Vol. XXII, No. 39

Lock Haven State College

Thursday, ~~March 20, 1980~~ <sup>APRIL 10</sup>

## Students Attend "Friends" Reception

A reception for students awarded scholarships by "The Friends of Lock Haven State College," the college's non-profit foundation, was held on March 4 in the Sloan Gallery. Members of the "Friends" presiding at the reception, standing at far left, bottom to top, are Anthony Torsell of Lock Haven, Joseph Whittaker of Hollidaysburg, and Hartman B. Herr of Lock Haven. Lock Haven State students receiving scholarships are, front row, Lettie Helbley, Christina Knickerbocker, Brenda Smith, Bridget Robey, Dawn Morris, Charlotte Young, Joe Baranick, and Vince Testa; second row, Claudette Johnson, Michelle Benkovich, Missy Gentile, Mary Neilon, John Belechak, and John Olson; back row, Fredrick Montgomery, Austin Shanefelter, Jim Dressler, Douglas LeGette, Tim Gargan, and Keith Ellis.

## Dean Dies On Sabbatical

By DEBBI LUHR

Howard J. Eischeid, 56 Dean of Academic Administration, died of a heart attack on March 25, 1980 in New Zealand. He was on a sabbatical, but doing work with the exchange program at Calvin Grove, Australia at the time of his death.

Mr. Eischeid was the

supervisor of overall admissions program, student records, and registration activities. His other major responsibilities were preparing preliminary budget information for the vice president, representing Academic Affairs on all appropriate major college wide communications, and other duties as

assigned by the vice president.

Mr. Eischeid was a veteran of World War II. After the war was over he worked for the Red Cross in Korea.

Mr. Eischeid who lived in Dunstown is survived by his wife, Mary, and two children.

## Resource Building To Be Completed By November

By KEITH GODSHALL

The new Learning Resources Bldg. is 69 percent complete and is expected to be completed by November 1980, reported George H. Marshall at Lock Haven State's Board of Trustees meeting, held on March 20. Marshall also said that occupancy is possible by January 1981. Over \$600,000 is needed for equipment, but Governor Thornburgh has recommended only \$400,000. The college will lobby for an increase.

Marshall also commented

that even though there will be an increase in the basic tuition, dormitory rates will probably remain the same.

Francis N. Hamblin, College President, reported that golf has been reinstated as a varsity sport. Jeff Rupert, a four-year letterman of Lock Haven, has been chosen to serve as a part-time coach.

In wrestling, Dr. Kenneth Cox pointed out that Lock Haven has the largest of active wrestling coach graduates of any college in the United States.

Hamblin also reported that the principle commencement

speaker for the May 24 event will be William F. Clinger from the U.S. House of Representatives.

SCC President Gerald Getz told the board members that the 1980-81 budget shows, that for the first time, the bookstore and snack bar are operating in the black.

Getz also reported that the Lock Haven Laundry is being replaced by Masden's of Beech Creek. Masden will install new machines in the dormitories which should result in decreased energy cost due to the energy-efficient equipment.

## Parking Rules Waived; First Come, First Serve

By JEFF FLEISHMAN

Regulated parking spaces for students and faculty no longer exist. Parking will now be on a first come, first serve basis, open to both students and faculty.

What does this mean? Simply, that a student may park in front of Raub, or any other buildings, unless a teacher gets there first.

College president, Dr. Hamblin, and S.C.C. president, Gerald Getz, threw a monkey wrench into the hopes of teachers who were seeking their own

designated places. These places are designated but not just to the faculty. Tickets will still be issued to cars parked in unauthorized zones, such as fire hydrants, loading zones, and yellow areas.

Getz agreed on this issue with Hamblin without first consulting the members of his staff. He mentions that they are "sure to go along with it." A new committee is presently being formed to further investigate the parking problem. Until this committee reaches a permanent decision,

teachers, faculty, and students are on an equal basis at least in the parking aspect.

