Bibbs and Jackson crowned at Homecoming festivities

By Jeanne M. Ruczak and Biff Miller

Eagle Eye News Editors

University spirit defeated the rainy and dreary atmosphere this weekend as Homecoming '89 exploded with a yell. A "Yell Like Hell" contest, that is!

The contest, emceed by comedian Steve Seagren, began with the band, followed by the cheerleaders' demonstration and the small group cheer contest.

The small group contestants were: the Administration/Staff cheering "LHU Can Do It" as they created a human LHU; the softball team with "Yell, Everybody Yell"; the softball team's chant, the High Howlers of High Hall claimed "LHU is Standing Tall"; and the Alpha Sigma Phi fraternity was 'commanded' by ΑΣΦ brother Neal Emory, as they did a rap chant.

ΑΣΦ won the small group cheer contest with their rendition of *Stripes*.

The sororities joined together to win the large group cheer contest with their Panhellenic Team Cheer. The sisters chanted the Greek Unity Song.

Most Spirited was ΑΣΦ.

The band and the cheerleaders performed again before Seagren announced the Honorary Grand Marshalls and the King and Queen and Court.

The two honorary parade marshalls were chosen by both faculty and students of the University.

Charles DeSanto, Ph.D., professor of sociology, and Dennis Strouse, cheerleader advisor and employee in the physical education department, were this year's honored employees.

The Homecoming King was senior James Bibbs, of Dover, N.J., representing the Black Cultural Society and the football team. Bibbs said that during his reign as King, he hopes to create better ties between campus and community.

Junior Jody Jackson, of Humeleville, PA., was elected Homecoming Queen. Jackson represented ΣΚ. She said all the hard work was definitely worth winning the title of Queen.

The Court was made up of (first runner-ups) Eric Bowers, ΑΧΑ, and Cathy Dick, ΖΤΑ; (second runner-ups) Chris Bailey, ΑΣΦ, and Korey Krick, ΑΣΤ; (third runner-ups) Andy Lawhead, Rugby Club, and Jenni-

fer Lesefka, ΣΕΕ; and (fourth runner-ups) Robert Young, ΤΚΕ, and Jasmine Pond, Black Cultural Society.

Saturday's events began with the annual parade. ΣΚ won first place for their float. Instead of "Puttin' On The Ritz" the sisters 'Putted On The Ritz'! The Clearfield Center received second place followed by the ΑΧΑ brothers joined by the ΣΕΕ sisters.

During half-time Saturday, freshman Clara Botero from Chantilly, VA., was presented with a one semester tuition check from Lock Haven stores and radio station WWZU.

Over 170 alumni registered in Akeley Sat-

urday morning. Many alumni, however, did not register.

The ΑΧΑ fraternity had 34 alumni return. There were about four brothers from 1979, according to ΑΧΑ brother, Steve Kennedy.

The ΤΚΕ fraternity had 50 alumni return, according to Robert Young, ΤΚΕ president.

The ΚΑΡ fraternity had 14 alumni return, according to Brian Murphy, a ΚΑΡ brother.

The ΤΒΣ sorority had approximately 30 sisters return, according to sister Christine Hull.

LHU may see October break and other changes in academic calendar

By Biff Miller

Eagle Eye News Editor

Do you need a break in October and April because of the long stretch of weeks between the holidays? Or do you feel you have plenty of vacation time without the addition of any more breaks? The Calendar Committee of Lock Haven University wants to know.

They are conducting a survey to identify student, faculty, and staff opinion on the idea of altering the 1990-91 academic calendar.

The committee recommends that the calendar be moved forward by one week beginning Fall 1991, according to Richard R. Carroll, Chair and Acting Secretary of the committee.

Changes include starting classes before Labor Day, ending a week earlier before Christmas, starting a week earlier in January, and ending a week earlier in Spring.

The proposed schedule also suggests three day weekends in both October

and April, according to Carroll.

