## Jazz festival at LHU; soloists featured

Jim Morrissey  
Staff Reporter

This Sunday, April 23, the LHU annual "Sounds of Jazz" Festival will feature the sounds of five high school bands and the LHU Jazz/Rock Ensemble.

The event is sponsored by the Kappa Kappa Psi honorary band fraternity in conjunction with the LHU music department, said Glen Hosterman, assistant professor of music.

The activities will begin at 2 p.m. with clinicians giving hands-on instruction to each of the high school ensembles. At 7 p.m., there will be a concert in Sloan Theater featuring the five high school bands, said Scott Kincaid, chairman of the

festival and member of Kappa Psi.

Two are from Williamsport and the others are from Lock Haven, Sugar Valley, and State College, said Kincaid.

After the five bands have been judged on their individual merits, using a non-comparative judging framework, awards for best soloists will be given out, said Kincaid.

According to Kincaid, all schools will receive a participation award. LHU's Jazz/Rock ensemble will then perform, under the direction of Hosterman.

Kincaid said admission for the entire festival will be a donation from the general public and students.

This year's adjudicators (judges who also offer constructive criticism) are Rob Stoneback, Dan Yoder, and Lou Feist,

said Kincaid.

Stoneback is a trombonist and leader of the Rob Stoneback Big Band, a Lehigh Valley area based jazz group. In the mid-1970's, Stoneback toured with the world-renowned Tommy Dorsey Band.

Yoder is Director of Jazz Studies at Penn State University. Yoder, a saxophonist, was the director of the University of Iowa's Jazz Band from 1977 to 1985.

Feist is an honorary member of Kappa Psi and an area resident who has taught applied percussion locally.

Both Stoneback and Yoder will appear in concert with the LHU Jazz/Rock Ensemble as guest soloists. They will also be involved with the Festival as clinicians who will work with the high school bands earlier in the day.

Scott Kincaid and Professor  
Glen Hosterman, l to r.

"They will be trying to help the bands understand what the original composers and arrangers of their songs are trying to get across," said Kincaid.

## Students against drunk driving chapter at LHU; students sign 'contract for life'

Recently, many students of Lock Haven University signed a "Contract For Life" with their friends.

The signing of the contracts was the first step in the formation of the LHU Students Against Driving Drunk (SADD) Chapter, said Mike DeCinti, partial founder of the LHU SADD chapter.

Students Against Driving Drunk is an organization to inform people that drunk driving is one of the nation's most serious health and safety problems among college students, said DeCinti.

The SADD program raises drug and alcohol awareness and demonstrates that the students desire to address this issue in a positive and responsible way.

According to DeCinti, it also provides a unique opportunity for college students and college administrators to work together to eliminate drinking related fatalities.

The program tries to help eliminate the number of alcohol-related deaths, injuries, and arrests in the college community.

It tries to accomplish these goals by encouraging responsible behavior on the part of college students by not mixing drugs or alcohol with driving, said DeCinti.

Membership into the LHU SADD chapter is open to all students and faculty members from LHU who have interest in helping to administer the goals of the SADD program, said DeCinti.

Meetings are also open to all students, faculty, and administrators.

The next SADD meeting is Wednesday, April 26th in the Commuter Lounge in the PUB at 7 p.m.

For more information, or if you have any ideas or questions about SADD, please contact Carol Latronica, assistant dean of students at 893-2318.

## Cost of meal plans up 26 percent

By Cortney Schaefer  
Staff Reporter

The cost of meal plans for the summer session of 1989 increased 26 percent, according to the annual consumer price index.

The monetary increase is constant throughout the year, reviewed and reactivated annually by June 1. The percent rose due to the cost of living.

The increase affected each meal plan

accordingly: the 19 meal plan increased from \$445.50 to \$462.50, the 12 meal plan increased from \$310.00 to \$322.00, the five meal plan increased from \$255.00 to \$265.00.

Tim Susick, associate dean of students, would like to "change the focus" of food service in 1990 with the help of the student government.

Susick plans to implement the food service into the redesigned Parson's Union Building. Also, possible plans include residence hall catering, said Susick.

