

# EAGLE EYE

Vol. XV, No. 13 LOCK HAVEN STATE COLLEGE Thursday, October 7, 1971

## Editorial

It has become apparent to me that the stand of the *Eagle Eye* on the matter of printing a controversial article must once again be made clear. The *EE* is a student newspaper and, as such, feels it a duty to print any and all student opinion. A column such as the one which appeared in yesterday's paper is obviously one student's opinion and this is emphasized by the use of a by-line stating the author's name.

The point to be made is that while the *Eagle Eye* may not agree with the opinion expressed, we have the full right and responsibility to publish student thought. Although the paper has many faults, we believe the strength of the publication is its freedom to entertain student opinion and the desire to do so. The staff cannot ignore a strong stand by any LHS student on the basis that we do not share the stand.

The present student government is working for the students in every way they feel is necessary. They are using the past experience of failure to try to remedy many of the LHS ills. When the Faculty-Staff Activity Fee was proposed, it was felt it would be in the very best interest of the college. In an attempt to be fair, the fee was not made mandatory - any faculty or staff member has full freedom to choose not to pay the fee. In this case, an admission fee will be charged at the door for the particular activity the faculty or staff member desires to attend. Of course, no coach is going to be charged admission to his own sporting event. Likewise, Ross Nevel will not be expected to pay to get into a game so that he can provide coverage of that event for the students. If, however, one of these men would choose to attend a play, lecture, or any other event, there seems to be no apparent reason why admission should not be charged. Even with the exclusion of the sporting events the particular coaches cannot be expected to be charged for, there is certainly \$10 (individual) or \$15 (family) worth of social events that will appeal to faculty and staff members.

Gary Worthington and his Executive Committee have a big job in trying to achieve for this campus the things that are needed and wanted. They feel that they are doing all they can to meet their responsibility to the students and they do need support, which the students should feel they owe the SCC.

By the same standards, the *Eagle Eye* realizes their responsibility to the students by providing an avenue by which anyone may express personal opinions to other students. This commitment applies even if the opinion is contrary to that of the paper, itself.

- D.B.

## Pres. Hamblin Calls Meeting

President Hamblin will hold an open discussion today at 1:00 p.m. in Ulmer Planetarium. The purpose of the meeting is to allow students the opportunity to ask questions about the college and air their suggestions and problems concerning the school.

President Hamblin commented that the session will be basically the same as last year, an opportunity to bring up questions and problems that need to be discussed. Every topic should be of general interest to the group. It is not a time to discuss personal questions and no individual will be permitted to monopolize the session.

The discussion groups are open to all students, faculty, and staff members, and anyone from town.

## Kent Elected

Mr. Charles Kent, associate professor of history at Lock Haven State, has been elected president of the newly formed Public Educational Employees Federal Credit Union of Lock Haven.

Other officers are Arthur Reardon, first vice president; Charles Hamberger, second vice president; John Gallagher, treasurer; Beatrice Zakem, assistant treasurer; and Bonnie Beck, secretary. Serving on the board of directors is George Zakem.

Appointed to serve on the supervisory auditing committee were Clair Munro, Anne Mae Poorman, Peggy E. Roseto, and Farley A. Latta.

The local organization, which received its charter from the National Credit Union Administration of the U.S. Government, was formed to serve the thrift and credit needs of employees of LHS and of the Keystone Central School District.

According to Mr. Kent, the local credit union will seek to encourage thrift by promoting regular saving and serve as a source of low-cost credit to its members.

Mr. George L. Shevenock, representative of the Pennsylvania Credit Union League, Harrisburg, assisted at the organization meeting and in the development of the local group's operating policies. He welcomed the new organization as a member of the Credit Union Movement, which has over 1,500 credit unions in industrial, church, fraternal, and labor groups throughout Pennsylvania.

## 'Far Out Forum' To Be Telecast

A student produced news-lety program entitled "Far Out Forum" will present its first weekly telecast on Channel 4, LHS' closed circuit television system.

The show will be telecast today at 1:10 and 3:30 p.m. It will also be aired tomorrow at 7:45 and 12:55 p.m.

