Reading list dropped by committee

By JULIA McGOVERN
Staff Reporter

Friday the motion to drop the Liberal Arts Reading List as a requirement of the School of Arts and Science was passed by the curriculum committee.

The proposal must now be passed by the Academic Policy Advisory Committee, the Academic Vice President, and finally, President of the college Dr. Francis Hamblin. Final action on the proposal is hoped to be taken by the end of the semester. If passed in its present form, the action will retroactively affect all students presently enrolled in the Arts and Science program.

The principle reasons for dropping the required reading list include its non-credit requirement status and relatively unstructured format.

The committee cleared up the misunderstanding as to the role of students on the curriculum committee. The students are to be on the committee as observers only. The misunderstanding at the last meeting took place because the S.C.C. received a memo from Dr. Hamblin with a list of committees the students were allowed to join as participants. The curriculum committee was mistakenly placed on this list. Only the faculty has the jurisdiction to change the composition of the committee. Last year the faculty voted to have the composition of the committee remain the same with no student participation.

Dr. Donald Green suggested that a motion be placed on the future agenda to enlarge the committee to include student participation.

A motion to allow students

to student teach in foreign countries was passed by the committee. If a sufficient amount of students (not less than 10) go to a country to teach, a student advisor will be

sent along with the college to pay the advisor's fare. The motion stipulates that no additional staff is to be added to implement the program.

FACES WILL CHANGE - - While these officers deal with S.C.C. business for this semester, nominations for next semester's executive committee are still being received. Deadline for nominations is tomorrow at 7:00 p.m. [Photo by JOHN VUKOVIC.]

Homecoming schedule finalized

By CATHIE KEENAN
Staff Reporter

A final list of Homecoming events and prices was approved last Tuesday night by the Homecoming Social Activities Committee.

Topics of discussion during the meeting ranged from "Dr. Zhivago" to the Hanneford Circus. According to committee members, the Homecoming movie "Dr. Zhivago" will be shown in Ulmer Planetarium on Friday at 10:30, Saturday at 11:00 and Sunday at 7:00. Rights to air the movie were bought by the S.C.C. for

\$800. All persons without validated I.D. cards will be charged a 50 cent admission fee.

Although ticket prices were not set for the Hanneford Circus performances, two performances by the entertainers are scheduled for Wednesday October 22 at 4:00 and 8:00. Known among the circus world as "The Royal Family of Circus," the troupe totals 67 performers and is being sponsored by the I.F.C. (Interfraternity Council.)

The S.C.C. is also sponsoring rock groups "Frijid Pink" and "I Don't Care" in a

Two professors earn awards

Two faculty from Lock Haven State College were nominated for the Distinguished Faculty Awards Program which was conducted in Harrisburg this past weekend by the State Department of Education and the Association of Pennsylvania State College and University Faculty.

Lewis Magent, assistant professor of elementary education, was nominated for the Excellence in Teaching Award while Dr. Paul Schwable, professor of biology, was nominated for the Exceptional Academic Service Award for the professional, teaching, and community contributions he has made in ornithology at LHS.

Fifty faculty from the 13 state colleges and Indiana University competed for monetary awards ranging from \$3,500. to \$6,000. to be given in recognition of distinguished teaching and academic service. The seven-member Distinguished Faculty Awards

cont. on page 4

concert/dance scheduled for Saturday night at 10:00. Admission for the event will be \$1.50 for those with validated I.D. cards and \$2.50 for general admission. The S.C.C. has invested a sum of \$2500. in the venture. Tickets go on sale today in the PUB Secretary's office.

Four students and "Joe Rock," former lead singer of "Ralph," will perform in the Homecoming Coffeehouse which will be free of charge for everyone. Coffeehouse entertainment will be featured in the PUB's Eagle Wing at 11:00

Letter to the editor

To The Editor:

SCC -the Student Co-operative Council; an organization that allegedly represents me, an activity fee paying student. I can only wonder who is kidding who.

Was it an organization representing the student body that voted to increase the activity fee? Do students want to pay \$5 more for less? What are we getting in the way of returns? What did our \$5 buy us0; --reduced services in many if not all of our student controlled retail operations. Slowly creeping prices that make the PUB a secretarial lunch counter and a non-viable alternative for students. Budgets that cripple our student publications and all but emasculate many of our clubs. Is this what we the students were so desperately and unani-mously in favor of, so anxious for??

What of social expenditures, surely we can't complain there. I'm sure the student body is again unanimous in its approval of the gross waste being entitled "Homecoming Weekend". Surely we all love the glamour and splendor. How can we complain-- afterall a mere \$3000 - for a concert that will be sure to add immeasurably to the Homecoming Booklet can't be argued with. Just because we all know the audience at our "concert" will be an uncontrollable 200, or perhaps even more, is no reason to cancel. If we waited until later in the semester we might have a real concert but then of course Homecoming is the only weekend anyone is on campus. It is a shame SCC doesn't give us any reason to stay. We do of course have a movie that weekend, it will be shown 3 or 4 times, for a mere \$800. That much money could rent us almost any film but hell if it's good enough for television, why not. I'll get my \$5 worth even if I have to sit through 10 hours of Dr. Zhivago. Snow blindness be damned.

