## 'We're ready for a concert', says Moyer

By Mike Flanagan

"We're ready for a concert and it's going to be a great one."

Those are the words of Student Cooperative Council (SCC) social committee chairman Mike Moyer referring to the Greg Kihn/Robert Hazard concert scheduled for tomorrow night at 8 p.m. in Thomas Fieldhouse. Moyer briefed the SCC at the Wednesday night senate meeting concerning the concert.

As of Wednesday afternoon, over 700 tickets had been sold and Moyer feels that about 1,000 more will need to be sold to reach the break-even point. "Ticket sales were slow until this week, but they have been doubling every day this week. I think we'll make the break-even point," Moyer said.

"I can't stress enough the need for student support," Moyer said, "this is for the students and everybody is showing full support."

The social committee chairman also said that the weightlifting club will be in charge of security and tickets will be available at the door. Moyer also praised his social committee for doing a good job thus far.

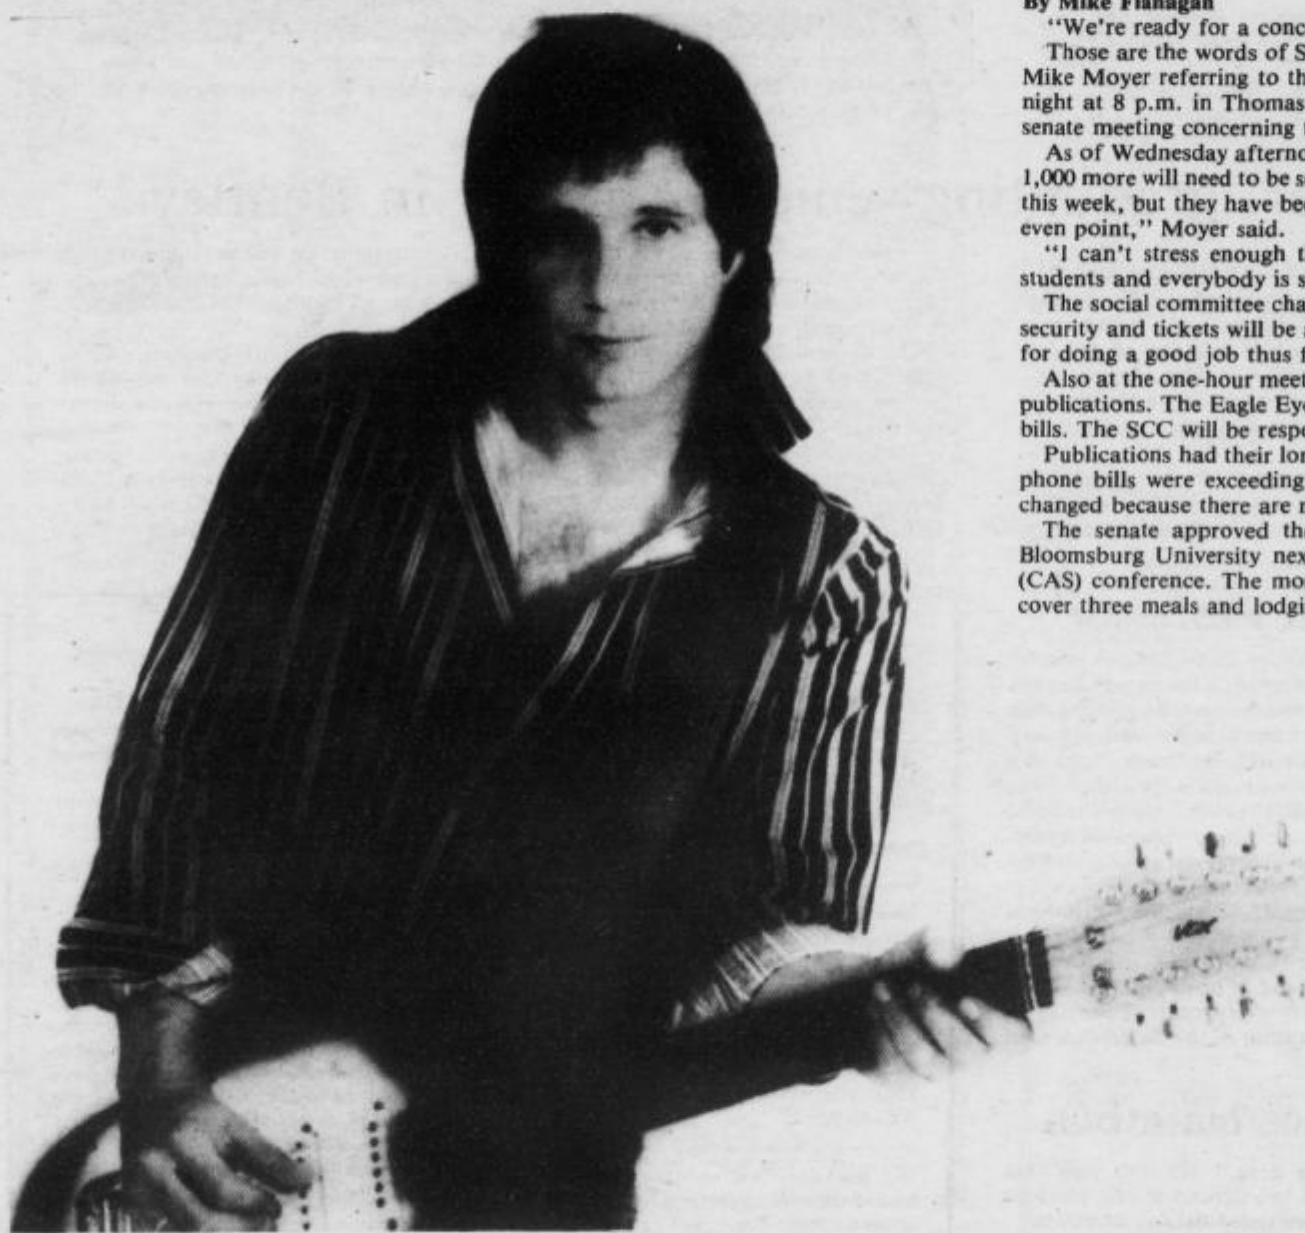

Also at the one-hour meeting, the senate voted to return phone services (long distance) to publications. The Eagle Eye will have to pay for their past phone bills and future phone bills. The SCC will be responsible for changing the locks at the Eagle Eye.

Publications had their long distance privileges taken away earlier in the year when their phone bills were exceeding their budget allocated for phone service. The locks will be changed because there are missing keys to the Eagle Eye office.

The senate approved the move of \$75 from contingency to send five students to Bloomsburg University next weekend for the Commonwealth Association of Students (CAS) conference. The money will cover transportation and registration fees. CAS will cover three meals and lodging.

Bob Cochrane was also approved by the senate as interim treasurer. Cochrane, who served as treasurer in the John McNamara administration, replaces Patty Miller who withdrew from school. Cochrane will serve as treasurer from April 4 until July 27. Miller will then resume her position.