The parking problem on this campus has always been a heated topic. With some faculty members refusing to pay their fines, new light was shed on the issue. Apparently, APSCUF, the teacher's union, stepped in and generated a little heat under President Hamblin to do something about the situation. Until further notice, parking at L.H.S.C. will be on a first come, first serve basis.

## Journalist Ralph Keyes To Speak On Campus Monday

LOCK HAVEN--Writer and journalist Ralph Keyes will give a free public talk on the topic of his new book, "The Height of Your Life," on Monday, April 14, at 7:00pm in Uimer Planetarium, Lock Haven State College.

Keyes is the author of the books "We, The Lonely People," published in 1973, and "Is There Life After High

School," published in 1976. His articles have been published in Playboy, Oui, Esquire, Cosmopolitan, Reader's Digest, Newsweek, Harper's, and New York magazine, and he has made guest appearances on the television shows of Johnny Carson, Tom Snyder, and Phil Donahue.

He has worked on the staff of the newspaper

"Newsday," and has been a visiting professor-writing at Antioch College, Prescott College, and Temple University.

He currently lives in Swarthmore, Pa.

The talk is being sponsored by the English and Philosophy Department, and is open to the public at no charge.

## SCC Plans Eight Bands For "Quiet Wednesday" Activities

By ANNE WOOLBERT

Where can you hear eight live bands, two soloists and see a fireworks display all for a mere dollar? Jack Stadium is the place and April 16th is the date. The name of this day-long event is Quiet Wednesday.

Also scheduled for the day are seven different kinds of booths that will be selling various items, including: t-shirts, ice cream, cookies, pretzels, hoagies, peanuts and soda. There is still time

for any organization to reserve a booth. Those interested are asked to contact either SCC president Gerald Getz or Howard Reynolds.

The eight bands will be performing varied types of music. In order of their appearance they are: Sunburst, Conspiracy; soft rock, High Strung; blue grass band, Appalachia; rock, Hybrid Ice; hard rock, Thunderbird; hard rock, Bill Ecks; jazz rock and Stonehenge will close with hard rock also.

The two soloists performing are Mary Bentley and Scott Gabriel.

The main reason for classes not being cancelled is in case of rain. There are two rain dates schedules in the event it should rain. They are April 23rd and the 30th.

The day will close with a fireworks display. The day is being sponsored by the Student Cooperative Council and with your cooperation they are hopeful this will become an annual event.

## SCC Reinstates 1980 Yearbook Publication At Lock Haven

By ANNE WOOLBERT

There will be a yearbook after all according to SCC President Gerald Getz.

After the announcement in The Eagle Eye stating that the Praeco, L.H.S.C.'s yearbook, had been canceled, many students and faculty of-

ferred their assistance. A staff is presently being formed and anyone that is interested is asked to please leave their name at the Publications Office (located in the lower level of the PUB).

There has been some confusion as to who was responsible for the cancellation of

the 1980 yearbook. The SCC was requested to vote to discontinue the Praeco by general manager and yearbook advisor, Kim Pettingill. It was not a decision made solely by the SCC.

The price of this year's yearbook will be \$9.00 for all students.

# From The Desk Of

President Gerald Getz

By EDITH DURHAM

After attending a hearing on April 9, 1980 in Magistrate Hamburger's office between the Commonwealth of Pennsylvania and six professors fighting parking tickets, received on campus, I was left feeling disgusted with the judicial system and the unnecessary unrest caused by the parking situation.

The Commonwealth was represented by lawyer who appeared unprepared to defend the parking regulations set up by President Hamblin. The hearing lasted approximately an hour and a half, an hour of which was spent in a recess to provide the Commonwealth lawyer, with an opportunity to prepare a case for the hearing that they knew about for over a month.

The faculty members in an effort to defend themselves against parking tickets, received by disobeying College parking regulations, hired a lawyer to make a mockery of the regulations.

