Choral Club Visits Church, School Conferences, Public Schools in Week-end Tours

MUSICAL RECOGNITION

The Bel Canto Choral Club, one of the outstanding musical organizations of the college, has been, as the saying goes, "going to town" gone to town, but they have also gone to the city. In early April Miss Ullemeyer inaugurated the meanderings of the group by con-ducting them to Clearfield and Curwensville, where they rendered programs in the high schools of the two towns. Features of these programs included songs by the group, solos by Margaret Griffith and Ethel Law, and selections by the girls' trio. Then on April 16, the club journeyed by bus to the Eastern Music Educators Conference in Buffalo, New York. Here they enjoyed the conference programs, and sang in the intercollegiate song contest and fes-The girls did not, however. participate in the contest, open to only New York State Colleges. only New York State Colleges. Their singing was just a part of the entertainment. The girls re-ceived many compliments on their excellent performances and stun-ning appearance. Later in the evening a dance was held in the gymnasium of the Buffalo State Teachers' College. At this event the girls' trio sang several popular numbers, gaining recognition and approbat.on from those crowded about to listen to them.

Pennsylvania. On the way to that place, the girls gave two programs, one at Tyrone, and the other at Alexandria, Pa. Then, arriving at Huntingdon about 3 P. M., the girls were welcomed by the leaders of the Youth Conference, and escorted to the various homes at the three days of the conference, the organization acted as choir, singing in the Abbey Reformed Church, the conference headquarand in the Presbyterian Church. "Community Cooperation" was the theme of the biennial meeting of the Pennsylvania State Youth Council at Huntingdon the weekend of April 23, 24 and 25. Five members of the Y. W. C. A.— Helen Nichols, Caroline Brown, Ruth Baughman, Pauline Barrows and Loris Bowlby-accompanied by their adviser, Mrs. Max Bos-sert, attended the conference. The Bel Canto Glee Club under the direction of Miss Ullemeyer, served as the choir for the council meetings and again won laurels for their fine singing.

Over 350 young people were present at the conference which was under the auspices of the State Sabbath School Association. The leaders over the week-end included "S." Mack, general secretary of the Presbyterian Board of Foreign Missions; Dr. W. J. Herroit, of New York City, outstand-ing authority on the Christian Youth Movement, and Dr. Lewis Aber. State director of young

people in Rhode Island. One of the most interesting features of the conference was a trip to Camp Kanesatake, where hill-side worship concluded the services. The trip followed a series of talks on "What Jesus Means to A week later, on April 23, the Me," given by Ellwood Keepley, Glee Club went to Huntingdon, leader of the strike in the mils Vale Divinity student.

Divisions: Would Provide For Most Urgent Needs

The building program for the College is a very important one as it will effect the future development of the College. Our building needs are listed under three divis ions-most urgent, urgent and needed. Under the most urgent items, we are listed to receive \$150,000 for a new Library building, \$200,000 for Health Education building, \$9,900 for Emergency Lighting repairs, \$3.300 for Fire Alarms-making a total of \$363,200 in the most urgent items on our building program. Under list number two, or urgent items, we are listed to receive \$87,000 for Heating Plant and Service Lines, \$232,000 for a new Auditorium building, \$50,000 for im-provements and alterations to our present buildings, \$15,000 for Athletic Field completion, or a total of \$384,000 in list number two. In number three, or needed items, we are listed to receive \$100,000 for new Heating Plant and Service Lines, \$125,000 for a new Junior High School building, \$30,000 for Campus grading, Drives and Walks, or a total of \$255,000 for list number threemaking a grand total of \$1,002,-200 for our building program. This may seem like a long list in our contemplated building program. We could ask for many of Reading and Roy J. BANQUET IS PLANNED

For the past several weeks the entire Dramatic Club has been busy staging rehearsals for "You and I," a drama in three acts by Philip Barry. The play is a modern sophisticated comedy with a goodly share of tense moments. All the parts in the play are character or ingenue parts. You will like, es-pecially, Etta, the maid,—not the traditional maid, but one who becomes a deluxe lady. Nancy white brings to you the charming, courageous figure of a mother willing ageous ngure of a mother willing to sacrifice anything for her family. Ronny and Ricky carry the love interest—Ronny being the lovely "girl next door" who has attained the impossible—complete sophistication without loss of bloom-and Ricky, the thoroughly nice boy who goes through life with his head in the clouds. Then there is G. T. Warren, the typical self-made business man with an accompanying conceit which is offset by his consideration for Ricky. Geoffrey Nichols, the popular novelist, furnishes an interesting contrast to Maitland White, his one-time college chum. Maitland's charming personality will win you over immediately unless you are an incurable misanthrope.