The Lambda Chi and Badminton Club Constitutions were approved by the senate. SCC President Gary Interdonato also made the announcement that Saturday's SCC movie is cancelled due to the concert.

### Ticket Information

Greg Kihn, Robert Hazard concert Tickets On Sale in PUB Business office until 4 p.m. today. Tomorrow, they will be on sale in the Bookstore from noon until 4 p.m., and tickets will be on SALE AT THE DOOR. Prices for all locations are: \$5 with validated ID, and \$9 without. NO Smoking or Alcohol permitted in the Field House.

## March of Dimes and brothers of Phi Mu Delta challenge organizations to enter 1984 walk-a-thon

By Kim Wilkinson

A team challenge is being offered to all Lock Haven University (LHU) students, faculty, clubs, residence halls and Greek organizations on Sunday April 29 by the March of Dimes Walk America '84.

"The Phi Mu Delta (PMD) fraternity challenges your organization to be represented by the greatest percentage of its members at this walk-a-thon," according to Timothy Altieri, vice-president of PMD.

"A greater sense of unity and pride in your group can be gained and it is good public relations."

People interested in participating should pre-register as soon as possible at card stations in the Stevenson Library (main desk) and Bentley Cafeteria (upstairs).

Everyone participating will receive a free meal at Wendy's, a special certificate, and a map. For those who obtain more than \$50 in sponsor money, they will receive a free Walk America T-shirt.

Individual prizes will be awarded to first, second, and third.

Group prizes will be given to the largest overall team and the largest overall LHU team.

All sponsor donations must be collected by May 30, in order to win. For more information, contact the Phi Mu Delta fraternity at 748-9931 or the March of Dimes at 323-8096.

# Alpha Chi Rho receives approval for house

By Kim Wilkinson

The Alpha Chi Rho (AXP) fraternity has received the approval of the Lock Haven Zoning Board to declare the house located on 131 South Fairview Street as the AXP house, according to Kevin Campbell, president of AXP.

He said that he expects the neighbors to appeal this action. "It will be an uphill battle for them. An appeal is simply a review of the procedures at the zoning board hearing and the court cannot re-vote on the issue."

According to Ed Conklin, of the City Planning Commission, some neighbors have indicated to him that they will appeal the zoning board's decision. But Conklin said he feels that City Hall is behind the zoning board decision.

Conklin said that the fraternity did an excellent job presenting its case. He said it helped that the brothers were well prepared to answer the neighbors questions.

Campbell said, "We looked at other houses, but this was the first one that we were serious about."

"It is quite difficult to run a fraternity of 30 or more people when they are spread all over campus." He added, "With a fraternity house, we will have everyone in one central location, which will help our communication problem."

Campbell explained that the fraternity had to meet five requirements in order to win the approval of the zoning board. They proved there would be sufficient off-street parking; no over-crowding of land or undue congestion; no buildings, walls or fences to be built and fraternity programs will be in harmony with the city of Lock Haven.

Campbell and Conklin said the AXP fraternity sufficiently proved these items at the zoning board hearing.

Campbell said, "The neighbors were against a fraternity moving into the neighborhood on an emotional basis and tried to back up their feelings with conjecture."

Conklin said the zoning board set up this area of town to allow fraternities to move in only after a special hearing to review the case. The zoning board hearing resulted in favor of AXP.

Campbell added that once AXP moves into the house "we plan to have invitation parties, our program being similar to that in practice in Penn State."

Eagle Eye photo by Rick Hunt

This house, which is located on 131 South Fairview Street, will be the new home for Alpha Chi Rho fraternity. The Lock Haven Zoning Board gave approval for the fraternity to occupy this house.

## Inaugural Ball to honor graduating seniors April 28 in Bentley

By Jean Newcomer

The Lock Haven University Ball honoring the class of 1984 will be held on April 28, said Joan Hayfield, secretary to the dean of students. The ball will be a special evening for everyone especially, this year's seniors. They will have a chance to spend time together for an elegant evening in their honor, she said. Hayfield said that all faculty and staff are being invited as well as service groups in town. There is also a general invitation to all townspeople. She hopes the ball will "bring town and gown together." Hayfield would like to see the townspeople get to know the College to strengthen town/college relations.

President Craig Willis came up with the idea after the success of the Inaugural Ball last year, said Vicki Hirsch, vice-president of Gross Hall. Hirsch said the ball will give students who are not involved with fraternities and sororities a chance to get dressed up and go out to a dance.

The evening will begin at 9 p.m. in Bentley Hall entertainment will be provided by the University Dance Band, and was a great help at last year's ball, said Hayfield. The planning committee is looking for other talented students to help provide entertainment. Any interested students should contact Joan Hayfield in Sullivan.

The Residence Hall Association (RHA) was represented at the first planning meeting and will be helping with the ball. Also donating its time to the ball are the Wheels (University secretaries) who will decorate Bentley Hall and the Dames (faculty women and wives) who are sending out the invitations.

There will be a charge for the ball this year for the punch and hors d'oeuvres because the State is not paying for the ball as it did last year. Admission for students is \$3.75. Tickets will be available in Bentley Lounge from 12-1 p.m. April 9-12 and April 16-20. Tickets may also be purchased in the Dean of Students Office, 311 Sullivan.

## Rotaract sponsors 'Dinner with Professor'

By Denise Smith

Are you sick of eating every meal in Bentley or tired of fixing macaroni and cheese from a box? If you answered yes, then the Rotaract Club is planning an event for you.

A "Dinner with a Professor" auction sale will be held in the lobby of Bentley Hall next Wednesday night April 11, at 6 p.m. Students will bid against each other for a dinner in the home of the professor of their choice. About 40 faculty members have volunteered to invite students into their homes. "The goal of this event is to promote closer student faculty relationships," says president of the club, Karla Moschella.

The Rotaract Club is sponsored by the

Lock Haven Rotary Club. The newly formed organization's aim is to provide services to the campus and the community. The club was started just last semester with the help of Professor Charles Bromberg, who is a member of Lock Haven Rotary Club. The other advisors to the club include President Craig D. Willis, Professor Edward Chatterton, Professor Robert Lynch, and Professor Charles Newcomer.

The club has 25 active, local members. However, unlike its Rotary Club sponsor, which is a men's-only club, the Rotaract Club is co-ed and is open to all students. The club meets every other Thursday at 12:30 in the bottom of the Parson's Union Building.

## North Hall to hold 24 hr. dance marathon

By Valerie Armstrong

North Hall will hold its 4th annual 24-hour dance marathon this weekend. The dancing will begin on Friday, April 6 at 5 p.m. and will run until Saturday, April 7 at 5 p.m. The money raised will benefit the American Cancer Society.

Mark Anderson, president of North Hall has been organizing the marathon, and is also participating as a dancer. He is hoping for a good turn-out in participants as well as an audience for support, "especially between the hours of 3 and 7 a.m. when things

really start to drag." He also said that everyone who has danced in the previous marathons have lasted the full 24 hours.

