Haven booters win Western Division Championship at Edinboro

Graduate program in International Studies becoming a reality

By Jeffrey Hilty Co-News Editor

The first graduate program for Lock Haven University has been aproved by the Board of Governors of the State System of Higher Education (SSHE).

The program is for a Masters of Liberal Arts degree in International Studies.

The Graduate Coordinator at LHU is Dr. Douglas S. Campbell, who is also the chairperson for the Department of

English, Journalism, and Phisosophy.
Campbell said, *The program is primarily intended for mature adults who want to get a degree for the sake of

learning and not for a job."

He specified that the Master of Liberal Arts (MLA) in International Studies is intended to attract students with three distinct kinds of interest.

First, Campbell said that the MLA offers mature students a plan of study to enrich their intellectual lives.

Secondly, he said the program represents an alternative education degree for elementary/secondary school teachers. The alternative focuses not on methodology, but on the liberal arts aspect of the teacher's area of specialization.

Thirdly, Campbell said the program is intended to be viewed by persons in business as an alternative to the MBA.

Vol. 33 No. 15 4 pages

Tuesday, October 28, 1986

He said that the curriculum would be geared not toward the skill courses but the liberal arts courses, such as the common market or the socialist mind.

Asked why the graduate program was proposed at this time, Campbell said that now is the ripe time.

"We would've had it earlier, but the SSHE system was coming into existence and we waited until SSHE was here," he said.

Campbell said that he presents the curriculum proposals to a graduate committee, and they vote on those proposals.

Administrators and faculty members undertook the development of the graduate program and that the program would enhance, not detract from, the quality of the undergraduate curricula here, according to Campbell.

He went on to say that the curriculum committee will vote on the schedule for approving the curriculum on November 6,

The earliest the program could start is the spring of 1987. However, he said that the program would more than likely start

'Black students need support'

By Sue Berger Co-News Editor

Black undergraduates at LHU need support from the students, the faculty, and the community, according to a panel of six black students at a discussion last

Pamela Davis, Jerrome Hindman, Kennedy Huddleston, Dhana Mason, Russell, and Antoinette Whittington participated in a panel discussion called 'A Black Student on a White Campus: The Experience.*

Students and faculty form LHU and Bloomsburg University attended the discussion in Smith Hall Lounge to ask the panel questions and to offer their opinions about blacks being a minority

The panel said that blacks often feel an undercurrent of prejudice from the white community of Lock Haven.

Panel members said that when black students go into stores, the clerks often follow them around. They said that when black students go into town, people often stare at them.

One panel member cited an instance when she went to church and sat down next to a lady who in turn picked up her purse and moved it away from the student.

*This is prejudice and feelings 1980's style. In the '60's, and prior to the '60's, people were more out with their feelings," said Hindman.

He added that now the government has laws and regulations that punish people who act so openly prejudiced as they did in the past.

The prejudice feelings still exist, according to the panel, but they are just hidden.

The students said that a black student often walks into a classroom to find that he is the only black in class.

Panel members said that black students often feel lonely in class and are afraid to ask questions or to sit in the front of the room, because they think the other students are watching them or laughing at their questions.

Whittington said that black students need a support system to help freshmen and others get over feelings of insecurity

As a support system, black students would like to see more black professors and counselors, as well as more concern in the faculty and students already at the University, the panel said.

Members described some of the attitudes of people on campus today by saying that black students are now often accepted into clubs as "tokens," because the organization needs members of a minority.

Another attitude that Whittington said exists is that students will sometimes say to her, "You're the coolest black person | know."

"I'm a person, I'm not a cool 'black' person," said Whittington. "I'm just a

One of the ways in which blacks have been discriminated against in class according to Hindman is that black history and black art have been swept under the rug at LHU.

The way to stop prejudice is to educate the students said the panel.

"We need all students working together, so the whole student body can gain," said Hindman.

The panel discussion was sponsored by the Office of Minority Affairs and the Student Life Office.

