Spring Weekend festivities draw near

By GEORGE MORRISON
Staff Reporter

This year's Spring Weekend, starting on Thursday evening April 17th and running until Sunday April 20th, features movies, concerts, ballet, and sports activities in the weekend festivities.

Starting on Thursday evening at 8 p.m. the Acme Dance Company will present "Apollo" in Thomas Field House. This event is being sponsored by the Cultural Affairs Committee.

On Friday the Bald Eagle Baseball team will play Kings College in a double-header at Woolrich Field at 1:00 p.m. The Mens' Tennis Team will also be home in action against Kings College at 3:00 p.m.

At 8:00 Friday evening a rock concert sponsored by the SCC Social Committee will be held at Thomas Field House. Appearing will be Rare Earth, Jon Pousette Dart String Band, and Breezewood Arc. Student admission is \$2.50 in advance and \$3.00 at the door. Following the concert at 11 p.m. the movie *American Graffiti*, also sponsored by the SCC Social Committee, will be shown in Price Auditorium.

In addition to pre-registration for next fall's classes there will also be some less tedious activities occurring on campus Saturday. An Easter Seals carnival will be held in Bentley Hall Lounge at 2 p.m. At 1 p.m. the Lock Haven Baseball Team will meet York College, while the Track Team takes on Millersville at 2 p.m. The Haven Lacrosse Team plays Ithaca at 2:30 p.m. The second showing of *American Graffiti* will be shown Saturday evening at 8:00. To

wrap up Saturday's activities Lambda Chi Alpha will sponsor a dance at Bentley Hall Lounge which will be held from 10 p.m. to 1 a.m.

Sunday's festivities feature an evening outdoor music festival held at the

North Hall circle from 10 p.m. until 1 p.m. with the groups Zap and Eden. This concert is sponsored by the Social Committee in conjunction with the Residence Hall Association. Sunday after-

noon at 1 p.m. a picnic will be held on the PUB lawn. The annual canoe race at Hanna Park will take place at 2:30. On the Tuesday following Spring Weekend, the production *Passing Through* begins its run.

SPRING WEEKEND HEADLINER—Shown above is the rock group 'RARE EARTH' who will be appearing in Thomas Field House Friday evening at 8 p.m. Along with them will be 'BREEZEWOOD ARC' whose drummer is a former student of

Lock Haven State. The highlight of the evening may be the second group on the bill--The John Pousette Dart String Band --the group has appeared on this campus previously with Livinastin Taylor and the 'EAGLES.'

Dows slams Shapp's budget proposal

The Executive Secretary of the Commonwealth Association of Students (CAS), J. Douglas Dows, termed the Governor's budget for higher education "a total lack of commitment to public higher education in this state".

"A budget of this nature will not only cripple the schools and their programs beyond repair, but will force many citizens to forego a college education for financial reasons", Dows continued.

The president of the Association, Penny Jacobs (West Chester), claimed the insufficient appropriation requested by the Governor will necessitate a \$300.00 tuition increase. "That's pretty far from the 'no tuition' we were hearing a few years ago" Jacobs stated.

The Governor's budget calls for \$187 million for a fifteen month fiscal year. That figure computed to a 12 month budget year is only \$149.6

million, \$20 million short of the \$169 million requested by the Department of Education.

The state colleges are presently faced with a \$12.6 million deficit this year. "Unless we get the entire supplemental appropriation, some of the deficiency may be rolled over to next years budget", Dows predicted.

The estimated roll-over deficiency at this point is \$5 million, which would be taken off the top of next years

Cancer Crusade underway

"We're bringing you some information on cancer," Sounds like an educational tip, right? It is. A tip which, when Clinton County residents hear it, will most often be followed by a question: "Will you contribute to the American Cancer Society?"

"We're trying to make it more of an educational Crusade," explains Francis R. Smith, executive director of Clinton County's unit of the ACS. April is national Cancer Crusade month, kicked off in the southern part of the county last week by a door-to-door fund-raising campaign. Smith added that the residential crusade, led by some 400 local volunteers, will be replete with pamphlets listing the seven warning signs of cancer plus recent reports on cancer research. "We want to educate people about cancer as well as raise money," she emphasized.

The Crusade, led off in Renovo by a tureen supper last week, follows closely on the heels of the ACS Daffodil Days. Daffodil sales in Clinton County accrues \$4,868, or nearly one-fifth of this year's county goal of \$23,500.

This year's goal for the local unit of the American Cancer Society is the same as 1974's, noted Smith, because of economic belt-tightening around the country and because last year's goal was not achieved.