There is one saving grace, one bright light in the dismal sky. Our \$5 may buy us

something worthwhile. I've heard mention of the Student Rights Booklet. It is a shame that it will be too late to be of any help to the many students busted on campus in the last few semesters: but hell, the SCC has only had two years and half a million dollars to work on it...

Center favors educational approach to drug abuse

Alcoholism and other forms of drug abuse constitute a major community health problem. The solution to the problem lies within the local community. Energies of the Drug and Alcohol Counseling Center of Clinton County are directed toward aiding co-operative efforts of local agencies with a community health approach, with community education as their main means for achieving a solution. Through community involvement the endeavor to serve as catalysts in helping local communities develop their own resources for combating drug abuse including alcoholism.

According to the center, to develop an effective program influencing cultural practices and knowledge, the economic and individual characteristics of the community must be considered. People must be involved in the process of development and the program must be understood by and accessible to those it is designed to serve.

Any person can benefit from their service - not only the addicted person or alcoholic but families as well. The cost is based on one's ability to pay, and one is refused because of lack of money.

Persons who feel they have a problem or know someone who does should contact the counseling center located at 222 E. Water STREET. If talking to one of their counselors on the phone would be easier, call 748-9501. All information received is strictly confidential.

[Editor's Note: "Opening Night" appears too. Instead of in its usual Monday placement due to space limitations caused by the length of yesterday's front page story.]

Yesterday evening the S.C.C. Cultural Affairs Committee was once again fortunate enough to bring a nationally known lecturer in the visual arts to Sloan theatre as Robert Stuart Cohen presented an illustrated talk on his works.

Sunday afternoon Cohen and a crew of art students and faculty began to assemble "Landscape Progressions" in the Lobby/Gallery of the Fine Arts Center. Landscape Progressions is an exhibit of a series of collages created from papers textured and colored with watercolors and acrylic paints. The papers are combined to suggest the atmosphere and character of different landscapes, offering multiple views and reflecting various moods.

Cohen says, "My aesthetic premise is that differences in concert is a beautiful thing. When I am successful, the work is a visual tapestry--rich in surface, varied in texture, and sumptuous in color. The individual landscape is a delight to the eye, and the whole is greater than the sum of its parts."

A graduate of the School of Art of the Pratt Institute, Cohen earned his master's and doctor's degrees at Columbia University. His work has been exhibited in the Baltimore Museum of Art, the Albright-Knox Gallery in Buffalo, the Smithsonian Institute, the American Psychiatric Museum Association in Washington, D.C., the Jersey City Museum, and numerous other galleries which now include that of the Sloan Center from Monday, October 13 to Friday, October 31. The exhibition is open to the general public free of charge as well as this evening's reception and lecture.

For this week, keep these dates and times in mind:

THURSDAY, OCTOBER 16--SATURDAY, OCTOBER 18--The College Players presents "You Can't Take It With You," a comedy by George S. Kauffman and Moss Hart produced in the original style of the theatre in the 1930's as part of the 1975-76 Season of Theatre which developed the American Stage. 8:00 p.m.--Price Auditorium

SUNDAY, OCTOBER 19--The Lock Haven Artist Series presents "The Tamburitans," a folk music, song, and dance ensemble from Duquesne University with an international flair of the Eastern European Countries. 8:00 p.m.--Price Auditorium

There will be a meeting for the CRUCIBLE Wed. 6 p.m. in the Student Publications Office, PUB Ground Floor.

Would all persons interested in submitting artwork, photography, poems, and short stories to the CRUCIBLE do so as soon as possible. The deadline for submitting material is Oct. 31. Material may be brought to the Student Publications Office, PUB Ground floor, or sent to Donna Leggett 220 Gross Hall.

'Ship' sinks Eagle contingent

By FRED SCHULTZ
Staff Reporter

Bob Weller's Lock Haven State College Bald Eagles made an unhappy and bitter trip back north on Saturday from Shippensburg where they were beaten by a score of 33-7 in SSC's Seth Grove Stadium.

The first quarter saw the Eagles completely dominate both an offense and defense which was quite a shock to the NCAA Division Three number six ranked Red Raiders of Shippensburg. Lock Haven was the first to light up the scoreboard on a "second chance" play when freshman Charlie Lucas scored from two yards out. This followed a fourth down Dave Bower incomplete pass which was called back on an illegal procedure penalty against the Raiders.

Barry Walter had no trouble in converting the extra point and made the score 7-0. This was to be the only scoring done in the first quarter as the Eagle defense did an outstanding job containing the supposedly explosive defense of Shippensburg.