A maximum of three minutes time is available to any person or organization. If there is any information you would like to have presented in the program, please write:

Far Out Forum  
T.V. Control Room  
Raub Hall

or stop at the Learning Resources Center, basement of Russel Hall, room 23.

## Players Successful in 'Taming of the Shrew'

Before a capacity crowd, the National Players presented a magnificent production of "The Taming of the Shrew" in Price Auditorium Tuesday evening.

The play, although written over 300 years ago by William Shakespeare, was adapted to today's trends in clothing, actions, and ideas making identification with the characters very easy. A personal relationship with Leslie Flandors (the Shrew) was felt by members of the audience, but probably more so by the women than the men. She desired freedom to do the simplest thing, like eat, but was completely dominated by her "kill or cure" husband.

The men attending undoubtedly identified with the character portrayed by Michael Morris. In his quest to tame his wife, he became the dominating "king of the house" masculine figure, all men strive to become.

The other characters in "The Taming of the Shrew" helped to reflect the emotions of the Shrew and her husband and their effects on the people surrounding them.

The sets used in the production also contributed to the atmo-

sphere of the play. By being simple and versatile they projected a casual, common setting for the extraordinarily sophisticated plot and theme so often found in Shakespeare's plays.

The costumes worn by the characters also helped project the simplicity atmosphere, although they reflected the wealth and importance of the characters. By using only two or three changes of clothing the audience assumed that no attempt was made by the players to impress their viewers with beautiful, sophisticated costumes.

Another contributing factor to the plays impact on the audience was the music played to connect segments and acts of the play. The selections helped set the atmosphere that would allow the audience to become part of the action on stage.

The National Players production of "The Taming of the Shrew" did Shakespeare justice in showing that his plays are adaptable to any setting. The attendance by LHS students, faculty and staff proves the universal Shakespeare is still a popular writer.

Tuesday nearly 500 students nominated the 1971 Homecoming Court. In a very close contest, in which over 60 girls' names were submitted, seven were picked to constitute the court. Voting for the Queen will be held Wednesday, October 13. The contestants are: Sitting l. to r. - Linda Sagan, Mary Ellen Hayes, Sue Kodad. Standing, l. to r. - Cindy Mack, Sue Zaleski, Sue Pauling. Missing from the picture was Dorie Trimmer.

## Selective Service High Will Be 125

The Selective Service System has announced that Random Sequence Number 125 would be the ceiling for induction into the military for young men in the 1971 first priority selection group - that is, those registrants born in 1951 or earlier who received lottery numbers in 1970 or 1969 and are available for induction during 1971.

Last week the Department of Defense announced a 10,000 draft call for the remainder of 1971. Selective Service local boards are to deliver 6,500 of these men in the period November 1-18 and the remaining 3,500 in the period November 29 - December 9. Local boards have been directed to give at least 30 days notice to all registrants facing the induction process in coming months. Current draft regulations requires ten days notice.

The uniform national call provision of the new draft law assures every young man in the 1971 group who is 1-A and qualified with a RSN of 125 and below that he will receive an induction notice in the near future. It was pointed out that some of these men will enter the Army in January, February or March of next year because of the extended liability provisions of the Selective Service Regulations.

## Crescent Rush

### Starts Oct 13

The Lambda Chi Alpha Crescent Club, formed last semester, recently elected new officers. Those elected are: Linda Frey, President; Cindy Gibus, Vice President; Gloria Hubler, Secretary and Marlene Zaydell, Treasurer.

Prospective activities in the near future include Crescent Club Rush. Rush begins October 13 and terminates October 18. Any girls interested in becoming a Crescent are invited to attend. Rush week plans slate a get-together on Wed. Oct. 13 at the Lambda Chi Alpha house. Rides will be provided at locations which will be posted. At the get-together the Crescents will present a skit and explain what a Crescent girl does. Thus, the brothers will provide the rushees with a skit. There will be a picnic on Sat. followed by Open House on Sun. Bids will be placed in Rushees mail boxes Mon.

The Crescent's activities thus far include: assisting at a Lambda Chi Alpha Smoker and serving a Lambda Chi Alpha perspective pledge supper. Also, the Crescents held a picnic for the brothers and have been actively cheering the brothers at their football games.