The Crusade officially lasts until the end of August, and will include walk-a-thons and special events.

The American Cancer Society, headed locally by Chairman John Piper, executive director Smith and Renovo co-ordinator James Hedgeland, is a voluntary organization dedicated to the control and eradication of cancer. Pennsylvania's ACS hopes to raise \$3.5 million for control and research this year. This state recorded 23,500 deaths last year due to cancer, ironically the same figure as the number of dollars in the 1975 fund-raising goal of Clinton County's ACS.

Contributions may be sent to the American Cancer Society Clinton County Unit, 72 E. Church St., Lock Haven, Pa.

Academy Award winning "Tom Jones" shown tonight

By LARRY SCHMIDT
Assoc. News Editor

"One of the wildest, bawdiest, and funniest comedies that a refreshingly agile film maker has ever brought to the screen" will be presented when Tony Richardson's *Tom Jones* is shown in Ulmer Planetarium tonight at 8:00. The film brings to LHS the humor of Henry Fielding's classic novel, presented with the film techniques of director-producer Tony Richardson.

Basically *Tom Jones*

involves the story of a young man in the 18th century England, as the film satirizes English morality and literature. *New York Times* reviewer Bosley Crowther describes the film as a "20th century means of characterizing 18th century manners and morals."

When *Tom Jones* was released in 1963, it drew nearly as much attention for its filming techniques as for its plot composition. Director Tony Richardson's use of fast action, frequent cutting with across the screen wipes, stop action split second freezes, and

trises to frame a character's face combined to cause Crowthers to credit the film as much for its "cinematic gusto" as for its material. Director Richardson even has his characters occasionally turn aside and address the movie audience.

Tom Jones was named one of the ten best movies of 1963 by the *New York* film critics. Additionally it won an Oscar award for its musical score, as well as one for best picture of the year. Its stars are Hugh Griffith, Susannah York, and Albert Finney as Tom Jones.

Little building-big responsibility Computer Center handles many jobs

By PHILIP BURLINGAME
Contributing Editor

The Computer Center, which is located near the Thomas Field House entrance, has been responsible for data processing on this campus since 1966 but most students are not aware of the extent of the center's functions. Aside from printing schedules and sending out the all too familiar grade reports, the Computer Center handles a wide variety of vital academic and administrative tasks.

A file of academic information on all students is maintained to assist the financial aids department and to decide who goes on probation and who makes the Dean's list. The computer also prepares the mid-semester grade reports for those students who spend most of their time fulfilling "social obligations" and it scores some of the tests that students have trouble with.

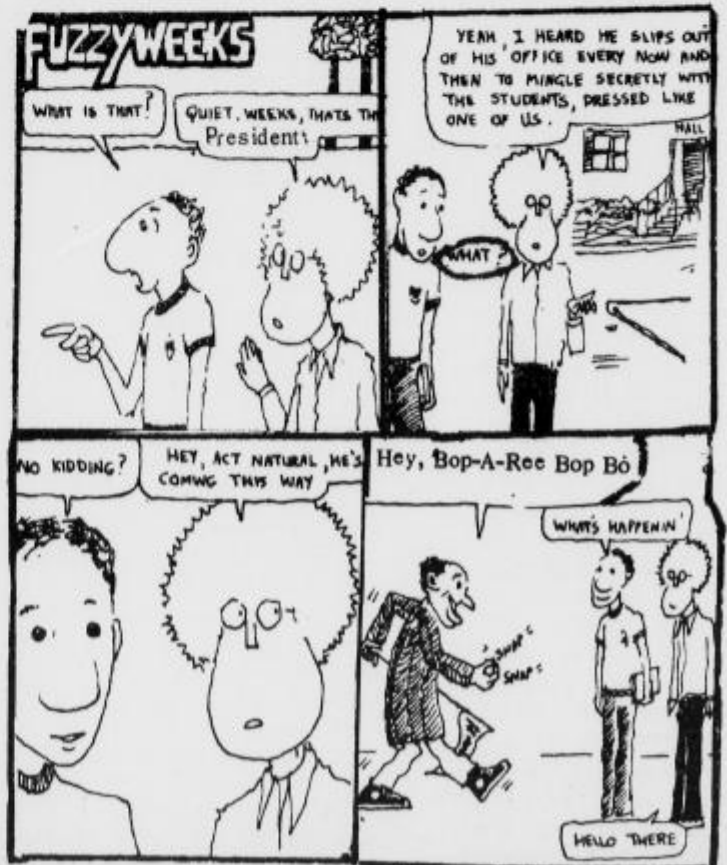

In addition, L.H.S.C.'s computer science program is supported by the Computer Center, the Keystone Central School District has direct access to the computer via terminals, and the local Intermediate Unit utilizes the computer for scheduling, attendance record filing and

grade reporting.

