## L.H.S. Students Visit England

LOCK HAVEN—Eight men and eight women students will spend the first semester of the 1971-72 academic year in England as exchange students in the program recently established with Nottingham College of Education.

Nottingham College will send eight men and eight women students to LHS for the same period of time. Each student will pay the fees at his own college and exchange places with his counterpart, bearing only the additional cost of travel.

The men students going to Nottingham from Lock Haven are Richard Dochter, Robert Eichensehr, John Hunsberger, James Lebda, Gerald Luckovich, Dennis Metz, David Snyder, and James Wilkinson.

Lock Haven women students in the exchange are Katherine Bennett, Kathleen Clough, Margaret DeShully, Mary Frantz, Dorothy Haas, Barbara Moyer, Jessica Schuler, and Gloria Strubeck.

They will be accompanied by Dr. and Mrs. Perry Brown of the LHS faculty, who will serve as advisors.

The sixteen seniors, all education majors, will attend classes at Nottingham and study under an assigned tutor. Student teaching sessions in the British public schools will be conducted under the supervision of Dr. Brown.

Both Dr. and Mrs. Brown will teach courses at Nottingham. Two members of the Nottingham faculty will exchange residences with the Browns and teach at LHS.

A second group of students will make the exchange in February of next year. Lock Haven plans to expand the program to include a larger number of students in fields other than education.

### 7... Points For Peace

1. Peacefully paint your windows
2. Your doors may carry messages
3. Make posters
4. Bulletin boards are yours (Bulletin boards have many sides)
5. Awareness
6. Hands off other people's peace goods.
7. Support life

### -Notice-

GENERAL MAXWELL D. TAYLOR will discuss "Prospects for a settlement in Viet Nam," Wednesday, May 5, 8:15 p.m. Students and faculty may obtain tickets at PUB Reception Desk.

Any student having problems exercising the Pass-Fail Option should see Dr. Robinson or the respective division head rather than Dr. Williamson as was stated in Wednesday's paper.

General Maxwell Taylor

## Students Work on Exhibit

An art show presenting the work of various students is appearing at the Little Art Gallery through May 20. The exhibit offers enough diversity to satisfy almost any artistic taste.

The exhibit includes macramé to graphic media. There are also paintings, drawings, collages, jewelry exhibits, and problems in creative design.

One of the sculptures,

Custodius Exterminus, from Wierd Wonders of the Western World, caught the attention of many. It is made of iron scraps and carries the threat to, upon provocation, attack and devour unwitting janitors in 27 seconds.

Students from the various art classes, both majors and non-majors have their work included in this show, which is being presented through the cooperation of students and faculty.

Fun prevails at Greek Weekend - How about it Lambda Chi?

Anyone who plans to attend the Washington MayDay March should contact Mike Wampole or Pat Quinn in 204 North Hall for special information.

## Marker Unveiled

A marker indicating the original site of the Central State Normal School was unveiled and dedicated Saturday in conjunction with Parents Weekend. Those present at the dedication included members of the Board of Trustees, faculty and administration and students, parents and alumni.

Presiding over the ceremony was Edward H. Young, assistant to the president. Greetings were given by David C. Ulmer, Professor Emeritus of Biological Science.

The addresses were given by F. Clark Skelly, Dean of Instruction Emeritus and Hugh A. Williamson, Professor of Chemistry.

## Wrestler Headed to L.H.S.

LOCK HAVEN -- Another outstanding Pennsylvania high school wrestler is headed for Lock Haven State College and "Mat-town USA".

Ron Metzger of Lewisburg has been accepted at Lock Haven State and will be doing his collegiate wrestling for the Bald Eagles according to Dr. Ken Cox, head wrestling coach at Lock Haven.

Metzger, wrestling for Lewisburg High School, had a brilliant high school career. This past season he won the 180-pound District 4 championship and posted a great overall season record of 22-1.

Commenting on Metzger's selection of LHS, Coach Cox said, "We are indeed happy that a great wrestler like Ron will be with us for the next four years. He is coming to this college with a fine wrestling background."

Wrestling against very tough competition during the 1970-71 season Lock Haven posted a 10-3 dual meet record under first-year coach Dr. Cox.