## Nominees Chosen

### For Danforth Fellowships

Cynthia Ann Gluck and David Foster Riggs, students at LHS, have been selected as nominees for the 1972 Class of Danforth Graduate Fellows, according to C. Herbert Larson, Jr., the college's Director of Placement and Danforth Foundation Liaison Officer.

Miss Gluck, is a senior majoring in Secondary Education, with a concentration in English. Riggs, is an Arts and Science majoring in history.

The Danforth Graduate Fellowships are open to college seniors who have a serious interest in college teaching as a career and who plan to study for the highest graduate degree in their field. The candidates must give evidence of a wide and flexible intellectual ability, personal characteristics compatible with effective teaching, and concerns which take ethical or religious questions seriously.

## SCC Discussed

### Open Houses

The SCC meeting last night brought to the attention of the SCC several items of importance to LHS students.

The constitution was discussed and the suggestion made that student-teachers be given the opportunity to vote on the revised constitution. The motion was unanimously passed.

New business discussed was the possibility of students paying \$2.00 to view the concert over Homecoming. The motion was made and defeated. A second motion was made to charge only \$1.00 admission to the concert. It was also defeated.

A committee was formed to investigate the closing of the upperclass mens residence halls open houses for a 2 week period. The committee will investigate the reasoning behind the 2 week-end closing of dorms open houses.

Other business discussed was the formation of a committee to investigate the parking situation on campus.

## Podgajny Smashes Record

### Harriers Win 3rd Straight

For the fourth time in a row this season, senior co-captain Steve Podgajny broke the school and course records in leading the "unheralded harriers" of Lock Haven State to a victory. Podgajny's time of 24:27 was 32 seconds under the record of 24:59 he set last week. The inspirational performance by Podgajny led the eagles to a 23-36 victory over a strong Bloomsburg team.

After his performance against Bloomsburg, Podgajny, a 19th place finisher in last year's national championships, proved himself a definite and serious contender for All-American honors.

Almost overlooked because of Podgajny's great run was the outstanding team performance by the LHS squad. The young and inexperienced Bald Eagle team has now won their third straight meet, showing immense improvement each time.

Juniors Steve Harnish and George Bower placed third and fourth, with Bower improving almost a full half-minute. Completing the LHS scoring were Bill Landis seventh, and Reed Humphrey eighth. Humphrey lowered his time by over one minute in cracking the top five LHS runners for the first time. Carl Klingaman

and Larry Wise also placed in the top ten, ahead of Bloomsburg's fourth man.

Coach Jim Dolan was very pleased with meet results. "Podgajny showed today what he's made of," said Dolan. "This was his final home meet, and he bowed out like a true champion. This team is really starting to jell. Bower and Humphrey ran great races, and Harnish and Landis were their usual steady selfs. This team will be in the thick of things for the District title."

# Eagles Rank NCAA

by Randy and Bill

Prior to Saturday's game against California State LHS had three claims to a #1 rating in NCAA Small College football. These claims included the #1 passing offense in the college division, the #1 passer in the college division, and the #1 receiver in the college division. Mike Packer had a 19.5 completion average per game while the runner up passer had a 19.0 per game mark. Tommy Allen led his closest rival by more than 3 passes caught per game. His nation-leading mark is 11.5. The team's passing total of 281.5 yards per game also leads the nation.

Allen and Packer have been brilliant, but there are also other reasons for the Eagles' highest rating ever attained in NCAA College division statistics. The blocking of the interior line has improved so much over last year that it would be pure folly even to compare it. Mike Packer finally has a chance to see what it is like to throw from a pocket instead of trying to throw while he is being chased all over downtown Lock Haven by the opponents defensive line.

The line has also helped Frank Geiger and Bob Shuey show just how good they really are. These two have surprised each team they have played with long

gains on the ground. These teams have been surprised because a long gain on the ground last year was considered to be when Packer kept the ball on a busted play and gained two yards before he was tackled. The emergence of the running game has loosened up enemy defenses and made the passing game that much better.

