Vol. XVI No. 29

Thursday Oct 25,

## Not Just Another Day

The students at LHS have planned a boycott of classes to be held on Thursday, Oct. 25, 1973.

The purpose of this boycott is to bring the problems confronting the college to the attention of the state legislature in Harrisburg. A lack of state appropriated funds has caused the tuition to be increased and the admission standards to be lowered, which causes a higher student to faculty ratio. This has resulted in oversized classes, dropped courses, fewer sections and a lower quality of education.

The problem was just brought to the attention of the students through the discontent of the Phys. Ed. Dept. faculty and students. There are 21 faculty members for seven hundred phys ed majors and non-phys ed major required courses. Activity classes, which are essential to the curriculum, are immensely overcrowded, (55 students to 1 instructor) discussion classes have been turned into lecture classes, (116 students to 1 instructor)

The Music Dept. has five full time faculty members for 500 students enrolled in

classes. At least two more full time instructors are necessary to maintain the program adequately. A major music program is impossible at this time due to a lack of funds.

A Fine Arts building recently completed at the cost of approx. 3.4 million dollars now stands vacant. This would house our speech and theater dept. but the state would not put forth enough money to put in lighting, or furniture.

Other departments are experiencing similar situations. In the Math and Computer Science department there was a loss of faculty and an increase in the number of majors.

The Physical Science department has also suffered from a lack of course offerings and large classes. There is a need for additional funds and necessary faculty. There is no money for field trips, repairing of laboratory equipment or the science library.

Presently we have no book budget for the library, therefore no books can be obtained. Only periodicals can be maintained. How can the college graduate up to

date students without up to date books?

In the dept. of Law Enforcement there is no communication system. They are understaffed and overworked, and there is no emergency or safety vehicle on campus. The infirmary has eliminated hours between 11 p.m. and 7 a.m. and has no staff on duty at this time. Also, the infirmary has lost two of their treatment rooms to the law enforcement offices now located in the rear of the infirmary.

As a result of all this we have a lower quality of education. A majority of students feel that they are not getting the education that they were assured they would get.

In accordance with these grievances, the students have planned a campus wide boycott of all classes and a massive rally to be held at 2:00 p.m. on Thursday, Oct. 25, in front of Russell Hall. All students who want to improve the quality of education are urged to attend. Harrisburg must be made aware of the financial pinch that they have placed on Pennsylvania's state colleges.

Students are urged to attend a rally in Price Auditorium at 7:00 tonight. At this time the reasons for the boycott and actions involved will be discussed with students. Any questions may be brought up at this time.

Find out what's going on and attend!

## Boycott, boycott..

by Marlene Davy

Boycott, boycott, boycott, was the major topic of conversation on Tuesday among the students but what do the professors think - lend an ear.

Dr. Reich stated "In general I support any positive student action." However he also didn't know too many details on the boycott when interviewed and said that he didn't think that the boycott we have planned will be an effective course of action.

Mr. Day said "It can be good." on the other hand he thinks that we should boycott classes and then boycott the capitol building in Harrisburg for a maximum effect. He also stated that the real problem is not here at Lock Haven State but at Harrisburg.

Dr. Keane's reaction was -- what boycott? He didn't know anything about it and being informed gave no comment.

Dr. Podol agreed basically with Dr. Reich in that he doesn't think the boycott on Thursday will be effective. He too suggested that we take more action than just on Thursday. His suggestions were letters, petitions, any thing besides just the boycott here.

## Boycott Requires Support!!!

Last night the formal objectives and schedule of this Thursday's student boycott of classes was decided upon by a committee of concerned students.

These problems involve every facet of the college including campus police, oversized classes, reduced infirmary services, lowering of admission standards and

no book fund for the library.

Thursday's agenda begins at 8:00 a.m. with groups picketing class buildings. At 9:00 a.m. plans are being made for speakers to address students in front of Price Auditorium. At 2:00 there will be a major rally in front of Russell Hall.

The committee explained that this is not a day off for

students; students should attend rallies and picket class buildings if they want any results.

Approximately 61 newspapers have been contacted along with radio and TV stations. But if students are not seen actively supporting the boycott, our efforts will produce no results.

## Letters\*Letters\*Letters\*Letters\*Left Dear Editor... This Letter Is To Thank Everyone

To the Editor:

This letter will probably take a different format than any I have ever written before. I can't remember the last time I wrote a letter that wasn't bitching about some administrative blunder of exposing a student injustice.