This handful of professors paid a great deal of money to hire a lawyer to fight against two dollar parking tickets.

Construction of a beautiful new building has tem-

porarily created a lack of parking spaces close to classroom buildings. For a short length of time people are asked to park in Lot 9, creating a difference of a hundred yard walk. Unable to walk this distance these professors have parked illegally and received tickets. Because of a ridiculous attitude of intolerance toward a temporary situation these professors have created the biggest problem Lock Haven State College has ever had.

I thoroughly appreciate those faculty members. (representing the majority) who realize that there are more important things to do than fight against temporary inconveniences and disobey regulations that any 16 year old with a permit can follow.

As the SCC President I have a very active role in these issues and I feel very sympathetic toward the students who have violated parking regulations and have paid their fines like mature adults. No longer will there be double standards causing the students, who have not made one complaint, to suffer. I vow to the students of Lock Haven State College that the SCC Government will no longer tolerate this kind of discrimination. Until the parking regulations are equal for all, the SCC will not accept parking fines except those given for parking in safety zones and non-parking areas. Because funds are not available, the SCC is unable to buy golf carts to transport these professors from door to door. Perhaps next semester the SCC will be able to stock roller skates.

## Letter

Dear Music Patrons and Friends:

The Lock Haven Community Chorus members cordially invite you, your family and friends to a presentation of the Oratorio *Elijah* by Felix Mendelssohn. Our concert will be presented on Sunday afternoon, April 13, 1980 at 3:00pm in the Price Auditorium on the campus. The chorus will be accompanied by the chamber orchestra from the Lock Haven State College-Community Orchestra membership.

Members of the chorus will be featured soloists for

the oratorio. "Elijah" will be sung by Mr. James Hamilton, baritone; the contralto solos will be sung by Mrs. Donna Baier Dorey; the tenor solos by the Reverend Richard Leonard and the soprano solos will be sung by Mrs. Karin Van Deun. Solo quartet and double quartet solos will be presented by Ms. Debbie Margolf, Mrs. Peggy Simmons, Mr. J. Nathan Long, the Reverend William Snyder, Ms. Kimberlee Roust, Mrs. Ginger Blesh, Mrs. Marian Lingle, Mr. Bill Frederick, Mr. Robert Wagner, Mr. Bill Lingle and

Ms. Nancy Miller.

Several excerpts from the oratorio will be spoken instead of being sung. The narrator for the concert will be Dr. Robert Kidder, Professor of Theatre at the Lock Haven State College.

Parking for the afternoon will be available in the parking area behind the College Infirmary on Glenn Road and in the visitor parking areas on West Water Street.

We are looking forward to sharing the afternoon with you. As usual, there is no charge for the concert. Please announce our presentation to your organizations and churches.

Sincerely,  
Robert D. Lynch, Conductor  
College Community Orchestra and Chorus

## Letter

Dear Eagle Eye,

We are writing this letter in relationship to the cancellation of the Gong Show that was supposed to have been sponsored by the Lambda Chi fraternity. We are very disgusted with the lack of interest displayed by the student body here at Lock Haven. Finally, when there is something really exciting planned, the plans fall through because not enough students have the guts or en-

thusiasm to get involved.

A lot of effort was put into the few acts that had entered the contest. We believe this would have been a perfect opportunity to have fun and let out the every day frustration caused by school work.

Maybe Lock Haven would not be such a SUITCASE COLLEGE if more students would show some enthusiasm!

Very disappointed,  
GREASE LIGHTNING

# "Helter Skelter" Author

By DAVE MARTIN

On Wednesday, April 30, a lecture will be given at Lock Haven State by the prosecuting attorney of Charles Manson and author of "Helter Skelter", Mr. Vincent Bugliosi. Be sure not to miss this lecture.

Mr. Bugliosi will be coming from his home in California, and at this point it appears his lecture here will concern Charles Manson and the notorious Manson "Family."

