

HONORS WON BY LOCAL I. K. U. DELEGATION

**Miss Himes, Aided by Student
Representatives, Reports
on Convention**

HELD AT ROCHESTER, N. Y.

Miss Himes, representing the I. K. U. delegation to the International Kindergarten Union Convention, held in Rochester, New York, last week, gave a chapel talk Monday morning, May 13, to present a trophy which the delegation brought back with them from Rochester.

The trophy, which is a beautiful banner made in the Pennsylvania State colors, green, blue, gold and silver, was given to us to keep for one year, because Miss Himes is President of the Kindergarten Division of our State Educational Association. Lock Haven is the only one of the State Teachers Colleges in this state which has a Kindergarten Course, and it has the exclusive right to that course among the State Teachers Colleges of our Commonwealth.

At the proper time, the banner was carried to the stage by Katherine Dick and Reba Franklin. On the background of state colors appeared the wheel of progress, the lamp of knowledge, and the outlines of oil derricks, typical of Pennsylvania. The only inscription on the banner was the word Pennsylvania, which was printed across the top.

Delegates from Many Nations

Miss Himes explained that the International Kindergarten Union was truly international, and had at its convention, delegates from all parts of the United States and from the world. Each state and country had its banner and the delegates from each state were seated together at the meetings with the banner raised to indicate their position.

The number of kindergartens in our own state is increasing yearly, said Miss Himes, but there is need for the establishment of many more. California ranks first in the number of kindergartens, New Jersey second, and New York third. Pennsylvania is the second richest state in the union, and should be able to rank with those three states in the number of kindergartens. She then read from the constitution and by-laws of the I. K. U. the purpose of the organization, which in brief is to gather and disseminate knowledge about kindergartens throughout the world, promote the establishment of kindergartens, and elevate their standards. We have six members of our faculty who have had kindergarten training, Miss Noel, Miss

They felt justly proud of their representatives, Beatrice Edison, Warrene Scott, and Ann Orlin, all of whom sang so delightfully. It is only on such occasions that we really have an opportunity to appreciate the talent in our own ranks. Those who took part, and the directors as well, are to be congratulated on the thoroughly successful performance.

Annual Junior Class Play, Honor Bright, to be Given

Honor Bright, the annual Junior Class play, is in preparation and will be presented on Friday evening, May 24. It is a delightful farce and presents many opportunities for humor. Because of the unusual shortness of time for rehearsals at the disposal of the cast, extra efforts have been necessary and we hear that the members are showing splendid school spirit giving the additional hours that are being called for. We feel that the Junior Class will have reason to be proud of the performance and we are all looking forward to May 24.

Y. W. Holds Outdoor Meeting

Y. W. Meeting of Wednesday, May 15, was conducted in a quite different manner than is the usual custom.

The girls brought their own cushions and sat on the steps of the main building. A long song service was lead by Lillian Rohde. The scripture was read by Elizabeth Kittleberger, our new president.

The evening's discussions were on "Good Times." Mildred Reiter, Dorothy Arnold and Grace Breidenstein speaking.

The beautiful warm spring evening with such an inspiring service was enjoyed by every one who attended.

"Alumni Day" to be Featur- ed by Interesting Program

On May 25th, all Alumni will be welcomed back to S. T. C. The five year classes of 1879, 1884, 1889, 1894, 1899, 1904, 1909, 1914, 1919, and 1924 are especially desirous of having their classmates return this year. Why not put forth a special effort to be present and get others to attend the Alumni Day festivities?

The Commencement season begins Friday, May 24th, 8.15 P. M., with the Junior Class Play, "Honor Bright," under the direction of Miss Mabel-Louise Arey of the Expression department.

A very interesting program for Alumni Meeting has been planned for Saturday, May 25th, at 2.30 P. M. The meeting will be opened by assembly singing directed by Miss Ivah Whitwell, of the Music Department, accompanied by Miss Mae Sisler, also of the Music Department. A reading by Miss Mabel-Louise Arey will be given and a solo will be sung by Prof. A. D. Patterson, Dir. of Junior High School, accompanied by Miss Mae Sisler. After the election of officers there will be a few short talks by former graduates, introduced by Dr. D. W. Thomas, '06, President of the Alumni Association.

The Alumni Banquet at 5.30, to be held in the College dining room, and the Reception and Dance at 8.00 P. M. in the gymnasium will close Alum-

PHYSICAL ED. DEPT. GIVES TALKS ON W. A. A.