This letter is to thank everyone who was directly or indirectly involved with this weekend's events. The list is quite long and it would be suicidal on my part to try and remember them all. Be assured that this thank you is for everyone however big or small your part was in the Homecoming Festival. After a successful weekend like this it reminds me of the Homecoming blunders of yesteryear...like the time the Homecoming football game was scheduled away... or the Sunday afternoon concert that was held at 9 p.m. Better yet ask Ross Nevel when was the last time our parade was on schedule! However inconceivable it may be there were actually so many events that it was impossible for one person to attend them all. Can you imagine that two events at the same time at L.H.S.C.!

## Williamsport Outing Club Rows On

by Betsy Woolridge

"It was a hell of a race," declared Larry Wise after Sunday's sprint canoe race.

Despite the fact that the \$25 dollar winner's prize was offered only to the first Lock Haven student to cross the finish line there were no LH students in the top four placements.

Lloyd Peters and Mike Zimmerman finished among the LHS competitors although fifth in the race and won the award.

The next LH student team to finish the race was

There are two persons who should be mentioned by name, Fred Naylor and Mr. Joe Nagy. I often wonder whether Fred is getting his education at this college in the classrooms or down in the PUB. It's no secret where he spends most of his time. Mr. Nagy also did a fine job, but the list would be too long to print. There was one item on the list that was typical of all his achievements. On Thursday afternoon he learned that a train might interrupt our parade. With one phone call to Penn Central he had the train held up in Altoona. That sure beats getting some cow to lay down on the tracks of the Bellonte Avenue crossing!

Well, not much more can be said except one regret that I have in writing this letter. My involvement in this year's planning was minimal. I will take a stand similar to one President of the United States: "I had nothing to do with the planning or the cover-up."

Sincerely,  
Doug Dows  
President, S.C.C.

P.S. You can take the last statement any way you want to!

**STUDENT DIRECTORIES  
MAY BE PICKED UP  
TODAY AT THE RECEPTION  
JESK IN THE PUB.  
STUDENTS MUST PRESENT  
A VALIDATED I.D. TO  
OBTAIN A DIRECTORY.**

**Miss Clemmer wishes to  
thank all students who  
helped assemble and  
distributed the Directory.**

## Dear Editor... Another Letter

To the Editor:

I would like to thank Alpha Phi Omega Service Fraternity and Pledges, Second Floor North, and anyone who helped in organizing the Homecoming Parade. Special thanks goes to Dave Drabot, Curt Spacht, and Gail Simpson.

Ronny Palmer

## CED Recommendation Draws Sharp Criticism

The recent recommendation made by the Committee for Economic Development (CED) to double college tuition drew sharp criticism today from Student National Education Association President Thomas A. Santesteban.

Speaking for 80,000 students on over 1,000 college and university campuses across the nation Santesteban said, "If this report is accepted, it could become another example of the Nixon Administration's providing treatment without diagnosing the illness."

"Where were the students on the Commission?" asked Santesteban. "It is extremely difficult for me to understand how a committee can presume to make recommendations affecting the lives and pocket-books of millions of students, and never seek their opinions. The ineptness of this committee is evidenced by its shortsight-

## Debate Union Takes Two

By Terri Dimpter

The LHS Debate Union opened its season by winning two events out of four entered in a speech tournament at Shippensburg State College on Saturday October 20, 1973. Representing LHS were Diane Wilson, Leslie Hamm and Terri Dimpter, who participated in the Individual Events contests.

Oral Interpretation and Humorous Oral Interpretation awards were won by Terri Dimpter.

The next contest will be at West Chester State College, where several members of the Debate Union will participate in the Collegiate Forensic Association Tournament.

The Debate Union welcomes any interested debaters. Anyone wishing to participate may contact one of the members or Mr. Charles Bromberg, coach.

edness in its failure to recognize today's educational needs.

"This plan would double or triple tuitions, force students out of their planned courses of study with no consideration of such things as loans already taken out for their future. What are the possibilities of today's students being able to finish their education?"

"How can students not be considered a vital part of such a commission?" asked Santesteban, a senior at Northern Arizona University, Flagstaff. "They are the real consumers of our national product labeled 'education.' How can a trade commission presume to know the needs of students or of education? Students, parents, and educators are the only people qualified to speak to these needs. Once again the protected interests groups are about to

# Eagles Swoop Over Scots

by Bill Sterner

On Saturday, Lock Haven vividly portrayed the fact that it is a football team. Coach Bob Weller's Bald Eagles delighted a homecoming crowd of 5,000 as they overcame first half difficulties to defeat Edinboro 27-25. The Eagles record is now 2-2 in the Western Division and 2-4 overall.