Vincent Bugliosi first attracted the nation's attention when, in 1969, he was chosen as the prosecuting attorney in the famous Tate-LaBianca murder case. At that point in his career Mr. Bugliosi was a Deputy District Attorney in Los Angeles County, California. He boasted a 99 percent conviction rate going into that case. At the trial's end he obtained murder convictions and sentences of life imprisonment for the bizarre Charles Manson and several followers. By putting these people behind bars, Vincent Bugliosi then gave the nation a sigh of relief.

In 1974 Mr. Bugliosi co-authored the book "Helter Skelter"-- his account of the investigation of the savage murders and the trial of Manson and his "Family" members. "Helter Skelter" was to become a best-seller and was later made into a top-rated TV special of the same name.

Mr. Bugliosi is now in private law practice in Beverly Hills.

The lecture here will be presented in Price Auditorium at 8:00 P.M. It is being sponsored by the SCC Cultural Affairs Committee and your activity fee. Watch for more details.

## Buy A Greek

Hey Folks! Now is your chance to hire a Greek- YES A GREEK- to do your work for you. Yes, hire a Greek to do your laundry, spring cleaning, etc. Make it either a strong, handsome fraternity man or an innocent, sweet sorority girl. DON'T pass up this opportunity! Come to Bently on April 12 between 11 and 1 and get a Greek for a reasonable price. Dr. Cox will be the auctioneer. See ya there!

## Weekend Film

The SCC Movie for this weekend is "Shampoo". The movie will be shown in Sloan Theatre on Sunday evening at 7 and 9:30 P.M. All are invited to attend.

Lambda Chi Alpha "Gong Show" schedules for tonight has been cancelled.

Social Committee Roller Skating Party, Monday, April 14 at Magic River Roller Skating Rink. Tickets can be picked up in PUB Secretaries Office. Time: 10:30 - 12:30.

There will be an advisement meeting on Tuesday, April 15 at 1 p.m. in Raub 409. Discussion of requirements, concentrations and courses. Required of all students taking Elementary Professional Semester either fall or spring next year.

NOTICE: ALL ELEMENTARY EDUCATION MAJORS Advisement meeting Tuesday, April 15th at 1pm in Raub 409. Discussion of requirements, concentrations and courses. Required for all students taking Elementary Professional Semester either fall or spring next year.

Lambda Chi Alpha will be holding a Bounce-a-thon, for the Heart Association, April 25th, 26th, 27th, at various locations downtown Lock Haven.

There will be a meeting of the Ad Hoc Orientation Committee on Tuesday, April 15, 1980 at 1:15pm in the Sullivan Board Room. Please try to attend.

Wanted: Apartment for fall semester for 3-4 students with kitchen and close to campus. Any information available, call 893-3638 or 893-3820, ask for Dave or Bob.

# Parsley: More Than A Wrestler

By MARY KELLY

"They don't call him Parsley because he's green, they call him Parsley because he's mean". This is a quote used by his friends in describing the wrestling of Kenny Parsley. This tough 142 pound champ has many responsibilities, for a sophomore. Aside from being a husband and a soon-to-be father, he holds a part-time job with campus maintenance and is involved with ROTC. Over wrestling season, he put in 4 hours a day working out with the teams, running and lifting weights.

His overall record for the 1979-80 season was 20 wins, 5 losses, and 1 tie with 7 pins. He placed 2nd in the Wilkes Open Tournament, won the 142 lb. championship in the Pa. Conference at Mansfield State, and placed 4th in the Eastern Wrestling League.

Parsley comes from a fami-

ly of wrestling. His two brothers swept the West Moreland County Coaches Association tournament, taking firsts in these weight divisions. It was at this tournament when Parsley was thrown out of the gym by the referee for hand slapping the mat. He has also taken this tournament with firsts in both his junior and senior years, in high school. The rest of his family wrestles in the AAU junior olympics. The highly supportive parents of this active family do not push their children into wrestling, but push the idea of "once you start, you don't quit."

