Lock Haven State College

Thursday, May 6, 1971

## Pertinent Issues Raised At SCC Meeting

At Tuesday night's SCC meeting the members voted to support the May Day activities. It was announced that a wreath of flowers will be given to the college and placed at the base of the flag in memory of the deaths of those in Vietnam, Kent State, and Jackson State. When weather improves, flowers will be planted and a sign will be erected as a permanent reminder.

Because the SCC now has no formal policy concerning the use of the Union for fund raising events, the Board voted on the motion which reads:

"With the approval of the Board or its designee, SCC may provide this facility for entertainment with any incidental profit accruing to the sponsoring educational organization."

This action will set up a standard policy as a point of reference and must be approved by the Board of Trustees.

It was called to the SCC's attention that a gross discrepancy exists in the prices of the various concessions on campus. A committee consisting of a member from each of the dorms was selected to survey all vending machines. An effort will then be made to formulate a uniform policy in all concessions.

It was suggested by the Executive Board of Sec that an activity fee be posed to all non-student components of the college. A fee of \$10 per member or \$15 per family was approved by the Board. It was proposed that members paying the fee will receive an ID card and those not bearing the identification at any campus function will be charged at the door. The proposal must be processed and become a constitutional amendment.

SCC voted to support the new registration policy with the exception of the \$5 drop-add fee.

Gary Worthington reviewed the faculty action on the "credit-No-Credit" grading scale for student teachers. It was voted to table any action on student involvement on the issue until a student opinion poll can be taken. A committee was appointed for this purpose.

A letter from Garey Gadson was read concerning the policy by the members of the Dean of Men's Staff of evaluating students. The Board voted against any furthering of this procedure.

It was passed by acclamation to appropriate \$75 to send Randy Long to the American Games wrestling trials in Oklahoma City.

George Bower, Treasurer of the SCC announced that the policy concerning monthly budget statements from all SCC funded organizations has not been followed. He stated that all organizations must submit a detailed account of all monthly expenditures by the 10th of each month. If this policy is not adhered to in the future, appropriations to the offending organizations will be frozen.

It was announced by Ron Jury, second Vice-President, that the Union hours have again been changed. Weekend hours are now as follows:

Saturday - 11 am to 1 am

Sunday - 11 am to 10:30 pm

Having no further business,

Gary Worthington adjourned the meeting at 9:30.

### PEACE, WAR AND THE CHRISTIAN CONSCIENCE

By Joseph Fahey

A 24-page booklet that traces Christ's efforts, through 2,000 years, to limit the savagery of war. A balanced, factual picture of positions ranging from all-out approval (The Crusades), through limited war (the just-war theory), to Christian pacifism.

"Peace, War and the Christian Conscience" concludes with concrete steps the average individual can take to promote "peace on earth."

In one year, over 600,000 copies in circulation. Single copies are available free from—

## Housing Code Sought At Edinboro State

Edinboro State College is presently reviewing sub-standard off-campus housing conditions being used by students of the college. Because conditions were so poor, help was sought from an attorney, but none could be secured through the student government.

Assistance was then solicited from David Hayes, a member of the State House of Representatives, who introduced Bill 688 in the House. This motion came from the Health Department Bureau of Labor and Industry and is presently in processing stages.

If passed, the housing code will go into effect on a state-wide basis and present specific standards to be met for all off-campus housing.

## Cornelius Selects Counselors

The new counselors in the

LHS men's residence hall program for the academic year 1971-1972 have been selected by Dean of Men, Francis J. Cornelius, and his present staff. The overall quality of the applicants was the best in many years. Selected from more than 50 excellent applicants, the 17 new counselors are as follows: Mel Abel, Al Anderson, John Buckley, Rod Burrows, Tom Cervone, Mike Colligan, Lance Edwards, Boyd Fisher, Tom Gahr, Frank Geiger, Warren Hammer, Steve Harnish, Bob Kovatch, Harold McKenzie, John Marzlak, Louie Savani, and Ziggie Tauginas. Several of the above appointments have been made on the basis of cumulative point average improvement - a provisional basis.

Three additional appointments have also been announced. They are: Joe Castagnola as Activities Director in Smith Hall and Rich Kirk and Dan Crutenden as counselors assigned to coordinate a special program for summer trial students.