Pursell to speak on Alzheimer's

By Mike Leavy Staff Reporter

Dr. Mary Pursell will hold a discussion of Alzheimer's disease this Wednesday at 7:30 in the Ulmer Planetarium.

Dr. Pursell is acting vice-president of academic and student affairs this year. She was formerly with the biology

She received her doctorate in genetics at Penn State University and has done some studies on the disease.

Alzheimer's disease is a disorder of the brain that mostly affects the elderly. Some of its major symptoms are behavioral changes and senility. The cause is unknown and there is no cure.

The discussion will deal with the possible causes of the disease and what's being done to prevent and cure it. Both the genetic and non-genetic forms of the disease will be examined.

There will also be an analysis of the possibility of the level of a specific brain enzyme that is associated with behavior

The discussion is sponsored by Debbie Garibaldi of the Student Life Association.

Dr. Mary Pursell will speak on Alzheimer's, a disease of the elderly.

LETTERS TO THE EDITOR

Student responds to last Tuesday's letter

Dear Editor,

This in in regard to a letter written by Jeff Stevenson in the Tuesday, Oct. 21, newspaper.

I can't believe you were so terribly upset by the band marching up and down the street that Tuesday night. It actually took them a whole 5 minutes to go down the street. I would not consider this a disservice either. In fact, the band was serving the school, the basketball fans, and the basketball team.

I can't understand how you can attend a university and apparently have no

school spirit whatsoever. Also, if you had read the paper last week, you would have been aware that a vast amount of the student body was in attendance at the "House of Noise".

I live in Woolridge Hall and I feel that the train and the traffic outside probably make just as much noise. I also feel that you should be more considerate of the band. I bet they have brought more recognition to the University than you have

Sincerely, Wendy L. Bayer

Band "service... outweighs the disservice"

Dear Editor.

I am writing in response to the letter written by Jeff Stevenson in Tuesday's edition of the Eagle Eye.

Mr. Stevenson, you obviously don't know what a real disservice is! I think it would indeed be lovely to have a field to march on, and we, the band, would be grateful if YOU could find us a field to march on. The nearly 70 band members have been given little credit for the fine accomplishments we've made here. Instead, we get no field of our own and complaints from people like you.

Jeff, were you aware that there was a large pep rally held last Tuesday night for LHU's basketball team? Despite the strange hour of this pep rally, the band was there to support the team, as were several hundred of YOUR LHU classmates.

It seems funny to me that you should complain about being awakened to the sound of drums, and not at 12:45 a.m. when the pep rally was over and the band was returning to Sloan. Jeff, I personally apologize to you and anyone else who was asleep, and I think I can safely speak for the whole band, if you were indeed asleep at 11:30 p.m. Let's face it,

not many students are in bed and asleep by 11:30 p.m. Don't bother telling me about your 8 a.m. class on Wednesday morning because I had one too, and I lived through it!

So, Jeff, tell me, were you caught up in all of that "traffic" that gets stuck behind the band on Tuesday and Thursday afternoons? No, you couldn't have been, because the so-called "traffic" is always waved around the band by the drum majors or the band director when the coast is clear. It's also funny that you are the only one to complain about this

facts straight before telling us what a disservice we are. I think that our "services" to this school far outweigh the disservice of getting you out of bed for ten minutes on one night.

common sense before making another complaint about the band or some other group on this campus who is only out to

Sincerely,

Vice President

Finally, I suggest that you get your

So, do us a favor, and use a little support OUR school!

Heather Kinney

Band manager and TBE (band sorority)

ANNOUNCEMENTS

Ghost-O-Grams

Send a friend a Halloween message and treat for only \$.25 a piece. The ghost-o-grams will be on sale during lunch hours, Monday through Friday in the bottom of Bentley Hall. This is being sponsored by the AXP little

Contest results

The winners of the slam dunk contest are: Robert Cooper, first place, and Chris Sager, second place, for the under six feet, and Joe Salluzzo, first place, and Harold Wells, second place, for the over six feet.