The contestants must live, or have lived in North Hall, or be dancing with a dancer who lives in North Hall. Everyone is welcome to come watch and WLHC will be supplying the disc jockeys.

"We really appreciate all the dancers so far, and the sponsorships they have," said Anderson. "Hopefully, North Hall will be able to contribute a substantial amount of money to the American Cancer Society."

## CLASSIFIEDS

Summer Camp Positions: Brandywine Valley "Y" Camps, Downingtown, PA, will be conducting on-campus interviews Friday, April 13, 1984. Interviews are open to all majors. Please sign up for an interview in the Career Planning and Placement Office, Bentley Hall.

There will be a Drug Awareness Program Monday April 9 at 8:00 p.m. in the Smith Hall Rec. Room. All Welcome.

Attention Management Science Majors!! There will be a club meeting today in R205 at 1 p.m. Final plans for the New York Trip will be discussed. ALL ARE WELCOME.

The Bookstore will be open tomorrow from noon until 4 p.m. Greg Kihn/Robert Hazard concert tickets will be available.

Roommate needed to spend the summer in Ocean City, Maryland. If interested contact Steve at 893-3587.

Juniors, Seniors and Alumni: The American Medical College Application Service materials for the 1985-86 entering class are now available in the Career Planning and Placement Office, Bentley Hall.

The U.S. Navy will be conducting on-campus interviews Monday, April 10, 1984. Please sign-up in the Placement Office, Bentley Hall, for an interview time.

Marriage Preparation Workshop: Newman Center, 445 W. Main, Saturday, April 14 9 a.m. -- 5 p.m. For Catholic or interfaith couples. Presented by married couples, a priest, and a sister. Register by April 8, -- call 748-8592 or send in form.

### WANTED

Two students are being sought to live at the Newman Center, 445 W. Main, beginning this fall. An application process has been set up. Interested students should inquire immediately because a decision should be made by May 1. Call Sr. Maureen at 748-8592 or Newman Community officers: Kellee Osborne (3524), Joe Platko (3335) Theresa Edsell (3682) or Christine Sharp (3294).

Any photo or negative of Milkmen from Battle of the Bands 1983, Miller Rock Fest 1983, or Eden Lounge. These are desperately needed. I will return negatives. Call 748-7697 evenings.

### FOR SALE

Cheap Shelter - 10 x 50 commodore trailer, furnished, excellent condition, storm windows, new hot water heater, within walking distance of LHU, good first home, \$2,200, price neg. Call 748-3310 or 726-6480 before 10 a.m. or after 6 p.m.

**Greg Kihn concert tomorrow!**  
Do you have your ticket?

~~Saturday and Sunday~~  
~~8 p.m.~~  
~~Price Auditorium~~

There will be no movie Saturday night, due to the Greg Kihn/Robert Hazard concert.

 Sunday  
 7 and 9 p.m.  
 Price Auditorium

## CLASSIFIEDS

Test Yourself. Can you manage time productively? Work 2-4 hrs/wk consistently? Are you success-oriented? Self-motivated? Marketing position available on campus. 1-800-243-6679

### FOR SALE

Honda PA 50 moped. Call 893-3843.

### FOR RENT

3 or 4 bedroom house for rent. Fairview St. One block from college. Call 748-3595 between 8 a.m. and 5 p.m.

3 bedroom house, W. Church St. approximately one block from college. Available immediately. Call 748-3595 between 8 a.m. and 5 p.m.

## EDITORIAL OPINION

### Do Seniors really want a yearbook?

After reading the letter by Miss Welker concerning the lack of interest in the yearbook, I've come to the conclusion that the apathy and the no interest attitude is justified.

According to Miss Welker the apathy stems from past yearbooks, which weren't number one bestsellers on anyone's list. The last yearbook to be published here was in 1980. So it is doubtful that the students graduating in May passed judgement on any yearbook since they probably didn't see one.

The difference between high school and college is perhaps the single most reason for the lack of interest in a yearbook. When and if you graduate from this university, you will be lucky if you share the culminating experience, or any other experience, with every student on this campus. Students drop out, flunk out, transfer out, and sit out. On the other hand, high school years are spent with the same people every day for four years prior to graduation. High school is centered around extra-curricular activities and everyone is involved in them. Not so in college. And judging from the poor attendance at many SCC sponsored on-campus events, students are not overwhelmingly interested.

The lack of interest is nowhere more obvious than in your very own yearbook office. Students aren't breaking down the door to offer their assistance, despite efforts to generate interest through letters to the Eagle Eye.

It's been proven through poor yearbook sales in the past that students just don't want to buy them. Perhaps a survey should have been conducted before plunging head long into the project.

A very small minority of students will buy yearbooks. Most of the books, however, will end up collecting dust in an out-of-the-way storeroom, unopened. M.P.

## LETTER TO THE EDITOR

### Another letter about apathy

Dear Editor:

There seems to be a decided lack of interest about our yearbook among our Seniors. Perhaps, the apparent apathy stems from past yearbooks, and the fact that the Seniors will be leaving LHU before the books appear.

Well, we're hoping to change the former by changing the format of the book and involving all our students. A wide range of events are being covered by our photographers, and the rest of the staff are planning, formatting, and trying to find the best ways to produce your yearbook. We encourage your cooperation by informing us on up-coming events, and any comments or suggestions are welcome. Office hours are posted on Akeley's Room 214.

As for our departing Seniors, the yearbook will be mailed to you, anywhere in the world, upon request.

Senior pictures will be taken by a professional photographer. Seven poses will be shot, two with cap and gown for yearbook purposes. Sign-ups for Senior pictures will take place at Akeley 214 from April 9 to April 13. The actual shooting will be done from April 16 to April 20. All students graduating in Spring '84, Fall '85, or Spring '85 should contact us before April 13!

There's no need to miss out or be forgotten. We would like everyone to smile as they recognize the familiar faces of old friends while paging through our yearbook many years after leaving LHU.

Mary Jo Welker

# Hall of Flags to be renamed at dedication

The Francis N. Hamblin International Hall, currently known as "The Hall of Flags," will be formally dedicated here at the University on April 15.

The International Auditorium is located on the ground floor of the Gerald R. Robinson Research Learning Center. The auditorium is modeled after the United Nations and features a flag from each country of the world.

Hamblin was president of LHU (then Lock Haven State College) from 1970 until 1982. He was the eleventh chief administrator in the institution's 114 year history.

He was also the prime force in beginning the university's International Education and Exchange Programs to England, Poland, Argentina and Australia. Currently there are over 40 foreign Students from 13 countries studying at LHU. In addition to educational exchanges, administrators from institutions in Peru, Vietnam, Bangladesh and Australia have spent time on campus studying administrative techniques.

### Modernization of the campus continues

It was also during Hamblin's tenure that the modernization of the campus continued with the addition of a dormitory, the John Sloan Fine Arts Center and Robinson Hall. Hamblin's administration also worked to develop new academic programs to meet the needs of today's student as well as refine established programs such as teacher education.