Last Saturday the field was muddy and it was a bad day for

passing. Because of this the statistics for this week will show that LHS has dropped a little, but they won the game and that's what counts. There are still five more games. That gives Tommy and Mike plenty of time to get back on top. It also gives the team five more chances to win. Both of these possibilities are highly possible.

## Vennie, Geiger Letters to the Editor Are Honored

Chuck Vennie, Lock Haven State's brilliant defensive half-back, has been selected as one of the two most outstanding players on this week ECAC All-Star First Team. Frank Geiger, sophomore running halfback, received Honorable Mention honors on the Division III All-Star squad. It marks the third straight week that an LHS player was selected for first team honors. Quarterback Mike Packer was picked the first two weeks of selection.

Vennie, who had received Honorable Mention honors for his play against Delaware State, was selected for his sensational performance in last Saturday's victory over California State. The John Harris High School graduate broke a close game wide open in the second half when he ran back two intercepted passes for touchdowns.

Geiger was the Bald Eagles top rusher and pass receiver in the big game. On the first play from scrimmage in the game he scored on a 51-yard pass from Packer.

The Division III All-Star squad is chosen from players at 52 small colleges and universities in the New England and Middle Atlantic states.

To the Editor:

Dear Students:

It is rumored that Al Smith will stop writing about rumors and will begin writing facts. Respectfully yours,  
Jim Christopher

P.S.

The basketball coaching staff is 100% behind the student council.

To the Editor:

For once, hooray for "Dirty" Al! It's about time a student pointed out to his peers and to the SCC just how utterly ridiculous an all-inclusive faculty activity fee system is, especially the one here at Lock Haven State. It seems to me that this present policy is being administered by the SCC solely from the standpoint of ease of administration with no regard what soever for faculty and staff who are directly or indirectly responsible for the operation of an activity. Tell me, SCC, how many of the approximately 2,400 colleges in this country impose an activity fee on their faculties and staffs?

Sincerely,  
Charles A. Eberle

## Women's Hockey Wins Both Games

by Kathy "Sax" Umbach

On Monday afternoon the Women's Varsity Hockey team played a rough and aggressive team from Ithaca College. LHS scored quickly as Kelly Cromer scored with just under four minutes of the game played. Bonnie Groff came right back and scored Lock Haven's second goal with only four and a half minutes of the game played. From then on the first half seemed to drag, until with four minutes left to play Leigh Buck, Ithaca's left wing, pushed the ball past the crowd of LHS players who slipped in the mud. But the Eaglettes were not about to give up, as Kelly Cromer came right back and scored with three minutes left in the half, making the halftime score LHS 3 - Ithaca 1.

At the start of the second half, the rain came causing most of the second half to be played in the mud. Late in the second half Ithaca scored as Leigh Buck again, knocked the ball in for the point. The final score was Lock Haven 3 - Ithaca College 2.

The LHS defense was outstanding. Several key interceptions were made by Wendy Dodson and Alice Rutkowski. The goalie, Becky Carr, made many saves to prevent Ithaca from scoring. Adding to the strength of the defense was the halfbacks, who not only made interceptions to aid the defense

but also moved the ball up the field to start the team on the offense.

Tuesday afternoon the Junior Varsity Women's Hockey team took the field against a spirited young team from Bucknell University. LHS dominated the game from the start as Barb Collins, the center forward, drove the ball in for the score with only one minute of the game played. Jo Ann Gardner, the right inner, came right back at the minute and a half mark to boost the Eaglettes score to 2. However, Bucknell was not about to be shut out as the right half-back, C. Malkmus, came back and scored with only two minutes of the game played, making the score LHS 2 - Bucknell 1. This did not end the first half scoring as JoAnn Gardner knocked in 2 more goals for Lock Haven, making the halftime score LHS 4 - Bucknell 1.

The second half was not quite as lively and the scoring was held to a minimum. Barb Collins scored the only goal of the second half giving Lock Haven a 5 to 1 victory over Bucknell University.

Thursday afternoon the Varsity and Junior Varsity Hockey teams meet talented and skillful teams from Slippery Rock. Varsity game starts at 3:45 p.m. on the home field, so come out and support your teams,
