Lock Haven Teachers College Placement Service Secures Positions for Graduates; Percentage High

Local College Welcomes First District Dramatic Conference

A large attendance is forecast by early registrations for the first Central Pennsylvania High School Dramatics Conference at the Lock Haven State Teachers College on May 5. Student actors and their leaders, directors of High School plays, school principals and others who are interested in dramatic activities for High School and College students, will attend the gathering.

The program calls for registration from 9.30 to 10 o'clock Saturday morning, with a full day of varied activities following. In addition to addresses by leaders in High School Dramatics work, the program will include luncheon in the new College dining hall, with semi-formal addresses and musical features, and dinner, also in the College dining room, featured by an entertainment by the College Entertainment Service, one of the student organizations. A program of one-act plays, a demonstration of marionette plays in the College Puppet Theatre, and exhibitions of make-up technique, stage technique, and the expression of various emotions in acting, will be other highlights.

Council Makes Possible the Appointment of Ass't Coach

The securing of an assistant coach, Sol W. Wolf, has been made possible by an appropriation of funds by the Student Activity Council of the college. This position was vacated last season by J. Wynn Fredericks. Mr. Wolf was recommended to the council by Coach Harrison J. Kaiser. The recommendation was approved and Mr. Wolf began his work April 30 for two weeks of spring practice.

Mr. Wolf began his coaching career by teaching the junior varsity of the Lock Haven High School in 1923. The next year he accepted the position of head coach. In the two years which followed his team held not only the state championship of Pennsylvania but the national championship of the east as well when Lock Haven defeated a Chicago High School at Hanson Field. Mr. Wolf then went to Williamsport for a five-year period, then coached at Freeport, returning to Williamsport in 1932.

He is now to assist Mr. Kaiser with his fine team, and there are great hopes that the splendid record held by the Lock Haven State Teachers College, when for three out of four years at has held the football championship among the State Teachers Colleges, may be maintained and even surpassed.

GRAPHICAL REPRESENTATION OF THE PERCENTAGE OF THE APPOINTMENT OF GRADUATES OF THE LOCK HAVEN STATE TEACHERS COLLEGE FOR THE PERIOD 1929-1933 INCLUSIVE - ONLY TEACHING POSITIONS INCLUDED -

The Percentage of Appointments Reveals Misapprehension in Unemployment of Teachers

The practical and sensible answer to the question, "What college shall I attend?" is, of course, one that takes into account the college whose graduates are sought, the college that finds positions for its graduates, the college whose graduates are appointed from year to year even in times such as everybody has experienced in the last few years.

During the last few months the Placement Service of the Teachers College at Lock Haven has checked the employment of its graduates in teaching positions. This has been done over what is quite generally and in nearly all colleges said to be the most unfavorable period for this type of employment. It is probably the worst in this respect that any of us can remember. It has been a period when thousands of teachers have expected little more than disappointment.

This condition fortunately is not true among graduates of the Lock Haven State Teachers College.

A long check-up among nearly a thousand Lock Haven graduates in the last five years indicates that the fear of unemployment in teaching, as it is generally heard, is not entirely true nor well founded. On the contrary in this period of wide spread unemployment, Lock Haven graduates have been appointed to an amazingly large number of positions. The percentage of appointment is so high

that it reveals something very definite in prospective teachers' choice of a college for their preparation.

Wide Survey of Graduates Made

Students involved in this far reaching check-up number nearly 1000. In fact, only 3 out of 977 failed to reply. Such a high percentage of replies indicates the reliability of this report. These graduates are located in every section of Pennsylvania and in other states.

State Finances Improvements On College Campus this Year

During the past year the state of Pennsylvania financed improvements at the local college amounting almost to seventy thousand dollars. In addition to enlarging the dining room to accommodate seventy more students, a new kitchen, a refrigerating plant and a bakery were annexed to the rear of the main building, the dimensions of which now are 50 by 140 feet. The outside wall of the new annex is of red brick to match the brick of the main building, and the interior walls and floors are of attractive tiling. In the dining room the new flooring is of battleship linoleum. Another improvement planned for the dining room is the installation of indirect lights.

