Law Enforcement announces fines for campus parking violations

By Joe Garrison
Staff Reporter

New parking regulations on campus for the current scholastic year have been announced by Law Enforcement.

Campus police will issue fines of five dollars for parking in loading zones, handicap areas, and any other unauthorized areas. The same fine will also be levied for not having a parking decal displayed.

Any person who receives seven or more parking tickets during a semester will have their parking privileges revoked for at least one semester.

After parking privileges have been revoked, any person who parks on campus

is subject to increased fines, additional suspensions, and may have their vehicle towed away at their own expense.

Students with vehicles on campus must have a valid driver's license, and vehicle registration is also required to maintain liability insurance.

In addition, new registrants must present a current validated SCC I.D. card upon registering.

Law Enforcement also announced that Parking Area 9 by the Thrifty Swifty is now only for faculty, staff, commuters, and visitors.

All dorm residents must now park only in Area 6, which are the parking spaces near North, Gross, McEntire, and High Hall, and Area 7 below High Hall.

Cultural magazine to be printed

By Herb Samuels
Staff Reporter

People abroad are awaiting Lock Haven's essays, fictional works, poetry, and other ideas about culture and international education, said John W. Johnston, associate dean of international studies.

The International Education Department of Lock Haven University has announced a publication date of Summer 1988 for The Lock Haven International Review.

The Review is a collection of articles, essays and poetry that reflect the contemporary issues of international education.

The Review's purpose is "to publish material dealing with international education," said Robert S. Bravard, editor in chief of The Review. "It gives broad multicultural information."

"There is great interest abroad for The Review. People are looking to Lock Haven as a leader in international programming," said Johnston.

The Review is distributed in Lock Haven as well as to an international audience.

The staff of the 1988 The Review consists of Director of Library Services Robert Bravard and Arden W. Holland, Ed.D, chairman of foundation studies.

The list also includes Dr. Roberta Kleinman, professor in the chemistry, physics and geoscience department, and Sharon Taylor, the University's associate director of athletics.

The Review staff is also making an appeal for students to submit work.

Material should appeal to a broad audience interested in contemporary subjects relating to international culture or education.

Manuscripts should be in the form of articles, essays, interviews, translations, fiction or poetry. For information contact Bravard. The deadline is January 1, 1988.

Sadler named center director

By Kate Kinney
Co-News Editor

Dr. William A. Sadler Jr. has been named the director for the newly-formed Lock Haven Center for Planning and Evaluation.

Sadler said the center is concerned with "evaluation to provide the best services for the students" at Lock Haven University.

Among the focuses of the center are researching the needs of this University and drafting its long-range plans.

Developing research and programs that will require grants, and evaluation of academic programs are also among the aims for the Evaluation and Planning office.

The center will "help the students indirectly," said Sadler. "The direct help will come from the teachers, counselors, and peer advisors."

One main concern Sadler has, and which will be a focus of the center, is the issue of retention.

Sadler said right now the statistic of those graduating on time has only hit the 50 percent mark. He said he'd like to see that figure rise to 60 percent.

"When we have a better understanding of the problem, we can start to plan," said Sadler.

Other future endeavors include a computerized registration system, summer orientation, and peer counselors for incoming freshmen.

He said the idea behind the center is "to foster an institutional self-awareness" among the staff, to help better the

University.

"It's (the center) still experimental, but we're learning as we're going along," said Sadler.

Sadler formerly served as Dean of the College of Arts and Sciences, until his appointment to the center.

He also participated on the Planning Commission 2000, which was the "first step for Lock Haven in long range planning," said Sadler.

As co-chairman with President Willis, this commission tackled the problems of getting computerized registration, reviewing athletic policies, and international exchange programs.

He (Sadler) will work with Dr. Harold Silver, assistant to University President Craig Dean Willis.

LETTER TO THE EDITOR

Beware of sexual harassment

To all female students at LHU:

Have any of you ever been sexually harassed by a professor? What I mean by sexual harassment is, have any male professors touched you or propositioned you?

Well, I was propositioned by one a few weeks ago. I was so humiliated and still am, but I wanted to write this in order to warn you. Lock Haven might be a small town, but it isn't that small.

I was offered a job by a professor, and I assumed that it was going to be an office job. Well, I found out from him that I had

been his sexual fantasy for a while and he wanted me to ease his pain a little.

Girls, watch out! I'm not saying that all the professors here are leaches, because that is not true. There are a lot of really nice professors up here, but there are a few that are not too nice.

Sexual harassment is something we women will never be able to beat, but girls, think twice about that professor you think is nice and wants to take you out for a cup of coffee or a beer.

A friend,
Traci Sprucebank

Huskie offense rolls over Bald Eagles in home opener 25-6

By Bill Alexander
Sports Editor

A rain-soaked Hubert Jack Stadium was the battlefield Saturday as the Bloomsburg Huskies trounced the Bald Eagles 25-6.

"It was a total lack of execution on offense that killed us," said Head Coach Tom Jones. "We made too many mistakes and just couldn't get anything going."

The Huskies lit up the scoreboard early in the contest as they scored on their first two possessions.

Bloom QB Jay DeDea connected with Curtis Still, on their second play from scrimmage, for a 63-yard TD. Chris Mingrone's PAT gave the Huskies an early 7-0 lead.

DeDea's arm moved the Huskies on their next possession as he completed 4-of-5 passes, setting up a one-yard TD run by Tom Martin. Mingrone's extra point was blocked by Dave Laudeman but Bloom led 13-0.