A world traveler, Hamblin has studied the problems of underdeveloped countries such as Nigeria, Cambodia, Laos, Liberia and Vietnam and is a permanent advisor to the U.S. Department of State, the Peace Corps and the U.S. Office of Education.

Hamblin came to LHU after working three years as the Academic Vice-President at Northern Arizona University at Flagstaff. Prior to that he was the Dean of Education at George Washington University in Washington, D.C. and Dean of Education at Ohio University.

Hamblin holds a bachelor's degree in Philosophy from Amherst College, and a master's (Ed. M.) and a doctoral degree (Ed. D.) in Education Administration from Harvard University.

He and His wife, Alice, currently reside in Marstons Mills, Mass.

Francis N. Hamblin (University President from 1970 to 1982).

# Summer program to benefit outstanding youngsters

A Summer Enrichment Experience program, designed for students with outstanding abilities, will get under way July 8, here at the University.

The one-week residential program is for students who have been recommended by a teacher and are in grades 7-12.

The program is jointly sponsored by the Keystone Central School District, the Keystone Central Chapter of the Pennsylvania Association for Gifted Education, and the University.

The Summer Enrichment Experience (SEE) program is an effort to provide the youngsters with a suitable environment and opportunity so they may excel to their fullest. The instructors and program coordinator for the program have been carefully selected on the basis of qualifications and ability to relate to gifted and talented young people.

## Community orchestra to present Spring concert at Sloan Center

The Lock Haven University Community Orchestra will present their 16 Anniversary/Spring Concert on Saturday, April 8, 3 p.m. in the John Sloan Fine Arts Center Theatre.

The 40 member Orchestra will feature a Trumpet Duet, performed by David Sorgen and Christopher Campbell. Sorgen is a Music teacher in the Keystone Central School District, and Campbell is a student at Lock Haven High School.

Rachael Lindsey, also a Lock Haven High School student, will perform a violin solo, accompanied by Mrs. Inez Williams, on piano. Mrs. Williams is a Community String teacher in Lock Haven.

Other Orchestra selections will include Schubert's Overture in Italian Style, and highlights from "Oliver" by Lionel Bart. David Sorgen will conduct the TITUS OVERTURE by Mozart.

The Lock Haven University Community Orchestra consists of members of the Lock Haven community, Lock Haven University students, and faculty. Among the 40 Orchestra members are six members who have played in the Orchestra, since it first started, 16 years ago. They include, Mrs. Kay Crisanti, Mrs. Inez Williams, Mrs. Gena Yoder, Mrs. Joan Porter, Mrs. Dorothy Wanner, and Mr. Robert Lynch.

The concert is open to all public, and admission is free.

Each student selects two mini-courses, one in the morning and one in the afternoon. All events and activities are designed to provide in-depth experiences and are directed by master teachers, college faculty and other individuals chosen by the SEE Board of Directors.

### Courses offered in SEE programs

The courses offered to the SEE program participants include Computer Workshop, Scuba Skills, The Human Body, Worlds of Science, Beyond the Nuclear Age, Science Fiction Film Survey, Roots: Our Living History, Adventures in Art, Acting Workshop, Making Music, and Touche, which is a course in foil fencing.

Students enrolled with SEE program will study in the Lock Haven University classrooms and will be housed in the University residence halls, with separate quarters for males and females. Meals will be provided by the Lock Haven University cafeteria.

The students will follow a daily schedule, already planned out. After breakfast they will attend their first mini-course, followed by lunch and the second mini-course; before dinner they will have some free time for recreational activities, or projects to be worked on; and after dinner, evening events and special programs have been scheduled.

The SEE program operates under a Board of 14 Directors, in conjunction with the Continuing Education Office here at LHU. More information can be obtained from: Summer Enrichment '84, Continuing Education Office, Lock Haven University, Lock Haven, PA 17745. Application, along with a \$25.00 nonrefundable deposit must be received by June 1, 1984.

## Lynch elected to state post

Robert D. Lynch, assistant to the Vice President for Administration and Affirmative Action Officer here at Lock Haven, was elected President of the Pennsylvania Black Conference on Higher Education (BCOHE). The appointment was made at the 14 Annual Conference held in Pittsburgh, Pennsylvania, on March 1-3.

Lynch, who has served as First Vice

President for Membership for the past two years (1982-1984), is succeeding Dr. Francene Haymon of Slippery Rock University.

The Pennsylvania Black Conference on Higher Education serves several purposes. First, it ensures the educational needs and aspirations of Blacks and other minority people in the Commonwealth; it also utilizes its individual and collective resources in planning and developing effective educational and action programs; and third, it reviews and analyses State and Federal legislations for its effect on educational policies as they affect Blacks and other minority youths and adults in the Commonwealth of Pennsylvania.

The Conference includes professionals in the educational fields, undergraduate and graduate students.

Lynch has served several positions at LHU. He was Director, Special Program Development/Minority Affairs/Special Services and Director of Development and Upward Bound.

Lynch is an active member of the Lock Haven Rotary, University, and the community. He resides at R.D. 1, Cedar Heights, Mill Hall, Pennsylvania. He will serve as president of the Black Conference on Higher Education for a two-year term, 1984-1986.

Robert D. Lynch, Affirmative Action Officer.

## Folk band to perform tonight

By Wendy Akeley

Touchstone, a progressive folk band that combines traditional Irish with American country music, at 8 p.m. tonight at the Sons of Italy Club here in Lock Haven.

The concert at 1 N. Henderson St., Lock Haven, is sponsored by the Bald Eagle Folk Collective Inc.

Tickets are available at One Stop Audio in Lock Haven, The Record Store in Williamsport and Music Mart in State College, or from any member of the collective board. A discount is offered to collective members.

Touchstone's album "The New Land" has been called "true magic," presenting "a weave of Irish and American influences on both traditional and modern instruments."

Led by Triona Ni Dhomhnaill, the one member of the band who can claim Ireland as home, Touchstone blends Irish, old-

timey American, bluegrass, country and contemporary sounds.

Miss Ni Dhomhnaill sings in a burr of a voice. She grew up in an Irish-speaking area of Donegal and inherited a rich tradition from her musical family. Her instrument, the clavinet-synthesizer, adds the dimension of electronics to a baroque keyboard.

She came to America from The Bothy Band, a well-known Irish group she founded, and hooked up with the three other Touchstone members in Chapel Hill, North Carolina.

The other band members are Mark Roberts, Zan McLeod and Claudine Langille who often performs duets with the Irish singer. The versatile musicians play guitar, mandolin, manocello, flute, bodhran, the Greek bouzouki and both five-string and tenor banjo.

Their music has had a major impact on the modern folk scene.

## Larson involved with recreational planning

--Lock Haven-- From Erie's Presque Isle to the Delaware Water Gap, people know the wide range of recreational opportunities Pennsylvania has to offer.

