'73-74 SCC Budget Passed At Special Senate Meeting

At a special meeting held on April 10, 1973, the Student Co-operative Council unanimously passed its 1973-1974 operating budget.

It was the feeling of many senators that this particular budget meeting was the calmest in the history of the SCC. Numerous questions were offered, and were satisfactorily answered by treasurer Rich De Bernardo. Rich had this to say after

the proposed budget had been accepted, "I hope that everyone understands the importance of the budget and the work the senate appropriations committee put into preparing it."

Sixty percent of the anticipated SCC income is comprised of student activity fees. A number of state colleges have increased their activity fee, mainly due to increases in operating costs.

LHSC's activity fee has remained at \$30 per semester. The SCC has managed to keep the same program as last year, at about the same

expense. No new programs or events have been scheduled for next year.

LHS Woman's Judicial Board Sets Fines for Dorm Violations

by Susan Hilderman

In March, the Woman's Residence Judicial Board of Lock Haven State College developed a range of fines for use in working with disciplinary situations. These rulings were recently posted in all women's residence halls.

They have set up a list of common violations and assigned fines to these violations. The maximum fine is \$10.00 and the minimum fine is \$2.00. Fines may exceed \$10.00 however, if damages to the residence halls occur. The Hearing Board of each hall can decide what will be the set fine for the violation.

Some of the violations and their fines include: owning or using alcoholic beverages in the residence hall-\$5.00 to \$10.00, Hours-\$2.00 to \$4.00 and keeping pets in the residence halls-\$2.00 to \$4.00.

The purpose in setting up fines is to attain a uniformity between halls in their decisions for charged violations. Also, it was felt that the pre-

vious system of issuing a "campus" to the violator was not enforced and accepted readily.

'Flooding' Is Topic Of Lecture

"Flooding and dams in Pennsylvania" will be the topic presented by Dr. Franklin S. Adams on Thursday April 12, at 7:30 p.m. in Usher Planetarium.

Dr. Adams is a member of the Biology department of the Pennsylvania State University. He has published and presented numerous lectures on social and environmental concerns including "the role of floods on maintaining biologically healthy streams and rivers."

The lecture is sponsored by the Bucktail Watershed Association in cooperation with the Educational Development Center of Biological Science of Lock Haven State.

PSASG Writes to Shapp

EDITORS NOTE: The following was sent to Governor Milton Shapp on behalf of the Pennsylvania State Association of Student Governments. Through it the Representatives of the State Colleges hope to gain a meeting with Shapp concerning the current fiscal situation.

The Honorable Milton Shapp
Governor, Commonwealth of Pa.
Capitol Building
Harrisburg, Pennsylvania 17100
Sir:

An intensive assessment of your proposed budget for State College's has resulted in our complete bewilderment when we take into account your often stated commitment to higher education in the public sector.

If this proposal was designed to simply include rising costs caused by faculty raises, increased enrollment and the ever climbing inflationary spiral the State Colleges could at least maintain their present posture, whether that posture is adequate or not.

This budget, however, if approved will be regressive far beyond its ability to recover in any foreseeable future and will absolutely negate the stated goals of the Office of Education to attract an ever increasing number of students from the lower socio-economic areas.

The 80,000 students in the State Colleges do not believe that your progressive educational goals are reflected in the proposed budget and urgently request an opportunity to discuss the matter with you in a meeting anywhere and at anytime before implementation of this budget.

Our idea concerning the participants at this meeting is that one member of each institution with at least seven of the college presidents and two APSCUF representatives be included. We invite your suggestion if for some reason this make-up is unsuitable.

We look forward to your response and the meeting with great anticipation.

Respectfully,
John DiPippa
Acting President, PSASG

Kappas Busy Hosting, Attending Conferences

On Saturday, March 31, the sisters of Sigma Kappa Sorority hosted a State Day for visiting Pennsylvania Chapters. The day's activities included four workshops for discussion of sorority life on the various campuses represented. The day closed with an enjoyable banquet honoring those sisters present. Miss Bulow, Past Province officer was the guest speaker. The sisters would like to thank Nancy Kehm for the fine job she did in organizing the State Day activities.