From a working staff of 30 counselors, Dean Cornelius has positioned his staff according to male student ratio. This has been arranged so the male residents can secure a closer and more compatible relationship with his counselor and vice versa. Smith Hall will have ten active counselors or one per every 22 men. In North Hall there will be eight counselors or one for every 24 male residents. In High Hall there will be 12 counselors or a 1:18 ratio. The counseling staff has been increased in High Hall because the dorm will be fully occupied in the fall and the increase of staff provides for a more favorable ratio, both socially and academically, of counselors to men.

The concept of utilizing undergraduate students as head residents rather than adults will be continued and expanded to include High Hall in the 1971-1972 men's residence hall program. Returning for their second consecutive year at North Hall will be the experienced Terrell Jones and Rod Norris. Filling the position in High Hall will be former counselor and head resident Alex Nuzzo and two-year counselor Larry Sheranick.

With this year's superb selection of wide-ranging and multi-talented counselors added to the present well-experienced staff, the 1971-1972 men's residence hall program at LHS should be the most efficient and well-organized since the existence of the program.

## Patience Needed To End Entanglement In Vietnam

"We're almost home. We need a little more patience, a little more resolve not to defeat ourselves."

This is how General Taylor summed up the American involvement in the Vietnam War. He suggested three possible ways to end that entanglement. First of all, he commented on negotiation. "Negotiation termination

doesn't look very plausible," said Taylor. He stated that the communists would never be willing to put their political futures to a vote, which is the goal of United States negotiators.

The second way to end American involvement in the war is through Vietnamization, commented Taylor. "Regardless of what the enemy does, we'll get out in an orderly way." President Nixon was able to develop this program because of favorable factors presented to him by previous administrations.

Since the war had been progressing well in '67 and '68, many well trained men in the South Vietnamese army were available. A leadership training program was set up for these men. Further, tremendous losses were suffered by the enemy in '68 and '69. Because of these losses the South Vietnamese easily moved in to take over. A disadvantage of Vietnamization uncertain fate of American POW's.

Taylor mentioned a third possible way of ending U.S. involvement in the war, - immediate withdrawal. "You can't get out now, he said, "it's nonsense. It would take at least a year to withdraw all men and machinery." This, he said, would be especially difficult without the cooperation of South Vietnam.

He couldn't believe that those who advocate immediate withdrawal would sacrifice all the country's honor. "They don't understand the implications of what they say." He suggested that these people could bring defeat easier than the Viet Cong.

As Taylor answered questions from the audience, it became increasingly apparent that they did not share his viewpoint.

## '72 Globetrotter Holidays Planned

Fun, friendship and adventure for students and the young adult jet set are accented on Trafalgar Tours' swinging Globetrotter Holidays for 1972. They begin and end in London with trans-atlantic air transportation on Japan Air Lines.

These pleasure-filled tours are ideal for vacationing students. They use luxury motor-coaches and visit the most exciting cities in Europe. Each tour is fully escorted by a multi-lingual professional tour manager. Members of the traveling party make new friends immediately, meeting fellow young people from England, Australia, Canada, New Zealand and the U.S.

Oriented to today's go generation, the programs are set up so that passengers take their luncheons and dinners when and where they want. There is plenty of time to laze, explore or enjoy the local atmosphere.

Three basic programs are available. The 43-day Southern Globetrotter visits Belgium, Holland, Spain, Italy, Germany, Switzerland, Austria, Liechtenstein, France and England. With several departures per month through October, the tour is priced from \$450 plus applicable airfare.

The popular Mini Globetrotter is a 22-day tour that visits nine countries. Departures are planned throughout the year. The cost of the Mini Globetrotter begins at \$255, with airfare additional.

The unique Northern Globetrotter visits Holland, Germany, Denmark, Sweden, Finland, Russia, Poland, East Germany, Belgium and England. The 22 day program has several departures in June, July and August and is priced from \$370 plus applicable airfare.

Further information on the 1971 tours of Trafalgar, one of the finest motorcoach tour companies in the world, is available from any travel agent or Japan Air Lines.

Do You Know --

- that learning to fly may be as important as learning to drive.

- that flying is learned in two places

1. ground training
2. flight training.

- that learning to fly is within your financial reach.

- that if you fill out the vote below exhibiting your interest and turn it in at the Student Union Director's office Lock Haven State College may have an Aero-Club?

