Jucknik and Mazza crowned Homecoming Royalty

By Michelle Trevena
Staff Reporter

Despite rain and cold weather this past weekend, the Homecoming bonfire still burned, floats still floated, and the new King and Queen were crowned.

The Homecoming activities began on Friday with the traditional bonfire and pep rally. Because of rain, the rally was moved into Thomas Field House.

Tim Susick, chairman of the homecoming committee, said the fireworks were still set off, and the bonfire burned in parking lot 9.

Saturday's events got underway with the parade featuring floats and marching bands. The theme for the floats was "Journey Through the Year's: Highway to the Haven."

The winning float was made by residents of McEntire Hall. The float featured Noah's ark with residents dressed as animals such as skunks, gorillas, and giraffes.

The International Students Organization won the second place float award, and Gross Hall captured third place.

Susick was "quite pleased" with the effort put into the floats for the parade on Saturday. "This year I was pleased to see the school spirit in the competition. The floats were well constructed."

A few changes were made in the parade lineup, Susick said. Tau Kappa Epsilon had a late entry of a covered wagon.

In addition, the local chapter of 40/8

entered an old fashioned train. Susick explained that 40/8 is a group of people active in WWI in divisions where there were supposedly 40 men and eight mules.

Another change in the lineup was Kappa Delta Rho, who withdrew their float to handle crowd control and traffic direction. He also noted the assistance of various local fire companies and both City and University police.

Also participating in the parade were Lock Haven High School Band and Hughesville High School Band, who had participated in previous years. Hughesville High School also performed at the pre-game football show. A newcomer to the parade this year was Troy High School.

Following the parade, the crowning of the King and Queen took place at half-time at the football game.

The winning couple for Homecoming King and Queen of 1987 is Deanna Jucknik of Alpha Sigma Tau and Mike Mazza of

Lambda Chi Alpha.

The couple greeted the news with a hug, and the brothers of Lambda Chi and the sisters of Alpha Sigma Tau responded by raising the couple to their shoulders.

The first runners up in the Homecoming King and Queen contest were Kathie Johnson, representing the cheerleaders, and Dave Gerhart of Alpha Sigma Phi.

The second runners up in the contest were Carol-Lynn Banta from the women's swim team and Tim Dubovi from the football team.

President Craig Dean Willis (in the middle) crowned Deanna Jucknik and Mike Mazza 1987 Homecoming Royalty.

Susick said there was a post-game buffet supper and performance by the group Dark Reaction. The group mixed soft rock, oldies, and top 40 songs that appealed to both students and alumni, said Susick.

The evening's events concluded with a dance sponsored by the Black Cultural Society.

Students, faculty, and alumni enjoyed the

many Homecoming activities of the past weekend, said Susick. "All in all, I think the students did a very good job in planning."

"I had the chance to see a number of alumni who came back. It was nice to share memories of North Hall," said Susick, who was director of North Hall from 1979-1982.

University adopts policy to deal with AIDS cases

By Kate Kinney
Co-News Editor

Acquired Immunodeficiency Syndrome (AIDS), says Lee Strunin of Boston University Medical School, will be the leading cause of death in five years for those between the ages of 20 and 29.

In reaction to this national problem, Lock Haven University has developed a policy to deal with such a potential situation.

Associate Dean of Student Life, Tim Susick, said, "When AIDS became a national issue, we (the administration) were advised by the Chancellor's Office to develop a policy statement to be able to do something reactive to the situation."

The LHU policy statement includes the

following background:

"According to the latest and best medical evidence, the AIDS virus is spread sexually, by the injection of contaminated blood, and from mother to fetus.

Other modes of transmission are extremely rare. The AIDS virus is not spread by casual contact."

In response to this, the following policy was instituted:

I. The recommendations of the attending physician concerning the medical treatment and personal wellbeing of the patient will be followed as completely as institutionally possible.

Standard medical confidentiality will be absolutely maintained.

II. The complete range of institutional counseling facilities will be made available to the patient and to other individuals with

whom the patient may have had contact.

III. The Office of the Dean of Students will develop and provide ongoing campus-wide education through the in-place wellness program.

Dean of Students George Rhodes put together an ad hoc committee to learn about the problem and construct a policy that could deal with the situation, said Susick.

He also said that the committee was a cross-section of the campus staff, including personnel from the health center, Dr. Mary Pursell, professor in the Biological Sciences Department, and Robert S. Bravard, director of library services, among others.

