## R.O.T.C. holds formal dinner in Williamsport

By Brian Prushinski

The University's Corps of Cadets held its first annual dining-in at the Geneti Lycoming Inn in Williamsport last Friday evening.

The dining-in was a formal, military style dinner in which all contracted and scholarship cadets attended in order to learn the military's procedures while attending a formal military function.

The dining-in began with all cadets proceeding through a receiving line and then on to partake in a punch bowl ceremony which was symbolic of past military wars and events at the University.

Following the punch bowl ceremony, all

University, and Tim Susick, associate dean of students at the University, also attended.

Saturday afternoon the sisters attended four different workshops: rush, pledge, finance and membership.

Saturday evening the sisters held a banquet in Bentley Hall with Wisniewski as the speaker. Awards were also presented at this time.

The Most Supportive Alumni Award went to sister Judy Haas, an '88 graduate of the University.

The Zeta chapter was selected by the National Executive Board to have the Workshop at the University.

"It is an honor because having nationals come to your campus isn't something everyone gets," said Regional Leadership Workshop Chairperson Chrissy Papproth.

Papproth had a lot of help setting up from the Inter Fraternity Council (IFC) and from Susick.

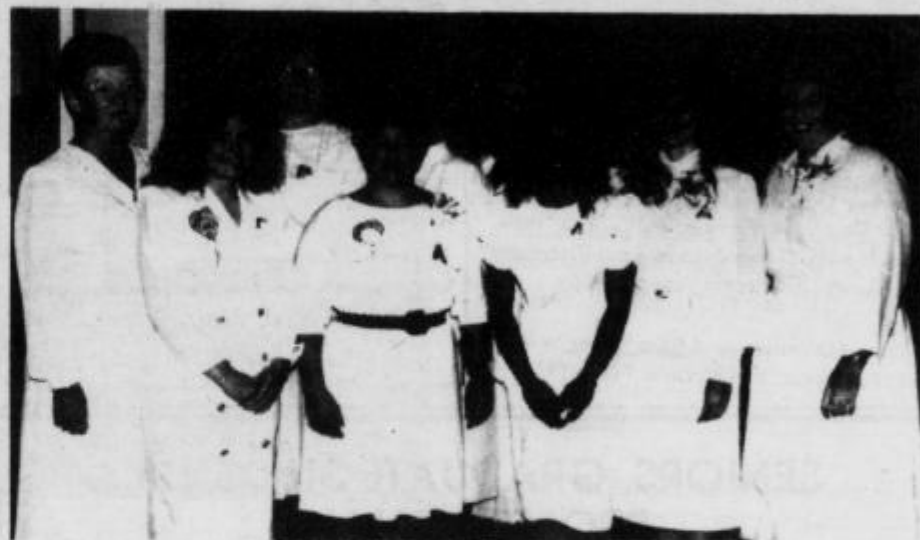

"Tim Susick was a great asset," said Papproth.

Considering this weekend a success, Papproth would, "do it again this weekend."

cadets took commands from MS. Vice CMAJ Kris Wiberg and president of the mess CLTC Christopher Enger. In order for an individual to speak he/she had to ask MS. Vice in the proper manner-- "MS. vice, point of order." If recognized, one was able to speak and direct his/her statements to the proper party. If that party or MS. vice disagreed with the said statement, that individual was fined \$0.25 or ordered to entertain the mess. All fines collected were then placed into the cadet fund for future R.O.T.C. functions.

Guests at the dining-in included the University's President Craig Willis; Dr. Gerald Robinson, emeriti of the University's R.O.T.C. program; and Lieutenant Colonel Schatz, the O.I.C. of Pennsylvania State University R.O.T.C. program.

## Members of the Black Cultural Society attend conference in Harrisburg

By Jill E. Shawcross  
*Eagle Eye Reporter*

Multiculturalism: Wave of the 90's was the theme of the third annual Black Conference on Higher Education Leadership Development Institute held in Harrisburg on October 27 through the 29.

