Fifty cents a semester or one dollar a year given to Peg Beeson will make you a member.

S. T. C. Opens Football Season at Millersville with Tie

Hard Fought Battle Results in 6-6 Tie

On Friday, October 12th, Coach Goerger and his sturdy band of gridiron warriors invaded Millersville Teachers College to pry open the lid of the 1928 football season. As this was Coach Goerger's initial attempt to put S.T.C. on the football map, the game was an all-important one to the fellows of the Maroon and Gray. The boys showed rare fighting qualities and several times forced the ball into the Millersville territory only to lose it when the "punch" missed fire. The first quarter ended without a score for either side although Coach Goerger's boys had the better of the argument when it came to ground gaining. It was during the second quarter when the kind of football our boys were playing was rewarded when Smith, right end, scooped up a Millersville fumble and ran thirty yards for a touchdown. It was a beautiful piece of heads-up playing on the part of Smith who played bang-up football throughout the game. Following this touchdown Renninger's try for the extra point failed and left the score at the end of the half, 6-0 in favor of S.T.C. During the third quarter, Millersville, by continual hammering at our line, succeeded in pushing across the

Locals Ahead at Half, 6-0

On Saturday, October 13, S.T.C.'s football squad headed by Coach Goerger invaded foreign territory for the second game of the season when they traveled to Williamsport and took on the strong Dickinson Seminary team. Our boys put up a gallant fight and had the breaks of the game given the other way, they would have walked off the field with Sem's scalp. As it was they had to take the loser's end of it by a close score of 12-6. During the entire first period our boys outplayed the Seminary eleven and led at the half with a 6-0 score! S.T.C. scored its lone touchdown by the virtue of "Doc" Waterbury's running scoop-up of a Seminary fumble; he ran the remaining fifty-five yards for a touchdown. The try for an extra point was unsuccessful leaving the score at the half at 6-0. During the third quarter, Seminary, by some desperate playing and aided by a blocked punt, scored the tying touchdown, Morrison going over with the ball. As the attempt for the extra point failed, the score was tied at 6-6. During the final period Dickinson succeeded, by straight football, in scoring the winning touchdown, although our boys fought every inch of the way and made things very interesting for the Sem

ENROLLMENT

REACHES 443

10% Increase Over Last Year

The enrollment of S.T.C. has increased ten per cent this year. The dormitories have only a few vacant rooms, while the Day Rooms are filled to capacity.

There are 443 regular students enrolled for the first semester. Last year only 426 students were enrolled for both semester. The number of boys has increased about half and we are sure that we have the "makin's" of a fine football team.

Extra waiters and tables are needed for the Dining Room. It keeps Miss Bentley busy conjuring up new menus for the hungry crowd.

Miss Roberts is busy also, keeping all her young 'uns under her wing. Before long she will need several private secretaries to help her.

Mrs. Cresswell, with her crew of helpers, finds it some job to clean up after the multitude.

Last, but not least, comes Belvie. He is kept on the jump emptying push cans and prying doors open for some person who has forgotten her key.

It all helps to show, though, that S. T. C. is rapidly making a name for itself.

Senior Class Officers are Elected

The officers elected by the senior class are: Pres.—Wilford Pomeroy; Vice Pres.—Margaret Martin; Secy.—Harriet Rohrbach; Treas.—John Varner.

TWO NEW COUNCIL MEMBERS ELECTED

Chrissie Lambert has been elected Senior representative to the Student Council and Anna Mary Gilson, Sophomore representative.

A Frosh's Idea of Unity

Roses are red and so are you. In summer time the grass is blue. Pencils are sharp, the blind can't hear. That you don't get my point, I fear.

They tell me that the world is round, then friends what keeps you on the ground?

And if the world had been a square—Tell me, ole bean, what good is hair?

I s'pose you'll say to use a comb but mine is always left at home.

