TWISTING THE NIGHT AWAY -- Of the eleven couples participating in the dance marathon to benefit Easter Seals, this weekend four couples were remaining at closing time. Final results of the marathon which was sponsored by Phi Mu Delta will be announced tomorrow.

Cultural affairs announces activities

By FRED SCHULTZ
Staff Reporter

Activities for this semester and the coming bicentennial year were announced at Thursday's Cultural Affairs committee meeting. The meeting was called by Chairman David C. Heverly so that students could become more involved in choosing and enjoying the cultural activities set up.

Dr. Denys Gary, Russell Nelson, and Stan Wisniewski presented schedules for programs and exhibits to be held this semester. Dr. Gary explained that the production of "Lovers and Other Strangers" set for September 30 will have to be either postponed or cancelled because of the illness and surgery of the leading actor. However, the off Broadway production of "Godspell" will be performed as scheduled for October 19 in

Price Auditorium.

Dr. Nelson presented a schedule of musical programs for the entire academic year. Productions scheduled for this semester include the Duquesne University Tamburitians on October 19 and "Flute Setting with Harp" on November 17. Quite a few bicentennial programs are scheduled for next semester.

Dr. Wisniewski also contributed his schedule of art programs for the year. September 22, Dr. William Lockhart, a rope sculptor and well-known art educator from Texas, will be on campus to give a slide presentation of his unique form of art. September 29, a demonstration and lecture on the fairly new form of pottery work known as Raku ceramics will be presented. Later in the semester, Robert Cullen, a professor at Montgomery College, will present

Four couples finish in Easter Seals marathon

"The student response was tremendous" stated Thad Bydlon, chairman of the Phi Mu Delta dance marathon which ran for 42 hours and two minutes this past weekend. Proceeds from the marathon, which included 11 couples at its start, will go to the Centre and Clinton County Easter Seals Societies.

Final results of the marathon will be announced tomorrow evening at the Phi Mu Delta House, when formal presentation of checks will be made.

Of the 11 couples who began in the marathon at 6:00 p.m. Friday, only four remained at the closing time. These four couples include Janice Todd and Clare Gebhart representing

Alpha Sigma Tau; Patti Cunningham and Pam Horvath representing Sigma Sigma; Wayne Sowers and Alane Addams, independents; and Ed Dennis and Pamela Deved representing Phi Mu Delta.

College sponsors bicen film series

This evening two bicentennial films sponsored by Lock Haven State College Bicentennial Commission will be shown at 7:30 in Ulmer Planetarium

The first film will be "Thomas Jefferson," which is a biographical sketch of Jefferson's life, and the second film will be "Profiles in Courage: John Quincy Adams," which concerns Adams's unpopular role in politics.

The combined viewing time of the two films is approximately 1 hour and 10 minutes.

The bicentennial films will be shown every Monday evening at 7:30 in Ulmer Planetarium.

his paintings, which feature textural effects with acrylics. Also planned is a student art show near the end of the semester, which will be not only art majors' work but all art students in general. In the beginning of next semester, a faculty art show is planned.

Faculty, staff join to form student scholarship fund

By KAYE HOPPLE
Staff Reporter

Realizing that an increasing number of students need help to meet rising education costs, several members of the college faculty and staff have formed a scholarship fund.

Voting membership in the fund consists of 42 faculty and staff members who have contributed one fourth of one

percent of their annual salary to the scholarship fund.

The scholarships will be available for the spring semester. Criteria for a scholarship approval requires that the recipient be a full time student at LHSC show financial need or an unexpected financial hardship, demonstrate academic promise in an area of study, and comply with other conditions established by the

Letter to the editor

To the Editor:

As a brother of the Lambda Chi Alpha Fraternity I'm writing this letter to the editor in the poor taste used by Philip Burlingame in the article "Is 'nearly nude' enough?" in Friday's paper.

Burlingame stated that "two members of the Lambda Chi Alpha Fraternity were caught by college police attempting to remove an article of furniture from Gross Hall." He did not have to refer them

as members of the fraternity but as two students as he did in the other examples in his article. I feel that his usage was totally uncalled for and trying to give fraternities a bad name.

After all there is more to a fraternity than partying as is showed by Phi Mu Delta's dance marathon this weekend to benefit Easter Seals and other fund raisers put on by the fraternities.

Richard H. Heuer

Bicen contest sponsors \$100,000 in awards

America's future rests upon the dreams, the resourcefulness, the determination, and the skill of all its people in seeking solutions to the critical issues facing our society.

This statement of purpose underlies a Bicentennial awards program entitled "Toward Our Third Century," in which the Smithsonian Institution is cooperating with the sponsoring Wells Fargo Bank, announced Richard P. Cooley, President and Chief Executive Officer of Wells Fargo Bank, and S. Dillon Ripley, Secretary of the Smithsonian.