The kitchen has been equipped with Westinghouse electric ranges, roasting ovens and mixers. Tables, sinks and steam tables made of stainless steel have been placed in the dish-washing rooms, pantries and vegetable room. Westinghouse bake ovens and mixers have been installed in the bakery. The refrigerating plant has five different compartments, for meat, green vegetables, fruits, dairy products and one for the ice cream machine and the cutting of meats.

What was formerly the kitchen has been remodeled and now includes a private dining room and rest rooms for the college help. The new kitchen and bakery are among the most convenient and sanitary culinary departments of public institutions in the state of Pennsylvania. All of the equipment is of the latest type and the greatest care has been taken to

EDITORIAL

The placement service of the college is performing an unusual service to the students and to the alumni. During the recent years of the depression, the service has gone steadily on and in comparing its record with the placement services of other colleges in the United States, one finds that our service ranks very high.

The constant, practical and original efforts of the director of the training school, with the help of many of the faculty, have culminated in the success of this service.

The Dramatic Club and the Women's Athletic Association are to be commended in sponsoring meets which bring together students from central Pennsylvania. These meets will not only help to develop an interest in dramatics and athletics but develop a sense of good will and broaden contact.

Naturalists have everything planned but the weather for Saturday, May 5, which is to be their annual homecoming day. The cooks promise everything which a Naturalist will enjoy. The program committee promises a lot of fun, and every Naturalist is out to make this homecoming a week end which every returning alumnus will enjoy.

Mass track meets are scheduled for Friday, May 4, May 11, and May 18. The events in the track meets will be 50 yard dash, hurdles, fence vault, standing broad jump, running broad jump, running high jump, hop, step, and jump, baseball throw, basketball throw, discus throw, javelin throw, and relay race.

Musicians Appear in Recital In Auditorium on Tuesday

Mrs. Zella C. Rogers, Leo and Gerard Caprio, and Mrs. Ona Smith appeared in a music recital Tuesday evening, May 1, in the college auditorium.

Mrs. Rogers, soprano soloist, entertained with "The Waltz Song" from "Romeo and Juliette," by Gounod, a group of bird songs by Liza Lehman, "Down in the Forest," by Landon Ronald, "Over the Steppe," by Gretchinoff, and "Lilac," by Kountz. "The Indian Love Call" was presented by Mrs. Rogers and Leo A. Caprio, violinist. The Coombs "Ave Maria" was given by Mrs. Rogers with a violin obligato by Mr. Caprio and two-piano accompaniment by Gerard M. Caprio and Mrs. Smith.

Violin numbers by Leo A. Caprio included "Allegro Aperto" from "A Major Concerto," of Mozart, "Romanza Andaluza," by Sarasate, "Waltz in A Major," by Brahms-Hochstein, and "Liebesfreud," by Kreisler.

Gerard M. Caprio's piano numbers included "Nocturne in F Major," by Chopin, "Bouree," by Bach, "Butterfly," by Grieg, and a Polish Dance by Scharwenka. The "Barcarolle," by Schytte, was played as a two-piano number by Mr. Caprio and Mrs. Smith.

JUNIOR PROM IS THE FIRST FORMAL DANCE OF SPRING

Saturday, April 28, members of the Junior Class sponsored Lock Haven's first spring formal, the Junior Prom. In keeping with the surrounding campus, the juniors transformed the gym into a fairyland of green and white twisted crepe paper. The white walls and green and white ceiling were as cool and refreshing as the green of spring outside. Music by Billy Earle and his Jolly Scots made the evening perfect.

Dim green lights blended beautifully with the green and white decorations and lovely gowns of girls. Synopated rhythm and soft dreamy waltzes were pleasingly intermingled.

Guests were welcomed by Mr. Elwood Rohrbaugh, Miss Beatrice Eyer, Miss Belle Holaway, Dr. Harry Weber and Mrs. Weber, Mr. and Mrs. J. Ferry Stemple.

