## King's Commemoration Left to Students

"We must commemorate Dr. Martin Luther King's death in our hearts this year. Although the Black Cultural Society could not conduct a program in honor of this great man, we are asking everyone to recognize his memory on

April 4."

These are, according to Black Cultural Society president Carol Segars, the plans for Wednesday's commemoration of Dr. Martin Luther King.

"The Society membership was physically drained after our Black Arts Festival in February; people do not realize how much work goes into something like that. Now, with the end of semester approaching with finals ahead, it's virtually impossible to ask students to give up their valuable time to work on programs that the campus ignores.

The president went on to explain that although the Black Arts Festival was a huge success as far as pro-

gram content went, attendance at most events was marginal.

"Most of our Black students were discouraged by this, and although we had planned to make the commemoration of Dr. King's death one of the highlights of our year, students went into a slump. In other words they felt that doing anything on this campus that involved Black programs was a waste of time since most white students don't bother to attend."

Therefore, there will be no organized program to honor the late Dr. King. Instead the Black Cultural Society is asking students to give homage to this outstanding Black leader in their own way.

## Berry's Suit Fails to Get Court Hearing

The civil rights suit of Miss Barbara Berry against Lock Haven State College has been dismissed by U.S. Middle District Court.

Judge Maloolm Muir dismissed the case after a jury had been chosen and a definite date was set for the trial. According to Judge Muir's ruling, Miss Berry failed to prove any violation of her civil rights in her complaint.

Miss Berry has 30 days to amend her complaint and correct the deficiency. Her attorney, Ambrose Campana, stated that his client has not decided whether she will file such an appeal.

In May, 1972 Miss Berry was dismissed from her position as assistant professor of health and physical education. In her suit, she sought payment of back salary, reimbursement for all legal and court costs, payment of damages, and a right to a hearing in which she can respond to charges directed at her by the college.

## Argentina Epic Is Subject of Koon's Lecture

On Monday, April 9 Mr. John Koons, professor of Spanish at Lock Haven State will deliver the last Humanities Faculty Lecture of this year's series with a discussion of "Martin Fierro," in Bentley Hall Lounge at 8 p.m.

The poem is the most popular epic of Argentina. It was written by Jose Hernandez, who grew up on the pampa, Argentina's equivalent to our Western cowboy country. As Americans look to our Wild West with nostalgia and excitement, so every Argentine is excited by the gaucho. Hernandez captures the manners, speech, and attitudes of this romantic period in history when the gaucho, like our cowboy, was his own master.

Mr. Koons has taught at the College for 26 years and has played a very important role in the development of what is now one of finest foreign language programs in the state. He has traveled widely and studied at the University of Mexico. He brings to this lecture the fruit of many years of personal enthusiasm, travel, scholarship, and understanding of Latin-American literature.

## Pending Legislation Will Be Beneficial to H.S. Athletics

Legislation now being considered in Congress will have a beneficial effect upon high school athletic programs, according to Dr. Matthew G. Maetozo, dean of the school of Health, Physical Education, and Recreation at Lock Haven State. Congressman Peyser of New York has introduced House Bill No. 1410 which would provide up to \$10,000 in aid for interscholastic athletics to any qualified school.

According to Dr. Maetozo, the community must be willing to accept school and student participation on a community project for the school to qualify for aid. Projects would embrace ecological concerns, community clean-up projects, health care projects, aid to the phy-

sically handicapped, public safety or crime prevention and control.

Another bill has been proposed by Senators Grovel and Thermond to establish a National Amateur Sports Development Foundation. Under this bill, the U.S. government would allocate up to \$50 million in matching funds for the formulation of the foundation. Other funds would be raised by public subscription.

According to Dr. Maetozo, the purpose of the foundation would be to en-

## Agenda of Tomorrow's SCC Meeting

1. Presentation of the 1973-74 budget.
2. Discussion of the WBPZ negotiations with Harris Lipetz.
3. Report of the Dances Policy Committee.
4. Report of the Graduate Studies Advisory Committee.

## 'Louvre' First of Four In April Art Series

The following Art Series Films will be shown in April at Lock Haven State College according to Mr. William Foster, art department chairman.

On April 5, "The Louvre" traces the evolution of this building in terms of historical and cultural growth of France. The Louvre is examined as the residence of kings, for its part in the revolution of 1870, and its growth to the great museum of today.

"Goya" is a documentary tracing the life and art of the great Spanish painter through commentary and selections of his work. A third film, "Chardin's Apple vs. Davidism," will also be shown.

On April 12, "Van Gogh - a Self Portrait" will examine the tortured mind, while giving vigorous quality to some of the world's greatest paintings, drove the artist to madness and eventual self-destruction.

"Ludwig Mies Vander Rohe, Architect," will be shown on April 26. In an interview, Mies talks about his principles of designing space for living. The film shows his early designs of glass houses and sky-

scrapers, the Illinois Institute of Technology and his home.

The films will be shown in Raub 201 at 8 p.m., open to the public without charge. In addition to the films, an exhibit of paintings and drawings by George Zoretich will be on display until April 6.