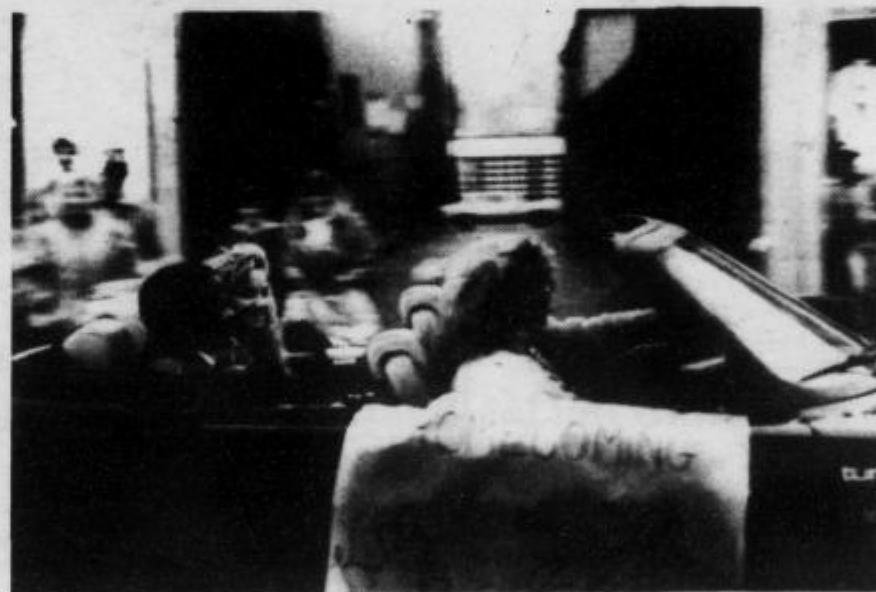

The committee discovered both advantages and disadvantages incorporating the proposed calendar.

For instance, the University would benefit from no registration activities on Labor Day, more income for students with jobs before Christmas, reduction of boredom for many students during post-Christmas recess and earlier entry into summer job market in Spring.

But the committee has discovered disadvantages as well. Problems might arise from reduced student income from summer jobs around Labor Day (tends to be offset by starting jobs earlier in May) and reduced block of time in January for faculty research.

Students are encouraged to fill out the survey on page two of this edition of the Eagle Eye to present their opinion on the proposal.

The survey results will be considered at the October 31 meeting of the Calendar Committee.

Still looking for first win of season

Bald Eagles lose in last minute to Clarion, 16-10

By Herb Samuels
Eagle Eye Sports Reporter

The football team took a tough loss in the final seconds to the Clarion University Golden Eagles on a cold and damp Homecoming Saturday, 16-10.

LHU quarterback Kevin Harney made a mistake early that cost the Bald Eagles. While trying to hook up with his receiver, Harney overthrew and Clarion's Damon Avery intercepted the ball.

Avery returned it for a touchdown and Clarion led 7-0.

After the touchdown, the Bald Eagles started a drive of their own getting to Clarion's 35 yard line.

After another interception Clarion started a drive from their own three yard line and drove to the Bald Eagle one.

Clarion was called for illegal procedure and Chris Dworek kicked a 23 yard field goal.

On the ensuing kickoff, Dworek tried to squib kick the ball downfield when it hit a Lock Haven player. Clarion recovered the ball on the 44 yard line.

The Golden Eagles drove deep into Bald Eagle territory once again. On the nine yard line, LHU's Dwayne Tooles came in on a safety blitz and sacked Clarion quarterback Mike Carter.

Dworek tried another field goal but missed.

The Bald Eagles took over at their own 20 yard line and tried to move the ball.

After picking up one first down the drive appeared to stop at their own 37 when the punting unit came on the field.

Punter Sean O'Conner then pulled up and tossed a pass out to Tooles for a 21 yard gain.

From there running backs Guy Wade, Fred Foster and Rocky Vuocolo ran the ball down inside Clarion's 10 yard line. The series of running plays was completed when Wade ran it in from seven yards out.

Wade was coming off an ankle injury and finished with 124 yards.

Clarion got deep into Bald Eagle territory two more times to attempt field goals.

On one occasion they tried an unsuccessful fake, and on the other the attempt missed.

Clarion went into halftime with a 10-7 advantage.

Midway through the third quarter, the Bald Eagles got a good break.

Carter overthrew his receiver and cornerback Jeff Hatton intercepted the pass and returned it to Clarion's 20 yard line.

After a few plays, the Bald Eagles were faced with a fourth and one situation.

Deciding to go for the field goal, kicker Rich Marriott nailed a 28 yarder to tie the game at 10-10.

The game looked as though it would end that way until Clarion put together one more drive.

Carter fired passes while running backs Keith Powell and Ken Dworek ate up both yardage and time.

With 11 seconds left in the game Ken Dworek scored on a three yard run to win the game.

The Bald Eagles will once again try to get their first win of the year this Saturday at Hubert Jack Stadium when they take on East Stroudsburg University.

Soccer team boots Slippery Rock

By Cory Marshall
Eagle Eye Sports Reporter

The soccer team got two goals from Tibi Kobolak as they defeated Slippery Rock, 3-0, Sunday afternoon at McCollum Field.

The game originally scheduled for Homecoming Saturday but was postponed because of inclement weather moving the conference tilt to Sunday.

Dave Globke opened the scoring on an assist from Kobolak at the 6:50 mark. The score remained the same with the

Bald Eagles up 1-0 at halftime.

Late in the second half, Kobolak tallied twice on assists from Brian Maye and Gary Ross.

Kobolak scored at the 82:52 and 88:39 marks to give Lock Haven a 3-0 win.

Paul Yingling was credited with two saves for the Bald Eagles who improve their record to 10-4-2. Slippery Rock falls to 6-8-1.

The booters will host IUP at 3:30 p.m. Wednesday in a battle for first place in the PSAC Western Conference.
