Israeli diplomats to speak at LHS

by Carol Segars

Israeli diplomats will soon get their chance to speak to LHS students and faculty.

Mr. Zvi Gabai, Consule General of the State of Israel, along with at least two other representatives will tentatively be on campus April 8. Mr. Gabai, also hopes to bring with the delegation a Druze, an Arab who is neither Christian nor Muslim and supports the Israeli

As with the Arab symposium, there will be two discussion sessions in Bentley Hall moderated by Ezell Monts. The sessions are scheduled for 1 p.m. and 7 p.m.

The Israeli plan to cover several topics during their discussions. These would include politics in Israel today, Israeli society, the

Palestinians and of course the Arab-Israeli conflict.

According to Professor John Johnston, the college was not, as rumor had it, pressured into bringing Israeli spokesmen here since the Arabs appeared. "In fact," Johnston stated, "it was the Arabs who said the Israeli should have the

opportunity to give their side."

As with the Arab diplomats, Johnston will be video taping an interview with the Israeli. The professor noted that the Arab interview is now ready for interested viewers and the Israeli tape will be ready shortly after April 8.

The problems of the American Indian were conveyed to the LHS community yesterday through the efforts of the White Roots of Peace.

Internships are available

by Carol Segars

Once again, LHS will be participating in the State College and University Program.

According to Dr. Francis Colabrese, director of field placements, five student names will be sent to Harrisburg, two of which will be chosen for the program in state government.

A minimum of fifteen credits is allotted to this program in which students from each of the fourteen state colleges are assigned to work in some agency or department of state government. Students in any major may apply to participate. In addition to the credit hours and experience in an actual

working situation, students will also earn \$80 weekly.

Dr. Colabrese noted that the intern project is gaining momentum on this campus. He feels that the college administration strongly supports the project. In fact, the director commented that both Secretary of Education John Pittenger and Governor Milton Shapp heartily endorse internships on the whole, especially this program.

Colabrese said that there have been a number of inquiries into the internships. Although a deadline has not been set, Colabrese encourages all interested students to apply as soon as possible.

Feminist Warren Farrell will speak on future

A noted feminist and expert on consciousness raising for men and couples will speak in Ulmer Planetarium Monday, April 1. Mr. Warren Farrell, a firm believer that men must be freed from their stereotyped sex roles, will present an interesting look into the future in his talk which begins at 8 p.m.

Mr. Farrell is presently the coordinator of NOW's National Task Force on the Masculine Mystique and teaches at both the American University and Georgetown

Anyone interested in applying for the position of editor of the Eagle Eye should submit a letter of application containing a list of qualifications and a statement of goals and aims. The letter of application should be accompanied by three seconding letters, preferably from people on the present Eagle Eye staff or people in the fields of English or Communication who have knowledge of your ability

Letters should be submitted to: Ezell Monts, A. Clemm, Coordinator of Student Publications, Parsons Union Building, L.H.S.C. by April 11, 1974.

University in Washington.

He has published many articles including "Can a Man Be a Feminist?" in Cosmopolitan, March 1971, and "Guidelines for Men's Consciousness Raising" in MS. magazine, February 1973. Mr. Farrell is finishing a book, "Beyond Masculinity."

He also has appeared on many radio and TV shows including the Today Show, the Mike Douglas Show, and New York Illustrated.

Dear Editor...

Mr. Black offers suggestions

To the Editor:

Council Members:

First let me say that I feel your concern with the opinion of students and others as to the allocations of SCC revenues is a legitimate and responsible one.

I am confident, therefore that you will view my comments objectively, as I would like to present some suggestions which I feel will help you to obtain more valid and reliable data upon which to make any evaluation of budgets.

Although the reliability and validity of any type of questionnaire is questionable, I feel the following changes in your instrument and methodology might enable you to obtain more objective data:

INSTRUMENT

1. Itemize expenses for all activities which are not explicit in their title. Itemization for athletics, cultural affairs, executive committee, PCCEB, publications; and social committee would allow more insight into cost per event, contest, publications, etc.. Of the student is to comment on all budgets he must have an equal understanding of all.

2. Do not ask for opinions as to the increase or decrease in only a specific event. This tends to create biased data as respondents will more often respond to a specific question, than make written suggestions or comments on their own. It would be more objective to list each budget item (general area) and ask the student to check whether they wanted more, less, the same, etc.. Requests for comments or suggestions are objective only in so far as they refer equally to all items in question.

METHODOLOGY

The following changes would increase both validity

and reliability of data obtained.

1. Control the distribution of questionnaires so as to encourage wider participation. This will help to avoid sampling of only specific groups which frequent the polling area.
2. Control the collection of questionnaires so as to prevent multiple responses from one student or group of students.