One Lock Haven University faculty member is actively involved in the planning, acquisition and development of outdoor recreational areas around the Commonwealth. C. Herbert Larson, Director of Career Planning and Placement is a member of the Citizens Recreation Advisory Council (CRAC). Mr. Larson was nominated to CRAC by Eleanor Winsor, Executive Vice President of the Pennsylvania Environmental Council.

Organizations and individuals concerned about environmental issues make up CRAC. Members concern themselves with the dynamics that effect the asquisition of recreation and leisure services aaround the Commonwealth. CRAC lists recreation professionals, environmentalists and conservationists, human rights organizations, advocates for the handicapped and elderly, local officials and private recreation business in its membership. In all, CRAC has 36 members.

Larson is also a Director of the Pennsylvania Environmental Council. He attended the PEC's Annual Conference held March 21 and 22. The topic of the conference was "Water." Discussions included water pollution, distribution, water regulation and several other water related subjects.

At a time when water is the topic of hot debate, it's reassuring to know someone in our own back yard is concerned enough to go to bat for the rest of the citizenery.

Mr. Larson joined the LHU staff in 1965 as area curriculum coordinator. He assumed his present position in 1981.

## Northerners shovel snow; breaksters shovel dough

By Chris Brooks

Twenty-four hours can make a world of difference. Just ask the many Lock Haven students who got slapped in the face with snow, sleet, and rain over spring break while they knew others were basking in the Florida sun of Fort Lauderdale.

While the northerners worried about digging out drifts of snow and catching the flu in winter temperatures, the Lauderdale crew worried about getting sunburn in 90 degree heat. Some comparison. The only thing these spring break fanatics shovelled (out) was a lot of dough.

Approximately 300,000 students from all over the country travelled to this infamous southern resort and man did they spend money--about \$100 million, to be honest. Is this a conceivable figure? Well, when it costs a quarter for a cup of water and people want a tip for serving a slice of pizza (which, by the way, goes for \$1.25) it may be. And when you couple this with an all out wildness of crazy people who don't care where their money goes, it becomes possible.

Wildness? Oh, yes. How much? Well, take any one of the fraternities on a good party night and multiply it by a few thousand drunken animals and you might begin to scratch the surface. Talk about complete chaos! Oh, and don't worry, Lock Haven was represented in force, and all of Fort Lauderdale knew it.

Contests which ranged from shouting to dancing--not all of which were done in particularly good taste--reestablished the Haven as a force in the Sunshine State. There was a slight letdown in the *Button's* annual college olympics, but let's play that down, o.k.

"You might say that we didn't have all the support we needed," said senior Howie LeCates, possibly referring to one event in particular where the Haven was quite underrepresented.

The scenery wasn't that shabby either. Just ask any guy about the girls and any girl about the guys. One might say the pickens were pretty plentiful, to say the least.

"I found what I was looking for," said Diane Byrne. "We all had a lot of fun."

It's too bad it all had to come to an end, especially when thoughts of returning to temperatures sliced in half were considered. Those who did get the chance to go, though, shouldn't have a complaint. After all, others had to put up with worse weather for the duration. That alone is a pretty convincing argument for next year.

## State Chancellor officially named

James H. McCormick was offically named the new Chancellor for the State System of Higher Education (SSHE) on March 20. McCormick will oversee the 14 state-owned universities which have 81,000 students enrolled.

McCormick, who was selected by the Board of Governors from 67 applicants, had been serving as interim chancellor since July 1, 1983, the date for the state's new system of higher education.

"My personal goal," McCormick said, "is to create an environment in which people throughout the state system are able to work cooperatively and creatively to enhance the quality of our academic programs and the image of the system."

A graduate of Indiana University of Pennsylvania, McCormick completed graduate study at the University of Pittsburgh. The new chancellor had served as past president of Bloomsburg University for 1973-1983.

"I have been and shall continue to be an advocate for the System, for the 14 universities, their trustees, their presidents, their staffs and faculties, and their students and alumni," McCormick added, "with the guidance of our Board and the support of the Governor and the General Assembly, we shall make the good system a great system."

James H. McCormick, officially named new Chancellor.

# Three boxers ready, fit for championships

By Ken Cooper

Lock Haven's three national qualifiers for the 1984 National Collegiate Boxing Association (NCBA) Championships scheduled for this Friday and Saturday night at the University of California-Berkeley are ready and fit, according to Dr. Ken Cox.

National runnerups in 1983, junior Tim Frymyer, 112, and senior Dave Washington, 119, are peaking at the right time. Both have looked extremely sharp during the two-a-day workouts the past 10 days. Each boxer sparred 20 controlled rounds against sparring partners, Ken Cooper, 132 (1983, LHU All-American) and Penn State's 139 pounder, Mark Jayne. Jayne, a senior will attempt to gain the national title he won in 1981.

Lock Haven's third qualifier, sophomore Steve Greber, 156, will enter the national championship as a 'dark-horse'. Greber is rapidly improving, and has won his last five

bouts. He has looked good the past month or so and is improving his right jab and ability to score with combinations, according to Dr. Cox. Greber will complete his sparring tonight against teammates Rocco lanetta, John Morrin, and Brett Stevens, along with Joe Plastino of Penn State.

Frymyer will be making his third trip to the nationals. The classy southpaw, from Reedsville, Pa., is expected to battle Navy's tough Tracy Howard for the national title. Frymyer decisioned Howard last November at the Downtown Athletic Club in New York City.

Washington, of Wayne, Pa., will face nemesis Carl Wilson of West Chester University for the title. The hard hitting Washington has won 14 out of 16 bouts since his loss to Wilson in the 1982 national semi-finals. Washington was national runner-up at 11<sup>2</sup> last year. Wilson red shirted last season.

Greber will be competing in what is expected to be the toughest weight class in the nationals. However, the rangly southpaw from Philadelphia always finds a way to win. He is very dangerous, according to Dr. Cox.

**National championships will be held in the University of California-Berkeley's Harmon Gymnasium, the birthplace of college boxing.**

The national championships will be held in the University of California-Berkeley's Harmon Gymnasium, the birthplace of college boxing in 1938. A sellout crowd of 6,000 is expected for Saturday night's finals. The semi-finals are scheduled for Friday night. Only the champions of the four regional tournaments advanced to the national finals.

The top teams expected to battle for the national title are host, University of

California-Berkeley and University of Nevada-Reno from the Far West region; the U.S. Air Force Academy and Ohio University from the Midwest Region; West Chester and Navy from the ECBA-South region and Central Connecticut and Lock Haven from the ECBA-North region. Air Force won the 1983 national title followed by Nevada-Reno and surprising Lock Haven. West Chester, the 1982 national champion, finished fourth.

"Realistically, we are one man short to have a chance to win the team title," said Dr. Cox. "Air Force (7), West Chester (5), and Nevada-Reno (5) will probably have too much depth for us to overcome. However if we can get two champs, we'd be in great shape to make a run for the team title. Our three boxers have been working hard since last September for the chance to become a national champion, and I know one thing for sure, they are motivated and physically ready," concluded, Dr. Cox.