### LHU SPRING WEEK 1989

April 17 to 21

- Monday - Air Bands Competition, Sloan Auditorium, 8 p.m.
- Tuesday - Volleyball, basketball tournament in Zimmerli Gym 2 and 3, 7 to 10 p.m.
- Wednesday - Human Checkers, Bentley, 3 to 11 p.m.
- Thursday - Club Haven, lower level of PUB, 9 p.m.
- Friday - Semi-formal, Holiday Inn Lamar, 7p.m.
- Saturday - Residence Hall Olympics, campus-wide, noon; Rollerskating party, later in evening

# Letters to the Editor:

Dear Editor:

I wish to present some ideas about the PUB expansion that unfortunately Miss Walton overlooked in her recent letter. Had anyone, including herself, attended the recent forum on the PUB expansion, many of the questions that were in her letter were addressed.

We have nothing to do with the renovation of Price Auditorium. Perhaps it is lack of funds or slow workers but that has nothing to do with the expansion. With the efficiency of the architects, we have hired, and hopefully no delays in passing the referendum or approvals, we should be seeing the bulldozers making their mark by Fall, 1989. Approximately ten months after, the new extension will be open while the old building is gutted and rebuilt. In the months following the entire building will be renovated.

Next, nothing can stop the rising cost of tuition in Pennsylvania. Since LHU is state-owned, we depend on money from the government to run our facility. As years go on, it seems we get less in funds. Therefore, tuition is increased. The expansion is not funded by the government. Therefore, we need to raise the money ourselves to support it. The SCC does not receive any money from this at all. The funds are received by the University to pay off a bond. The total cost of the project is \$3.5 million. Thus, your community center fee, which is \$10 per semester, would be raised to approximately \$50. This price is even lower than some of the other state universities' fees, which runs up to \$70 per semester. Those who are juniors and seniors now needed not worry about the payments since they will start in September 1990.

A banquet hall, multipurpose room, is probably one of the most needed aspects on the campus. Not only will dinners be held here, but also dances. Bentley and the coffeehouse just cannot hold the massive amounts of students attending Club Haven, etc. When the PUB was built in 1967, it was sufficient for 500 students. Now, we have over 3000. Not only the ballroom, but also a new bookstore that will be twice the size, an enlarge recreation room, commuter lounge, more offices and meeting rooms, and it will basically be more efficient in general. If anyone has been to the PUB recently, they will know that the PUB is in desperate need of the expansion.

With the expansion, there will no doubt be an increase in the need for people to work there. Since the facility will double in size, there will be an increase in jobs to help it run smoothly.

All in all, the expansion of the PUB is very much needed and it will be up to the students to pass the referendum. The efficiency of activity planning will be created with the larger facility. The new PUB will better the University and create a home-like atmosphere for both the students on and off campus. I urge everyone, including juniors and seniors, to vote yes on the PUB expansion.

**Jaime Hittinger  
PUB Expansion Committee**

The EAGLE EYE is the official student newspaper of Lock Haven University. It is published bi-weekly in accordance with the University calendar. The articles, opinions, pictures and layout of the EAGLE EYE are the responsibility of the editorial staff and do not necessarily represent the views of the students, faculty or administration of Lock Haven University unless specifically stated. Letters to the editor must be submitted to the EAGLE EYE by noon the day before publication. All letters should be typed, no longer than 200 words, and should include the writer's signature and phone number. The editorial staff reserves the right to edit the copy for libel, taste, style, and length. EAGLE EYE meetings are held at 1 p.m. Tuesdays and Thursdays in the lower level of the Parsons Union Building. New members and free-lancers are welcome. The EAGLE EYE is funded by the student activity fee.

Dear Editor:

We would like to respond to the comments made in the letter to the editor printed in the April 14, 1989 issue of the *Eagle Eye*. Ms. Walton has expressed some concerns which we, as representatives of the S.C.C., feel need addressed to better inform the students about the proposed PUB Expansion project.

1) No one can see into the future as to exactly how long the expansion construction will take to complete. We can only rely on the expert information of the architects doing the feasibility study. They have indicated that the project should take no longer than one year to complete.

2) Ms. Walton seems to be under the mistaken conception that the money to accomplish the expansion is sitting down in the business office of the S.C.C. If she had taken the time to check on the content of the proposed referendum, she would have discovered that the issue the students will be voting on will be to raise their community center fee to pay for the expansion. These funds will be used to pay back a bond issue that will pay for the expansion. Also, these funds will be under the control of the University administration. The students will not have access to these funds.