When interpreting the data you collect, I would caution you to be aware of the fact that your information will be valid and reliable only to the extent that you:

1. obtain a representative sample of all students
2. have objective questions which facilitate precise answers (require as little "interpretation" as possible)
3. guard against "multiple responses" on the part of some students

Although I certainly am not an expert in the area of research and statistics, I

would be more than happy to assist the SCC in the collection of valid and reliable data if you so desire.

Respectfully,

Bradley M. Black

Instructor

Lock Haven State College

P.S. I have sent a copy of this letter to the Eagle Eye for these reasons:

1. I want to be "above board" in what I am doing, thus avoiding possible misrepresentation.

2. I feel that if the students are aware of the nature and problems of a questionnaire they will be able to respond to it more intelligently.

Attention All Students: Dr. Brickley's Infirmary Hours will be held from 9:30 until 11:30 a.m. on Monday, Tuesday, Wednesday, and Friday, and from 10:30 until 12:30 p.m. on Thursday.

Warren Jaworski—a profession vocalist

A vocalist possessing professional distinction and vast stage experience will be the key figure in several music events at Lock Haven State in the near future. Mr. Warren Jaworski, who has performed on Broadway stage in addition to radio and television, will be on campus Saturday through Thursday to head three upcoming music programs.

Saturday afternoon, Mr. Jaworski will conduct a vocal workshop session with LHS applied voice students and students invited from various schools. The workshop which is open to all interested observers, will take place in the new Sloan rehearsal room at 1:30 pm.

The renowned baritone will demonstrate his own vocal talents Tuesday evening in Price Auditorium with a solo recital. Accompanied by LHS music faculty member Mrs. Mary Renzelman, Jawor-

ski will sing the music of Handel (See, The Ranging Flames from Joshua), Brahms, Strauss, Ravel (Don Quichotte a Dulcinee), Offenbach, Holst (Verdic Hymns), Giordano (Nemico della patria from Andrea Chenier), Copland, and Vaughan Williams. The performance will start at 8 pm.

Compositions by Vaughan Williams will also be presented along with the Faure Requiem Thursday evening when Mr. Jaworski teams up with the LHS Choir for a performance in Price Auditorium. Mr. Jaworski will be the featured soloist in the program which begins at 8 pm. Student soloists in the Faure Requiem include Carolyn Bair, soprano; Ernie Naylor, tenor, and David Kelly, baritone.

In addition to performances in opera and oratorio, engagements with symphony orchestras, and recital work,

SCC vehicles are for everyone

The Student Cooperative Council wishes to re-emphasize that the SCC vans and station wagons are available to everyone. Three vans and two station wagons can be checked out for student use by contacting Ms. Beck in the Secretary's Office in the PUB.

The cost to rent these vehicles is ten cents a mile for any SCC recognized organization. For unrecognized organizations the cost is fifteen cents per mile. Starting July 1, 1974, the cost of the vehicles will be increased to fifteen cents for recognized organizations and seventeen cents for unrecognized groups. The SCC executive committee must pay for the use of these vehicles along with every other student organization on campus.

The SCC would like to encourage the use of these vehicles by the students and all organizations.

Mr. Jaworski has sung roles in more than 30 Broadway musicals including tours with Van Johnson in *Music Man* and John Raitt in *Pajama Game*. He has also sung professionally with Fred Waring, Roger Wagner, and Robert Shaw.

Aside from his professional career, the vocalist has served as chairman of the Voice Department at Indiana University at Fort Wayne and is President of the Indiana chapter of NATS. His students have won top awards in State and Regional NATS Competition.

Mr. Jaworski, who holds bachelor and Masters degrees from the University of Michigan, is now in the final stages of obtaining his Doctorate of Music in Voice at Indiana University, Bloomington.

Baseball season begins- seven lettermen return

Baseball head coach Tod Eberle, starting his fifth year at the helm for the Eagles, has seven lettermen returning to this year's squad. Last year's team posted a 6-12 record in 1973.

Missing from last year's club, (3-11 in the Pennsylvania Conference) are infielders, Skip Wolf and Tom Matisak, and outfielders Wayne Bacon and Ray Oberheim, both four-year lettermen. Top catcher Barry Seidel, and three starting pitchers Bob Lacotta, Rod Burrows, Mark Drauschak, and reliever Mike Crossman also graduated last spring.

In the infield two regulars return at second and third base. Two-year letter winner Barry Anderson is back for another year at second base. Last year the LHSC senior hit .282. Mike Crone (Huntingdon) who had a fine freshman year at the plate with a .361 average, will be switched from third base to shortstop this season according to Coach Eberle. Also returning with some varsity experience in the infield is shortstop Mike Mersky.

