Hartzell's Appeal To Sue LHS Is Rejected

Mrs. Georgianna Hartzell, former bookkeeper at the Lock Haven State College bookstore, has been rejected in her latest appeal for a retrial in her civil rights suit against the college. Mrs. Hartzell is seeking reinstatement and retroactive salary since her dismissal in August, 1970.

Last November, U.S. Middle District Court Judge Malcolm Muir ruled in favor of the college in a controversial move. His decision was based on the results of the six-member jury answering a series of 14 yes-or-no questions.

Mrs. Hartzell's attorney, Ambrose Campana, told a local newspaper last week that he plans to file another appeal. He claimed that none of the questions asked the jury dealt with the central issue of the case, the competency of Mrs. Hartzell as a bookkeeper.

'Facilities' Topic of Symposium

"Instructional Change in Higher Education through Facilities" will be the topic at the Third Annual Symposium on media technology at Lock Haven State on March 23.

Emphasis of the symposium will be on the implications of technology on the undergraduate curriculum.

Featured consultants will be Mr. Richard Dober of Dober and Associates, Cambridge, Mass., an internationally known planner and designer of

college buildings; Dr. Jay Daily and Dr. Patrick Penland, national authorities on information storage and retrieval systems at the Graduate School of the University of Pittsburgh.

Also speaking will be Dr. Donald Johnson, director of Instructional Development at the Pennsylvania State University, and Dr. Philip Sleeman, University of Connecticut.

Prints By Famous Artists To Be Displayed Next Week

A special one-day presentation of original lithograph, intaglio, serigraph and woodcut prints will be held Monday March 19 from 10 a.m. to 4 p.m. in Raub Hall.

The public is invited to view this unique collection of Lakeside Studio from Lakeside, Michigan and to meet their representative, David Berreth, who will be happy to answer questions both historical and technical. All works to be displayed are available for purchase.

The work to be exhibited here, valued at over

\$100,000, contains prints by old master and modern master artists such as Albrecht Durer, Jacques Callot, Georges Rouault and Pablo Picasso. Also there will be prints by contemporary artists Leonard Baskin, Garo Antresian, Mark Tobey, Sid Chafetz, S.W. Hayter and many others including John Beckley, Linda Plotkin and Helen Siegl from Pennsylvania.

The purpose of Lakeside Studio is two-fold. The first is to make available high quality, original prints to established and beginning collec-

tors. Second they strive to fulfill a need for rapport with the working printmaker. Located on five wooded acres overlooking Lake Michigan, yet within an hour's drive of Chicago, the studio offers a fully-equipped lithograph and intaglio workshop. These facilities have been set up and operated by master printers trained at Tamarind Lithography Workshop in Los Angeles.

Prints by Rudy Pozzatti, Sigmund Abeles and Misch Kohn, to name only a few artists, have been printed and

published by Lakeside; a total of nearly 50 editions have been completed so far. The studio also offers a summer course for professional printmakers. This course is directed each year by various noted artists and professional printers. Included on the property is a 50-room hotel which was once a popular resort and now provides living quarters for visiting artists, educators, curators and gallery directors.

The Lakeside Studio collection of over 1000 original prints tours the country each year, visiting major museums and universities.

Consider

High Hall A 'Gross' Hall?

by Edward Strenk

"The disgusting maintenance of the facilities in the hall should be corrected," said a High Hall counselor.

Much has been done by counselors in the hall to try and correct the overall problems of High Hall, but no one in the administration seems to care. Concerned students have gone to Mr. Smalley for action but nothing has been done to correct the maintenance of the building.

In the opinion of many students the janitors in High Hall don't do their jobs. "I have taken pictures of the janitors sitting, sleeping and messing around," said a student.

There has not been a janitor in the hall on the weekend for some time. The most important places for cleanliness, the bathrooms, get very dirty on the weekends and become unusable. Not only are the bathrooms dirty, but the television room and stairwells are also neglected. Most of the stairwells haven't been cleaned for weeks and the television room is only cleaned about three times a week.

"We realize that the students are somewhat at fault, but how can they be expected to care about these things when the janitors don't," said a concerned student.

Most counselors also pointed out that when it snows the sidewalks leading from the building are never cleared. "I fell a number of times and could've got hurt," remarked a student. One counselor suggested that the maintenance department supply salt and shovels so concerned students could clear the sidewalks by themselves.

There is also the problem of a large dirt hill that stu-

dents must climb to get to the infirmary. "Somebody will get hurt and the school will have a big problem on their hands," said a counselor. Students believe this hill should be removed as soon as possible.

It is the wish of all students in High Hall that action be taken to try and correct these problems.

Dedication To Take Place At Concert

The College Community Orchestra's fifth anniversary will be high-

lighted by the dedication of two instruments to the memory of its late mem-

Ode To Glennon Infirmary

In light of the recent public relations episode between the local hospital and students, the lack of future funding from the state, and the questionable duplication of effort by the infirmary staff, the author, anon., submits the following:

*The soft voice and manner of the woman dressed in white,
There must be a state law that requires us to have one,
We must end this duplication of effort,
There's a place up the road that will treat them.*

*Cursed be the lousy public relations campaign,
The Court of the Inquisition shielded by the emblem caduceus
Blest be the ready made patients
Who will soon beckon from near by shores.*

*The cry is heard from the far off field,
The harvest has not increased.
Word spreads of widespread starvation,
We are punished for sins and tribulations.
All search blindly for the golden goose,
Which will stave off the burning emptiness,
Now spreading to the mind.*

*Oh summer, thou mentor
Of infamous administrative decision,
When none are left to mourn such acts,
Save the wind blown brick and concrete edifices.*

*Farewell then Glennon, faithful servant to the 'end.
Thy death was not in vain.
Thy corpse has become a haven for administrators,
To beget administrators,
To ponder the administration,
Of your death.*

One Way To Save A Town

The humanities film, "Carnival in Flanders," will be shown March 14 at 7:30 p.m. in the PUB.