The Advertising Man Becomes Dean of Instruction

No matter what course you want we have it right here in this institution. It's bound to be one of our 57. We place adequate hours on your schedule for that schoolgirl reflection which you crave. Our courses are milder and better, good to the last flop. With the \$3 saved in the course of a year on textbooks you can buy a like number of dance tickets or that mouth organ you've been longing for. Our tests are all dated; you lose no sleep. We offer Social Square for the pause that refreshes. If your best friends won't tell you about those grammatical errors, our English Department will. Oh, they laughed when you sat down to play, did they? Enroll in our six hour music course and at the end of the semester you'll satisfy. If the question, "How's your addition today?" is bothering you let our Mathematics Department put you at ease concerning the matter. In case you happen to be a pencil chewer or a phone booth artist, our Art Department will develop your talent. If you're burning with a desire to know why "It floats" take our course in science. You are privileged to use our library at least twice daily and visit our bursar's office every eighteen weeks. Our institution offers the cream of education, 99 and 44-100% perfect.

"The Lost Moonstone," COLLEGE MARIONETTE THEATRE.

9.00-11.00 Dancing in the College Gymnasium.

The Dutch Inn is to be the scene of the Shakespeare Literary Society Banquet, May 11. At this time the pledges will be formally initiated and officers will be elected for next year. Entertainment and dancing will be enjoyed during the evening.

The Beta Sigma Chi's will present the program at the regular meeting of the Y. W. C. A. this evening.

Thumb tacks, blocks of wood, red and yellow ribbons, bows—just Dramatic Club initiation. Their dramatic talent is evident from the programs which they give every now and then on campus. They should prove successful actors.

S.T.C. Track Team Defeats Shippensburg on April 25

In a thrilling, closely matched contest staged in typical football weather, the Lock Haven State Teachers College track team defeated the Shippensburg State Teachers College track team at Shippensburg, Wednesday, April 25, by the score of 65-61.

The fact that the teams were fairly and evenly matched, scoring approximately an equal number of points as the meet progressed, makes the victory of Lock Haven all the more gratifying.

Wayne Hoy, of Lock Haven, won the individual honors with first place in both hurdle events and second in the 100 yard dash and broad jump, for a total of 13 points.

Russ Burd, of Lock Haven, and Myers, of Shippensburg, each scored 11 points. Geno, of Lock Haven, Cable and Miller, of Shippensburg, each had ten. All the high scorers with the exception of Miller, of Shippensburg, each had two first places.

Results

100 yard dash—Myers, Shipp.; Hoy, L. H.; Miller, L. H.—10 1-5 sec.

220 yard dash—Myers, Shipp.; Miller, L. H.; McKenbun, Shipp.—23 3-5 sec.

440 yard run—Snyder, Shipp.; Malone, L. H.; Slieter, Shipp.—56 sec.

Half mile run—Cable, Shipp.; Shroat, L. H.; Washington, Shipp.—2 min., 13 1-5 sec.

Mile run—Cable, Miller, Plaster, all of Shipp.—4 min., 58 sec.

Two mile run—Miller, Shipp.; Finn, Bassett, L. H.—11 min., 9 sec.

120 yard high hurdles—Hoy, Shively, L. H.; Budde, Shipp.—18 sec.

220 yard low hurdles—Hoy, Shively, L. H.; Snyder, Shipp.—28 sec.

Broad jump—Burd, Hoy, L. H.; Myers, Shipp.—19 feet, 10 in.

High jump—Winna, Shipp., first; Miller and Burd, L. H., and Eberly and Marsh, of Shipp., tied for second place—5 feet, 6 in.

Scorers: Cascerella, Shippensburg; Paul Miller, Lock Haven.

With this meet the T. C. team completed their schedule of dual meets and they have begun practice in earnest this week for the final event of the season, the Pennsylvania Teachers College Championships at West Chester, Saturday, May 12. Only those candidates who show marked ability will be entered.

Baseball tournament games are scheduled for the following afternoons: Wednesday, May 2; Monday, May 7; Monday, May 14; Wednesday, May 16; and Monday, May 21.