In the first quarter after an exchange of punts, Edinboro failed to move the ball as the Eagles bottled them up at their own one yard line. From there, Jim Guerra punted the ball to his 40. Wayne Hoffman gathered the kick in and returned it to the Edinboro 15. On first down, Mike Lang burst over the left side of the line for fourteen yards to the one. Bob Kline capped the drive as he rammed over for the Eagles first touchdown. Kline also kicked the extra point and Lock Haven led 7-0.

The Eagle defense forced the Scotties to cough up again, but three plays later a costly fumble gave Edinboro the ball on the LHS 21. In two plays they moved to the ten. Jude Basile then flipped a quick pass to Mel Morrisette for the Scotties first touchdown. However, Larry Littler's kick went wide and LHS still led 7-6.

On the ensuing kickoff, Wayne Hoffman gave the Eagles good field position with a beautiful 38 yard return to the Scottie 49. In two plays, Lang moved the ball to the Edinboro 34. Two incomplete passes brought up fourth down and 5 as LHS lined up in punt formation. However, instead of the snap going to Grey Day, it was taken by Kline who picked up the necessary yardage to keep the drive alive. Three plays later with a first down at the 17, Bower rolled out and hit Chuck Vennie for the Eagles second touchdown. Kline's point made the score 14-6.

**SCOTTIES BOUNCE BACK**  
Edinboro did not stay

down for long. Basile moved his team to the midfield stripe with 55 seconds left in the quarter. The sophomore quarterback then dropped back and lofted a fifty yard scoring bomb split end Howard Hockley. The attempt for two punts fell short, and the Eagles still led 14-12.

Using the power running of Mike Lang and Bob Kline, Dave Bower moved the Eagles to the eight yard line of Edinboro. Once there, however, the drive stalled and the Eagles were forced to turn the ball over on downs. Moving from his own 8, Jude Basile commandeered Edinboro 92 yards in 18 plays for the touchdown. The drive ate up 7 minutes on the second quarter clock. Trying to retake the lead before halftime, Bower again engineered the Eagles inside the Edinboro ten, only to have the drive killed as time ran out. Edinboro retired to the locker room at halftime enjoying an 18-14 lead.

## BOWER COMMAND LONG DRIVE

With the start of the third quarter, Bower directed a long drive of his own. The series covered 80 yards in 12 plays for a touchdown. All but one play of the drive was on the ground, the only passing play being the touchdown to Chuck Vennie. The try for two points was stopped, but at the end of the third quarter, the Eagles led 20-18.

The Lock Haven defense tightened, holding the Scotties on key plays.

Moving from his own 45 on 3rd and 5, Bower, in control again hit Wayne Hoffman for 15 yards to the Edinboro 40. On the same play, the referees detected a personal foul against ESC, and gave the Eagles the ball first and ten on the 25. Kline hit off the left side for five yards to the 20. From there, Bower passed to Kline to the Edinboro 8.

On second and goal, Chuck Vennie scored his second

touchdown of the day with a leaping catch of Bowers eight yard aerial. Kline's kick gave the Eagles a 27-18 lead with 8:05 remaining in the game.

Edinboro was forced to punt the ball away on their first series and Lock Haven's offense had to keep the ball out of Edinboro's hands. However, with 3:57 to go, Dave Bower, throwing on third and five, had his aerial intercepted. Bill Heinty returned the stolen pass to his own 38 where the determined Scotties took over on offense. Basile hit his favorite receiver, Howard Hackley at the LHS 48. Two plays later, Basile dropped back and hit Hackley again in the corner of the end zone for the touchdown. The play covered 43 yards, and with the PAT the Bald Eagles lead narrowed to 27-25.

## Eagles Lead Jopardized

Again, the LHS offense went onto the field to run the clock down. This time on third and four, Jim Mastrianni swiped Bowers pass intended for Wayne Hoffman and Edinboro again was on the attack. Moving from his own 43, Basile hit fullback Tom Mealy for 9 yards to the LHS 48. On second and 1, Basile's long pass fell incomplete, but Lock Haven was caught interfering with the receiver. This gave the Scotties excellent field position on the LHS 16. Basile gave to halfback Mel Morrisette and he responded by going 10 yards and a first and goal at the LHS 6. Jude Basile then hit up the middle for two yards, calling a time out with 21 seconds remaining. The Scotties lined up in field goal formation for the 14 yard attempt as the Eagle fans who had been happy before, now fell silent. However, Littler rushed his kick and the ball fluttered end over end, wide to the right and died in the corner of the end zone. Along with the ball died Edinboro's last hope of a come from behind victory over the underdog Eagles. The bad kick preserved the Eagles second conference win in four starts.