## Spring practice beginning for Bald Eagle gridgers

The Lock Haven University Bald Eagles, with 75 players taking part, opened spring football practice Tuesday, April 3. LHU Coach Jack Fisher says the team will try to stage about 15 workouts, climaxing with the annual Varsity vs. Alumni game Saturday, April 28 at Hubert Jack Stadium.

"Offensively we'll try to get into more option play with a play-action passing game," says Coach Fisher. "Defensively we'll stay with out 5-2, but we'll make a few changes. In the kicking game, we have a lot of work to do. We'll spend a lot of time on special teams. Overall we'll work on our techniques and fundamentals."

Coach Fisher then previewed prospects for the 1984 season, bearing in mind that a lot of decisions will be made between now and Saturday, Sept. 8, when the Bald Eagles open the season at home against Lycoming.

"Offensively our line will be one of our strong points," said the coach. Returning are four starters -- tackles Todd Johnson (Jr., 6-2, 260, Rebersburg) and John Eisenhooth (Jr., 6-1, 270, Howard) and guards Chris Jackson (Jr., 6-1, 225, Peckville) and Joe Kromer (Sr., 6-2, 245, Hudson, NY). All are well experienced, and Johnson and Jackson were second team All-Pennsylvania Conference Western Division a year ago. Jim McEachern (Jr., 5-11, 215 Philadelphia) also lettered at guard last fall.

At tight end, Brian Stugart (So., 6-1, 190, Montoursville) returns after catching seven passes for 61 yards last year. Also there are Bill Burdette (So., 6-4, 180, Lock Haven) and Ryan Glass (So., 6-3, 170, Penfield.)

The wide receiver slot is currently rated a toss-up by Coach Fisher with Rich Deanovich (Sr., 6-0, 180, Jefferson Boro), who was a part-time starter and caught nine passes for 76 yards, Tom Friday (So., 5-11, 175, Norristown), Brad Bauserman (Jr., 5-10, 160, Spring Grove) and Chad Reigel (So., 5-9, 165, Harrisburg) all in contention.

### All eggs in one basket

"At quarterback we're putting all our eggs in one basket," the coach said, and that basket in Doug Williams (Sr., 5-11, 195, Sayre). Williams' stats a year ago were 26-for-76, 34.2 percent, 285 yards, five interceptions and no touchdowns. Obviously Lock Haven needs a more productive passing game in 1984. Williams is an elusive runner out of the option, and the Bald Eagles hope to capitalize on that.

"We look to improve our passing game with a lot of play action," the coach said, "and we'll go back to more of an option offense like we used to run."

The running game will have to look to someone other than Mike Kresovich for the first time in several years. The three-time All-Pennsylvania Conference Western Division, All ECAC, and All-American Honorable Mention tailback from Milesburg graduates and takes 2,865 rushing yards with him.

At the tailback slot this spring will be John Peters (Jr., 5-9, 165, Milesburg), who rushed for 76 yards on 13 carries, and Mike Baker (So., 5-7, 165, Millersburg). Fullback will be manned by Rich Zalonis (Jr., 5-8, 200, South Williamsport), who started last year and gained 172 yards in 44 attempts, and back-up Darrell Scott (Sr., 5-8, 220, McKee City, NJ), 11 carries and 36 yards. At powerback, a wingback-like position, are Roosevelt Brown (So., 5-9, 190, Elba, NY), five carries, 17 yards, Greg James (So., 6-0, 170, Audubon), Tom Smykowski (So., 5-9, 170, Darien, NY), and Rick Myers (So., 5-8, 165, Altoona).

### Both starters return

Looking at the defense, Coach Fisher turns to linebacker first. "Linebacker is probably our brightest spot defensively," Jack said. "We have both starters back, two other players who have been starters and some good-looking younger players." Stan Allen (So., 6-1, 200, Virginia Beach, Va.), who had 69 tackles and a fumble recovers, and Bill Peterson (Jr., 6-1, 205, Irvona), 69 tackles, three recoveries, are the starting linebackers returning.

Todd Ritter (Jr., 5-10, 210, Williamsport) and Reggie Moore (Jr., 5-11, 200, Woodbury, NJ) have started during their career at LHU, and competing for time will be Joe Kobialka (Fr., 6-0, 210, Levittown), Corey Clites (So., 5-11, 180, Johnstown) and Larren Dossier (So., 6-0, 185, Warren).

### Secondary also strong

The secondary is also strong with veterans. Jere Warner (Jr., 6-0, 165, Mill Hall) was second team All-PSAC Western Division last year and had one pass interception and one fumble recovery, Tom McNally (Jr., 5-0, 190, Morrisville) was a starter, and Jeff Swanson (So., 5-10, 190, Wilcox) and Alan Urlich (Sr., 5-9, 170, Lewisberry) saw a lot of action. Warner and Urlich are expected to be at the corners, McNally at strong safety and Swanson at free safety.

The defensive line is not as well stocked as linebacker and the secondary. All-PSAC Western Division first team selection Chris Kustanbauer (Sr., 6-0, 220, Montoursville) returns at middle guard, where he led the Bald Eagles in tackles last season with 80, sacks with 12 for 91 yards lost and tied for the lead with three fumbles recovered. Brian Smith (So., 6-0, 250, Orbisonia) was a starter at tackle, and Scott Gantz (Sr., 6-2, 205, Lewistown) played a lot at end. Otherwise, the personnel doesn't have great experience.

### Ends, tackles, and middle guard

At end will be Sean Smith (So., 5-11, 210, Philadelphia), Jack Dunlay (So., 5-11, 180, McKeesport) and Rick Jones (Jr., 5-11, 195, Mt. Holly, NJ). Inside at the tackles and middle guard are Daymond Davenport (So., 6-0, 235, Norristown), Matt Freitas (Jr., 6-0, 260, Dunkirt, NY), Dave Shriver (So., Roaring Spring) and Jim Van Camp

(So., 6-2, 240 Levittown), who has been moved over from the offense.

If some of the defensive linemen come along, the Bald Eagles should present a defense much improved from a season ago, when they finished 3-7.

Handling the punting this spring will be Tim Mason (So., 6-1, 175, South Williamsport), who kicked eight times for a 32.8 yard average in 1983. And place kicking will be Wayne Quinn (So., 5-10, 170, Glenolden), who booted 12-of-13 extra points and 2-for-6 field goals last year.

"What I like about the spring," Coach Fisher concluded, "is that there's no pressure to prepare for a game. You can make individual and team improvements without worrying about an opponent. We'll work on fundamentals all the way from the individual techniques to the team concepts. We're eager to get started."

# Slippery Rock captures stormy triangular

By Kevin Campbell

The stormy weather which dampened the regular season debut of coach Mike McCready also seemed to plague the Bald Eagle thinclads, as the men finished third in a season opening triangular meet against Slippery Rock and Clarion Wednesday.

A cold rain fell on the newly paved Lock Haven track most of the afternoon, but did not seem to bother the Slippery Rock runners. The Rockets captured the meet with 98 points, while Clarion finished a distant second with 56 points. Lock Haven scored 40 points to place third.