Representing the University were Black Cultural Society members President James Bibbs, Vice President Jasmine Pond, Recording Secretary Victoria Lopez, and Kenneth May.

Professor Howard Lucas, BCS advisor and Robert Lynch, president of the Black Conference on Higher Education also attended the conference which was deemed a success by the participants.

The institute marked a period of enlightenment for approximately 50 black and Hispanic students from various colleges and universities throughout Pennsylvania.

Multi-culturalism, which was defined at the conference as being a mutual respect and understanding for different cultures, was the subject of various workshops and seminars emphasizing strong leadership and unity.

Throughout the weekend student leaders

discussed how multi-culturalism has effected their own college campuses. They decided that although there are positive and negative aspects to cohesiveness of ethnic groups, it is definitely the wave of the future.

James Bibbs, vice president of the Black Student Presidents Organization, said, "By meeting students from other universities, I realized that the problems minority students face at LHU are felt all over the state."

"Hopefully we can apply what we learned at the conference to help solve these problems," he added.

At the close of the conference, Victoria Lopez was elected Secretary of the Central Region of the Black Active Students Inter-Collegiate Struggle of Pennsylvania (BASICS).

BASICS is a sub-division of the Black Conference on Higher Education Organization which is run by student representatives.

"The most important thing about the conference," said Lucas, "was it made the ethnic groups that were represented understand that their worth, values, opinions and judgements must be recognized for the imperative success of America."

## Field hockey team beat Kenyon and William Smith to win region

By Deb Donlick and  
Lisa Newmiller  
Eagle Eye Sports Reporters

The field hockey team captured one of four NCAA Division III Regional Championships here this weekend and now move to the National Tournament at Cortland State this weekend.

On Friday, LHU demolished Kenyon 4-0. Senior Tara Egolf helped start the attack early with her first goal of the season at the 5:40 mark assisted by Missy Carman.

The Lady Eagles continued their attack as sophomore Michelle Smith put one in at 29:14 with an assist from Kelly Charles to put LHU up 2-0 at the half.

The Lady Eagles continued their scoring streak with a goal by junior Laurie Kerr off of a penalty stroke at 21:58. Carman followed in Kerr's path with a goal of her own at 28:10.

Also on Friday, William Smith prevailed over Ohio Wesleyan 1-0 to advance to Saturday's championship game with the Lady Eagles.

On Saturday, Lock Haven held on to capture a 5-3 victory over the Lady Herons from William Smith College.

The Lady Herons jumped out to an early 1-0 lead just 1:39 into the game.

The Lady Eagles tied the score at one

apiece on a goal from Gia Sgrignoli at the 12:50 mark.

The score didn't remain tied for long as William Smith's Melissa Crowley put one across the line at 18:02 to put the Lady Herons up 2-1.

At 24:36, Carman scored on an assist from Tara Egolf to make the score 2-2, at half-time.

In the second half, the Lady Herons proved they would not go down without a

fight. Amy Lynch put one in at 7:18 to put William Smith on top again 3-2.

Lady Eagle Lisa Hewitt answered with a goal of her own at the 9:16 mark to even it up 3-3. Egolf recorded her second assist of the day on Hewitt's goal.

The clock ticked down to 25:29 before sophomore Teresa Cisney put across the winning goal while Egolf added her third assist.

Cisney added an insurance goal with 38

seconds remaining to wrap up a 5-3 victory.

The victory moved the Lady Eagles into the NCAA Division III Championship Tournament this Friday and Saturday at Cortland State.

Lock Haven now (15-4-2) will face St. Lawrence (14-4-1) from Canton, N.Y. at 11 a.m. on Friday.

"St Lawrence plays a strong game, we've got to be ready," said Head Coach Sharon Taylor.

Taylor also noted that the Lady Eagles will work on fundamentals to prepare for their upcoming contest.

Following the LHU-St. Lawrence game, Cortland State (16-2-3) will take on Trenton State (19-0).

The winning teams will do battle for the 1989 Division III National Championship on Saturday at 1 p.m.