**Several Sweaters and Letters to
Be Given at Class Day
Exercises**

TROPHY TO BE AWARDED

At the last chapel exercises for this year, held on Friday morning, Miss Dixon and Miss Edgerton, of the Physical Education Department, gave brief talks about the Women's Athletic Association. Miss Dixon's introductory remarks included the aims of the W. A. A. She read to us the slogan "A team for everyone and everyone on a team" which she said should be the slogan for all athletic organizations.

W. A. A. Point System Explained

Miss Edgerton explained to us how any active member of W. A. A. could receive honor. Points are given to the members for participation in the different phases of athletics. Any two year student can get a pin for 150 points, a letter for 700 points or a sweater for 1000 points. For the three year and four year students, 1500 points and 2000 points respectively are required for a sweater. This year several sweaters are to be given out on Class Day, but the names of the recipients are being kept secret.

All Students Urged to Join W. A. A.

Miss Edgerton then urged that all people interested in athletics should join W. A. A. Although non-members will not be barred from sports, those who wish to earn a sweater or letter must belong to the organization. Besides the athletic privileges, membership in the organization also permits participation in many social events during the year.

Miss Edgerton then informed us that the girls are going to have a trophy. The arrival of this athletic trophy is being delayed because of the Tennis Tournament. For the benefit of those Juniors who may not see it this year Miss Edgerton described it. The trophy is a silver shield, 12 by 8 inches, mounted on mahogany. Upon it is to be inscribed the names of the champions for 1928-29: Hockey, Purk's Pirates (Individual names); Captains Ball, Grier's team (Individual names); Indoor meet, Second year Intermediates; Basketball, High's team (Individual names); Baseball, Second year Intermediates; Dancing, Ellis, Purkiss; Track, Second year Intermediates; Tennis.

Track Meet on Friday

Friday afternoon the fifth grade girls will stage a track meet. The program will be just as extensive as the abilities of the girls will permit.

A Short Story

"The Foolish Four," co-eds of Wesley College, had nothing to do. "The Foolish Four" was their gang name. Their respective names were Ann, Sally, Bee, and Sandy. On this particular evening, they were collected in Bee's room, bent on enjoying themselves.

"Hey, somebody, I want to hear a funny story," cried Ann.

"Righto, you shall have it," answered Bee. "Have you heard the one about the Scotchman who . . ."

"Stop it!" demanded Sandy. "I'm Scotch and nobody's cracking jokes at my expense while I'm present."

Bee started again. "Well, how about this one? Once there was a girl who inherited a large fortune . . ."

"Say, I told you to make it funny! Any mention of money makes me realize the tragedy of my poverty stricken condition."

"All right, Ann, I'll try again. Do you girls know the one about the Irish maid and the cop?"

"Sure," broke in Sally, "that's ancient."

"Then how about the story of Mike and Pat on their trip across the ocean?" again suggested Bee.

"Oh gee—my grandmother told me that one!" It was Sally's voice again.

Once again Bee tried—"Listen then, I know a new one. Once there was a young, beautiful, intelligent girl, and . . ."

"Don't bother about the rest of it, Bee," demanded Ann. "It already has all the earmarks of a slam. Can't you tell me a good story?"

At that, Bee lost patience. "Honestly, you're about as hard to please as my Prof. If you want to laugh, laugh at yourselves! You're about the biggest bunch of jokes I've ever seen!"

Astounded, the girls stared at her without speaking. As the full import of her words burst upon them, however, they rapidly and angrily began to make their exit.

"Well, if that's the way you feel about it, I'm leaving. C'mon Sandy and Ann." Thus speaking, Sally began to walk down the hall.

"Absolutely—I'm not staying here to be insulted," replied Ann.

Above the noise of their own mumbings, they heard Bee's voice—"Good bye, gang. It's too bad that you're going because I just got a box from home—and what a swell feed will be wasted!"

At these words, the three departing ones stopped, wheeled suddenly, and flew back to Bee's room.

"Why Bee, darling, we're not angry. We were just kidding. Where's that box? . . . What a marvelous cake . . . Bee, what was that story about the Scotchman? Gimme a cracker . . . Um—Yum . . . Your mother's some cook, Bee, honey . . ."