3) "Do we really need a banquet hall?" Just ask the members of the Black Cultural Society, RHA, International Student Association, or any Greek Organizations who have all had or are planning functions that cannot take place on campus because no facility exists big enough or NICE enough to accommodate them. One of the biggest problems with these various functions is transportation to these events for students with no cars. As to the catering costs, regardless of where the event is located there will be catering costs. This banquet hall will be available free of charge to student organizations so catering costs are the ONLY costs for the location to be considered. This room will also be available for the athletic department banquets for their various teams.

Also this "Banquet Hall" is a multipurpose room. There can be many other uses for this area as well. There will be a projection booth to show movies for large crowds. It will be available for dances, "Club Haven", and other social events.

4) Again, this money is not sitting here with no use. It is not the students' responsibility to provide campus employment for the University. Do you as students want to pay an additional \$40.00 to \$50.00 per semester to provide more campus employment? We don't. We think the PUB expansion is more beneficial for the students overall. Indirectly it may bring in more employment opportunities as the Recreation Room will be expanded and may need more personnel. Also the Bookstore will be expanded with more merchandise available. This will mean more employment opportunities.

5) We agree with this suggestion however this is difficult to accomplish. Many professors would like to use the same text book for a period of years but the publishers put out new editions too frequently for this to be practical. When a new edition is published the old edition is no longer available for purchase. Book buy-back is an issue we have been considering.

In conclusion, we would also like to encourage everyone on this campus to vote FOR the PUB expansion. Improved activities are important to the social life on campus. A new and improved student union building will aid both on campus and off campus students. If the students 24 - 25 years ago did not feel that the student union building was important there would be no union building at all. In fact, to quote a professor on campus, "If we're not willing to pay for new buildings we would all still be teaching and learning in caves".

**Bruce Walker, Jr., S.C.C. Treasurer  
Paul Knappenberger, S.C.C. PUB Administrator  
James Pflugh, S.C.C. Parliamentarian  
Troy Weaver, S.C.C. President**

Dear Editor:

In response to the letter to the editor April 14, 1989, by Ellen Walton.

Fortunately over twenty years ago, the students of Lock Haven State College had the foresight to pass a referendum to build the Parsons Student Union. Hopefully the students today at Lock Haven University will have the foresight to ensure adequate facilities for the future generation students by passing the upcoming referendum.

Ellen Walton and I had a delightful debate last Friday while sitting in the inadequate commuter lounge. While we did not agree on all points, we both agree the existing student union needs some remodeling and expanding. No one likes to pay more fees, but we cannot expect some one else to carry on our load for us. The students at Lock Haven University have paid only a minimal amount since 1982 for the upkeep of the student union. (\$2.50 per semester for six years until this year when it was raised to \$10.00 per semester.) I would say you have had a very inexpensive use of the Parsons Student Union for the past seven years.

I hope you will get out and vote on April 20-21-24-25.

**Respectfully,  
Leland Spangler,  
Administrator SCC**

## LHU softball wins Cortland Tournament, then splits two with St. Francis

By Merritt La Porta  
Sports Reporter

It was a busy weekend for the Lady Eagle softball team with six games spanning three days, including a tournament up in Cortland, NY in which they finished first.

Game one of the tournament saw the Lady Eagles face off against Cortland State and come away with the 3-2 victory.

Sandy Hess got the win, giving up seven hits while striking out eight.

The three runs LHU scored came with two outs in the second and third innings.

Amie Zimmerman started the two out rally in the second with a single, and was brought home when junior Sue Weller smacked an RBI double.

Weller scored moments later when Jennifer Huntzinger singled her home for an early 2-0 LHU lead.

The Lady Eagles added what turned out to be the winning run in the third inning.

Following back-to-back singles by Kathy Wambold and Jana Zimmerman, Karen Brown stepped to the plate and drove Wambold in with a single.

The Lady Eagles rapped out eight hits en route to the victory.

Messiah College was the Lady Eagles' opponent in game two, and they too went home defeated by LHU.

It was all over in the first inning. Lori DiVecchio started it off with a single, then stole second and then advanced to third on a wild pitch.

She later scored on another wild pitch and LHU had the quick 1-0 lead.

After Karen Brown reached on a fielders choice in which Wambold was thrown out at the plate, Amie Zimmerman stepped up and lashed a double which scored Jana Zimmerman.

The next batter was Hess and she promptly drove in two more runs with a single.

Before it was over three more Lady Eagle runs had crossed the plate for the 7-0 lead.

Jana Zimmerman and Ivy Dashkin held Messiah to just three hits while allowing no runs.