Now I don't mean the comb or brush but I'm in such an awful rush that when I jump right out of bed I always try to lace my head.

I brush my feet and shine my nose and get all bawled up in my clothes.

As I was going down the street a sudden thought, it struck my feet. I hopped in joy, I laughed in glee and said "Here is the chance for me—"

Ole Hoover is an egg, you bet and as for Smith—why he's all wet." Boy! won't it be a lot of fun when I say "Yes, I choose to run."

You say that Smith is for the gin and Hoover has an "oily" skin?

My hair is red, my eyes are pink. My face—oh boy! My eyes won't wink. My ears stick out. My teeth are green. My neck is long. My feet ain't clean.

I cannot read. I cannot write.

KLUB KORNER

The Dramatic Club met on Wednesday, October tenth, and made plans for a play in January. Evelyn Bosworth, Wilford Pomeroy, and Dick Parsons were named to make programs. This announcement will please everybody as we remember the good play given last year.

On Thursday, October eleventh, the Shakespeare Club met and discussed prospects for the coming year.

Men's Choral Club elected new officers on Thursday, October eleventh. The results were: Pres.—Roy Clawson, V. Pres.—Robert Robb, Sec.—Victor Piper, Treas.—Wilford Pomeroy, Librarian—Fred Malone.

Naturalist Club had one of their first Weiner Roasts on Monday night, October fifteenth, in the Girls Glen. The menu was

made up of weiners, rolls, pickles, cakes, and marshmallows.

The Beta Sigma Chi Sorority had a formal installation service for Miss Edgerton in their rooms on Monday, October fifteenth.

The Alpha Sigma Tau and Rho Omega Lambda Sororities both had their regular meetings on Monday.

The Alpha Zeta Pi met at 7:15 P. M. Monday, October fifteenth and discussed improvements for The College Times.

The weekly meeting of the Y. W. C. A. took place in the auditorium, Wednesday, October seventeenth, at 6:30. Miss Daniels gave a very pleasing address. Announcement was made of the party on Friday, nineteenth, in the "Gym." All members were urged to go.

I do not pinch. I do not bite. My swears are far between and few. I seldom smoke and never chew except the rag and chewing gum and I am not considered dumb.

Of course, I'm not a flaming sheik and I can't help my ankle's weak.

Since this is nineteen twenty

eight I haven't got much time to wait. With all my implements in hand I now prepare to take my stand.

Across your throat my butcher knife—Now say you'll have me for your wife.

And up the White House steps I went. You say that this here shack's for rent?

W. A. A. Organized

A new organization began to make a place for itself in the history of S. T. C. when on Monday night, September twenty fourth, in the Gym, the Women's Athletic Association was organized. This promises to be one of the most active organizations in the college. It has eighty eight charter members and thirty three others joined in later.

The following officers were elected: Pres. Irene Purkiss; Vice Pres. Dorothy Bastian; Sec. Alice Ratchford; Treas. Gene Harmon; Reporter, Caroline Cathcart; Chairman of Publicity Committee, Hilda Ellis.

The president at once appointed committees which lost no time in getting to work. The constitution committee is composed of Alice Baumgarner, Chairman, Chrissie Lambert, and Geneva Anderson. The sports committee includes Vera Alzingre, Chairman, K. Bowes, Molly Evin, K. Stiffler, and Verna Peters. The social committee consists of Alice Read, Chairman, Nancy Galbraith; Margaret Beeson; and Thelma Moore.

The constitution has already been adopted and a very favorable and workable point system for awards worked out. A social calendar that would attract any one's attention has been presented to the organization, the first date of which was Thursday, October eighteenth, when there was a hike and weiner roast.

A weekly class in interpretative dancing is well under way and much interest is shown in it not only by members of the W. A. A. but by many others.

That the White House—that place there—that my next home I'll have them tear it down and build it up. Gee! I have a great big family.

So if you're good a week from now I'll tell you why I run and how!