Freshmen Defeat the Upperclassmen in Track Meet

The Freshmen seem to have the better track team, having won two meets from the Upperclassmen, one in the gymnasium and one out on the field. The outside track meet was held Tuesday afternoon, May 14. The Upperclassmen were superior in Football and Basketball, but the Freshmen had it all over them in the track meet.

The Freshmen won every event with the exception of the broad jump and the 1000 yard run. The score by points was 48 to 19 in favor of the Freshmen. Malone and Smith were the outstanding individual stars with T. Scott McLean coming in as a dark horse and placing in several events.

Malone took first place in the 100 yard dash, first place in the running broad jump, and tied for second place in the high jump. Smith took first place in the 440 yard dash, first place in the high jump, and second place in the discus throw. McLean took first place in the discus throw, second place in the 440 yard dash, third place in the shot put, and third in the broad jump.

The Freshman relay team also won the relay race, a race which was run off in good style. All the boys were interested in the track meet and we hope it will be continued next year.

PROGRAM BY Y. W. C. A. LITTLE SISTERS FEATURES VESPERS

The little sisters of the Y. W. C. A. had charge of the Vesper Service, Sunday evening, May 19. The singing of the opening songs, "Day is Dying in the West" and "God of Our Fathers" was led by Elizabeth Kittleberger. After the scripture reading by Mary Worcester, Margaret Hess sang a beautiful solo. She was accompanied by Ingrid Franklin at the piano. Then Mr. Ulmer interested the assembly in a book, "Fruits of Solitude" by William Penn. He read excerpts from essays on Ignorance, on Education, and on Pride. The maxims of William Penn introduced the audience to a new phase of that man's personality and character—that of the theologian and philosopher.

Primary Group Make Dolls

The Kindergarten-Primary group of Juniors have been busily working with white stockings, cotton, paint and some other material. The result of this work was seen on Thursday and Friday, May 16 and 17, in the Kindergarten room. A unique arrangement of the dolls was prepared by Sara Diehl and Faye Lord.

The dolls were arranged in a Kindergarten room of their own, each one engaging in some Kindergarten activity. Everything was as the ideal Kindergarten should be, including a wash room in use. This shows what a little work and material, on the part of each individual, will do for a class.

No child could help but love any one of the many dolls that were exhibited. Such equipment in the Kindergarten helps keep the children from becoming homesick in those first days away from home.

Such units of work as a Circus, Noah's Ark, Doll House, and an Indian Village will be shown in the Kindergarten from Tuesday to Thursday, May 21-23. This work was also done by the Kindergarten-Primary group of Juniors.

Because Friday is the last day of the college year for those who are not graduating; because the examinations, term-papers and lesson preparations will all be finished; because some of our friends will be here to take us home on Saturday and we will want to entertain them in some delightful manner; because we will be getting \$1.50 for our room key and mail box card; because we have nothing at all to do with our extra time while we are waiting for Saturday to come; and, finally, because it's going to be wonderful, we are all looking forward to seeing Honor Bright, the annual Junior Class play. Much spirit has been shown in the necessarily long rehearsals which have been called for in order that a fine play might be ready for our enjoyment on May 24. Since the selection of the cast was such a good one we have not the least doubt as to the outcome of the play. We have found what splendid results Miss Arey can make possible and we know that this play will be no exception to the rule.

Let us show a lot of spirit by attending the entertainment which will be worth both our time and money. A good idea may be to end the year right by seeing what fine talent we

We all know the story of the girl who cried and cried to go home when she first came here—she simply couldn't stay away from Mother and all the rest. And—as the story goes—when time to graduate came along, the poor young thing cried and cried because she didn't want to go home.

Now Seniors, we know that you do not reveal your emotions as this poor girl did,—but don't you think it's possible to get just a little lonesome for your Alma Mater? have right in our own school.

A Student Government Association is a fine thing for a school to have, and we are very fortunate in having one here. For several years it has been the privilege of the students to govern themselves to a large degree through the help of a council.

Since the best and only desirable results can be obtained by having good capable leaders in this Council, those who will give us a basis or foundation upon which to build our actions in accordance with the feelings of others as well as those of ourselves, we have tried to select the students whom we know will serve well in such an office.

We feel that the Student Council has been very successful this year and we are hoping for such success next year. We wish to congratulate the girls who have been elected to this responsible position in the Girls' Student Council and we hope they may find us ready to cooperate with them at all times.

