Nero - Rundgren Highlight LHS October Fest

"Pioneer Days" will be the theme of this year's Homecoming weekend which is scheduled for October 19, 20, and 21.

A concert given by Peter Nero will start the weekend off. Mr. Nero, an internationally famous pianist, will perform in the Thomas Field House on Friday, October 19, at 8 p.m.

Following the concert there will be a display of fireworks at the Riverside parking area. Mr. Fred Naylor, co-chairman of the SCC Social Committee, said that the fireworks display promises to be even better than previous years. Also on Friday there will be a dance in Rogers Gym. The U.S. Sound Theatre will be the featured band for the dance which is scheduled for 10 p.m. Admission will be free for students and \$1 for non-students.

The dedication of Gross Hall will start the events on Saturday, October 20. After the dedication which is scheduled for 10 a.m., the annual parade will follow. Mr. Naylor said "the parade is expected to be bigger and better than any previous Homecoming parade." Four bands have consented to play with more bands expected to consent later. Mr. Naylor said, "there have been more entries than in previous years." Fraternities, Sororities and other school organizations have already entered floats, and the Bell Telephone Co. has entered a float from Philadelphia Pa. Prizes will be awarded for the best float entries. Other parade attractions include antique cars, dignitaries and the Mounted Color

Guard of the Pennsylvania State Police. Dr. Francis N. Hamblin, President of Lock Haven State College will be the Grand Marshall of the parade.

The Lock Haven State Varsity and Junior Varsity soccer squads will tackle Slippery Rock in two separate games beginning at 12. The football team will face Edinboro at 2 p.m. at the Spring St. Stadium.

An ox roast and cider pour will take place on the Parsons Union Lawn. Mr. Naylor said a small fee may be charged.

An 8 p.m. concert in the Thomas Field House will feature the music of Todd Rundgren and "The Electric Light Orchestra." Todd Rundgren is best known for his hits "You Gotta Get You a Woman" and his current hit "Hello, Its Me." He has

produced and engineered albums for such famous groups as "Badfinger," "The Band," "Paul Butterfield," "Fanny" and the latest "Grand Funk" album which is currently number 2 in the nation.

"Electric Light Orchestra" is an English group which has appeared on

"Midnight Special" and in many concerts. Their music is a combination of classical and rock. Their biggest hit was "Roll Over Beethoven". Both the Friday and Saturday night concerts will cost \$2.00 for students and \$4.00 for non-students

Emergency Room Made Easier

The Lock Haven Hospital has prepared a list of time-saving hints for all who utilize the Emergency Room, Out-Patient Services or who are admitted to the patient floors:

1. Cree Drive off of Irwin Street is the best approach to take you directly to the center of all hospital services.
2. Ambulance entrance to the Emergency Room should be used for life-threatening emergencies. Patients with any other problems should enter the main lobby via the Cree Drive route.
3. When arriving at the hospital, check in at the lobby information desk for

any assistance you may require.

4. All family members covered by Blue Cross, Medicare, Medicaid, or any commercial health insurance program, should retain a copy of the identification card or, at least, copy down the identification number.
5. Students covered by their parents' insurance should obtain a copy of the identification card or, at least, copy down the identification the identification number and the insurance company's name.
6. If you have student health insurance coverage, then your identification number is the same as your social

security number.

7. Always carry the necessary insurance information in your wallet or purse in case of a sudden illness or accident.
8. College infirmary hours are generally 7 a.m. to 11 p.m. The College has notified all students to obtain assistance from the campus security police in case of an injury or illness occurring during the hours when the infirmary may be closed.

Call extension 224 when calling from a telephone on campus. When calling from off the campus, dial 748-2711. Campus police will assist in getting any student to the Lock Haven hospital.

Jobs Are Where You Find Them But Let Career Services Help

Looking for a job? Too often looking doesn't result in a job, but the Office of Career Services, formerly the Placement Office, tries to alleviate the problem.

In 1972, 94% of the Education majors and 55% of the Arts and Science majors were registered in the program. Seniors who wish to take advantage of the service should register with the office in Bentley Hall.

The Office of Career Services offers information about jobs in business, industry, and government, as well as teaching. Every Friday a position list is published and distributed in the PUB and in Bentley Hall. The list describes available jobs in different fields.

Under the direction of Mr. Herbert Larson, the Office of Career Services arranges on-campus interviews with various agencies, school districts, and the armed services. This year, Lock Haven will graduate eight seniors who will receive a commission from the Marine Corps. Among them will be one woman. All branches of the services will conduct interviews throughout the year.

The Peace Corps, VISTA, and other federal volunteer agencies are now part of ACTION. ACTION, created in 1971, helps people to recognize and solve their problems with solutions that will work after the volunteers have gone. Representatives of ACTION will be on campus October 30-31.

"I think school districts are missing the cream of the crop," said Mr. Larson. He was referring to more and more schools not conducting campus interviews. The reason for less interviews is the oversupply of teachers.

"By not interviewing students who are specifically interested in their school, and who may be unable to drive a long distance for an interview, schools may miss highly qualified graduates," Mr. Larson continued.

In 1969, 73 school districts conducted inter-

views while in 1973 only 28 had them. The districts conducting interviews are from Pennsylvania and neighboring states. Mr. Larson stated, "Although the number of interviews are less, the amount of students placed through this service makes it worthwhile.