### Do You Know --

- that learning to fly may be as important as learning to drive.
- that flying is learned in two places
  1. ground training
  2. flight training.
- that learning to fly is within your financial reach.
- that if you fill out the vote below exhibiting your interest and turn it in at the Student Union Director's office Lock Haven State College may have an Aero-Club?

Note: This activity does not involve SCC funds.

## Salley to Enroll

LOCK HAVEN -- John Salley, outstanding 6-foot-7 basketball player from Waymart High School, will enroll at Lock Haven State College in June according to head coach Jim Christopher.

Last week Salley was honored in being selected for "Merit's Who's Who Among High School Students in the United States." Less than two per cent of the high school students from 23,000 schools in this country will receive this high honor.

He was sports editor of the school newspaper and on the yearbook staff and was the March "Student of the Month" at Waymart.

The 235-pounder was a member of the Waymart soccer team for three years, basketball squad four years, and played four seasons on the baseball club.

Salley is a member of the Wayne League All-Star basketball team, and plays for the Waymart amateur baseball team.

"We are indeed pleased to have a boy of John's great sports ability attend Lock Haven State," stated Coach Christopher.

## Team Travels to Millersville

by Kathy "Sax" Umbach

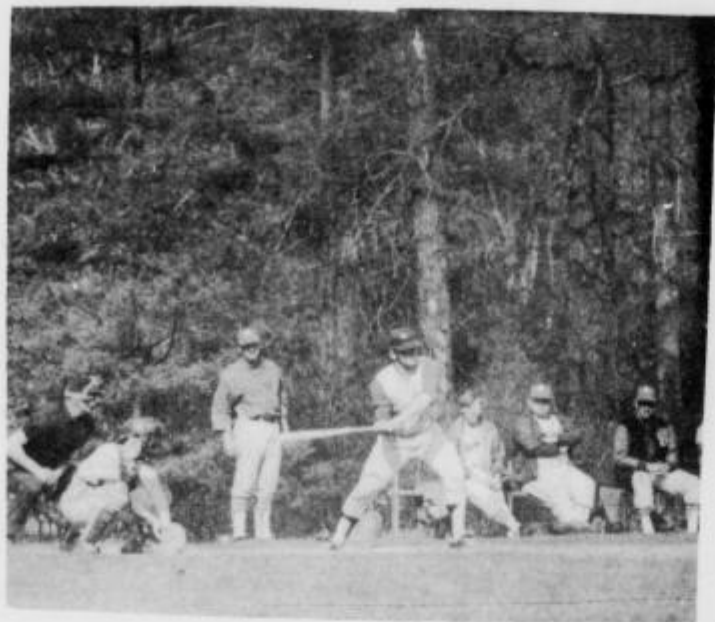

Saturday, May 1st, while the campus was inaugurating a president and entertaining parents, the Women's Lacrosse team traveled to Millersville to play a highly competitive team.

The first half started out slowly with neither team scoring but with each team penetrating deeply into the scoring area. After the Eaglettes became accustomed to the field, the scoring began. Jackie Crowell and Janet Harriger tossed in two goals each and Barb Johnson and JoAnn Regimbal each added one to close out the first half making the score Lock Haven 6, Millersville 0. Millersville's goalie accidentally scored a goal which was credited to Jackie Crowell for her assistance in the play.

The second half was no different than the first as LHS went on a scoring spree. Rose Ann Neff, the second home, lead the second half scoring with three goals, Jackie Crowell added two more, and JoAnn Regimbal tossed in one. Millersville's lone goal was scored by the second home, making the final score Lock Haven 12, Millersville 1.

The entire Lock Haven team played an outstanding game. Cathy Snovel played a fantastic game as goalie stopping 14 attempts at goal and then clearing the ball upfield to start the team on the offensive. The offensive controlled the ball and moved down the field to score time and again.

The lacrosse team's next game is tomorrow at 4:30 on the lower field behind Smith Hall. The competition will be a quick and fast team from Ithaca College.

## Eagles Defeat Shippensburg

On Saturday Skip Wolf, with two outs and two base runners on in the bottom of the last inning lashed a triple that allowed the LHS Bald Eagle "diamond nine" to defeat powerful Shippensburg in the second game of a doubleheader, 3-2. Shippensburg won the opener 3-0.

