Students Receive Awards

Two junior and five senior recipients of Traineeships in Mental Retardation have been announced by Dr. Mary Alice Smith, director of special education at LHS.

The seniors who will each receive \$800 plus free tuition and instructional fees are Mary Beth Gillam, Martha Jane McNiernog, William H. Thorpe, and Linda Marie Wharton.

Barbara Meg Boyer and Laura Jean Crouthamel, both juniors, will each receive \$300.

The awards were made possible through a grant to the college under the Program for the Preparation of Professional Personnel in the Education of Handicapped Children which totaled \$14,600.

The trainees were selected by a committee composed of Dr. Irene Russell, Dean of Teacher Education; Dr. Smith; and Peter R. Matthews, assistant professor of special education.

Two recipients of W. B. and Mary K. Cook Scholarships for the 1971-72 academic year were announced by Dr. John H. Bone, dean of student affairs at Lock Haven State.

One award of \$300 went to Edward A. Stoner, a junior majoring in physics in the arts and science program who was cited for academic excellence during both semesters of the 1970-71 academic year.

The other award of \$300 went to Leonard Carl Pardoe, a 1971 graduate of Lock Haven High School who will be majoring in social science in the arts and science program at LHS.

Concert Series

Extends Program

"A new effort in collaboration has been worked out that will combine the resources of the community, the college Student Cooperative Council, and the music department to produce a single, more extensive series of concerts," said Dr. Russell Nelson, chairman of the music department at LHS.

Lock Haven's Community Concert Association, formed and directed by local citizens, has dissolved its ties with the national association. Dr. Nelson explained that this step was taken in order to form the cooperative action to help combat the rising costs of producing the series.

Members of the original association will have information and tickets available when the entire series is announced in the near future, said Dr. Nelson. Interested persons may purchase season tickets.

Two new scholarships having a cash basis of \$15,000 were recently established at the bequest of Elizabeth McCloskey Gamble, an alumna of the college.

"The friends of Lock Haven State College", the college's foundation, will administer the two scholarships.

The two scholarships, named after Mrs. Gamble's father and brother, will be awarded to students in the teacher education curriculum and to students specializing in mathematics.

Mrs. Gamble, who died on May 18, 1970, was a former Lock Haven resident and journalist.

Head Residents Appointed For 1971-72 Year

Four LHS students have been appointed head residence hall counselors for the coming year. They are Terrell Jones, Larry Shervanick, Rodney Norris, and Alex Nuzzo. Jones and Norris will be responsible for administering the total program of North Hall, while Nuzzo and Shervanick will be coordinating the activities of High Hall. Their duties will include supervision of eight to ten hall counselors, advising the hall government developing student activity programs, and providing leadership to the men living in the hall.

Terrell Jones has lettered two years in football as a tackle and will be in his third season as a regular on the varsity squad. He is a senior majoring in arts and science.

Larry Shervanick is a senior majoring in health and physical education and a two year letterman on the football team at night end. Last winter he served as student director of the state conference wrestling tournament held at LHS.

The third of the four head residents is Rod Norris, a sophomore majoring in health and physical education.

Alex Nuzzo earned an All-State honorable mention in football and was nominated to Pennsylvania's "Big 33" team. At LHS, he will be going into his third season as a first team regular on the varsity football squad. He is a senior majoring in secondary education.

"We are extremely fortunate to have young men of Terrell's, Larry's, Alex's and Rod's caliber on our staff. We believe they are among our strongest leaders on campus and are confident they will do a fine job for the college this coming year," said Francis J. Cornelius, dean of men.

Three LHS Faculty Members Named Outstanding Educators

Three LHS faculty members have been named Outstanding Educators of America for 1971.

They are Dr. Matthew G. Maetozo, dean of the school of health, physical education and recreation; Dr. Perry Brown, professor of education; and George Zakem, assistant professor of mathematics.

Outstanding Educators of America is an annual awards program honoring distinguished men and women for their exceptional service, achievements, and leadership in the field of education.

The three LHS educators were solicited on the basis of their civic and professional achievements. Biographical sketches of each will appear in the annual awards volume.

Also receiving national recognition are ten faculty members who have been included in publications which give bio-

graphical listings of Americans prominent in their field.

Listed in the 1972-73 edition of "Who's Who of American Women" are Professor Lydia Gross, director of elementary education, and Dr. Margaret Mercer, chairman of the psychology department.