Dormitory housing, business office reports, admissions office information, alumni records, the student payroll and numerous reports for the Deans, department chairmen and faculty members also fall into the forever expanding realm of the computer's responsibility.

The staff of the Computer Center consists of seven full time employees and four part-time work-study students. Excluding the cost of wages for these employees the center is operated at an average cost of \$9,000 per month and is the smallest of all the State

Eagles sweep doubleheader

By MIKE CRONE
Staff Reporter

The diamondmen of Coach Tod Eberle crushed the Huskies of Bloomsburg in a doubleheader on Monday, 19 to 3 and 10-6 in eight innings. This marks the first time since 1973 that the Eagles have swept a doubleheader.

It was definitely a hitters day for the Eagles, as they pounded out no less than 30 hits off Bloomsburg pitching. Four of the hits were home runs, as Lock Haven unleashed an awesome offensive attack.

Converted third baseman Galen Miller pitched the first game for LHS and was the beneficiary of his team's 19 runs. Lock Haven got off to a good start with eight runs in the first inning, three of them coming on a bases loaded

triple by freshman Joe Tarconish. The merry-go-round continued throughout the game as Lock Haven continued to pile up runs. Coach Tod Eberle was able to substitute freely in the first contest, with back up players finishing the last three innings of the game.

Game two was a different story. The Bald Eagles had to go eight innings before defeating a more determined Bloomsburg squad 10-6. Forced to play catch up ball in game two, the Eagles went to the long ball. First baseman Steve Delisle started the ball rolling for the "Haven 9" with a three run homer in the first inning. However, Bloom came up with three runs in the first and three more in the next two innings to take a 6-3 lead.

That's how it stood until the top of the fifth. With one on and one out, shortstop Mike Crone drilled a two run homer to left-center, making the score 6-5. Catcher Jeff Kashner, who was 6 for 7 on the day, stroked a home run in the sixth inning to make the score 6 all. The teams remained scoreless until the 8th, when LHS exploded for four big runs. The first run came on a tremendous home run to left by Delisle, who had five hits on the day. The other three came on a group of singles and walks.

The winning pitcher in the game was Bob Weber, who came into the game when it was tied. Weber relieved Wayne Sowers, who had relieved starter Brian Winters.

Off the Bat

Catcher Jeff Kashner had an outstanding day at the plate, with three singles, a double, a triple, and a home run. First baseman Steve Delisle also continued to tear the cover off the ball, as he counted two homers among his five hits.

Ed "Show Em the Barrel" Stum continued his torrid

hitting, going 3 for 4 in the first game.

Freshman Russ Martin had his finest day as a Bald Eagle, coming up with one hit in the first game and three in the second.

One streak has been continued...The Lock Haven defense has come up with thirteen double plays in twelve games; they hope to continue to perform at at least a 1 double play per game clip.

The Eagles will host Slippery Rock at 1:00 on Wednesday.

Team handball clinic set for May

A team handball clinic will be held on the first weekend in May. The clinic will take place at Zimmerli on Friday and Saturday evening at 7 p.m. On Sunday it will move to Thomas Field House for 8:00 p.m. and 2 p.m. sessions.

The President of the U.S. Handball team and the coach are coming from New Jersey to handle the clinic.

An important meeting concerning Special Olympics will be held in Himes 111 on April 16, 1975 at 7:00. All individuals interested in helping out with the Local Special Olympics meet on April 19th must attend.

Handball is an exciting sport that's gaining popularity in the U.S. The president said the first clinic, held early this semester, was a success and that another one will add to that success. He said many Lock Haven students can do well in handball if they fulfill their talents. This is a preview to further competition at Ohio State University on Memorial Day Weekend.

Attention: Receiving awaits your call. There will be a meeting for all staff members and any interested persons today at 5:30. For information call ext. 476.

Netmen win 7-6 thriller

By JOHN JAROCKI
Staff Reporter

"This is definitely the best team we've played so far this year," is the way Coach Karl Herrmann described the Juniata Tennis Team. When asked to comment on the L.H.S. Mens performance Coach Herrmann said, "That was some of the best tennis I've seen, everyone played well."