Behind 2-1 in the bottom of the seventh, Rick Osborn singled to give LHS a glimpse of hope. After two consecutive outs, Barry Anderson drew a walk putting Eagle runners on first and second with two outs.

Then Skipper Wolf, hitless in three prior trips to bat, stepped to the plate with the game resting on his shoulders. Shippensburg State pitcher Bob Markley reared back and left the ball fly. And fly it did. Right out into right-center field, giving Skipper Wolf a stand up triple and the LHS baseball squad an exciting 3-2 victory.

Lock Haven could manage

to collect five hits in the game, two by Rick Osborn, one each by Barry Seidel and Jeff Knarr, Jeff's being a double.

But add these five hits to the fine four hit pitching of sophomore Frank Blizina, who is now 2-0 on the season, and the sound defensive play of the entire LHS squad and you have the combination needed to win a ball game of this nature.

In the first game, the Eagles just couldn't get it together, even though they collected six hits. Singles were nunched out by Denny Rhule, Harry Douth, Ray Obsheim, and Jeff Knarr. Bill Yoder and Jim Sleicher smashed triples, but LHS hits were scattered and the Eagles couldn't push a run across, losing to Shippensburg 3-0.

Lock Haven ~~now~~ is now 5-2 overall, 4-2 in the Pa. Conference standings. Shippensburg had invaded Woolrich Field with an impressive 14-1 overall record.

One of the primary goals of Zeta Tau Alpha is to promote and encourage good scholarship among our members. It is our hope that through effective chapter scholarship programs each member will attain her scholastic potential. Zeta Tau Alpha expects its members to strive for excellence and not to be content with mediocrity.

In the fall of 1970 the National Scholarship Committee introduced a new program of Scholarship Recognition. Chapters, both initiates and pledges, having

a grade average of 2.90, or higher, on a 4.0 system, or 1.90, or higher, on a 3.0 system would earn a rating of Highly Commendable Achievement.

Chapters, both initiates and pledges, having a grade average of 2.75-2.89 on a 4.0 system or 1.75-1.89 on a 3.0 system would earn a rating of Commendable Achievement.

Zeta Nu chapter of ZTA at LHS has been rated 10 in a recent listing of chapters who have been highly commended.

To The Editor:

"Cheating," according to the *Compass*, "is a repugnant action on the part of any intelligent individual." Our faculty has initiated a committee to study academic dishonesty. All in all, however, a recent incident proves that such academic dishonesty could indeed be very fruitful.

Shortly before Easter vacation a head resident in one of the Men's Residence Halls was (so go eyewitness accounts) "caught" cheating. This person "imported" to fill his position because, in addition to being "a football player, wrestler, a skier and a personal friend of the Dean" he possessed powers, abilities, and leadership qualities

far beyond those of mortal Lock Haven students.

I am confident, that since the incident occurred while the Dean was on a skiing vacation in Colorado, he must have, by hearsay, conjecture, or speculation, by now, "got wind of it."

Never-the-less, he has done nothing about it. This person, while having allegedly violated one of our moral and ethical, societal regulations continues to hold his position as a representative of the Dean of Men. In fact, he has been reassigned his position for next year.

In view of this, may we then infer that the Dean's apparent or seemingly lack of action (or is it an obvious or intentional oversight?) in this case, actually condones such actions.

"It is better to cheat than repeat," eh Dean.

Sincerely interested in justice,  
"Nathan Hale"

## Baseball

## Sleicher Slated Top Pitcher

LOCK HAVEN -- Jim Sleicher, former Waynesboro High School standout athlete, is off to another great season as the top pitcher on the Lock Haven State College baseball team mound staff.

Sleicher is 2-0 after his first two starting assignments. The Bald Eagles off to the school's best start in years have a 4-1 record following a doubleheader split with California State College.

The Waynesboro native hurled the season's opener against Slippery Rock State and spaced out six singles on the way to a 7-3 victory. Sleicher recorded eight strikeouts and walked only one. He also drove in a run and had a stolen base.

In his second starting assignment Sleicher cooled off the heavy-hitting California State club by a 10-3 score. The LHSC ace allowed only five singles enroute to the big win. He whiffed two batters and walked one.

At least five major league scouts were in attendance at the game to see Sleicher in action.