Listed in the 1971 edition of "Leaders in Education" are Dr. Perry Brown, professor of education; Dr. Francis Colabrese, director of secondary education; John David Fetter, supervisor of secondary education; Professor Lydia Gross; Dr. Francis Hamblin, college president; Dr. Paul Klens, dean of arts and science; Dr. Matthew Maetozo, dean of health, physical education, and recreation; Dr. Charlotte Smith, professor of health, physical education, and recreation; and Dr. Mary Alice Smith, Director of special education.

EAGLE EYE

Vol. XV, No. 2

LOCK HAVEN STATE COLLEGE

Tuesday, September 14, 1971

Tue. 14th	\$1.00
Baked Ham	
Candied Sweet Potatoes	
Apple sauce	
Bread and Butter	
Wed. 15th	\$.85
Spaghetti and Meat Balls	
Bread and Butter	
Thu. 16th	\$.95
Filled Green Peppers	
Browned Potatoes	
Baked Corn	
Bread and Butter	
Fri. 17th	\$.85
Fried Haddock	
Macaroni Cheese	
Stewed Tomato	
Roll and Butter	

Organization meeting of the Newman Association, LHS, in the PUB conference room at 7 p.m. on Wednesday Sept. 15.

All Catholic students are urged to attend.

LHSEnrollment Affected By Fiscal State

Because of the rather serious financial crisis that LHS has experienced as a result of fiscal problems on the state level, the college has been forced to maintain its current enrollment for the 1971-72 school year. Previously, the administration has been able to anticipate an increase in enrollment each year.

Related to the enrollment freeze, the college has made the decision to attempt to achieve a closer balance of the number of men and women in total enrollment and to attempt to approximate an equal number of men and women living on campus.

Therefore, the current policy to require all freshman and sophomore men to live in residency will be expanded to juniors. That is to say that for the 1971-72 academic year all freshman, sophomore and junior men will be required to live in College residence halls. Exceptions to this policy will be approved in the following cases:

1. Commuters
2. Men who are twenty-one (21) years of age or older as of September 1, 1971
3. Married students
4. Fraternity men who elect to live in their fraternity house
5. Veterans

Men who qualify under any of the above classifications may elect to live in the residence hall if they so desire.

Should any male student have any questions regarding this modification of housing policy contact Dean of Men, Francis Cornelius in his office in Smith Hall.

Letter Policy

Eagle Eye will accept letters to the editor only if they contain at least one signature by the writer or writers. Names will be withheld from publication on request of the writer, but all letters must be signed.

Letters on any subject are welcomed. However, they must not be libelous to any individual or group, and they must be written in good taste.

Eagle Eye disclaims any and all responsibility for letters, both in content and in topic.

Information For Veterans Given

All veterans enrolled at Lock Haven State College should read and familiarize themselves with the following information. On initial enrollment the Certificate of Eligibility should be turned in, in duplicate, to Dean Eischeid's office immediately after registration. On following registrations at the beginning of the school year and the summer sessions, all veterans should likewise report to this office.

If a veteran wishes to change colleges or courses of study, a new Certificate of Eligibility must be obtained. If addresses change, both the V.A. and the Post Office must be notified. The V.A. must be informed of any dependency changes due to marriage, divorce, births or deaths and must also be notified if the hour load is reduced or if the veteran leaves school.

Near the end of each enrollment period a certificate of attendance card will be sent to all veterans which must be completed and returned promptly.

Bookstore Hours

Mon. through Fri. - 7:45 a.m. - 4:00 p.m.

If the demand is sufficient, the bookstore hours may be altered.

Union Hours
Mon. through Thurs. - 7:30 a.m.
- 11:00 p.m.
Fri. - 7:30 a.m. - 1:00 a.m.
Sat. - 8:00 a.m. - 1:00 a.m.
Sun. - 1:00 p.m. - 11:00 p.m.

Weller Pleased With Scrimmage

LHS gridgers scored two valid touchdowns in a scrimmage with Lycoming College on Saturday.

Not a regular style game, the scrimmage was used to find the weaknesses of the teams.

The defense was the major concern of the coaches and they came through well. Coach Robert Weller stated, "I was impressed with the team's performance. The defense handled their stunts well and I am satisfied with the overall game."

The defense was tough; they held Lycoming's ground drives to only small yardage gains.

The offense centered on passing. Both quarterbacks, Mike Packer and Ed McGill were impressive. Both Packer and McGill are capable of the long ball. Packer threw to Tommy Allen for the first TD.

Packer threw a second long pass to Allen for another touchdown but this was called back for offensive interference.

McGill sent a long pass to George Haley, who carried the ball over the end line. McGill and Haley combined for several other passing yardage gains. The Eagles have an abundance of good receivers and ball runners.

Coach Weller was satisfied with the running game. "For what we want, they looked good. The offense will depend on passing this season."