## LHS Spring Band Concert

Sunday, May 9, the Lock Haven State College Band will present its spring concert in Bentley Hall Lounge at 8. Under the direction of Dr. Russell C. Nelson, the LHS Band will perform a number of varied selections ranging from a brief, classical arrangements such as the *Handel Festival* to the invigorating *March and Procession of Bacchus*. Also included are popular numbers such as *Cherish* and the famed *Grenadier* selection in the *English Suite* by Grundman.

The program consists of the following:

Kenny's *Coat of Arms* (Concert March)

*A Handel Festival*

Bartok's *Rhapsody*

Strauss' *Allerseelen*

Whear's *Introduction & Invention*

*Delibes' March and Procession of Bacchus*

Grundman's *English Suite*

Kirkman's *Cherish*

Grundman's *Music For A Carnival*

With varied melodic selections and numerous diversifications of styles, the concert offers music of interest to everyone. All are welcome and there is no admission fee.

## HOW TO GET YOUR ZIP CODE

1. Ask your postman.
2. Look at the Zip Code Map in the Yellow Pages.
3. Call your Post Office.

# Baseball Team Headed Toward Playoff Berth

by David Nevel

The Lock Haven State baseball squad is anxiously awaiting a berth in the Pennsylvania Conference playoffs.

The Eagles inched closer to that goal on Tuesday afternoon by sweeping a doubleheader from Bloomsburg State College, 7-6 and 11-5.

Sparked by a barrage of 25 hits, Coach Tod Eberle's "diamond nine" are now 7-2 on the season, and 6-2 in the Pa. Conference, giving the team an excellent chance to make the playoffs.

Led by the fine hitting of Denny Rhule, Ray Oberheim, and Bruce Victoriano, the Eagles squeezed by Bloom in the opener 7-6.

Rhule, the top batter on the squad, blasted a double and two singles in four trips to the plate. Oberheim went 2-3 and Victoriano 2-4 driving in two runs.

Along with Rhule, Bill Yoder and cannon-arm catcher Lou Martarano also punched out doubles.

On the mound for LHS in the first game undefeated Jim Sletcher, who is now 3-0 on the season. Sletcher, hurling well until he tired in the seventh, struck out six on his way to his third straight victory.

But help had to be gotten from lefty Bob Lacotta, who after coming in with no outs in the last inning and LHS only ahead 7-6, proceeded to strike out two Bloomsburg batsmen and force the other to ground out, saving the game and giving the Eagles a much needed win.

In the second game, it was the sheer raw power of the Eagles that carried them to an impressive 11-5 victory.

Headed by Ray Oberheim, who smashed two home runs, one a grand slam, and drove in seven runs, the LHS squad blasted 13 hits, including a home run by little Rich Osborn. Osborn also doubled and drove in two runs.

But the word was Ray

Oberheim, who sent a shot over the center field fence in the first inning with two on base, and then came back in the second with a grand slam, once again sending the ball hurdling over the center field wall.

Overall, ten LHS batters hit safely in the game, two hits a piece coming from Oberheim, Barry Seidel, and Osborn.

After only two innings, the Eagles had jumped off to a 9-0 lead behind the unbelievable power at the plate and fine hurling by sophomore Mark Drauschak. Drauschak, now 1-1 on the season, hurled five innings before leaving with a sore arm, and only gave up five hits and five runs.

And once again, lefty Bob Lacotta was called upon to pull the Eagles through. Lacotta again looked impressive, giving up only two hits and no runs, and saving his second game of the day.

Today, LHS travels to Clarion in search of two more victories. Victories that would move them closer to a berth in the Conference playoffs.

## Denny Rhule Cited For Performance

LOCK HAVEN--Denny Rhule of State College, Lock Haven State College third baseman, is off to the best start of his three year baseball career at LHS.

Rhule is leading the surprising Bald Eagles with a hefty .562 average after the first nine games. The Lock Haven senior has rapped out nine hits in 16 trips to the plate. Rhule has scored six runs and hit three doubles.

In LHS's big twinbill win over arch-rival Bloomsburg State, the Bald Eagle thirdsacker went 4-for-6 at the plate.

The Bald Eagles of Coach Tod Eberle have posted a fine 7-2 record to-date and are batting for a playoff berth in the first Pennsylvania Conference Championship playoff.

The top first four teams as of May 12 will compete in the tourney slated for May 14 and 15.