They constructed a policy and forwarded it for a physicians review, said Susick.

He said this statement was then presented to LHU President Craig Dean Willis for

final approval.

National Education Association President Mary Hatwood Futrell, who has called for educational programs to be institutionalized in public schools, said, "In the absence of a medical breakthrough, education is the only tool we have to stop the spread of AIDS."

Susick also said, "Education is always a step in the right direction because it gives us more insight."

LHU has sponsored educational programs, as all Pennsylvania state colleges have been requested to do.

The wellness series has offered programs on the subject, said Susick.

LETTER TO THE EDITOR

School spirit and enthusiasm applauded

Dear Students:

The display of school spirit and enthusiasm for the Homecoming Events and Greek Rush has been pleasing to see. Congratulations to the winners of the float competition and Homecoming King and Queen finalists and good luck to the individuals being rushed by the Greek organizations.

With the great number of signs that have been displayed on campus, it will be the responsibility of the individuals and organizations to take down all signs and

tape. All Homecoming signs must be removed by October 6, and all Greek rush materials must be removed after the final smoker.

Again, it was great to see the outpouring of school spirit and enthusiasm, and we feel confident the groups will take the responsibility to remove their signs and tape.

Best wishes in the remainder of the Fall semester.

Sincerely,
Tim Susick
Associate Dean of Students

Booters shut out Cortland State 2-0; improve record to 4-5-1

By Andy Devilbiss
Sports Reporter

In front of a Homecoming day crowd, the Bald Eagle soccer team overpowered Cortland State with a 2-0 shutout, bringing their record to 4-5-1.

Mark Colangelo struck first for the Haven at 24:23 in the first half when he took a pass from Tibor Kobolak and blasted the ball past Cortland goalkeeper Paul Berkowitz.

Gary Ross found the goal next for Lock Haven on a header with just over two minutes left in the game, but the goal was disallowed because of a handball against Cortland.

Ross then drove the ball home on the penalty kick to ice the win for the Bald Eagles.

"Everybody played a good game on Saturday. Homecoming tends to give

everybody a lift. I don't know if it's because their mom's are there or what," said Head Coach Lenny Long.

"All the freshmen are playing exceedingly well," said senior co-captain Rob Eaton. "Craig Shale's done an excellent job and Gary Ross is just beginning to produce the goods. Also, Brian Williamson's been playing very well."

Lock Haven dominated the game with 22 shots on goal to Cortland's two shots and took eight corner kicks to Cortland's two.

Warren Westcoat snared two saves for his fourth shut out of the season and Berkowitz was kept busy making 16 saves for Cortland.

Lock Haven will try to bring their record to .500 when they travel to Kutztown on Sunday. The Haven beat KU 5-0 last year.

"We're expected to win and we expect ourselves to win," said Eaton. "We've just got to score goals. That's all there is to it."

Bald Eagle offense comes up empty against California

By Bill Alexander
Sports Editor

It is said that you can tell what kind of game it will be by the opening play.

Although a clipping penalty called back an 88 yard kickoff return by California's Steve Brown, it was just a vision of things to come as the Vulcans downed the Bald Eagles 24-0 on Saturday.

"I really thought we would come back and play a little better after last week," said Head Coach Tom Jones. "The plays were there for us, but we didn't execute well at all."

Lock Haven had the best chance of scoring in the first quarter as they set-up play on the Vulcans 30-yard line after a 63-yard punt return by sophomore Guy Wade. But on 4th-and-1 from the Cal 21, Fred Dyroff's 38-yard field goal attempt was no good and the game remained scoreless.

Cal sustained a drive into the second quarter but on 4th-and-goal, Jim Kraynak's 27-yard field goal was blocked by Dave Laudeman.

On their next possession, Cal's Sam Guzik topped a 14 play 61 yard drive with a one yard touchdown run. Kraynak's PAT was good and the Vulcans led 7-0.

The Vulcans extended their lead late in the second quarter as QB Sam Mannery hit tight end Terry O'Shea. Kraynak's extra point was no good and Cal led 13-0 at halftime.

Mannery added to the Vulcans' lead in the third quarter as he connected with Ed Alford for an 11-yard TD. Eddie Egerton ran for the two point conversion and Cal led 21-0.