Ken Gibson of L.H.S. lost his first match of the season to Ford of Juniata 6-7, 4-6, while freshman Tag Helt of LHS also lost to Hell of Juniata 1-6, 6-1, 2-6. John Hubert got Lock Haven on the board with a 7-5, 6-1, win over Vanderheyde of Juniata. Craig Shindler evened up the score with a 7-5, 6-4 win over Rice of Juniata. Juniata's Landis defeated Lenny Long of LHS, 6-2, 6-3. While Rich Morrel of LH continued his unbeaten string with a 6-1, 6-4 trouncing of Juniata's Van Harlogh. In an exhibition match, Scott Bishops of LHS edged Patterson of Juniata 12-10.

With the score knotted 3-3, the LHS doubles combination of Gibson and Helt squeezed by Vanderheyde and Hell 7-6, 7-5. Meanwhile, Juniata's Ford and Patterson evened it at 4 apiece with a 6-1, 7-5 victory over Hubert and Shindler.

In the final match of the

Career seminar planned for next week

All interested students (freshmen, sophomores, juniors, seniors) regardless of major are invited to attend the Social, Human, and Public Service Career Seminar on Tuesday evening, April 22, 1975 in Bentley Hall Lounge at 7:00 p.m.

The purpose of this career seminar is to discuss various job/career opportunities in the areas of social and human services including but not limited to social work, rehabilitation, recrea-

tion, physical education, police agent, probation, correction, Boy Scouts, Girl Scouts, YMCA, YWCA, counseling, mental health, administration, aged, youth, etc.

The panel members who have all volunteered their time include: Mr. Ronald Aitken, Training Director, Rockview State Correctional Institution; Mr. Richard Allen, Acting Director, Governor's Justice Committee; Mr. Charles Crawford, Juvenile Court Judges Commission; Mr. Michael Foust, Director,

YMCA; Mr. Richard G. Hanna, Supervisor of General Supervision, Pa. Board of Probation and Parole; Mr. Timothy Mahoney, Work Release Coordinator, Lycoming County Work Release Program; Mrs. Thelma Winters, Supervisor, Presbyterian Home; Mrs. Bath Williams, Coordinator Selinsgrove Community Service Center, Pa. Department of Public Welfare.

This program is being sponsored by the Department of Sociology, Anthropology, and Social Work and the Placement Office.

computer center

cont. from page 2

College operated computer centers in Pennsylvania. The facility at Kutztown is the next smallest with a staff of 13 full time employees.

The seven employees here at Lock Haven include a programmer III, a systems programmer, day and evening operators, a data analyst, a unit record equipment operator, and the center director Mr. George Zakem.

The work-study students are computer science majors engaged in either programming, keypunching or clerical work depending on their experience.

Red Cross needs blood

The Clinton County Red Cross will be on campus this Thursday, April 17, from 11 a.m. to 5 p.m. at Woolridge Hall Lounge in order to collect much needed blood to fill its bloodbanks.

Last semester's collection was 220 pints and it is

hoped this semester will be an even better success. The Red Cross will be glad to take any samples you may wish to contribute. There is a special request for six pints of O negative blood.

The Bloodmobile is being sponsored by Alpha Phi Omega and the Dames.

dows slams

cont. from page 1
\$149 million dollar appropriation.

Dows stated that if the entire \$25 million dollar deficiency were to be made up in tuition increases, tuition would be raised at least \$300 per student.

The State Board of Education has already recommended a \$50,000 increase to generate an additional \$4 million. If passed, the Governors budget would require an increase six times that recommended by the State Board.

netmen win

cont. from page 3

day, Long and Bishop of LHS defeated Juniata's Rice and Landis in the first set 6-4, and with sets even, a tie breaker was forced with Lock Haven winning a 7-6 thriller.

LHS musicians preparing

Pres. Concert

The Bald Eagle Symphonic Band and the LHS Jazz Ensemble are preparing for the annual President's Concert scheduled for 3:00 p.m. on Sunday, May 11 in front of the Price auditorium.

Auditions for Lycoming and Clinton county students interested in playing solos at the concert were held on March 2nd and 3rd. Pam Stakel, a junior at Montoursville (flute), Audrey Greene, a senior at Williamsport (alto sax), and Bruce Benson, a senior at Williamsport (tuba) are the three auditioning students who were selected to perform along with accompaniment of the band during the President's Concert. All three of the students participated in the Northern Central District Band Festival held in Loyalsock Township earlier this year.

Dr. Francis Hamblin will present a commemorative plaque to each of the soloists and they will be eligible for an instrumental music scholarship providing they attend LHS and participate in a performing instrumental ensemble.