Lock Haven's third possession stalled at the Bloom 21 yard line, and on 4th-and-9, Fred Dyroff's FG was wide right.

Bloom added another score with 10 seconds left in the first half as DeDea hit Martin for an eight yard TD. The PAT was no good and Bloom led 19-0 at the half.

"We made some good adjustments at halftime that shut them down in the second half," said Jones. "We just gave up three big plays on defense that led to touchdowns."

The Bald Eagles got on the scoreboard in the third quarter as Darrell Chavis scored from one yard out. The two-point conversion failed and the Huskie lead was cut to 19-6.

Bloom put the final points on the board as Leonard Bluitt scored from 24-yards away. Mingrone's run for two points was no good.

Bluitt led all rushers with 68 yards on 10 carries, and DeDea went 19-for-34 for 244 yards, two TD's and one interception.

Chavis led the Bald Eagle's attack as he gained 17 yards on eight carries. Eagle QB Pat Cahill was 6-for-15 for 111 yards and two interceptions while back-up QB Richard Hunter was 5-for-12 for 61 yards and one interception.

Lock Haven goes on the road for the third time in four weeks this Saturday to take on the Red Raiders of Shippensburg.

"They're a good team. They run well, are very physical and have a great football tradition," said Jones. "We need to get our attitude back and will have to play well to beat them."

Kick-off is scheduled for 1:30 p.m.

Harriers have tough weekend at Mansfield

By Alison Edgar
Sports Reporter

Combating poor conditions, tough hills and strong competition, the men's cross country team placed 11th out of 14 teams at the Mansfield Invitational Saturday.

Freshman sensation Debbie Valansky captured the overall ladies' crown when she finished the 3.1-mile course in 20:21.

The Lady Eagles finished second in the team competition behind Bloomsburg though, despite the top ten finishes of Jill Baumgartner and Lori Jameson.

Baumgartner crossed the line at 21:22 for sixth, with Jameson right behind in seventh at 21:41. Julie Grasser was the next Haven runner in at 22:26.

Greg MacGowan was the top Haven finisher over the five-mile course with a time of 26:00, which placed him 17th out of 102 runners at the meet.

MacGowan took over the number one position for LHU this week with Peter Fleming, the Bald Eagles speedster from Scotland, out with a sore knee.

Also out of the Haven lineup because of sickness were Tom Have and Andy Sulon.

Following MacGowan to the tape was senior Brad Seth, who was clocked at 27:08.

Sophomore John Widl, senior Joe Madrak, and freshman Steve Resser rounded

out the top five for the Bald Eagles. The five harriers totaled up 254 points.

Head Coach Kurt Smith is looking for a promising tri-meet this Saturday against East Stroudsburg and Bloomsburg. Smith pointed out that even though East Stroudsburg is a very tough competitor and has two returning all-americans, LHU hopes to run well.

"Our goal for this weekend is to close the gap between our first and second runner's scores," said Smith. "Our team has many strong runners, but I hope to see them progress as the season goes on."

The Lady Eagles are also looking towards Saturday as Jameson pointed out, "We are going to be very competitive with ESU, but Bloomsburg is a lot better than we are this year."

Haven shuts out Mercyhurst 2-0

By Andy Devilbiss
Sports Reporter

Playing without two starters, the Bald Eagle's soccer team used a rigid defense to record a 2-0 win over Mercyhurst College on Saturday.

Gary Ross, who was given a red card in the Bloomsburg game, was ineligible to play, but the Haven was able to compensate with goals by Steve Eagleton and Chris Kelly.

"We played very well in the first half. They didn't have any shots on goal," said Assistant Coach Mike Corney.

Lock Haven recorded 15 shots on goal, compared to Mercyhurst's four. The Haven also outnumbered Mercyhurst's corner kicks two to one.

"I enjoyed playing midfield. It worked out well and gave us a little bit more bite," said Eagleton. Eagleton is normally stationed as sweeperback, but a flip flop of positions with Rob Eaton moved him up field.

Lock Haven goalkeeper Warren Westcoat collected three saves, while Mercyhurst's Joe Behr had 13.

"Eaton played a very good game at sweeper, and Westcoat is still playing brilliantly," said Corney.

Eagleton scored first for the Haven with an unassisted blast at 9:06 into the first half, and was followed by Kelly, who scored an unassisted goal later in the half.

The Bald Eagles will travel to Rochester, Michigan this weekend for the National Invitational Tournament against the University of Missouri at St. Louis on Saturday and Davis and Elkins on Sunday.

"Both teams are in the top 20, so we're going to have to play like we did in the first half against Mercyhurst and dig in," said Eagleton.

Gymnasts to tumble in Fieldhouse

By Gina D'Aurio
Staff Writer

Danish gymnasts will bring a touch of culture to Thomas Fieldhouse for their second performance at the University within ten years.

The program will feature a group of 24 men and women who will perform one show on Monday, October 12, at 7:30 p.m. in the Fieldhouse.

The audience will see a wide variety of entertainment, such as folk dancers in Danish native costume, rhythmic gymnasts using balls, ribbons, and wands, and artistic gymnasts who will be taking part in

tumbling and vaulting.

The Danish team performed at LHU nine years ago, according to Lu deWette, professor and coordinator of professional studies in the University Department of HPE.

The Danish-American program was initiated in 1970 and is a "people oriented program," said deWette. "It helps participants from both countries become better acquainted with each other."

Members of the Danish team will conduct a gymnastics and folk dancing clinic for University students in the health and physical education, or related studies, deWette added.