"We are calling our program 'Toward Our Third Century' because that is its thrust. We are looking ahead," said Cooley, "not pausing to reflect on past accomplishments."

Offering \$100,000 in awards, Wells Fargo Bank, the oldest financial institution in the West, and the Smithsonian, known as the trustee of America's heritage, are inviting people of all ages to consider the needs of the next

century in the nation's history and to express their concepts thoughtfully and creatively in either written essays or via audio or visual media.

"We strongly believe that whatever glories this nation has had in its first 200 years can be surpassed in the next 100 years," stated Cooley, "But to achieve its potential, the United States will need the wisdom of all of its citizens -- their ideas, their spirit, their sensitivities to the needs of the nation, and their insights into how to satisfy those needs."

Entrants are asked to deal with America's third century in terms of one of the following themes: 1. Individual Freedoms in our Society, 2. American Arts and Culture, 3. Science, Technology, Energy and the Environment, 4. Family Life, Work and Leisure, and 5. The United States and the World.

"We view our Bicentennial program as an effort to seek out from the grass roots of America the best ideas from the widest possible spectrum -- young and old, rich and poor, hardhat and mortar board -- in short, from all groups of our multi-faceted society," said Ripley. "It is our hope that no individual will consider himself or herself as unqualified to participate," he added.

Three entry categories by individuals or groups include: 1. Written essays by young people whose entries are submitted before their 18th birth-

cont. on page 4

"When I get to be dictator of the schools, I'd start teachers out at the college level. Then when they got better, I'd give them a raise and send them to high school. And when they got even better, I'd give them another raise. And the best teachers in the country would be teaching in grammar schools."

After these words of Dr. Bill Lockhart brought cheers of "Hear, hear," and an eruption of applause from his audience at Florida's Pensacola Art Center last April he continued with, "Art is the most important experience a child can have, Art gives a person an opportunity to find his own type of expression. It makes them sensitive to their environment."

This evening at 7:30 p.m., in the Sloan Theatre, Dr. Bill Lockhart, who spells his name without capital letters, will lecture on art education and his works of a rare medium of sculpture...rope!

Lockhart is the chairman of the Department of Art at Texas Tech University and takes special interests in children's art and the training and in-service work of teachers.

He will be making three extra appearances on campus, all of which are planned for Seminar/workshop sessions. They are today 9-10 a.m. and 1-2 p.m. in J242 and tomorrow 10 a.m.-Noon in J237.

His works are neither macrame nor sewing but as much a part of the world of sculpture as sculptings of wood, stone, or clay.

Dr. Lockhart is a presentation of the LHSC Art Department and the SCC Cultural Affairs Committee. The Lecture and Seminar/Workshops are open to anyone wishing to attend and should prove interesting to those in the arts and in education.

CREATIVITY WITH ROPE -- An example of rope sculptor Dr. Bill Lockhart's work is shown above.

Outclassed Huskies control Eagle team

By RICH HEUER
Men's Sports Editor

The Lock Haven State football team outclassed the Bloomsburg State Huskies Saturday but still fell to the hands of defeat on one big play as they dropped a real squeaker 9-8.

The Eagles showed a well developed defense and with a few changes seemed to have found an offense that works. The Eagles, on their first offensive series moved the ball from their own 20 down field to the Huskies' 11 on good ground running by Steve DeLisle. Here they faltered as a five yard delay of game penalty cost them a field goal as Barry Walter's kick was just feet short.

The Huskies got the ball and turned a fluke play into a long gainer as Barry Staton picked up a Charles Lucas blocked punt and sprinted to the 50. A long pass and a penalty gave the Huskies a first and goal at the Eagles' one. Bloom could not penetrate the rock defense as Lun Rucci recovered a fumble on fourth and one.

The first score of the game came as Walt Savitts recovered a Haven fumble on the 11 and set up a 31 yard field goal early in the second quarter by Bob Hughes to give Bloom a 3-0 lead.

The rest of the second quarter was a defensive battle as neither team could get anything going as time ran out.

The Eagles started off the third quarter with a bang. The offensive line gave Dave Bower plenty of time to throw as he hooked up with Ed Thomas, who made two great catches to give the Haven a first and ten at the Bloom 18. The Eagles blew the sure thing as they went for the touchdown with a fourth and goal at the one.

The Eagles first scored when Barry Johnson sacked the Huskies quarterback in the end zone for a safety to make it 3-2 Bloom midway through the

third quarter.

The Eagles' only touchdown in their first two games came as freshman running back Charles Lucas dazzled the fans as he quickly popped through the middle and showed a great second effort scoring from 30 yards out. The extra point failed to give the Eagle gridders an 8-3 lead with 5 minutes remaining in the game.