Injuries still plague the team. Most are knee injuries and should be healed in time for Saturday's game at Delaware State.

Last year the big team defeated LHS 19 - 14.

One of the top small college football games in the East in 1931 saw two unbeaten teams, Lock Haven State and Dickinson Seminary, battle to a scoreless tie before 2,500 fans including 400 students from LHS. The game was played at Williamsport.

Booters Begin With Win

LHS booters gained their first victory of the new season by defeating a highly skilled alumni team on Saturday with a score of 6-1.

Ex-Eagle star Jim Sleicher put up the only alumni mark, with assistance from Steve Daley, late in the last period.

Rick Donmoyer settled a hassle in front of the opponents cage by sending the ball past goalie Jim Hand for the first Eagle point. John Garmon scored the score which started in a corner kick by Galen Hess.

Less than a minute later Donmoyer scored again, this time with Keith Harmon assisting. The end of the first period and the second period dragged as the booters spent their time trying to take the ball down the middle.

They came back in the third period to gain control and score three goals. With thirteen minutes left on the clock Ken Hamm put in a line drive from in front of the net. Hess received the assist.

Minutes later Bill Romano assisted Hess who kicked the ball

in under the goalkeeper. Freshman ED Musser scored the fifth Eagle goal late in the third period.

Hamm kicked in a ball from in front of the cage for the last point. Tom Rowan assisted.

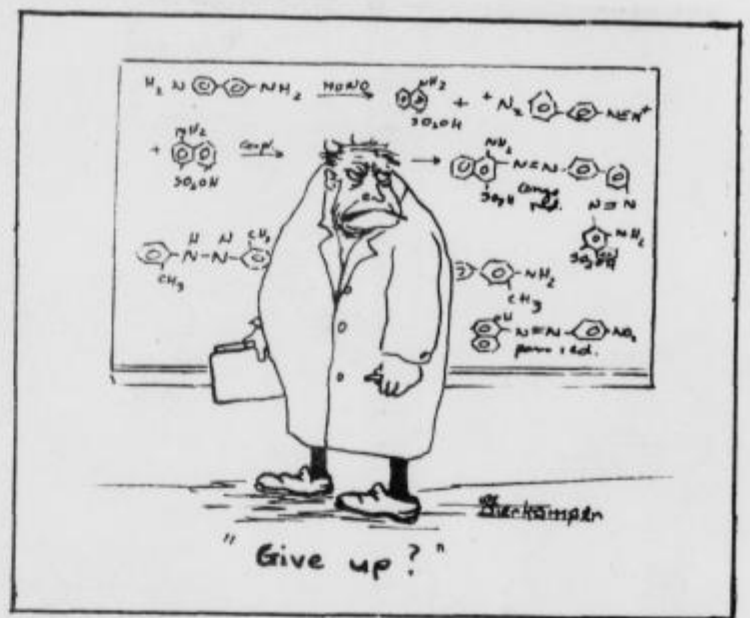

Control and passing was good in Saturday's game but the team is still inexperienced when it comes to playing together, and this inexperience was evident at times.

They did play a good running game and were able to tire their opponents by continually moving.

Coach Karl Herrmann praised his team highly after the game. "Steve Steffen was like a blank; he was everywhere. Donmoyer did an outstanding job keeping the line moving."

"I can't say much more about Hess that hasn't already been said. He is one of the best players I've ever seen. Don Copeland looked like -- Copeland -- never a mistake. Garmon also looked strong in the game."

The booters play Frostburg College this Saturday at 1:00 p.m. on McCollum Field.

Deferments Clarified

The Selective Service System today clarified expected policy changes on undergraduate student deferments.

College students who were enrolled full-time in the 1970-71 academic year will be eligible for student deferments in the 1971-72 school year if they continue to make satisfactory progress in their programs of study, Selective Service officials said. However, young men who entered school for the first time this summer and those who enroll as freshmen this fall will not qualify for student deferments if the pending changes to the Selective Service Act passed by Congress. The House has completed action on the bill and final Senate action is expected in September.

Dr. Curtis W. Tarr, Selective Service Director said: "Few incoming freshmen students are likely to be inducted in the near future because of the student deferment phaseout. Of the 1,034,000 incoming freshmen males estimated by the Office of Education, approximately 80% are 18 years old and only 20% are 19 years of age or older. The 18 year olds will receive their lottery numbers in 1972, and they will not be subject to induction next year; at least 1/2 should have high enough lottery numbers to preclude their induction. Of those remaining, approximately 50% will be

disqualified on mental, moral or physical grounds. This means that a maximum of 50,000 men will be directly affected in 1972 by the student deferment phaseout and one-half of these, or 25,000, will probably not be inducted because of enlistments in Regular, Reserve or National Guard units, participating in commissioning programs or because of procedural delays.