The audience will be especially interested in the elaborate mas-querade costumes which will be on display in the third act of the play. Considering the possibilities of the play, the talent of the cast, the efficiency of the staff, and most of all the splendid directing of Miss Brong, Dramatic Club Adviser, the play should be a riotous

MR SHLLIVAN

This gentleman is one of the most prominent members of the college faculty. Born at Potsdam, New York, in St. Lawrence County (in a year he will not disclose), he was educated at the Potsdam Elementary Schools, and later at the High School of Madrid, New York. After his graduation from high school some kind Fate made him decide to choose teaching as his vocation. We can thank Providence for guiding him wisely, so that we can reap the benefits of his wise, illuminated teaching. (I say illuminated, because he lightens the heavy load of his subjects with plentiful illustrations and

Then came the real work! Like so many of us, when we graduate from school, he stepped out into the "cruel, cruel world," young and inexperienced. But, he must have proved his worth at the Kersey High School, in Kersey, Elk County, Pa., where he acted as principal, for he moved forward in his profession, becoming instructor in the State Normal, as it was then called, here in Lock Haven. When this institution was made a State Teachers College in "Sully" again moved for 1096 ward in his profession to assume his position as head of his department in the newly-named college, the place he still occupies.

Affectionately nicknamed "Sully" by admiring students, the subect of his biography is of a certhen warm nationality, which oc-casionally shows itself in his tem-perament. His popularity is unanimous throughout the college and town. There he has many friends. He is the proud father of three ons, all of whom resemble their father in having a remarkable in-

### Revised Curricula To Be Offered

Students to Have Two Years To Decide Whether or Not They Wish to Teach

#### MOST IMPORTANT STEP You will recall in the issue of

March 15, 1937, of the College Times, there appeared an article under the heading of "Revised Curricula to be Offered." statement was sent out by Doctor Ade and explains the purpose of these new courses. This revision of the courses of study offered by State Teachers Colleges is one of the most important advanced steps taken in the history of these Colleges. It is important not only because it makes it possible for young men and young women who may not desire to teach to obtain the first two years of a college course near their homes and at less expense, but also for the fact that it gives those students who do intend to teach a better academic background in content courses before their Junior and Senior years in which is done the senior years in which is done the larger part of their professional work. It really gives in these two years a chance for students to decide whether they wish to become enter some other profession. It will prove to be a great advantage to the young men and young wo-men of Pennsylvania and what is more important it should be the means of furnishing a stronger teaching force for the public schools of Pennsylvania. new courses of study will begin to function at the beginning of the next college year. This will not nece sarily disarrange the courses or programs of the students who have already begun their college work. Furthermore, because it is expected that many young people just finishing their high school work will take advantage of these new courses of study to be offered, and it should result in a substantial increase in our student enrollment for next year. This increase is variously estimated at from 10 to 20%.

"The appointment of administrative officers and of faculty members should be governed by professional considerations. Political factors should not be permitted to interfere with the efficiency of an institution. The spirit of these principles should also be demonstrated in the internal administration of the college for the development and maintenance of the best type of faculty service and of student growth.'

Battle of Words is Fought At Williamsport's WRAK; War-Cry "Plethora"

#### SIMON SOLE SURVIVOR At 8 o'clock, Tuesday evening,

April 27, a picked Lock Haven spelling team set their spears and rode against a crack Dickinson Seminary squad in the studios at station WRAK, in Williamsport. The Lock Haven representatives were: Ruth Simon, Helen Nichols, Ruth Baughman, Lois Long, Agnes Green, Earling Hauge, Lucille Glossner, Rebecca Confer. Begin-ning with a flourish, the Lock Haven spellers drew first blood when the starter for Dickinson went down on "acoustics," which she gave an extra "c." At one moment gave an extra "c." At one moment the line-up stood 6-2 for Lock Haver, but "advisable, commit, castigate, and redolent" were stumbling blocks that levelled its ranks until Ruth Simon alone was standing off the two Seminary survivors; but Dickinson's year of intramural practice and one other appearance before the microphone made the odds too great; she finally yielded after a gallant fight, at "plethora," leaving Seminary with two members on their feet. The Lock Haven team were en-

tertained at dinner in the Dickinson dining room, before proceeding to a short rehearsal at the dramatic studio on the campus; at the broadcasting studio they met their eight rivals in the first microphone spelling competition in Lock Haven's history.

The following rules were observed: members of the competitive teams alternately approached the microphone, pronounced, spelled, pronounced and withdrew, being allowed another trial before the word was completed; unfamiliar words were used in phrases by the reader. The latest edition of Webster's Dictionary was referred 2 Indiana at Lock Haven Webster's Dictionary was 9 Cortland at Lock Haven to for doubtful spellings.

#### ODDS QUOTED

(Continued from page 3) strike. Well. I feel a little inertia

creeping over me (sympton No. 47), so I must stop and sit here thinking about nothing, a truly remarkable accomplishment. Oh, yes, try sulphur and molasses. If it doesn't kill you, maybe you'll live through it. (Here's betting anyone a nickle

that the short story part doesn't get in. There ain't no freedom of the press.)

P. S. (pretty sure) There is a reward of ten (10) excused cuts for the person securing the arrest and conviction of the creature disturbing the public peace by playing the Blue Danube to a certain point, pause, then again and again. Clue! This outrage goes on while the Foreign Classics group is in session from 9:30 to 10:30, Mon., Wed., and Fri.