The Huskies bounced right back as Tom Brennan turned a Ken Zipko pass into a 78 yard touchdown play. They failed to convert on a two point play making it 9-8 Bloom.

The Eagles gave a last

Booters register first shutout

By GARY BRUBAKER
Staff Reporter

Registering their first shutout of the '75 campaign, the Bald Eagle booters of Coach Karl Herrmann racked up their second consecutive victory of the young season, besting Edinboro 4-0 Saturday afternoon on McCollum field.

A home crowd of over 2,000 saw Lock Haven jump off to an early 1-0 lead, Kevin Crump taking a pass from Jon Conner and blasting a shot from 10 yards out into the Scot goal at 10:50 of the first half.

Neither team scored again until 41:26 when Mike McCartney headed an Al Rice throw-in past Scot goalie Jerry Drozynski for a 2-0 Lock Haven halftime lead.

Soccer fans from "the Haven" were not to be disappointed as Lock Haven continued their domination in second half play.

At 7:41 Rice and McCartney teamed up on an exact replica of their second score, with McCartney heading a shot into the Edinboro net off an Al Rice throw-in making it 3-0 LHS.

Midway through the second period Roger Bernecker simply outthusted the

entire Edinboro secondary, ramming home a ten yard shot to give Lock Haven a comfortable 4-0 lead.

Neither team could penetrate for another score - and the Eagles picked up their

Eaglettes dominate; club Keystone 6-0

By MARY FEUSNER
Women's Sports Editor

The Lock Haven women's varsity field hockey squad opened their season with a 6-0 victory over the Keystone Club team on Saturday morning. The "haven" dominated play throughout the game.

The attack was led by sophomores Gina Graham and Wendy Keller. Gina tallied goals in each half and Wendy assisted with a goal in the first half and scored with 16 minutes remaining to be played in the second period of play.

The squad began play in the traditional method of hockey. With an assist by Keller, Pat Rudy collected the initial goal of the game when only 1:15 had elapsed. Graham tallied the second goal with 24:35 showing on the clock.

First half play ended 2-0. The "haven" had

attempted six shots on goal compared to keystone's two.

Lock Haven returned to the field in the second half, playing the system style of hockey. Left wing Colleen Hacker was the first to take advantage of the keystone goalie, with 2:15 on the clock. Keller tallied the fourth Haven goal of the contest. Less than three minutes elapsed before center Gina Graham scored her second goal of the day. The final goal came off the stick of junior halfback Sue Bowers.

Conditioning proved to be a factor in the second half of the game. Keystone managed four shots on goal while Lock Haven was credited with 17.

This week, Sharon Taylor's junior varsity and varsity squads will be preparing for always tough Slippery Rock on September 30. The varsity contest will begin at 2:30 and the junior varsity contest will follow.

Police install stop signs

The campus Law Enforcement and Safety Division reports that stop signs have been placed on Glen Road at the intersection of the one way street leading to the residence halls on the hill. The action was taken after several accidents were reported in the

area and a pedestrian was struck by an auto near Bentley Hall.

Students are advised to walk behind Price Auditorium instead of walking along Glen Road when going to or from the Glennon Infirmary. The city street department has removed brush along Glen Road to enhance driver visibility.

The speed limit on the road has been reduced to 15 mph, but authorities say the road is only wide enough to permit use by vehicles.

booters

initial shutout victory of the young season.

Despite Lock Haven's domination of the contest, the statistics were fairly close. The Eagles outshot Edinboro 16-12 with Lock Haven goalie Steve Tanner registering 8 saves and Drozynski stopping 10 shots on goal for ESC. Lock Haven also held the edge in corner kicks, 6-4.

Despite the lop-sided score Eagle Coach Karl Herrmann felt that the Edinboro team had a stronger squad than last years.

"They're really not that bad of a team," stated the Eagle Head coach, "You're going to hear something from them this year."

"I feel we did a good workmanlike job on them," concluded Herrmann. "I hope we play a good tough aggressive game against Pitt."

ditch effort as Lucas again burst up the middle on four consecutive plays moving the ball from the Eagles' 44 down to the Huskies' 24 before the drive stalled and they had to give up the ball as time ran out.

The Haven exhibited fine team play as they racked up 21 first downs and 256 total yards to Bloomsburg's 8 first downs and 180 total yards.

CLASSIFIEDS

LOST: A pair of copper, wire-framed prescription glasses - reward offered - contact Kathy 231 Gross.

LOST: Blue Earth Science Book. Lost Wed. in Sloan Aud. or PUB. If found, return to Pip de Saintphalle, 302 Gross Hall.