## Jason: If You Missed 'Em Once, Don't Miss 'Em Again

by Rock Rolly

Once again the Lock Haven campus has played host to an outstanding evening of entertainment. This time it was in the form of "Jason", the Canadian Rock Harmony Showband that performed in the Thomas Fieldhouse last Thursday evening.

"Jason" lived up to all the reviews they have received in the past. They performed a four set program that not only displayed their musical ability but also fine showmanship. "Jason" performs because they love to not because they have to. Their program is in the nightclub style complete with appropriate costuming wit and humor.

Their four sets included a set of contemporary popular tunes including such things as "Hair." Next came the Charleston Eastend Barbershop Quintet and Flapper Kickline which was a nostalgic look at the music of the 1920's.

The nostalgia continued with the Surfin' Safaris, a

set of Beach Boys and Jan and Dean surf music set around the Mickey Mouse Club.

Their final set was the best received of the evening. This one opened with one of the meanest mothers ever to set foot on stage at this campus appearing with his grease gang. The hard-ass Slob and his Grease Gang took us back to the 1950's and presented us with such things as Teen Angel and the King of Rock and Roll in all his glitter.

"Jason" presented a truly great performance by a great band. Next time you get a chance to see "Jason", don't pass it up or Slob and his Grease Gang will come lookin' for ya. Power to the Penguin.

# Gaige Shatters Mile Record at Invitational

by Lloyd Peters

## STATE COLLEGE--

Unheralded middle distance runner, Mike Gaige led the Lock Haven State College's track and field team performance at the State College Invitational here Saturday with a record shattering race in the College Division mile run.

Three other Bald Eagle trackmen placed in the five team College Division of the meet. Sophomore Tom Schrader jumped to 12' and a third place finish in the pole vault while speedster Tom Rowan had to be content with a second place award in the 440 yd. dash after winning his heat. High jumper, Jack Weaver, jumping very adverse conditions cleared a creditable 6'2" for a third.

In the mile, Mike Gaige unleashed a finishing kick to nudge Van Bibber of Mansfield at the wire. His 4:21.8 clocking lowered the record set last year by Al Ramar of Millersville by 9.5 seconds. Gaige, competing in his first out door track race showed the signs of brilliance seen early last season in former All-American runner Steve Podgajny. An excited Jim Dolan, LHS head coach said, "Mike ran a real strong race today. If he had maintained contact with the leaders early in

the race, he would have run even better."

Other Bald Eagle performers who turned in outstanding performances were freshman M. Iannetta (52.9) in the 440 yd. dash, and co-captains Bill Mcnelis (6') in the high jump and Wayne Covington (52.5) in his 440 leg in the sprint medley relay.

The 5th Annual Invitational, dubbed by many as the 'Polar Bear Relays' because of the frequency of wintery weather on race day, provides Central Pennsylvania High schools and Colleges with the opportunity to compete outdoors for the experience of the competition before the regular sea-

son starts.

In the high school section of the meet many fine individual efforts were highlighted by the running of ninth-grader Dave Felice of State College. Felice, recorded a phenomenal 9:49 clocking in the 2 mile. He was cheered on by nearly fifty screaming fans proclaiming to be members of "Felice's Italian Army."

The LHS track and field squad opens the 1973 season on Wednesday with a dual meet against Juniata College. Coach Dolan is expecting a tough meet in view of last year's meet in which Juniata handled the Eagles.

## Rice, Record-breaking Diver, Receives Post Season Honors

Al Rice of Holland, Pa., sensational freshman diver for the Lock Haven State swimming team this past season, has been selected for the 1972-73 Ithaca College All-Opponent Swimming team as announced by the Bombers head coach Bill Ware.

Hamilton College, Hobart College, St. Lawrence, Rochester Tech, Oneonta, R.P.I., and LHS were

represented on the Ithaca all-opponent team.

Ithaca defeated Lock Haven, 64-48, during the season but Rice won both the one-meter and three-meter diving events.

The 1972 Council Rock High School graduate broke both LHS diving event records in his freshman year. He set a new mark in the one-meter dive with a score of 241.65 and set the record in three meter event with total points of 231.20.

During the season just completed Rice scored 78 team points and copped six first places in the one-meter and came in first seven times in the three-meter dive.

## Paulin Again Recognized For Basketball Skills

Russ Paulin, Lock Haven State record-breaking rebounder over the past two years, continues to receive post-season honors for his brilliant performance during the 1972-73 basketball campaign.

Paulin, a 6-foot-7 center, has been selected for Honorable Mention recognition on the Annual Associated Press All-Pennsylvania Collegiate Basketball squad.

The LHS senior previously had been picked for second team honors on the Pennsylvania Conference Western Division All-Star squad.

Paulin led the Bald Eagles for rebounding this year with 189 for a 9.9 average per-game. In conference games his rebounding mark of 10.0 was the second best in the Western Division. He also holds the LHS single game and season rebounding records.

The Bridgeville native was the second leading Lock Haven scorer this season with 237 points and a 12.4 average per-game. Last year Paulin in 22 games scored 332 points for a 15.5 mark and set a rebounding record with 255 for a 11.5 average per-game.