The following weekend of April 6-8, nine representatives attended a pre-convention conference in Boston, Mass. The convention was held in preparation for the upcoming centennial celebration in 1974 in New Hampshire. Ideas were exchanged with the sisters of the New England chapters concerning the festivities. Kappas, all over, are proud of their tradition and are making big plans for both local and national celebrations. Those sisters attending the convention were: Kathy Guarino, Gina Boyer, Cheryl Krause, Eileen Reber, Wendy Beavers, Chris Schleiker and Given Whildin, and pledges, Kathy Burd and Marty McCoy.

Monday, April 2, marked elections for the upcoming 1973-74 year. Results were: Cheryl Krause, President;

Debbie Coulton, 1st Vice-President; Bernie DiAngleis, 2nd Vice-President; Mary

Spring Seen at Susque-View

by Barb Weis

Signs of spring and the renowned Easter Bunny visited the Susque-View Nursing Home last night, courtesy of Zeta Tau Alpha and Acacia.

The guests at the party not only included the residents of the home, but also seven orphans from the Children's Home of Lock Haven. The children and elders spent a short time getting acquainted before the real festivities began.

An Easter Egg Hunt initiated a series of games and contests which were the bulk of the evening's entertainment. The activities included an Egg and Spoon Relay, Egg Roll Relay, a holiday ward game, and finally an Easter Bonnet Contest.

Each child was sponsored by five adults who cheered for their contestant throughout the activities. The highlight of the evening, however, was the appearance of the famous Easter Bunny, alias Ed Dennis of Acacia. While this national hero visited the guests, the sisters of ZTA and the Acacia brothers served cookies and punch. The Easter Bunny then distrib-

uted prizes and homemade Easter baskets to all the guests.

A special note of thanks goes to Candy Allen and Paul Gaebe for the time they spent organizing and executing this worthwhile service project.

Tri-Sigmas Initiate Pledges

Tri-Sigma has had quite a busy semester here at LHS.

They are proud to announce the initiation of ten pledges on April 6, 1973 at Camp Rockey Point. New Sisters include: Ruth Anderson, Carol Billotte, Sandy Coleman, Laura Dickison, Patty Graff, Barb Milliken, Pat Moyer, Sue Schultz, Joyce Steinbacher, and Hollis Weth. These new sisters worked hard during their pledge-period of only six weeks. They were busy with brownie and donut sales shoe shining and shirt ironing to take care of their expenses. Alpha Rho says, "Welcome Aboard New Sigmas"!

They have also been busy planning our Annual Dinner Dance which was held March 30 and 31 at the Sheraton in Williamsport. "Shredded Wheat" played for the occasion and a fantastic time was had by all.

Presently, they are looking forward to our Founders Day which is April 20, but will be celebrated April 25 due to Easter vacation. Also on the list of coming events is Greek Olympics, which we are eagerly awaiting.

Eagles Drop Two Netters Shut Out In The Cold

Bloom: 9-0

A powerful Bloomsburg tennis team handed the young Lock Haven State club a 9-0 defeat Monday afternoon on the new Bloomsburg State College courts. The loss to the Huskies put Lock Haven's season record at 1-1.

Commenting after the match, LHS head coach Karl Herrmann said, "Our inexperience against a veteran team really showed up today.

Lycoming: 7-2

by Skip Haley

"I've never been so cold so long in my life," were the words of frostbitten tennis coach Karl Herrmann.

Coach Herrmann was referring to the bitter cold conditions which his young netters played under at Lycoming College Tuesday.

The weather wasn't the only thing that was bitter though as the tough Lycoming team limited the Bald Eagles to one singles victory and one doubles victory, making the first score 7-2.

At the number one spot, Ken Gibson just missed victory. He battled Bruce Sale all the way but fell 5-7, 6-3, and 7-5.

At number two, Bill Levegood handled LHS's Craig Shindler 6-0, 6-4.

Scott Kaercher came through for the Haven at the number three position. Scott defeated Terry Murphy, 6-4, 5-7, and 6-3.

Lycoming came right back, however, at the number four spot when Dave Spotts beat a stubborn Tom Bowen, 6-4, 4-6, 6-1.

Gregg Bussy of Lycoming playing number five beat Bill Lentz, 6-1, 6-3, and at number six, first year netter Chip Snare was beaten by Larry Hamm, 6-4, 7-5.