## Football team defeats Ship, 10-3, to win second straight of the season

By Herb Samuels  
Eagle Eye Sports Reporter

The football team won its first game in the Pennsylvania Conference Western Division in over four years when they beat Shippensburg, 10-3, on Saturday.

"This is a big win for the program and a big win for the players to win in the west," said Bald Eagle Head Coach Tom Jones of his first divisional win.

The Bald Eagles (2-8) have been 0-23-1 within the division since the beginning of the 1986 season.

Ship started the game strong as they took the opening kickoff and drove the ball to the Bald Eagle nine.

From there, Ship's kicker Howard Guarini kicked a 23 yard field goal to put the Red Raiders up 3-0.

The Bald Eagles tried to come back, but kicker Rich Marriott's 40 yard attempt fell short in the wind.

With 10 minutes to go in the half, Bald Eagle quarterback Jimmy Broadway rolled out and threw a pass downfield that wound up incomplete.

However, it seemed Broadway was hit late, which started a bench-clearing brawl.

When it was all over, the officials ejected

three players. Wide receiver Jesse Cleare was the only Bald Eagle to go.

"I'm really proud of our players for keeping their composure during that incident," Jones said.

The officials marched off a 15 yard personal foul penalty against Ship. Seven plays later, Marriott kicked a 24 yard field goal to tie the score at 3-3.

In the second half, the Bald Eagle defense continued to stop Ship while the offense attacked.

"Our defense is really starting to believe in themselves," Jones said. "They are coming together like we knew they could."

Facing a third and five Broadway then backed up and hit wide receiver Carl Fisher in stride. Fisher outran the defenders for a 59 yard touchdown.

"They played with tight coverage on our receiver," Jones explained. "We told Jimmy (Broadway) to check off the receiver."

"Carl (Fisher) ran past the defender and Jimmy lofted a perfect pass. Carl, with his great speed, ran under it and then it was just a footrace. It wasn't even close," Jones said.

With the Bald Eagles leading 10-3, the defense continued to stop Ship's advances.

Bald Eagle free safety Dwayne Tooles finished with eight tackles and three interceptions.

For his great play, Tooles was named ECAC Defensive Player of the Week.

"Dwayne Tooles played outstanding," Jones said. "Everyone of his interceptions were big."

Jones was also proud of the offense. "We moved the ball extremely well," Jones said. "We should of had 23 points."

The Bald Eagles will travel to face Mansfield University next.

"Mansfield is a need game," Jones said. "We need it. This team hasn't won three in a row in a long time. We have to finish strong."

With the Mansfield game, the Bald Eagles have an opportunity to win more games this year than any other under Jones.

The game is in Mansfield. Saturday at 1 p.m.

## Booters lose to ESU in PSAC Championship, 2-0

By Cory Marshall  
Eagle Eye Sports Reporter

The East Stroudsburg University Warriors soccer team ended the Lock Haven University booters three year reign as Pennsylvania State Athletic Conference (PSAC) champions as they knocked off the Bald Eagles, 2-0.

Paul Moyland scored the first goal for East Stroudsburg at 33:32 of the first half. Moyland, a transfer from Penn State, hit a direct kick past LHU goalkeeper Chad Houck for the first goal of the match.

The Warriors completed the scoring with only seven seconds to go in the match on a Tom Miller goal off an assist from Henry Sands.

"It was a rhythm game," Bald Eagle Head Coach Lenny Long said. "We had the first 15 minutes of the first half and they had the last 30. I think we had the better part of the second half."

The second half was an exciting one for the estimated 500 fans at East Stroudsburg. LHU pressured East Stroudsburg late in the game with corner kicks, but came up empty. The game was played on a soggy East Stroudsburg football field and was a factor in the contest. But Long gave credit to his Bald Eagles and their mentality for the game.

"I don't think we had a lack of composure. I think we had a good effort from our guys despite some injuries," Long added.

The LHU booters conclude their season with a record of 12-6-2.

Houck finished with two saves for the Bald Eagles.

For the season, Gary Ross led all scorers with 17 goals and 9 assists while Tibi Kobolak scored 13 goals and 9 assists.