There were a great many outstanding performers in Saturday's contest with Edinboro. Bob Kline carried the ball 16 times and surmounted 97 yards. He also scored one touchdown.

Mike Lang was the first Eagle running back to attain the 100 yard club in a game this year. Lang had 132 yards on 27 carries. Overall, the offensive line showed they could get off the mark as they enabled the Eagle ball carriers to pick up 275 yards in 61 carries.

Dave Bower again did an outstanding job in the passing department. He hit 10 out of 18 passes for 102 yards and three touchdowns. Chuck Vennie hauled in five of those passes for 27 yards and two touchdowns.

Wayne Hoffman snagged three passes for 45 yards and one touchdown. Matt Buletya and Vennie each stole an enemy pass. However, the entire defense deserves credit for an outstanding game.

## Stand Up And Cheer

All girls interested in supporting the Eagle teams are invited to cheerleading tryouts which will be held the week of Oct. 29.

Practices are scheduled for Oct. 29, 30, and 31 from 7 to 8 p.m. in Zimmerli Gym I. This year's cheerleaders will teach the four cheers and two jumps each girl must do when trying out. Any questions as to the job of college cheerleader on this campus will also be answered at this time.

Final tryouts are Thursday, Nov. 1 at 7 p.m. Ten girls will then be selected to serve as cheerleaders for both the upcoming wrestling and basketball season, and next fall's football and soccer.

Everyone has a chance to make the squad, for the old cheerleaders must also try out again. If you think you have what it takes to get a crowd going, here is a chance to get involved! Please wear suitable practice clothes and sneakers to the practice sessions.

## Students have the Right

"The students have the right to express their concern." This was a statement made by Dr. Russell A. Milliken, Vice-President of administration in regards to the student boycott which is to take place Thursday on the Lock Haven State campus.

Dr. Milliken stated that the student body is "caught in the web of collective bargaining and collective bargaining results, both in dollars and teaching assignments." He added that the students paid a tuition that had been raised so they could start a program which kept a variety of courses in a curriculum and the availability of staff members to advise activities but such a program has not come through.

Though Dr. Milliken did not disagree with the student's

concerns and the boycott, he did point out certain areas that could hurt such a disturbance. Dr. Milliken said definite plans should be made because students won't stand around all day. He stated "a thing like this takes a great deal of participation." He went on to say that if the newspapers or television cover the boycott it will have a bad affect if only a few hundred participate.

Dr. Milliken sees no direct results from this boycott but expects things to change in a few years. He stated "things will change when parents have saved for their children's education and it's not enough and employers realize they don't have a reasonable pool to select from. This will take a few years."

## Course of Action Outlined

by Bill Mahon

Yesterday afternoon at 1 p.m. an emergency meeting of the Public Relations Committee was held to determine the course of action to be followed during the upcoming student boycott.

The committee made plans to work with Mr. William Powell, the APSCUF bargaining agent for the Lock Haven State faculty, in disseminating the facts as efficiently and correctly as possible to the student body.

Committee members were assigned various tasks to educate the entire student body at LHSC of the many problems that are facing each one of them. Announcements will be made over the PA system in Bently Hall along with handouts which will be set at each table during lunch and supper hours. It was agreed that the campus newspaper, THE EAGLE EYE, would be used as extensively as possible.

Wing meetings and all-hall meetings were set for Tuesday night. All fourteen state colleges will be kept up on the latest developments at Lock Haven and represen-

tatives will be sent to the student government conference at Clarion State College on Saturday.

Telegrams will be sent early Thursday morning to Governor Shapp and Pennsylvania Secretary of Education Pittinger. Radio station WBPZ and the Lock Haven EXPRESS will be covering this weeks events and press releases are being sent over the Associated Press wire service.

Numerous radio stations and television stations have been contacted throughout central Pa. and a list of almost 61 newspapers are being contacted.

**LOST: Woman's gold, Ribaux wristwatch; if found, call 718-2081, Mon., Thurs., or Fri. nights after 4.00 P.M.**

### Agreement Limits Support

Provisions in the Collective Bargaining Agreement prevents the Association of Pa. State College and University Faculty from officially supporting the proposed student boycott Thursday.

In the agreement there is a clause which states: "During the term of this Agreement there shall be no strike, stoppage of work, walkout, slow-down or refusal to work or perform any part of *Faculty Member's Duty*."

Individually, faculty members can support the students' concern; however, professors have to meet their classes. Whether the classes are canceled is in the hands of the students.

Faculty members who do not support the students' action have no means of penalizing students because students have unlimited cuts.