HONORS WON BY LOCAL DELEGATES TO I. K. U. CONVENTION

(Continued from Page 1)

Lesh, Miss Barkhuff, Miss Northey, Miss Himes, and Mr. MacDougall.

Students Invited to Kindergarten

Miss Himes then emphasized the importance to principals, and students who expect to become principals of schools, of knowing enough about the work of the kindergarten to explain what it means and show the value of it to people of the community in which they are to work. She concluded with an invitation to all students to visit the kindergarten, requesting them to ask any questions they wished in order to obtain a better understanding of that phase of education.

On Tuesday morning, in chapel, the discussion of the Rochester convention was continued by three delegates who attended the convention, Chrissie Lambert, Margaret Ferguson, and Bernice Alexander.

Chrissie Lambert told in a very pleasing manner about their visits to the schools of Rochester. The one she visited was a semi-foreign school with grades from the kindergarten through the sixth grade. She spoke of an interesting circus project which all the grades were working out co-operatively, and the method of supervision of the younger pupils by the 5th and 6th grade pupils during the out-door periods.

Margaret Ferguson told of the general business session held on Thursday morning. At this meeting, Julia Wade Abbott told of the plan of the I. K. U. to take over the publication of its magazine "Childhood Education." In order to carry out this project a great deal of money is necessary, and various branches pledged money to carry on this work, our delegation pledging \$25 to the cause. The organization, she said, is considering changing its name since it is no longer exclusively a kindergarten organization, but includes the nursery school and the primary school as well.

The last speaker, Bernice Alexander, told about delegates' day at the Temple theatre, one of the largest theatres of Rochester, at which each delegation presented a stunt and souvenirs. Rhode Island won first prize for the best stunt, and Wisconsin second. In closing, Miss Alexander said they were proud to have been able to take part in such a wonderful organi-

CAMPUS CHATTER

Will wonders never cease! Tony Boyer has shaved off his moustache. He must have given it to Pete Doyle!

In a hygiene test one question asked was, "What would you do if you got something in your eye?"

Mary Foley answered: "I'd take it out!"

In American History, Miss Russell: "Miss Gibbons, what were the A, B, C powers?"

Jule, (triumphantly, with Mid Reiter's help): "America, Britain and China!" (In case any one does not ap-

preciate this we'll explain that the powers referred to were Argentine, Brazil and Chile.)

What's the meaning of all the long faces around the campus? Some of these love-lorn couples are just realizing that they only have a few days left. But Miss Whitwell must have given them some ideas when she had us sing Aloha Oe, in chapel the other day.

Whose grey eyes were you singing about, Anne? Unless our memory fails us, Mack's are blue!

TEACHERS ENTERTAIN SUPERVISORS AT DINNER AND SHOW

The student teachers of the training school showed their appreciation to their supervisors by taking them to dinner and the movies afterward. The entertaining was started by Miss Lesh's girls Tuesday night, May 7, at Roster's. Miss Phillip's girls followed on Thursday night, May 9, at Shuler's. Tuesday, May 14, Miss Northey's girls took her to Shuler's and Miss Rook and Miss Rowe were entertained at Roster's. The dinners ended Wednesday, May 15, when Miss Barkhuff's girls entertained her at the New Fallon.

Mr. Smith Talks on Conduct at Y. M. C. A. Meeting

At the regular meeting of the Y. M. C. A., held Wednesday evening, May 15, Mr. Smith spoke on the topic "Conduct." Often the question arises as to just what our conduct should be toward the other fellow under trying circumstances. Mr. Smith advised the group to be considerate of the other fellow, and to be sure that our conduct toward him would not bring sorrow and mental torture.

W. A. A. Thanks Dr. Armstrong for Successful Year

I wish to take this opportunity to thank Dr. Armstrong as well as the entire school not only for the shield which is being presented to the W. A. A. but also for the interest and enthusiasm that has been shown throughout the year. As a rule girls' athletics never meet with much interest. They are also the objects of much criticism. However, the girls have shown a great deal of enthusiasm in the various sports. In the tournament games, the girls exhibited very much spirit and wholesome competition. As a result the W. A. A. has several sweaters and letters, also a number of pins, to award. Considering the fact that W. A. A. is a new project in our college, much has been attained. Nevertheless, if the girls maintain the same interest next year as they have in the past, the W. A. A. will not only be a permanent organization in this college, but will also be an outstanding one. Again I wish to express the sincere thanks of the W. A. A. for the great interest that Dr. Armstrong has