Two letter winners are back in the outfield in the forms of rightfielder Rich Osborn, a three-year letterman from Conneaut Lake, and leftfielder Dave Royer who hit .324 in '73.

Three starting pitchers return to the lineup including Brian Winters, Jeff Yentsch, and John Smundin who posted a 2-2 record last season. The workhorse behind the plate will be Jeff Kashner, letter winner at catcher position last spring.

Among the group of 13 newcomers to the varsity roster expected to see early action are center fielder Reggie Flowers, first basemen Bob Wright and Steve DeLisle, and at third base, Galen Miller and Mike Churney.

This year the Pennsylvania Conference has been divided into two divisions for baseball with Lock Haven competing in the West

with Edinboro, Slippery Rock, Indiana, California and Clarion.

The Western winner will then face the Eastern division champ for the conference title in a best-of-three playoff May 10-11.

All home games are played at the Woolrich Park Field.

Tennis positions uncertain

by Gary Brubaker

"We seem to have everybody beating everybody," were Coach Karl Herrmann's comments on this year's tennis squad.

"Positions 2 through 9 are still up in the air," stated Herrmann. "But the #1 man without a doubt is Ken Gibson. He has looked very sharp; as sharp as he's ever been. He's been a spirited team leader. As far as working hard-he's done it and has set an excellent example for the other players."

As Coach Herrmann puts it, "The serve is the most important stroke in tennis, and as a result is the most important part of a player's game."

Besides Gibson, Coach Herrmann has listed a tentative lineup of his top 9 players. Chip Snare, Lenny

Four day hike possible

by Jan Albright

The possibility of a four day hike in Pennsylvania's Grand Canyon was discussed at the Wilderness Club meeting Tuesday evening. This excursion will take place over Easter vacation for all students who would rather "rough it" than go home to visit the Easter bunny.

Regular meetings of the club will be held every Tuesday at 6:30 in Himes 111. Right now meetings serve as a time to plan activities, but in the future may include slide presentations and films.

This weekend's outing is an eight-mile hike planned for Sunday. All interested adventurers should meet outside Bentley Hall at 9 a.m., and expect to return at about 5 p.m. Advisor Dr. William Kean reminded those present to "prepare for worse than you expect" when dressing for the hike. Students should bring lunch and a canteen, if possible.

Last Sunday's hike included 11 hearty souls who braved the outdoors along with Dr. Kean in a 5 1/2 mile trek. The hikers returned at 4:30 with a few blisters to testify for their efforts.

Any students interested in signing up for any of the club's activities should stop by Dr. Kean's office in Ulmer 104, or contact Dave Kahley at ext. 443. Prospective club members are urged to attend the weekly meetings.

Pitt offers summer sessions

College Students seeking progress towards their degrees, are eligible to enroll in the University of Pittsburgh's Summer Sessions, June 20 to August 9.

Courses are offered on the undergraduate and the graduate levels from over thirty fields of the arts and sciences at Pitt's five campus locations: Oakland, Bradford, Greensburg, Johnstown and Titusville. In addition, there are intensive workshops and seminars available at all campuses in which students may enroll.

Lock Haven students who wish to take courses at Pitt or any other certified institution and credit them toward their degree at LHS, must first obtain a form at the office of Academic affairs located in the Administration

building. This form must be signed by the student's advisor, his department chair man, and finally, by Dr. Williamson in order to insure credit.

Tuition for Summer Session undergraduate courses is \$35 per credit for those who meet Pennsylvania residency requirements and \$70 per credit for those who do not. Tuition for graduate students is \$44 per credit for Pennsylvania residents and \$90 per credit for non-residents.

Summer Sessions' registration ends June 20.

For additional information or an application for admission write to the Office of Summer Sessions, University of Pittsburgh, G-2A, Cathedral of Learning, Pittsburgh, PA 15260, or call (412) 624-6478.

What's Happenin'

Attention: All PHEAA Summer Work-Study applicants who have not turned in their Student Placement Form please do so by Wednesday, April 3rd in the Financial Aid Office, Room 301 Sullivan Hall.

F. J. Cornelius

SPECIAL EDUCATION: All Secondary and Physical Education students who are also working for certification in Special Education should come to Himes 101 for forms. It is important that a record is kept of your work in Dr. Sterns office, Himes 106.

INTERNSHIP: Five students from Lock Haven will be selected for an internship working for pay in the state government at Harrisburg during the first semester, 1974-1975. Any upperclassman in any school or curriculum may apply or seek further information. Apply at Himes 106 immediately.

Students having National Direct Student Loans (N.D.S.L.) this semester please come to the Financial Aid Office and sign for your disbursement. Please be prompt; these checks become void if not negotiated by March 30.