The 1936 French film is directed by Jacques Feyder with his wife, Francoise Rosay, in the leading role.

The setting is a small Flemish village where the townsmen are preparing for an annual carnival. When a battalion of Spanish soldiers appear on the scene, the townsmen are afraid that their village will be razed. The burgo-master's wife and her com-

panions then set about seducing the Spanish invaders in an effort to save the town.

One of the most acclaimed of French films, "Carnival in Flanders" is described as a lavish, colorful comedy.

"If ever there was a typical French pleasantry, on film or off, worldly and impervious to all but the right note, the right pitch, the right style, 'Carnival in Flanders' is it," said Parker Tyler, Classics of the Foreign Film.

bers Mr. Isreal Herwitz and Mrs. Margaret Salstrom.

The following are the selections to be presented: A Festival Prelude, Dorian Sketch, Lullaby and Sherzo and selections from the Broadway musical *Hair*. Several special numbers will also be performed. These include Concerto for Two Flutes, Bolero for brass ensemble, and Two Sketches for Orchestra.

In addition to the orchestra's performance, Mozart's Quartet in B-flat will be presented by the Lock Haven String Quartet.

Mr. Robert D. Lynch, founder of the College Community Orchestra, will direct the program March 20 at 8 p.m. in Price Auditorium. Both the public and college community is invited to attend.

PHOTOGRAPHY BY BRADLEY

EDITOR'S NOTE: The Administration stresses the importance of student opinion in the proposed calendar change. President Hamblin states that regardless of whatever other recommendations have been made, unless the students are in favor of the change, it will NOT occur. It is, therefore, ESSENTIAL that this ballot be filled in and placed in the box in either Bentley or the PUB. Failure to do so will be considered a negative vote. There are TWO questions to be considered: vote on each!

Question 1:

I am in favor of the proposed calendar.

I prefer the present calendar.

Question 2:

I am in favor of the proposed plan of holding graduation once a year.

I prefer the present system of three graduations per year.

Kress, Rowan, Gaige Shine In ESSC Track Invitational

By Lloyd Peters
EAST STROUDSBURG- Some outstanding individual performances highlighted the Lock Haven State College Indoor Track Team's efforts in the 23 team East Stroudsburg State College Invitational, here Saturday. West Chester won the team title with Seton Hall second.

Pole Vaulter Randy Kress was the only Bald Eagle to place in the prestigious meet. Kress, vaulting with nearly no background training, cleared 12' 6" before going out at 13'.

Lock Haven's number one distance runner, Mike Gaige, competing in his first race, ran to a quick clocking of 4:24.5 in the mile. Running in the slow heat, Gaige was never pushed and went on to win by a huge margin. He also ran a fine 2:03.8 half-mile leg

in the 2 mile relay.

Sophomore sprinter Tom Rowan turned in some fine efforts in the long dashes. He sprinted to a 1:16.9 in the 600 yd. dash and a split of 53.3 in his leg of the mile relay.

"Gaige, Rowan, and Kress did a fantastic job for us today," said Lock Haven head coach Jim Dolan. "Most of our kids showed improvement today but we have the potential to do much better. We now have the background work that we need in preparation for the outdoor season."

Other Bald Eagle performers registering fine efforts were soph half-miler Hal Fried (2:03.5), 2 milers Eric Burkert (10:00) and Larry Vise (10:06), and high jumper Jack Weaver (6').

Lock Haven opens its outdoor season March 31 at Penn State in another multi-team meet. Approximately 10 university teams are entered along with four Pennsylvania State College teams. The home opener for the Bald Eagles is set for April 4 with Juniata in the Herb Jack Stadium.

Have something you want to sell? The EAGLE EYE is starting a classified ad section to appear in each issue. Rates will be 3 lines, 3 times for 75¢. Copy must reach our office by 3 pm the day before the first insertion.

ACACIA Is Looking For Dirt

"We're looking forward to meeting dirt!" is the motto of Acacia Fraternity's spring service project to be conducted in the dormitories from March 20 to March 25.

The Acacia men will offer to sweep, mop, and dust a room for 75¢-C.O.D. Profits from the project will be split between charity and toward the purchase of a house next fall.

"I'm not so much concerned with making money from

the project as I am in hopes it can be a device for Acacia to become better known on campus. In this way we can provide a real service but also benefit indirectly," said Joe Nicely, chairman of Acacia's Special Services Committee which is coordinating the room cleanup.

Acacia is a male social fraternity which has just celebrated their first birthday as an organization on Friday.

ACACIA ROOM CLEANUP

If interested in having your room look like Mr. Clean just moved in, fill out the order form at the bottom of this page and stuff it in the box provided in Bentley Hall Lounge.