The Play's the Thing

Mary of Scotland . . . A Historical Drama by Maxwell Anderson

Maxwell Anderson first made a name for himself in the theatrical world when he and Laurence Stallings collaborated in the creation of "What Price Glory;" since then he has become one of the two or three dominating figures of American drama. In addition to his "Mary," his most outstanding dramatic works are "Saturday's Children," "Elizabeth the Queen," a brilliant Theatre Guild production, and "Both Your Houses," the Pulitzer prize winner for 1932. In "Mary of Scotland," Mr. Anderson has succeeded magnificently in creating a woman of "glamour, mythical beauty, romantic loveliness. His Mary is a lovely, tragic, living woman doomed to betrayal by her high faith in essential goodness and her too great love." In this tragedy, which is as successful a play to read as it is to see on the stage, we meet many of the important figures of English and Scottish history: John Knox, the Scottish religious leader, antagonistic to the reign of Mary; the Earl of Bothwell, Mary's lover and second husband; the four Mary's in waiting; Lord Darnley, the weak and ineffective husband of Mary Stuart; David Rizzio, Mary's secretary, whose murder is the beginning of the break between Mary and her court; James Stuart, Earl of Moray; and Elizabeth Tudor, queen of England. The English which Mr. Anderson uses is majestic, reminiscent of Shakespeare. This little speech of Mary while she is in prison in Carlisle Castle in England is memorable: "The days have grown so long that each is the whole time between a birth and a death—and yet they go so fast, too, that I catch at them with my hand. So fast that I watch the evening light jealously, like a candle burning." Critics say that Mr. Anderson's play is "The drama of heroes," "the best historical drama that has been written by an American," "a singing drama, warmly beautiful in its speech," "it has the texture of true poetry," "here is a script which brings the full flooding beauty of the English back to the theatre."

FORMER STUDENT SECURES DOCTOR'S DEGREE RECENTLY

A question frequently asked is "Are graduates of state teachers colleges able upon their graduation to enter immediately upon work for advanced degrees?" The answer is to be found in the brilliant record of Gordon McCloskey, who on April 18, 1934, completed his final examination for the degree of Doctor of Philosophy at Columbia Teachers College, of New York City. Abstracts of his dissertation, "An Appraisal of Certain Phases of Economic Instruction in the Secondary Schools of New Jersey," have been received at this college together with reports very flattering to Dr. McCloskey.

His friends among the faculty and student body recall his four years here, and are more than pleased at the prestige which Lock Haven State Teachers College automatically shares whenever one of its members achieves a particularly outstanding goal.

Annual Play Day Will Be Sponsored by the W. A. A.

Saturday, May 19, has been set as the date for the annual Play Day which is held at the College every spring under the direction of the Women's Athletic Association, with Miss Maloise Sturdevant Dixon as the adviser. The day is looked forward to with a great deal of pleasure. It is THE TIME for contests in all kinds of sports, both individual and team, also for tests of skill in folk dancing and in those fascinating stunts which the girls can do.

Members of the junior and senior classes of the neighboring High Schools are invited to participate in this event. All the girls are divided into teams of about fourteen members each. It is arranged so that each high school is represented on every team, and so that every team contains members of the college W. A. A., for the W. A. A. members not only are in charge of the activities but are taking part in all events. Badges will be awarded to the members of the winning team.

The program for Play Day this year includes activities on the athletic field and in the gymnasium, from two to five o'clock, and then a picnic supper on the hillside.

Local Students Spend Day At the Model Convention

College students from 34 universities and colleges in Pennsylvania met in Harrisburg, Friday, April 27, to hold a model convention in which they framed a constitution embodying the necessary provisions for modern legislation. The members of the convention met in several committees to consider the various phases of constitutional law. Ruth Sherman, as chairman of the executive committee, presided at the meetings of that committee during the afternoon session. Mary Hill and Pauline Graden took part in the public welfare and social problems committee and Rudolph Shearer attended the legislative committee meetings. The delegates, accompanied by Miss Frances V. Copens, went to Harrisburg Friday morning, returning in the evening after the afternoon committee sessions. Plenary sessions were held Saturday at which time the separate reports were voted on by the delegates.

From Other Campuses

A co-ed at the University of Chicago was granted her master's degree after her thesis, "Four Ways to Wash Dishes," was accepted.

A student at California S. T. C. can cut a postage stamp into forty-nine parts to make a jig-saw puzzle with interlocking parts.