Career Seminars, another service of this office, have changed in the last two years. Now, the seminars are conducted by the academic divisions and/or departments. In the seminars, speakers from different fields describe career service opportunities in their profession. A basic seminar for applications and interviews may be conducted for seniors.

All Education majors who will student teach the Spring semester and Arts and Science Majors may attend a Placement Registration meeting in Ulmer Planetarium on Thursday, October 4 at 1:00 p.m. If you're tired looking for a job, why not look into the Office of Career Services for professional guidance in selecting a job?

BOG comes to Campus

The Office of Education is sponsoring a new student financial aid program which is available to first-time, full-time students for the 1973-74 school year.

The new Basic Educational Opportunity Grant Program—more popularly known as Basic Grants—is designed to assist eligible students planning to enter colleges, universities, community colleges, approved vocational and technical schools, and hospital schools of nursing.

When the appropriation is sufficient to fully-fund the program, students will receive grant assistance of \$1400, less the amount the family can be expected to contribute for the postsecondary education of the student. No grant can, however, be more than one-half of a student's cost of attendance.

Attention Would-Be Writers

ATTENTION WRITERS! There will be a meeting for anyone interested in writing news or feature articles for the Eagle Eye.

Also, anyone who might be interested in writing a column for the paper, such as music, comedy, or feature are welcome to attend.

The meeting will take place on Wednesday, Oct. 3 at 2:15 p.m. in the publication (EE) office.

Anyone who cannot attend but would still like to see their work published should contact Bill Mahon in Room 211 High Hall, Ext. 444

Encounter Group Scheduled

The Human Relations Laboratory has scheduled two encounter group sessions during the fall semester. The dates are: October 26-28, and November 9-11. Dr. Neil Wilson will discuss the goals and procedures involved in encounter groups at the meeting of the Psychology Club on Wednesday October 3rd at 8:00 in Raub 206. Encounter group application forms are available in Himes 104 or at the PUB information desk.

Film Subscription Close

The deadline for a discount subscription to the American Film Theatre is October 5. The price is \$16.00 for 8 films and it applies only to matinee performances on either Monday or Tuesday. The Lock Haven group must choose either day. Tuesday seems to be more popular right now. The films are shown at the Cinema World II in State College.

Anyone who is interested should see Mr. Perry in R312, before Friday.

Cal Team Finds More Than Gold In LH Hills

by Bill Sterner

Dave Bower passed for three touchdowns, and Mike Lang scored two as the Lock Haven Eagles defeated California State 25-14 before a crowd of 2,000 Saturday night. Bower connected on passes of 20 yards to Wayne Hoffman, 22 yards to Lou Savani and 16 yards to Mike Lang as the Eagles much improved offense smothered the Vulcans.

Lock Haven wasted little time before putting a touchdown on the board. On offense, with a second down and 10 at his own 28, Dave Bower hit Wayne Hoffman for 14 yards to the LH 42. Again on second and 8, Bower connected with Hoffman down to the Cal. State 44. On third and one, at the Cal. State 34, Mike Lang ripped 12 yards to the Vulcan 22. A 15 yard penalty temporarily stalled the Eagles drive, but a pass interference penalty put LHS back to the Vulcan 16. On third down, Bower lofted a perfectly thrown arial to Wayne Hoffman for the touchdown. The drive covered 72 yards in 10 plays.

With the first quarter coming to an end, the Eagles were again driving after a Vulcan fumble. Moving from the Cal. State 22, Bob Kline drove to the 16. From there, Bower called on Mike Lang who responded by rambling 16 yards offright tackle for the second Eagle score.

Down 12-0, California mounted on offense. They moved 51 yards in 13 plays. Michaux capped the drive by scoring from 4 yards out. The extra point cut the Eagles lead to 12-7.

Lock Haven again, however, mounted a drive. At their won 45, a fumble turned the ball over to the Vulcans, but the defense picked up the slack. Mel Abel made a leaping interception at the Cal. State 45 and returned it to the 39. From there Bower moved the team to the 22 of California. With 3:47 left in the half, Bower fired a pass to Lou Savani who made a sliding

catch in the corner of the endzone, and the Eagles led 18-7 at the half.

In the third quarter, Cal. State proved they were not out of the ball game yet. Steve Toth moved his team to the 8 yard line. Two fifteen penalties against the Eagles gave Cal. State good position. From the 8, Dan Kordich swept the end for the touchdown making it 18-14.

Late in the third quarter, the LHS defense bottled the Vulcans up deep in their own territory. Lock Haven took over on the Vulcan 38. On third and five, Bower passed to Mike Lang for the Eagles last touchdown. The PAT was good, and the Eagles led 25-14. The fourth quarter proved to be all defense. The Eagles recorded their first victory of the year. This week, Coach Weller's gridders travel to Clarion.

OFFSIDES

The Eagles had many standouts in the Cal. State game. On offense, Dave Bower completed 14 of 24 passes for 154 yards, Mike Lang carried 15 times for 70 yards and scored two touchdowns. Lou Savani and Wayne Hoffman made a number of outstanding clutch catches.

On defense, Dan Bender and John Blackwell each recovered a fumble, Benders setting up a touchdown. Mel Abel intercepted two passes, stalling key Cal. State offensive drives. Randy Shifflet also intercepted a pass, foiling the last Vulcan effort.