His family started him in wrestling. Actually, it was his little brother who "beat him up" when they were both younger. Seventh grade marked the start of his career and by tenth grade he lost his two front teeth by getting "head butted". He has also broken his thumb and claims that this season has given him

bad knees.

The real incentive of his determination comes from the great support of his wife, Jan, who came to all the matches, kept his weight down and gave him an added push. Their marriage is like a love story. They met here at Lock Haven on the first day of the summer term in 1978. Parsley claims that it was love at first sight. His simple statement, "Popeye has his spinach, Samson has his long hair, and I need my Jan" explains the deep significance of his wife's presence when he wrestles. When wrestling in the Pa. Conference Championships, Parsley was a bit worried because Jan was not there yet. Finally during semi-finals, she came. He won that match and took the conference. They often work out together. Their home is warm and clearly built on love. A "baby wrestler" is expected in June.

Parsley's idol, Dr. Ken Cox, last year's coach, has also been supportive. Cox helped Parsley last year when he "red shirted" and gave Parsley support in his decisions of marriage, education, and wrestling. A lot of support also came from Neil Turner and the Downtown Mat Club. "Neil Turner not only gave me techniques on the wrestling mat, but he and the mat club gave me moral support in wrestling and in my marriage. "Friends from home and from school also contributed to the support of Parsley's wrestling.

Parsley at 6 feet and 142 pounds is "skin and bones", but lean and mean. "Now that the season is over, he has gained 23 pounds in 4 days. He often asks himself, "Why the hell am I doing this?" But no one knows the answer to that question. What he does know now is "health and happiness" for the future of his new family.

Disc-Jockey Julie Brennan

Photo By CAROL STRAYER

## L.H.S.C. Student Works As Local D.J.

By K.J. REIMENSNYDER

Julie Brennan, a senior here at Lock Haven, has been an important figure in the eyes of students. Julie works as a disc-jockey for WBPZ radio station in Lock Haven. When asked if being a D.J. has been a life long dream, Julie replied that it hasn't. She began her Journalism/Media major because she was interested in writing for the newspaper. Over the past few years at Lock Haven, Julie has been a writer for women's sports, student government and has been a managing editor the Eagle Eye. She also held an internship on the Lock Haven Express.

However, while Julie was in Indiana last summer, she came across a job at a local radio station and began disc-jockeying and earned her

radio license. When she returned to Lock Haven for school this fall, she applied for a job at WBPZ and was hired. She now works the hours of 9:00-1:00 Saturday mornings and 6:00-12:00 Sunday mornings.

Julie says she owes much of her success to two influential people; Dr. Sandra Hybels and Robert Coltrane who helped her lift her self-confidence. Partly because of this, she was named to the Who's Who In Colleges last year.

Julie has many hobbies including playing summer sports. She also likes to travel and spent four months in England last year as an exchange student.

So listen for Julie Brennan on Saturday and Sunday mornings on WBPZ.

## President's House Used For Storage

By JEFF FLEISHMAN

While taking a walk down Water Street a person can notice old slate sidewalks and weathered rustic houses that are so reminiscent of by-gone days. Nestled in the midsts of these memories lives Dr. Hamblin, President of Lock Haven State College. The big, yellow, brick structure sits proudly along the street surrounded by its hedges. If one follows the path to the back of the house ones eyes will encounter a three story white building. The inhabitants of this premises consist of old forgotten material that has seen more productive days.

If one opened the door to this nest of forgotten artifacts the senses would be surrounded by about 200 old bed springs, old desks, old school records, a few hot water heaters, metal file cabinets, coat racks, electric motors and a conglomeration of other paraphernalia idly sitting there collecting dust as each day passes. This white building is used as a storage space for old school equipment. Dr. Hamblin points out that some serious spring cleaning will be done during the upcoming months to get rid of some of the inhabitants.