EDITORIALS

This is the first issue under our new name "The College Times." We found the old name inadequate so we hope you will like it as well as we do. We aim to succeed our old standards and make it the best paper the college has ever had.

Congratulations! We knew you could show school spirit if you wanted to as you did at the Pep meeting on Friday, October twelfth. Keep it up until the end.

Have you gotten adjusted to

college life and are you hard at work? Now is the time to start studying so that you can say next spring, "I have answered with the best that is in me."

Dr. Jesse H. White of the university of Pittsburgh told us to develop perspective by a wide range of friends. Don't look only at your select crowd but pick out the shy, lonesome person. But above all don't forget to form friendships during your college days that will last, remembering that a friend is one who knows all about you and still loves you.

Y. W. C. A. HOLDS CANDLE LIGHT SERVICE

Sunday evening, October fourteenth, the Y. W. C. A.'s annual recognition service was held for the new members.

The scene was made interesting by the absence of all lights except candle lights which the new members lighted from the President Doree Mattern's candle forming in triangular formation afterwards. The cabinet formed a semi circle being completed by the seniors around the triangle. The formation was in the same design as the lighted Y. W. C. A. symbol on the platform.

Before the candles were lighted the members were read the objectives of the Y. W. C. A., interspersed by appropriate Bible verses read by various members. The purposes of the Y. W. C. A. were read to which the new members responded "It is my purpose to follow Him."

After this the triangle formation separated allowing the Y. W. C. A. cabinet to go through, followed by the seniors and last of all the new members singing the Y. W. song "Follow the Gleam."

Greetings! Freshmen!

Another proof that our school is now a college is shown in the fact that the Sophomore girls have drawn up a set of rules which all Freshmen girls must follow. Those who fail to comply with these are subject to punishment by the Tribunal which is composed of all the Sophomore girls; Evelyn Bosworth has been

elected President with Irene Russell as Secretary-Treasurer. A constitution is now being drawn up.

The rules that went into effect on Monday, Oct. 15, 1928, are 1. the Freshmen girls must wear green berets; 2. the Freshmen girls must wear black cotton hose; 3. no high or preparatory school insignia may be worn; 4. the Freshmen girls must use no cosmetics, except powder; 5. the Freshmen girls must stay off the

Notes on the Game

Waterbury, besides playing a whole game on the line, scored our only touchdown by scooping up a fumble and running fifty-five yards for the score! Sundberg and Parsons broke up many enemy plays through the line.

Bardo's playing was missed by his teammates. His injured knee is coming along fine and he expects to be in shape for the opening home game with Mansfield.

CAMPUS CHATTER

Is it any of Pomeroy's business how often Sally Wilson goes to sleep in English Lit. class? If so,—why?

We hope that the next time that Helen Lear goes home, she will remember to bring back all that belongs to her. It is a shame to make things so embarrassing at church.

Mary informs us that Third Floor West will soon be broomless and dust pan-less if the girls do not learn to put things where they belong.

These new social regulations ought to save Miss Roberts a heap of time and trouble. She will not be continually pestered for permissions by such hard-hit Seniors as Purkie and Kay and Myrna and Al.

It is easily seen that Helen Lear and Lu Taylor will never make doctors. They didn't even recognize a real faint and sat on the victim to bring her to. Perhaps it is partly Bastian's fault since we can never tell if she is fooling or not.

During the last quarter our boys fought hard and almost succeeded in pushing across another touchdown but the whistle ended the game before any score could be made. The boys played hard and fast football and only the "breaks" of the game prevented them from bringing home the bacon. However, the start was better than that shown in recent years so that prospects for a successful

We have quite a number of new prospects in the way of new men this year. Even some of those who are back again would make good sons-in-law if they ever grow up.

Mr. Ritter was prominent politically and served the people in various political positions. He was a graduate of Lock Haven Teachers College, class of '81, and was Vice President of Teachers College Alumni Officers.
