every afternoon for three months and find out.

From Cortland comes the news that Coach Earl Davis has 63 Red Dragons out for football this fall. From this unusually large squad, he will be forced to find replacements for the regular starting ends, guards, and all of the backfield except the fullback position where Merlin Hathaway, Greene will again carry the ball. Backfield men who graduated were: Stone, St. Lawrence, and Molusky. Also lost to the backfield were starters Kashata, and Tysinsky who have left school.

In the forward wall the picture is brighter with either Turkovich, Reagan, Ruppert or Parsons getting the nod to flank the line, with Eckhardt and Merrell tackles, with Kleiber and Faller guards and with Huetter over the ball. These men are holdovers from last year's varsity squad. All of which means that Lock Haven is in for a tough afternoon Oct. 7.

Note to Mr. Bossert:

We are looking forward to your forming an extensive inter-mural program this year, so that all students may have a sport in which to participate.

The word is going around that there are a number of good marksmen in school this year and it is my opinion that a rifle club could be formed. "What Say?"

Indians Lose Scalp to "Maroons", 7-0

FIELD SEA OF MUD

Score Comes in End of Second Period When Young Connects With Pass from Hopkins on Own 42

The "Bald Eagles" upset the dope bucket Saturday afternoon by scalping the "Indians" by a 7 to 0 count in the latter part of the second period when Earl Young connected with a perfectly thrown pass from Jimmie Hopkins. The game was played in a continual downpour, which assumed the proportions of a cloudburst for half of the fray. By the end of the first

quarter the field was a veritable sea of mud.

During the first period of the game the "Indians" staged a drive which carried to the "Maroon" nine yard line, but the "Eagles" held them off for downs. However, the greater part of the first half was given over to an exchange of punts, with Indiana maintaining the playing advantage until Lock Haven's unexpected score near the end of the period.

The payoff came near the end of the second half when Hopkins stopped an Indiana punt on his own 42. Following a few ineffective

Pete Mollura, of Clearfield, who led the Maroon forces on Saturday, played one of the finest games of his career against Indiana. Pete's sterling defensive work and smashing offensive play were large factors in the Eagles' victory.

Alumni FALL HOMECOMING FOR GRADUATES SET FOR OCT. 14

GREETINGS, alumni! This year the Alumni Association is taking a few more toddling steps toward the goal of having a live active organization. And this column, which we hope to publish in each edition of The College Times is one of them.

For those of us who are Times subscribers, we hope it will be a means of "keeping in touch" with the college, the association and ourselves as individuals. Your alumni secretary will try to round up the personal chit-chat and the general news for each Times' column. And may we hope that you'll not be bashful about sending us news about yourselves and your friends. A penny postcard or letter to M. B. Zeigler '32, T. C. Alumni Secretary, The Lock Haven Express, Lock Haven, Pa., will do the trick.

DON'T overlook the date, Oct. 14, our annual Fall Homecoming Day. It follows the annual sessions of the Central District P. S. E. A. convention here Oct. 13 and 14, and it would seem like a wise thing, for those who are planning to attend the convention, to make a date to stay over for the homecoming events Saturday.

The schedule includes an assembly program at 10 a. m.; the Kutztown-Lock Haven football game in the afternoon; and the varsity dance at 8 p. m.

Miss C. Cordelia Brong of the dramatics department is planning the assembly program and it should be good. But above all, if you haven't seen it, you won't want to miss visiting the new auditorium. Remember sitting and wondering about the stained glass window patterns and looking at the dullish walls and squirming in the hard seats in the old auditorium? Then you'll have a real thrill when you enter the new auditorium.

ABOUT the Homecoming game. "Old Scribbles," Lock Haven sports scribe, (his wife, Mrs. John P. Wynne, is the former Miss Louise Romeo, '30) says the college meets tough competition. Kutztown some years ago was at the bottom of the Teachers College "league," but since Jimmy McGovern, former West Chester mentor took charge at Kutztown, their teams have been increasingly better. Last year Lock Haven's strong team nosed out Kutztown by a single point, 14-13. Coach Frederick's boys will need to put up a real fight on Homecoming Day.

The Varsity Dance, if you're planning to stay over for it—and the Varsity Club hopes you are—is an informal sports dance, no glad rags. Proceeds go into a fund to help buy varsity awards. There will probably be a tea, too, in the gymnasium after the game.

TWO deaths have occurred among our more recent graduates this month. Friends of Ruth Sherman, '34, of Grassflat, were shocked at her sudden death shortly after Labor Day. President of the Women's Student Council and a Beta Sigma Chi member during her undergraduate days, she had been teaching since her graduation at Grassflat. Her brother, Bob Sherman, heads this year's Senior Class.