In reality this building serves as a large scale cellar or attic for the college. It's a place where old things are stored because no one knows what to do with them. In 1972 when the flood hit Lock Haven, old school records were moved there for temporary storage. Those

records are still there and will be among the group of outgoing boarders. Hamblin says that disposing of this material is just as much trouble as buying new equipment. It must be cleaned out, an inventory must be taken and then it has to be hauled away.

Dr. Hamblin occupies the house in front of the storage area. The house was originally built by a local lumber merchant who constructed this massive structure because of the discount he received on the materials. Hamblin says at times he feels pretty lost in the place but mentions it serves its purpose. For instance it's good for receptions because of its size. He claims he can get 60 people in the place and not know the difference. When asked how many rooms were in the

house Hamblin smiled, shrugged his shoulders and said, "I never got around to counting them."

The next time you're going down Water Street and you

hear loud noises and see a man tangled up in bed springs and file cabinets don't be alarmed, it's just Dr. Hamblin spring cleaning for the college.

# LHSC Boxing Team Makes Strong Show

By JOE LEVA

The L.H.S.C. Boxing team literally shocked the Eastern Sports World, when they placed third in the Eastern Collegiate Boxing Association Championships at Lehigh University, in Bethlehem, Pa.

The Haven's top boxer, Jim McNally, decided West Chester's Mazzola to win the 147 pound title. The team's great performance and McNally's title is in-creditable. By virtue of winning the title, McNally has now qualified for the National Collegiate Boxing Association Championships at the U.S. Air Force Academy in Colorado.

The Bald Eagles also advanced two other boxers to the finals. Daimon Robins, 190, lost a split decision to defending ECBA champ John Young from Lehigh. Robins' strong third round nearly gave him the tournament's biggest upset. Four "wild cards" also will be selected from the runner-ups to compete in the Nationals, and Robins has been nominated by the coaches committee. Robins was very impressive when he scored a second round K.O. over tough Norm Willcox of West Chester in the semi-finals.

Hard-working freshman Kurt McNally Earns All-America Honors; Cox Optimistic

By JOE LEVA

# McNally Earns All-America Honors; Cox Optimistic

By JOE LEVA

Lock Haven State's Jimmy McNally earned "All-America" honors by placing third in the 147 pound class at the National Collegiate Boxing Association (NCBA) Championships at the United States Air Force Academy in Colorado Springs. McNally lost in the semi-finals to the eventual champion, Mike Cusick of Chico (Calif.) state. The classy Philadelphian won the first round, 20-18 on all three judges cards, but a deep cut over his left eye which required two stitches forced him to lose by a Referee Stops Contest. The referee

Santayana, 139, scored an upset in the semi's when he was awarded a split-decision over Mike Panapresso of Temple. However, in the championship, the 1979 National Champ, Steve McNeil, of the University of Pennsylvania, had too much experience and scored a RSC - 3rd round win over Santayana.

Five other Eagle boxers also participated in the 3-day event. John Campbell, 165, earned a quarter-final split decision over Keith Turner, from the University of Toronto, in the quarter finals but lost a RSC in the second round to Steve Alonzo of Lehigh. Alonzo was awarded the "Outstanding Boxer Award." Brian McCaffrey, 132; Rob Revercomb, 156; Bill Lingle, 172; and heavyweight Mike Mollow all lost split decisions in the quarter finals.