In the doubles, the LHS combination of Gibson and Shindler fell foe to the

Sluggers Open 1973 Season; Split Two With Millersville

by Ray Oberheim

The Bald Eagle baseball team opened its 1973 season, Tuesday, by splitting a doubleheader at Millersville. The Eagles dropped the 1st game, 6-1, although allowing only 1 hit, then rebounded to take the nightcap, 6-1, behind the 2-hit pitching of sophomore Brian Winters.

Both games were played under unbearably cold and wintry conditions, with the performances of both squads greatly inhibited. Each team sought warm shelter between games, before once again daring the elements in the 2nd game, which was eventually called after 5 innings because of snow and darkness.

Game 1 saw the Eagles drop a 1-hitter, due mainly to their own miscues, in the form of errors and walks. Starter Jeff Yentsch left after 4 1/3 hitless innings, having been hurt by his own 7 walks and 3 defensive errors. The Marauders only hit came on 2nd baseman Larry Jones' 6th inning bloop triple to center.

Going against a 5-0 Millersville club whose starting pitcher tossed a no-hitter his last time out, the Eagles were unquestionably tight that 1st game. The Marauders had previously

beaten Wilmington, 18-2 and 15-0, and Lincoln, 5-1 and 5-0. With that experience to get the mistakes out of their system, Millersville did not make the costly opening-game miscues which hurt the Eagles.

The 1st game was scoreless until the Millersville 3rd when, with 1 out and runners on 1st and 2nd (courtesy of walks), a double play ball was thrown away. This resulted in the scoring of one run and putting men on 1st and 3rd. The next man then hit into a force play making the 2nd run of the inning for the Marauders.

Three more runs came across for Millersville in the 5th, again without the aid of a hit. Pitcher Yentsch bobbled a swinging bunt, enabling the leadoff man to

The wheelchair basketball game was a big success. LHS hosted the Easter Seal Paranauts. The Vets Club would like to thank all those of Lock Haven who supported the event.

reach 1st. Then after walking the next two men to load the bases, he was replaced by reliever Bob Lacotta. Lacotta fared no better. He walked two and was victimized by an infield error, thus allowing all three men to score, before retiring to the side.

The final Millersville run came as a result of their lone hit of the game. Larry Jones triped in the 6th. as

The sisters wish all of the new officers the best of luck for the upcoming year. Thanks to Past-President, Kathy Guarino and the out-going executive board for a fine job this past year!

Sigma Kappa acquired four new pledges as a result of the Spring Rush: Marty McCoy, President; Dee Toro, Secretary-Activities Chairman; Kathy Burd-Treasurer; and Cindy Tyson-Song Leader.

Upcoming events include Sigma Kappa Weekend, to be held April 27-28 at Toft Trees Country Club in Penn State. Friday night, the sisters and their dates will attend an informal dance at Rocky Point. Saturday night will mark the formal dinner-dance. Also the agenda are the Initiation Banquet and Senior Send-Off activities to be held sometime following Easter Vacation.

Congratulations go to sisters Kathy Speith on her engagement to Rick Bedford, Tau Delta Phi, Penn State; and to Mary Pat Bartholomew engaged to Art Dion, Lock Haven. Wayne Bacon, trying for a shoe-string catch in center, kicked his sinking fly ball into right field. The speedy Jones raced all the way to 3rd and eventually scored on a wild pitch.

Lock Haven's lone run came in the 4th. Skip Wolfe got on with an infield hit and went to 2nd when Ray Oberheim was hit by a pitch. He then raced to 3rd on an errant pick-off attempt at first, and scored on Tom Matisak's sacrifice fly.

In the 2nd game, the Eagles quickly jumped-out to a 2-run lead in the first, and were never headed. Shortstop Weibly got the only two hits off Eagle pitcher Brian Winters, while Tom Matisak and Ray Oberheim rapped-out two each for Lock Haven. The Eagle's 8 hits in the 2nd game gave them 12 on the day, while Millersville's 2 gave them 3.

The Eagles got off and winging when in the 1st, Skip Wolfe, Ray Oberheim, and Mike Crone all singled. Wolfe scored from 2nd on Crone's hit, and Oberheim scored all the way from 1st