Marguerite Shearer '33, (Mrs. Loren Miller) of Lock Haven also died after only a short illness, succumbing in Jefferson Hospital, Philadelphia, September 22.

ON the happier side of the ledger, Dan Cupid has been get-

Alumni Distributes Programs
Very beautiful football programs were distributed Saturday at the Indiana game by a committee of the Clinton County Chapter of the College Alumni Association. Mr. Hartman C. Herr, as chairman, and his committee certainly deserve a great deal of credit for the excellent job done. The programs were not only beautiful, but helpful and purposeful. It is evident that a great deal of time was spent upon them.

The program contains a list of all men on both the Lock Haven and Indiana football squads, the starting line-up for each team, the Lock Haven football schedule, and is decorated with many intimate pictures of the members of the Lock Haven team.

Assembly Committee

assembly programs should strive for. The most important of these aims, too numerous to mention here, are balance and variety.

In order to distribute programs among the different departments a system of committees, consisting of one faculty member and three students each, as set up. Each of these committees will work with certain departments in arranging programs to represent their work. These committees are: Dr. Cox, Gene Shuey, Robert Sherman, Katherine Frey, Miss Dixon, Harries Figgles, Bill Gaines, Betty Myers, Miss Brong, June Hollenback, Jane Shull, Dick Hartzell, Mr. Lehman, Dorothy Heller, Joe Danis, Michael Koli-osky.

The following students were also assigned duties to be carried out for each program: Chairman, Dorothy Heller; Secretary, June Hollenback; House Manager, Bill Gaines; Ushers, Misses Frey and Figgles; Stage Managers, J. Danis, G. Shuey, D. Hartzell, Decorations, M. Koliovsky, B. Myers, R. Sherman, Music Director, J. Shull.

Earl picked the ball from the air on the 30 and crossed the final stripe without so much as a hand being laid on him. cision on the matter. After a lengthy discussion, a resolution was passed authorizing the purchase of a new RCA combination radio and phonograph from D. K. Shadle. At the same time, the old machine is to be completely renovated, and both machines installed. The final cost to the student body will be \$134.85, which also includes \$9 worth of records. The machine may be seen in operation at the social dancing periods in the evenings. It was used Saturday at the Victory dance.

Breon Lauderbach was elected to replace Shaw, and the latter agreed to remain on the Praeco staff as assistant editor. A third person, to be selected later in the year to serve as junior assistant, will automatically succeed Lauderbach next year.

The Council's final act of importance was to refund the activity fees of two persons. Such cases are henceforth to be treated as special cases, the body decreed.

After the meeting was officially over, a number of the members convened with Dr. Patterson and Miss Poole to discuss Freshman customs. Several recommendations were made to the Tribunal. LepoHftjuclaredhcmfwy up up up

the State Standard Limited Certificate. One graduate received special certification in the field of health education.

A correct analysis of the placement record shows that 28 of those certified last June and August have as yet not reported whether they have secured a teaching appointment or enrolled elsewhere for advanced study.

In the past two weeks, the Placement Bureau has learned of the following appointments: Alice Fredericks, Lock Haven Junior High School. Anna Banzhaf, Hopewell Township, Huntingdon County. Phoebe Varner, Bradford, Pa. Clyde Huston has entered the employment of the Connecticut Mutual Life Insurance Company. Jane Seltzer and Mary Heckel, who completed the secondary curriculum last June, are now enrolled here for elementary certification.

extra point to the "Eagles" score, making it 7 to 0 at the end of the first half.

Indiana threatened again in the third quarter when Motovich recovered Hopkins' fumble on the Lock Haven 37. However, Lock Haven retaliated when Beightol recovered an Indiana fumble and O'Neil punted out of danger.

In the final canto the "Indians" unleashed a concentrated aerial attack, connecting three passes for short gains. But the threat simmered out when Hopkins intercepted a toss from Cicero at mid-field shortly after Beightol had blocked a Grundy punt on the 35 following a barrage of punts.

Tomlinson intercepted an Indiana aerial to end the game, after two successive passes from Cicero to Grundy had thrown a scare into the local fans.

The fray was, for the most part, an exchange of punts—44 in all, 23 by the homesters and 21 by the red-clad visitors. Grundy of Indiana had slightly the better of the punting duel with O'Neill, but none of "Pat's" kicks were blocked. The "Indians" led 5 to 2 in first downs.

For the "Maroons" Mollura played a stellar game, being in nearly every play. Hopkins and Young showed up well offensively, while Beightol and Fairchild powered the line. Grundy and Zoffuto were Indiana's best performers. Grundy's return of punts was sensational considering the condition of the field.