In game three Albany State tried its luck at beating the Lady Eagles, but they too fell short, 7-1.

The Lady Eagles' bats stayed hot for this game as they rapped out nine hits with DiVecchio going 3 for 4 with two singles and a double while driving in three.

Dashkin got the victory, allowing only five hits and striking out three.

In the championship game, LHU squared off again with Messiah and the result was the same. LHU walked away with the tournament title with a 5-0 victory.

Hess pitched a one-hitter in the championship game and fanned three.

The highlight of the game came in the third inning when Kathy Wambold crushed a two-run home run, her first of the season.

After returning from the tournament on Saturday, the Lady Eagles played host to

Photo by Terry Day

Lady Eagle Lisa Kostantiewicz (9) makes the put out of a St. Francis runner.

the St. Francis Red Flash on Sunday afternoon.

Hess was on the mound again for game one and she finished with eleven strikeouts.

LHU got on the board in the second inning when Amie Zimmerman walked and Ann Sabatini singled to right field. An error by the right fielder allowed Zimmerman to score from first and LHU had the quick 1-0 lead.

LHU's second run came in the sixth inning when Zimmerman nailed a triple and was brought in by Karen Brown's ground out.

St. Francis tied the score at two all and that's where it remained until the eighth inning.

Jana Zimmerman came on in relief for

Hess, but offered up a home run to St. Francis' Lexie Chamberlain to give the Flash the 3-2 victory.

Whereas game one was close until the end, game two was a blowout.

LHU smacked 14 hits and scored fifteen runs for a 15-1 thrashing of the Flash.

The game was highlighted by a nine run sixth inning. Kim Kastle had two RBI singles in the inning and Dashkin had an RBI single and a double in the sixth to pace the offensive attack.

Jana Zimmerman went the distance on the mound striking out eight, walking two and giving up three hits.

The Lady Eagles are now 19-7 overall and travel to Indiana University Tuesday afternoon.

## Lacrosse gets first victory of 1989 by downing East Stroudsburg, 5-4

Photo by Terry Day

LHU's Stephanie Perry duels with an East Stroudsburg player as LHU wins 5-4.

By Lisa Newmiller  
Sports Reporter

The dreary Saturday rains did not put a damper on the Lady Eagles lacrosse team as the LHU captured their first victory of the season, 5-4, over the Lady Warriors of East Stroudsburg.

The Lady Eagles came out with winning on their minds. Junior Katrina Heebner pointed the team in the winning direction with a goal at the 24:23 mark of the first half.

The Lady Eagles lead would not last long as Lady Warrior Ann Rogers put the Warriors on the board at the 23:09 mark, tying the match at 1-1.

The Lady Warriors scored another goal before the half, leaving the Lady Eagles down 2-1. The Lady Eagles would have to fight for the win they wanted so bad.

As the second half began, the Lady Eagles fell behind by three as the Lady Warriors scored

two quick goals at the beginning of the half. However, those two goals would be the last for East Stroudsburg.

The Lady Eagles began their comeback with a goal by Peggy Buckmaster at the 21:55 mark, making it a 4-2 contest.

Lady Eagles Heebner and Bridget Gillespie added goals in the half making it a 4-4 tie.

The all important game-winning goal came off the stick of freshman Kenna Werkheiser at the 8:32 mark.

That was all the Lady Eagles would need to come away with a long awaited 5-4 victory over ESU.

"The team has been playing better each game and finally put it together," said head coach Bridget Roun "The win has been a long time coming."

Roun added that hopefully the win would set the tone for the rest of the season.

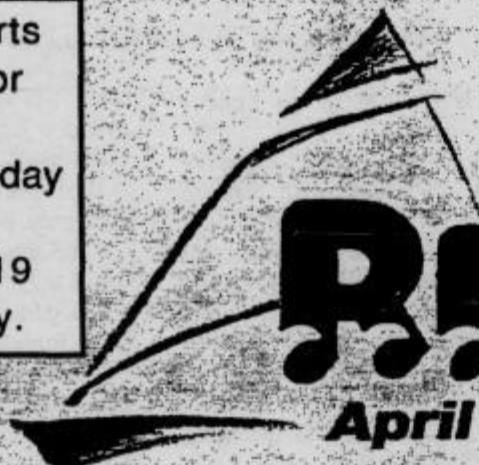

The Lady Eagles will try to keep up the winning today at Bucknell. They will also be in action Thursday at Bloomsburg.