Cal all but put the game out of reach in the fourth quarter as Kraynak booted a

36-yard field goal for the final score of 24-0.

"I didn't think that it would be a 24-0 shutout in my wildest dreams," said Vulcan Head Coach Jeff Petrucci. "The defense has been consistent all year. They played well and didn't give up the big play."

Vulcan QB Mannery burned the Eagle defense as he completed 17-of-34 passes for 240 yards, 2 TD's and one interception.

"I improved a lot from last week, but I still made a lot of mistakes," said Mannery.

Photo by Amy Piotrowski

Wide receiver Jesse Cleare hauls in a 48-yard pass from Rich Hunter against Cal.

"We did a lot of running and that opened up the passing lanes."

"The defense did a decent job, but being on the field all day long really took its toll," said Jones. "These players are going to be winners down the road when they gain some experience, but some things should improve soon."

Eagle QB Rich Hunter had a good day

passing as he completed 10-of-23 for 140 yards, on TD's and 2 interceptions. Frosh Stacy Noble led the rushing attack with 24 yards on eight carries.

Now 1-4 overall and 0-2 in the PSAC West, the Bald Eagles travel to Slippery Rock on Saturday for another PSAC West showdown. Kick-off is slated for 2 p.m.

Lady Eagle Netters survive close call versus Edinboro

By Dan Hanson
Sports Editor

After suffering a 9-0 drubbing at the hands of defending league champion Clarion on Thursday, the Lady Eagles went down to the wire against Edinboro in a 5-4 victory Saturday.

In the Edinboro match, Autumn Swisher and Lisa Stopper gave the 2-3 Lady Eagles an early 2-0 singles lead.

Swisher defeated Edinboro's Angela Georgiou in straight sets 7-6,6-0, and Stopper upended opponent Bernie Pollner 6-3,6-2.

The Lady Scots came back however, as Lisa Kirk took Angie Wolfe to three sets, winning 6-1,2-6,6-4.

Edinboro took a 3-2 singles lead when Kristie Carloni beat Peggy Buckmaster 7-5,6-2 and Erika Rush breezed to a 6-1,6-2 victory over Rebecca Chase.

The Haven evened the score at 3-3 as Johanna Culver won 6-4,6-4 over Brooke

Barber.

"Johanna (Culver) played a fine match," said Head Coach Carol Lugg. "Overall everyone played well."

The doubles team of Swisher and Stopper edged Edinboro's Georgiou and Pollner 6-4,7-6,(7-4) to give the Lady Eagles a 4-3 lead.

Wolfe and Culver gave LHU the victory as they handled the team of Barber and Rush 6-3,7-6,(7-4).

Edinboro's Kirk and Carloni won the final doubles match 7-6,6-1, (7-4) over Buckmaster and Chase.

"Edinboro was a good team," said Lugg. "I knew it would be close, and there was the fact that we were playing one up."

The number four through seven players in the LHU line up moved up one on the roster to replace the vacationing Becky Boyce.

The Lady Eagles will host Millersville University tomorrow at 3:00 p.m.

"They're down this year," said Lugg of Millersville. "Hopefully we'll be able to even up our record."

Harriers smother Juniata Indians

By Mike Leavy
Sports Reporter

The men's and women's cross country teams made their alumni proud this weekend by crushing Juniata in dual meets 16-44 and 15-46 respectively.

The men's team captured four of the top five places with Juniata's top runner, Jeff Moseman, taking fifth with a time of 30:19.

Greg MacGowan placed first for the Haven with a time of 27:53 followed by John Widl and Brad Seth with times of 28:54 and 29:10 respectively.

Coach Kurt Smith was surprised that the Bald Eagle runners did as well as they did in their condition.

"We were stronger than I thought," said Smith. "We were suffering from the flu and missing our top runner Peter Fleming who has a foot injury."

The Bald Eagle's dual meet record now stands at 2-2.

The men's team travels to Baptist Bible this Saturday at 11 a.m.

The Lady Bald Eagles took the top five places in their meet with Juniata's top runner Shelly Stepke finishing seventh.

Debbie Valansky led the pack crossing the line in 19:39. Lorie Jamison and Joanne Pautz finished second and third in 20:33 and 21:05 respectively.

"We're running better than we did in time trials in August, but we want to get better before the end of the season," said Straley.

The 2-1 Lady Eagles will host Slippery Rock University on October 17 at 11:30 a.m.