Haven booters clinch Western Division title with 2-0 win

By BIII Hunter Co-Sports Editor

The Bald Eagles booters soared over the Rockets of Slippery Rock Saturday to give them the Western PSAC Division championship.

In a game that pitted the two dominant powers in the Western Division over the last two seasons, Lock Haven was to

prove the stronger with a 2-0 win.

A loss would have ended all playoff hopes for the Haven. Instead, they will now square off against East Stroudsburg at E.S.U. on November 8th for the state championship.

Saturday's match, Lock Haven earned it's right to be ranked 11th in

The Haven shelled the Rocket net with 17 shots and 18 corner kicks during the

Slippery Rock was allowed only two shots and no corners through the 90

Lock Haven opened the scoring at the start of the match. With only 2:05 gone from the clock, the Rockets were whistled for a foul. Forward Doc DuMars chipped the ball above the defenders to the awaiting Steve Eagleton, who headed

The second and final goal of the game came on a pinball play. Senior Steve Paguia's shot hit the post and deflected to Sean Perry. Perry got a foot on it and passed it to Roy Mehl. In the confusion, Mehl was able to find the back of the net with the ball.

Haed Coach Lenny Long credited defenders Phil Stephenson, Andrew Monteith and forward Paguia as having had fine performances.

The Bald Eagles round out their season with two home games Wednesday against Wilkes College and Saturday against California.

When asked about the outlook on

Wednesday's game, Long said, "We don't want to coast through to the championship. We will be going out there full steam to try and score goals.

The Haven's record now stands at 11-2-3. The kickoff for Wednesday's game is set for 3:00 p.m.

Field Hockey takes two in VA

By Joselle Melito Sports Reporter

The Lady Eagles captured two consecutive wins against Radford University on Saturday, 5-0, and Davis and Elkins College on Sunday, 2-1.

Coach Sharon Taylor said, "I felt we played better on Sunday against Davis and Elkins, although Saturday's game score was overwhelming."

During Saturday's game against Radford, Paula Stephens scored the first two goals of the game. Heldi Firth, Karen Geremia and Tami Flowers each had one goal to help lead the Haven to victory.

Ginny Neiss had two assists in the game. One was to Stephens, and the other to Firth.

The Lady Eagles outshot Radford 37-0. Lori Sanella did not have to make one save for the Haven.

During Sunday's game against Davis and Elkins College, Dubi Caprio scored the first goal of the game in the beginning of the first half. Davis and Elkins scored at the end of the half to tie the game up,

Ginny Neiss then scored off of a penalty corner to give the Haven their game winning goal.

Kim Hasson and Karen Fry each were credited with assists during the game.

"We weren't sharp on Saturday at all," said Taylor. "Davis and Elkins College was a much stronger team, but we played well and had nice passing."

The Lady Eagles next game will be played away tonight against Temple University.

*This could be our last chance to play against a higher ranked team. They play on Astro Turf and I think it'll be a tough game," said Taylor.

Harriers sweep weekend meets

By Dan Hanson Sports Reporter

The LHU men's and women's cross country teams swept their meets against Juniata and St. Francis on Saturday to finish the season on a high note.

The men's team finished the season with a 4-3 record, by defeating home team Juniata 20-43, and a 23-35 win over St. Francis.

Freshman John Widl turned in another strong performance for the Bald Eagles. finishing second overall in 29:16. Widl finished only ten seconds ahead of junior Brad Seth who took third.

"This was our best team performance of the year." said Head Coach Kurt Smith. "The men wanted to end the season on a winning note, so the determination was quite evident."

Other impressive performances by Bald Eagle harriers were turned in by senior Dan Sheredy (fifth in 29:37), freshman Jason Tremblay (seventh in 30:15), and junior Greg MacGowan (tenth

The overall individual winner was Tim Gardy of Juniata, crossing the line in 28:55. Despite Gardy's effort, Juniata fell to St. Francis 20-43.