The tables were turned in the second quarter when Rene Posey, brother of Lock Haven defensive back Doug

Posey, hit paydirt on a 13 yard run which capped a long scoring drive with raider quarterback Bob Nelson at the controls. Kicker Jim Curley then split the uprights with the first of what was to be many attempts for him. The score was knotted at 7-7 as both teams retired to the locker room for half-time.

After a long half-time program, because of Shippensburg's homecoming festivities, both teams appeared to be just as fired up as they were when they left the field at the half. The third quarter was played evenly as both defensive squads played brilliantly holding each other to no scoring. Tempers began to flare as the Raiders were penalized several times for personal fouls while neither squad could manage to score.

The unsportsmanlike and dirty play on the part of Shippensburg (total: 9 penalties for 103 yards) continued into the fourth quarter as several skirmishes had to be broken up by officials and teammates. Finally, after being at a 7-7 tie for almost two quarters, the Red Raiders shot down the Bald Eagles and began to move the ball. Rene Posey again ran 13 yards for a score and Curley made the

Practice begins for b-ballers, matmen

Basketball and wrestling practice starts on Wednesday, October 15 at Lock Haven State College.

Head basketball coach Dr. Dick Taylor returns eight lettermen off a squad that produced a 6-17 record last year.

Three regulars return including veteran senior center Mike Bergeron who led the Eagles in scoring with 228 points; sophomore forward Dave Hendershot, scored 161 points and led the team in rebounds with 141, and junior forward Joe Sain with 176 points and 91 rebounds. Junior forward Frank Norris was a started until sidelined with a knee injury midway in the

season.

The Bald Eagle cagers open the 1975-76 season hosting Bloomsburg State, Saturday, Nov. 29.

For wrestling coach Dr. Ken Cox seven letter winners are back plus two 1973-74 lettermen Dave Schreck at 118 pounds and Al Fricke at 177 pounds.

Regulars returning from the 9-7, 1974-75 team are at 118, Carl Lutz; 126, Tommy Parker; 134, Tim McCamley; 158, NCAA East Regional champion George Way; 167, Greg Hackenburg; 190, Art Baker, and three year veteran heavyweight Jim Schuster.

The grapplers open action in the Alumni meet, Nov. 22.

All people who would like to play on the Lock Haven Ice Hockey team please get \$40.00 into Ed Dennis room 126 Gross Hall by October 23. Without this money the team will not be able to start on time. They plan to take to the ice on November 2.

1976 SENIORS- Did you have your Yearbook photo taken? If not either submit a black and white GLOSSY of yourself or contact Ms. Evy Fisher, Student Publications Office immediately [ext. 456]. Deadline: October 17. No exceptions.

extra point making the score 14-7.

The Eagles got the ball, but failed to move it and were forced to punt. Shippensburg again began to eat away at the tiring Lock Haven defense and ultimately scored on a one yard run by Darrell Yarberough, a sophomore from Uniontown who rushed for 150

Gable dominates wins in LHS frisbee festival

By MIKE CROSBY
Staff Reporter

Frisbees, frisbees everywhere was the feeling in campus Sunday afternoon as Lock Haven State held its first annual Frisbee Festival. The day's activities consisted of four individual and group events, including a distance throw, frisbee golf, one on one guts tournament and ultimate team frisbee championship.

Steve Tanner captured first place in the distance throw with a toss of 183 feet, 4 inches. Second place went to Scott Gable with a throw of 176 feet.

Frisbee golf was the day's second event, with players having to hit certain marks counting as holes. The tourn-

ament ended with a five way tie at the end of the regulation holes. Scott Gable emerged the winner in sudden death overtime with Bill Edwards placing second.

A one on one guts tournament followed with one player trying to outscore the other by making him miss the frisbee of catching his opponent's throw. Bill Edwards came out as the victor in the single elimination tournament, with Jim Ferrara placing second.

The final event was the ultimate frisbee championship tournament with two teams entering. TKE and First High were deadlocked at the end of regulation play. After continuing at a deadlock after two overtimes, the teams finished with a draw.

yards on the day. Curley's attempted kick was no good and the score stood at 20-7.

The Bald Eagles again obtained possession of the ball with almost eight minutes left to play. They began to move the ball on the ground, but that was also eating up minutes on the clock. The Raider defense had been covering the Lock Haven receivers like a blanket up until this point, but the pass was a necessity

Bower continued his running game, and finally Shippensburg gained possession on one of the Eagles' five turnovers in the game. The Raiders then knew that they had the contest in the bag and began rubbing in their victory in the last two minutes with two touchdown passes from Bob Nelson to Averell Harris, one for 18 yards, and one for 35 yards on which Harris strolled easily into the end zone untouched by a Lock Haven defender. The conversion attempt for the first touchdown was no good and

the second was successful.

After the game, both coaches proceeded to the middle of the field for the traditional handshake. Words were exchanged by Coach Weller and Coach Gene Epley of Shippensburg and it took several players from both teams to pull their coaches apart. Just what the cause of the argument was is not known, but the ending of this game will be remembered for years to come.