Kutztown S. T. C. students presented "Hamlet" with much success as their annual Shakespearian offering on April 19 and 20.

LaFayette College after 100 years has abolished the degree of Bachelor of Science. The Bachelor of Arts degree has been made to cover that field.

Did you know that:

Perry Mann will now carry his driver's license when he calls on Renee?

Tony Yost and Austy Burkhart financed a CWA project the other day?—Paul Mills' haircut.

The kids are very elated over the thought of the close proximity of popsicles in the bookroom?

The campus reminds one of a castle or royal palace of late? All these Dramatic Club pledges are going around saying "Your Highness," "Your Majesty," etc.

Stunt Nite has again brought to the front much hidden talent?

The All-American Manager, Max Cook, has been invited to manage the college tennis team?

The R. O. L. sorority girls and not their invited guests went home with the favors from the dance? Now comes the Delta Rho Beta Dinner-Dance—some girls ought to be well stocked up with jewelry. The fellows pay and pay and pay!

Several "Hilly Billy" boys in school thoroughly enjoyed themselves at the Hilly-Billy musical the other night?

One of our esteemed Alumni, Hal Poust, a scholar and an athlete while at S. T. C., has landed a very good position at Montoursville? Congratulations, Hal. (Hope you read the College Times.)

Word has been passed to me that "red" rohrbaugh and "bob" hunter do not like their names in print? I won't capitalize the names so they won't be noticed, yet will help to fill the column.

Jim Myers has not as yet fulfilled his wager with the day room boys? You better hurry, Jim, you haven't beaten the "Great Geno's" shot put record as yet.

Wilkinson and Murphy tied for first place in stunt nite? They were only in four skirts apiece.

The Delta Rho Beta's postponed stunt will go on in chapel Friday morning? A big treat is in store for everyone, so the word has been passed.

Jim Myers is a crooner? Billy Earle said Jim was synonymous with the pig song that the latter sang at the Prom.

COLLEGE PLACEMENT SERVICE SECURES POSITIONS FOR GRADS

(Continued from page 1)

Year	Pct. of Appointments
1929	97%
1930	99%
1931	96%
1932	90%
1933	72%

At the present time there is a definite and encouraging opening of opportunities. The Placement Service has heard of more open positions than it has during any similar period in the last two or three years.

Period	Pct. of Appointments
Last five years 1929-33	91%
Last four years 1930-33	90%
Last three years 1931-33	86%
Last two years 1932-33	81%
Last year 1933	72%

Only Teaching Positions are Included in Percentages

No positions are included for these percentages unless the appointment is an actual teaching position or unless the graduate is voluntarily in some college or university for advanced or specialized work. No emergency work, such as the C. W. A., is included. No positions other than teaching are included. The percentages are based upon actual and reliable information obtained from the 974 replies of Lock Haven graduates to the 977 inquiries.

Another gratifying and interesting fact is that Lock Haven graduates are to be found in 42 out of the 48 states, or 87% of all of the states in the union.

There is another remarkable placement fact, likely to be doubted at first because it difficult to realize. It shows that Lock Haven graduates ARE IN WIDE DEMAND. THERE IS ONE OR THERE ARE SEVERAL LOCK HAVEN GRADUATES IN 78% OF ALL DISTRICTS IN PENNSYLVANIA LARGE ENOUGH TO BE CLASSED AS SUPERINTENDENCIES.

Superintendents throughout Pennsylvania, representative of every section, have been asked about the success of Lock Haven graduates. OVER 17,000 QUESTIONS HAVE BEEN ASKED OF SUPERINTENDENTS WHO HAVE EMPLOYED LOCK HAVEN GRADUATES AND 94% OF THE ANSWERS TO ALL ITEMS IN THE QUESTIONNAIRES INDICATE GOOD, EXCELLENT, OR SUPERIOR WORK.

A careful record through the use of a service map shows that THERE ARE LOCK HAVEN GRADUATES IN EVERY COUNTY IN PENNSYLVANIA.

There are more Lock Haven graduates outside the college service area than within it. There is a high correlation between the places from which students come and the places or localities to which they go after graduation although a high percentage do not go back to their home communities.