The Eagles captured five first place finishes including a 5'10" high jump by Freshman Rich Haubert. Steve Funk finished the 100 meter dash in 11.11 to steal a first place, while Mike Courton won the long jump and Todd Hyman captured the 400 meter hurdles. The LHU 1600 meter relay team ended the meet with a first place finish on a pith dark track.

Both Hyman and Funk took second places in the 400 meter dash and 200 meter dash respectively. Hyman ran the quarter in 50.04 seconds, while Funk ran a 22.83 second 200.

John Genereaux took a third in the shot put with a toss of 39'3", while Courton added a third in the triple jump (40-5).

On the Ladies' side, Slippery Rock ran away with the team honors, while host Lock Haven outdistanced Clarion.

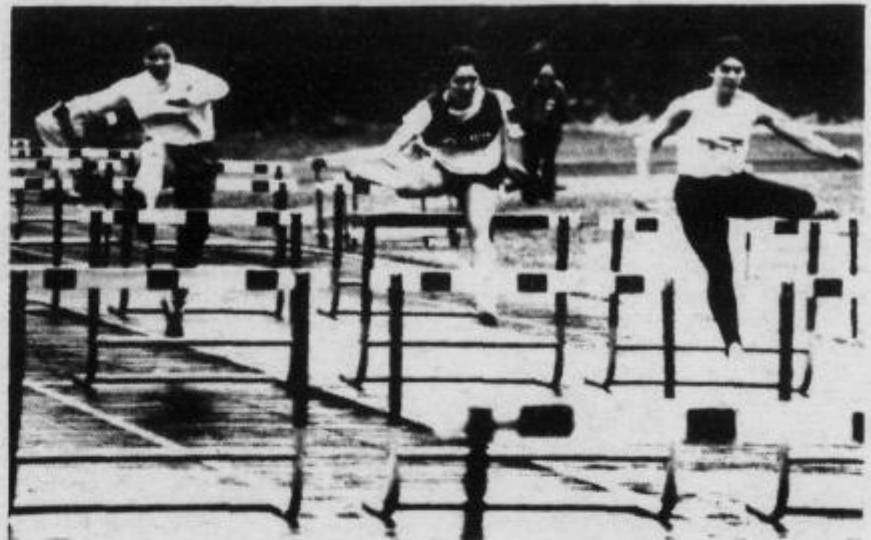

The Lady Eagles captured three first places in the four hour meet. Niecy Houston, with a throw of 39 feet, 8 inches, won the shot put competition.

Freshman Deanna Hoffer won the triple jump (34-4¼), while the 1600 meter relay team ended the meet in victory.

A pair of second place finishes were recorded by Senior Australian exchange student Diane Olson. Olson finished the 400 meter dash in 1:02.9 seconds, and the 400 meter hurdles in 1:09.85 seconds to capture the second place positions.

Freshman Nancy Larena tied for second in both the high jump and the 100 meter hurdles, while placing third in the long jump and 200 meter dash.

The 400 meter relay team placed second, while senior Maureen Hogan placed third in the 1500 meter run. Other third places were recorded by Hogan in the 800 meter run, Hoffer in the 100 meter dash, and sophomore Tina Gilbert in the 400 meter dash.

Freshman Jill Pivrotto (center) competes in the 100 hurdles during Wednesday's stormy home track meet. The Slippery Rock womens' team captured the triangular. Lock Haven placed second. Wednesday's meet marked the debut of Coach Mike McCready and competition on the new track.

## Nationally ranked Huskies ruin mens' tennis opener

By Rocco Pallotto

Things went pretty much as expected Tuesday afternoon as the tennis team dropped a 9-0 decision to the nationally ranked Bloomsburg Huskies.

Tim Mitchell got the guests rolling at number one singles as he defeated freshman Russ Krise 6-1, 6-0. Krise beat out Rob Lentz for the top position in a challenge match on Monday.

At number two singles, Mike Casari of Bloomsburg pinned a 6-1, 6-1 loss on another Bald Eagle freshman, Mark Savage.

Rob Lario beat Lentz 6-0, 6-2, at number three, while Joe Greene was shut out 6-0, 6-0 by Mike Penny at number four.

Bryan Belman dropped his match 6-1, 6-1 at number five. Chad Kammerer and Cash Mishara were both beaten 6-0, 6-0 at number six and seven, respectively.

There was more of the same in doubles. Lentz and Green lost 6-2, 6-1 at number one, while Krise and Savage were defeated at number two, 6-1, 6-1. The Huskies completed the

shutout by posting a 6-0, 6-0 decision over Belman and Mishra at number three.

"Bloom came down ready to play," said first-year head coach Glenn Miller. "There's only so much you can do when you play a fine team like them. Basically, we were outclassed."

Currently, the Huskies are ranked seventh in the middle States Tennis Association, which includes Divisions I, II and III. In Division II, they are rated 16th nationally.

Bloomsburg has not lost a conference match in four years and things continue to look up for them as they have three freshman, two sophomores and a junior in their top six.

The Eagles also have a bright future ahead of them as they have two freshman, three sophomores and a junior.

"I think this match will help our fellas during the rest of the season," said Miller. "Our boys never got discouraged and always kept their heads up."

Now 0-1 with their toughest match out of the way, the LHU netters are next slated for action tomorrow as they play at Kutztown.

## Softball team goes 2-1 in South

By Christa Landas

The rainy, cold Pennsylvania weather has put a damper on the Lock Haven women's softball team's season thus far. Three games were cancelled in the Lady Eagles' southern campaign over spring break, and this week's Shippensburg and Bloomsburg contests had to be rescheduled due to the weather.

Liberty Baptist College was the first game slated for Lock Haven's trip to Maryland. The Lady Eagles were handed a 3-2 loss.

LHU's Sandy Staib was the losing pitcher. Staib had three strike outs and one walk. Dawn Bailey of Liberty Baptist was the victorious hurler.

Lori Ferguson led the Haven with a triple. Wendy Heiges and Tina Martin each had a double. Singles were registered by Jodi Mensch and Bonnie Lassen. Mensch and Heiges scored the LHU runs.

Radford University's women's team were the next challengers for the Lady Eagles. Lock Haven played Radford twice and won both games easily at a neutral Lynchburg, Virginia site.

Pitcher Beth Hess recorded four strikeouts to lead LHU to a 13-3 victory in the first contest with Radford.

The Bald Eagles had a 13-4 advantage in the hitting department. Sandy Elstrodt hit a solid three for four with two runs scored to lead the LHU effort.

Heiges was three for five and had two runs batted in. Mensch went two for five and also had a pair of runs posted. Bert Rothen was two for three and both Lynn Lavook and Robyn Powell scored two runs apiece.

Junior Bonnie Lassen pitched a 6-0 shutout in the second Radford matchup. Lassen and Donna Graupp came through for LHU with two for three batting efforts.

Heiges took it to Radford University. She hit two for four, scored two runs and stole four bases.