In the women's meet Pam Noll, Jill Baumgartner, and Kathy Staib finished first, second, and third respectivly to lead the Lady Eagles to a 15-48 defeat of St. Francis, and a 23-32 victory over Juniata.

Noll covered the course in 20:30, closely followed by Baumgartner (20:43) and Staib (20:53).

'The course was 3.2 miles, one tenth of a mile longer than a regular course and it was hilly and rough," said Head Coach Leroy Straley. 'The team overcame both these obstacles and turned in a great performance."

Julie Nelson and Holly Heimer also had strong performances for the Lady Eagles who finished the season with a 3-3 record.

Both the men's and the women's teams will be at Edinboro on Saturday for the PSAC Championship meet.

Game 7: Turnovers spell defeat for Bald Eagles; Edinboro 30, LHU 21

By Bill Alexander Co-Sports Editor

When you turn the football over six times in one game, your chances of winning the game are very slim. The Bald Eagles found this out on Saturday as they lost to the Fighting Scots of Edinboro 30-21.

The Eagles opened up the scoring late in the first quarter as QB Pat Cahill raced down the right sideline for a 48-yard TD. Mickey Miller's extra point gave the Eagles their only lead of the game, 7-0.

Edinboro came back as Jim Trueman kicked a 28-yard field goal to cut the

Eagle lead to 7-3.

Then the roof came down on the Eagles as their next four possessions ended in three fumbles and an interception. This lead to the scoring of 20 points for the Scots.

Edinboro extended its lead to 30-7 in the third quarter as Scot QB Scott Dodds connected with TE Bob Suren for a 7-yard TD pass.

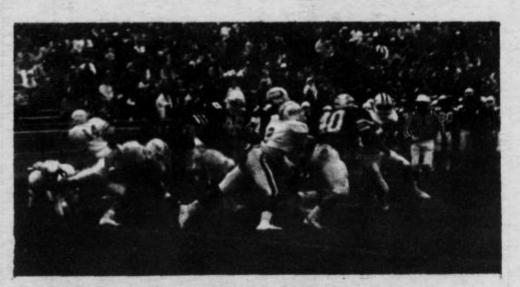

The Eagles cut the Scot lead to 30-13 as Rosie Brown scored on a one-yard. A 59-yard pass play from Cahill to WR John Klacik set-up the score.

The final scoring of the game came at the 2:55 mark. Haven right cornerback Guy Wade intercepted an errant pass and returned it 48-yards for the score. Bruce Pendleton hit John Miller for the two-point conversion.

Pendleton led the Eagles in rushing, compiling 76 yards on nine carries. Cahill completed five-of-ten passes for 116 yards and two interceptions.

Dodds completed 25-of-31 passes for 265 yards and an Edinboro record four

The 0-7 Eagles are on the road this weekend to take on the Golden Eagles of Clarion. Kickoff is scheduled for 1:30

Eagle defenders Jeff Swanson (40), Ray Howard (46) and Stan Allen (53) converge on an Edinboro running back during Saturday's game. The Fighting Scots defeated the Haven 30-21.

Selleck sings solo at PA choral festival

By Helen Haglich Arts Columnist

At the Pennsylvania Collegiate Choir Association festival held at the University of Scranton last weekend, Lock Haven University choir member Roberta Selleck, was featured as a soloist.

Selleck, a junior from Jersey Shore, was one of the eleven members of the LHU choir that attended. She was the featured. soprano in the Chichester Psalms by Leonard Bernstein.

Auditions for the solos were held on the first day of the three day festival, which was attended by twenty-one college and university choirs.

Selleck's musical experience includes singing in choirs throughout her school years, and she is in her third year as a member of the LHU choir.

Selleck is an elementary and special education major, with a concentration in music.

The best part of being a soloist at the festival, according to Selleck, was working under the direction of composer-conductor Richard Kapilow of Yale University and New York City.

She said Kapilow made the soloists feel comfortable with the works they were performing.