Dr. Tarr said that college students will not be drafted in the middle of a semester or term. "If called while enrolled, they will be allowed to postpone their induction until the end of the semester, or term. If in their last academic year, they will be able to postpone their induction until after graduation."

Dr. Tarr advised incoming freshmen and students who started their program of study in the summer of 1971 or later not to file application for student deferments even though the current law authorizes granting deferments to students in full-time programs of study.

"If the pending Selective Service legislation does not pass," Tarr said, "It would not

be in a registrant's best interest to obtain a student deferment which would extend his liability until age 35. Should Congress change the legislation to provide for deferments for new incoming freshmen, which is most unlikely, applications for deferments will not be jeopardized by delaying their submission until after passage of the new law."

The President's authority for the induction of all men under 35, except for those who have or who have had deferments, expired on June 30, 1971. If Congress does not reinstate the general induction authority, the President could authorize the induction of those registrants who hold or have held deferments. In this unlikely event, Selective Service officials believe that manpower requirements of the Department of Defense probably could be met by those young men who have recently dropped deferments because they graduated, dropped out of school, or changed their occupations. Recent college graduates or dropouts would make up the bulk of inductions, the officials said. The officials added that cancellations of deferments probably would not be necessary nor would it be necessary to call those who have passed into the second priority selection group.

Currently, there are approximately six million young men under age 35 deferments. Approximately 500,000 of these normally lose their deferments during a 12-month period. The largest groups of deferred men are those who have received fatherhood, occupational or student deferments.

Fromm Dry Cleaners interested in dorm students to work on commission basis. If interested, call 748-4791.

Pre-season Practices

Cross Country

Eagle Harriers began pre-season practice September 7 under Head Coach James Dolan in preparation for the September 11 Camptown Races in Camptown, Pa.

The season officially opens in a home match with Slippery Rock State College September 18. The Rockets have beaten LHS the past two seasons. The opener will begin a string of four home matches.

Heading a group of returning veteran runners are Steve Podgajny, who placed second at the NAIA District 18 meet and 19th at the National Championships; Nibs Gordon; George Bower; Steve Harnish; and Carl Klingaman.

Bill Sowich, Larry Wise, Lloyd Peters, Tom Phillips, and Chuck Mathers will also be back and have valuable varsity experience.

The team will attempt to better last seasons 6-3 record which gave Coach Dolan an overall two-year record of 16-4.

The physical education buildings will now be open 7 a.m. until 10 p.m. for student use.

Women's Hockey

Last year's freshman ice hockey sensation Kelly Cromer, a first team Mid-East selection, heads the list of seven returning regulars. Others are: Wendy Dodson, Suzanne O'Conner, Janet Harriger, JoAnn Regimbal, Rose Ann Neff, and Susan Black.

The Eagles of Coach Dr. Charlotte Smith have gone unbeaten in 31 straight matches over a four-year period. Only two games have been lost in the past seven years.

Lock Haven participated in the annual Mt. Pocono Tournament September 10-12 and play the Keystone Hockey Club away on September 25.

The first home hockey match on McCollum Field is slated for October 2 against the LHS Alumni Club.

Football

Football head mentor Robert Weller and his staff have been putting the gridgers through drills since August 25.

Coach Weller is pleased with the progress of the entire team especially the defensive unit. "Defensively we look strong especially at end and in the secondary."

Sophomores Mike Colligan and Mel Abel hold defensive end positions. Harry Sherman and Tom Zimmerman are slated as starting interior linemen.

The top three defensive backs are Steve Glass; Chuck Vennie, ex-Big 33 star; and Doug Williams.

The offense will again be built around the passing game. The Bald Eagles finished last season as number one in NAIA in passing offense with a per-game average of 292.8 yards.

Senior Mike Packer, the nation's top small college passer, will lead the offensive unit. Last year Packer threw 319 passes, completed 149 for 2,129 yards and 15 touchdowns.

Wingback Tommy Allen, another ex-Big 33 star and Packer have looked good in passing drills during the pre-season practices.

Coach Weller has named his starting offensive line as: Alex Nuzzo, tight end; Terrell Jones, left tackle; John Buckley, left guard; Kevin English, center; James Hess, right guard; and Gil Brown, right tackle.

Twenty-three lettermen have returned and strengthen the outlook for this season. Presently injuries are plaguing the team and veteran Wayne Hoffman is out for the season due to illness.