**ATTENTION, NOTTINGHAM STUDENTS:** Please meet in Raub Hall lobby at 5:30 p.m. on Thursday, May 6, to make sure everyone has a ride to the picnic supper at the Browns.

Lambda Chi Alpha has begun a little sister program, the Crescent Club, at Lock Haven State.

Plans for CC began last fall but the program did not take effect until March 25. At this time invitations for an informal get together to meet the brothers were distributed.

Bids were sent out on March 31 and forty-three girls were initiated as pledges of CC on April 15.

Crescent Club is a national division of Lambda Chi Alpha. The girls are to take part in rush by attending smokers and serving the rushees. Projects such as window washing, painting the house, making curtains, and decorating for house parties are part of the club's activities.

The girls are invited to attend all of Lambda Chi's social activities throughout the year.

Officers are Linda Keister, President; Cindy Smith, Vice-President; Janet Langley, Secretary; Judy Kriner, Treasurer; Leslie Kelly, Social Chairman; and Nan Peffley, Music Chairman.

Pledge trainer, Phil Flynn, organized the program.

The girls will be initiated on May 17.

The Greeks and their dates were active last weekend celebrating Greek Weekend.

All of the fraternities held house parties both Friday and Saturday nights. On Friday, the "Wheat" helped the celebration by playing for a street dance.

Saturday afternoon's theme was United Greeks For United Fund. The fraternities competed in a chariot race with Tau Kappa Epsilon streaking to a first place finish and Lambda Chi coming in for a second place win. The raft race saw Lambda Chi splash on to a first place victory with Kappa Delta Rho floating into second place.

Despite the bad weather, all the Greeks were in high spirits for Greek Olympics, sponsored by Lambda Chi. Alpha Sigma Tau won first place honors in the sorority division while Zeta Tau Alpha came in second. Tau Kappa Epsilon captured first place in the fraternity division with Kappa Delta Rho in a close second place.

## Tom Jones To Appear At Hershey

Hershey, Pa. - Living legends are few and far between. All too often a star stops touring when he attains this rare status. Not so with Tom Jones, who will appear at Hershey Stadium Friday, June 18, at 8:30. Rain date is Monday, June 21.

The recording superstar thrives on the excitement and hustle of touring. If he wished to give it up, he could certainly do so. He has reached the top echelon of stardom, reserved for that very small handful of entertainers whose success is worldwide, and whose names are household words.

The Welsh dynamo, whose recording of Paul Anka's "She's A Lady", has topped best selling lists around the country is bringing a big show for his Hershey date, including the Blossoms, exciting female vocal trio; Pat Henry, comedy star; Johnny Spence, his personal musical director; and the 30-piece orchestra comprising the Jeff Sturges Universe.

Jones has received awards ranging from "Entertainer of the Year" (bestowed by the famous Friars Club) to "Most Magnetic Male", awarded by the Hollywood Bachelorettes Society. Along the way he has sold millions of records and has been called the "number one singer in the world" by no less an authority than Frank Sinatra.

Golden records have piled up and box office records have fallen by the wayside as Jones' incredible energy and big booming voice placed him at the very top of show business. His fans' declarations of love and devotion have taken various forms as Jones performed his dynamic hits. Security men must be assigned to cover his every move, adding to the difficulties of life on the road.

And yet he continues to tour, punishing himself with a schedule so grueling that his days as a construction laborer seem like idle luxury - and for only one reason: he loves to perform. "I am in this business for one reason only - to sing and make people happy." The Hershey show is part of a six-months tour of the United States and Canada.

This is irrelevant, insignificant and invalid but, by God, you're going to learn it!

## friends of animals, inc.

11 west 60 street new york, n.y. 10023

For release during

**BE KIND TO ANIMALS WEEK—May 2-8**

For further information call (212) 247-8121

BE KIND TO ANIMALS week; officially designated as May 2-8 has stimulated a new labor movement — "The Union of Working Cats."

The "Union," formed by Friends of Animals, will press merchants to "stop operating as kitten factories," according to Alice Herrington, president of the humane group with headquarters in New York City at 11 West 60 Street.

Stores, institutions and individual pet-owners who send proof that their cat was spayed or altered will be awarded an emblem to affix to a window. The slogan reads:

"In return for Service, Companionship and Trust We give Love, Care and Protection."

The cat in the photo, above, is portrayed on the emblem.