The Lady Bald Eagles had ten stolen bases in their southern campaign, which according to Coach Wayne Allison is a great start for his team.

The LHU women's team has, so far in their early season, a batting average of .341. Rescheduled for a later date were the Shippensburg and Bloomsburg games which were to have been played earlier this week.

So Lock Haven will escape meeting up early in the season with Bloomsburg's All-American pitcher, Tina Souders, who's earned run average is an impressive 0.25.

The Lady Bald Eagles are now 2-1 on the season and should meet East Stroudsburg at home Saturday if the weather improves.

### Athletes of the Week

Senior Mary Buzby, playing in her first varsity lacrosse game, scored the game winning goal against Shippensburg on Tuesday.

Photos by Rick Hunt

Senior Co-Captain Glen Fultz batted a team leading .448 and drove in six runs in six games for the baseball team in Virginia.

# Baseball team breaks even on Virginia trip

By Dave Walters

Head coach Gary Bartley and his LHU baseball team completed their road trip in Virginia with a 3-3 record.

Bartley said, "Coming back .500 is a very pleasing aspect with a young ball club. We showed signs of a good ball club but we also showed signs of inexperience."

The team tallied wins against Randolph-Macon, Christopher Newport and Hampden-Sydney and losses against the University of Richmond, Christopher Newport and Liberty Baptist.

Randolph-Macon fell to the Bald Eagles 7-4. Joe Vigna started on the mound but Carl Goshorn got the win. Vigna and Goshorn hurled nine strike outs between them.

The roles were reversed for Vigna and Goshorn in the Hampden-Sydney game. Goshorn started, but Vigna came in and achieved the win. Hampton-Sydney was another victim of the Bald Eagles 11-7.

The Eagles split a double header with Christopher Newport. In the first game LHU won 11-6. Mike Snyder got the win and Goshorn got the save. In the second game the Eagles fell 7-3. Ron Paskanik threw hard but was awarded the loss.

The University of Richmond dropped the Bald Eagles 9-3. Tom Sepela was given the loss. In the seventh inning the Eagles were within two runs but the U of R pulled away in the final two innings.

Liberty Baptist shut out LHU 14-0. Freshman Mike Weicht was given the loss.

The games against William and Mary, Washington and Lee and Virginia Medical Institute were cancelled because of rain.

Senior Co-Captain Glen Fultz and Sophomore Randy Koleno had the hot bats in Virginia. Fultz batted .448 and drove in six runs. Koleno went 10-for-24 and had four singles, three doubles, one triple and two home runs.

Catcher, Terry Fasold, injured his ankle. Fasold went 3-7 and belted in two RBI's. Junior Tom Reichenbach had five of the teams 12 stolen bases.

Bartley said, "The trip definitely proved we could be a good ball club with work. We learned a lot about ourselves. We got good leadership from our seniors, they showed the younger players how to handle the trip."

Sophomore Dave Deans, the number three pitcher, was dismissed from the team for violating team policy.

# Lacrosse squad opens with exciting 10-9 victory

By Dave Prusak

A goal by senior Mary Buzby, just 24 seconds into the second overtime period, gave the Lock Haven University (LHU) lacrosse team a hard fought 10-9 victory at Shippensburg on Tuesday afternoon.

The opening game of the 1984 season, which was originally scheduled to be played at home, was moved to Shippensburg due to the poor conditions of the lacrosse field here at LHU.

Shippensburg raced to an early 3-0 lead on goals by three different players in the first six minutes of Tuesday's game. But eight minutes later junior Rhoda Thorn, who had earlier scored LHU's first goal, tied it up at three.

Both teams traded scores before senior Joan Laird scored with less than four minutes remaining to provide LHU with a 5-4 halftime advantage.

The second half started as a replay of the opening 25 minutes. In six minutes Shippensburg scored three goals to take a 7-5 lead. But goals by Laird and sophomore Sue Cornish once again tied the game.

Shippensburg grabbed an 8-7 lead on a Kathy Burke tally at 16:55. Just when it looked like LHU would suffer a tough defeat, Laird scored with 35 seconds left in regulation to force an 8-8 tie.

In the first overtime once again Shippensburg drew first blood when Stef Groves scored her fifth goal at 3:16. But Laird, who has an outstanding offensive game as well, knotted the score again at 9-9.

Buzby grabbed all the glory by scoring her sudden victory overtime goal to provide LHU with a slim 10-9 win. But Joan Laird, who scored five goals in addition to an assist, had a great game for LHU.

Also playing key roles for LHU were Thorn (2 goals and 2 assists), Sue Cornish (2 goals and an assist), Ann Grim (8 ball control interceptions), and goalie Chris Cortellessa (15 saves).

LHU fifth year coach Rose Ann Neff said, "I was really satisfied with our overall performance. Everybody did their job and it was a very rewarding win for the team. I couldn't have asked for anything more because we didn't crumble. We took the crunches and came back."

Of her team's offensive performance, Neff said, "Joan (Laird) had a lot of vital scores. We missed too many free position

opportunities (one on one situations). It hurt us playing individually in the second half. But we did look good for the minimal amount of practice time we've had."

Of her defense, Neff said, "They hung in there well together. Chris (Cortellessa) had a lot of marvelous saves. Chris made some crucial saves in the last three minutes. Ann (Grim) played her usual superb game."

"I thought we had a good shot at beating Lock Haven this year," said Barb Satina.

Coach Rose Ann Neff (left) and Joan Laird (right) are all smiles following the big win on Tuesday against Shippensburg.

## Petersen wrestles freestyle foes

By Dave Prusak

Wrestler Rick Petersen, Lock Haven University's (LHU's) outstanding junior heavyweight, just recently competed in the Olympic Trial Qualifiers at Oklahoma State and versus a Bulgarian freestyle champion at Lehigh.

Petersen, a junior who has compiled an 80-26 record including 51 pins during his three years here, didn't have much success in the Olympic Trial Qualifiers at Oklahoma St. Both Matt Ghaffari of Cleveland State and Nebraska's Gary Albright defeated Petersen in freestyle competition.

Petersen, who had defeated Ghaffari and Albright earlier this year in collegiate competition, said, "It was the first time I've ever wrestled freestyle. Ghaffari and Albright have been wrestling freestyle since junior high school."

"I just didn't use the right strategy. I didn't do well, but I got experience by wrestling two of the best guys in the country who wrestle freestyle," said Petersen.

At Lehigh, Petersen had success by defeating Bulgarian national champ Petar Hreastov by an 8-5 score. Petersen's win clinched the dual meet for the United States team, which was composed of past and present collegiate standouts from various schools. The ten man U.S. team went on to win the dual meet 7-3 over the Bulgarian national squad, which had knocked off Russia's team last year.

Petersen said, "The Bulgarians have a good background in freestyle wrestling. The Bulgarians wrestlers really work for the tilts."

"In freestyle, a point is awarded for each takedown. I took him (Hreastov) down eight times to win. I led 4-0, he came back to go ahead 5-4, but I eventually did well in the end to win 8-5," said Petersen.