# Indoor Track Ends

The LHSC Womens track team closed out their indoor season with a third place finish in the East Stroudsburg Invitational. The Bald Eagles were led by runner Vickie Smith who took a first in the mile and a second in the two mile. Adding balance to the mile and two mile was

would not allow the Bald-Eagle boxers to continue in the second round. The cut was caused by an unintentional butt in the final seconds of the first round according to Dr. Ken Cox. McNally who had won the Eastern Collegiate Boxing Association (ECBA) title last month at Lehigh, was making his first appearance in the nationals since before W.W. II, when the sport was discontinued at the "Haven". The Bald-Eagles made a spectacular comeback in the sport three season under the direction of student coach Gary Rosato and faculty advisor and manager Dr. Ken Cox. All eight boxers who competed in

# More All-Americans For LHSC

Senior Joy Sundberg of Jersey Shore and sophomore Carole Kepler of Bellefonte, Lock Haven State outstanding women swimmers, each gained All-American honors at Meadville at the big National AIAW (Division 3) Swimming and Diving championships held on the campus of Allegheny College.

Sundberg now a six time All-American climaxed her brilliant career with a second place finish in the 50-yard backstroke event and a 4th place in the 100 yard backstroke race. The top 12 finishers in each event are accorded All-American recognition.

The Jersey Shore native had a time of 28.2 in the 50 backstroke won by freshman Mary Gentry of Pomona-Pitzer College of California.

The frosh whiz also won the 100 backstroke and 200

backstroke event at the three-day tourney that had entries from 102 college and universities throughout the nation.

In the 100 backstroke, Sundberg had time of 1:03.0. Behind Gentry were runnerup Trink Trinz, Franklin and Marshall College, and third was Cindy Pomberton, Willamette University.

Kepler copped her All-American honors with a 10th place in 100 backstroke (1:03.6) and a 11th finish in the 200 backstroke (2:12.0). In this event Sundberg was 24th with time of 2:23.25.

Kepler also just missed All-American recognition in 50 backstroke with a 13th place in 29.64.

Lock Haven was 20th in the 200 yard medley relay with Sundberg, Gay Vellekamp, Anne Henry and Carol Duddy, posting time of 1:59.27.

In the 200 yard freestyle relay the Eagles of Coach

Derksen 4th in the high jump and the relay unit in the mile took 4th place. Eagles Nest: Smith participated in the Eastern E.I.A.I.W. Indoor Championships at Harvard University, Mass. and placed 14th out of a field of 28. Her time was 17:31.

Jeri Myers came in 26th in time of 1:46.42. Swimming were Sundberg, Vellekamp, Kepler and Duddy. Leading off Sundberg clocked a 26.1 for 50 yards her best ever.

Henry took 43rd place in

the 400 yard individual medley event with time of 5:17.31.

Coach Myers was pleased with her teams performance in the tough tourney dominated by colleges from California.

# Ice Hockey Falls Short Of Title

By GARY SIEGEL

The Lock Haven State Men's Ice Hockey Club fell one game short of winning the Division B Championship March 15, at the Mechanicsburg Arena. The Bald Eagles lost to the defending champs, the Williamsport Mainliners, by a score of 8-6.

The club jumped off to a big 4-1 lead after the first period, but could not keep the Mainliners from making a come back. In the second period the Mainliners scored five times and the Bald Eagles only twice to knot the score at 6-6. Then the Mainliners tallied twice in the third and final period of play, while the Bald Eagles were held scoreless due to penalty trouble.

Freshman Billy Smith scored three times for a hat-trick. Other goal scorers for

the club were John Greenfield, Kent Hatter, and Tim Pipe.

Goalie Ray Partenheimer had a busy night in the nets as he made a fantastic 32 saves to keep the club in the game. Greenfield finished up as the teams top point producer with 32 points. Next was Smith with 30 and Captain Kelly Parshall added 27 points on the year. Other top scores were Pipe with 20, Co-Captains Russ Noll and Lou Zavaglia each had 15 points, Chip Chamberlain with 12 and Hatter had 8 points.

Despite the loss, the teams defensemen, Dave Raco, Tom Steffee, Mitch Walker, Bruce Conner, Tom Burke, Bob Young and Bill Worth, played strong all year. Since the Club is losing only five players due to graduation, they will try to take the title next season.