Four-Year College Students Have High Record of Appointment

As remarkable as any other facts revealed by this survey of placements is the fact that FOUR-YEAR COLLEGE GRADUATES OF LOCK HAVEN HAVE A HIGHER PERCENTAGE OF APPOINTMENT THAN

ROY STEWART MacDOUGALL,
Director of Teacher Training,
Head of Placement Bureau

GRADUATES OF ANY OF THE TWO-YEAR COURSES.

The high percentage of appointment among four-year college graduates at Lock Haven is disclosed by the following facts:

1930	100%
1931	100%
1932	84%

Lock Haven Has Reason for Pride in Teacher Appointments

Even the lowest percentages for the year just past are nearly twice as high as similar reports from many other colleges in various parts of the United States. In the light of various phases of this survey they are remarkably high for the period that is considered the bottom of the depression era. Much lower percentages for 1933 could have reasonably been anticipated. As it is these appointments stand out in sharp contrast with the opinions of reliable forward looking observers. Lock Haven not long since tripled its enrollment and such percentages of appointment do not come about by chance. Nearly a thousand young men and women have chosen wisely in the last five years and the college has developed a unique, efficient, and effective method of promoting appointments. Its contact with every district in the Commonwealth never ceases. Wherever good school systems need good teachers the

quality of the Lock Haven State Teachers College product is not forgotten.

Although the method, organization, and procedure of Lock Haven's Placement Service is wide in scope and uniquely different, it is only one factor resulting in such a high percentage of placement. Other factors are as evident and even more significant.

From Lock Haven any system of schools can get a superintendent, a supervising principal, a supervisor, kindergartners, primary grade teachers, intermediate grade teachers, junior high school and senior high school teachers majoring in all branches of the most universal secondary curriculum requirements. These candidates in a great many instances are highly qualified for coaching in all phases of athletics and dramatics. The college can nominate candidates in music teaching and supervision, the teaching of art and its supervision, penmanship, and health education. It has also listed for appointment at all times candidates qualified in orchestra, violin, voice, and piano, and other musical instruments. It can and does place candidates needed for such work as the direction and coaching of public speaking, operettas and other musical productions.

Many prospective students have chosen wisely in selecting a college with a remarkably significant percentage of appointments.

have everything as attractive and convenient as possible.

In addition to these improvements in the building, the highway department is constructing a new concrete road along the rear of the kitchen, bakery, west dormitory and gymnasium. This new road will be wider than the old road, thus making it more serviceable for trucks to make their deliveries.

"Dinner at Eight" Wins First Prize at Stunt Night

Originality reigned supreme at the annual Stunt Nite on Thursday evening, April 25, in which many of the organizations of the college participated. The judges, Miss Elizabeth McCloskey, Frank E. Ritter, and Mrs. Mary Rich Stouck, selected "Dinner at Eight," presented by the Burper's Club for the first prize. The members of the club are Myra Evans, Edith Sharpe, Gwendolyn Thompson, and Ruth Solomon. The N. D. R. F. C. Summer Session of College Will Open on June 18th

The Summer Session at the Lock Haven State Teachers College will open on June 18th. It will be six weeks in length. From present indications, there will be a large attendance.

The purpose of the Summer Session is to offer work (1) to those teachers who hold Partial Elementary Certificates and wish to apply for renewals; (2) for teachers in service who have made progress toward the Bachelor of Science Degree in Elementary or Secondary education; (3) to regular College students who wish to earn additional credits during the Summer Session; (4) for graduates of four-year high schools who desire to begin College work; (5) for those who wish to take special work in the Elementary and Secondary fields; (6) for those who wish to take special work in the Kindergarten field; (7) for students who have deficiencies and who would like to make them up in the Summer.

The work offered is practically the same as that during the regular College year. The Faculty will consist of members of our regular teaching staff.

The Training School is to be in session for observations and practice teaching. A few teachers can be accommodated who need practice teaching.

The dormitories and dining room of the College will be open to students. Entertainments and lectures, as well as outdoor activities, will be offered during the Summer Session to the student body.

The Alpha Sigma Tau's expect to send a member to the national Alpha Sigma Tau convention which will be held in Columbus, Ohio, in August.
